The execution, delivery and performance of each of the Split Lien Documents has been duly authorized by all necessary action on the part of Loan Parties.

All property insurance policies covering the Collateral are to be made payable to Agent for the benefit of Agent and the Lenders, as their interests may appear, in case of loss, pursuant to a standard loss payable endorsement with a standard non-contributory "lender" or "secured party" clause and are to contain such other provisions as Agent may reasonably require to fully protect the Lenders' interest in the Collateral and to any payments to be made under such policies. All certificates of property and general liability insurance are to be delivered to Agent, with the loss payable (but only in respect of Collateral) and additional insured endorsements in favor of Agent and shall provide for not less than 30 days (10 days in the case of non-payment) prior written notice to Agent of the exercise of any right of cancellation. The foregoing notwithstanding, any notification pursuant to the foregoing provision will not cure or remedy the effect of the prior untrue statement of a material fact or omission of any material fact nor shall any such notification have the effect of amending or modifying this Agreement or any of the Schedules hereto.

5.11. **Intentionally omitted.**

5.12. **Further Assurances.** Parent will, and will cause each of the other Loan Parties to, at any time upon the reasonable request of Agent, execute or deliver to Agent any and all financing statements, fixture filings, security agreements, pledges, assignments, mortgages, deeds of trust, opinions of counsel, and all other documents (the "**Additional Documents**") that Agent may reasonably request in form and substance reasonably satisfactory to Agent, to create, perfect, and continue perfected or to better perfect Agent's Liens in the assets of Parent and its Subsidiaries (whether now owned or hereafter arising or acquired, tangible or intangible, real or personal), to create and perfect Liens in favor of Agent in any Real Property acquired (x) in fee by any Loan Party with a fair market value in excess of \$200,000 or (y) by lease, with respect to which the gross rental payments are in excess of \$100,000 annually and for which the term of the leasehold (after giving effect to any renewals and extensions at the option of Loan Parties) is two years or longer, and in order to fully consummate all of the transactions contemplated hereby and under the other Loan Documents; provided that the foregoing shall not apply to any Subsidiary of Parent that is a CFC if providing such documents would result in adverse tax consequences or the costs to the Loan Parties of providing such documents are unreasonably excessive (as determined by Agent in consultation with Administrative Borrower) in relation to the benefits to Agent and the Lenders of the security afforded thereby. To the maximum extent permitted by applicable law, if any Loan Party refuses or fails to execute or deliver any reasonably requested Additional Documents within a reasonable period of time following the request to do so, each Loan Party hereby authorizes Agent to execute any such Additional Documents in the applicable Loan Party's name and authorizes Agent to file such executed Additional Documents in any appropriate filing office. In furtherance of, and not in limitation of, the foregoing, each Loan Party shall take such actions as Agent may reasonably request from time to time to ensure that the Obligations are guaranteed by the Guarantors and are secured by substantially all of the assets of Parent and its Subsidiaries, including all of the outstanding capital Equity Interests of Borrowers and Borrowers' Subsidiaries (subject to exceptions and limitations contained in the Loan Documents with respect to CFCs).

Borrowers will provide the chief restructuring officer, complete access to all of the Borrowers' books and records, all of Borrowers' premises and to Borrowers' management as and when deemed necessary by the chief restructuring officer or the Agent.

10.1. **Demand; Protest; etc.** Each Borrower waives demand, protest, notice of protest, notice of default or dishonor, notice of payment and nonpayment, nonpayment at maturity, release, compromise, settlement, extension, or renewal of documents, instruments, chattel paper, and guarantees at any time held by the Lender Group on which any Borrower may in any way be liable.

10.2. **The Lender Group's Liability for Collateral.** Each Borrower hereby agrees that: (a) so long as Agent complies with its obligations, if any, under the Code, the Lender Group shall not in any way or manner be liable or responsible for: (i) the safekeeping of the Collateral, (ii) any loss or damage thereto occurring or arising in any manner or fashion from any cause, (iii) any diminution in the value thereof, or (iv) any act or default of any carrier, warehouseman, bailee, forwarding agency, or other Person, and (b) all risk of loss, damage, or destruction of the Collateral shall be borne by Borrowers.

10.3. **Indemnification.** Borrowers shall pay, indemnify, defend, and hold the Agent-Related Persons, the Lender-Related Persons, and each Participant (each, an "Indemnified Person") harmless (to the fullest extent permitted by law) from and against any and all claims, demands, suits, actions, investigations, proceedings, liabilities, fines, costs, penalties, and damages, and all reasonable fees and disbursements of attorneys, experts, or consultants and all other costs and expenses actually incurred in connection therewith or in connection with the enforcement of this indemnification (as and when they are incurred and irrespective of whether suit is brought), at any time asserted against, imposed upon, or incurred by any of them (a) in connection with or as a result of or related to the execution and delivery (provided that Borrowers shall not be liable for costs and expenses (including attorneys' fees) of any Lender (other than WFCF and GECC) incurred in advising, structuring, drafting, reviewing, administering or syndicating the Loan Documents), enforcement, performance, or administration (including any restructuring or workout with respect hereto) of this Agreement, any of the other Loan Documents or any Existing Loan Document, or the transactions contemplated hereby or thereby or the monitoring of Parent's and its Subsidiaries' compliance with the terms of the Loan Documents (provided, that the indemnification in this clause (a) shall not extend to (i) disputes solely between or among the Lenders, (ii) disputes solely between or among the Lenders and their respective Affiliates; it being understood and agreed that the indemnification in this clause (a) shall extend to Agent (but not the Lenders) relative to disputes between or among Agent on the one hand, and one or more Lenders, or one or more of their Affiliates, on the other hand, or (iii) any Taxes or any costs attributable to Taxes, which shall be governed by Section 16), (b) with respect to any investigation, litigation, or proceeding related to this Agreement, any other Loan Document or any Existing Loan Document, or the use of the proceeds of the credit provided hereunder or under the Existing Loan Agreement (irrespective of whether any Indemnified Person is a party thereto), or any act, omission, event, or circumstance in any manner related thereto, and (c) in connection with or arising out of any presence or release of Hazardous Materials at, on, under, to or from any assets or properties owned, leased or operated by Parent or any of its Subsidiaries or any Environmental Actions, Environmental Liabilities or Remedial Actions related in any way to any such assets or properties of Parent or any of its Subsidiaries (each and all of the foregoing, the "Indemnified Liabilities"). The foregoing to the contrary notwithstanding, Borrowers shall have no obligation to any Indemnified Person under this Section 10.3 with respect to any Indemnified Liability that a court of competent jurisdiction finally determines to have resulted from the gross negligence or willful misconduct of such Indemnified Person or its officers, directors, employees, attorneys, or agents. This provision shall survive the termination of this Agreement and the repayment in full of the Obligations. If any Indemnified Person makes any payment to any other Indemnified Person with respect to an Indemnified Liability as to which Borrowers were required to indemnify the Indemnified Person receiving such payment, the Indemnified Person making such payment is entitled to be indemnified and reimbursed by Borrowers with respect thereto. **WITHOUT LIMITATION,**

THE FOREGOING INDEMNITY SHALL APPLY TO EACH INDEMNIFIED PERSON WITH RESPECT TO INDEMNIFIED LIABILITIES WHICH IN WHOLE OR IN PART ARE CAUSED BY OR ARISE OUT OF ANY NEGLIGENT ACT OR OMISSION OF SUCH INDEMNIFIED PERSON OR OF ANY OTHER PERSON.

13. ASSIGNMENTS AND PARTICIPATIONS; SUCCESSORS.

13.1. Assignments and Participations.

(a) (i) Subject to the conditions set forth in clause (a)(ii) below, any Lender may assign and delegate all or any portion of its rights and duties under the Loan Documents (including the Obligations owed to it and its Commitments) to one or more assignees so long as such prospective assignee is an Eligible Transferee (each, an "Assignee"), with the prior written consent (such consent not be unreasonably withheld or delayed, and such consent not to be required in connection with the exercise of any purchase right under Section 10 of the Split Lien Intercreditor Agreement) of:

(A) Administrative Borrower (not to be unreasonably withheld or delayed); provided, that no consent of Administrative Borrower shall be required (1) if an Event of Default has occurred and is continuing, or (2) in connection with an assignment to a Person that is a Lender or an Affiliate (other than natural persons) of a Lender or a Related Fund; provided further, that Administrative Borrower shall be deemed to have consented to a proposed assignment unless it objects thereto by written notice to Agent within 5 Business Days after having received notice thereof; and

(B) Agent, Swing Lender, and Issuing Lender; provided, that no consent of Agent, Swing Lender or Issuing Lender shall be required in connection with an assignment to a Person that is a Lender or an Affiliate (other than natural persons) of a Lender or a Related Fund.

(B) no assignment may be made to a Loan Party or an Affiliate of a Loan Party,

(C) the amount of the Commitments and the other rights and obligations of the assigning Lender hereunder and under the other Loan Documents subject to each such assignment (determined as of the date the Assignment and Acceptance with respect to such assignment is delivered to Agent) shall be in a minimum amount (unless waived by Agent) of \$5,000,000 (except such minimum amount shall not apply to (I) an assignment or delegation

by any Lender to any other Lender, an Affiliate of any Lender, or a Related Fund of such Lender or (II) a group of new Lenders, each of which is an Affiliate of each other or a Related Fund of such new Lender to the extent that the aggregate amount to be assigned to all such new Lenders is at least \$5,000,000);

(D) each partial assignment shall be made as an assignment of a proportionate part of all the assigning Lender's rights and obligations under this Agreement;

(E) the parties to each assignment shall execute and deliver to Agent an Assignment and Acceptance; provided, that Borrowers and Agents may continue to deal solely and directly with the assigning Lender in connection with the interest so assigned to an Assignee until written notice of such assignment, together with payment instructions, addresses, and related information with respect to the Assignee, have been given to Administrative Borrower and Agent by such Lender and the Assignee.

