

2015 Annual Report

Letter To Our Shareholders

Dear Shareholders:

Our 2015 Annual Report cover showcases LCNB's geographic growth and the commu-

nities we serve within that footprint. We have increased our total assets by 62% in the last three years. The acquisition of three strong and respected community banks has only strengthened LCNB National Bank. We have not only added to our geographic area but we have added

good experienced bankers to the LCNB team. This knowledgeable team is very capable of helping our current and future customers solve their banking needs.

LCNB National Bank has a history that dates back to 1877. Most of our operations and corporate offices are located in the original bank building in downtown Lebanon, Ohio. Although that building has served LCNB's growth for over 138 years, we are out of space. Through collaboration with the City of Lebanon we are able to expand by constructing an additional building within a block of our existing downtown Lebanon

location. The new Operations Center will add an additional 48,000 square feet of office and meeting space. We will continue to use and maintain our original location. Our

> branch operations, Trust Department, Training Human Re-Center. sources Department, and Corporate Offices will remain in the current building. Completion of the new building is scheduled for January 2017.

In December of 2015

LCNB CORP.

LCNB. Steve started at the bank in 1975 while his father, Howard, was President and CEO of Lebanon Citizens National Bank. The bank's footprint was the Main Office and the Columbus Avenue branch in Lebanon. There was an additional branch in South Lebanon. Total assets were approximately \$30 million. A branch expansion was undertaken under Steve's supervision and LCNB started entering new markets. Today LCNB is almost \$1.3billion in total assets and has thirty-six offices in nine counties. Steve succeeded his father as President of Lebanon Citizens National Bank in 1989. During Steve's career

he was very active in the banking industry. Steve is past chairman of the Ohio Bankers League at the state level and past chairman of the American Bankers Association at the national level. Steve is also very active in civic organizations in Lebanon and Warren County. Steve will retain the title of Chairman of the Board of LCNB Corp. and LCNB National Bank.

It is with great sadness we report the unexpected loss of one of LCNB's directors, Rick Blossom. In early February 2016, Rick was taken by a heart attack. Rick joined the Board in 2004 after a successful career in banking both in Hamilton and Warren, Ohio. Rick's financial background made him highly qualified to be the Audit Committee's chairman and financial expert, a position he held many years. His friendship and valuable contribution to the bank will be missed.

Strong earnings in 2015 allowed LCNB to provide shareholders a dividend payout ratio of just over 54%. The return on average assets (ROAA) was 0.94% and the return on average equity (ROAE) was 8.43% for 2015. This compares to a ROAA of 0.88% and a ROAE of 8.04% in 2014. Net income was \$11.5 million at the end of 2015 compared to \$9.9 million at the end of 2014. The inte-

gration of Brookville National Bank was completed in the first half of 2015 and LCNB ended 2015 with just over \$1.8 billion in assets under management.

Additional statistical data and information on our financial performance for 2015 is available in the LCNB Corp. Annual Report on Form 10-K. This report is filed annually with the Securities and Exchange Commission. We have enclosed the Form 10-K with the initial mailing of this report to shareholders and it is available upon request or from the shareholder information section on our website, www.LCNB.com or www.lcnbcorp.com.

The Annual Meeting for LCNB Corp. will be Tuesday, April 26, 2016 at 10:00 a.m. at our Main Office located at 2 North Broadway in Lebanon, Ohio. Proxy material is included with this mailing. Please review, sign, and return the proxy in the envelope provided. We would be pleased to have you attend our annual meeting in person. Thank you for your continued support.

EXPANDING HORIZONS – EXPANDING OPPORTUNITIES

Every year at this time, we look back on what we have accomplished and look toward the new opportunities on our horizon. We also begin mapping out our strategy to capitalize on these expanding opportunities and build upon the strengths of our experienced team members.

Our 36 offices serve 9 counties in some of the most dynamic regions in Ohio. The entire state is undergoing a renaissance after a number of years of slow or negative growth. The urban, suburban and rural communities we serve are benefiting directly from the State's positive pro-business environment.

We regularly highlight information in our annual reports about LCNB products and services that are

designed to help businesses and individuals succeed. Of course, we continue to serve our customers by providing the necessary banking resources they want and need. However, the basis for serving our customers well starts with the experience, knowledge and reputation of each of our people. We are committed to building upon this positive foundation.

For example, we have brought on additional experienced lenders to our team. Today we have 24 professionals in the Commercial, Mortgage and Agricultural lending categories. Each loan officer has significant expertise, with the team averaging over 23 years of local market experience. Our knowledge and experience within these markets put us in an excellent position.

LCNB's Agricultural team also brings a wealth of personal and professional experience in serving their cus-

tomers. Unique to this team are their backgrounds; they are from farming families who have been successful in agriculture for generations. Few financial institutions offer the first-hand expertise in farming combined with the knowledge of governmental programs and lending cycles that LCNB's Ag team provides.

The Trust and Investment Services group is an additional core area LCNB has built to serve its customers' estate planning and financial management needs. This team of experienced and qualified professionals has developed a strong reputation for providing personal fiduciary service to generations of customers throughout the markets we serve.

Deposit Services offers a suite of products that have been designed with input from business and personal banking customers. LCNB continues to upgrade its technology to include the mobile and digital conveniences our customers desire. Services like mobile and online banking, remote data capture, merchant services and treasury management services provide tools to meet the daily demands of our busy customers.

As we enter 2016, LCNB continues to take advantage of expanding opportunities. The Bank's new Operations Center, located one block north of the Main Office in Lebanon, is under construction.

Steve Wilson, following a 41 year career with LCNB, announced his retirement in December along with the appointment of President Steve Foster to the CEO position. Working shoulder-to-shoulder for many years, this smooth transition paves the way for LCNB National Bank to take full advantage of the new opportunities ahead on its expanding horizon.
