- (c) The Obligors who are Parties and the other Finance Parties irrevocably authorise the Agent to execute any Transfer Certificate on their behalf without any consultation with them.
- (d) On the Transfer Date:
 - (i) the Existing Lender will assign absolutely to the New Lender the rights under the Finance Documents expressed to be the subject of the assignment in the Transfer Certificate;
 - (ii) the Existing Lender will be released by each Obligor and the other Finance Parties from the obligations owed by it (the **Relevant Obligations**) and expressed to be the subject of the release in the Transfer Certificate (but the obligations owed by the Obligors under the Finance Documents shall not be released); and
 - (iii) the New Lender shall become a Party as a “Lender” and will be bound by obligations equivalent to the Relevant Obligations.

- (e) Lenders may utilise procedures other than those set out in this clause 30.6 to assign their rights under the Finance Documents (but not, without the consent of the relevant Obligor or unless in accordance with this clause 30.6 to obtain a release by that Obligor from the obligations owed to that Obligor by the Lenders nor the assumption of equivalent obligations by a New Lender) provided that they comply with the conditions set out in clause 30.1 (*Assignments by the Lenders*) and clause 30.2 (*Other conditions of assignment*).

30.7 Copy of Transfer Certificate to Borrower

The Agent shall, as soon as reasonably practicable after it has executed a Transfer Certificate and any other document required under paragraph (a) of clause 30.2 (*Other conditions of assignment*), send a copy of that Transfer Certificate and such other documents to the Borrower.

30.8 Security over Lenders' rights

In addition to the other rights provided to Lenders under this clause 30, each Lender may without consulting with or obtaining consent from any Obligor, at any time charge, assign or otherwise create a Security Interest in or over (whether by way of collateral or otherwise) all or any of its rights under any Finance Document to secure obligations of that Lender including, without limitation:

- (a) any charge, assignment or other Security Interest to secure obligations to a federal reserve or central bank; and
- (b) any charge, assignment or other Security Interest granted to any holders (or trustee or representatives of holders) of obligations owed, or securities issued, by that Lender as security for those obligations or securities,

except that no such charge, assignment or other Security Interest shall:

- (i) release a Lender from any of its obligations under the Finance Documents or substitute the beneficiary of the relevant charge, assignment or other Security Interest for the Lender as a party to any of the Finance Documents; or
- (ii) require any payments to be made by an Obligor other than or in excess of, or grant to any person any more extensive rights than, those required to be made or granted to the relevant Lender under the Finance Documents.

31 Changes to the Obligors

No Obligor nor a Manager may assign any of its rights or transfer any of its rights or obligations under the Finance Documents.

32 Roles of Agent, Security Agent and Arranger

32.1 Appointment of the Agent and Security Agent

Each other Finance Party (other than the Security Agent) appoints:

- (a) the Agent to act as its agent under and in connection with the Finance Documents; and
- (b) the Security Agent to act as its agent and as trustee under the Security Documents.

32.2 Security Agent as trustee

The Security Agent declares that it holds the Security Property on trust for itself and the other Finance Parties on the terms contained in this Agreement.

32.3 Authorisation of Agent and Security Agent

Each of the Finance Parties authorises the Agent and the Security Agent:

- (a) to perform the duties, obligations and responsibilities and to exercise the rights, powers, authorities and discretions specifically given to the Agent or (as the case may be) the Security Agent under or in connection with the Finance Documents together with any other incidental rights, powers, authorities and discretions; and
- (b) to execute each of the Security Documents and all other documents that may be approved by the Majority Lenders for execution by it.

32.4 Instructions to Agent and the Security Agent

- (a) The Agent and the Security Agent shall:
 - (i) subject to paragraphs (d) and (e) below, exercise or refrain from exercising any right, power, authority or discretion vested in it as Agent or (as the case may be) the Security Agent in accordance with any instructions given to it by:
 - (A) all Lenders if the relevant Finance Document stipulates the matter is an all Lender decision; and
 - (B) in all other cases, the Majority Lenders; and
 - (ii) not be liable for any act (or omission) if it acts (or refrains from acting) in accordance with paragraph (i) above (or, if the relevant Finance Document stipulates the matter is a decision for any other Finance Party or group of Finance Parties, in accordance with instructions given to it by that Finance Party or group of Finance Parties).
- (b) The Agent and the Security Agent shall be entitled to request instructions, or clarification of any instruction, from the Majority Lenders (or, if the relevant Finance Document stipulates the matter is a decision for any other Finance Party or group of Finance Parties, from that Finance Party or group of Finance Parties) as to whether, and in what manner, it should exercise or refrain from exercising any right, power, authority or discretion and the Agent or (as the case may be) the Security Agent may refrain from acting unless and until it receives those instructions or that clarification.

- (c) Save in the case of decisions stipulated to be a matter for any other Finance Party or group of Finance Parties under the relevant Finance Document and, unless a contrary indication appears in a Finance Document, any instructions given to the Agent or (as the case may be) the Security Agent by the Majority Lenders shall override any conflicting instructions given by any other Parties and will be binding on all Finance Parties.
- (d) Paragraph (a) above shall not apply:
 - (i) where a contrary indication appears in a Finance Document;
 - (ii) where a Finance Document requires the Agent or the Security Agent to act in a specified manner or to take a specified action;
 - (iii) in respect of any provision which protects the Agent's or the Security Agent's own position in its personal capacity as opposed to its role of the Agent or the Security Agent for the Finance Parties including, without limitation, clauses 32.9 (*No duty to account*) to clause 32.14 (*Exclusion of liability*), clause 32.19 (*Confidentiality*) to clause 33.6 (*Custodians and nominees*) and clauses 33.9 (*Acceptance of title*) to 33.12 (*Disapplication of Trustee Acts*).
- (e) If giving effect to instructions given by any other Finance Party or group of Finance Parties would (in the Agent's or (as the case may be) the Security Agent's opinion) have an effect equivalent to an amendment or waiver which is subject to clause 45 (*Amendments and waivers*), the Agent or (as the case may be) the Security Agent shall not act in accordance with those instructions unless consent to it so acting is obtained from each Party (other than itself) whose consent would have been required in respect of that amendment or waiver.
- (f) The Agent or the Security Agent may refrain from acting in accordance with any instructions of any other Finance Party or group of Finance Parties until it has received any indemnification and/or security that it may in its discretion require (which may be greater in extent than that contained in the Finance Documents and which may include payment in advance) for any cost, loss or liability (together with any applicable VAT) which it may incur in complying with those instructions.
- (g) Without prejudice to the provisions of clause 34 (*Enforcement of Transaction Security*) and the remainder of this clause 32, in the absence of instructions, the Agent and the Security Agent may act (or refrain from acting) as it considers to be in the best interest of the Lenders.

32.5 Legal or arbitration proceedings

Neither the Agent nor the Security Agent is authorised to act on behalf of another Finance Party (without first obtaining that Finance Party's consent) in any legal or arbitration proceedings relating to any Finance Document. This clause 32.5 shall not apply to any legal or arbitration proceeding relating to the perfection, preservation or protection of rights under the Security Documents or enforcement of the Transaction Security.

32.6 Duties of the Agent and the Security Agent

- (a) The Agent's and the Security Agent's duties under the Finance Documents are solely mechanical and administrative in nature.
- (b) Subject to paragraph (c) below, the Agent or (as the case may be) the Security Agent shall promptly:
 - (i) (in the case of the Security Agent) forward to the Agent a copy of any document received by the Security Agent from any Obligor under any Finance Document; and

- (ii) forward to a Party the original or a copy of any document which is delivered to the Agent or (as the case may be) the Security Agent for that Party by any other Party.
- (c) Without prejudice to clause 30.7 (*Copy of Transfer Certificate to Borrower*), paragraph (b) above shall not apply to any Transfer Certificate.

- (f) If the Agent is aware of the non-payment of any principal, interest, commitment fee or other fee payable to a Finance Party (other than the Agent or the Arranger or the Security Agent for their own account) under this Agreement, it shall promptly notify the other Finance Parties.
- (g) The Agent shall provide to the Borrower within five Business Days of a request by the Borrower (but no more frequently than quarterly per calendar year), a list (which may be in electronic form) setting out the names of the Lenders as at that Business Day, their respective Commitments and the address (and the department or officer, if any, for whose attention any communication is to be made) of each Lender for any communication to be made or document to be delivered under or in connection with the Finance Documents, the electronic mail address and/or any other information required to enable the sending and receipt of information by electronic mail or other electronic means to and by each Lender to whom any communication under or in connection with the Finance Documents may be made by that means and the account details of each Lender for any payment to be distributed by the Agent to that Lender under the Finance Documents.
- (h) The Agent and the Security Agent shall have only those duties, obligations and responsibilities expressly specified in the Finance Documents to which it is expressed to be a party (and no others shall be implied).

32.7 Role of the Arranger

Except as specifically provided in the Finance Documents, the Arranger has no obligations of any kind to any other Party under or in connection with any Finance Document or the transactions contemplated by the Finance Documents.

32.8 No fiduciary duties

Nothing in any Finance Document constitutes the Agent, the Security Agent or the Arranger as a trustee or fiduciary of any other person except to the extent that the Security Agent acts as trustee for the other Finance Parties pursuant to clause 32.2 (*Security Agent as trustee*).

32.9 No duty to account

None of the Agent, the Security Agent or the Arranger shall be bound to account to any other Finance Party for any sum or the profit element of any sum received by it for its own account.

 - (i) rely on any representation, communication, notice or document believed by it to be genuine, correct and appropriately authorised;
 - (ii) assume that:
 - (A) any instructions received by it from the Majority Lenders, any Lenders or other Finance Parties or any group of Lenders or other Finance Parties are duly given in accordance with the terms of the Finance Documents;
 - (B) unless it has received notice of revocation, that those instructions have not been revoked; and
 - (C) in the case of the Security Agent, if it receives any instructions to act in relation to the Transaction Security, that all applicable conditions under the Finance Documents for so acting have been satisfied; and
 - (iii) rely on a certificate from any person:
 - (A) as to any matter of fact or circumstance which might reasonably be expected to be within the knowledge of that person; or
 - (B) to the effect that such person approves of any particular dealing, transaction, step, action or thing, as sufficient evidence that that is the case and, in the case of paragraph (A) above, may assume the truth and accuracy of that certificate.
- (b) The Agent and the Security Agent may assume (unless it has received notice to the contrary in its capacity as agent or (as the case may be) security trustee for the other Finance Parties) that:
 - (i) no Notifiable Debt Purchase Transaction:
 - (A) has been entered into;
 - (B) has been terminated; or
 - (C) has ceased to be with a Borrower Affiliate;
 - (ii) no Default has occurred (unless (in the case of the Agent) it has actual knowledge of a Default arising under clause 29.1 (*Non-payment*));
 - (iii) any right, power, authority or discretion vested in any Party or any group of Finance Parties has not been exercised; and
 - (iv) any notice or request made by the Borrower (other than (in the case of the Agent) a Utilisation Request or Selection Notice) is made on behalf of and with the consent and knowledge of all the Obligors.
- (c) Each of the Agent and the Security Agent may engage and pay for the advice or services of any lawyers, accountants, tax advisers, insurance consultants, ship managers, valuers, surveyors or other professional advisers or experts.

- (d) Without prejudice to the generality of paragraph (c) above or paragraph (e) below, each of the Agent and the Security Agent may at any time engage and pay for the services of any lawyers to act as independent counsel to it (and so separate from any lawyers instructed by the Lenders or any other Finance Party) if it, in its reasonable opinion, deems this to be desirable.
- (e) Each of the Agent and the Security Agent may rely on the advice or services of any lawyers, accountants, tax advisers, insurance consultants, ship managers, valuers, surveyors or other professional advisers or experts (whether obtained by it or by any other Party) and shall not be liable for any damages, costs or losses to any person, any diminution in value or any liability whatsoever arising as a result of its so relying.
- (f) The Agent, the Security Agent, any Receiver and any Delegate may act in relation to the Finance Documents, the Transaction Security and the Security Property through its officers, employees and agents and shall not:
 - (i) be liable for any error of judgment made by any such person; or
 - (ii) be bound to supervise, or be in any way responsible for any loss incurred by reason of misconduct, omission or default on the part, of any such person,
 unless such error or such loss was directly caused by the Agent's, the Security Agent's, Receiver's or Delegate's gross negligence or wilful misconduct.
- (g) Unless any Finance Document expressly specifies otherwise, the Agent or the Security Agent may disclose to any other Party any information it reasonably believes it has received as agent or security trustee under this Agreement.

 - (ii) on the written request of the Borrower or the Majority Lenders shall, as soon as reasonably practicable, disclose the identity of a Defaulting Lender to the other Finance Parties and the Borrower.
- (i) Notwithstanding any other provision of any Finance Document to the contrary, none of the Agent, the Security Agent nor the Arranger is obliged to do or omit to do anything if it would or might in its reasonable opinion constitute a breach of any law or regulation or a breach of a fiduciary duty or duty of confidentiality.
- (j) Notwithstanding any provision of any Finance Document to the contrary, neither the Agent nor the Security Agent is obliged to expend or risk its own funds or otherwise incur any financial liability in the performance of its duties, obligations or responsibilities or the exercise of any right, power, authority or discretion if it has grounds for believing the repayment of such funds or adequate indemnity against, or security for, such risk or liability is not reasonably assured to it.
- (k) Neither the Agent nor the Arranger shall be obliged to request any certificate, opinion or other information under clause 20 (*Information undertakings*) unless so required in writing by a Lender, in which case the Agent shall promptly make the appropriate request of the Borrower if such request would be in accordance with the terms of this Agreement.

32.12 Responsibility for documentation and other matters

None of the Agent, the Security Agent, the Arranger, any Receiver or any Delegate is responsible or liable for:

- (a) the adequacy, accuracy or completeness of any information (whether oral or written) supplied by the Agent, the Security Agent, the Arranger, an Obligor or any other person in or in connection with any Finance Document or the transactions contemplated in the Finance Documents or any other agreement, arrangement or document entered into, made or executed in anticipation of, under or in connection with any Finance Document;

- (g) any other beneficiary of a Security Document failing to perform or discharge any of its duties or obligations under any Finance Document; or
- (h) any determination as to whether any information provided or to be provided to any Finance Party is non-public information the use of which may be regulated or prohibited by any applicable law or regulation relating to insider dealing or otherwise.

32.13 No duty to monitor

Neither the Agent nor the Security Agent shall be bound to enquire:

- (a) whether or not any Default has occurred;
- (b) as to the performance, default or any breach by any Party or any Obligor of its obligations under any Finance Document; or
- (c) whether any other event specified in any Finance Document has occurred.

32.14 Exclusion of liability

- (a) Without limiting paragraph (b) below (and without prejudice to any other provision of any Finance Document excluding or limiting the liability of the Agent, the Security Agent, any Receiver or Delegate), none of the Agent, the Security Agent, any Receiver nor any Delegate will be liable (including, without limitation, for negligence or any other category of liability whatsoever) for:
 - (i) any damages, costs or losses to any person, any diminution in value, or any liability whatsoever arising as a result of taking or not taking any action under or in connection with any Finance Document or the Security Property, unless directly caused by its gross negligence or wilful misconduct;
 - (ii) exercising, or not exercising, any right, power, authority or discretion given to it by, or in connection with, any Finance Document, the Security Property or any other agreement, arrangement or document entered into, made or executed in anticipation of, under or in connection with, any Finance Document or the Security Property;

- (iii) any shortfall which arises on the enforcement or realisation of the Security Property; or
- (iv) without prejudice to the generality of paragraphs (i) to (iii) above, any damages, costs, losses, any diminution in value or any liability whatsoever arising as a result of:
 - (A) any act, event or circumstance not reasonably within its control; or
 - (B) the general risks of investment in, or the holding of assets in, any jurisdiction, including (in each case and without limitation) such damages, costs, losses, diminution in value or liability arising as a result of: nationalisation, expropriation or other governmental actions; any regulation, currency restriction, devaluation or fluctuation; market conditions affecting the execution or settlement of transactions or the value of assets (including any Disruption Event), breakdown, failure or malfunction of any third party transport, telecommunications, computer services or systems; natural disasters or acts of God; war, terrorism, insurrection or revolution; or strikes or industrial action.
- (b) No Party (other than the Agent, the Security Agent, that Receiver or that Delegate (as applicable)) may take any proceedings against any officer, employee or agent of the Agent, the Security Agent, a Receiver or a Delegate in respect of any claim it might have against the Agent, the Security Agent, a Receiver or a Delegate or in respect of any act or omission of any kind by that officer, employee or agent in relation to any Finance Document or any Security Property and any officer, employee or agent of the Agent, the Security Agent, a Receiver or a Delegate may rely on this clause subject to clause 1.4 (*Third party rights*) and the provisions of the Third Parties Act.
- (c) Neither of the Agent or the Security Agent will be liable for any delay (or any related consequences) in crediting an account with an amount required under the Finance Documents to be paid by it if it has taken all necessary steps as soon as reasonably practicable to comply with the regulations or operating procedures of any recognised clearing or settlement system used by it for that purpose.
- (d) Nothing in any Finance Document shall oblige the Agent, the Security Agent or the Arranger to carry out:
 - (i) any “know your customer” or other checks in relation to any person; or
 - (ii) any check on the extent to which any transaction contemplated by any of the Finance Documents might be unlawful for any Finance Party or for any Affiliate of any Finance Party or for any Affiliate of any Finance Party,on behalf of any other Finance Party and each other Finance Party confirms to the Agent, the Security Agent and the Arranger that it is solely responsible for any such checks it is required to carry out and that it may not rely on any statement in relation to such checks made by the Agent, the Security Agent or the Arranger.
- (e) Without prejudice to any provision of any Finance Document excluding or limiting the liability of the Agent, the Security Agent, any Receiver or any Delegate, any liability of the Agent, the Security Agent, any Receiver or any Delegate arising under or in connection with any Finance Document or the Security Property shall be limited to the amount of actual loss which has been finally judicially determined to have been suffered (as determined by reference to the date of default of the Agent, the Security Agent, Receiver or Delegate (as the case may be) or, if later, the date on which the loss arises as a result of such default) but without reference to any special conditions or circumstances known to the Agent, the Security Agent, Receiver or Delegate (as the case may be) at any time

which increase the amount of that loss. In no event shall the Agent, the Security Agent, any Receiver or any Delegate be liable for any loss of profits, goodwill, reputation, business opportunity or anticipated saving, or for special, punitive, indirect or consequential damages, whether or not the Agent, the Security Agent, Receiver or Delegate (as the case may be) has been advised of the possibility of such loss or damages.

32.15 Lenders' indemnity to the Agent and others

- (a) Each Lender shall (in proportion to its share of the Total Commitments or, if the Total Commitments are then zero, to its share of the Total Commitments immediately prior to their being reduced to zero) indemnify the Agent, the Security Agent, every Receiver and every Delegate, within three Business Days of demand, against any Losses (including, without limitation, for negligence or any other category of liability whatsoever) incurred by any of them (otherwise than by reason of the relevant Agent's, Security Agent's, Receiver's or Delegate's gross negligence or wilful misconduct) (or, in the circumstances contemplated pursuant to clause 39.11 (*Disruption to payment systems etc*), notwithstanding the Agent's negligence, gross negligence, or any other category of liability whatsoever but not including any claim based on the fraud of the Agent) in acting as Agent, Security Agent, Receiver or Delegate under, or exercising any authority conferred under, the Finance Documents (unless the relevant Agent, Security Agent, Receiver or Delegate has been reimbursed by an Obligor pursuant to a Finance Document).
- (b) Subject to paragraph (c) below, the Borrower shall immediately on demand reimburse any Lender for any payment that Lender makes to the Agent or the Security Agent or any Receiver or Delegate pursuant to paragraph (a) above.
- (c) Paragraph (b) above shall not apply to the extent that the indemnity payment in respect of which the Lender claims reimbursement relates to a liability of the Agent or the Security Agent to an Obligor.

32.16 Resignation of the Agent or the Security Agent

- (a) The Agent or the Security Agent may resign and appoint one of its Affiliates as successor by giving notice to the other Finance Parties and the Borrower.
- (b) Alternatively the Agent or the Security Agent may resign by giving 30 days' notice to the other Finance Parties and the Borrower, in which case the Majority Lenders may appoint a successor Agent or Security Agent.
- (c) If the Majority Lenders have not appointed a successor Agent or Security Agent in accordance with paragraph (b) above within 20 days after notice of resignation was given, the retiring Agent or Security Agent (after consultation with (in the case of the Agent) the Borrower or (in the case of the Security Agent) the Agent) may appoint a successor Agent or Security Agent.
- (d) If the Agent or Security Agent wishes to resign because it has concluded that it is no longer appropriate for it to remain as agent or trustee and the Agent or (as the case may be) Security Agent is entitled to appoint a successor Agent or (as the case may be) Security Agent under paragraph (c) above, the Agent or (as the case may be) Security Agent may (if it concludes that it is necessary to do so in order to persuade the proposed successor Agent or (as the case may be) Security Agent to become a party to this Agreement as Agent or (as the case may be) Security Agent) agree with the proposed successor Agent or (as the case may be) Security Agent amendments to this clause 32 and any other term of this Agreement dealing with the rights or obligations of the Agent or (as the case may be) Security Agent consistent with then current market practice for the appointment and protection of corporate trustees together with any reasonable amendments to the fee payable to it in its capacity as Agent or (as the case may be) Security Agent under this Agreement which are consistent with the successor Agent's or (as the case may be) Security Agent's normal fee rates and those amendments will bind the Parties.

- (e) The retiring Agent or Security Agent shall make available to the successor Agent or Security Agent such documents and records and provide such assistance as the successor Agent or Security Agent may reasonably request for the purposes of performing its functions as Agent or (as the case may be) Security Agent under the Finance Documents. The Borrower shall, within three Business Days of demand, reimburse the retiring Agent or (as the case may be) Security Agent for the amount of all costs and expenses (including legal fees) (together with any applicable VAT) properly incurred by it in making available such documents and records and providing such assistance.
- (f) The Agent's or Security Agent's resignation notice shall only take effect upon:
 - (i) the appointment of a successor; and
 - (ii) (in the case of the Security Agent) the transfer or assignment of all the Transaction Security and the other Security Property to that successor and any appropriate filings or registrations, any notices of transfer or assignment and the payment of any fees or duties related to such transfer or assignment which the Security Agent considers necessary or advisable have been duly completed.
- (g) Upon the appointment of a successor, the retiring Agent or Security Agent shall be discharged from any further obligation in respect of the Finance Documents (other than its obligations under paragraph (b) of clause 33.10 (*Winding up of trust*) and paragraph (e) above) but shall remain entitled to the benefit of clauses 15.3 (*Indemnity to the Agent and the Security Agent*) and 15.4 (*Indemnity concerning security*) and this clause 32 (and any agency or other fees for the account of the retiring Agent or Security Agent in its capacity as such shall cease to accrue from (and shall be payable on) that date). Any successor and each of the other Parties shall have the same rights and obligations amongst themselves as they would have had if that successor had been an original Party.
- (h) The Agent shall resign in accordance with paragraph (b) above (and, to the extent applicable, shall use reasonable endeavours to appoint a successor Agent pursuant to paragraph (c) above) if on or after the date which is three Months before the earliest FATCA Application Date relating to any payment to the Agent under the Finance Documents, either:
 - (i) the Agent fails to respond to a request under clause 13.7 (*FATCA information*) and the Borrower or a Lender reasonably believes that the Agent will not be (or will have ceased to be) a FATCA Exempt Party on or after that FATCA Application Date;
 - (ii) the information supplied by the Agent pursuant to clause 13.7 (*FATCA information*) indicates that the Agent will not be (or will have ceased to be) a FATCA Exempt Party on or after that FATCA Application Date; or
 - (iii) the Agent notifies the Borrower and the Lenders that the Agent will not be (or will have ceased to be) a FATCA Exempt Party on or after that FATCA Application Date,

and (in each case) the Borrower or a Lender reasonably believes that a Party will be required to make a FATCA Deduction that would not be required if the Agent were a FATCA Exempt Party, and the Borrower or that Lender, by notice to the Agent, requires it to resign.

32.17 Replacement of the Agent

- (a) After consultation with the Borrower, the Majority Lenders may, by giving 30 days' notice to the Agent (or, at any time the Agent is an Impaired Agent, by giving any shorter notice determined by the Majority Lenders) replace the Agent by appointing a successor Agent.
- (b) The retiring Agent shall (at its own cost if it is an Impaired Agent and otherwise at the expense of the Lenders) make available to the successor Agent such documents and records and provide such assistance as the successor Agent may reasonably request for the purposes of performing its functions as Agent under the Finance Documents.
- (c) The appointment of the successor Agent shall take effect on the date specified in the notice from the Majority Lenders to the retiring Agent. As from this date, the retiring Agent shall be discharged from any further obligation in respect of the Finance Documents (other than its obligations under paragraph (b) above) but shall remain entitled to the benefit of clauses 15.3 (*Indemnity to the Agent and the Security Agent*) and 15.4 (*Indemnity concerning security*) and this clause 32 (and any agency fees for the account of the retiring Agent shall cease to accrue from (and shall be payable on) that date).
- (d) Any successor Agent and each of the other Parties shall have the same rights and obligations amongst themselves as they would have had if such successor had been an original Party.

32.18 Replacement of the Security Agent

The Majority Lenders may, by notice to the Security Agent, require it to resign in accordance with paragraph (b) of clause 32.16 (*Resignation of the Agent or the Security Agent*). In this event, the Security Agent shall resign in accordance with that paragraph.

32.19 Confidentiality

- (a) In acting as agent or trustee for the Finance Parties, the Agent or (as the case may be) the Security Agent shall be regarded as acting through its agency, trustee or other division or department directly responsible for the management of the Finance Documents which shall be treated as a separate entity from any other of its divisions or departments.
- (b) If information is received by another division or department of the Agent or (as the case may be) Security Agent, it may be treated as confidential to that division or department and the Agent or (as the case may be) Security Agent shall not be deemed to have notice of it.
- (c) Notwithstanding any other provision of any Finance Document to the contrary, none of the Agent, the Security Agent nor the Arranger is obliged to disclose to any other person (i) any confidential information or (ii) any other information if the disclosure would, or might in its reasonable opinion, constitute a breach of any law or regulation or a breach of a fiduciary duty.

32.20 Agent's relationship with the Lenders

- (a) The Agent may treat the person shown in its records as Lender at the opening of business (in the place of the Agent's principal office as notified to the Finance Parties from time to time) as the Lender acting through its Facility Office:
 - (i) entitled to or liable for any payment due under any Finance Document on that day; and

- (ii) entitled to receive and act upon any notice, request, document or communication or make any decision or determination under any Finance Document made or delivered on that day,

unless it has received not less than five Business Days prior notice from that Lender to the contrary in accordance with the terms of this Agreement.

- (b) Any Lender may by notice to the Agent appoint a person to receive on its behalf all notices, communications, information and documents to be made or despatched to that Lender under the Finance Documents. Such notice shall contain the address and (where communication by electronic mail or other electronic means is permitted under clause 41.6 (*Electronic communication*)) electronic mail address and/or any other information required to enable the sending and receipt of information by that means (and, in each case, the department or officer, if any, for whose attention communication is to be made) and be treated as a notification of a substitute address, electronic mail address, department and officer (or such other information) by that Lender for the purposes of clause 41.2 (*Addresses*) and clause 41.6 (*Electronic communication*) and the Agent shall be entitled to treat such person as the person entitled to receive all such notices, communications, information and documents as though that person were that Lender.

32.21 Information from the Finance Parties

Each Finance Party shall supply the Agent or the Security Agent with any information that the Agent or (as the case may be) the Security Agent may reasonably specify as being necessary or desirable to enable the Agent or (as the case may be) the Security Agent to perform its functions as Agent or (as the case may be) Security Agent.

32.22 Credit appraisal by the Finance Parties

Without affecting the responsibility of any Obligor for information supplied by it or on its behalf in connection with any Finance Document, each other Finance Party confirms to the Agent, the Security Agent and the Arranger that it has been, and will continue to be, solely responsible for making its own independent appraisal and investigation of all risks arising under or in connection with any Finance Document including but not limited to:

- (a) the financial condition, status and nature of each Obligor and other Group Member;

- (c) If the Agent is willing to make available amounts for the account of the Borrower before receiving funds from the Lenders then if and to the extent that the Agent does so but it proves to be the case that it does not then receive funds from a Lender in respect of a sum which it paid to a Borrower:
 - (i) the Borrower shall on demand refund it to the Agent; and
 - (ii) the Lender by whom those funds should have been made available or, if that Lender fails to do so, the Borrower, shall on demand pay to the Agent the amount (as certified by the Agent) which will indemnify the Agent against any funding cost incurred by it as a result of paying out that sum before receiving those funds from that Lender.

has been obtained to approve any request for a consent, waiver, amendment or other vote of Lenders under the Finance Documents, that Defaulting Lender's Commitment will be reduced by the amount of its Available Commitment and, to the extent that such reduction results in that Defaulting Lender's Commitment being zero, that Defaulting Lender shall be deemed not to be a Lender for the purposes of paragraphs (i) and (ii) above.