(F) unless waived by Agent, the assigning Lender or Assignee has paid to Agent, for Agent's separate account, a processing fee in the amount of \$3,500 (for the avoidance of doubt, neither the assigning Lender nor Assignee may seek reimbursement of such fee from a Credit Party); provided, that, with respect to any assignment pursuant to Section 14.2, such fee, if applicable, shall not be paid by assigning Lender; and

(G) the assignee, if it is not a Lender, shall deliver to Agent an Administrative Questionnaire in a form approved by Agent (the "Administrative Questionnaire").

(b) From and after the date that Agent receives the executed Assignment and Acceptance and, if applicable, payment of the required processing fee, (i) the Assignee thereunder shall be a party hereto and, to the extent that rights and obligations hereunder have been assigned to it pursuant to such Assignment and Acceptance, shall be a "Lender" and shall have the rights and obligations of a Lender under the Loan Documents, and (ii) the assigning Lender shall, to the extent that rights and obligations hereunder and under the other Loan Documents have been assigned by it pursuant to such Assignment and Acceptance, relinquish its rights (except with respect to Section 10.3) and be released from any future obligations under this Agreement (and in the case of an Assignment and Acceptance covering all or the remaining portion of an assigning Lender's rights and obligations under this Agreement and the other Loan Documents, such Lender shall cease to be a party hereto and thereto); provided, that nothing contained herein shall release any assigning Lender from obligations that survive the termination of this Agreement, including such assigning Lender's obligations under Section 15 and Section 17.9(a).

(c) By executing and delivering an Assignment and Acceptance, the assigning Lender thereunder and the Assignee thereunder confirm to and agree with each other and the other parties hereto as follows: (i) other than as provided in such Assignment and Acceptance, such assigning Lender makes no representation or warranty and assumes no responsibility with respect to any statements, warranties or representations made in or in connection with this Agreement or the execution, legality, validity, enforceability, genuineness, sufficiency or value of this Agreement or any other Loan Document furnished pursuant hereto, (ii) such assigning

Lender makes no representation or warranty and assumes no responsibility with respect to the financial condition of any Loan Party or the performance or observance by any Loan Party of any of its obligations under this Agreement or any other Loan Document furnished pursuant hereto, (iii) such Assignee confirms that it has received a copy of this Agreement, together with such other documents and information as it has deemed appropriate to make its own credit analysis and decision to enter into such Assignment and Acceptance, (iv) such Assignee will, independently and without reliance upon Agent, such assigning Lender or any other Lender, and based on such documents and information as it shall deem appropriate at the time, continue to make its own credit decisions in taking or not taking action under this Agreement, (v) such Assignee appoints and authorizes Agent to take such actions and to exercise such powers under this Agreement and the other Loan Documents as are delegated to Agent, by the terms hereof and thereof, together with such powers as are reasonably incidental thereto, and (vi) such Assignee agrees that it will perform all of the obligations which by the terms of this Agreement are required to be performed by it as a Lender.

(d) Immediately upon Agent's receipt of the required processing fee, if applicable, and delivery of notice to the assigning Lender pursuant to Section 13.1(b), this Agreement shall be deemed to be amended to the extent, but only to the extent, necessary to reflect the addition of the Assignee and the resulting adjustment of the Commitments arising therefrom. The Commitment allocated to each Assignee shall reduce such Commitments of the assigning Lender *pro tanto*.

(e) Any Lender may at any time sell to one or more commercial banks, financial institutions, or other Persons (a "Participant") participating interests in all or any portion of its Obligations, its Commitment, and the other rights and interests of that Lender (the "Originating Lender") hereunder and under the other Loan Documents; provided, that (i) the Originating Lender shall remain a "Lender" for all purposes of this Agreement and the other Loan Documents and the Participant receiving the participating interest in the Obligations, the Commitments, and the other rights and interests of the Originating Lender hereunder shall not constitute a "Lender" hereunder or under the other Loan Documents and the Originating Lender's obligations under this Agreement shall remain unchanged, (ii) the Originating Lender shall remain solely responsible for the performance of such obligations, (iii) Borrowers, Agent, and the Lenders shall continue to deal solely and directly with the Originating Lender in connection with the Originating Lender's rights and obligations under this Agreement and the other Loan Documents, (iv) no Lender shall transfer or grant any participating interest under which the Participant has the right to approve any amendment to, or any consent or waiver with respect to, this Agreement or any other Loan Document, except to the extent such amendment to, or consent or waiver with respect to this Agreement or of any other Loan Document would (A) extend the final maturity date of the Obligations hereunder in which such Participant is participating, (B) reduce the interest rate applicable to the Obligations hereunder in which such Participant is participating, (C) release all or substantially all of the Collateral or guaranties (except to the extent expressly provided herein or in any of the Loan Documents) supporting the Obligations hereunder in which such Participant is participating, (D) postpone the payment of, or reduce the amount of, the interest or fees payable to such Participant through such Lender (other than a waiver of default interest), or (E) decreases the amount or postpones the due dates of scheduled principal repayments or prepayments or premiums payable to such Participant through such Lender, (v) no participation shall be sold to a natural person, (vi) no participation shall be sold to

a Loan Party or an Affiliate of a Loan Party, and (vii) all amounts payable by Borrowers hereunder shall be determined as if such Lender had not sold such participation, except that, if amounts outstanding under this Agreement are due and unpaid, or shall have been declared or shall have become due and payable upon the occurrence of an Event of Default, each Participant shall be deemed to have the right of set off in respect of its participating interest in amounts owing under this Agreement to the same extent as if the amount of its participating interest were owing directly to it as a Lender under this Agreement. The rights of any Participant only shall be derivative through the Originating Lender with whom such Participant participates and no Participant shall have any rights under this Agreement or the other Loan Documents or any direct rights as to the other Lenders, Agent, Borrowers, the Collateral, or otherwise in respect of the Obligations. No Participant shall have the right to participate directly in the making of decisions by the Lenders among themselves.

(f) In connection with any such assignment or participation or proposed assignment or participation or any grant of a security interest in, or pledge of, its rights under and interest in this Agreement, a Lender may, subject to the provisions of Section 17.9, disclose all documents and information which it now or hereafter may have relating to Parent and its Subsidiaries and their respective businesses.

(g) Any other provision in this Agreement notwithstanding, any Lender may at any time create a security interest in, or pledge, all or any portion of its rights under and interest in this Agreement in favor of any Federal Reserve Bank in accordance with Regulation A of the Federal Reserve Bank or U.S. Treasury Regulation 31 CFR §203.24, and such Federal Reserve Bank may enforce such pledge or security interest in any manner permitted under applicable law.

(h) Agent (as a non-fiduciary agent on behalf of Borrowers) shall maintain, or cause to be maintained, a register (the “Register”) on which it enters the name and address of each Lender as the registered owner of the Revolver Commitments (and the principal amount thereof and stated interest thereon) held by such Lender (each, a “Registered Loan”). Other than in connection with an assignment by a Lender of all or any portion of its portion of the Revolver Commitments to an Affiliate of such Lender or a Related Fund of such Lender (i) a Registered Loan (and the registered note, if any, evidencing the same) may be assigned or sold in whole or in part only by registration of such assignment or sale on the Register (and each registered note shall expressly so provide) and (ii) any assignment or sale of all or part of such Registered Loan (and the registered note, if any, evidencing the same) may be effected only by registration of such assignment or sale on the Register, together with the surrender of the registered note, if any, evidencing the same duly endorsed by (or accompanied by a written instrument of assignment or sale duly executed by) the holder of such registered note, whereupon, at the request of the designated assignee(s) or transferee(s), one or more new registered notes in the same aggregate principal amount shall be issued to the designated assignee(s) or transferee(s). Prior to the registration of assignment or sale of any Registered Loan (and the registered note, if any evidencing the same), Borrowers shall treat the Person in whose name such Registered Loan (and the registered note, if any, evidencing the same) is registered as the owner thereof for the purpose of receiving all payments thereon and for all other purposes, notwithstanding notice to the contrary. In the case of any assignment by a Lender of all or any portion of its Revolver Commitments to an Affiliate of such Lender or a Related Fund of such Lender, and which assignment is not recorded in the Register, the assigning Lender, on behalf of Borrowers, shall maintain a register comparable to the Register.

(i) In the event that a Lender sells participations in the Registered Loan, such Lender, as a non-fiduciary agent on behalf of Borrowers, shall maintain (or cause to be maintained) a register on which it enters the name of all participants in the Registered Loans held by it (and the principal amount (and stated interest thereon) of the portion of such Registered Loans that is subject to such participations) (the “Participant Register”). A Registered Loan (and the Registered Note, if any, evidencing the same) may be participated in whole or in part only by registration of such participation on the Participant Register (and each registered note shall expressly so provide). Any participation of such Registered Loan (and the registered note, if any, evidencing the same) may be effected only by the registration of such participation on the Participant Register.

(j) Agent shall make a copy of the Register (and each Lender shall make a copy of its Participant Register in the extent it has one) available for review by Borrowers from time to time as Borrowers may reasonably request.