(b) For the purposes of this clause 45.6, the Agent may assume that the following Lenders are Defaulting Lenders:

- (i) any Lender which has notified the Agent that it has become a Defaulting Lender; and
- (ii) any Lender in relation to which it is aware that any of the events or circumstances referred to in paragraphs (a), (b) or (c) of the definition of "Defaulting Lender" has occurred,

unless it has received notice to the contrary from the Lender concerned (together with any supporting evidence reasonably requested by the Agent) or the Agent is otherwise aware that the Lender has ceased to be a Defaulting Lender.

- (2) the agreement of any specified group of Lenders,

has been obtained to approve any request for a consent, waiver, amendment or other vote under the Finance Documents

such Commitment shall be deemed to be zero and such Borrower Affiliate or the person with whom it has entered into such sub-participation, other agreement or arrangement shall be deemed not to be a Lender for the purposes of paragraphs (A) and (B) above (unless in the case of a person not being a Borrower Affiliate it is a Lender by virtue otherwise than by beneficially owning the relevant Commitment).

- (b) Each Lender shall, unless such Debt Purchase Transaction is an assignment or transfer, promptly notify the Agent in writing if it knowingly enters into a Debt Purchase Transaction with a Borrower Affiliate (a Notifiable Debt Purchase Transaction), such notification to be substantially in the form set out in Part I of Schedule 9 (*Forms of Notifiable Debt Purchase Transaction Notice*).

2. **THE LOAN**

- 2.1 **Commitment to Lend.** The Lender, relying upon (inter alia) each of the representations and warranties set forth in Clause 6 (*Representations and warranties*)

and in each of the Security Documents, agrees to lend to the Borrowers, as joint and several borrowers, by way of the Tranches and upon and subject to the terms of this Agreement, the amount specified in Clause 1.1 (*Amount and Purpose*) and the Borrowers shall apply all amounts borrowed under the Commitment in accordance with Clause 1.1 (*Amount and Purpose*).

- 2.2 **Drawdown Notice and Commitment to Borrow.** Subject to the terms and conditions of this Agreement, the Commitment shall be advanced to the Borrowers following receipt by the Lender from the Borrowers of a Drawdown Notice not later than 10:00 a.m. (London time) on the second Banking Day before the date on which the drawdown is intended to be made.
- 2.3 **Drawdown Notice irrevocable.** A Drawdown Notice must be signed by a duly authorised signatory or attorney-in-fact of the Borrowers and shall be effective on actual receipt thereof by the Lender and, once served, it, subject as provided in Clause 3.6 (*Market disruption – Non Availability*), cannot be revoked without the prior consent of the Lender.
- 2.4 **Number of Tranches Agreed.** The Commitment shall be advanced to the Borrowers by the Tranches and after the advance of the Tranches any amount undrawn under the Commitment shall be cancelled and may not be borrowed by the Borrowers at a later date.
- 2.5 **Disbursement.** Upon receipt of the Drawdown Notice complying with the terms of this Agreement the Lender shall, subject to the provisions of Clause 7 (*Conditions precedent*), on the date specified in the Drawdown Notice, make the Commitment available to the Borrowers, and payment to the Borrowers shall be made to the account which the Borrowers specify in the Drawdown Notice.
- 2.6 **Application of Proceeds.** Without prejudice to the Borrowers' obligations under Clause 8.1(c) (*Use of Loan proceeds*), the Lender is not bound to monitor or verify the application of any amount borrowed pursuant to this Agreement and shall have no responsibility for the application of the proceeds of the Loan (or any part thereof) by the Borrowers.
- 2.7 **Termination Date of the Commitment.** Any part of the Commitment undrawn and uncanceled at the end of the Availability Period shall thereupon be automatically cancelled.
- 2.8 **Evidence.** It is hereby expressly agreed and admitted by the Borrowers that abstracts or photocopies of the books of the Lender as well as statements of accounts or a certificate signed by an authorised officer of the Lender shall be conclusive binding and full evidence, save for manifest error, on the Borrowers as to the existence and/or the amount of the at any time Outstanding Indebtedness, of any amount due under this Agreement, of the applicable interest rate or Default Rate or any other rate

provided for or referred to in this Agreement, the Interest Period, the value of additional securities under Clause 8.5(a) (*Security Shortfall-Additional Security*), the payment or non payment of any amount due under a Finance Document. Nevertheless, enforcement procedures or any other court or out-of-court procedure can be commenced by the Lender on the basis of the above mentioned means of evidence including written statements or certificates of the Lender.

2.9

2.10 **No security or lien from other person.** The Borrowers have not taken or received, and the Borrowers undertake that until all moneys, obligations and liabilities due, owing or incurred by the Borrowers under this Agreement and the Security Documents have been paid in full, they will not take or receive, any security or lien from any other person liable or for any liability whatsoever.

2.11 **Interest to co-borrow.** The Borrowers have an interest in borrowing jointly and severally in that they are companies which have close financial co-operation and mutual assistance and in that the Commitment would not have been available to each one of the Borrowers separately.

3. **INTEREST**

3.1 **Normal Interest Rate.** The Borrowers shall pay interest on each Tranche, or as the case may be, the Loan (or as the case may be, each portion thereof to which a different Interest Period relates) in respect of each Interest Period (or part thereof) on each Interest Payment Date. The interest rate for the calculation of interest shall be the rate per annum determined by the Lender to be the aggregate of (i) the Applicable Margin and (ii) LIBOR for such Interest Period, unless there is an Alternative Rate in which case the interest rate for the calculation of interest shall be the rate per annum determined by the Lender to be the aggregate of (i) the Applicable Margin and (ii) the Alternative Rate.

3.2 **Selection of Interest Period.**

- (a) **Notice:** The Borrowers may by notice received by the Lender not later than 10:00 a.m. (London time) on the second Banking Day before the beginning of each Interest Period specify (subject to Clause 3.3 (*Determination of Interest Periods*) below) whether such Interest Period shall have a duration of three (3) or six (6) or twelve (12) months (or such other period as may be requested by the Borrowers and as the Lender, in its sole discretion, may agree to).
- (b) **Non-availability of matching deposits for Interest Period selected:** If, after the Borrowers by notice to the Lender have selected an Interest Period longer than 3 months, the Lender notifies the Borrowers on the same Banking Day before the commencement of the Interest Period that it is not satisfied that

deposits in Dollars for a period equal to the Interest Period selected by the Borrowers will be available to it in the London Interbank Market when such Interest Period commences, that Interest Period shall be of such duration as the Lender may advise the Borrowers in writing.

- 3.3 **Determination of Interest Periods.** Every Interest Period shall, subject to market availability to be conclusively determined by the Lender, be of the duration specified by the Borrowers pursuant to Clause 3.2 (*Selection of Interest Period*) but so that:
- (a) the initial Interest Period applicable to the Loan will commence on the Drawdown Date and each subsequent Interest Period will commence forthwith upon the expiry of the preceding Interest Period;
 - (b) if any Interest Period would otherwise overrun one or more Repayment Dates, then, in the case of the last Repayment Date, such Interest Period shall end on such Repayment Date, and in the case of any other Repayment Date or Dates the Loan shall be divided into parts so that there is one part equal to the amount of the Repayment Instalment due on each Repayment Date falling during that Interest Period and having an Interest Period ending on the relevant Repayment Date and another part equal to the amount of the balance of the Loan having an Interest Period determined in accordance with Clause 3.2 (*Selection of Interest Period*) and the other provisions of this Clause 3.3 and the expression “**Interest Period in respect of the Loan**” when used in this Agreement refers to the Interest Period in respect of the balance of the Loan; and
 - (c) if the Borrowers fail to specify the duration of an Interest Period in accordance with the provisions of Clause 3.2 (*Selection of Interest Period*) and this Clause 3.3, such Interest Period shall have a duration of three (3) months unless another period shall be agreed between the Lender and the Borrowers provided, always, that such period (whether of three months or different duration) shall comply with this Clause 3.3.
- 3.4 **Default Interest.**
- (a) Default interest: If the Borrowers fail to pay any sum (including, without limitation, any sum payable pursuant to this Clause 3.4) on its due date for payment under any of the Finance Documents, the Borrowers shall pay interest on such sum from the due date up to the date of actual payment (as well after as before judgement) at the rate determined by the Lender pursuant to this Clause 3.4. The period beginning on such due date and ending on such date of payment shall be divided into successive periods of not more than three (3) months as selected by the Lender each of which (other than the first, which shall commence on such due date) shall commence on the last

day of the preceding such period. The rate of interest applicable to each such period shall be the aggregate (as determined by the Lender) of (i) two per cent (2%), per annum, (ii) the Applicable Margin and (iii) LIBOR. Such interest shall be due and payable on the last day of each such period as determined by the Lender and each such day shall, for the purposes of this Agreement, be treated as an Interest Payment Date, provided that if such unpaid sum is of principal which became due and payable by reason of a declaration by the Lender under Clause 9.2 (*Consequences of Default – Acceleration*) on a date other than an Interest Payment Date relating thereto, the first such period selected by the Lender shall be of a duration equal to the period between the due date of such principal sum and such Interest Payment Date and interest shall be payable on such principal sum during such period at a rate two per cent (2%) above the rate applicable thereto immediately before it fell due. If for the reasons specified in Clause 3.6 (*Market disruption – Non Availability*), the Lender is unable to determine a rate in accordance with the foregoing provisions of this Clause 3.4 (*Default interest*), interest on any sum not paid on its due date for payment shall be calculated at a rate determined by the Lender to be two per cent (2%) per annum above the aggregate of (i) the Applicable Margin and (ii) the Alternative Rate. Interest payable by the Borrowers as aforesaid shall be (at the sole discretion of the Lender) compounded quarterly and shall be payable on demand.

3.5 **Notification of Interest and interest rate.** The Lender shall notify the Borrowers promptly of the duration of each Interest Period and of each rate of interest determined by it under this Clause 3 without prejudice to the right of the Lender to make determinations at its sole discretion, but this shall not be taken to imply that the Borrowers are liable to pay such interest only with effect from the date of the Lender’s notification. However, omission of the Lender to make such notification will not constitute and will not be interpreted as if to constitute a breach of obligation of the Lender except in case of wilful misconduct.

3.6 **Market disruption – Non Availability**

(a) Market Disruption Event: If and whenever, at any time prior to the commencement of any Interest Period, the Lender (in its discretion) shall have determined (which determination shall be conclusive in the absence of manifest error) that a Market Disruption Event has occurred in relation to the Loan for any such Interest Period, then the Lender shall forthwith give notice thereof (a “**Determination Notice**”) to the Borrowers and the rate of interest on the Loan (or the relevant part thereof) for that Interest Period shall be the percentage rate per annum which is the sum of:

- (i) the Applicable Margin; and

- (ii) the rate which expresses as a percentage rate per annum the cost to the Lender of funding the Loan (or the relevant part thereof) from whatever source it may select.
- (b) Suspension of drawdown: If the Determination Notice is given before the Commitment (or a part thereof) is advanced, the Lender's obligation to make the Commitment (or a part thereof) available shall be suspended while the circumstances referred to in the Determination Notice continue.
- (c) Meaning of "Market Disruption Event": In this Agreement "**Market Disruption Event**" means:
 - (i) at or about noon on the Quotation Day for the relevant Interest Period LIBOR is not available; and/or
 - (ii) before close of business in London on the Quotation Day for the relevant Interest Period, the Lender determines (in its sole discretion) that the cost to it of obtaining matching deposits in the London Interbank Market to fund the Loan (or the relevant part thereof) for such Interest Period would be in excess of the LIBOR for such Interest Period; and
 - (iii) before close of business in London on the Quotation Day for the relevant Interest Period, deposits in Dollars are not available to the Lender in the London Interbank Market in the ordinary course of business in sufficient amounts to fund the Loan (or the relevant part thereof) for such Interest Period.
- (d) Alternative basis of interest or funding:
 - (i) If a Market Disruption Event occurs and the Lender or the Borrowers so require, the Lender and the Borrowers shall enter into negotiations (for a period of not more than fourteen (14) days (the "**Negotiation Period**")) after the giving of the relevant Determination Notice with a view to agreeing a substitute basis for determining the rate of interest.
 - (ii) Any alternative basis agreed pursuant to paragraph (i) above shall be binding on the Lender and all Security Parties.
- (e) Alternative basis of interest in absence of agreement: If the Lender and the Borrowers will not enter into negotiations as provided in Sub-Clause 3.6(d)(i) or if an alternative interest rate or alternative basis is not agreed within the Negotiation Period, and the relevant circumstances are continuing at the end of the Negotiation Period, then the Lender shall set the following Interest Period and an interest rate representing the cost of funding of the Lender in

Dollars of the Loan (or the relevant part thereof) plus the Applicable Margin for such Interest Period; if the relevant circumstances are continuing at the end of the Interest Period so set by the Lender, the Lender shall continue to set the following Interest Period and an interest rate representing its cost of funding in Dollars of the Loan (or the relevant part thereof) plus the Applicable Margin for such Interest Period.

- (f) Notice of prepayment: If the Borrowers do not agree with an interest rate set by the Lender in accordance with Clause 3.6(e) (*Alternative basis of interest in absence of agreement*), the Borrowers may give the Lender not less than 5 Banking Days' notice of their intention to prepay the Loan (or the relevant part thereof) at the end of the interest period set by the Lender.
- (g) Prepayment; termination of Commitment: A notice under Clause 3.6(f) (*Notice of Prepayment*) shall be irrevocable; and on the last Banking Day of the interest period set by the Lender, the Borrowers shall prepay (without premium or penalty) the Loan (or the relevant part thereof) together with accrued interest thereon at the applicable rate representing the Lender's cost of funding in Dollars of the Loan plus the Applicable Margin.

4. REPAYMENT - PREPAYMENT

4.1 **Repayment.** The Borrowers shall and it is expressly undertaken by the Borrowers to, repay the Loan as follows:

- (a) Hephaestus Tranche: the Hephaestus Tranche shall be repaid jointly and severally by the Borrowers by (i) fourteen (14) consecutive quarterly repayment instalments, each in the amount of Dollars Three hundred fifty thousand (\$350,000) (the "**Hephaestus Tranche Repayment Instalments**"), the first to be repaid on the 30th September 2017 and each of the subsequent ones consecutively falling due for payment on each of the dates falling three (3) months after the immediately preceding Repayment Date with the last (the 14th) of such Repayment Instalments falling due for payment on the Final Maturity Date and (ii) a balloon payment of Fourteen million five hundred thousand Dollars (\$14,500,000) (the "**Hephaestus Balloon Instalment**"), such Balloon Instalment payable together with the last (the 14th) Hephaestus Tranche Repayment Instalment on the Final Maturity Date;

Provided however that in the context of the Restructuring Plan and throughout the Deferral Period, the Borrowers are entitled without notice to the Lender or the Lender's consent to repay the Hephaestus Deferred Instalments on the Final Maturity Date together with the Hephaestus Balloon Instalment always to the extent not already reduced and/or repaid from time to time by any payments to be made pursuant to Clause 8.1 (k) (*Surplus Cash Income*);

- (c) **Hector Tranche:** the Hector Tranche shall be repaid jointly and severally by the Borrowers by (i) fourteen (14) consecutive quarterly repayment instalments, each in the amount of Dollars Eight hundred fifty thousand (\$850,000) (the “**Hector Tranche Repayment Instalments**”), the first to be repaid on the 30th September 2017 and each of the subsequent ones consecutively falling due for payment on each of the dates falling three (3) months after the immediately preceding Repayment Date with the last (the 14th) of such Repayment Instalments falling due for payment on the Final Maturity Date and (ii) a balloon payment of Thirteen million eight hundred fifty thousand Dollars (\$13,850,000) (the “**Hector Balloon Instalment**”), such Balloon Instalment payable together with the last (the 14th) Hector Tranche Repayment Instalment on the Final Maturity Date;

and further Provided, always, that (aa) if the last Repayment Date under the Tranches would otherwise fall after the Final Maturity Date, such last Repayment Date shall be the Final Maturity Date, (bb) there shall be no

Repayment Dates in relation to a Tranche after the Final Maturity Date, (cc) on the Final Maturity Date, the Borrowers shall also pay to the Lender any and all other monies then payable under this Agreement and the other Security Documents, and (dd) if any of the Repayment Instalments shall become due on a day which is not a Banking Day, the due date therefor shall be extended to the next succeeding Banking Day, unless such Banking Day falls in the next calendar month, in which event such due date shall be the immediately preceding Banking Day.

- 4.2 **Voluntary Prepayment.** The Borrowers shall have the right, upon giving the Lender not less than five (5) Banking Days' notice in writing, to prepay, without penalty or prepayment fee, part or all of the Loan, together with all unpaid interest accrued on the amount to be prepaid and all other sums of money whatsoever due and owing from the Borrowers to the Lender hereunder or pursuant to the other Finance Documents, provided, that:

 - (f) no amount prepaid may be re-borrowed; and
 - (g) the Borrowers may not prepay the Loan or any part thereof, save as expressly provided in this Agreement or as otherwise agreed by the Lender.

- 4.3 **Compulsory Prepayment in case of Total Loss or sale of a Mortgaged Vessel.**

- (a) **Total Loss:** On a Mortgaged Vessel becoming a Total Loss (i) prior to the advance of the Tranche relative to such Vessel (or any part thereof), the obligation of the Lender to advance the Tranche relative to such Vessel (or any part thereof) shall immediately cease and the Tranche relative to the Vessel so lost shall be reduced to zero or (ii) in the event that the Commitment, or as the case may be, a Tranche (or any part thereof) has already been advanced, the Borrowers shall prepay the Relevant Required Amount (as hereinafter defined) together with any and all additional amounts payable (as applicable) pursuant to the provisions of Clause 4.4, without penalty, premium or prepayment fee, the latest on the date falling one hundred and eighty (180) days following the occurrence of such Total Loss or, if earlier, on the date upon which the insurance proceeds in respect of such Total Loss are or Requisition Compensation is received by the relevant Borrower (or the Lender pursuant to the Security Documents).

The Lender shall notify to the Borrowers the total additional amounts payable (as applicable) pursuant to the foregoing provisions of this Clause 4.3(a) and the Borrowers shall be obliged to make such prepayment of the Loan and payment of interest and other monies as aforesaid on the date specified in the foregoing provisions of this Clause 4.3(a)

For the purpose of this Agreement a Total Loss of a Vessel is deemed to have occurred:

- (aa) in the case of an actual total loss of a Vessel, at the actual date and time such Vessel was lost but in the event of the date of the loss being unknown then the actual total loss shall be deemed to have occurred on the date falling fifteen (15) days after the date on which such Vessel was last reported;
- (bb) in the case of a constructive total loss of a Vessel, at the date and time notice of abandonment (the “**NOA date**”) of such Vessel is given to the insurers of such Vessel (provided a claim for such Total Loss is admitted by such insurers) or, if such insurers do not admit such a claim on the earlier of (aa) the date when either the total loss is subsequently admitted by the insurers, or (bb) a total loss is subsequently adjudged by a competent court of law or arbitration tribunal to have occurred and (cc) the date falling sixty (60) days after the NOA date, or, in the event that such notice of abandonment is not given by its Owner to the insurers of such Vessel, at the date and time on which occurred the incident and which may result, in the opinion of the Lender, in such Vessel being subsequently determined to be a Total Loss;

- (cc) in the case of a compromised or arranged total loss of a Vessel, on the date upon which a binding agreement as to such compromised or arranged total loss has been entered into by the then insurers of such Vessel;
 - (dd) in the case of Compulsory Acquisition of a Vessel, on the date upon which the relevant requisition of title or other compulsory acquisition occurs excluding a requisition for hire;
 - (ee) in the case of, condemnation, capture, seizure, confiscation, arrest, or detention of such Vessel (other than where the same amounts to Compulsory Acquisition of such Vessel) by any Government Entity, or by persons acting on behalf of any Government Entity or otherwise, which deprives its Owner of the use of such Vessel for more than ninety (90) days, upon the expiry of the period of ninety (90) days after the date upon which the relevant condemnation, capture, seizure or confiscation, arrest or detention (or within such longer time period the Borrowers may request and the Lender at its sole discretion may approve such consent not to be unreasonably withheld); and
 - (ff) in the case of hijacking, capture, seizure or confiscation of a Vessel arising as a result of a piracy or related incident unless such Vessel be released and restored to its Owner from such hijacking, capture, seizure or confiscation within one hundred twenty (120) days after the date upon which the relevant hijacking, capture, seizure or confiscation.
- (b) Compulsory Prepayment in case of sale of a Mortgaged Vessel: In the event of a sale or other disposal of a Mortgaged Vessel or in case of refinancing by another bank or if the Borrowers request, and the the Lender’s consent is granted for the discharge of the Mortgage registered on such Vessel, the Borrowers shall prepay an amount equal to the Relevant Required Amount and the Borrowers shall thereupon be obliged to make such partial prepayment of the Loan;

and for the purpose of this Clause 4.3 “**Relevant Required Amount**” in relation to a Mortgaged Vessel, means the higher of :

- (i) the total amount outstanding under the relevant Tranche and in particular (aa) the Hephaestus Tranche, in relation to the Hephaestus Vessel (bb) the Hector Tranche, in relation to the Hector Vessel and (cc) the Pericles Tranche, in relation to the Pericles Vessel; and

- (ii) the amount which is equal to the pro-rata share of the Market Value of the Mortgaged Vessel so lost or sold in the aggregate Market Value of all the Mortgaged Vessels as determined in accordance with Clause 8.5(b) (*Valuation of Vessels*) hereof immediately before the Total Loss or, as the case may be, the sale or other disposal of the relevant Mortgaged Vessel or discharge of the relevant Mortgage registered on such Mortgaged Vessel; and
- (iii) such amount of the Loan, which results in the Asset Cover Ratio being equal to the Asset Cover Ratio maintained immediately prior to the prepayment made pursuant to this Clause 4.3 (and for the duration of the Deferral Period and only for the purposes of this Clause 4.3 by way of the Lender testing and determining such applicable Asset Cover Ratio pursuant to the provisions of Clause 8.5(b));

In the event that after prepaying the Relevant Required Amount (and for the duration of the Deferral Period), the Asset Cover Ratio is tested and found below 130% and always provided that after such Relevant Required Amount prepayment there remain any surplus sale or insurance or other disposal proceeds (the "Surplus Proceeds"), the Loan shall be prepaid by any part of such Surplus Proceeds as would be required for the Asset Cover Ratio to reach to a percentage of 130% ; for the avoidance of doubt the Parties agree that the provisions of Clause 8.5(a) (Security Shortfall- Additional Security) shall not apply in this Clause 4.3 for the duration of the Deferral Period.

Provided however that in case the Hephaestus Vessel is sold pursuant to the provisions of Clause 8.1(j) (Sale of the Hephaestus Vessel), then the Relevant Required Amount shall be the total amount of the sale proceeds of the Hephaestus Vessel to be applied against full or partial repayment (as the case may be) of the Hephaestus Tranche with allocation and amortisation of the balance unpaid amount to be agreed between the Bank and the Borrowers.

For the avoidance of doubt in the event that the Total Loss or, as the case may be, sale proceeds of such Mortgaged Vessel are insufficient to pay in full the whole of the Relevant Required Amount (save for the provisions of Clause 8.1 (j), and save as otherwise provided in this Clause 4.3 for the duration of the Deferral Period the Borrowers shall be obliged to pay the shortfall to the Lender simultaneously with the payment of the full amount of the Total Loss or, as the case may be, sale proceeds of such Mortgaged Vessel;

provided, always, that if the relevant Mortgaged Vessel, so lost or sold or otherwise

disposed of, is the last Mortgaged Vessel, then the full amount of the insurance or, as the case may be, the sale proceeds shall apply against full repayment of the Outstanding Indebtedness and additionally the Borrowers shall prepay to the Lender the balance (if any) of the Outstanding Indebtedness in full and any remaining balance (after such prepayment) of the insurance or, as the case may be, the sale proceeds shall be paid to the Borrowers.

4.4 Amounts payable on prepayment

Any prepayment of all or part of the Loan under this Agreement shall be made together with:

- (a) accrued interest on the prepaid amount to the date of such prepayment (calculated, in the case of a prepayment pursuant to Clause 3.6 (*Market disruption – Non Availability*) at a rate equal to the aggregate of the Applicable Margin and the cost to the Lender of funding the Loan);
- (b) any additional amount payable under Clause 5.3 (*Gross Up*);
- (c) all other sums payable by the Borrowers to the Lender under this Agreement or any of the other Finance Documents including, without limitation, any amounts payable under Clause 10 (*Indemnities - Expenses – Fees*): and

5. PAYMENTS, TAXES, LOAN ACCOUNT AND COMPUTATION

5.1 Payments – No set-off or Counterclaims

- (a) The Borrowers acknowledge that, in performing their obligations under this Agreement, the Lender will be incurring liabilities to third parties in relation to the funding of amounts to the Borrowers, such liabilities matching the liabilities of the Borrowers to the Lender and that it is reasonable for the Lender to be entitled to receive payments from the Borrowers gross on the due date in order that the Lender is put in a position to perform its matching obligations to the relevant third parties. Accordingly, all payments to be made by the Borrowers under this Agreement and/or any of the other Finance Documents shall be made in full, without any set-off or counterclaim whatsoever and, subject as provided in Clause 5.3, free and clear of any deductions or withholdings or Governmental Withholdings whatsoever, as follows:

- (b) If at any time it shall become unlawful or impracticable for the Borrowers to make, a payment under this Agreement to the relevant account or bank referred to in Clause 5.1(a), the Borrowers may request and the Lender may agree to alternative arrangements for the payment of the amounts due by the Borrowers to the Lender under this Agreement or the other Finance Documents.
- 5.2 **Payments on Banking Days.** All payments due shall be made on a Banking Day. - 5.3 **Gross Up.** If at any time any law, regulation, regulatory requirement or requirement of any governmental authority, monetary agency, central bank or the like compels the Borrowers to make a payment subject to Governmental Withholdings, or any other deduction or withholding, the Borrowers shall pay to the Lender such additional amounts as may be necessary to ensure that there will be received by the Lender a net amount equal to the full amount which would have been received had payment not been made subject to such Governmental Withholdings or other deduction or withholding. The Borrowers shall indemnify the Lender against any losses or costs incurred by the Lender by reason of any failure of the Borrowers to make any such deduction or withholding or by reason of any increased payment not being made on the due date for such payment. The Borrowers shall, not later than thirty (30) days after each deduction, withholding or payment of any Governmental Withholdings, forward to the Lender official receipts and any other documentary receipts and any other documentary evidence reasonably required by the Lender in respect of the payment made or to be made of any deduction or withholding or Governmental Withholding. The obligations of the Borrowers under this provision shall, subject to applicable law, remain in force notwithstanding the repayment of the Loan and the payment of all interest due thereon pursuant to the provisions of this Agreement.

The Lender may, however, in accordance with its usual practices or for its accounting needs, maintain more than one account, consolidate or separate them but all such accounts shall be considered parts of one single loan account maintained under this Agreement. In case that a ship mortgage in the form of Account Current is granted as security under this Agreement, the account(s) referred to in this Clause shall be the Account Current referred to in such mortgage.
- 5.5 **Computation.** All interest and other payments payable by reference to a rate per annum under this Agreement shall accrue from day to day and be calculated on the basis of actual days elapsed and a 360 day year.