13.2. **Successors.** This Agreement shall bind and inure to the benefit of the respective successors and assigns of each of the parties; provided, that no Borrower may assign this Agreement or any rights or duties hereunder without the Lenders’ prior written consent and any prohibited assignment shall be absolutely void *ab initio*. No consent to assignment by the Lenders shall release any Borrower from its Obligations. A Lender may assign this Agreement and the other Loan Documents and its rights and duties hereunder and thereunder pursuant to Section 13.1 and, except as expressly required pursuant to Section 13.1, no consent or approval by any Loan Party is required in connection with any such assignment.

14.2. Replacement of Certain Lenders.

(a) If (i) any action to be taken by the Lender Group or Agent hereunder requires the consent, authorization, or agreement of all Lenders or all Lenders affected thereby and if such action has received the consent, authorization, or agreement of the Required Lenders but not of all Lenders or all Lenders affected thereby, or (ii) any Lender makes a claim for compensation under Section 16, then Borrowers or Agent, upon at least 5 Business Days prior irrevocable notice, may permanently replace any Lender that failed to give its consent, authorization, or agreement (a “Non-Consenting Lender”) or any Lender that made a claim for compensation (a “Tax Lender”) with one or more Replacement Lenders, and the Non-Consenting Lender or Tax Lender, as applicable, shall have no right to refuse to be replaced hereunder. Such notice to replace the Non-Consenting Lender or Tax Lender, as applicable, shall specify an effective date for such replacement, which date shall not be later than 15 Business Days after the date such notice is given.

The replacement of any Non-Consenting Lender or Tax Lender, as applicable, shall be made in accordance with the terms of Section 13.1. Until such time as one or more Replacement Lenders shall have acquired all of the Obligations, the Commitments, and the other rights and obligations of the Non-Consenting Lender or Tax Lender, as applicable, hereunder and under the other Loan Documents, the Non-Consenting Lender or Tax Lender, as applicable, shall remain obligated to make the Non-Consenting Lender’s or Tax Lender’s, as applicable, Pro Rata Share of Revolving Loans and to purchase a participation in each Letter of Credit, in an amount equal to its Pro Rata Share of participations in such Letters of Credit.

14.3. **No Waivers; Cumulative Remedies.** No failure by Agent, any Co-Collateral Agent or any Lender to exercise any right, remedy, or option under this Agreement or any other Loan Document, or delay by Agent or any Lender in exercising the same, will operate as a waiver thereof. No waiver by Agent or any Lender will be effective unless it is in writing, and then only to the extent specifically stated. No waiver by Agent or any Lender on any occasion shall affect or diminish Agent's and each Lender's rights thereafter to require strict performance by Borrowers of any provision of this Agreement. Agent's, each Co-Collateral Agent's and each Lender's rights under this Agreement and the other Loan Documents will be cumulative and not exclusive of any other right or remedy that Agent, any Co-Collateral Agent or any Lender may have.

15. AGENT; THE LENDER GROUP.

15.1. Appointment and Authorization of Agent.

(a) Each Lender hereby designates and appoints WFCF as its agent and each of WFCF and GECC as its co-collateral agents under this Agreement and the other Loan Documents and each Lender hereby irrevocably authorizes (and by entering into a Bank Product Agreement, each Bank Product Provider shall be deemed to designate, appoint, and authorize) Agent and each Co-Collateral Agent to execute and deliver each of the other Loan Documents on its behalf and to take such other action on its behalf under the provisions of this Agreement and each other Loan Document and to exercise such powers and perform such duties as are expressly delegated to Agent and each Co-Collateral Agent by the terms of this Agreement or any other Loan Document, together with such powers as are reasonably incidental thereto. Agent agrees to act as agent for and on behalf of the Lenders (and the Bank Product Providers) and each Co-Collateral Agent agrees to act as a co-collateral agent for and on behalf of the Lenders (and the Bank Product Providers) on the conditions contained in this Section 15. Any provision to the contrary contained elsewhere in this Agreement or in any other Loan Document notwithstanding, neither Agent nor any Co-Collateral Agent shall have any duties or responsibilities, except those expressly set forth herein or in the other Loan Documents, nor shall Agent nor any Co-Collateral Agent have or be deemed to have any fiduciary relationship with any Lender (or Bank Product Provider), and no implied covenants, functions, responsibilities, duties, obligations or liabilities shall be read into this Agreement or any other Loan Document or otherwise exist against Agent or any Co-Collateral Agent, as the case may be. Without limiting the generality of the foregoing, the use of the term "agent" and "co-collateral agent" in this Agreement or the other Loan Documents with reference to Agent or any Co-Collateral Agent, as the case may be, is not intended to connote any fiduciary or other implied (or express) obligations arising under agency doctrine of any applicable law. Instead, such term is used merely as a matter of market custom, and is intended to create or reflect only a representative relationship between independent contracting parties. Each Lender hereby further authorizes (and by entering into a Bank Product Agreement, each Bank Product Provider shall be deemed to authorize) Agent to act as the secured party under each of the Loan Documents that create a Lien on any item of Collateral. Except as expressly otherwise provided in this Agreement, Agent shall have and may use its sole discretion with respect to exercising or refraining from exercising any discretionary rights or taking or refraining from taking any actions that Agent expressly is entitled to take or assert under or pursuant to this Agreement and the other Loan Documents. Except as expressly otherwise provided in this Agreement, each Co-Collateral Agent shall have and may use its sole

discretion with respect to exercising or refraining from exercising any discretionary rights or taking or refraining from taking any actions that Co-Collateral Agent expressly is entitled to take or assert under or pursuant to this Agreement and the other Loan Documents. Without limiting the generality of the foregoing, or of any other provision of the Loan Documents that provides rights or powers to Agent or any Co-Collateral Agent, as the case may be, Lenders agree that Agent shall have the right to exercise the following powers as long as this Agreement remains in effect: (a) maintain, in accordance with its customary business practices, ledgers and records reflecting the status of the Obligations, the Collateral, payments and proceeds of Collateral, and related matters, (b) execute or file any and all financing or similar statements or notices, amendments, renewals, supplements, documents, instruments, proofs of claim, notices and other written agreements with respect to the Loan Documents, (c) make Revolving Loans, for itself or on behalf of Lenders, as provided in the Loan Documents, (d) exclusively receive, apply, and distribute the Collections of the Loan Parties as provided in the Loan Documents, (e) open and maintain such bank accounts and cash management arrangements as Agent deems necessary and appropriate in accordance with the Loan Documents for the foregoing purposes, (f) perform, exercise, and enforce any and all other rights and remedies of the Lender Group with respect to Borrowers or their Subsidiaries, the Obligations, the Collateral, the Collections of the Loan Parties, or otherwise related to any of same as provided in the Loan Documents, and (g) incur and pay such Lender Group Expenses as Agent may deem necessary or appropriate for the performance and fulfillment of its functions and powers pursuant to the Loan Documents.

(b) With respect to any action or determination to be taken or made by the Co-Collateral Agents hereunder or under any of the other Loan Documents, Co-Collateral Agents hereby agree to seek, in good faith, to reach a consensus decision for such action or determination. If Co-Collateral Agents are unable to agree on the action to be taken or the determination to be made, the determination or action shall be made by the Co-Collateral Agent either asserting the more conservative credit judgment (that is, that would result in the least amount of credit being available to the Borrowers and their Subsidiaries under this Agreement) or declining to permit the requested action for which consent is being sought by the Borrowers, as applicable.

15.2. **Delegation of Duties.** Agent and each Co-Collateral Agent may execute any of its duties under this Agreement or any other Loan Document by or through agents, employees or attorneys in fact and shall be entitled to advice of counsel concerning all matters pertaining to such duties. Neither Agent nor any Co-Collateral Agent shall be responsible for the negligence or misconduct of any agent or attorney in fact that it selects as long as such selection was made without gross negligence or willful misconduct.

15.3. **Liability of Agent.** None of the Agent-Related Persons shall (a) be liable for any action taken or omitted to be taken by any of them under or in connection with this Agreement or any other Loan Document or the transactions contemplated hereby (except for its own gross negligence or willful misconduct), or (b) be responsible in any manner to any of the Lenders (or Bank Product Providers) for any recital, statement, representation or warranty made by Parent or any of its Subsidiaries or Affiliates, or any officer or director thereof, contained in this Agreement or in any other Loan Document, or in any certificate, report, statement or other document referred to or provided for in, or received by Agent or any Co-Collateral Agent under or in connection with, this Agreement or any other Loan Document, or the validity,

effectiveness, genuineness, enforceability or sufficiency of this Agreement or any other Loan Document, or for any failure of Parent or its Subsidiaries or any other party to any Loan Document to perform its obligations hereunder or thereunder. No Agent-Related Person shall be under any obligation to any Lenders (or Bank Product Providers) to ascertain or to inquire as to the observance or performance of any of the agreements contained in, or conditions of, this Agreement or any other Loan Document, or to inspect the books and records or properties of Parent or its Subsidiaries.

15.4. **Reliance by Agents.** Agent and each Co-Collateral Agent shall be entitled to rely, and shall be fully protected in relying, upon any writing, resolution, notice, consent, certificate, affidavit, letter, telegram, telefacsimile or other electronic method of transmission, telex or telephone message, statement or other document or conversation believed by it to be genuine and correct and to have been signed, sent, or made by the proper Person or Persons, and upon advice and statements of legal counsel (including counsel to Borrowers or counsel to any Lender), independent accountants and other experts selected by Agent or such Co-Collateral Agent, as applicable. Agent and each Co-Collateral Agent shall be fully justified in failing or refusing to take any action under this Agreement or any other Loan Document unless Agent or such Co-Collateral Agent, as applicable, shall first receive such advice or concurrence of the Lenders as it deems appropriate and until such instructions are received, Agent or such Co-Collateral Agent, as applicable, shall act, or refrain from acting, as it deems advisable. If Agent or any Co-Collateral Agent so requests, it shall first be indemnified to its reasonable satisfaction by the Lenders (and, if it so elects, the Bank Product Providers) against any and all liability and expense that may be incurred by it by reason of taking or continuing to take any such action. Agent shall in all cases be fully protected in acting, or in refraining from acting, under this Agreement or any other Loan Document in accordance with a request or consent of the Required Lenders and such request and any action taken or failure to act pursuant thereto shall be binding upon all of the Lenders (and Bank Product Providers).

15.5. **Notice of Default or Event of Default.** Neither Agent nor any Co-Collateral Agent shall be deemed to have knowledge or notice of the occurrence of any Default or Event of Default, except, in the case of Agent, with respect to defaults in the payment of principal, interest, fees, and expenses required to be paid to Agent for the account of the Lenders and, except with respect to Events of Default of which Agent has actual knowledge, unless Agent and Co-Collateral Agents shall have received written notice from a Lender or Administrative Borrower referring to this Agreement, describing such Default or Event of Default, and stating that such notice is a "notice of default." Agent promptly will notify the Lenders of its receipt of any such notice or of any Event of Default of which Agent has actual knowledge. If any Lender obtains actual knowledge of any Event of Default, such Lender promptly shall notify the other Lenders and Agents of such Event of Default. Each Lender shall be solely responsible for giving any notices to its Participants, if any. Subject to Section 15.4, Agent shall take such action with respect to such Default or Event of Default as may be requested by the Required Lenders in accordance with Section 9; provided, however, that unless and until Agent has received any such request, Agent may (but shall not be obligated to) take such action, or refrain from taking such action, with respect to such Default or Event of Default as it shall deem advisable.

15.6. **Credit Decision.** Each Lender (and Bank Product Provider) acknowledges that none of the Agent-Related Persons has made any representation or warranty to it, and that no act by Agent or any Co-Collateral Agent hereinafter taken, including any review of the affairs of Parent and its Subsidiaries or Affiliates, shall be deemed to constitute any representation or warranty by any Agent-Related Person to any Lender (or Bank Product Provider). Each Lender represents (and by entering into a Bank Product Agreement, each Bank Product Provider shall be deemed to represent) to Agent that it has, independently and without reliance upon any Agent-Related Person and based on such due diligence, documents and information as it has deemed appropriate, made its own appraisal of and investigation into the business, prospects, operations, property, financial and other condition and creditworthiness of any Borrower or any other Person party to a Loan Document, and all applicable bank regulatory laws relating to the transactions contemplated hereby, and made its own decision to enter into this Agreement and to extend credit to Borrowers. Each Lender also represents (and by entering into a Bank Product Agreement, each Bank Product Provider shall be deemed to represent) that it will, independently and without reliance upon any Agent-Related Person and based on such documents and information as it shall deem appropriate at the time, continue to make its own credit analysis, appraisals and decisions in taking or not taking action under this Agreement and the other Loan Documents, and to make such investigations as it deems necessary to inform itself as to the business, prospects, operations, property, financial and other condition and creditworthiness of any Borrower or any other Person party to a Loan Document. Except for notices, reports, and other documents expressly herein required to be furnished to the Lenders by Agent, neither Agent nor any Co-Collateral Agent shall have any duty or responsibility to provide any Lender (or Bank Product Provider) with any credit or other information concerning the business, prospects, operations, property, financial and other condition or creditworthiness of any Borrower or any other Person party to a Loan Document that may come into the possession of any of the Agent-Related Persons. Each Lender acknowledges (and by entering into a Bank Product Agreement, each Bank Product Provider shall be deemed to acknowledge) that neither Agent nor any Co-Collateral Agent has any duty or responsibility, either initially or on a continuing basis (except to the extent, if any, that is expressly specified herein) to provide such Lender (or Bank Product Provider) with any credit or other information with respect to Borrowers, their Affiliates or any of their respective business, legal, financial or other affairs, and irrespective of whether such information came into Agent's or any Co-Collateral Agent's or their respective Affiliates' or representatives' possession before or after the date on which such Lender became a party to this Agreement (or such Bank Product Provider entered into a Bank Product Agreement).

15.7. **Costs and Expenses; Indemnification.** Agents may incur and pay Lender Group Expenses to the extent they reasonably deem necessary or appropriate for the performance and fulfillment of their functions, powers, and obligations pursuant to the Loan Documents, including court costs, attorneys fees and expenses, fees and expenses of financial accountants, advisors, consultants, and appraisers, costs of collection by outside collection agencies, auctioneer fees and expenses, and costs of security guards or insurance premiums paid to maintain the Collateral, whether or not Borrowers are obligated to reimburse Agents or Lenders for such expenses pursuant to this Agreement or otherwise. Agent is authorized and directed to deduct and retain sufficient amounts from payments or proceeds of the Collateral received by Agent to reimburse Agents for such out-of-pocket costs and expenses prior to the distribution of any amounts to Lenders (or Bank Product Providers). In the event Agent or any Co-Collateral Agent is not reimbursed for such costs and expenses by Parent or its Subsidiaries, each Lender hereby agrees that it is and shall be obligated to pay to Agent or such Co-Collateral Agent, as

applicable, such Lender's ratable thereof. Whether or not the transactions contemplated hereby are consummated, each of the Lenders, on a ratable basis, shall indemnify and defend the Agent-Related Persons (to the extent not reimbursed by or on behalf of Borrowers and without limiting the obligation of Borrowers to do so) from and against any and all Indemnified Liabilities; provided, however, that no Lender shall be liable for the payment to any Agent-Related Person of any portion of such Indemnified Liabilities resulting solely from such Person's gross negligence or willful misconduct nor shall any Lender be liable for the obligations of any Defaulting Lender in failing to make a Revolving Loan or other extension of credit hereunder. Without limitation of the foregoing, each Lender shall reimburse Agent and such Co-Collateral Agent upon demand for such Lender's ratable share of any costs or out of pocket expenses (including attorneys, accountants, advisors, and consultants fees and expenses) incurred by Agent in connection with the preparation, execution, delivery, administration, modification, amendment, or enforcement (whether through negotiations, legal proceedings or otherwise) of, or legal advice in respect of rights or responsibilities under, this Agreement or any other Loan Document to the extent that Agent or such Co-Collateral Agent, as applicable, is not reimbursed for such expenses by or on behalf of Borrowers. The undertaking in this Section shall survive the payment of all Obligations hereunder and the resignation or replacement of Agent.

15.8. Agent in Individual Capacity.

(a) WFCF and its Affiliates may make loans to, issue letters of credit for the account of, accept deposits from, provide Bank Products to, acquire equity interests in, and generally engage in any kind of banking, trust, financial advisory, underwriting, or other business with Parent and its Subsidiaries and Affiliates and any other Person party to any Loan Document as though WFCF were not Agent hereunder, and, in each case, without notice to or consent of the other members of the Lender Group. The other members of the Lender Group acknowledge (and by entering into a Bank Product Agreement, each Bank Product Provider shall be deemed to acknowledge) that, pursuant to such activities, WFCF or its Affiliates may receive information regarding Parent or its Affiliates or any other Person party to any Loan Documents that is subject to confidentiality obligations in favor of Parent or such other Person and that prohibit the disclosure of such information to the Lenders (or Bank Product Providers), and the Lenders acknowledge (and by entering into a Bank Product Agreement, each Bank Product Provider shall be deemed to acknowledge) that, in such circumstances (and in the absence of a waiver of such confidentiality obligations, which waiver Agent will use its reasonable best efforts to obtain), Agent shall not be under any obligation to provide such information to them. The terms "Lender" and "Lenders" include WFCF in its individual capacity.

(b) GECC and its Affiliates may make loans to, issue letters of credit for the account of, accept deposits from, provide Bank Products to, acquire equity interests in, and generally engage in any kind of banking, trust, financial advisory, underwriting, or other business with Parent and its Subsidiaries and Affiliates and any other Person party to any Loan Document as though GECC were not a Co-Collateral Agent hereunder, and, in each case, without notice to or consent of the other members of the Lender Group. The other members of the Lender Group acknowledge (and by entering into a Bank Product Agreement, each Bank Product Provider shall be deemed to acknowledge) that, pursuant to such activities, GECC or its Affiliates may receive information regarding Parent or its Affiliates or any other Person party to any Loan Documents that is subject to confidentiality obligations in favor of Parent or such other

Person and that prohibit the disclosure of such information to the Lenders (or Bank Product Providers), and the Lenders acknowledge (and by entering into a Bank Product Agreement, each Bank Product Provider shall be deemed to acknowledge) that, in such circumstances (and in the absence of a waiver of such confidentiality obligations, which waiver GECC will use its reasonable best efforts to obtain), GECC in its capacity as Co-Collateral Agent shall not be under any obligation to provide such information to them. The terms “Lender” and “Lenders” include GECC in its individual capacity.