6. **REPRESENTATIONS AND WARRANTIES**

“**Net Worth**” means equity payments already advanced in respect of the Fleet Vessels less accumulated dividends plus retained earnings of the Fleet Vessels as such term is defined in the applicable financial statements of the Corporate Guarantor determined in accordance with IFRS;

“**Total Assets**” means, in respect of each Accounting Period, the total assets of the Corporate Guarantor as stated in the most recent financial statements produced in accordance with sub-clause 8.1 (e);

“**Total Borrowings**” means at any relevant time the total long-term borrowings, inclusive of current portion of long-term borrowings as stated in the most recent financial statements produced in accordance with sub-clause 8.1(e);

“**Total Interest Bearing Debt**” means, in respect of the Corporate Guarantor, the amount of total liabilities of the Corporate Guarantor (as such term is defined in the most recent financial statements of the Corporate Guarantor produced in accordance with sub-clause 8.1 (e)) at any time on a consolidated basis which would be included in such most recent financial statements produced as total interest bearing debt in accordance with IFRS including the current portion of interest bearing debt (as such term is defined in the most recent financial statements of the Corporate Guarantor produced in accordance with sub-clause 8.1 (e)) but excluding any cash which is credited as collateral in favour of the Lender and is intended for the purposes of repaying such debt;

“Value Adjusted Leverage Ratio” means at any time the ratio (expressed as a percentage) of:

- i) the Total Interest Bearing Debt divided by
- ii) the Value Adjusted Total Assets;

“Value Adjusted Total Assets” means the Total Assets of the Corporate Guarantor adjusted (upwards or downwards) in each case for the difference of the book value of all Fleet Vessels (as evidenced in the most recent financial statements produced in accordance with sub-clause 8.1 (e)) and the aggregate Market Value of all Fleet Vessels;

- (j) **Sale of the Hephaestus Vessel:** ensure that upon expiry or termination of the Hephaestus Charterparty and in case such Vessel is not in a position to secure employment at rates sufficient to meet its obligations over the following six months (after expiry or termination of the Hephaestus Charterparty) in terms of Operating Expenses and interest payments, (and provided that (1) the cash injection of \$5,000,000 set out in 7.2 (w) (i) and (2) any relevant part of the equity of \$8,000,000 so injected as set out in 7.2 (w) (ii) respectively, are not sufficient at the time to cover the relevant interest payments - then the Hephaestus Borrower and the Lender shall enter into discussions in order to reach a common agreement on the sale of the Hephaestus Vessel. If no such agreement has been reached during a period of three (3) months, the Hephaestus Borrower shall, on the Lender’s request, sell the Hephaestus Vessel at arms’ length at a sale price of no less than her Market Value and on terms acceptable to the Lender in which event the provisions of sub para (b) of Clause 4.3 (*Compulsory Prepayment in case of Total Loss or sale of a Mortgaged Vessel*) shall not apply;
- (k) **Surplus Cash Income:** ensure that within forty five (45) days after the end of each Surplus Cash Income Calculation Period, the Lender is provided with the Mortgaged Vessels’ updated and sufficiently detailed financial and operational information and cash flow statements accompanied by the Surplus Cash Income Certificate for the Surplus Cash Income Calculation Period on the basis of which the Surplus Cash Income has been assessed (for the avoidance of doubt the required aggregate Borrowers’ minimum liquidity amount being held in the Borrowers’ Operating Accounts in respect of the Mortgaged Vessels (as per Clause 8.1 (1)) does not form part of Surplus Cash Income available for repayment of the Deferred Amounts). Upon confirmation of the Lender of its agreement on the Surplus Cash Income so assessed, such amount shall be transferred to the Retention Account and shall be applied by the Lender (and each of the Borrowers hereby irrevocably authorises and instructs the Lender so to do) on the next Interest Payment Date towards

repayment of the Deferred Amounts in the manner the Lender shall elect. If the Borrowers fail to deliver a Surplus Cash Income Certificate as above provided or if the Lender substantially disagrees with the Borrowers' calculations of the Surplus Cash Income as evidenced in the relevant Surplus Cash Income Certificate in respect to the relevant Surplus Cash Income Calculation Period, the Lender may assess at its discretion the amount of such Surplus Cash Income on the basis of financial information furnished by the Borrowers to the Lender pursuant to Clause 8.1(e). If the aggregate of the Surplus Cash Income applied in prepayment of the Loan pursuant to this Clause 8.1 (k) is less than \$1,100,000 (the "**Shortfall Amount**") for the duration of the period commencing on 1 January 2019 until the Surplus Cash Income Period ending on 31 December 2019, the Corporate Guarantor shall procure that part of the Equity is injected, and the Borrowers shall be obliged to utilise such equity to repay the Shortfall Amount to the Lender on the next Repayment Date falling due after receipt of the Surplus Cash Income Certificate relevant to that Surplus Cash Income Calculation Period. Such Shortfall Amount shall be applied in or towards prepayment of the then outstanding Repayment Instalments and Balloon Instalments in order of maturity.

5.7 Disbursement of Loan to third party

Payment by the Facility Agent under Clause 5.6 (*Retentions and payment to third parties*) to a person other than the Borrower shall constitute the advance of the Loan and the Borrower shall at that time become indebted, as principal and direct obligor, to each Lender in an amount equal to that Lender's participation in the Loan.

5.8 Prepositioning of funds

If, in respect of the Utilisation of the Loan, the Facility Agent (acting on the instructions of the Lenders), at the request of the Borrower and on terms acceptable to all the Lenders and the Borrower, prepositions funds with any bank:

- (b) the Borrower and the Guarantor:
 - (i) agree to pay interest on the amount of the funds so prepositioned at the rate described in Clause 8.1 (*Calculation of interest*) on the basis of successive interest periods of one day and so that interest shall be paid together with the first payment of interest on the Loan after the Utilisation Date in respect of it or, if the Utilisation Date does not occur, within three Business Days of demand by the Facility Agent (acting on the instructions of the Lenders); and
 - (ii) shall, without duplication, indemnify each Finance Party against any costs, loss or liability it may incur in connection with such arrangement.

- (b) If any part of the Loan is repaid or prepaid in accordance with Clause 7.5 (*Right of repayment and cancellation in relation to a single Lender*) or Clause 7.1 (*Illegality*) then the Repayment Instalments for each Repayment Date falling after that repayment or prepayment will be reduced pro rata by the amount of the Loan repaid or prepaid.
- (c) If any part of the Loan is prepaid in accordance with Clause 7.3 (*Voluntary prepayment of Loan*) then the amount of the Repayment Instalments for each Repayment Date falling after that repayment or prepayment will be reduced in inverse chronological order by the amount of the Loan repaid or prepaid.

7.2 Change of control

- (a) If the Shareholders cease to control directly or indirectly the Guarantor:
 - (i) the Guarantor shall promptly notify the Facility Agent upon becoming aware of that event; and
 - (ii) if the Majority Lenders so require, the Facility Agent shall (acting on the instructions of the Majority Lenders), by not less than 7 days' notice to the Borrower, cancel the Facility and declare the Loan, together with accrued interest, and all other amounts accrued under the Finance Documents immediately due and payable, whereupon the Facility will be cancelled and the Loan and all such outstanding interest and other amounts will become immediately due and payable.
- (b) For the purpose of paragraph (a) above "**control**" means:

- (b) The Loan may only be prepaid after the last day of the Availability Period (or, if earlier, the day on which the Available Facility is zero).

7.4 Mandatory prepayment on sale or Total Loss

If the Ship is sold or becomes a Total Loss, the Borrower shall repay the Loan together with accrued interest, and all other amounts accrued under the Finance Documents. Such repayment shall be made:

- (a) in the case of a sale of the Ship, on or before the date on which the sale is completed by delivery of the Ship to the buyer; or

- (b) On receipt of a notice of cancellation referred to in paragraph (a) above, the Commitment of that Lender shall immediately be reduced to zero.
- (c) On the last day of each Interest Period which ends after the Borrower has given notice of cancellation under paragraph (a) above in relation to a Lender (or, if earlier, the date specified by the Borrower in that notice), the Borrower shall repay that Lender's participation in the Loan.

7.6 Restrictions

- (a) Any notice of cancellation or prepayment given by any Party under this Clause 7 (*Prepayment and Cancellation*) shall be irrevocable and, unless a contrary indication appears in this Agreement, shall specify the date or dates upon which the relevant cancellation or prepayment is to be made and the amount of that cancellation or prepayment and, if relevant, the part of the Loan to be prepaid or cancelled.

- (g) If all or part of any Lender's participation in the Loan is repaid or prepaid, an amount of that Lender's Commitment (equal to the amount of the participation which is repaid or prepaid) will be deemed to be cancelled on the date of repayment or prepayment.

7.7 **Excess Cash Flow**

If on an Excess Cash Flow Date, the aggregate of the daily Earnings (for the avoidance of doubt, excluding the Minimum Liquidity Amount held in the Earnings Account and any commission and brokerage fees not otherwise included in the Operating Expenses) for the Cash Sweep Period ending on such Excess Cash Flow Date exceeds the aggregate of:

- (a) the aggregate of the Operating Expenses in respect of the Ship, for the Cash Sweep Period ending on such Excess Cash Flow Date; and
- (b) the sums incurred by the Borrower in respect of the payment of principal of, and accrued interest on, the Loan and any accrued costs and expenses pursuant to this Agreement, during the Cash Sweep Period ending on such Excess Cash Flow Date,

the Borrower shall pay such excess amount (the "**Excess Cash Flow**"), as evidenced in the Excess Cash Flow Notice relating to such Excess Cash Flow Date, to the Facility Agent, on the next Interest Payment Date falling due after receipt of such relevant Excess Cash Flow Notice, such Excess Cash Flow to be applied in prepayment of the then outstanding Repayment Instalments (including the Balloon Instalment) in inverse order of maturity.

This Clause shall only be applicable for the duration of the Excess Cash Flow Period.

7.8 **Additional mandatory prepayment event**

If (a) the Cash Sweep End Date has not occurred on or prior to 31 December 2019 and (b) the aggregate of the excess Earnings applied in prepayment of the Loan pursuant to Clause 7.7 (*Excess Cash Flow*) and/or Clause 7.3 (*Voluntary prepayment of Loan*) is less than \$400,000 for the duration of the period commencing on 1 January 2019 until the Cash Sweep Period ending on 31 December 2019, the Guarantor shall procure that part of the shareholders' equity (as provided in Clause 21.17 (*Guarantor's Equity Contribution*)) is injected to the Borrower, and the Borrower shall be obliged to utilise such part of the equity to prepay the Shortfall Amount to the Lenders on the next Interest Payment Date falling due after receipt of the Excess Cash Flow Notice relevant to the Cash Sweep Period ending on 31 December 2019. Such Shortfall Amount shall be applied in or towards prepayment of the then outstanding Repayment Instalments in inverse order of maturity.

7.9 Application of prepayments

Any prepayment of any part of the Loan (other than a prepayment pursuant to Clause 7.1 (*Illegality*)) and Clause 7.5 (*Right of repayment and cancellation in relation to a single Lender*) shall be applied pro rata to each Lender's participation in that part of the Loan.

SECTION 5

COSTS OF UTILISATION

8 INTEREST

- (b) LIBOR.

8.2 Payment of interest

- (a) The Borrower shall pay accrued interest on the Loan or any part of the Loan on the last day of each Interest Period (each an “**Interest Payment Date**”).
- (b) If an Interest Period is longer than three Months, the Borrower shall also pay interest then accrued on the Loan or the relevant part of the Loan on the dates falling at three Month intervals after the first day of the Interest Period.

8.3 Default interest

- (a) If a Transaction Obligor fails to pay any amount payable by it under a Finance Document on its due date, interest shall accrue on the Unpaid Sum from the due date up to the date of actual payment (both before and after judgment) at a rate which, subject to paragraph (b) below, is 2 per cent. per annum higher than the rate which would have been payable if the Unpaid Sum had, during the period of non-payment, constituted part of the Loan in the currency of the Unpaid Sum for successive Interest Periods, each of a duration selected by the Facility Agent (acting on the instructions of the Lenders). Any interest accruing under this Clause 8.3 (*Default interest*) shall be immediately payable by the Obligor on demand by the Facility Agent (acting on the instructions of the Lenders).
- (b) If an Unpaid Sum consists of all or part of the Loan which became due on a day which was not the last day of an Interest Period relating to the Loan or that part of the Loan:
 - (i) the first Interest Period for that Unpaid Sum shall have a duration equal to the unexpired portion of the current Interest Period relating to the Loan or that part of the Loan; and
 - (ii) the rate of interest applying to that Unpaid Sum during that first Interest Period shall be 2 per cent. per annum higher than the rate which would have applied if that Unpaid Sum had not become due.
- (c) Default interest (if unpaid) arising on an Unpaid Sum will be compounded with the Unpaid Sum at the end of each Interest Period applicable to that Unpaid Sum but will remain immediately due and payable.

8.4 Notification of rates of interest

- (a) The Facility Agent shall promptly notify the Lenders and the Borrower of the determination of a rate of interest under this Agreement.

9.2 Duration of normal Interest Periods

Each Interest Period (other than the first Interest Period, whose duration shall be determined in accordance with Clause 9.1 (*Commencement of Interest Periods*)) shall be:

- (a) 3 months; or
- (b) such other period as the Facility Agent may, with the authorisation of all the Lenders, agree with the Borrower.

9.3 Duration of Interest Period for Repayment Instalments

In respect of the Repayment Instalments payable pursuant to Clause 6.1 (*Repayment of Loan*), an Interest Period shall end on the Repayment Date of any such Repayment Instalment.

9.4 Non-Business Days

If an Interest Period would otherwise end on a day which is not a Business Day, that Interest Period will instead end on the next Business Day in that calendar month (if there is one) or the preceding Business Day (if there is not).

10 CHANGES TO THE CALCULATION OF INTEREST

10.1 Unavailability of Screen Rate

- (a) *Interpolated Screen Rate*: If no Screen Rate is available for LIBOR for the Interest Period of the Loan or any part of the Loan, the applicable LIBOR shall be the Interpolated Screen Rate for a period equal in length to the Interest Period of the Loan or that part of the Loan.
- (b) *Reference Bank Rate*: If no Screen Rate is available for LIBOR for:
 - (i) dollars; or
 - (ii) the Interest Period of the Loan or any part of the Loan and it is not possible to calculate the Interpolated Screen Rate, the applicable LIBOR shall be the Reference Bank Rate as of the Specified Time and for a period equal in length to the Interest Period of the Loan or that part of the Loan.
- (c) *Cost of funds*: If paragraph (b) above applies but no Reference Bank Rate is available for dollars or the relevant Interest Period there shall be no LIBOR for the Loan or that part of the Loan (as applicable) and Clause 10.4 (*Cost of funds*) shall apply to the Loan or that part of the Loan for that Interest Period.

10.2 Calculation of Reference Bank Rate

- (a) Subject to paragraph (b) below, if LIBOR is to be determined on the basis of a Reference Bank Rate but a Reference Bank does not supply a quotation by the Specified Time, the Reference Bank Rate shall be calculated on the basis of the quotations of the remaining Reference Banks.

- (b) If at or about noon on the Quotation Day none or only one of the Reference Banks supplies a quotation, there shall be no Reference Bank Rate for the relevant Interest Period.

10.3 Market disruption

If before close of business in London on the Quotation Day for the relevant Interest Period the Facility Agent receives notification from a Lender or Lenders (whose participations in the Loan or the relevant part of the Loan exceed 10 per cent. of the Loan or the relevant part of the Loan as appropriate) (the “**Relevant Lender**”) that the cost to it of funding its participation in the Loan or that part of the Loan from whatever source it may reasonably select would be in excess of LIBOR then Clause 10.4 (*Cost of funds*) shall apply to the Loan or that part of the Loan (as applicable) for the relevant Interest Period.

10.4 Cost of funds

- (a) If this Clause 10.4 (*Cost of funds*) applies, the rate of interest on each Lender’s share of the Loan or the relevant part of the Loan for the relevant Interest Period shall be the percentage rate per annum which is the sum of:
- (i) the Margin; and
 - (ii) the weighted average of the rates notified to the Facility Agent by each Lender as soon as practicable and in any event before interest is due to be paid in respect of that Interest Period to be that which expresses as a percentage rate per annum the cost to the relevant Lender of funding its participation in the Loan or that part of the Loan from whatever source it may reasonably select.
- (b) If this Clause 10.4 (*Cost of funds*) applies and the Facility Agent (acting on the instructions of the Majority Lenders) or the Borrower so requires, the Facility Agent and the Borrower shall enter into negotiations (for a period of not more than 30 days) with a view to agreeing a substitute basis for determining the rate of interest or (as the case may be) an alternative basis for funding.
- (c) Subject to Clause 42.4 (*Replacement of Screen Rate*), any substitute or alternative basis agreed pursuant to paragraph (ii) above shall, with the prior consent of all the Lenders, the Facility Agent and the Borrower, be binding on all Parties.
- (d) If paragraph (e) below does not apply and any rate notified to the Facility Agent under sub-paragraph (ii) of paragraph (a) above is less than zero, the relevant rate shall be deemed to be zero.
- (e) If this Clause 10.4 (*Cost of funds*) applies pursuant to Clause 10.3 (*Market disruption*) and:
- (i) a Lender’s Funding Rate is less than LIBOR; or
 - (ii) a Lender does not supply a quotation by the time specified in sub-paragraph(ii) of paragraph (a) above,
- the cost to that Lender of funding its participation in the Loan or the relevant part of the Loan for that Interest Period shall be deemed, for the purposes of paragraph (a) above, to be LIBOR.
- (f) If this Clause 10.4 (*Cost of funds*) applies but any Lender does not supply a quotation by the time specified in sub-paragraph (ii) of paragraph (a) above the rate of interest shall be calculated on the basis of the quotations of the remaining Lenders.

10.5 Break Costs

- (a) The Borrower shall, within three Business Days of demand by a Finance Party, pay to that Finance Party its Break Costs attributable to all or any part of the Loan or Unpaid Sum being paid by the Borrower on a day other than the last day of an Interest Period for the Loan, the relevant part of the Loan or that Unpaid Sum.

11.2 Upfront fee

The Borrower shall pay to the Facility Agent a non-refundable upfront fee (for the account of the Lenders pro-rata to their Commitments) in the amount \$292,500 (representing 1.5 per cent. of the Total Commitments) on the date of this Agreement.

11.3 Additional fee

The Borrower shall pay to the Facility Agent a non-refundable additional fee in the amount of \$5,000,000 (the “**Additional Fee**”) on the earlier of the date (the “**Fee Payment Date**”) on which (i) the Loan is prepaid or repaid in full (including but not limited to any mandatory prepayments made pursuant to Clauses 7.2 (*Change of control*) and 7.4 (*Mandatory prepayment on sale or Total Loss*) and (ii) the Facility Agent (acting on the instructions of the Majority Lenders) takes any action as a result of the occurrence of an Event of Default which is continuing and a notice is served under Clause 26.18 (*Acceleration*).

SECTION 6

ADDITIONAL PAYMENT OBLIGATIONS

12 TAX GROSS UP AND INDEMNITIES

12.1 Definitions

(a) In this Agreement:

“**Protected Party**” means a Finance Party which is or will be subject to any liability, or required to make any payment, for or on account of Tax in relation to a sum received or receivable (or any sum deemed for the purposes of Tax to be received or receivable) under a Finance Document.

“**Tax Credit**” means a credit against, relief or remission for, or repayment of any Tax.

“**Tax Deduction**” means a deduction or withholding for or on account of Tax from a payment under a Finance Document, other than a FATCA Deduction.

“**Tax Payment**” means either the increase in a payment made by an Obligor to a Finance Party under Clause 12.2 (*Tax gross-up*) or a payment under Clause 12.3 (*Tax indemnity*).

(b) Unless a contrary indication appears, in this Clause 12 (*Tax Gross Up and Indemnities*) reference to “**determines**” or “**determined**” means a determination made in the absolute discretion of the person making the determination.

12.2 Tax gross-up

(a) Each Obligor shall make all payments to be made by it without any Tax Deduction, unless a Tax Deduction is required by law.

(b) The Borrower shall promptly upon becoming aware that an Obligor must make a Tax Deduction (or that there is any change in the rate or the basis of a Tax Deduction) notify the Facility Agent accordingly. Similarly, a Lender shall notify the Facility Agent on becoming so aware in respect of a payment payable to that Lender. If the Facility Agent receives such notification from a Lender it shall notify the Borrower and that Obligor.

(c) If a Tax Deduction is required by law to be made by an Obligor, the amount of the payment due from that Obligor shall be increased to an amount which (after making any Tax Deduction) leaves an amount equal to the payment which would have been due if no Tax Deduction had been required.

(d) If an Obligor is required to make a Tax Deduction, that Obligor shall make that Tax Deduction and any payment required in connection with that Tax Deduction within the time allowed and in the minimum amount required by law.

(e) Within 30 days of making either a Tax Deduction or any payment required in connection with that Tax Deduction, the Obligor making that Tax Deduction shall deliver to the Facility Agent for the Finance Party entitled to the payment evidence reasonably satisfactory to that Finance Party that the Tax Deduction has been made or (as applicable) any appropriate payment paid to the relevant taxing authority.

12.3 Tax indemnity

(a) The Obligors shall (within three Business Days of demand by the Facility Agent acting on the instructions of a Protected Party or claiming on its own behalf) pay to a Protected Party an

amount equal to the loss, liability or cost which that Protected Party determines will be or has been (directly or indirectly) suffered for or on account of Tax by that Protected Party in respect of a Finance Document.

- (b) Paragraph (a) above shall not apply:
 - (i) with respect to any Tax assessed on a Finance Party:
 - (A) under the law of the jurisdiction in which that Finance Party is incorporated or, if different, the jurisdiction (or jurisdictions) in which that Finance Party is treated as resident for tax purposes; or
 - (B) under the law of the jurisdiction in which that Finance Party's Facility Office is located in respect of amounts received or receivable in that jurisdiction,
if that Tax is imposed on or calculated by reference to the net income received or receivable (but not any sum deemed to be received or receivable) by that Finance Party; or
 - (ii) to the extent a loss, liability or cost:
 - (A) is compensated for by an increased payment under Clause 12.2 (*Tax gross-up*); or
 - (B) relates to a FATCA Deduction required to be made by a Party.
- (c) A Protected Party making, or intending to make, a claim under paragraph (a) above shall promptly notify the Facility Agent of the event which will give, or has given, rise to the claim, following which the Facility Agent shall notify the Obligors.
- (d) A Protected Party shall, on receiving a payment from an Obligor under this Clause 12.3 (*Tax indemnity*), notify the Facility Agent.

12.4 Tax Credit

If an Obligor makes a Tax Payment and the relevant Finance Party determines that:

- (a) a Tax Credit is attributable to an increased payment of which that Tax Payment forms part, to that Tax Payment or to a Tax Deduction in consequence of which that Tax Payment was received; and
 - (b) that Finance Party has obtained and utilised that Tax Credit,
- the Finance Party shall pay an amount to the Obligor which that Finance Party determines will leave it (after that payment) in the same after-Tax position as it would have been in had the Tax Payment not been required to be made by the Obligor.

12.5 Stamp taxes

The Obligors shall pay and, within three Business Days of demand, indemnify each Secured Party against any cost, loss or liability which that Secured Party incurs in relation to all stamp duty, registration and other similar Taxes payable in respect of any Finance Document.

12.6 VAT

- (a) All amounts expressed to be payable under a Finance Document by any Party to a Finance Party which (in whole or in part) constitute the consideration for any supply for VAT purposes are deemed to be exclusive of any VAT which is chargeable on that supply, and accordingly, subject to paragraph (b) below, if VAT is or becomes chargeable on any supply

made by any Finance Party to any Party under a Finance Document and such Finance Party is required to account to the relevant tax authority for the VAT, that Party must pay to such Finance Party (in addition to and at the same time as paying any other consideration for such supply) an amount equal to the amount of the VAT (and such Finance Party must promptly provide an appropriate VAT invoice to that Party).

- (b) If VAT is or becomes chargeable on any supply made by any Finance Party (the “**Supplier**”) to any other Finance Party (the “**Recipient**”) under a Finance Document, and any Party other than the Recipient (the “**Relevant Party**”) is required by the terms of any Finance Document to pay an amount equal to the consideration for that supply to the Supplier (rather than being required to reimburse or indemnify the Recipient in respect of that consideration):
 - (i) (where the Supplier is the person required to account to the relevant tax authority for the VAT) the Relevant Party must also pay to the Supplier (at the same time as paying that amount) an additional amount equal to the amount of the VAT. The Recipient must (where this sub-paragraph (i) applies) promptly pay to the Relevant Party an amount equal to any credit or repayment the Recipient receives from the relevant tax authority which the Recipient reasonably determines relates to the VAT chargeable on that supply; and
 - (ii) (where the Recipient is the person required to account to the relevant tax authority for the VAT) the Relevant Party must promptly, following demand from the Recipient, pay to the Recipient an amount equal to the VAT chargeable on that supply but only to the extent that the Recipient reasonably determines that it is not entitled to credit or repayment from the relevant tax authority in respect of that VAT.
- (c) Where a Finance Document requires any Party to reimburse or indemnify a Finance Party for any cost or expense, that Party shall reimburse or indemnify (as the case may be) such Finance Party for the full amount of such cost or expense, including such part of it as represents VAT, save to the extent that such Finance Party reasonably determines that it is entitled to credit or repayment in respect of such VAT from the relevant tax authority.
- (d) Any reference in this Clause 12.6 (VAT) to any Party shall, at any time when that Party is treated as a member of a group or unity (or fiscal unity) for VAT purposes, include (where appropriate and unless the context otherwise requires) a reference to the person who is treated at that time as making the supply, or (as appropriate) receiving the supply, under the grouping rules (provided for in Article 11 of Council Directive 2006/112/EC (or as implemented by the relevant member state of the European Union) so that a reference to a Party shall be construed as a reference to that Party or the relevant group or unity (or fiscal unity) of which that Party is a member for VAT purposes at the relevant time or the relevant representative member (or representative or head) of that group or unity at the relevant time (as the case may be).
- (e) In relation to any supply made by a Finance Party to any Party under a Finance Document, if reasonably requested by such Finance Party, that Party must promptly provide such Finance Party with details of that Party’s VAT registration and such other information as is reasonably requested in connection with such Finance Party’s VAT reporting requirements in relation to such supply.

12.7 **FATCA Information**

- (a) Subject to paragraph (c) below, each Party shall, within ten Business Days of a reasonable request by another Party:
 - (i) confirm to that other Party whether it is:
 - (A) a FATCA Exempt Party; or

- (B) not a FATCA Exempt Party; and
 - (ii) supply to that other Party such forms, documentation and other information relating to its status under FATCA as that other Party reasonably requests for the purposes of that other Party's compliance with FATCA; and
 - (iii) supply to that other Party such forms, documentation and other information relating to its status as that other Party reasonably requests for the purposes of that other Party's compliance with any other law, regulation, or exchange of information regime.
- (b) If a Party confirms to another Party pursuant to sub-paragraph (i) of paragraph (a) above that it is a FATCA Exempt Party and it subsequently becomes aware that it is not, or has ceased to be a FATCA Exempt Party, that Party shall notify that other Party reasonably promptly.
- (c) Paragraph (a) above shall not oblige any Finance Party to do anything and sub-paragraph (iii) of paragraph (a) above shall not oblige any other Party to do anything which would or might in its reasonable opinion constitute a breach of:
- (i) any law or regulation;
 - (ii) any fiduciary duty; or
 - (iii) any duty of confidentiality.
- (d) If a Party fails to confirm whether or not it is a FATCA Exempt Party or to supply forms, documentation or other information requested in accordance with sub-paragraphs (i) or (ii) of paragraph (a) above (including, for the avoidance of doubt, where paragraph (c) above applies), then such Party shall be treated for the purposes of the Finance Documents (and payments under them) as if it is not a FATCA Exempt Party until such time as the Party in question provides the requested confirmation, forms, documentation or other information.
- (e) If the Borrower is a US Tax Obligor, or the Facility Agent reasonably believes that its obligations under FATCA or any other applicable law or regulation require it, each Lender shall, within ten Business Days of:
- (i) where the Borrower is a US Tax Obligor and the relevant Lender is an Original Lender, the date of this Agreement;
 - (ii) where the Borrower is a US Tax Obligor on a Transfer Date and the relevant Lender is a New Lender, the relevant Transfer Date; or

- (i) has a net realisable value at least equal to the shortfall; and
 - (ii) is documented in such terms as the Facility Agent (acting on the instructions of the Majority Lenders) may approve or require, before the Prepayment Date; and conditional upon such security being provided in such manner, it shall satisfy such prepayment obligation.

- (i) at the same time as each Compliance Certificate is provided pursuant to Clause 19.3 (*Compliance Certificate*);

SECTION 9

CHANGES TO PARTIES

27 CHANGES TO THE LENDERS

27.1 Assignments and transfers by the Lenders

Subject to this Clause 27 (*Changes to the Lenders*), a Lender (the “**Existing Lender**”) may without the consent of any Obligor:

- (i) assign any of its rights; or
- (ii) transfer by novation any of its rights and obligations,

under the Finance Documents to another bank or financial institution or to a trust, fund or other entity which is regularly engaged in or established for the purpose of making, purchasing or investing in loans, securities or other financial assets or, following the occurrence of an Event of Default which is continuing, to any other person (in each case, the “**New Lender**”).

27.2 Conditions of assignment or transfer

(a) An assignment will only be effective on:

- (i) receipt by the Facility Agent (whether in the Assignment Agreement or otherwise) of written confirmation from the New Lender (in form and substance satisfactory to the Facility Agent) that the New Lender will assume the same obligations to the other Secured Parties as it would have been under if it were an Original Lender; and
- (ii) performance by the Facility Agent of all necessary “know your customer” or other similar checks under all applicable laws and regulations in relation to such assignment to a New Lender, the completion of which the Facility Agent shall promptly notify to the Existing Lender and the New Lender.

(b) Each Obligor on behalf of itself and each Transaction Obligor agrees that all rights and interests (present, future or contingent) which the Existing Lender has under or by virtue of the Finance Documents are assigned to the New Lender absolutely, free of any defects in the Existing Lender’s title and of any rights or equities which the Borrower or any other Transaction Obligor had against the Existing Lender.

(c) A transfer will only be effective if the procedure set out in Clause 27.5 (*Procedure for transfer*) is complied with.

(d) If:

- (i) a Lender assigns or transfers any of its rights or obligations under the Finance Documents or changes its Facility Office; and
- (ii) as a result of circumstances existing at the date the assignment, transfer or change occurs, a Transaction Obligor would be obliged to make a payment to the New Lender or Lender acting through its new Facility Office under Clause 12 (*Tax Gross Up and Indemnities*) or under that clause as incorporated by reference or in full in any other Finance Document or Clause 13 (*Increased Costs*),

then the New Lender or Lender acting through its new Facility Office is only entitled to receive payment under those Clauses to the same extent as the Existing Lender or Lender acting through its previous Facility Office would have been if the assignment, transfer or change had not occurred. This paragraph (d) shall not apply in respect of an assignment or transfer made in the ordinary course of the primary syndication of the Facility.