15.9. **Successor Agent.** Agent may resign as Agent upon 30 days (10 days if an Event of Default has occurred and is continuing) prior written notice to the Lenders (unless such notice is waived by the Required Lenders) and Administrative Borrower (unless such notice is waived by Administrative Borrower or an Event of Default exists) and without any notice to the Bank Product Providers. If Agent resigns under this Agreement, the Required Lenders shall be entitled, with (so long as no Event of Default has occurred and is continuing) the consent of Administrative Borrower (such consent not to be unreasonably withheld, delayed, or conditioned), appoint a successor Agent for the Lenders (and the Bank Product Providers). If, at the time that Agent’s resignation is effective, it is acting as a Co-Collateral Agent, as Issuing Lender or the Swing Lender, such resignation shall also operate to effectuate its resignation as a Co-Collateral Agent, Issuing Lender or the Swing Lender, as applicable, and it shall automatically be relieved of any further obligation or duties as a Co-Collateral Agent, to issue Letters of Credit, to cause the Underlying Issuer to issue Letters of Credit, or to make Swing Loans. If no successor Agent is appointed prior to the effective date of the resignation of Agent, Agent may appoint, after consulting with the Lenders and Administrative Borrower, a successor Agent. If Agent has materially breached or failed to perform any material provision of this Agreement or of applicable law, the Required Lenders may agree in writing to remove and replace Agent with a successor Agent from among the Lenders with (so long as no Event of Default has occurred and is continuing) the consent of Administrative Borrower (such consent not to be unreasonably withheld, delayed, or conditioned). In any such event, upon the acceptance of its appointment as successor Agent hereunder, such successor Agent shall succeed to all the rights, powers, and duties of the retiring Agent and the term “Agent” shall mean such successor Agent and the retiring Agent’s appointment, powers, and duties as Agent shall be terminated. After any retiring Agent’s resignation hereunder as Agent, the provisions of this Section 15 shall inure to its benefit as to any actions taken or omitted to be taken by it while it was Agent under this Agreement. If no successor Agent has accepted appointment as Agent by the date which is 30 days following a retiring Agent’s notice of resignation, the retiring Agent’s resignation shall nevertheless thereupon become effective and the Lenders shall perform all of the duties of Agent hereunder (other than the duties of a Co-Collateral Agent) until such time, if any, as the Lenders appoint a successor Agent as provided for above.

15.10. **Lender in Individual Capacity.** Any Lender and its respective Affiliates may make loans to, issue letters of credit for the account of, accept deposits from, provide Bank Products to, acquire Equity Interests in and generally engage in any kind of banking, trust, financial advisory, underwriting, or other business with Parent and its Subsidiaries and Affiliates and any other Person party to any Loan Documents as though such Lender were not a Lender hereunder without notice to or consent of the other members of the Lender Group (or the Bank Product Providers). The other members of the Lender Group acknowledge (and by entering into a Bank Product Agreement, each Bank Product Provider shall be deemed to acknowledge) that,

pursuant to such activities, such Lender and its respective Affiliates may receive information regarding Parent or its Affiliates or any other Person party to any Loan Documents that is subject to confidentiality obligations in favor of Parent or such other Person and that prohibit the disclosure of such information to the Lenders, and the Lenders acknowledge (and by entering into a Bank Product Agreement, each Bank Product Provider shall be deemed to acknowledge) that, in such circumstances (and in the absence of a waiver of such confidentiality obligations, which waiver such Lender will use its reasonable best efforts to obtain), such Lender shall not be under any obligation to provide such information to them.

15.11. Collateral Matters.

(a) The Lenders hereby irrevocably authorize (and by entering into a Bank Product Agreement, each Bank Product Provider shall be deemed to authorize) Agent to release any Lien on any Collateral (i) upon the termination of the Commitments and payment and satisfaction in full by Borrowers of all of the Obligations, (ii) constituting property being sold or disposed of if a release is required or desirable in connection therewith and if Administrative Borrower certifies to Agent that the sale or disposition is permitted under Section 6.4 (and Agent may rely conclusively on any such certificate, without further inquiry), (iii) constituting property in which Parent or its Subsidiaries owned no interest at the time Agent's Lien was granted nor at any time thereafter, or (iv) constituting property leased to Parent or its Subsidiaries under a lease that has expired or is terminated in a transaction permitted under this Agreement. The Loan Parties and the Lenders hereby irrevocably authorize (and by entering into a Bank Product Agreement, each Bank Product Provider shall be deemed to authorize) Agent, based upon the instruction of the Required Lenders, to (a) consent to, credit bid or purchase (either directly or through one or more acquisition vehicles) all or any portion of the Collateral at any sale thereof conducted under the provisions of the Bankruptcy Code, including under Section 363 of the Bankruptcy Code, (b) credit bid or purchase (either directly or through one or more acquisition vehicles) all or any portion of the Collateral at any sale or other disposition thereof conducted under the provisions of the Code, including pursuant to Sections 9-610 or 9-620 of the Code, or (c) credit bid or purchase (either directly or through one or more acquisition vehicles) all or any portion of the Collateral at any other sale or foreclosure conducted by Agent (whether by judicial action or otherwise) in accordance with applicable law. In connection with any such credit bid or purchase, (i) the Obligations owed to the Lenders and the Bank Product Providers shall be entitled to be, and shall be, credit bid on a ratable basis (with Obligations with respect to contingent or unliquidated claims being estimated for such purpose if the fixing or liquidation thereof would not unduly delay the ability of Agent to credit bid or purchase at such sale or other disposition of the Collateral and, if such claims cannot be estimated without unduly delaying the ability of Agent to credit bid, then such claims shall be disregarded, not credit bid, and not entitled to any interest in the asset or assets purchased by means of such credit bid) and the Lenders and the Bank Product Providers whose Obligations are credit bid shall be entitled to receive interests (ratably based upon the proportion of their Obligations credit bid in relation to the aggregate amount of Obligations so credit bid) in the asset or assets so purchased (or in the Equity Interests of the acquisition vehicle or vehicles that are used to consummate such purchase), and (ii) Agent, based upon the instruction of the Required Lenders, may accept non-cash consideration, including debt and equity securities issued by such acquisition vehicle or vehicles and in connection therewith Agent may reduce the Obligations owed to the Lenders and the Bank Product Providers (ratably based upon the proportion of their Obligations credit bid in

relation to the aggregate amount of Obligations so credit bid) based upon the value of such non-cash consideration. Except as provided above, Agent will not execute and deliver a release of any Lien on any Collateral without the prior written authorization of (y) if the release is of all or substantially all of the Collateral, all of the Lenders (without requiring the authorization of the Bank Product Providers), or (z) otherwise, the Required Lenders (without requiring the authorization of the Bank Product Providers). Upon request by Agent or Administrative Borrower at any time, the Lenders will (and if so requested, the Bank Product Providers will) confirm in writing Agent's authority to release any such Liens on particular types or items of Collateral pursuant to this Section 15.11; provided, that (1) Agent shall not be required to execute any document necessary to evidence such release on terms that, in Agent's opinion, would expose Agent to liability or create any obligation or entail any consequence other than the release of such Lien without recourse, representation, or warranty, and (2) such release shall not in any manner discharge, affect, or impair the Obligations or any Liens (other than those expressly being released) upon (or obligations of any Loan Party in respect of) all interests retained by any Loan Party, including, the proceeds of any sale, all of which shall continue to constitute part of the Collateral. The Lenders further hereby irrevocably authorize (and by entering into a Bank Product Agreement, each Bank Product Provider shall be deemed to authorize) Agent, at its option and in its sole discretion, to subordinate any Lien granted to or held by Agent under any Loan Document to the holder of any Permitted Lien on such property if such Permitted Lien secures Permitted Purchase Money Indebtedness.

(b) Agent shall have no obligation whatsoever to any of the Lenders (or the Bank Product Providers) to assure that the Collateral exists or is owned by Parent or its Subsidiaries or is cared for, protected, or insured or has been encumbered, or that Agent's Liens have been properly or sufficiently or lawfully created, perfected, protected, or enforced or are entitled to any particular priority, or that any particular items of Collateral meet the eligibility criteria applicable in respect thereof or whether to impose, maintain, reduce, or eliminate any particular reserve hereunder or whether the amount of any such reserve is appropriate or not, or to exercise at all or in any particular manner or under any duty of care, disclosure or fidelity, or to continue exercising, any of the rights, authorities and powers granted or available to Agent pursuant to any of the Loan Documents, it being understood and agreed that in respect of the Collateral, or any act, omission, or event related thereto, subject to the terms and conditions contained herein, Agent may act in any manner it may deem appropriate, in its sole discretion given Agent's own interest in the Collateral in its capacity as one of the Lenders and that Agent shall have no other duty or liability whatsoever to any Lender (or Bank Product Provider) as to any of the foregoing, except as otherwise provided herein.

15.12. Restrictions on Actions by Lenders; Sharing of Payments

(a) Each of the Lenders agrees that it shall not, without the express written consent of Agent, and that it shall, to the extent it is lawfully entitled to do so, upon the written request of Agent, set off against the Obligations, any amounts owing by such Lender to Parent or its Subsidiaries or any deposit accounts of Parent or its Subsidiaries now or hereafter maintained with such Lender. Each of the Lenders further agrees that it shall not, unless specifically requested to do so in writing by Agent, take or cause to be taken any action, including, the commencement of any legal or equitable proceedings to enforce any Loan Document against any Borrower or any Guarantor or to foreclose any Lien on, or otherwise enforce any security interest in, any of the Collateral.

(b) If, at any time or times any Lender shall receive (i) by payment, foreclosure, setoff, or otherwise, any proceeds of Collateral or any payments with respect to the Obligations, except for any such proceeds or payments received by such Lender from Agent pursuant to the terms of this Agreement, or (ii) payments from Agent in excess of such Lender's Pro Rata Share of all such distributions by Agent, such Lender promptly shall (A) turn the same over to Agent, in kind, and with such endorsements as may be required to negotiate the same to Agent, or in immediately available funds, as applicable, for the account of all of the Lenders and for application to the Obligations in accordance with the applicable provisions of this Agreement, or (B) purchase, without recourse or warranty, an undivided interest and participation in the Obligations owed to the other Lenders so that such excess payment received shall be applied ratably as among the Lenders in accordance with their Pro Rata Shares; provided, that to the extent that such excess payment received by the purchasing party is thereafter recovered from it, those purchases of participations shall be rescinded in whole or in part, as applicable, and the applicable portion of the purchase price paid therefor shall be returned to such purchasing party, but without interest except to the extent that such purchasing party is required to pay interest in connection with the recovery of the excess payment.

15.13. **Agency for Perfection.** Agent hereby appoints each other Lender (and each Bank Product Provider) as its agent (and each Lender hereby accepts (and by entering into a Bank Product Agreement, each Bank Product Provider shall be deemed to accept) such appointment) for the purpose of perfecting Agent's Liens in assets which, in accordance with Article 8 or Article 9, as applicable, of the Code can be perfected by possession or control. Should any Lender obtain possession or control of any such Collateral, such Lender shall notify Agent thereof, and, promptly upon Agent's request therefor shall deliver possession or control of such Collateral to Agent or in accordance with Agent's instructions.

15.14. **Payments by Agent to the Lenders.** All payments to be made by Agent to the Lenders (or Bank Product Providers) shall be made by bank wire transfer of immediately available funds pursuant to such wire transfer instructions as each party may designate for itself by written notice to Agent. Concurrently with each such payment, Agent shall identify whether such payment (or any portion thereof) represents principal, premium, fees, or interest of the Obligations.

15.15. **Concerning the Collateral and Related Loan Documents.** Each member of the Lender Group authorizes and directs Agent to enter into this Agreement and the other Loan Documents. Each member of the Lender Group agrees (and by entering into a Bank Product Agreement, each Bank Product Provider shall be deemed to agree) that any action taken by Agent in accordance with the terms of this Agreement or the other Loan Documents relating to the Collateral and the exercise by Agent of its powers set forth therein or herein, together with such other powers that are reasonably incidental thereto, shall be binding upon all of the Lenders (and such Bank Product Provider).

15.16. **Field Examination Reports; Confidentiality; Disclaimers by Lenders; Other Reports and Information** . By becoming a party to this Agreement, each Lender:

(a) is deemed to have requested that Agent furnish such Lender, promptly after it becomes available, a copy of each field examination report respecting Parent or its Subsidiaries (each, a "Report") prepared by or at the request of Agent or any Co-Collateral Agent, and Agent shall so furnish each Lender with such Reports,

(b) expressly agrees and acknowledges that Agent and each Co-Collateral Agent does not (i) make any representation or warranty as to the accuracy of any Report, and (ii) shall not be liable for any information contained in any Report,

(c) expressly agrees and acknowledges that the Reports are not comprehensive audits or examinations, that Agent, or Co-Collateral Agents or other party performing any field examination will inspect only specific information regarding Parent and its Subsidiaries and will rely significantly upon Parent's and its Subsidiaries' books and records, as well as on representations of Borrowers' personnel,

(d) agrees to keep all Reports and other material, non-public information regarding Parent and its Subsidiaries and their operations, assets, and existing and contemplated business plans in a confidential manner in accordance with Section 17.9, and

(e) without limiting the generality of any other indemnification provision contained in this Agreement, agrees: (i) to hold Agent, any Co-Collateral Agent and any other Lender preparing a Report harmless from any action the indemnifying Lender may take or fail to take or any conclusion the indemnifying Lender may reach or draw from any Report in connection with any loans or other credit accommodations that the indemnifying Lender has made or may make to Borrowers, or the indemnifying Lender's participation in, or the indemnifying Lender's purchase of, a loan or loans of Borrowers, and (ii) to pay and protect, and indemnify, defend and hold Agent, any Co-Collateral Agent and any such other Lender preparing a Report harmless from and against, the claims, actions, proceedings, damages, costs, expenses, and other amounts (including, attorneys' fees and costs) incurred by Agent, any such Co-Collateral Agent and any such other Lender preparing a Report as the direct or indirect result of any third parties who might obtain all or part of any Report through the indemnifying Lender.

(f) In addition to the foregoing, (x) any Lender may from time to time request of Agent in writing that Agent provide to such Lender a copy of any report or document provided by Parent or its Subsidiaries to Agent that has not been contemporaneously provided by Parent or such Subsidiary to such Lender, and, upon receipt of such request, Agent promptly shall provide a copy of same to such Lender, (y) to the extent that Agent is entitled, under any provision of the Loan Documents, to request additional reports or information from Parent or its Subsidiaries, any Lender may, from time to time, reasonably request Agent to exercise such right as specified in such Lender's notice to Agent, whereupon Agent promptly shall request of Administrative Borrower the additional reports or information reasonably specified by such Lender, and, upon receipt thereof from Parent or such Subsidiary, Agent promptly shall provide a copy of same to such Lender, and (z) any time that Agent renders to Borrowers a statement regarding the Loan Account, Agent shall send a copy of such statement to each Lender.

15.17. **Several Obligations; No Liability.** Notwithstanding that certain of the Loan Documents now or hereafter may have been or will be executed only by or in favor of Agent in its capacity as such, and not by or in favor of the Lenders, any and all obligations on the part of Agent (if any) to make any credit available hereunder shall constitute the several (and not joint) obligations of the respective Lenders on a ratable basis, according to their respective Commitments, to make an amount of such credit not to exceed, in principal amount, at any one time outstanding, the amount of their respective Commitments. Nothing contained herein shall confer upon any Lender any interest in, or subject any Lender to any liability for, or in respect of, the business, assets, profits, losses, or liabilities of any other Lender. Each Lender shall be solely responsible for notifying its Participants of any matters relating to the Loan Documents to the extent any such notice may be required, and no Lender shall have any obligation, duty, or liability to any Participant of any other Lender. Except as provided in Section 15.7, no member of the Lender Group shall have any liability for the acts of any other member of the Lender Group. No Lender shall be responsible to any Borrower or any other Person for any failure by any other Lender (or Bank Product Provider) to fulfill its obligations to make credit available hereunder, nor to advance for such Lender (or Bank Product Provider) or on its behalf, nor to take any other action on behalf of such Lender (or Bank Product Provider) hereunder or in connection with the financing contemplated herein.

15.18. **Co-Lead Arrangers, Syndication Agent and Joint Book Runners.** Each of the Co-Lead Arrangers, Syndication Agent and Joint Book Runners, in such capacities, shall not have any right, power, obligation, liability, responsibility, or duty under this Agreement other than those applicable to it in its capacity as a Lender, as Agent, as Swing Lender, or as Issuing Lender. Without limiting the foregoing, each of the Co-Lead Arrangers, Syndication Agent and Joint Book Runners, in such capacities, shall not have or be deemed to have any fiduciary relationship with any Lender or any Loan Party. Each Lender, Agent, Swing Lender, Issuing Lender, and each Loan Party acknowledges that it has not relied, and will not rely, on the Co-Lead Arrangers, Syndication Agent and Joint Book Runners in deciding to enter into this Agreement or in taking or not taking action hereunder. Each of the Co-Lead Arrangers, Syndication Agent and Joint Book Runners, in such capacities, shall be entitled to resign at any time by giving notice to Agent and Borrowers.

16. WITHHOLDING TAXES.

16.1. **Payments.** All payments made by Borrowers hereunder or under any note or other Loan Document will be made without setoff, counterclaim, or other defense. In addition, all such payments will be made free and clear of, and without deduction or withholding for, any present or future Indemnified Taxes, and in the event any deduction or withholding of Indemnified Taxes is required, Borrowers shall comply with the next sentence of this Section 16.1. If any Indemnified Taxes are so levied or imposed, Borrowers agree to pay the full amount of such Indemnified Taxes and such additional amounts as may be necessary so that every payment of all amounts due under this Agreement, any note, or Loan Document, including any amount paid pursuant to this Section 16.1 after withholding or deduction for or on account of any Indemnified Taxes, will not be less than the amount provided for herein; provided, that Borrowers shall not be required to increase any such amounts to the extent that the increase in such amount payable results from Agent's or such Lender's own willful misconduct or gross negligence (as finally determined by a court of competent jurisdiction). Borrowers will furnish

to Agent as promptly as possible after the date the payment of any Indemnified Tax is due pursuant to applicable law, certified copies of tax receipts evidencing such payment by Borrowers. Borrowers agree to pay any present or future stamp, value added or documentary taxes or any other excise or property taxes, charges, or similar levies that arise from any payment made hereunder or from the execution, delivery, performance, recordation, or filing of, or otherwise with respect to this Agreement or any other Loan Document.

16.2. Exemptions.

(a) If a Lender or Participant is entitled to claim an exemption or reduction from United States withholding tax, such Lender or Participant agrees with and in favor of Agent, to deliver to Agent (or, in the case of a Participant, to the Lender granting the participation only) one of the following before receiving its first payment under this Agreement:

(i) if such Lender or Participant is entitled to claim an exemption from United States withholding tax pursuant to the portfolio interest exception, (A) a statement of the Lender or Participant, signed under penalty of perjury, that it is not a (I) a "bank" as described in Section 881(c)(3)(A) of the IRC, (II) a 10% shareholder of any Borrower (within the meaning of Section 871(h)(3)(B) of the IRC), or (III) a controlled foreign corporation related to any Borrower within the meaning of Section 864(d)(4) of the IRC, and (B) a properly completed and executed IRS Form W-8BEN or Form W-8IMY (with proper attachments);

(ii) if such Lender or Participant is entitled to claim an exemption from, or a reduction of, withholding tax under a United States tax treaty, a properly completed and executed copy of IRS Form W-8BEN;

(iii) if such Lender or Participant is entitled to claim that interest paid under this Agreement is exempt from United States withholding tax because it is effectively connected with a United States trade or business of such Lender, a properly completed and executed copy of IRS Form W-8ECI;

(iv) if such Lender or Participant is entitled to claim that interest paid under this Agreement is exempt from United States withholding tax because such Lender or Participant serves as an intermediary, a properly completed and executed copy of IRS Form W-8IMY (with proper attachments); or

(v) a properly completed and executed copy of any other form or forms, including IRS Form W-9, as may be required under the IRC or other laws of the United States as a condition to exemption from, or reduction of, United States withholding or backup withholding tax.