- (e) Each New Lender, by executing the relevant Transfer Certificate or Assignment Agreement, confirms, for the avoidance of doubt, that the Facility Agent has authority to execute on its behalf any amendment or waiver that has been approved by or on behalf of the requisite Lender or Lenders in accordance with this Agreement on or prior to the date on which the transfer or assignment becomes effective in accordance with this Agreement and that it is bound by that decision to the same extent as the Existing Lender would have been had it remained a Lender.

27.3 Assignment or transfer fee

The New Lender shall, on the date upon which an assignment or transfer takes effect, pay to the Facility Agent (for its own account) a fee of \$3,500.

27.4 Limitation of responsibility of Existing Lenders

- (a) Unless expressly agreed to the contrary, an Existing Lender makes no representation or warranty and assumes no responsibility to a New Lender for:
- (i) the legality, validity, effectiveness, adequacy or enforceability of the Transaction Documents, the Transaction Security or any other documents;
 - (ii) the financial condition of any Transaction Obligor;
 - (iii) the performance and observance by any Transaction Obligor of its obligations under the Transaction Documents or any other documents; or
 - (iv) the accuracy of any statements (whether written or oral) made in or in connection with any Transaction Document or any other document,
- and any representations or warranties implied by law are excluded.
- (b) Each New Lender confirms to the Existing Lender and the other Finance Parties and the Secured Parties that it:
- (i) has made (and shall continue to make) its own independent investigation and assessment of the financial condition and affairs of each Transaction Obligor and its related entities in connection with its participation in this Agreement and has not relied exclusively on any information provided to it by the Existing Lender or any other Finance Party in connection with any Transaction Document or the Transaction Security; and
 - (ii) will continue to make its own independent appraisal of the creditworthiness of each Transaction Obligor and its related entities throughout the Security Period.
- (c) Nothing in any Finance Document obliges an Existing Lender to:
- (i) accept a re-transfer or re-assignment from a New Lender of any of the rights and obligations assigned or transferred under this Clause 27 (*Changes to the Lenders*); or
 - (ii) support any losses directly or indirectly incurred by the New Lender by reason of the non-performance by any Transaction Obligor of its obligations under the Transaction Documents or otherwise.

27.5 Procedure for transfer

- (a) Subject to the conditions set out in Clause 27.2 (*Conditions of assignment or transfer*), a transfer is effected in accordance with paragraph (c) below when the Facility Agent executes an otherwise duly completed Transfer Certificate delivered to it by the Existing Lender and the New Lender. The Facility Agent shall, subject to paragraph (b) below as soon as reasonably practicable after receipt by it of a duly completed Transfer Certificate appearing on its face to comply with this Agreement and delivered in accordance with this Agreement, execute that Transfer Certificate.
- (b) The Facility Agent shall only be obliged to execute a Transfer Certificate delivered to it by the Existing Lender and the New Lender once it is satisfied in its sole discretion that it has complied with all necessary “know your customer” or other similar checks under all applicable laws and regulations in relation to the transfer to such New Lender.
- (c) Subject to Clause 27.9 (*Pro rata interest settlement*), on the Transfer Date:
 - (i) to the extent that in the Transfer Certificate the Existing Lender seeks to transfer by novation its rights and obligations under the Finance Documents and in respect of the Transaction Security, each of the Transaction Obligors and the Existing Lender shall be released from further obligations towards one another under the Finance Documents and in respect of the Transaction Security and their respective rights against one another under the Finance Documents and in respect of the Transaction Security shall be cancelled (being the “**Discharged Rights and Obligations**”);
 - (ii) each of the Transaction Obligors and the New Lender shall assume obligations towards one another and/or acquire rights against one another which differ from the Discharged Rights and Obligations only insofar as that Transaction Obligor and the New Lender have assumed and/or acquired the same in place of that Transaction Obligor and the Existing Lender;
 - (iii) the Facility Agent, the Security Agent, the New Lender and other Lenders shall acquire the same rights and assume the same obligations between themselves and in respect of the Transaction Security as they would have acquired and assumed had the New Lender been an Original Lender with the rights and/or obligations acquired or assumed by it as a result of the transfer and to that extent the Facility Agent, the Security Agent and the Existing Lenders shall each be released from further obligations to each other under the Finance Documents; and
 - (iv) the New Lender shall become a Party as a “**Lender**”.

27.6 Procedure for assignment

- (a) Subject to the conditions set out in Clause 27.2 (*Conditions of assignment or transfer*) an assignment may be effected in accordance with paragraph (c) below when the Facility Agent executes an otherwise duly completed Assignment Agreement delivered to it by the Existing Lender and the New Lender. The Facility Agent shall, subject to paragraph (b) below, as soon as reasonably practicable after receipt by it of a duly completed Assignment Agreement appearing on its face to comply with the terms of this Agreement and delivered in accordance with the terms of this Agreement, execute that Assignment Agreement.
- (b) The Facility Agent shall only be obliged to execute an Assignment Agreement delivered to it by the Existing Lender and the New Lender once it is satisfied in its sole discretion that it has complied with all necessary “know your customer” or other similar checks under all applicable laws and regulations in relation to the assignment to such New Lender.
- (c) Subject to Clause 27.9 (*Pro rata interest settlement*), on the Transfer Date:
 - (i) the Existing Lender will assign absolutely to the New Lender its rights under the Finance Documents and in respect of the Transaction Security expressed to be the subject of the assignment in the Assignment Agreement;

- (ii) the Existing Lender will be released from the obligations (the “**Relevant Obligations**”) expressed to be the subject of the release in the Assignment Agreement (and any corresponding obligations by which it is bound in respect of the Transaction Security); and
 - (iii) the New Lender shall become a Party as a “Lender” and will be bound by obligations equivalent to the Relevant Obligations.
- (d) Lenders may utilise procedures other than those set out in this Clause 27.6 (*Procedure for assignment*) to assign their rights under the Finance Documents (but not, without the consent of the relevant Transaction Obligor or unless in accordance with Clause 27.5 (*Procedure for transfer*), to obtain a release by that Transaction Obligor from the obligations owed to that Transaction Obligor by the Lenders nor the assumption of equivalent obligations by a New Lender) **provided that** they comply with the conditions set out in Clause 27.2 (*Conditions of assignment or transfer*).

27.7 **Copy of Transfer Certificate or Assignment Agreement to Borrower**

The Facility Agent shall, as soon as reasonably practicable after it has executed a Transfer Certificate or an Assignment Agreement, send to the Borrower a copy of that Transfer Certificate or Assignment Agreement.

27.8 **Security over Lenders’ rights**

In addition to the other rights provided to Lenders under this Clause 27 (*Changes to the Lenders*), each Lender may without consulting with or obtaining consent from any Transaction Obligor, at any time charge, assign or otherwise create Security in or over (whether by way of collateral or otherwise) all or any of its rights under any Finance Document to secure obligations of that Lender including, without limitation:

- (a) any charge, assignment or other Security to secure obligations to a federal reserve or central bank; and
 - (b) any charge, assignment or other Security granted to any holders (or trustee or representatives of holders) of obligations owed, or securities issued, by that Lender as security for those obligations or securities,
- except that no such charge, assignment or Security shall:
- (i) release a Lender from any of its obligations under the Finance Documents or substitute the beneficiary of the relevant charge, assignment or Security for the Lender as a party to any of the Finance Documents; or
 - (ii) require any payments to be made by a Transaction Obligor other than or in excess of, or grant to any person any more extensive rights than, those required to be made or granted to the relevant Lender under the Finance Documents.

27.9 **Pro rata interest settlement**

- (a) If the Facility Agent has notified the Lenders that it is able to distribute interest payments on a “*pro rata* basis” to Existing Lenders and New Lenders then (in respect of any transfer pursuant to Clause 27.5 (*Procedure for transfer*) or any assignment pursuant to Clause 27.6 (*Procedure for assignment*) the Transfer Date of which, in each case, is after the date of such notification and is not on the last day of an Interest Period):
 - (i) any interest or fees in respect of the relevant participation which are expressed to accrue by reference to the lapse of time shall continue to accrue in favour of the Existing Lender up to but excluding the Transfer Date (“**Accrued Amounts**”) and shall become due and payable to the Existing Lender (without further interest accruing on

them) on the last day of the current Interest Period (or, if the Interest Period is longer than six Months, on the next of the dates which falls at six Monthly intervals after the first day of that Interest Period); and

- (ii) The rights assigned or transferred by the Existing Lender will not include the right to the Accrued Amounts, so that, for the avoidance of doubt:
 - (A) when the Accrued Amounts become payable, those Accrued Amounts will be payable to the Existing Lender; and
 - (B) the amount payable to the New Lender on that date will be the amount which would, but for the application of this Clause 27.9 (*Pro rata interest settlement*), have been payable to it on that date, but after deduction of the Accrued Amounts.

(b) In this Clause 27.9 (*Pro rata interest settlement*) references to “Interest Period” shall be construed to include a reference to any other period for accrual of fees.

(c) An Existing Lender which retains the right to the Accrued Amounts pursuant to this Clause 27.9 (*Pro rata interest settlement*) but which does not have a Commitment shall be deemed not to be a Lender for the purposes of ascertaining whether the agreement of any specified group of Lenders has been obtained to approve any request for a consent, waiver, amendment or other vote of Lenders under the Finance Documents.

28 CHANGES TO THE TRANSACTION OBLIGORS

28.1 Assignment or transfer by Transaction Obligors

No Transaction Obligor may assign any of its rights or transfer any of its rights or obligations under the Finance Documents.

28.2 Release of security

(a) If a disposal of any asset subject to security created by a Security Document is made in the following circumstances:

- (i) the disposal is permitted by the terms of any Finance Document;
- (ii) all the Lenders agree to the disposal;
- (iii) the disposal is being made at the request of the Security Agent in circumstances where any security created by the Security Documents has become enforceable; or
- (iv) the disposal is being effected by enforcement of a Security Document,

the Security Agent may release the asset(s) being disposed of from any security over those assets created by a Security Document. However, the proceeds of any disposal (or an amount corresponding to them) must be applied in accordance with the requirements of the Finance Documents (if any).

(b) If the Security Agent is satisfied that a release is allowed under this Clause 28.2 (*Release of security*) (at the request and expense of the Borrower) each Finance Party must enter into any document and do all such other things which are reasonably required to achieve that release. Each other Finance Party irrevocably authorises the Security Agent to enter into any such document. Any release will not affect the obligations of any other Transaction Obligor under the Finance Documents.

THE FINANCE PARTIES

29 THE FACILITY AGENT AND THE REFERENCE BANKS

29.1 Appointment of the Facility Agent

- (a) Each of the Lenders appoints the Facility Agent to act as its agent under and in connection with the Finance Documents.
- (b) Each of the Lenders authorises the Facility Agent to perform the duties, obligations and responsibilities and to exercise the rights, powers, authorities and discretions specifically given to the Facility Agent under, or in connection with, the Finance Documents together with any other incidental rights, powers, authorities and discretions.

29.2 Instructions

- (a) The Facility Agent shall:
 - (i) unless a contrary indication appears in a Finance Document, exercise or refrain from exercising any right, power, authority or discretion vested in it as Facility Agent in accordance with any instructions given to it by:
 - (A) all Lenders if the relevant Finance Document stipulates the matter is an all Lender decision; and
 - (B) in all other cases, the Majority Lenders; and
 - (ii) not be liable for any act (or omission) if it acts (or refrains from acting) (A) in accordance with sub-paragraph (i) above (or, if this Agreement stipulates the matter is a decision for any other Finance Party or group of Finance Parties, in accordance with instructions given to it by that Finance Party or group of Finance Parties) or (B) in its capacity as Facility Agent under the Transaction Documents (otherwise than by reason of the Facility Agent's gross negligence or wilful misconduct).
- (b) The Facility Agent shall be entitled to request instructions, or clarification of any instruction, from the Majority Lenders (or, if the relevant Finance Document stipulates the matter is a decision for any other Finance Party or group of Finance Parties, from that Finance Party or group of Finance Parties) as to whether, and in what manner, it should exercise or refrain from exercising any right, power, authority or discretion and the Facility Agent may refrain from acting unless and until it receives any such instructions or clarification that it has requested.
- (c) Save in the case of decisions stipulated to be a matter for any other Finance Party or group of Finance Parties under the relevant Finance Document and unless a contrary indication appears in a Finance Document, any instructions given to the Facility Agent by the Majority Lenders shall override any conflicting instructions given by any other Parties and will be binding on all Finance Parties.
- (d) Without prejudice to paragraph (a)(ii) above, paragraph (a)(i) above shall not apply in respect of any provision which protects the Facility Agent's own position in its personal capacity as opposed to its role of Facility Agent for the relevant Finance Parties.
- (e) The Facility Agent may refrain from acting in accordance with any instructions of any Finance Party or group of Finance Parties until it has received any indemnification and/or security that it may in its discretion require (which may be greater in extent than that contained in the Finance Documents and which may include payment in advance) for any cost, loss or liability (together with any applicable VAT) which it may incur in complying with those instructions.

- (f) Without prejudice to the remainder of this Clause 29.2 (*Instructions*), in the absence of instructions, the Facility Agent shall not be obliged to take any action (or refrain from taking action) even if it considers acting or not acting to be in the best interests of the Finance Parties.

 - (A) as to any matter of fact or circumstance which might reasonably be expected to be within the knowledge of that person; or
 - (B) to the effect that such person approves of any particular dealing, transaction, step, action or thing, as sufficient evidence that that is the case and, in the case of paragraph (A) above, may assume the truth and accuracy of that certificate.
- (b) The Facility Agent may assume (unless it has received notice to the contrary in its capacity as agent for the Finance Parties) that:
- (i) no Default has occurred (unless it has actual knowledge of a Default arising under Clause 26.2 (*Non-payment*));
 - (ii) any right, power, authority or discretion vested in any Party or any group of Finance Parties has not been exercised; and

- (e) The Facility Agent may rely on the advice or services of any lawyers, accountants, tax advisers, surveyors or other professional advisers or experts (whether obtained by the Facility Agent or by any other Party) and shall not be liable for any damages, costs or losses to any person, any diminution in value or any liability whatsoever arising as a result of its so relying.

- (g) Unless a Finance Document expressly provides otherwise the Facility Agent may disclose to any other Party any information it reasonably believes it has received as agent under the Finance Documents.
- (h) Without prejudice to Clause 29.4, the Facility Agent is not obliged to do or omit to do anything if it would or might, in its reasonable opinion, constitute a breach of any law or regulation or a breach of a fiduciary duty or duty of confidentiality.
- (i) Notwithstanding any provision of any Finance Document to the contrary, the Facility Agent is not obliged to expend or risk its own funds or otherwise incur any financial liability in the performance of its duties, obligations or responsibilities or the exercise of any right, power, authority or discretion if it has grounds for believing the repayment of such funds or adequate indemnity against, or security for, such risk or liability is not reasonably assured to it.

29.8 Responsibility for documentation

The Facility Agent is not responsible or liable for:

- (a) the adequacy, accuracy or completeness of any information (whether oral or written) supplied by the Facility Agent, the Security Agent, a Transaction Obligor or any other person in, or in connection with, any Transaction Document or the transactions contemplated in the Transaction Documents or any other agreement, arrangement or document entered into, made or executed in anticipation of, under or in connection with any Transaction Document; or

29.9 No duty to monitor

The Facility Agent shall not be bound to enquire:

- (a) whether or not any Default has occurred;

- (b) as to the performance, default or any breach by any Transaction Obligor of its obligations under any Transaction Document; or
- (c) whether any other event specified in any Transaction Document has occurred.

29.10 Exclusion of liability

- (a) Without limiting paragraph (b) below (and without prejudice to paragraph (e) of Clause 33.11 (*Disruption to Payment Systems* etc.) or any other provision of any Finance Document excluding or limiting the liability of the Facility Agent), the Facility Agent will not be liable for:
 - (i) any damages, costs or losses to any person, any diminution in value, or any liability whatsoever arising as a result of taking or not taking any action under or in connection with any Transaction Document or the Security Property, unless directly caused by its gross negligence or wilful misconduct;
 - (ii) exercising, or not exercising, any right, power, authority or discretion given to it by, or in connection with, any Transaction Document, the Security Property or any other agreement, arrangement or document entered into, made or executed in anticipation of, under or in connection with, any Transaction Document or the Security Property; or
 - (iii) any shortfall which arises on the enforcement or realisation of the Security Property; or
 - (iv) without prejudice to the generality of paragraphs (i) to (iii) above, any damages, costs or losses to any person, any diminution in value or any liability whatsoever (including, without limitation, for negligence or any other category of liability whatsoever) arising as a result of:
 - (A) any act, event or circumstance not reasonably within its control; or
 - (B) the general risks of investment in, or the holding of assets in, any jurisdiction, including (in each case and without limitation) such damages, costs, losses, diminution in value or liability arising as a result of nationalisation, expropriation or other governmental actions; any regulation, currency restriction, devaluation or fluctuation; market conditions affecting the execution or settlement of transactions or the value of assets (including any Disruption Event); breakdown, failure or malfunction of any third party transport, telecommunications, computer services or systems; natural disasters or acts of God; war, terrorism, insurrection or revolution; or strikes or industrial action.
- (b) No Party other than the Facility Agent may take any proceedings against any officer, employee or agent of the Facility Agent in respect of any claim it might have against the Facility Agent or in respect of any act or omission of any kind by that officer, employee or agent in relation to any Transaction Document or any Security Property and any officer, employee or agent of the Facility Agent may rely on this Clause subject to Clause 1.5 (*Third party rights*) and the provisions of the Third Parties Act.
- (c) The Facility Agent will not be liable for any delay (or any related consequences) in crediting an account with an amount required under the Finance Documents to be paid by the Facility Agent if the Facility Agent has taken all necessary steps as soon as reasonably practicable to comply with the regulations or operating procedures of any recognised clearing or settlement system used by the Facility Agent for that purpose.

- (d) Nothing in this Agreement shall oblige the Facility Agent to carry out:
- (i) any “know your customer” or other checks in relation to any person; or
 - (ii) any check on the extent to which any transaction contemplated by this Agreement might be unlawful for any Finance Party,
- on behalf of any Finance Party and each Finance Party confirms to the Facility Agent that it is solely responsible for any such checks it is required to carry out and that it may not rely on any statement in relation to such checks made by the Facility Agent.
- (e) Without prejudice to any provision of any Finance Document excluding or limiting the Facility Agent’s liability, any liability of the Facility Agent arising under or in connection with any Transaction Document or the Security Property shall be limited to the amount of actual loss which has been finally judicially determined to have been suffered (as determined by reference to the date of default of the Facility Agent or, if later, the date on which the loss arises as a result of such default) but without reference to any special conditions or circumstances known to the Facility Agent at any time which increase the amount of that loss. In no event shall the Facility Agent be liable for any loss of profits, goodwill, reputation, business opportunity or anticipated saving, or for special, punitive, indirect or consequential damages, whether or not the Facility Agent has been advised of the possibility of such loss or damages.

29.11 Lenders’ indemnity to the Facility Agent

- (a) Each Lender shall (in proportion to its share of the Total Commitments or, if the Total Commitments are then zero, to its share of the Total Commitments immediately prior to their reduction to zero) indemnify the Facility Agent, within three Business Days of demand, against any cost, loss or liability incurred by the Facility Agent (otherwise than by reason of the Facility Agent’s gross negligence or wilful misconduct) (or, in the case of any cost, loss or liability pursuant to Clause 33.11 (*Disruption to Payment Systems etc.*) notwithstanding the Facility Agent’s negligence, gross negligence or any other category of liability whatsoever but not including any claim based on the fraud of the Facility Agent) in acting as Facility Agent under the Finance Documents (unless the Facility Agent has been reimbursed by a Transaction Obligor pursuant to a Finance Document).
- (b) Subject to paragraph (c) below, the Borrower shall immediately on demand reimburse any Lender for any payment that Lender makes to the Facility Agent pursuant to paragraph (a) above.
- (c) Paragraph (b) above shall not apply to the extent that the indemnity payment in respect of which the Lender claims reimbursement relates to a liability of the Facility Agent to an Obligor.

29.12 Resignation of the Facility Agent

- (a) The Facility Agent may resign and appoint one of its Affiliates as successor by giving notice to the other Finance Parties and the Borrower.
- (b) Alternatively, the Facility Agent may resign by giving 30 days’ notice to the other Finance Parties and the Borrower, in which case the Majority Lenders may appoint a successor Facility Agent.
- (c) If the Majority Lenders have not appointed a successor Facility Agent in accordance with paragraph (b) above within 20 days after notice of resignation was given, the retiring Facility Agent may appoint a successor Facility Agent.
- (d) The retiring Facility Agent shall, at the Borrower’s cost, make available to the successor Facility Agent such documents and records and provide such assistance as the successor

Facility Agent may reasonably request for the purposes of performing its functions as Facility Agent under the Finance Documents. The Borrower shall indemnify the retiring Facility Agent prior to it being required to undertake any actions referred to in this sub-paragraph for the amount of all costs and expenses (including legal fees) to be properly incurred by it in making available such documents and records and providing such assistance.

- (e) All Parties shall consult, co-operate and use commercially reasonable endeavours to appoint a successor Facility Agent and the retiring Facility Agent's resignation notice shall only take effect upon the appointment of a successor.
- (f) Upon the appointment of a successor, the retiring Facility Agent shall be discharged from any further obligation in respect of the Finance Documents (other than its obligations under paragraph (d) above) but shall remain entitled to the benefit of Clause 14.4 (*Indemnity to the Facility Agent*) and this Clause 29 (*The Facility Agent and the Reference Banks*) and any other provisions of a Finance Document which are expressed to limit or exclude its liability (or to indemnify it) in acting as Facility Agent. Any fees for the account of the retiring Facility Agent shall cease to accrue from (and shall be payable on) that date). Any successor and each of the other Parties shall have the same rights and obligations amongst themselves as they would have had if such successor had been an original Party.
- (g) The Majority Lenders may, by notice to the Facility Agent, require it to resign in accordance with paragraph (b) above. In this event, the Facility Agent shall resign in accordance with paragraph (b) above but the cost referred to in paragraph (d) above shall be for the account of the Lenders pro-rata to their Commitments.
- (h) The consent of the Borrower (or any other Transaction Obligor) is not required for an assignment or transfer of rights and/or obligations by the Facility Agent.
- (i) The Facility Agent shall resign in accordance with paragraph (b) above (and, to the extent applicable, shall use reasonable endeavours to appoint a successor Facility Agent pursuant to paragraph (c) above) if on or after the date which is three months before the earliest FATCA Application Date relating to any payment to the Facility Agent under the Finance Documents, either:
 - (i) the Facility Agent fails to respond to a request under Clause 12.7 (*FATCA Information*) and a Lender reasonably believes that the Facility Agent will not be (or will have ceased to be) a FATCA Exempt Party on or after that FATCA Application Date;
 - (ii) the information supplied by the Facility Agent pursuant to Clause 12.7 (*FATCA Information*) indicates that the Facility Agent will not be (or will have ceased to be) a FATCA Exempt Party on or after that FATCA Application Date; or
 - (iii) the Facility Agent notifies the Borrower and the Lenders that the Facility Agent will not be (or will have ceased to be) a FATCA Exempt Party on or after that FATCA Application Date;

and (in each case) a Lender reasonably believes that a Party will be required to make a FATCA Deduction that would not be required if the Facility Agent were a FATCA Exempt Party, and that Lender, by notice to the Facility Agent, requires it to resign.

29.13 Confidentiality

- (a) In acting as Facility Agent for the Finance Parties, the Facility Agent shall be regarded as acting through its agency division which shall be treated as a separate entity from any other of its divisions or departments.
- (b) If information is received by a division or department of the Facility Agent other than the division or department responsible for complying with the obligations assumed by it under

the Finance Documents, that information may be treated as confidential to that division or department, and the Facility Agent shall not be deemed to have notice of it nor shall it be obliged to disclose such information to any Party.

- (c) Without prejudice to Clause 29.4 (*No fiduciary duties*) and notwithstanding any other provision of any Finance Document to the contrary, the Facility Agent is not obliged to disclose to any other person (i) any confidential information or (ii) any other information if the disclosure would, or might in its reasonable opinion, constitute a breach of any law or regulation or a breach of a fiduciary duty.

29.14 Relationship with the other Finance Parties

- (a) Subject to Clause 27.9 (*Pro rata interest settlement*), the Facility Agent may treat the person shown in its records as Lender at the opening of business (in the place of the Facility Agent's principal office as notified to the Finance Parties from time to time) as the Lender acting through its Facility Office.
 - (i) entitled to or liable for any payment due under any Finance Document on that day; and
 - (ii) entitled to receive and act upon any notice, request, document or communication or make any decision or determination under any Finance Document made or delivered on that day,

- (b) Each Finance Party shall supply the Facility Agent with any information that the Security Agent may reasonably specify (through the Facility Agent) as being necessary or desirable to enable the Security Agent to perform its functions as Security Agent. Each Finance Party shall deal with the Security Agent exclusively through the Facility Agent and shall not deal directly with the Security Agent and any reference to any instructions being given by or sought from any Finance Party or group of Finance Parties to or by the Security Agent in this Agreement must be given or sought through the Facility Agent.

For the purposes of the Finance Documents that Party shall be regarded as having received any amount so deducted.

29.18 Reliance and engagement letters

- (e) Subject to this Clause 9 (*Interest Periods*), the Borrowers may select an Interest Period of three Months or any other longer period agreed between the Borrowers and the Facility Agent (acting on the instructions of all the Lenders in their absolute discretion).
- (f) An Interest Period in respect of a Tranche shall not extend beyond the Maturity Date.
- (g) In respect of a Repayment Instalment, the Borrowers may request in the relevant Selection Notice that an Interest Period for a part of a Tranche equal to such Repayment Instalment shall end on the Repayment Date relating to it and, subject to paragraph (e) above, select a longer Interest Period for the remaining part of that Tranche.

- (b) If after the Borrowers have selected and the Lenders have agreed an Interest Period longer than three Months, any Lender notifies the Facility Agent within two Business Days after the Specified Time relating to the relevant Drawdown Request or Selection Notice that it is not satisfied that deposits in dollars for a period equal to the Interest Period will be available to it in the Relevant Interbank Market when the Interest Period commences, the Facility Agent shall shorten the Interest Period to three Months.
- (c) If the Facility Agent makes any change to an Interest Period referred to in this Clause 9.2 (*Changes to Interest Periods*), it shall promptly notify the Borrowers and the Lenders.

9.3 Non-Business Days

If an Interest Period would otherwise end on a day which is not a Business Day, that Interest Period will instead end on the next Business Day in that calendar month (if there is one) or the preceding Business Day (if there is not).

10 CHANGES TO THE CALCULATION OF INTEREST

10.1 Unavailability of Screen Rate

- (a) *Interpolated Screen Rate*: If no Screen Rate is available for LIBOR for the Interest Period of the Loan or any part of the Loan, the applicable LIBOR shall be the Interpolated Screen Rate for a period equal in length to the Interest Period of the Loan or that part of the Loan.
- (b) *Reference Bank Rate*: If no Screen Rate is available for LIBOR for:
 - (i) dollars; or
 - (ii) the Interest Period of the Loan or any part of the Loan and it is not possible to calculate the Interpolated Screen Rate, the applicable LIBOR shall be the Reference Bank Rate as of the Specified Time and for a period equal in length to the Interest Period of the Loan or that part of the Loan.
- (c) *Cost of funds*: If paragraph (b) above applies but no Reference Bank Rate is available for dollars or the relevant Interest Period there shall be no LIBOR for the Loan or that part of the Loan (as applicable) and Clause 10.4 (*Cost of funds*) shall apply to the Loan or that part of the Loan for that Interest Period.

10.2 Calculation of Reference Bank Rate

- (a) Subject to paragraph (b) below, if LIBOR is to be determined on the basis of a Reference Bank Rate but a Reference Bank does not supply a quotation by the Specified Time, the Reference Bank Rate shall be calculated on the basis of the quotations of the remaining Reference Banks.
- (b) If at or about noon on the Quotation Day none or only one of the Reference Banks supplies a quotation, there shall be no Reference Bank Rate for the relevant Interest Period.

10.3 Market disruption

If before close of business in London on the Quotation Day for the relevant Interest Period the Facility Agent receives notification from a Lender or Lenders (whose participations in the Loan or the relevant part of the Loan exceed 10 per cent. of the Loan or the relevant part of the Loan as appropriate) (the “**Relevant Lender**”) that the cost to it of funding its participation in the Loan or that part of the Loan from whatever source it may reasonably select would be in excess of LIBOR then Clause 10.4 (*Cost of funds*) shall apply to the Loan or that part of the Loan (as applicable) for the relevant Interest Period.