(b) Each Lender or Participant shall provide new forms (or successor forms) upon the expiration or obsolescence of any previously delivered forms and to promptly notify Agent (or, in the case of a Participant, to the Lender granting the participation only) of any change in circumstances which would modify or render invalid any claimed exemption or reduction.

(c) If a Lender or Participant claims an exemption from withholding tax in a jurisdiction other than the United States, such Lender or such Participant agrees with and in favor of Agent, to deliver to Agent (or, in the case of a Participant, to the Lender granting the participation only) any such form or forms, as may be required under the laws of such jurisdiction as a condition to exemption from, or reduction of, foreign withholding or backup withholding tax before receiving its first payment under this Agreement, but only if such Lender or such Participant is legally able to deliver such forms, provided, that nothing in this Section 16.2(c) shall require a Lender or Participant to disclose any information that it deems to be confidential (including without limitation, its tax returns). Each Lender and each Participant shall provide new forms (or successor forms) upon the expiration or obsolescence of any previously delivered forms and to promptly notify Agent (or, in the case of a Participant, to the Lender granting the participation only) of any change in circumstances which would modify or render invalid any claimed exemption or reduction.

(d) If a Lender or Participant claims exemption from, or reduction of, withholding tax and such Lender or Participant sells, assigns, grants a participation in, or otherwise transfers all or part of the Obligations of Borrowers to such Lender or Participant, such Lender or Participant agrees to notify Agent (or, in the case of a sale of a participation interest, to the Lender granting the participation only) of the percentage amount in which it is no longer the beneficial owner of Obligations of Borrowers to such Lender or Participant. To the extent of such percentage amount, Agent will treat such Lender's or such Participant's documentation provided pursuant to Section 16.2(a) or 16.2(c) as no longer valid. With respect to such percentage amount, such Participant or Assignee may provide new documentation, pursuant to Section 16.2(a) or 16.2(c), if applicable. Borrowers agree that each Participant shall be entitled to the benefits of this Section 16 with respect to its participation in any portion of the Commitments and the Obligations so long as such Participant complies with the obligations set forth in this Section 16 with respect thereto.

16.3. Reductions.

(a) If a Lender or a Participant is entitled to a reduction in the applicable withholding tax, Agent (or, in the case of a Participant, to the Lender granting the participation) may withhold from any interest payment to such Lender or such Participant an amount equivalent to the applicable withholding tax after taking into account such reduction. If the forms or other documentation required by Section 16.2(a) or 16.2(c) are not delivered to Agent (or, in the case of a Participant, to the Lender granting the participation), then Agent (or, in the case of a Participant, to the Lender granting the participation) may withhold from any interest payment to such Lender or such Participant not providing such forms or other documentation an amount equivalent to the applicable withholding tax.

(b) If the IRS or any other Governmental Authority of the United States or other jurisdiction asserts a claim that Agent (or, in the case of a Participant, to the Lender granting the participation) did not properly withhold tax from amounts paid to or for the account of any Lender or any Participant due to a failure on the part of the Lender or any Participant (because the appropriate form was not delivered, was not properly executed, or because such Lender failed to notify Agent (or such Participant failed to notify the Lender granting the participation) of a change in circumstances which rendered the exemption from, or reduction of,

withholding tax ineffective, or for any other reason) such Lender shall indemnify and hold Agent harmless (or, in the case of a Participant, such Participant shall indemnify and hold the Lender granting the participation harmless) for all amounts paid, directly or indirectly, by Agent (or, in the case of a Participant, to the Lender granting the participation), as tax or otherwise, including penalties and interest, and including any taxes imposed by any jurisdiction on the amounts payable to Agent (or, in the case of a Participant, to the Lender granting the participation only) under this Section 16, together with all costs and expenses (including attorneys' fees and expenses). The obligation of the Lenders and the Participants under this subsection shall survive the payment of all Obligations and the resignation or replacement of Agent.

16.4. **Refunds.** If Agent or a Lender determines, in its sole discretion in good faith, that it has received a refund of any Indemnified Taxes to which Borrowers have paid additional amounts pursuant to this Section 16, so long as no Default or Event of Default has occurred and is continuing, it shall pay over such refund to Borrowers (but only to the extent of payments made, or additional amounts paid, by Borrowers under this Section 16 with respect to Indemnified Taxes giving rise to such a refund), net of all out-of-pocket expenses of Agent or such Lender and without interest (other than any interest paid by the applicable Governmental Authority with respect to such a refund); provided, that Borrowers, upon the request of Agent or such Lender, agrees to repay the amount paid over to Borrowers (plus any penalties, interest or other charges, imposed by the applicable Governmental Authority, other than such penalties, interest or other charges imposed as a result of the willful misconduct or gross negligence of Agent hereunder) to Agent or such Lender in the event Agent or such Lender is required to repay such refund to such Governmental Authority. Notwithstanding anything in this Agreement to the contrary, this Section 16 shall not be construed to require Agent or any Lender to make available its tax returns (or any other information which it deems confidential) to any Borrower or any other Person.

16.5. **Tax Indemnity.** The Loan Parties shall jointly and severally indemnify each Indemnified Person (as defined in Section 10.3) (collectively a "Tax Indemnatee") (but with respect to a Participant subject to the last sentence of Section 16.2(d)) for the full amount of Taxes or other taxes arising in connection with this Agreement or any other Loan Document (including, without limitation, any Taxes or other taxes imposed or asserted on or attributable to amounts payable under this Section 16) paid by such Tax Indemnatee and all reasonable fees and disbursements of attorneys, experts, or consultants and all other out-of-pocket costs and expenses actually incurred in connection therewith or in connection with the enforcement of this indemnification, as and when they are incurred and irrespective of whether suit is brought, whether or not such Taxes or such other taxes were correctly or legally imposed or asserted by the relevant Governmental Authority (other than Taxes or such other taxes resulting from gross negligence or willful misconduct of such Tax Indemnatee as finally determined by a court of competent jurisdiction and any tax imposed on the net income or net profits of any Indemnified Person (including any branch profits taxes)). This Section 16.5 shall survive the termination of this Agreement and the repayment of the Obligations.

17. GENERAL PROVISIONS.

17.1. **Effectiveness.** This Agreement shall be binding and deemed effective when executed by Borrowers, Agent, each Co-Collateral Agent, and each Lender whose signature is provided for on the signature pages hereof.

17.2. **Section Headings.** Headings and numbers have been set forth herein for convenience only. Unless the contrary is compelled by the context, everything contained in each Section applies equally to this entire Agreement.

17.3. **Interpretation.** Neither this Agreement nor any uncertainty or ambiguity herein shall be construed against the Lender Group or any Borrower, whether under any rule of construction or otherwise. On the contrary, this Agreement has been reviewed by all parties and shall be construed and interpreted according to the ordinary meaning of the words used so as to accomplish fairly the purposes and intentions of all parties hereto.

17.4. **Severability of Provisions.** Each provision of this Agreement shall be severable from every other provision of this Agreement for the purpose of determining the legal enforceability of any specific provision.

17.5. **Bank Product Providers.** Each Bank Product Provider shall be deemed a third party beneficiary hereof and of the provisions of the other Loan Documents for purposes of any reference in a Loan Document to the parties for whom Agent is acting. Agent hereby agrees to act as agent for such Bank Product Providers and, by virtue of entering into a Bank Product Agreement, the applicable Bank Product Provider shall be automatically deemed to have appointed Agent as its agent and to have accepted the benefits of the Loan Documents; it being understood and agreed that the rights and benefits of each Bank Product Provider under the Loan Documents consist exclusively of such Bank Product Provider's being a beneficiary of the Liens and security interests (and, if applicable, guarantees) granted to Agent and the right to share in payments and collections out of the Collateral as more fully set forth herein. In addition, each Bank Product Provider, by virtue of entering into a Bank Product Agreement, shall be automatically deemed to have agreed that Co-Collateral Agents shall have the right, but shall have no obligation, to establish, maintain, relax, or release reserves in respect of the Bank Product Obligations and that if reserves are established there is no obligation on the part of Co-Collateral Agents to determine or insure whether the amount of any such reserve is appropriate or not. In connection with any such distribution of payments or proceeds of Collateral, Agent shall be entitled to assume no amounts are due or owing to any Bank Product Provider unless such Bank Product Provider has provided a written certification (setting forth a reasonably detailed calculation) to Agent as to the amounts that are due and owing to it and such written certification is received by Agent a reasonable period of time prior to the making of such distribution. Agent shall have no obligation to calculate the amount due and payable with respect to any Bank Products, but may rely upon the written certification of the amount due and payable from the applicable Bank Product Provider. In the absence of an updated certification, Agent shall be entitled to assume that the amount due and payable to the applicable Bank Product Provider is the amount last certified to Agent by such Bank Product Provider as being due and payable (less any distributions made to such Bank Product Provider on account thereof). Borrowers may obtain Bank Products from any Bank Product Provider, although no Borrower is

required to do so. Borrowers acknowledge and agree that no Bank Product Provider has committed to provide any Bank Products and that the providing of Bank Products by any Bank Product Provider is in the sole and absolute discretion of such Bank Product Provider. Notwithstanding anything to the contrary in this Agreement or any other Loan Document, no provider or holder of any Bank Product shall have any voting or approval rights hereunder (or be deemed a Lender) solely by virtue of its status as the provider or holder of such agreements or products or the Obligations owing thereunder, nor shall the consent of any such provider or holder be required (other than in their capacities as Lenders, to the extent applicable) for any matter hereunder or under any of the other Loan Documents, including as to any matter relating to the Collateral or the release of Collateral or Guarantors.