10.4 Cost of funds

- (a) If this Clause 10.4 (*Cost of funds*) applies, the rate of interest on each Lender’s share of the Loan or the relevant part of the Loan for the relevant Interest Period shall be the percentage rate per annum which is the sum of:
- (i) the Margin; and
 - (ii) the rate notified to the Facility Agent by that Lender as soon as practicable and in any event before interest is due to be paid in respect of that Interest Period to be that which expresses as a percentage rate per annum the cost to the relevant Lender of funding its participation in the Loan or that part of the Loan from whatever source it may reasonably select.
- (b) If this Clause 10.4 (*Cost of funds*) applies and the Facility Agent or the Borrowers so require, the Facility Agent and the Borrowers shall enter into negotiations (for a period of not more than 30 days) with a view to agreeing a substitute basis for determining the rate of interest or (as the case may be) an alternative basis for funding.
- (c) Subject to Clause 42.4 (*Replacement of Screen Rate*), any substitute or alternative basis agreed pursuant to paragraph (b) above shall, with the prior consent of all the Lenders and the Borrowers, be binding on all Parties.
- (d) If paragraph (e) below does not apply and any rate notified to the Facility Agent under sub-paragraph (ii) of paragraph (a) above is less than zero, the relevant rate shall be deemed to be zero.
- (e) If this Clause 10.4 (*Cost of funds*) applies pursuant to Clause 10.3 (*Market disruption*) and:
- (i) a Lender’s Funding Rate is less than LIBOR; or
 - (ii) a Lender does not supply a quotation by the time specified in sub-paragraph (ii) of paragraph (a) above,
- the cost to that Lender of funding its participation in the Loan or the relevant part of the Loan for that Interest Period shall be deemed, for the purposes of paragraph (a) above, to be LIBOR.

10.5 Notification to Borrowers

If Clause 10.4 (*Cost of funds*) applies the Facility Agent shall, as soon as is practicable, notify the Borrowers.

10.6 Break Costs

- (a) The Borrowers shall, within three Business Days of demand by a Finance Party, pay to that Finance Party its Break Costs attributable to all or any part of the Loan or Unpaid Sum being paid by the Borrowers on a day other than the last day of an Interest Period for the Loan, the relevant part of the Loan or that Unpaid Sum.

- (b) Each Lender shall, as soon as reasonably practicable after a demand by the Facility Agent or a written demand by the Borrowers, provide a certificate confirming the amount of its Break Costs for any Interest Period in which they accrue.

11 FEES

11.1 Arrangement fee

In the event that the Loan is not advanced, the arrangement fee shall be due and payable on at the end of the Availability Period.

11.2 Prepayment fee

- (a) Subject to paragraph (b) below, the Borrowers must pay to the Facility Agent for each Lender proportionately in accordance with each Lender's participation on the Loan a prepayment fee on the date of prepayment of all or any part of the Loan.
- (b) The amount of the prepayment fee is:
 - (i) if the prepayment occurs on or before the second anniversary of the Drawdown Date, two per cent. of the amount prepaid; and
 - (ii) if the prepayment occurs after the second anniversary of the Drawdown Date, one per cent. of the amount prepaid.
- (c) No prepayment fee shall be payable under this Clause if the prepayment is made under Clause 7.1 (*Illegality*), 7.4 (*Mandatory prepayment on sale or Total Loss*), 23.23 (*Excess Cash Flow*) or due to a refinancing with any Affiliate of a Lender.

12.1 Definitions

(a) In this Agreement:

“**Protected Party**” means a Finance Party which is or will be subject to any liability, or required to make any payment, for or on account of Tax in relation to a sum received or receivable (or any sum deemed for the purposes of Tax to be received or receivable) under a Finance Document.

“**Tax Credit**” means a credit against, relief or remission for, or repayment of any Tax.

“**Tax Deduction**” means a deduction or withholding for or on account of Tax from a payment under a Finance Document, other than a FATCA Deduction.

“**Tax Payment**” means either the increase in a payment made by an Obligor to a Finance Party under Clause 12.2 (*Tax gross-up*) or a payment under Clause 12.3 (*Tax indemnity*).

(b) Unless a contrary indication appears, in this Clause 12 (*Tax Gross Up and Indemnities*) reference to “**determines**” or “**determined**” means a determination made in the absolute discretion of the person making the determination.

12.2 Tax gross-up

(a) Each Obligor shall make all payments to be made by it without any Tax Deduction, unless a Tax Deduction is required by law.

(b) The Borrowers shall promptly upon becoming aware that an Obligor must make a Tax Deduction (or that there is any change in the rate or the basis of a Tax Deduction) notify the Facility Agent accordingly. Similarly, a Lender shall notify the Facility Agent on becoming so aware in respect of a payment payable to that Lender. If the Facility Agent receives such notification from a Lender it shall notify the Borrowers and that Obligor.

(c) If a Tax Deduction is required by law to be made by an Obligor, the amount of the payment due from that Obligor shall be increased to an amount which (after making any Tax Deduction) leaves an amount equal to the payment which would have been due if no Tax Deduction had been required.

(d) If an Obligor is required to make a Tax Deduction, that Obligor shall make that Tax Deduction and any payment required in connection with that Tax Deduction within the time allowed and in the minimum amount required by law.

(e) Within 30 days of making either a Tax Deduction or any payment required in connection with that Tax Deduction, the Obligor making that Tax Deduction shall deliver to the Facility Agent for the Finance Party entitled to the payment evidence reasonably satisfactory to that Finance Party that the Tax Deduction has been made or (as applicable) any appropriate payment paid to the relevant taxing authority.

12.3 Tax indemnity

(a) The Obligors shall (within three Business Days of demand by the Facility Agent) pay to a Protected Party an amount equal to the loss, liability or cost which that Protected Party determines will be or has been (directly or indirectly) suffered for or on account of Tax by that Protected Party in respect of a Finance Document.

- (b) Paragraph (a) above shall not apply:
- (i) with respect to any Tax assessed on a Finance Party:
 - (A) under the law of the jurisdiction in which that Finance Party is incorporated or, if different, the jurisdiction (or jurisdictions) in which that Finance Party is treated as resident for tax purposes; or
 - (B) under the law of the jurisdiction in which that Finance Party's Facility Office is located in respect of amounts received or receivable in that jurisdiction,if that Tax is imposed on or calculated by reference to the net income received or receivable (but not any sum deemed to be received or receivable) by that Finance Party; or
 - (ii) to the extent a loss, liability or cost:
 - (A) is compensated for by an increased payment under Clause 12.2 (*Tax gross-up*); or
 - (B) relates to a FATCA Deduction required to be made by a Party.
- (c) A Protected Party making, or intending to make, a claim under paragraph (a) above shall promptly notify the Facility Agent of the event which will give, or has given, rise to the claim, following which the Facility Agent shall notify the Obligors.
- (d) A Protected Party shall, on receiving a payment from an Obligor under this Clause 12.3 (*Tax indemnity*), notify the Facility Agent.

12.4 Tax Credit

If an Obligor makes a Tax Payment and the relevant Finance Party determines that:

- (a) a Tax Credit is attributable to an increased payment of which that Tax Payment forms part, to that Tax Payment or to a Tax Deduction in consequence of which that Tax Payment was received; and
- (b) that Finance Party has obtained and utilised that Tax Credit,

the Finance Party shall pay an amount to the Obligor which that Finance Party determines will leave it (after that payment) in the same after-Tax position as it would have been in had the Tax Payment not been required to be made by the Obligor.

12.5 Stamp taxes

The Obligors shall pay and, within three Business Days of demand, indemnify each Creditor Party against any cost, loss or liability which that Creditor Party incurs in relation to all stamp duty, registration and other similar Taxes payable in respect of any Finance Document.

12.6 VAT

- (a) All amounts expressed to be payable under a Finance Document by any Party to a Finance Party which (in whole or in part) constitute the consideration for any supply for VAT purposes are deemed to be exclusive of any VAT which is chargeable on that supply, and accordingly, subject to paragraph (b) below, if VAT is or becomes chargeable on any supply made by any Finance Party to any Party under a Finance Document and such Finance Party is required to account to the relevant tax authority for the VAT, that Party must pay to such Finance Party (in addition to and at the same time as paying any other consideration for such supply) an amount equal to the amount of the VAT (and such Finance Party must promptly provide an appropriate VAT invoice to that Party).

- (b) If VAT is or becomes chargeable on any supply made by any Finance Party (the “**Supplier**”) to any other Finance Party (the “**Recipient**”) under a Finance Document, and any Party other than the Recipient (the “**Relevant Party**”) is required by the terms of any Finance Document to pay an amount equal to the consideration for that supply to the Supplier (rather than being required to reimburse or indemnify the Recipient in respect of that consideration):
- (i) (where the Supplier is the person required to account to the relevant tax authority for the VAT) the Relevant Party must also pay to the Supplier (at the same time as paying that amount) an additional amount equal to the amount of the VAT. The Recipient must (where this sub-paragraph (i) applies) promptly pay to the Relevant Party an amount equal to any credit or repayment the Recipient receives from the relevant tax authority which the Recipient reasonably determines relates to the VAT chargeable on that supply; and
 - (ii) (where the Recipient is the person required to account to the relevant tax authority for the VAT) the Relevant Party must promptly, following demand from the Recipient, pay to the Recipient an amount equal to the VAT chargeable on that supply but only to the extent that the Recipient reasonably determines that it is not entitled to credit or repayment from the relevant tax authority in respect of that VAT.
- (c) Where a Finance Document requires any Party to reimburse or indemnify a Finance Party for any cost or expense, that Party shall reimburse or indemnify (as the case may be) such Finance Party for the full amount of such cost or expense, including such part of it as represents VAT, save to the extent that such Finance Party reasonably determines that it is entitled to credit or repayment in respect of such VAT from the relevant tax authority.
- (d) Any reference in this Clause 12.6 (VAT) to any Party shall, at any time when that Party is treated as a member of a group or unity (or fiscal unity) for VAT purposes, include (where appropriate and unless the context otherwise requires) a reference to the person who is treated at that time as making the supply, or (as appropriate) receiving the supply, under the grouping rules (provided for in Article 11 of Council Directive 2006/112/EC (or as implemented by the relevant member state of the European Union) so that a reference to a Party shall be construed as a reference to that Party or the relevant group or unity (or fiscal unity) of which that Party is a member for VAT purposes at the relevant time or the relevant representative member (or representative or head) of that group or unity at the relevant time (as the case may be).
- (e) In relation to any supply made by a Finance Party to any Party under a Finance Document, if reasonably requested by such Finance Party, that Party must promptly provide such Finance Party with details of that Party’s VAT registration and such other information as is reasonably requested in connection with such Finance Party’s VAT reporting requirements in relation to such supply.

- (c) Paragraph (a) above shall not oblige any Finance Party to do anything and sub-paragraph (iii) of paragraph (a) above shall not oblige any other Party to do anything which would or might in its reasonable opinion constitute a breach of:
 - (i) any law or regulation;
 - (ii) any fiduciary duty; or
 - (iii) any duty of confidentiality.
- (d) If a Party fails to confirm whether or not it is a FATCA Exempt Party or to supply forms, documentation or other information requested in accordance with sub-paragraphs (i) or (ii) of paragraph (a) above (including, for the avoidance of doubt, where paragraph (c) above applies), then such Party shall be treated for the purposes of the Finance Documents (and payments under them) as if it is not a FATCA Exempt Party until such time as the Party in question provides the requested confirmation, forms, documentation or other information.
- (e) If the Borrower is a US Tax Obligor, or the Facility Agent reasonably believes that its obligations under FATCA or any other applicable law or regulation require it, each Lender shall, within 10 Business Days of:

- (f) The Facility Agent shall provide any withholding certificate, withholding statement, document, authorisation or waiver it receives from a Lender pursuant to paragraph (e) above to the Borrower.
- (g) If any withholding certificate, withholding statement, document, authorisation or waiver provided to the Facility Agent by a Lender pursuant to paragraph (e) above is or becomes materially inaccurate or incomplete, that Lender shall promptly update it and provide such updated withholding certificate, withholding statement, document, authorisation or waiver to the Facility Agent unless it is unlawful for the Lender to do so (in which case the Lender shall promptly notify the Facility Agent). The Facility Agent shall provide any such updated withholding certificate, withholding statement, document, authorisation or waiver to the Borrower.

- (h) The Facility Agent may rely on any withholding certificate, withholding statement, document, authorisation or waiver it receives from a Lender pursuant to paragraph (e) or (g) above without further verification. The Facility Agent shall not be liable for any action taken by it under or in connection with paragraphs (e), (f) or (g) above.

12.8 FATCA Deduction

- (a) Each Party may make any FATCA Deduction it is required to make by FATCA, and any payment required in connection with that FATCA Deduction, and no Party shall be required to increase any payment in respect of which it makes such a FATCA Deduction or otherwise compensate the recipient of the payment for that FATCA Deduction.
- (b) Each Party shall promptly, upon becoming aware that it must make a FATCA Deduction (or that there is any change in the rate or the basis of such FATCA Deduction), notify the Party to whom it is making the payment and, in addition, shall notify each Obligor and the Facility Agent and the Facility Agent shall notify the other Finance Parties.

SECTION 7

GUARANTEE

16 GUARANTEE AND INDEMNITY

16.1 Guarantee and indemnity

The Guarantor irrevocably and unconditionally:

- (a) guarantees to each Finance Party punctual performance by each Transaction Obligor other than the Guarantor of all such other Transaction Obligor's obligations under the Finance Documents;
- (b) undertakes with each Finance Party that whenever a Transaction Obligor other than the Guarantor does not pay any amount when due under or in connection with any Finance Document, the Guarantor shall immediately on demand pay that amount as if it were the principal obligor; and
- (c) agrees with each Finance Party that if any obligation guaranteed by it is or becomes unenforceable, invalid or illegal, it will, as an independent and primary obligation, indemnify that Finance Party immediately on demand against any cost, loss or liability it incurs as a result of a Transaction Obligor other than the Guarantor not paying any amount which would, but for such unenforceability, invalidity or illegality, have been payable by it under any Finance Document on the date when it would have been due. The amount payable by the Guarantor under this indemnity will not exceed the amount it would have had to pay under this Clause 16 (*Guarantee and Indemnity*) if the amount claimed had been recoverable on the basis of a guarantee.

16.2 Continuing guarantee

This Guarantee is a continuing guarantee and will extend to the ultimate balance of sums payable by any Transaction Obligor under the Finance Documents, regardless of any intermediate payment or discharge in whole or in part.

16.3 Reinstatement

If any discharge, release or arrangement (whether in respect of the obligations of any Transaction Obligor or any security for those obligations or otherwise) is made by a Creditor Party in whole or in part on the basis of any payment, security or other disposition which is avoided or must be restored in insolvency, liquidation, administration or otherwise, without limitation, then the liability of the Guarantor under this Clause 16 (*Guarantee and Indemnity*) will continue or be reinstated as if the discharge, release or arrangement had not occurred.

16.4 Waiver of defences

The obligations of the Guarantor under this Clause 16 (*Guarantee and Indemnity*) and in respect of any Transaction Security will not be affected or discharged by an act, omission, matter or thing which, but for this Clause 16.4 (*Waiver of defences*) would reduce, release or prejudice any of its obligations under this Clause 16 (*Guarantee and Indemnity*) or in respect of any Transaction Security (without limitation and whether or not known to it or any Creditor Party) including:

- (a) anytime, waiver or consent granted to, or composition with, any Transaction Obligor or other person;
- (b) the release of any other Transaction Obligor or any other person under the terms of any composition or arrangement with any creditor of any member of the Group;

- (c) the taking, variation, compromise, exchange, renewal or release of, or refusal or neglect to perfect or delay in perfecting, or refusal or neglect to take up or enforce, or delay in taking or enforcing any rights against, or security over assets of, any Transaction Obligor or other person or any non-presentation or non-observance of any formality or other requirement in respect of any instrument or any failure to realise the full value of any security;
- (d) any incapacity or lack of power, authority or legal personality of or dissolution or change in the members or status of a Transaction Obligor or any other person;
- (e) any amendment, novation, supplement, extension, restatement (however fundamental and whether or not more onerous) or replacement of any Finance Document or any other document or security including, without limitation, any change in the purpose of, any extension of or any increase in any facility or the addition of any new facility under any Finance Document or other document or security;
- (f) any unenforceability, illegality or invalidity of any obligation of any person under any Finance Document or any other document or security; or
- (g) any insolvency or similar proceedings.

16.5 Immediate recourse

The Guarantor waives any right it may have of first requiring any Creditor Party (or any trustee or agent on its behalf) to proceed against or enforce any other rights or security or claim payment from any person (including without limitation to commence any proceedings under any Finance Document or to enforce any Transaction Security) before claiming or commencing proceedings under this Clause 16 (*Guarantee and Indemnity*). This waiver applies irrespective of any law or any provision of a Finance Document to the contrary.

16.6 Appropriations

Until all amounts which may be or become payable by the Transaction Obligors under or in connection with the Finance Documents have been irrevocably paid in full, each Creditor Party (or any trustee or agent on its behalf) may:

- (a) refrain from applying or enforcing any other moneys, security or rights held or received by that Creditor Party (or any trustee or agent on its behalf) in respect of those amounts, or apply and enforce the same in such manner and order as it sees fit (whether against those amounts or otherwise) and the Guarantor shall not be entitled to the benefit of the same; and
- (b) hold in an interest-bearing suspense account any moneys received from the Guarantor or on account of the Guarantor's liability under this Clause 16 (*Guarantee and Indemnity*).

16.7 Deferral of Guarantor's rights

All rights which the Guarantor at any time has (whether in respect of this Guarantee, a mortgage or any other transaction) against the Borrower, any other Transaction Obligor or their respective assets shall be fully subordinated to the rights of the Creditor Parties under the Finance Documents and until the end of the Security Period and unless the Facility Agent otherwise directs, the Guarantor will not exercise any rights which it may have (whether in respect of any Finance Document to which it is a Party or any other transaction) by reason of performance by it of its obligations under the Finance Documents or by reason of any amount being payable, or liability arising, under this Clause 16 (*Guarantee and Indemnity*):

- (a) to be indemnified by a Transaction Obligor;
- (b) to claim any contribution from any third party providing security for, or any other guarantor of, any Transaction Obligor's obligations under the Finance Documents;

- (c) to take the benefit (in whole or in part and whether by way of subrogation or otherwise) of any rights of the Creditor Parties under the Finance Documents or of any other guarantee or security taken pursuant to, or in connection with, the Finance Documents by any Creditor Party;
- (d) to bring legal or other proceedings for an order requiring any Transaction Obligor to make any payment, or perform any obligation, in respect of which the Guarantor has given a guarantee, undertaking or indemnity under Clause 16.1 (*Guarantee and indemnity*);
- (e) to exercise any right of set-off against any Transaction Obligor; and/or
- (f) to claim or prove as a creditor of any Transaction Obligor in competition with any Creditor Party.

If the Guarantor receives any benefit, payment or distribution in relation to such rights it shall hold that benefit, payment or distribution to the extent necessary to enable all amounts which may be or become payable to the Creditor Parties by the Transaction Obligors under or in connection with the Finance Documents to be repaid in full on trust for the Creditor Parties and shall promptly pay or transfer the same to the Facility Agent or as the Facility Agent may direct for application in accordance with Clause 33 (*Payment Mechanics*).

16.8 Additional security

This Guarantee and any other Security given by the Guarantor is in addition to and is not in any way prejudiced by, and shall not prejudice, any other guarantee or Security or any other right of recourse now or subsequently held by any Creditor Party or any right of set-off or netting or right to combine accounts in connection with the Finance Documents.

16.9 Applicability of provisions of Guarantee to other Security

SECTION 10

CHANGES TO PARTIES

27 CHANGES TO THE LENDERS

27.1 Assignments and transfers by the Lenders

Subject to this Clause 27 (*Changes to the Lenders*), a Lender (the “Existing Lender”) may:

- (a) assign any of its rights; or
- (b) transfer by novation any of its rights and obligations,

under the Finance Documents to another person other than an individual or to another bank or financial institution or to a trust, fund or other entity which is regularly engaged in or established for the purpose of making, purchasing or investing in loans, securities or other financial assets (the “New Lender”).

27.2 Conditions of assignment or transfer

- (a) The consent of the Borrowers (or any other Transaction Obligor) is required for an assignment or transfer by an Existing Lender, such consent not to be unreasonably withheld. The consent of the Facility Agent is required for an assignment or transfer by an Existing Lender, such consent not to be unreasonably withheld.

- (b) An assignment will only be effective on:

- (i) receipt by the Facility Agent (whether in the Assignment Agreement or otherwise) of written confirmation from the New Lender (in form and substance satisfactory to the Facility Agent) that the New Lender will assume the same obligations to the other Creditor Parties as it would have been under if it were an Original Lender; and
- (ii) performance by the Facility Agent of all necessary “know your customer” or other similar checks under all applicable laws and regulations in relation to such assignment to a New Lender, the completion of which the Facility Agent shall promptly notify to the Existing Lender and the New Lender.

- (c) A transfer will only be effective if the procedure set out in Clause 27.5 (*Procedure for transfer*) is complied with.

- (d) If:

- (i) a Lender assigns or transfers any of its rights or obligations under the Finance Documents or changes its Facility Office; and
- (ii) as a result of circumstances existing at the date the assignment, transfer or change occurs, a Transaction Obligor would be obliged to make a payment to the New Lender or Lender acting through its new Facility Office under Clause 12 (*Tax Gross Up and Indemnities*) or under that Clause as incorporated by reference or in full in any other Finance Document or Clause 13 (*Increased Costs*),

then the New Lender or Lender acting through its new Facility Office is only entitled to receive payment under those Clauses to the same extent as the Existing Lender or Lender acting through its previous Facility Office would have been if the assignment, transfer or change had not occurred. This paragraph (d) shall not apply in respect of an assignment or transfer made in the ordinary course of the primary syndication of the Facility.

- (e) Each New Lender, by executing the relevant Transfer Certificate or Assignment Agreement, confirms, for the avoidance of doubt, that:
 - (i) the Facility Agent has authority to execute on its behalf any amendment or waiver that has been approved by or on behalf of the requisite Lender or Lenders in accordance with this Agreement on or prior to the date on which the transfer or assignment becomes effective in accordance with this Agreement and that it is bound by that decision to the same extent as the Existing Lender would have been had it remained a Lender; and
 - (ii) it has received a copy of each of the Security Documents which are governed by German law and which are account pledges, is aware of the contents of such account pledges and expressly consents to the declarations of the Security Agent made on behalf of the New Lender (as future pledgee) in such account pledges.

27.3 Assignment or transfer fee

The New Lender shall, on the date upon which an assignment or transfer takes effect, pay to the Facility Agent (for its own account) a fee of \$10,000.

27.4 Limitation of responsibility of Existing Lenders

- (a) Unless expressly agreed to the contrary, an Existing Lender makes no representation or warranty and assumes no responsibility to a New Lender for:
 - (i) the legality, validity, effectiveness, adequacy or enforceability of the Transaction Documents, the Transaction Security or any other documents;
 - (ii) the financial condition of any Transaction Obligor;
 - (iii) the performance and observance by any Transaction Obligor of its obligations under the Transaction Documents or any other documents; or
 - (iv) the accuracy of any statements (whether written or oral) made in or in connection with any Transaction Document or any other document,and any representations or warranties implied by law are excluded.
- (b) Each New Lender confirms to the Existing Lender and the other Finance Parties and the Creditor Parties that it:
 - (i) has made (and shall continue to make) its own independent investigation and assessment of the financial condition and affairs of each Transaction Obligor and its related entities in connection with its participation in this Agreement and has not relied exclusively on any information provided to it by the Existing Lender or any other Finance Party in connection with any Transaction Document or the Transaction Security; and
 - (ii) will continue to make its own independent appraisal of the creditworthiness of each Transaction Obligor and its related entities throughout the Security Period.
- (c) Nothing in any Finance Document obliges an Existing Lender to:
 - (i) accept a re-transfer or re-assignment from a New Lender of any of the rights and obligations assigned or transferred under this Clause 27 (*Changes to the Lenders*); or
 - (ii) support any losses directly or indirectly incurred by the New Lender by reason of the non-performance by any Transaction Obligor of its obligations under the Transaction Documents or otherwise.

27.5 Procedure for transfer

- (a) Subject to the conditions set out in Clause 27.2 (*Conditions of assignment or transfer*), a transfer is effected in accordance with paragraph (c) below when the Facility Agent executes an otherwise duly completed Transfer Certificate delivered to it by the Existing Lender and the New Lender. The Facility Agent shall, subject to paragraph (b) below as soon as reasonably practicable after receipt by it of a duly completed Transfer Certificate appearing on its face to comply with this Agreement and delivered in accordance with this Agreement, execute that Transfer Certificate. Upon execution by the Facility Agent, the Security Agent shall also execute the Transfer Certificate.
- (b) The Facility Agent shall only be obliged to execute a Transfer Certificate delivered to it by the Existing Lender and the New Lender once it is satisfied it has complied with all necessary “know your customer” or other similar checks under all applicable laws and regulations in relation to the transfer to such New Lender.
- (c) Subject to Clause 27.9 (*Pro rata interest settlement*), on the Transfer Date:
- (i) to the extent that in the Transfer Certificate the Existing Lender seeks to transfer by novation its rights and obligations under the Finance Documents and in respect of the Transaction Security, each of the Transaction Obligors and the Existing Lender shall be released from further obligations towards one another under the Finance Documents and in respect of the Transaction Security and their respective rights against one another under the Finance Documents and in respect of the Transaction Security shall be cancelled (being the “**Discharged Rights and Obligations**”);
 - (ii) each of the Transaction Obligors and the New Lender shall assume obligations towards one another and/or acquire rights against one another which differ from the Discharged Rights and Obligations only insofar as that Transaction Obligor and the New Lender have assumed and/or acquired the same in place of that Transaction Obligor and the Existing Lender;
 - (iii) the Facility Agent, the Security Agent, the Arranger, the New Lender and other Lenders shall acquire the same rights and assume the same obligations between themselves and in respect of the Transaction Security as they would have acquired and assumed had the New Lender been an Original Lender with the rights and/or obligations acquired or assumed by it as a result of the transfer and to that extent the Facility Agent, the Security Agent, the Arranger and the Existing Lenders shall each be released from further obligations to each other under the Finance Documents; and
 - (iv) the New Lender shall become a Party as a “Lender”.

27.6 Procedure for assignment

- (a) Subject to the conditions set out in Clause 27.2 (*Conditions of assignment or transfer*) an assignment may be effected in accordance with paragraph (c) below when the Facility Agent executes an otherwise duly completed Assignment Agreement delivered to it by the Existing Lender and the New Lender. The Facility Agent shall, subject to paragraph (b) below, as soon as reasonably practicable after receipt by it of a duly completed Assignment Agreement appearing on its face to comply with the terms of this Agreement and delivered in accordance with the terms of this Agreement, execute that Assignment Agreement. Upon execution by the Facility Agent, the Security Agent shall also execute the Assignment Agreement.
- (b) The Facility Agent shall only be obliged to execute an Assignment Agreement delivered to it by the Existing Lender and the New Lender once it is satisfied it has complied with all necessary “know your customer” or other similar checks under all applicable laws and regulations in relation to the assignment to such New Lender.

- (c) Subject to Clause 27.9 (*Pro rata interest settlement*), on the Transfer Date:
- (i) the Existing Lender will assign absolutely to the New Lender its rights under the Finance Documents and in respect of the Transaction Security expressed to be the subject of the assignment in the Assignment Agreement;
 - (ii) the Existing Lender will be released from the obligations (the “**Relevant Obligations**”) expressed to be the subject of the release in the Assignment Agreement (and any corresponding obligations by which it is bound in respect of the Transaction Security); and
 - (iii) the New Lender shall become a Party as a “Lender” and will be bound by obligations equivalent to the Relevant Obligations.
- (d) Lenders may utilise procedures other than those set out in this Clause 27.6 (*Procedure for assignment*) to assign their rights under the Finance Documents (but not, without the consent of the relevant Transaction Obligor or unless in accordance with Clause 27.5 (*Procedure for transfer*), to obtain a release by that Transaction Obligor from the obligations owed to that Transaction Obligor by the Lenders nor the assumption of equivalent obligations by a New Lender) **provided that** they comply with the conditions set out in Clause 27.2 (*Conditions of assignment or transfer*).

27.7 **Copy of Transfer Certificate or Assignment Agreement to Borrowers**

The Facility Agent shall, as soon as reasonably practicable after it has executed a Transfer Certificate or an Assignment Agreement, send to the Borrowers a copy of that Transfer Certificate or Assignment Agreement.

27.8 **Security over Lenders’ rights**

In addition to the other rights provided to Lenders under this Clause 27 (*Changes to the Lenders*), each Lender may without consulting with or obtaining consent from any Transaction Obligor, at any time charge, assign or otherwise create Security in or over (whether by way of collateral or otherwise) all or any of its rights under any Finance Document to secure obligations of that Lender including, without limitation:

- (a) any charge, assignment or other Security to secure obligations to a federal reserve or central bank; and
 - (b) any charge, assignment or other Security granted to any holders (or trustee or representatives of holders) of obligations owed, or securities issued, by that Lender as security for those obligations or securities,
- except that no such charge, assignment or Security shall:
- (i) release a Lender from any of its obligations under the Finance Documents or substitute the beneficiary of the relevant charge, assignment or Security for the Lender as a party to any of the Finance Documents; or
 - (ii) require any payments to be made by a Transaction Obligor other than or in excess of, or grant to any person any more extensive rights than, those required to be made or granted to the relevant Lender under the Finance Documents.

27.9 **Pro rata interest settlement**

If the Facility Agent has notified the Lenders that it is able to distribute interest payments on a “*pro rata* basis” to Existing Lenders and New Lenders then (in respect of any transfer pursuant to Clause 27.5 (*Procedure for transfer*) or any assignment pursuant to Clause 27.6

(*Procedure for assignment*) the Transfer Date of which, in each case, is after the date of such notification and is not on the last day of an Interest Period):

- (a) any interest or fees in respect of the relevant participation which are expressed to accrue by reference to the lapse of time shall continue to accrue in favour of the Existing Lender up to but excluding the Transfer Date (“**Accrued Amounts**”) and shall become due and payable to the Existing Lender (without further interest accruing on them) on the last day of the current Interest Period (or, if the Interest Period is longer than six Months, on the next of the dates which falls at six Monthly intervals after the first day of that Interest Period); and
- (b) the rights assigned or transferred by the Existing Lender will not include the right to the Accrued Amounts, so that, for the avoidance of doubt:
 - (i) when the Accrued Amounts become payable, those Accrued Amounts will be payable to the Existing Lender; and
 - (ii) the amount payable to the New Lender on that date will be the amount which would, but for the application of this Clause 27.9 (*Pro rata interest settlement*), have been payable to it on that date, but after deduction of the Accrued Amounts.
- (c) In this Clause 27.9 (*Pro rata interest settlement*) references to “Interest Period” shall be construed to include a reference to any other period for accrual of fees.

28 CHANGES TO THE TRANSACTION OBLIGORS

28.1 Assignment or transfer by Transaction Obligors

No Transaction Obligor may assign any of its rights or transfer any of its rights or obligations under the Finance Documents.

28.2 Release of security

- (a) If a disposal of any asset subject to security created by a Security Document is made in the following circumstances:
 - (i) the disposal is permitted by the terms of any Finance Document;
 - (ii) all the Lenders agree to the disposal;
 - (iii) the disposal is being made at the request of the Security Agent in circumstances where any security created by the Security Documents has become enforceable; or
 - (iv) the disposal is being effected by enforcement of a Security Document,

the Security Agent may release the asset(s) being disposed of from any security over those assets created by a Security Document. However, the proceeds of any disposal (or an amount corresponding to them) must be applied in accordance with the requirements of the Finance Documents (if any).

- (b) If the Security Agent is satisfied that a release is allowed under this Clause 28.2 (*Release of security*) (at the request and expense of the Borrowers) each Finance Party must enter into any document and do all such other things which are reasonably required to achieve that release. Each other Finance Party irrevocably authorises the Security Agent to enter into any such document. Any release will not affect the obligations of any other Transaction Obligor under the Finance Documents.

SECTION 11

THE FINANCE PARTIES

29 THE FACILITY AGENT, THE ARRANGER AND THE REFERENCE BANKS

29.1 Appointment of the Facility Agent

- (a) Each of the Arranger and the Lenders appoints the Facility Agent to act as its agent under and in connection with the Finance Documents.
- (b) Each of the Arranger and the Lenders authorises the Facility Agent to perform the duties, obligations and responsibilities and to exercise the rights, powers, authorities and discretions specifically given to the Facility Agent under, or in connection with, the Finance Documents together with any other incidental rights, powers, authorities and discretions.

29.2 Instructions

- (a) The Facility Agent shall:
 - (i) unless a contrary indication appears in a Finance Document, exercise or refrain from exercising any right, power, authority or discretion vested in it as Facility Agent in accordance with any instructions given to it by:

 - (iii) in respect of any provision which protects the Facility Agent's own position in its personal capacity as opposed to its role of Facility Agent for the relevant Finance Parties.

- (e) If giving effect to instructions given by the Majority Lenders would in the Facility Agent's opinion have an effect equivalent to an amendment or waiver referred to in Clause 42 (*Amendments and Waivers*), the Facility Agent shall not act in accordance with those instructions unless consent to it so acting is obtained from each Party (other than the Facility Agent) whose consent would have been required in respect of that amendment or waiver.
- (f) In exercising any discretion to exercise a right, power or authority under the Finance Documents where it has not received any instructions as to the exercise of that discretion the Facility Agent shall do so having regard to the interests of all the Finance Parties.
- (g) The Facility Agent may refrain from acting in accordance with any instructions of any Finance Party or group of Finance Parties until it has received any indemnification and/or security that it may in its discretion require (which may be greater in extent than that contained in the Finance Documents and which may include payment in advance) for any cost, loss or liability (together with any applicable VAT) which it may incur in complying with those instructions.
- (h) Without prejudice to the remainder of this Clause 29.2 (*Instructions*) in the absence of instructions, the Facility Agent shall not be obliged to take any action (or refrain from taking action) even if it considers acting or not acting to be in the best interests of the Finance Parties. The Facility Agent may act (or refrain from acting) as it considers to be in the best interest of the Finance Parties.
- (i) The Facility Agent is not authorised to act on behalf of a Finance Party (without first obtaining that Finance Party's consent) in any legal or arbitration proceedings relating to any Finance Document.  - (B) unless it has received notice of revocation, that those instructions have not been revoked; and
 - (iii) rely on a certificate from any person:
 - (A) as to any matter of fact or circumstance which might reasonably be expected to be within the knowledge of that person; or
 - (B) to the effect that such person approves of any particular dealing, transaction, step, action or thing,
- as sufficient evidence that that is the case and, in the case of paragraph (A) above, may assume the truth and accuracy of that certificate.
- (b) The Facility Agent may assume (unless it has received notice to the contrary in its capacity as agent for the Finance Parties) that:
 - (i) no Default has occurred (unless it has actual knowledge of a Default arising under Clause 26.2 (*Non-payment*));
 - (ii) any right, power, authority or discretion vested in any Party or any group of Finance Parties has not been exercised; and

- (e) The Facility Agent may rely on the advice or services of any lawyers, accountants, tax advisers, surveyors or other professional advisers or experts (whether obtained by the Facility Agent or by any other Party) and shall not be liable for any damages, costs or losses to any person, any diminution in value or any liability whatsoever arising as a result of its so relying.
- (f) The Facility Agent may act in relation to the Finance Documents and the Security Property through its officers, employees and agents and shall not:

- (g) Unless a Finance Document expressly provides otherwise the Facility Agent may disclose to any other Party any information it reasonably believes it has received as agent under the Finance Documents.
- (h) Notwithstanding any other provision of any Finance Document to the contrary, neither the Facility Agent nor the Arranger is obliged to do or omit to do anything if it would or might, in its reasonable opinion, constitute a breach of any law or regulation or a breach of a fiduciary duty or duty of confidentiality.
- (i) Notwithstanding any provision of any Finance Document to the contrary, the Facility Agent is not obliged to expend or risk its own funds or otherwise incur any financial liability in the performance of its duties, obligations or responsibilities or the exercise of any right, power, authority or discretion if it has grounds for believing the repayment of such funds or adequate indemnity against, or security for, such risk or liability is not reasonably assured to it.

29.9 Responsibility for documentation

Neither the Facility Agent nor the Arranger is responsible or liable for:

- (a) the adequacy, accuracy or completeness of any information (whether oral or written) supplied by the Facility Agent, the Security Agent, the Arranger, a Transaction Obligor or any other person in, or in connection with, any Transaction Document or the transactions contemplated in the Transaction Documents or any other agreement, arrangement or document entered into, made or executed in anticipation of, under or in connection with any Transaction Document; or

 - (iii) any shortfall which arises on the enforcement or realisation of the Security Property; or

- (b) No Party other than the Facility Agent may take any proceedings against any officer, employee or agent of the Facility Agent in respect of any claim it might have against the Facility Agent or in respect of any act or omission of any kind by that officer, employee or agent in relation to any Transaction Document or any Security Property and any officer, employee or agent of the Facility Agent may rely on this Clause subject to Clause 1.5 (*Third party rights*) and the provisions of the Third Parties Act.

- (c) The Facility Agent will not be liable for any delay (or any related consequences) in crediting an account with an amount required under the Finance Documents to be paid by the Facility Agent if the Facility Agent has taken all necessary steps as soon as reasonably practicable to comply with the regulations or operating procedures of any recognised clearing or settlement system used by the Facility Agent for that purpose.
- (d) Nothing in this Agreement shall oblige the Facility Agent or the Arranger to carry out:
 - (i) any “know your customer” or other checks in relation to any person; or
 - (ii) any check on the extent to which any transaction contemplated by this Agreement might be unlawful for any Finance Party, on behalf of any Finance Party and each Finance Party confirms to the Facility Agent and the Arranger that it is solely responsible for any such checks it is required to carry out and that it may not rely on any statement in relation to such checks made by the Facility Agent or the Arranger.
- (e) Without prejudice to any provision of any Finance Document excluding or limiting the Facility Agent’s liability, any liability of the Facility Agent arising under or in connection with any Transaction Document or the Security Property shall be limited to the amount of actual loss which has been finally judicially determined to have been suffered (as determined by reference to the date of default of the Facility Agent or, if later, the date on which the loss arises as a result of such default) but without reference to any special conditions or circumstances known to the Facility Agent at any time which increase the amount of that loss. In no event shall the Facility Agent be liable for any loss of profits, goodwill, reputation, business opportunity or anticipated saving, or for special, punitive, indirect or consequential damages, whether or not the Facility Agent has been advised of the possibility of such loss or damages.

29.12 Lenders’ indemnity to the Facility Agent

- (a) Each Lender shall (in proportion to its share of the Total Commitments or, if the Total Commitments are then zero, to its share of the Total Commitments immediately prior to their reduction to zero) indemnify the Facility Agent, within three Business Days of demand, against any cost, loss or liability incurred by the Facility Agent (otherwise than by reason of the Facility Agent’s gross negligence or wilful misconduct) (or, in the case of any cost, loss or liability pursuant to Clause 33.11 (*Disruption to Payment Systems etc.*) notwithstanding the Facility Agent’s negligence, gross negligence or any other category of liability whatsoever but not including any claim based on the fraud of the Facility Agent) in acting as Facility Agent under the Finance Documents (unless the Facility Agent has been reimbursed by a Transaction Obligor pursuant to a Finance Document).
- (b) Subject to paragraph (c) below, the Borrowers shall immediately on demand reimburse any Lender for any payment that Lender makes to the Facility Agent pursuant to paragraph (a) above.
- (c) Paragraph (b) above shall not apply to the extent that the indemnity payment in respect of which the Lender claims reimbursement relates to a liability of the Facility Agent to an Obligor.

29.13 Resignation of the Facility Agent

- (a) The Facility Agent may resign and appoint one of its Affiliates as successor by giving notice to the other Finance Parties and the Borrowers.
- (b) Alternatively, the Facility Agent may resign by giving 30 days’ notice to the other Finance Parties and the Borrowers, in which case the Majority Lenders may appoint a successor Facility Agent.

- (c) If the Majority Lenders have not appointed a successor Facility Agent in accordance with paragraph (b) above within 20 days after notice of resignation was given, the retiring Facility Agent may appoint a successor Facility Agent.
- (d) If the Facility Agent wishes to resign because (acting reasonably) it has concluded that it is no longer appropriate for it to remain as agent and the Facility Agent is entitled to appoint a successor Facility Agent under paragraph (c) above, the Facility Agent may (if it concludes (acting reasonably) that it is necessary to do so in order to persuade the proposed successor Facility Agent to become a party to this Agreement as Facility Agent) agree with the proposed successor Facility Agent amendments to this Clause 29 (*The Facility Agent, the Arranger and the Reference Banks*) and any other term of this Agreement dealing with the rights or obligations of the Facility Agent consistent with then current market practice for the appointment and protection of corporate trustees together with any reasonable amendments to the agency fee payable under this Agreement which are consistent with the successor Facility Agent's normal fee rates and those amendments will bind the Parties.
- (e) The retiring Facility Agent shall, at its own cost, make available to the successor Facility Agent such documents and records and provide such assistance as the successor Facility Agent may reasonably request for the purposes of performing its functions as Facility Agent under the Finance Documents. The Borrowers shall, within three Business Days of demand, reimburse the retiring Facility Agent for the amount of all costs and expenses (including legal fees) properly incurred by it in making available such documents and records and providing such assistance.
- (f) The Facility Agent's resignation notice shall only take effect upon the appointment of a successor.
- (g) Upon the appointment of a successor, the retiring Facility Agent shall be discharged from any further obligation in respect of the Finance Documents (other than its obligations under paragraph (e) above) but shall remain entitled to the benefit of Clause 14.4 (*Indemnity to the Facility Agent*) and this Clause 29 (*The Facility Agent, the Arranger and the Reference Banks*) and any other provisions of a Finance Document which are expressed to limit or exclude its liability (or to indemnify it) in acting as Facility Agent. Any fees for the account of the retiring Facility Agent shall cease to accrue from (and shall be payable on) that date). Any successor and each of the other Parties shall have the same rights and obligations amongst themselves as they would have had if such successor had been an original Party.
- (h) The Majority Lenders may, by notice to the Facility Agent, require it to resign in accordance with paragraph (b) above. In this event, the Facility Agent shall resign in accordance with paragraph (b) above but the cost referred to in paragraph (e) above shall be for the account of the Borrowers.
- (i) The consent of the Borrowers (or any other Transaction Obligor) is not required for an assignment or transfer of rights and/or obligations by the Facility Agent.
- (j) The Facility Agent shall resign in accordance with paragraph (b) above (and, to the extent applicable, shall use reasonable endeavours to appoint a successor Facility Agent pursuant to paragraph (c) above) if on or after the date which is three months before the earliest FATCA Application Date relating to any payment to the Facility Agent under the Finance Documents, either:
 - (i) the Facility Agent fails to respond to a request under Clause 12.7 (*FATCA Information*) and a Lender reasonably believes that the Facility Agent will not be (or will have ceased to be) a FATCA Exempt Party on or after that FATCA Application Date;
 - (ii) the information supplied by the Facility Agent pursuant to Clause 12.7 (*FATCA Information*) indicates that the Facility Agent will not be (or will have ceased to be) a FATCA Exempt Party on or after that FATCA Application Date; or

(iii) the Facility Agent notifies the Borrowers and the Lenders that the Facility Agent will not be (or will have ceased to be) a FATCA Exempt Party on or after that FATCA Application Date;

and (in each case) a Lender reasonably believes that a Party will be required to make a FATCA Deduction that would not be required if the Facility Agent were a FATCA Exempt Party, and that Lender, by notice to the Facility Agent, requires it to resign.

29.14 Confidentiality

- (a) In acting as Facility Agent for the Finance Parties, the Facility Agent shall be regarded as acting through its agency division which shall be treated as a separate entity from any other of its divisions or departments.

- (b) The Security Agent shall be entitled to carry out all dealings with the other Finance Parties through the Facility Agent and may give to the Facility Agent any notice or other communication required to be given by the Security Agent to any Finance Party.
- (c) The Security Agent may assume (unless it has received notice to the contrary in its capacity as security agent for the Creditor Parties) that:
- (i) no Default has occurred;
 - (ii) any right, power, authority or discretion vested in any Party or any group of Finance Parties has not been exercised; and
 - (iii) any notice or request made by a Borrower (other than a Drawdown Request or a Selection Notice) is made on behalf of and with the consent and knowledge of all the Transaction Obligors.
- (d) The Security Agent may engage and pay for the advice or services of any lawyers, accountants, tax advisers, surveyors or other professional advisers or experts.

- (f) The Security Agent may rely on the advice or services of any lawyers, accountants, tax advisers, surveyors or other professional advisers or experts (whether obtained by the Security Agent or by any other Party) and shall not be liable for any damages, costs or losses to any person, any diminution in value or any liability whatsoever arising as a result of its so relying.
- (g) The Security Agent may act in relation to the Finance Documents and the Security Property through its officers, employees and agents and shall not:
- (i) be liable for any error of judgment made by any such person; or
 - (ii) be bound to supervise, or be in any way responsible for any loss incurred by reason of misconduct, omission or default on the part of any such person,

- (i) Notwithstanding any other provision of any Finance Document to the contrary, the Security Agent is not obliged to do or omit to do anything if it would or might, in its reasonable opinion, constitute a breach of any law or regulation or a breach of a fiduciary duty or duty of confidentiality.
- (j) Notwithstanding any provision of any Finance Document to the contrary, the Security Agent is not obliged to expend or risk its own funds or otherwise incur any financial liability in the performance of its duties, obligations or responsibilities or the exercise of any right, power,

authority or discretion if it has grounds for believing the repayment of such funds or adequate indemnity against, or security for, such risk or liability is not reasonably assured to it.

None of the Security Agent, any Receiver or Delegate is responsible or liable for:

- (a) the adequacy, accuracy or completeness of any information (whether oral or written) supplied by the Facility Agent, the Security Agent, the Arranger, a Transaction Obligor or any other person in, or in connection with, any Transaction Document or the transactions contemplated in the Transaction Documents or any other agreement, arrangement or document entered into, made or executed in anticipation of, under or in connection with any Transaction Document; or

- (b) No Party other than the Security Agent, that Receiver or that Delegate (as applicable) may take any proceedings against any officer, employee or agent of the Security Agent, a Receiver or a Delegate in respect of any claim it might have against the Security Agent, a Receiver or a Delegate or in respect of any act or omission of any kind by that officer, employee or agent in relation to any Transaction Document or any Security Property and any officer, employee or agent of the Security Agent, a Receiver or a Delegate may rely on this Clause subject to Clause 1.5 (*Third party rights*) and the provisions of the Third Parties Act.
- (c) The Security Agent will not be liable for any delay (or any related consequences) in crediting an account with an amount required under the Finance Documents to be paid by the Security Agent if the Security Agent has taken all necessary steps as soon as reasonably practicable to comply with the regulations or operating procedures of any recognised clearing or settlement system used by the Security Agent for that purpose.
- (d) Nothing in this Agreement shall oblige the Security Agent to carry out:
- (i) any “know your customer” or other checks in relation to any person; or
 - (ii) any check on the extent to which any transaction contemplated by this Agreement might be unlawful for any Finance Party,
- on behalf of any Finance Party and each Finance Party confirms to the Security Agent that it is solely responsible for any such checks it is required to carry out and that it may not rely on any statement in relation to such checks made by the Security Agent.

- (b) Subject to paragraph (c) below, the Borrowers shall immediately on demand reimburse any Lender for any payment that Lender makes to the Security Agent pursuant to paragraph (a) above.

- (a) The Security Agent may resign and appoint one of its Affiliates as successor by giving notice to the other Finance Parties and the Borrowers.
- (b) Alternatively, the Security Agent may resign by giving 30 days' notice to the other Finance Parties and the Borrowers, in which case the Majority Lenders may appoint a successor Security Agent.

- (c) Notwithstanding any other provision of any Finance Document to the contrary, the Security Agent is not obliged to disclose to any other person (i) any confidential information or (ii) any other information if the disclosure would, or might in its reasonable opinion, constitute a breach of any law or regulation or a breach of a fiduciary duty.

30.15 Credit appraisal by the Finance Parties

Without affecting the responsibility of any Transaction Obligor for information supplied by it or on its behalf in connection with any Transaction Document, each Finance Party confirms to the Security Agent that it has been, and will continue to be, solely responsible for making its own independent appraisal and investigation of all risks arising under, or in connection with, any Transaction Document including but not limited to:

- the Borrowers shall pay to the Security Agent any additional remuneration (together with any applicable VAT) that may be agreed between them or determined pursuant to paragraph (c) below.
- (c) If the Security Agent and the Borrowers fail to agree upon the nature of the duties, or upon the additional remuneration referred to in paragraph (b) above or whether additional remuneration is appropriate in the circumstances, any dispute shall be determined by an investment bank (acting as an expert and not as an arbitrator) selected by the Security Agent and approved by the Borrowers or, failing approval, nominated (on the application of the Security Agent) by the President for the time being of the Law Society of England and Wales (the costs of the nomination and of the investment bank being payable by the Borrowers) and the determination of any investment bank shall be final and binding upon the Parties.

- (a) the Recovering Finance Party shall, within three Business Days, notify details of the receipt or recovery, to the Facility Agent;
- (b) the Facility Agent shall determine whether the receipt or recovery is in excess of the amount the Recovering Finance Party would have been paid had the receipt or recovery been received or made by the Facility Agent and distributed in accordance with Clause 33 (*Payment Mechanics*), without taking account of any Tax which would be imposed on the Facility Agent in relation to the receipt, recovery or distribution; and
- (c) the Recovering Finance Party shall, within three Business Days of demand by the Facility Agent, pay to the Facility Agent an amount (the “**Sharing Payment**”) equal to such receipt or recovery less any amount which the Facility Agent determines may be retained by the Recovering Finance Party as its share of any payment to be made, in accordance with Clause 33.5 (*Application of receipts; partial payments*).

32.2 **Redistribution of payments**

The Facility Agent shall treat the Sharing Payment as if it had been paid by the relevant Transaction Obligor and distribute it among the Finance Parties (other than the Recovering Finance Party) (the “**Sharing Finance Parties**”) in accordance with Clause 33.5 (*Application of receipts; partial payments*) towards the obligations of that Transaction Obligor to the Sharing Finance Parties.

- (a) each Sharing Finance Party shall, upon request of the Facility Agent, pay to the Facility Agent for the account of that Recovering Finance Party an amount equal to the appropriate part of its share of the Sharing Payment (together with an amount as is necessary to reimburse that Recovering Finance Party for its proportion of any interest on the Sharing Payment which that Recovering Finance Party is required to pay) (the “**Redistributed Amount**”); and
- (b) as between the relevant Transaction Obligor and each relevant Sharing Finance Party, an amount equal to the relevant Redistributed Amount will be treated as not having been paid by that Transaction Obligor.

32.5 **Exceptions**

- (a) This Clause 32 (*Sharing among the Finance Parties*) shall not apply to the extent that the Recovering Finance Party would not, after making any payment pursuant to this Clause, have a valid and enforceable claim against the relevant Transaction Obligor.

GOVERNING LAW AND ENFORCEMENT

46 GOVERNING LAW

This Agreement and any non-contractual obligations arising out of or in connection with it are governed by English law.

47 ENFORCEMENT

47.1 Jurisdiction

- (a) The courts of England have exclusive jurisdiction to settle any dispute arising out of or in connection with this Agreement (including a dispute regarding the existence, validity or termination of this Agreement or any non-contractual obligation arising out of or in connection with this Agreement) (a “**Dispute**”).
- (b) The Obligors accept that the courts of England are the most appropriate and convenient courts to settle Disputes and accordingly no Obligor will argue to the contrary.
- (c) This Clause 47.1 (*Jurisdiction*) is for the benefit of the Creditor Parties only. As a result, no Creditor Party shall be prevented from taking proceedings relating to a Dispute in any other courts with jurisdiction. To the extent allowed by law, the Creditor Parties may take concurrent proceedings in any number of jurisdictions.

47.2 Service of process

- (a) Without prejudice to any other mode of service allowed under any relevant law, each Obligor (other than an Obligor incorporated in England and Wales):

 - (ii) agrees that failure by a process agent to notify the relevant Obligor of the process will not invalidate the proceedings concerned.
- (b) If any person appointed as an agent for service of process is unable for any reason to act as agent for service of process, the Borrowers (on behalf of all the Obligors) must immediately (and in any event within 5 days of such event taking place) appoint another agent on terms acceptable to the Facility Agent. 7.4 Change of Control

- (a) If a Change of Control occurs the Borrowers and the Parent Guarantors shall promptly notify the Facility Agent upon becoming aware of that event and if the Majority Lenders so require, the Facility Agent shall (acting on the instructions of the Majority Lenders), by not less than 7 days' notice to the Borrowers, cancel the Facility and declare the Loan, together with accrued interest, and all other amounts accrued under the Finance Documents immediately due and payable, whereupon the Facility will be cancelled and the Loan and all such outstanding interest and other amounts will become immediately due and payable.

For the purpose of this paragraph (a), a “**Change of Control**” occurs if:

- (i) During the Security Period (and should no reverse merger as described in Clause 22.13 (*Merger*) be completed):
 - (A) a change occurs in the power (whether by way of ownership of shares, proxy, contract, agency or otherwise) to:
 - (1) cast, or control the casting of, all of the votes that might be cast at a general meeting of either Parent Guarantor; or
 - (2) appoint or remove all, or the majority, of the directors or other equivalent officers of either Parent Guarantor; or

 - (B) a change occurs in the beneficial holding of all of the issued equity interests of either Parent Guarantor (excluding any part of that issued share capital that carries no right to participate beyond a specified amount in a distribution of either profits or capital),in each case ((A) and (B) above) from the position of each Parent Guarantor as disclosed to the Facility Agent prior to the execution of this Agreement; and
- (ii) If a reverse merger as described in Clause 22.13 (*Merger*) is completed (and at any time after its completion):
 - (A) at any time during the six month period following the date of the reverse merger as described in Clause 22.13 (*Merger*) the owners that hold voting rights in the New Parent (as disclosed to the Facility Agent) immediately following such merger cease to own (either directly or through one or more of their Affiliates) collectively an amount that is more than 50% of the voting rights of the New Parent (or its successor);
 - (B) Mr George Giouroukos ceases to be the Executive Chairman (or any other equivalent executive officer position) of the New Parent other than by reason of death or other incapacity in managing his affairs.

- (b) The Obligors undertake that there will be no change in the direct legal or beneficial ownership or control of the Borrowers if no merger takes place.

7.5 Right of repayment and cancellation in relation to a single Lender

- (a) **If:**
 - (i) any sum payable to any Lender by a Transaction Obligor is required to be increased under paragraph (c) of Clause 12.2 (*Tax gross-up*) or under that clause as incorporated by reference or in full in any other Finance Document; or
 - (ii) any Lender claims indemnification from a Borrower under Clause 12.3 (*Tax indemnity*) or Clause 13.1 (*Increased costs*),the Borrowers may, whilst the circumstance giving rise to the requirement for that increase or indemnification continues, give the Facility Agent notice of cancellation of the Commitment of that Lender and its intention to procure the repayment of that Lender's participation in the Loan.
- (b) On receipt of a notice of cancellation referred to in paragraph (a) above, the Commitment of that Lender shall immediately be reduced to zero.
- (c) On the last day of each Interest Period which ends after the Borrowers have given notice of cancellation under paragraph (a) above in relation to a Lender (or, if earlier, the date specified by the Borrowers in that notice), the Borrowers shall repay that Lender's participation in the Loan.

7.6 Restrictions

- (d) Any notice of cancellation or prepayment given by any Party under this Clause 7 (*Prepayment and Cancellation*) shall be irrevocable and, unless a contrary indication appears in this Agreement, shall specify the date or dates upon which the relevant cancellation or prepayment is to be made, the amount of that cancellation or prepayment and, if relevant, the part of the Loan to be prepaid or cancelled.
- (e) Any prepayment under this Agreement shall be made together with accrued interest on the amount prepaid and, subject to any Break Costs, without premium or penalty.
- (f) No Borrower may reborrow any part of the Facility which is prepaid.
- (g) No Borrower shall repay or prepay all or any part of the Loan or cancel all or any part of the Total Commitments except at the times and in the manner expressly provided for in this Agreement.
- (h) No amount of the Total Commitments cancelled under this Agreement may be subsequently reinstated.
- (i) If the Facility Agent receives a notice under this Clause 7 (*Prepayment and Cancellation*) it shall promptly forward a copy of that notice to either the Borrowers or the affected Lenders, as appropriate.

- (j) If all or part of any Lender's participation in the Loan is repaid or prepaid, an amount of that Lender's Commitment (equal to the amount of the participation which is repaid or prepaid) will be deemed to be cancelled on the date of repayment or prepayment.

7.7 Application of prepayments

Any prepayment of any part of the Loan (other than a prepayment pursuant to Clause 7.1 (*Illegality*) or Clause 7.5 (*Right of repayment and cancellation in relation to a single Lender*)) shall be applied pro rata to each Lender's participation in that part of the Loan.

SECTION 5

COSTS OF UTILISATION

8 INTEREST

8.1 Calculation of interest

The rate of interest on the Loan or any part of the Loan for each Interest Period is the percentage rate per annum which is the aggregate of:

- (a) the applicable Margin; and
- (b) LIBOR.

8.2 Payment of interest

- (a) The Borrowers shall pay accrued interest on the Loan or any part of the Loan on the last day of each Interest Period (each an “**Interest Payment Date**”).
- (b) If an Interest Period is longer than three Months, the Borrowers shall also pay interest then accrued on the Loan or the relevant part of the Loan on the dates falling at three Monthly intervals after the first day of the Interest Period.

8.3 Default interest

- (a) If a Transaction Obligor fails to pay any amount payable by it under a Finance Document on its due date, interest shall accrue on the Unpaid Sum from the due date up to the date of actual payment (both before and after judgment) at a rate which, subject to paragraph (b) below, is 2 per cent, per annum higher than the rate which would have been payable if the Unpaid Sum had, during the period of non-payment, constituted part of the Loan in the currency of the Unpaid Sum for successive Interest Periods, each of a duration selected by the Facility Agent. Any interest accruing under this Clause 8.3 (*Default interest*) shall be immediately payable by the Obligor on demand by the Facility Agent.
- (b) If an Unpaid Sum consists of all or part of the Loan which became due on a day which was not the last day of an Interest Period relating to the Loan or that part of the Loan:
 - (i) the first Interest Period for that Unpaid Sum shall have a duration equal to the unexpired portion of the current Interest Period relating to the Loan or that part of the Loan; and
 - (ii) the rate of interest applying to that Unpaid Sum during that first Interest Period shall be 2 per cent, per annum higher than the rate which would have applied if that Unpaid Sum had not become due.
- (c) Default interest (if unpaid) arising on an Unpaid Sum will be compounded with the Unpaid Sum at the end of each Interest Period applicable to that Unpaid Sum but will remain immediately due and payable.

8.4 Notification of rates of interest

- (a) The Facility Agent shall promptly notify the Lenders and the Borrowers of the determination of a rate of interest under this Agreement.
- (b) The Facility Agent shall promptly notify the Borrower of each Funding Rate relating to the Loan, any part of the Loan or any Unpaid Sum.

9 INTEREST PERIODS

9.1 Selection of Interest Periods

- (a) The Borrowers may select the first Interest Period for the Loan in the Utilisation Request. Subject to paragraph (f) below and Clause 9.2 (*Changes to Interest Periods*), the Borrowers may select each subsequent Interest Period in respect of the Loan in a Selection Notice.
- (b) Each Selection Notice is irrevocable and must be delivered to the Facility Agent by the Borrowers not later than the Specified Time.
- (c) If the Borrowers fail to select a first Interest Period in the Utilisation Request or fail to deliver a Selection Notice to the Facility Agent in accordance with paragraphs (a) and (b) above, the relevant Interest Period will, subject to paragraph (f) below and Clause 9.2 (*Changes to Interest Periods*), be three Months.
- (d) Subject to this Clause 9 (*Interest Periods*), the Borrowers may select an Interest Period of 3 Months or any other period agreed between the Borrowers and the Facility Agent (acting on the instructions of all the Lenders).
- (e) An Interest Period in respect of the Loan or any part of the Loan shall not extend beyond the Termination Date.
- (f) In respect of a Repayment Instalment, the Borrowers may request in the relevant Selection Notice that an Interest Period for a part of the Loan equal to such Repayment Instalment shall end on the Repayment Date relating to it and, subject to paragraph (d) above, select a longer Interest Period for the remaining part of the Loan.
- (g) The first Interest Period for the Loan shall start on the Utilisation Date and each subsequent Interest Period shall start on the last day of the preceding Interest Period.
- (h) Except for the purposes of paragraph (f) above and Clause 9.2 (*Changes to Interest Periods*), the Loan shall have one Interest Period only at any time.

9.2 Changes to Interest Periods

- (a) In respect of a Repayment Instalment, prior to determining the interest rate for the Loan, the Facility Agent may establish an Interest Period for a part of the Loan equal to such Repayment Instalment to end on the Repayment Date relating to it and the remaining part of the Loan shall have the Interest Period selected in the relevant Selection Notice, subject to paragraph (d) of Clause 9.1 (*Selection of Interest Periods*).
- (b) If the Facility Agent makes any change to an Interest Period referred to in this Clause 9.2 (*Changes to Interest Periods*), it shall promptly notify the Borrowers and the Lenders.

9.3 Non-Business Days

If an Interest Period would otherwise end on a day which is not a Business Day, that Interest Period will instead end on the next Business Day in that calendar month (if there is one) or the preceding Business Day (if there is not).

10 CHANGES TO THE CALCULATION OF INTEREST

10.1 Unavailability of Screen Rate

- (a) *Fair and adequate means*: If no Screen Rate is available for LIBOR for the Interest Period of the Loan or any part of the Loan, the Facility Agent may, in consultation with the Borrowers and the Lenders determine a fair and adequate means for ascertaining LIBOR.
- (b) *Cost of funds*: If paragraph (a) above applies no fair and adequate available means for ascertaining LIBOR can be found, there shall be no LIBOR for the Loan or that part of the Loan (as applicable) and Clause 10.3 (*Cost of funds*) shall apply to the Loan or that part of the Loan for that Interest Period.

10.2 Market disruption

If before close of business in London on the Quotation Day for the relevant Interest Period the Facility Agent receives notification from a Lender that the cost to it of funding its participation in the Loan or that part of the Loan from whatever source it may reasonably select would be in excess of LIBOR then Clause 10.3 (*Cost of funds*) shall apply to the Loan or that part of the Loan (as applicable) for the relevant Interest Period.

10.3 Cost of funds

- (a) If this Clause 10.3 (*Cost of funds*) applies, the rate of interest on the Loan or the relevant part of the Loan for the relevant Interest Period shall be the percentage rate per annum which is the sum of:
 - (i) the Margin; and
 - (ii) the weighted average of the rates notified to the Facility Agent by each Lender as soon as practicable and in any event before interest is due to be paid in respect of that Interest Period to be that which expresses as a percentage rate per annum the cost to the relevant Lender of funding its participation in the Loan or that part of the Loan from whatever source it may reasonably select.
- (b) If this Clause 10.3 (*Cost of funds*) applies and the Facility Agent or the Borrowers so require, the Facility Agent and the Borrowers shall enter into negotiations (for a period of not more than 30 days) with a view to agreeing a substitute basis for determining the rate of interest or (as the case may be) an alternative basis for funding.
- (c) Subject to Clause 43.4 (*Replacement of Screen Rate*), any substitute or alternative basis agreed pursuant to paragraph (b) above shall, with the prior consent of all the Lenders and the Borrowers, be binding on all Parties.
- (d) If paragraph (e) below does not apply and any rate notified to the Facility Agent under sub- paragraph (ii) of paragraph (a) above is less than zero, the relevant rate shall be deemed to be zero.

- (e) If this Clause 10.3 (*Cost of funds*) applies pursuant to Clause 10.2 (*Market disruption*) and:
 - (i) a Lender's Funding Rate is less than LIBOR; or
 - (ii) a Lender does not supply a quotation by the time specified in sub-paragraph (ii) of paragraph (a) above, the cost to that Lender of funding its participation in the Loan or the relevant part of the Loan for that Interest Period shall be deemed, for the purposes of paragraph (a) above, to be LIBOR.
- (f) If this Clause 10.3 (*Cost of funds*) applies but any Lender does not supply a quotation by the time specified in sub-paragraph (ii) of paragraph (a) above, the rate of interest shall be calculated on the basis of the quotations of the remaining Lenders.
- (g) If the Borrowers and the Facility Agent enter into negotiations pursuant to paragraph (b) above but do not agree on an alternative basis for determining the rate of interest, or (as the case may be) an alternative basis for funding, the rate determined by the Facility Agent pursuant to paragraph (a) above shall apply unless, while the circumstances in Clause 10.1 (*Unavailability of Screen Rate*) or 10.2 (*Market Disruption*) continue, the Borrower notify the Facility Agent of their intention to prepay the Loan. Clause 7.6 (*Restrictions*) shall apply to such notice.
- (h) If the Borrowers notify the Facility Agent pursuant to paragraph (g) above, they shall prepay the Loan in full at the end of the selected Interest Period, and during such Interest Period the same interest rate as for the preceding Interest Period shall apply.

10.4 Break Costs

- (a) The Borrowers shall, within three Business Days of demand by a Finance Party, pay to that Finance Party its Break Costs attributable to all or any part of the Loan or Unpaid Sum being paid by a Borrower on a day other than the last day of an Interest Period for the Loan, the relevant part of the Loan or that Unpaid Sum.
- (b) Each Lender shall, as soon as reasonably practicable after a demand by the Facility Agent, provide a certificate confirming the amount of its Break Costs for any Interest Period in which they accrue.

11 FEES

11.1 Underwriting and structuring fee

The Borrowers shall pay to the Arranger (for its own account) an underwriting and structuring fee as agreed in the Fee Letter.

11.2 Management and Participation fee

The Borrowers shall pay to the Facility Agent (for the account of the Lenders) a management and participation fee as agreed in the Fee Letter,

11.3 Facility Agent fee

The Borrowers shall pay to the Facility Agent (for its own account) an agency fee in the amount and at the times agreed in the Fee Letter.

ADDITIONAL PAYMENT OBLIGATIONS

12 TAX GROSS UP AND INDEMNITIES

12.1 Definitions

- (a) In this Agreement:

“**Protected Party**” means a Finance Party which is or will be subject to any liability, or required to make any payment, for or on account of Tax in relation to a sum received or receivable (or any sum deemed for the purposes of Tax to be received or receivable) under a Finance Document.

“**Tax Credit**” means a credit against, relief or remission for, or repayment of any Tax.

“**Tax Deduction**” means a deduction or withholding for or on account of Tax from a payment under a Finance Document, other than a FATCA Deduction.

“**Tax Payment**” means either the increase in a payment made by an Obligor to a Finance Party under Clause 12.2 (*Tax gross-up*) or a payment under Clause 12.3 (*Tax indemnity*).

- (b) Unless a contrary indication appears, in this Clause 12 (*Tax Gross Up and Indemnities*) reference to “determines” or “determined” means a determination made in the absolute discretion of the person making the determination.

12.2 Tax gross-up

- (a) Each Obligor shall make all payments to be made by it without any Tax Deduction, unless a Tax Deduction is required by law.
- (b) The Borrowers shall promptly upon becoming aware that an Obligor must make a Tax Deduction (or that there is any change in the rate or the basis of a Tax Deduction) notify the Facility Agent accordingly. Similarly, a Lender shall notify the Facility Agent on becoming so aware in respect of a payment payable to that Lender. If the Facility Agent receives such notification from a Lender it shall notify the Borrowers and that Obligor.
- (c) If a Tax Deduction is required by law to be made by an Obligor, the amount of the payment due from that Obligor shall be increased to an amount which (after making any Tax Deduction) leaves an amount equal to the payment which would have been due if no Tax Deduction had been required.
- (d) If an Obligor is required to make a Tax Deduction, that Obligor shall make that Tax Deduction and any payment required in connection with that Tax Deduction within the time allowed and in the minimum amount required by law.
- (e) Within 30 days of making either a Tax Deduction or any payment required in connection with that Tax Deduction, the Obligor making that Tax Deduction shall deliver to the Facility Agent for the Finance Party entitled to the payment evidence reasonably satisfactory to that Finance Party that the Tax Deduction has been made or (as applicable) any appropriate payment paid to the relevant taxing authority.

12.3 Tax indemnity

- (a) The Obligors shall (within three Business Days of demand by the Facility Agent) pay to a Protected Party an amount equal to the loss, liability or cost which that Protected Party determines will be or has been (directly or indirectly) suffered for or on account of Tax by that Protected Party in respect of a Finance Document.
- (b) Paragraph (a) above shall not apply:
 - (i) with respect to any Tax assessed on a Finance Party:
 - (A) under the law of the jurisdiction in which that Finance Party is incorporated or, if different, the jurisdiction (or jurisdictions) in which that Finance Party is treated as resident for tax purposes; or
 - (B) under the law of the jurisdiction in which that Finance Party's Facility Office is located in respect of amounts received or receivable in that jurisdiction,
if that Tax is imposed on or calculated by reference to the net income received or receivable (but not any sum deemed to be received or receivable) by that Finance Party; or
 - (ii) to the extent a loss, liability or cost:
 - (A) is compensated for by an increased payment under Clause 12.2 (*Tax gross-up*); or
 - (B) relates to a FATCA Deduction required to be made by a Party.
- (c) A Protected Party making, or intending to make, a claim under paragraph (a) above shall promptly notify the Facility Agent of the event which will give, or has given, rise to the claim, following which the Facility Agent shall notify the Obligors.
- (d) A Protected Party shall, on receiving a payment from an Obligor under this Clause 12.3 (*Tax indemnity*), notify the Facility Agent.

12.4 Tax Credit

If an Obligor makes a Tax Payment and the relevant Finance Party determines that:

- (a) a Tax Credit is attributable to an increased payment of which that Tax Payment forms part, to that Tax Payment or to a Tax Deduction in consequence of which that Tax Payment was received; and
- (b) that Finance Party has obtained and utilised that Tax Credit,
the Finance Party shall pay an amount to the Obligor which that Finance Party determines will leave it (after that payment) in the same after-Tax position as it would have been in had the Tax Payment not been required to be made by the Obligor.

12.5 Stamp taxes

The Obligors shall pay and, within three Business Days of demand, indemnify each Secured Party against any cost, loss or liability which that Secured Party incurs in relation to all stamp duty, registration and other similar Taxes payable in respect of any Finance Document.

12.6 VAT

- (a) All amounts expressed to be payable under a Finance Document by any Party to a Finance Party which (in whole or in part) constitute the consideration for any supply for VAT purposes are deemed to be exclusive of any VAT which is chargeable on that supply, and accordingly, subject to paragraph (b) below, if VAT is or becomes chargeable on any supply made by any Finance Party to any Party under a Finance Document and such Finance Party is required to account to the relevant tax authority for the VAT, that Party must pay to such Finance Party (in addition to and at the same time as paying any other consideration for such supply) an amount equal to the amount of the VAT (and such Finance Party must promptly provide an appropriate VAT invoice to that Party).
- (b) If VAT is or becomes chargeable on any supply made by any Finance Party (the “**Supplier**”) to any other Finance Party (the “**Recipient**”) under a Finance Document, and any Party other than the Recipient (the “**Relevant Party**”) is required by the terms of any Finance Document to pay an amount equal to the consideration for that supply to the Supplier (rather than being required to reimburse or indemnify the Recipient in respect of that consideration):
 - (i) (where the Supplier is the person required to account to the relevant tax authority for the VAT) the Relevant Party must also pay to the Supplier (at the same time as paying that amount) an additional amount equal to the amount of the VAT. The Recipient must (where this sub-paragraph (i) applies) promptly pay to the Relevant Party an amount equal to any credit or repayment the Recipient receives from the relevant tax authority which the Recipient reasonably determines relates to the VAT chargeable on that supply; and
 - (ii) (where the Recipient is the person required to account to the relevant tax authority for the VAT) the Relevant Party must promptly, following demand from the Recipient, pay to the Recipient an amount equal to the VAT chargeable on that supply but only to the extent that the Recipient reasonably determines that it is not entitled to credit or repayment from the relevant tax authority in respect of that VAT.
- (c) Where a Finance Document requires any Party to reimburse or indemnify a Finance Party for any cost or expense, that Party shall reimburse or indemnify (as the case may be) such Finance Party for the full amount of such cost or expense, including such part of it as represents VAT, save to the extent that such Finance Party reasonably determines that it is entitled to credit or repayment in respect of such VAT from the relevant tax authority.
- (d) Any reference in this Clause 12.6 (VAT) to any Party shall, at any time when that Party is treated as a member of a group or unity (or fiscal unity) for VAT purposes, include (where appropriate and unless the context otherwise requires) a reference to the person who is treated at that time as making the supply, or (as appropriate) receiving the supply, under the grouping rules (provided for in Article 11 of Council Directive 2006/112/EC (or as implemented by the relevant member state of the European Union)) so that a reference to a Party shall be construed as a reference to that Party or the relevant group or unity (or fiscal unity) of which that Party is a member for VAT purposes at the relevant time or the relevant representative member (or representative or head) of that group or unity at the relevant time (as the case may be).
- (e) In relation to any supply made by a Finance Party to any Party under a Finance Document, if reasonably requested by such Finance Party, that Party must promptly provide such Finance Party with details of that Party’s VAT registration and such other information as is reasonably requested in connection with such Finance Party’s VAT reporting requirements in relation to such supply.

12.7 FATCA Information

- (a) Subject to paragraph (c) below, each Party shall, within ten Business Days of a reasonable request by another Party:
 - (i) confirm to that other Party whether it is:
 - (A) a FATCA Exempt Party; or
 - (B) not a FATCA Exempt Party; and
 - (ii) supply to that other Party such forms, documentation and other information relating to its status under FATCA as that other Party reasonably requests for the purposes of that other Party's compliance with FATCA; and
 - (iii) supply to that other Party such forms, documentation and other information relating to its status as that other Party reasonably requests for the purposes of that other Party's compliance with any other law, regulation or exchange of information regime.
- (b) If a Party confirms to another Party pursuant to sub-paragraph (i) of paragraph (a) above that it is a FATCA Exempt Party and it subsequently becomes aware that it is not, or has ceased to be a FATCA Exempt Party, that Party shall notify that other Party reasonably promptly.
- (c) Paragraph (a) above shall not oblige any Finance Party to do anything and sub-paragraph (iii) of paragraph (a) above shall not oblige any other Party to do anything which would or might in its reasonable opinion constitute a breach of:
 - (i) any law or regulation;
 - (ii) any fiduciary duty; or
 - (iii) any duty of confidentiality.
- (d) If a Party fails to confirm whether or not it is a FATCA Exempt Party or to supply forms, documentation or other information requested in accordance with sub-paragraphs (i) or (ii) of paragraph (a) above (including, for the avoidance of doubt, where paragraph (c) above applies), then such Party shall be treated for the purposes of the Finance Documents (and payments under them) as if it is not a FATCA Exempt Party until such time as the Party in question provides the requested confirmation, forms, documentation or other information.
- (e) If a Borrower is a US Tax Obligor, or the Facility Agent reasonably believes that its obligations under FATCA or any other applicable law or regulation require it, each Lender shall, within ten Business Days of:
 - (i) where a Borrower is a US Tax Obligor and the relevant Lender is an Original Lender, the date of this Agreement;
 - (ii) where a Borrower is a US Tax Obligor on a Transfer Date and the relevant Lender is a New Lender, the relevant Transfer Date; or

- (iii) where a Borrower is not a US Tax Obligor, the date of a request from the Facility Agent, supply to the Facility Agent:
 - (iv) a withholding certificate on Form W-8, Form W-9 or any other relevant form; or
 - (v) any withholding statement or other document, authorisation or waiver as the Facility Agent may require to certify or establish the status of such Lender under FATCA or that other law or regulation.
- (f) The Facility Agent shall provide any withholding certificate, withholding statement, document, authorisation or waiver it receives from a Lender pursuant to paragraph (e) above to the Borrowers.
 - (g) If any withholding certificate, withholding statement, document, authorisation or waiver provided to the Facility Agent by a Lender pursuant to paragraph (e) above is or becomes materially inaccurate or incomplete, that Lender shall promptly update it and provide such updated withholding certificate, withholding statement, document, authorisation or waiver to the Facility Agent unless it is unlawful for the Lender to do so (in which case the Lender shall promptly notify the Facility Agent). The Facility Agent shall provide any such updated withholding certificate, withholding statement, document, authorisation or waiver to the Borrowers.
 - (h) The Facility Agent may rely on any withholding certificate, withholding statement, document, authorisation or waiver it receives from a Lender pursuant to paragraph (e) or (g) above without further verification. The Facility Agent shall not be liable for any action taken by it under or in connection with paragraphs (e), (f) or (g) above.

12.8 FATCA Deduction

- (a) Each Party may make any FATCA Deduction it is required to make by FATCA, and any payment required in connection with that FATCA Deduction, and no Party shall be required to increase any payment in respect of which it makes such a FATCA Deduction or otherwise compensate the recipient of the payment for that FATCA Deduction.
- (b) Each Party shall promptly, upon becoming aware that it must make a FATCA Deduction (or that there is any change in the rate or the basis of such FATCA Deduction), notify the Party to whom it is making the payment and, in addition, shall notify each Obligor and the Facility Agent and the Facility Agent shall notify the other Finance Parties.

- (b) attributable to a FATCA Deduction required to be made by a Party;

The amount payable by that Parent Guarantor under this indemnity will not exceed the amount it would have had to pay under this Clause 17 (*Guarantee and Indemnity – Parent Guarantor*) if the amount claimed had been recoverable on the basis of a guarantee.

17.8 Additional security

This guarantee and any other Security given by each Parent Guarantor is in addition to and is not in any way prejudiced by, and shall not prejudice, any other guarantee or Security or any other right of recourse now or subsequently held by any Secured Party or any right of set-off or netting or right to combine accounts in connection with the Finance Documents.

SECTION 9
CHANGES TO PARTIES

28 CHANGES TO THE LENDERS

28.1 Assignments and transfers by the Lenders

Subject to this Clause 28 (*Changes to the Lenders*) and without prejudice to any other rights available to it as a matter of applicable law, a Lender (the “**Existing Lender**”) may, at any time and subject to consultation with the Parent Guarantors and/or the Borrowers (but without the need for consent of the Parent Guarantors or the Borrowers):

- (i) assign any of its rights; or
- (ii) transfer by novation any of its rights and obligations (including, for the avoidance of doubt, its Commitment), under the Finance Documents to
 - (i) another Lender;
 - (ii) any Affiliate of a Lender;
 - (iii) any other first class bank or financial institution;
 - (iv) any member of the European System of Central Banks;
 - (v) any insurance company, trust, capital investment company; or
 - (vi) following the occurrence of an Event of Default that is continuing past its cure period, any other person (the “**New Lender**”).

28.2 Conditions of assignment or transfer

- (a) An assignment will only be effective on:
 - (i) receipt by the Facility Agent (whether in the Assignment Agreement or otherwise) of written confirmation from the New Lender (in form and substance satisfactory to the Facility Agent) that the New Lender will assume the same obligations to the other Secured Parties as it would have been under if it had been an Original Lender; and
 - (ii) performance by the Facility Agent of all necessary “know your customer” or other similar checks under all applicable laws and regulations in relation to such assignment to a New Lender, the completion of which the Facility Agent shall promptly notify to the Existing Lender and the New Lender.
- (b) Each Obligor on behalf of itself and each Transaction Obligor agrees that all rights and interests (present, future or contingent) which the Existing Lender has under or by virtue of the Finance Documents are assigned to the New Lender absolutely, free of any defects in the Existing Lender’s title and of any rights or equities which the Borrower or any other Transaction Obligor had against the Existing Lender.

- (c) A transfer will only be effective if the procedure set out in Clause 28.5 (*Procedure for transfer*) is complied with.
- (d) If:
 - (i) a Lender assigns or transfers any of its rights or obligations under the Finance Documents or changes its Facility Office; and
 - (ii) as a result of circumstances existing at the date the assignment, transfer or change occurs, a Transaction Obligor would be obliged to make a payment to the New Lender or Lender acting through its new Facility Office under Clause 12 (*Tax Gross Up and Indemnities*) or under that clause as incorporated by reference or in full in any other Finance Document or Clause 13 (*Increased Costs*),then the New Lender or Lender acting through its new Facility Office is only entitled to receive payment under those Clauses to the same extent as the Existing Lender or Lender acting through its previous Facility Office would have been if the assignment, transfer or change had not occurred. This paragraph (d) shall not apply in respect of an assignment or transfer made in the ordinary course of the primary syndication of the Facility.
- (e) Each New Lender, by executing the relevant Transfer Certificate or Assignment Agreement, confirms, for the avoidance of doubt, that the Facility Agent has authority to execute on its behalf any amendment or waiver that has been approved by or on behalf of the requisite Lender or Lenders in accordance with this Agreement on or prior to the date on which the transfer or assignment becomes effective in accordance with this Agreement and that it is bound by that decision to the same extent as the Existing Lender would have been had it remained a Lender.

28.3 Assignment or transfer fee

The New Lender shall, on the date upon which an assignment or transfer takes effect, pay to the Facility Agent (for its own account) a fee of USD 2,500 unless otherwise agreed with or waived by the Facility Agent.

28.4 Limitation of responsibility of Existing Lenders

- (a) Unless expressly agreed to the contrary, an Existing Lender makes no representation or warranty and assumes no responsibility to a New Lender for:
 - (i) the legality, validity, effectiveness, adequacy or enforceability of the Transaction Documents, the Transaction Security or any other documents;
 - (ii) the financial condition of any Transaction Obligor;
 - (iii) the performance and observance by any Transaction Obligor of its obligations under the Transaction Documents or any other documents; or
 - (iv) the accuracy of any statements (whether written or oral) made in or in connection with any Transaction Document or any other document, and any representations or warranties implied by law are excluded.

- (b) Each New Lender confirms to the Existing Lender and the other Finance Parties and the Secured Parties that it:
 - (i) has made (and shall continue to make) its own independent investigation and assessment of the financial condition and affairs of each Transaction Obligor and its related entities in connection with its participation in this Agreement and has not relied exclusively on any information provided to it by the Existing Lender or any other Finance Party in connection with any Transaction Document or the Transaction Security; and
 - (ii) will continue to make its own independent appraisal of the creditworthiness of each Transaction Obligor and its related entities throughout the Security Period.
- (c) Nothing in any Finance Document obliges an Existing Lender to:
 - (i) accept a re-transfer or re-assignment from a New Lender of any of the rights and obligations assigned or transferred under this Clause 28 (*Changes to the Lenders*); or
 - (ii) support any losses directly or indirectly incurred by the New Lender by reason of the non-performance by any Transaction Obligor of its obligations under the Transaction Documents or otherwise.

28.5 Procedure for transfer

- (a) Subject to the conditions set out in Clause 28.2 (*Conditions of assignment or transfer*), a transfer is effected in accordance with paragraph (c) below when the Facility Agent executes an otherwise duly completed Transfer Certificate delivered to it by the Existing Lender and the New Lender. The Facility Agent shall, subject to paragraph (b) below as soon as reasonably practicable after receipt by it of a duly completed Transfer Certificate appearing on its face to comply with this Agreement and delivered in accordance with this Agreement, execute that Transfer Certificate.
- (b) The Facility Agent shall only be obliged to execute a Transfer Certificate delivered to it by the Existing Lender and the New Lender once it is satisfied it has complied with all necessary “know your customer” or other similar checks under all applicable laws and regulations in relation to the transfer to such New Lender.
- (c) Subject to Clause 28.9 (*Pro rata interest settlement*), on the Transfer Date:
 - (i) to the extent that in the Transfer Certificate the Existing Lender seeks to transfer by novation its rights and obligations under the Finance Documents and in respect of the Transaction Security, each of the Transaction Obligors and the Existing Lender shall be released from further obligations towards one another under the Finance Documents and in respect of the Transaction Security and their respective rights against one another under the Finance Documents and in respect of the Transaction Security shall be cancelled (being the “**Discharged Rights and Obligations**”);
 - (ii) each of the Transaction Obligors and the New Lender shall assume obligations towards one another and/or acquire rights against one another which differ from the Discharged Rights and Obligations only insofar as that Transaction Obligor and the New Lender have assumed and/or acquired the same in place of that Transaction Obligor and the Existing Lender;

- (iii) the Facility Agent, the Security Agent, the Arranger, the New Lender and other Lenders shall acquire the same rights and assume the same obligations between themselves and in respect of the Transaction Security as they would have acquired and assumed had the New Lender been an Original Lender with the rights and/or obligations acquired or assumed by it as a result of the transfer and to that extent the Facility Agent, the Security Agent, the Arranger and the Existing Lenders shall each be released from further obligations to each other under the Finance Documents; and
- (iv) the New Lender shall become a Party as a “Lender”.

28.6 Procedure for assignment

- (a) Subject to the conditions set out in Clause 28.2 (*Conditions of assignment or transfer*) an assignment may be effected in accordance with paragraph (c) below when the Facility Agent executes an otherwise duly completed Assignment Agreement delivered to it by the Existing Lender and the New Lender. The Facility Agent shall, subject to paragraph (b) below, as soon as reasonably practicable after receipt by it of a duly completed Assignment Agreement appearing on its face to comply with the terms of this Agreement and delivered in accordance with the terms of this Agreement, execute that Assignment Agreement.
- (b) The Facility Agent shall only be obliged to execute an Assignment Agreement delivered to it by the Existing Lender and the New Lender once it is satisfied it has complied with all necessary “know your customer” or other similar checks under all applicable laws and regulations in relation to the assignment to such New Lender.
- (c) Subject to Clause 28.9 (*Pro rata interest settlement*), on the Transfer Date:
 - (i) the Existing Lender will assign absolutely to the New Lender its rights under the Finance Documents and in respect of the Transaction Security expressed to be the subject of the assignment in the Assignment Agreement;
 - (ii) the Existing Lender will be released from the obligations (the “**Relevant Obligations**”) expressed to be the subject of the release in the Assignment Agreement (and any corresponding obligations by which it is bound in respect of the Transaction Security); and
 - (iii) the New Lender shall become a Party as a “Lender” and will be bound by obligations equivalent to the Relevant Obligations.
- (d) Lenders may utilise procedures other than those set out in this Clause 28.6 (*Procedure for assignment*) to assign their rights under the Finance Documents (but not, without the consent of the relevant Transaction Obligor or unless in accordance with Clause 28.5 (*Procedure for transfer*), to obtain a release by that Transaction Obligor from the obligations owed to that Transaction Obligor by the Lenders nor the assumption of equivalent obligations by a New Lender) **provided that** they comply with the conditions set out in Clause 28.2 (*Conditions of assignment or transfer*).

28.7 Copy of Transfer Certificate or Assignment Agreement to Borrowers

The Facility Agent shall, as soon as reasonably practicable after it has executed a Transfer Certificate or an Assignment Agreement, send to the Borrowers a copy of that Transfer Certificate or Assignment Agreement.

28.8 Security over Lenders' rights

In addition to the other rights provided to Lenders under this Clause 28 (*Changes to the Lenders*), each Lender may without consulting with or obtaining consent from any Transaction Obligor, at any time charge, assign or otherwise create Security in or over (whether by way of collateral or otherwise) all or any of its rights under any Finance Document to secure obligations of that Lender including, without limitation:

- (a) any charge, assignment or other Security to secure obligations to a federal reserve or central bank; and
- (b) any charge, assignment or other Security granted to any holders (or trustee or representatives of holders) of obligations owed, or securities issued, by that Lender as security for those obligations or securities, except that no such charge, assignment or Security shall:
 - (i) release a Lender from any of its obligations under the Finance Documents or substitute the beneficiary of the relevant charge, assignment or Security for the Lender as a party to any of the Finance Documents; or
 - (ii) require any payments to be made by a Transaction Obligor other than or in excess of, or grant to any person any more extensive rights than, those required to be made or granted to the relevant Lender under the Finance Documents.

28.9 Syndication and Securitisation

The Obligors shall assist the Facility Agent in achieving a successful syndication or securitisation (or similar transaction) in respect of the Facility and the Finance Documents. The Obligors shall, if requested by the Agent, provide such information as may be required to produce a customary information memorandum and also make available members of senior management for any meetings that potential syndicate lenders may request.

28.10 Pro rata interest settlement

- (a) If the Facility Agent has notified the Lenders that it is able to distribute interest payments on a "*pro rata* basis" to Existing Lenders and New Lenders then (in respect of any transfer pursuant to Clause 28.5 (*Procedure for transfer*) or any assignment pursuant to Clause 28.6 (*Procedure for assignment*)) the Transfer Date of which, in each case, is after the date of such notification and is not on the last day of an Interest Period):
 - (i) any interest or fees in respect of the relevant participation which are expressed to accrue by reference to the lapse of time shall continue to accrue in favour of the Existing Lender up to but excluding the Transfer Date ("**Accrued Amounts**") and shall become due and payable to the Existing Lender (without further interest accruing on them) on the last day of the current Interest Period (or, if the Interest Period is longer than six Months, on the next of the dates which falls at six Monthly intervals after the first day of that Interest Period); and

- (ii) the rights assigned or transferred by the Existing Lender will not include the right to the Accrued Amounts, so that, for the avoidance of doubt:
 - (A) when the Accrued Amounts become payable, those Accrued Amounts will be payable to the Existing Lender; and
 - (B) the amount payable to the New Lender on that date will be the amount which would, but for the application of this Clause 28.9 (*Pro rata interest settlement*), have been payable to it on that date, but after deduction of the Accrued Amounts.
- (b) In this Clause 28.9 (*Pro rata interest settlement*) references to “Interest Period” shall be construed to include a reference to any other period for accrual of fees.
- (c) An Existing Lender which retains the right to the Accrued Amounts pursuant to this Clause 28.9 (*Pro rata interest settlement*) but which does not have a Commitment shall be deemed not to be a Lender for the purposes of ascertaining whether the agreement of any specified group of Lenders has been obtained to approve any request for a consent, waiver, amendment or other vote of Lenders under the Finance Documents.

29 CHANGES TO THE TRANSACTION OBLIGORS

29.1 Assignment or transfer by Transaction Obligors

No Transaction Obligor may assign any of its rights or transfer any of its rights or obligations under the Finance Documents, without the prior written consent of the Facility Agent.

29.2 Release of security

- (a) If a disposal of any asset subject to security created by a Security Document is made in the following circumstances:
 - (i) the disposal is permitted by the terms of any Finance Document;
 - (ii) the Majority Lenders agree to the disposal;
 - (iii) the disposal is being made at the request of the Security Agent in circumstances where any security created by the Security Documents has become enforceable; or
 - (iv) the disposal is being effected by enforcement of a Security Document,the Security Agent may release the asset(s) being disposed of from any security over those assets created by a Security Document. However, the proceeds of any disposal (or an amount corresponding to them) must be applied in accordance with the requirements of the Finance Documents (if any).
- (b) If the Security Agent is satisfied that a release is allowed under this Clause 29.2 (*Release of security*) (at the request and expense of the Borrowers) each Finance Party must enter into any document and do all such other things which are reasonably required to achieve that release. Each other Finance Party irrevocably authorises the Security Agent to enter into any such document. Any release will not affect the obligations of any other Transaction Obligor under the Finance Documents.

SECTION 10
THE FINANCE PARTIES

30 THE FACILITY AGENT AND THE ARRANGER

30.1 Appointment of the Facility Agent

- (a) Each of the Arranger and the Lenders appoints the Facility Agent to act as its agent under and in connection with the Finance Documents.
- (b) Each of the Arranger and the Lenders authorises the Facility Agent to perform the duties, obligations and responsibilities and to exercise the rights, powers, authorities and discretions specifically given to the Facility Agent under, or in connection with, the Finance Documents together with any other incidental rights, powers, authorities and discretions.

30.2 Instructions

- (a) The Facility Agent shall:
 - (i) unless a contrary indication appears in a Finance Document, exercise or refrain from exercising any right, power, authority or discretion vested in it as Facility Agent in accordance with any instructions given to it by:
 - (A) all Lenders if the relevant Finance Document stipulates the matter is an all Lender decision; and
 - (B) in all other cases, the Majority Lenders; and
 - (ii) not be liable for any act (or omission) if it acts (or refrains from acting) in accordance with sub-paragraph (i) above (or, if this Agreement stipulates the matter is a decision for any other Finance Party or group of Finance Parties, in accordance with instructions given to it by that Finance Party or group of Finance Parties).
- (b) The Facility Agent shall be entitled to request instructions, or clarification of any instruction, from the Majority Lenders (or, if the relevant Finance Document stipulates the matter is a decision for any other Finance Party or group of Finance Parties, from that Finance Party or group of Finance Parties) as to whether, and in what manner, it should exercise or refrain from exercising any right, power, authority or discretion and the Facility Agent may refrain from acting unless and until it receives any such instructions or clarification that it has requested.
- (c) Save in the case of decisions stipulated to be a matter for any other Finance Party or group of Finance Parties under the relevant Finance Document and unless a contrary indication appears in a Finance Document, any instructions given to the Facility Agent by the Majority Lenders shall override any conflicting instructions given by any other Parties and will be binding on all Finance Parties.
- (d) Paragraph (a) above shall not apply:
 - (i) where a contrary indication appears in a Finance Document;
 - (ii) where a Finance Document requires the Facility Agent to act in a specified manner or to take a specified action;

- (iii) in respect of any provision which protects the Facility Agent's own position in its personal capacity as opposed to its role of Facility Agent for the relevant Finance Parties.
- (e) If giving effect to instructions given by the Majority Lenders would in the Facility Agent's opinion have an effect equivalent to an amendment or waiver referred to in Clause 43 (*Amendments and Waivers*), the Facility Agent shall not act in accordance with those instructions unless consent to it so acting is obtained from each Party (other than the Facility Agent) whose consent would have been required in respect of that amendment or waiver.
- (f) In exercising any discretion to exercise a right, power or authority under the Finance Documents where it has not received any instructions as to the exercise of that discretion the Facility Agent shall do so having regard to the interests of all the Finance Parties.
- (g) The Facility Agent may refrain from acting in accordance with any instructions of any Finance Party or group of Finance Parties until it has received any indemnification and/or security that it may in its discretion require (which may be greater in extent than that contained in the Finance Documents and which may include payment in advance) for any cost, loss or liability (together with any applicable VAT) which it may incur in complying with those instructions.
- (h) Without prejudice to the remainder of this Clause 30.2 (*Instructions*), in the absence of instructions, the Facility Agent shall not be obliged to take any action (or refrain from taking action) even if it considers acting or not acting to be in the best interests of the Finance Parties. The Facility Agent may act (or refrain from acting) as it considers to be in the best interest of the Finance Parties.
- (i) The Facility Agent is not authorised to act on behalf of a Finance Party (without first obtaining that Finance Party's consent) in any legal or arbitration proceedings relating to any Finance Document. This paragraph (i) shall not apply to any legal or arbitration proceeding relating to the perfection, preservation or protection of rights under the Security Documents or enforcement of the Transaction Security or Security Documents.

Except as specifically provided in the Finance Documents, the Arranger has no obligations of any kind to any other Party under or in connection with any Finance Document.

30.5 No fiduciary duties

- (a) Nothing in any Finance Document constitutes the Facility Agent or the Arranger as a trustee or fiduciary of any other person.
- (b) Neither the Facility Agent nor the Arranger shall be bound to account to other Finance Party for any sum or the profit element of any sum received by it for its own account.

30.6 Application of receipts

Except as expressly stated to the contrary in any Finance Document, any moneys which the Facility Agent receives or recovers in its capacity as Facility Agent shall be applied by the Facility Agent in accordance with Clause 34.5 (*Application of receipts; partial payments*).

30.7 Business with the Group

The Facility Agent and the Arranger may accept deposits from, lend money to, and generally engage in any kind of banking or other business with, any member of the Group.

 - (ii) assume that:
 - (A) any instructions received by it from the Majority Lenders, any Finance Parties or any group of Finance Parties are duly given in accordance with the terms of the Finance Documents; and
 - (B) unless it has received notice of revocation, that those instructions have not been revoked; and
 - (iii) rely on a certificate from any person:
 - (A) as to any matter of fact or circumstance which might reasonably be expected to be within the knowledge of that person; or

- (B) to the effect that such person approves of any particular dealing, transaction, step, action or thing, as sufficient evidence that that is the case and, in the case of paragraph (A) above, may assume the truth and accuracy of that certificate.
- (b) The Facility Agent may assume (unless it has received notice to the contrary in its capacity as agent for the Finance Parties) that:
- (i) no Default has occurred (unless it has actual knowledge of a Default arising under Clause 27.2 (*Non-payment*));
 - (ii) any right, power, authority or discretion vested in any Party or any group of Finance Parties has not been exercised; and
 - (iii) any notice or request made by any Borrower (other than a Utilisation Request or a Selection Notice) is made on behalf of and with the consent and knowledge of all the Transaction Obligors.
- (c) The Facility Agent may engage and pay for the advice or services of any lawyers, accountants, tax advisers, surveyors or other professional advisers or experts.
- (d) Without prejudice to the generality of paragraph (c) above or paragraph (e) below, the Facility Agent may at any time engage and pay for the services of any lawyers to act as independent counsel to the Facility Agent (and so separate from any lawyers instructed by the Lenders) if the Facility Agent in its reasonable opinion deems this to be desirable.
- (e) The Facility Agent may rely on the advice or services of any lawyers, accountants, tax advisers, surveyors or other professional advisers or experts (whether obtained by the Facility Agent or by any other Party) and shall not be liable for any damages, costs or losses to any person, any diminution in value or any liability whatsoever arising as a result of its so relying.
- (f) The Facility Agent may act in relation to the Finance Documents and the Security Property through its officers, employees and agents and shall not:
- (i) be liable for any error of judgment made by any such person; or
 - (ii) be bound to supervise, or be in any way responsible for any loss incurred by reason of misconduct, omission or default on the part of any such person,
- unless such error or such loss was directly caused by the Facility Agent's gross negligence or wilful misconduct.
- (g) Unless a Finance Document expressly provides otherwise the Facility Agent may disclose to any other Party any information it reasonably believes it has received as agent under the Finance Documents.
- (h) Notwithstanding any other provision of any Finance Document to the contrary, neither the Facility Agent nor the Arranger is obliged to do or omit to do anything if it would or might, in its reasonable opinion, constitute a breach of any law or regulation or a breach of a fiduciary duty or duty of confidentiality.

- (i) Notwithstanding any provision of any Finance Document to the contrary, the Facility Agent is not obliged to expend or risk its own funds or otherwise incur any financial liability in the performance of its duties, obligations or responsibilities or the exercise of any right, power, authority or discretion if it has grounds for believing the repayment of such funds or adequate indemnity against, or security for, such risk or liability is not reasonably assured to it.

30.9 Responsibility for documentation

Neither the Facility Agent nor the Arranger is responsible or liable for:

- (a) the adequacy, accuracy or completeness of any information (whether oral or written) supplied by the Facility Agent, the Security Agent, the Arranger, a Transaction Obligor or any other person in, or in connection with, any Transaction Document or the transactions contemplated in the Transaction Documents or any other agreement, arrangement or document entered into, made or executed in anticipation of, under or in connection with any Transaction Document;

30.10 No duty to monitor

The Facility Agent shall not be bound to enquire:

- (a) whether or not any Default has occurred;
- (b) as to the performance, default or any breach by any Transaction Obligor of its obligations under any Transaction Document; or
- (c) whether any other event specified in any Transaction Document has occurred.

30.11 Exclusion of liability

- (a) Without limiting paragraph (b) below (and without prejudice to paragraph (e) of Clause 34.11 (*Disruption to Payment Systems etc.*) or any other provision of any Finance Document excluding or limiting the liability of the Facility Agent), the Facility Agent will not be liable for:
 - (i) any damages, costs or losses to any person, any diminution in value, or any liability whatsoever arising as a result of taking or not taking any action under or in connection with any Transaction Document or the Security Property, unless directly caused by its gross negligence or wilful misconduct;
 - (ii) exercising, or not exercising, any right, power, authority or discretion given to it by, or in connection with, any Transaction Document, the Security Property or any other agreement, arrangement or document entered into, made or executed in anticipation of, under or in connection with, any Transaction Document or the Security Property; or

- (iii) any shortfall which arises on the enforcement or realisation of the Security Property; or
- (iv) without prejudice to the generality of paragraphs (i) to (iii) above, any damages, costs or losses to any person, any diminution in value or any liability whatsoever arising as a result of:
 - (A) any act, event or circumstance not reasonably within its control; or
 - (B) the general risks of investment in, or the holding of assets in, any jurisdiction, including (in each case and without limitation) such damages, costs, losses, diminution in value or liability arising as a result of nationalisation, expropriation or other governmental actions; any regulation, currency restriction, devaluation or fluctuation; market conditions affecting the execution or settlement of transactions or the value of assets (including any Disruption Event); breakdown, failure or malfunction of any third party transport, telecommunications, computer services or systems; natural disasters or acts of God; war, terrorism, insurrection or revolution; or strikes or industrial action.
- (b) No Party other than the Facility Agent may take any proceedings against any officer, employee or agent of the Facility Agent in respect of any claim it might have against the Facility Agent or in respect of any act or omission of any kind by that officer, employee or agent in relation to any Transaction Document or any Security Property and any officer, employee or agent of the Facility Agent may rely on this Clause subject to Clause 1.5 (*Third party rights*) and the provisions of the Third Parties Act.
- (c) The Facility Agent will not be liable for any delay (or any related consequences) in crediting an account with an amount required under the Finance Documents to be paid by the Facility Agent if the Facility Agent has taken all necessary steps as soon as reasonably practicable to comply with the regulations or operating procedures of any recognised clearing or settlement system used by the Facility Agent for that purpose.
- (d) Nothing in this Agreement shall oblige the Facility Agent or the Arranger to carry out:
 - (i) any “know your customer” or other checks in relation to any person; or

38 CALCULATIONS AND CERTIFICATES

38.1 Accounts

In any litigation or arbitration proceedings arising out of or in connection with a Finance Document, the entries made in the accounts maintained by a Finance Party are *prima facie* evidence of the matters to which they relate.

Any certification or determination by a Finance Party of a rate or amount under any Finance Document is, in the absence of manifest error, conclusive evidence of the matters to which it relates.

38.3 Day count convention

Any interest, commission or fee accruing under a Finance Document will accrue from day to day and is calculated on the basis of the actual number of days elapsed and a year of 360 days or, in any case where the practice in the Relevant Interbank Market differs, in accordance with that market practice.

39 PARTIAL INVALIDITY

If, at any time, any provision of a Finance Document is or becomes illegal, invalid or unenforceable in any respect under any law of any jurisdiction, neither the legality, validity or enforceability of the remaining provisions under the law of that jurisdiction nor the legality, validity or enforceability of such provision under the law of any other jurisdiction will in any way be affected or impaired.

41 SETTLEMENT OR DISCHARGE CONDITIONAL

Any settlement or discharge under any Finance Document between any Finance Party and any Transaction Obligor shall be conditional upon no security or payment to any Finance Party by any Transaction Obligor or any other person being set aside, adjusted or ordered to be repaid, whether under any insolvency law or otherwise.

42 IRREVOCABLE PAYMENT

If the Facility Agent considers that an amount paid or discharged by, or on behalf of, a Transaction Obligor or by any other person in purported payment or discharge of an obligation of that Transaction Obligor to a Secured Party under the Finance Documents is capable of being avoided or otherwise set aside on the liquidation or administration of that Transaction Obligor or otherwise, then that amount shall not be considered to have been unconditionally and irrevocably paid or discharged for the purposes of the Finance Documents.

- (j) any release of, or material variation to, any Transaction Security, guarantee, indemnity or subordination arrangement set out in a Finance Document (except in the case of a release of Transaction Security as it relates to the disposal of an asset which is the subject of the Transaction Security and where such disposal is expressly permitted by the Majority Lenders or otherwise under a Finance Document);

- (b) If any Lender fails to respond to a request for an amendment or waiver described in paragraph (a) above within three Business Days (or such longer time period in relation to any request which the Borrowers and the Facility Agent may agree) of that request being made:
 - (i) its Commitment shall not be included for the purpose of calculating the Total Commitments when ascertaining whether any relevant percentage of Total Commitments has been obtained to approve that request; and

11.1 Definitions

(a) In this Agreement:

“Protected Party” means a Finance Party which is or will be subject to any liability, or required to make any payment, for or on account of Tax in relation to a sum received or receivable (or any sum deemed for the purposes of Tax to be received or receivable) under a Finance Document.

“Tax Credit” means a credit against, relief or remission for, or repayment of any Tax.

“Tax Deduction” means a deduction or withholding for or on account of Tax from a payment under a Finance Document, other than a FATCA Deduction.

“Tax Payment” means either the increase in a payment made by an Obligor to a Finance Party under Clause 11.2 (*Tax gross-up*) or a payment under Clause 11.3 (*Tax indemnity*).

(b) Unless a contrary indication appears, in this Clause 11 (*Tax Gross Up and Indemnities*) reference to **“determines”** or **“determined”** means a determination made in the absolute discretion of the person making the determination.

11.2 Tax gross-up

(a) Each Obligor shall make all payments to be made by it without any Tax Deduction, unless a Tax Deduction is required by law.

(b) The Borrowers shall promptly upon becoming aware that an Obligor must make a Tax Deduction (or that there is any change in the rate or the basis of a Tax Deduction) notify the Facility Agent accordingly. Similarly, a Lender shall notify the Facility Agent on becoming so aware in respect of a payment payable to that Lender. If the Facility Agent receives such notification from a Lender it shall notify the Borrowers and that Obligor.

(c) If a Tax Deduction is required by law to be made by an Obligor, the amount of the payment due from that Obligor shall be increased to an amount which (after making any Tax Deduction) leaves an amount equal to the payment which would have been due if no Tax Deduction had been required.

(d) If an Obligor is required to make a Tax Deduction, that Obligor shall make that Tax Deduction and any payment required in connection with that Tax Deduction within the time allowed and in the minimum amount required by law.

(e) Within 30 days of making either a Tax Deduction or any payment required in connection with that Tax Deduction, the Obligor making that Tax Deduction shall deliver to the Facility Agent for the Finance Party entitled to the payment evidence reasonably satisfactory to that Finance Party that the Tax Deduction has been made or (as applicable) any appropriate payment paid to the relevant taxing authority.

11.3 Tax indemnity

- (a) The Obligors shall (within three Business Days of demand by the Facility Agent acting on the instructions of a Protected Party or claiming on its own behalf) pay to a Protected Party an amount equal to the loss, liability or cost which that Protected Party determines will be or has been (directly or indirectly) suffered for or on account of Tax by that Protected Party in respect of a Finance Document.
- (b) Paragraph (a) above shall not apply:
 - (i) with respect to any Tax assessed on a Finance Party:
 - (A) under the law of the jurisdiction in which that Finance Party is incorporated or, if different, the jurisdiction (or jurisdictions) in which that Finance Party is treated as resident for tax purposes; or
 - (B) under the law of the jurisdiction in which that Finance Party's Facility Office is located in respect of amounts received or receivable in that jurisdiction,

if that Tax is imposed on or calculated by reference to the net income received or receivable (but not any sum deemed to be received or receivable) by that Finance Party; or
 - (ii) to the extent a loss, liability or cost:
 - (A) is compensated for by an increased payment under Clause 11.2 (*Tax gross-up*); or
 - (B) relates to a FATCA Deduction required to be made by a Party.
- (c) A Protected Party making, or intending to make, a claim under paragraph (a) above shall promptly notify the Facility Agent of the event which will give, or has given, rise to the claim, following which the Facility Agent shall notify the Obligors.
- (d) A Protected Party shall, on receiving a payment from an Obligor under this Clause 11.3 (*Tax indemnity*), notify the Facility Agent.

11.4 Tax Credit

If an Obligor makes a Tax Payment and the relevant Finance Party determines that:

- (a) a Tax Credit is attributable to an increased payment of which that Tax Payment forms part, to that Tax Payment or to a Tax Deduction in consequence of which that Tax Payment was received; and
- (b) that Finance Party has obtained and utilised that Tax Credit,

the Finance Party shall pay an amount to the Obligor which that Finance Party determines will leave it (after that payment) in the same after-Tax position as it would have been in had the Tax Payment not been required to be made by the Obligor.

11.5 Stamp taxes

The Obligors shall pay and, within three Business Days of demand, indemnify each Secured Party against any cost, loss or liability which that Secured Party incurs in relation to all stamp duty, registration and other similar Taxes payable in respect of any Finance Document.

11.6 VAT

- (a) All amounts expressed to be payable under a Finance Document by any Party to a Finance Party which (in whole or in part) constitute the consideration for any supply for VAT purposes are deemed to be exclusive of any VAT which is chargeable on that supply, and accordingly, subject to paragraph (b) below, if VAT is or becomes chargeable on any supply made by any Finance Party to any Party under a Finance Document and such Finance Party is required to account to the relevant tax authority for the VAT, that Party must pay to such Finance Party (in addition to and at the same time as paying any other consideration for such supply) an amount equal to the amount of the VAT (and such Finance Party must promptly provide an appropriate VAT invoice to that Party).
- (b) If VAT is or becomes chargeable on any supply made by any Finance Party (the “**Supplier**”) to any other Finance Party (the “**Recipient**”) under a Finance Document, and any Party other than the Recipient (the “**Relevant Party**”) is required by the terms of any Finance Document to pay an amount equal to the consideration for that supply to the Supplier (rather than being required to reimburse or indemnify the Recipient in respect of that consideration):
- (i) (where the Supplier is the person required to account to the relevant tax authority for the VAT) the Relevant Party must also pay to the Supplier (at the same time as paying that amount) an additional amount equal to the amount of the VAT. The Recipient must (where this sub-paragraph (i) applies) promptly pay to the Relevant Party an amount equal to any credit or repayment the Recipient receives from the relevant tax authority which the Recipient reasonably determines relates to the VAT chargeable on that supply; and
- (ii) (where the Recipient is the person required to account to the relevant tax authority for the VAT) the Relevant Party must promptly, following demand from the Recipient, pay to the Recipient an amount equal to the VAT chargeable on that supply but only to the extent that the Recipient reasonably determines that it is not entitled to credit or repayment from the relevant tax authority in respect of that VAT.
- (c) Where a Finance Document requires any Party to reimburse or indemnify a Finance Party for any cost or expense, that Party shall reimburse or indemnify (as the case may be) such Finance Party for the full amount of such cost or expense, including such part of it as represents VAT, save to the extent that such Finance Party reasonably determines that it is entitled to credit or repayment in respect of such VAT from the relevant tax authority.
- (d) Any reference in this Clause 11.6 (VAT) to any Party shall, at any time when that Party is treated as a member of a group or unity (or fiscal unity) for VAT purposes, include (where appropriate and unless the context otherwise requires) a reference to the person who is treated at that time as making the supply, or (as appropriate) receiving the supply, under the grouping rules (provided for in Article 11 of Council Directive 2006/112/EC (or as implemented by the relevant member state of the European Union) so that a reference to a Party shall be construed as a reference to that Party or the relevant group or unity (or fiscal unity) of which that Party is a member for VAT purposes at the relevant time or the relevant representative member (or representative or head) of that group or unity at the relevant time (as the case may be).
- (e) In relation to any supply made by a Finance Party to any Party under a Finance Document, if reasonably requested by such Finance Party, that Party must promptly provide such Finance Party with details of that Party’s VAT registration and such other information as is reasonably requested in connection with such Finance Party’s VAT reporting requirements in relation to such supply.

- (c) Paragraph (a) above shall not oblige any Finance Party to do anything and sub-paragraph (iii) of paragraph (a) above shall not oblige any other Party to do anything which would or might in its reasonable opinion constitute a breach of:
- (i) any law or regulation;
 - (ii) any fiduciary duty; or
 - (iii) any duty of confidentiality.
- (d) If a Party fails to confirm whether or not it is a FATCA Exempt Party or to supply forms, documentation or other information requested in accordance with sub-paragraphs (i) or (ii) of paragraph (a) above (including, for the avoidance of doubt, where paragraph (c) above applies), then such Party shall be treated for the purposes of the Finance Documents (and payments under them) as if it is not a FATCA Exempt Party until such time as the Party in question provides the requested confirmation, forms, documentation or other information.
- (e) If a Borrower is a US Tax Obligor, or the Facility Agent reasonably believes that its obligations under FATCA or any other applicable law or regulation require it, each Lender shall, within ten Business Days of:

- (g) If any withholding certificate, withholding statement, document, authorisation or waiver provided to the Facility Agent by a Lender pursuant to paragraph (e) above is or becomes materially inaccurate or incomplete, that Lender shall promptly update it and provide such updated withholding certificate, withholding statement, document, authorisation or waiver to the Facility Agent unless it is unlawful for the Lender to do so (in which case the Lender shall promptly notify the Facility Agent). The Facility Agent shall provide any such updated withholding certificate, withholding statement, document, authorisation or waiver to the Borrowers.
- (h) The Facility Agent may rely on any withholding certificate, withholding statement, document, authorisation or waiver it receives from a Lender pursuant to paragraph (e) or (g) above without further verification. The Facility Agent shall not be liable for any action taken by it under or in connection with paragraphs (e), (f) or (g) above.

11.8 FATCA Deduction

- (a) Each Party may make any FATCA Deduction it is required to make by FATCA, and any payment required in connection with that FATCA Deduction, and no Party shall be required to increase any payment in respect of which it makes such a FATCA Deduction or otherwise compensate the recipient of the payment for that FATCA Deduction.
- (b) Each Party shall promptly, upon becoming aware that it must make a FATCA Deduction (or that there is any change in the rate or the basis of such FATCA Deduction), notify the Party to whom it is making the payment and, in addition, shall notify each Obligor and the Facility Agent and the Facility Agent shall notify the other Finance Parties.

- (b) undertakes with each Finance Party that whenever a Transaction Obligor other than the Guarantors does not pay any amount when due under or in connection with any Finance Document, that Guarantor shall immediately on demand pay that amount as if it were the principal obligor; and
- (c) agrees with each Finance Party that if any obligation guaranteed by it is or becomes unenforceable, invalid or illegal, it will, as an independent and primary obligation, indemnify that Finance Party immediately on demand against any cost, loss or liability it incurs as a result of a Transaction Obligor other than the Guarantors not paying any amount which would, but for such unenforceability, invalidity or illegality, have been payable by it under any Finance Document on the date when it would have been due. The amount payable by the Guarantors under this indemnity will not exceed the amount it would have had to pay under this Clause 16 (*Guarantee and Indemnity*) if the amount claimed had been recoverable on the basis of a guarantee.

16.2 Continuing guarantee

This guarantee is a continuing guarantee and will extend to the ultimate balance of sums payable by any Transaction Obligor under the Finance Documents, regardless of any intermediate payment or discharge in whole or in part.

16.3 Reinstatement

- (a) any time, waiver or consent granted to, or composition with, any Transaction Obligor or other person;

- (b) the release of any other Transaction Obligor or any other person under the terms of any composition or arrangement with any creditor of any member of the Group;
- (c) the taking, variation, compromise, exchange, renewal or release of, or refusal or neglect to perfect or delay in perfecting, or refusal or neglect to take up or enforce, or delay in taking or enforcing any rights against, or security over assets of, any Transaction Obligor or other person or any non-presentation or non-observance of any formality or other requirement in respect of any instrument or any failure to realise the full value of any security;
- (d) any incapacity or lack of power, authority or legal personality of or dissolution or change in the members or status of a Transaction Obligor or any other person;
- (e) any amendment, novation, supplement, extension, restatement (however fundamental and whether or not more onerous) or replacement of any Finance Document or any other document or security including, without limitation, any change in the purpose of, any extension of or any increase in any facility or the addition of any new facility under any Finance Document or other document or security;