17.6. **Debtor-Creditor Relationship.** The relationship between the Lenders and Agent, on the one hand, and the Loan Parties, on the other hand, is solely that of creditor and debtor. No member of the Lender Group has (or shall be deemed to have) any fiduciary relationship or duty to any Loan Party arising out of or in connection with the Loan Documents or the transactions contemplated thereby, and there is no agency or joint venture relationship between the members of the Lender Group, on the one hand, and the Loan Parties, on the other hand, by virtue of any Loan Document or any transaction contemplated therein.

17.7. **Counterparts; Electronic Execution.** This Agreement may be executed in any number of counterparts and by different parties on separate counterparts, each of which, when executed and delivered, shall be deemed to be an original, and all of which, when taken together, shall constitute but one and the same Agreement. Delivery of an executed counterpart of this Agreement by telefacsimile or other electronic method of transmission shall be equally as effective as delivery of an original executed counterpart of this Agreement. Any party delivering an executed counterpart of this Agreement by telefacsimile or other electronic method of transmission also shall deliver an original executed counterpart of this Agreement but the failure to deliver an original executed counterpart shall not affect the validity, enforceability, and binding effect of this Agreement. The foregoing shall apply to each other Loan Document *mutatis mutandis*.

17.8. **Revival and Reinstatement of Obligations; Certain Waivers.**

If the incurrence or payment of the Obligations by any Loan Party or the transfer to the Lender Group of any property should for any reason subsequently be asserted, or declared, to be void or voidable under any state or federal law relating to creditors' rights, including provisions of the Bankruptcy Code relating to fraudulent conveyances, preferences, or other voidable or recoverable payments of money or transfers of property (each, a "Voidable Transfer"), and if the Lender Group is required to repay or restore, in whole or in part, any such Voidable Transfer, or elects to do so upon the advice of counsel, then, as to any such Voidable Transfer, or the amount thereof that the Lender Group is required or elects to repay or restore, and as to all reasonable costs, expenses, and attorneys' fees of the Lender Group related thereto, the liability of Loan Parties automatically shall be revived, reinstated, and restored and shall exist as though such Voidable Transfer had never been made.

17.9. **Confidentiality.**

(a) Agent and Lenders each individually (and not jointly or jointly and severally) agree that material, non-public information regarding Parent and its Subsidiaries, their operations, assets, and existing and contemplated business plans (“Confidential Information”) shall be treated by Agent and the Lenders in a confidential manner, and shall not be disclosed by Agent and the Lenders to Persons who are not parties to this Agreement, except: (i) to attorneys for and other advisors, accountants, auditors, and consultants to any member of the Lender Group and to employees, directors and officers of any member of the Lender Group (the Persons in this clause (i), “Lender Group Representatives”) on a “need to know” basis in connection with this Agreement and the transactions contemplated hereby and on a confidential basis, (ii) to Subsidiaries and Affiliates of any member of the Lender Group (including the Bank Product Providers), provided that any such Subsidiary or Affiliate shall have agreed to receive such information hereunder subject to the terms of this Section 17.9, (iii) as may be required by regulatory authorities so long as such authorities are informed of the confidential nature of such information, (iv) as may be required by statute, decision, or judicial or administrative order, rule, or regulation; provided that (x) prior to any disclosure under this clause (iv), the disclosing party agrees to provide Administrative Borrower with prior notice thereof, to the extent that it is practicable to do so and to the extent that the disclosing party is permitted to provide such prior notice to Administrative Borrower pursuant to the terms of the applicable statute, decision, or judicial or administrative order, rule, or regulation and (y) any disclosure under this clause (iv) shall be limited to the portion of the Confidential Information as may be required by such statute, decision, or judicial or administrative order, rule, or regulation, (v) as may be agreed to in advance in writing by Administrative Borrower, (vi) as requested or required by any Governmental Authority pursuant to any subpoena or other legal process, provided, that, (x) prior to any disclosure under this clause (vi) the disclosing party agrees to provide Administrative Borrower with prior written notice thereof, to the extent that it is practicable to do so and to the extent that the disclosing party is permitted to provide such prior written notice to Administrative Borrower pursuant to the terms of the subpoena or other legal process and (y) any disclosure under this clause (vi) shall be limited to the portion of the Confidential Information as may be required by such Governmental Authority pursuant to such subpoena or other legal process, (vii) as to any such information that is or becomes generally available to the public (other than as a result of prohibited disclosure by Agent or the Lenders or the Lender Group Representatives), (viii) in connection with any assignment, participation or pledge of any Lender’s interest under this Agreement, provided that prior to receipt of Confidential Information any such assignee, participant, or pledgee shall have agreed in writing to receive such Confidential Information hereunder subject to the terms of this Section, (ix) in connection with any litigation or other adversary proceeding involving parties hereto which such litigation or adversary proceeding involves claims related to the rights or duties of such parties under this Agreement or the other Loan Documents; provided, that, prior to any disclosure to any Person (other than any Loan Party, Agent, any Lender, any of their respective Affiliates, or their respective counsel) under this clause (ix) with respect to litigation involving any Person (other than any Borrower, Agent, any Lender, any of their respective Affiliates, or their respective counsel), the disclosing party agrees to provide Administrative Borrower with prior written notice thereof, and (x) in connection with, and to the extent reasonably necessary for, the exercise of any secured creditor remedy under this Agreement or under any other Loan Document.

(b) Anything in this Agreement to the contrary notwithstanding, Agent may disclose information concerning the terms and conditions of this Agreement and the other Loan Documents to loan syndication and pricing reporting services or in its marketing or promotional materials, with such information to consist of deal terms and other information customarily found in such publications or marketing or promotional materials and may otherwise use the name, logos, and other insignia of any Borrower or the other Loan Parties and the Commitments provided hereunder in any “tombstone” or other advertisements, on its website or in other marketing materials of the Agent.

(c) The Loan Parties hereby acknowledge that Agent or its Affiliates may make available to the Lenders materials or information provided by or on behalf of Borrowers hereunder (collectively, “Borrower Materials”) by posting the Borrower Materials on IntraLinks, SyndTrak or another similar electronic system (the “Platform”) and certain of the Lenders may be “public-side” Lenders (i.e., Lenders that do not wish to receive material non-public information with respect to the Loan Parties or their securities) (each, a “Public Lender”). The Loan Parties shall be deemed to have authorized Agent and its Affiliates and the Lenders to treat Borrower Materials marked “PUBLIC” or otherwise at any time filed with the SEC as not containing any material non-public information with respect to the Loan Parties or their securities for purposes of United States federal and state securities laws. All Borrower Materials marked “PUBLIC” are permitted to be made available through a portion of the Platform designated as “Public Investor” (or another similar term). Agent and its Affiliates and the Lenders shall be entitled to treat any Borrower Materials that are not marked “PUBLIC” or that are not at any time filed with the SEC as being suitable only for posting on a portion of the Platform not marked as “Public Investor” (or such other similar term).

17.10. **Survival.** All representations and warranties made by the Loan Parties in the Loan Documents and in the certificates or other instruments delivered in connection with or pursuant to this Agreement or any other Loan Document shall be considered to have been relied upon by the other parties hereto and shall survive the execution and delivery of the Loan Documents and the making of any Loans and issuance of any Letters of Credit, regardless of any investigation made by any such other party or on its behalf and notwithstanding that Agent, Issuing Lender, or any Lender may have had notice or knowledge of any Default or Event of Default or incorrect representation or warranty at the time any credit is extended hereunder, and shall continue in full force and effect as long as the principal of, or any accrued interest on, any Loan or any fee or any other amount payable under this Agreement is outstanding or unpaid or any Letter of Credit is outstanding and so long as the Commitments have not expired or been terminated.

17.11. **Patriot Act.** Each Lender that is subject to the requirements of the Patriot Act hereby notifies each Borrower that pursuant to the requirements of the Act, it is required to obtain, verify and record information that identifies each Borrower, which information includes the name and address of each Borrower and other information that will allow such Lender to identify Borrower in accordance with the Patriot Act. In addition, if Agent is required by law or regulation or internal policies to do so, it shall have the right to periodically conduct (a) Patriot Act searches, OFAC/PEP searches, and customary individual background checks for the Loan Parties and (b) OFAC/PEP searches and customary individual background checks for the Loan Parties’ senior management and key principals, and Borrowers agree to cooperate in respect of the conduct of such searches and further agree that the reasonable costs and charges for such searches shall constitute Lender Group Expenses hereunder and be for the account of Borrowers.

17.12. **Integration.** This Agreement, together with the other Loan Documents, reflects the entire understanding of the parties with respect to the transactions contemplated hereby and shall not be contradicted or qualified by any other agreement, oral or written, before the date hereof. The foregoing to the contrary notwithstanding, all Bank Product Agreements, if any, are independent agreements governed by the written provisions of such Bank Product Agreements, which will remain in full force and effect, unaffected by any repayment, prepayments, acceleration, reduction, increase, or change in the terms of any credit extended hereunder, except as otherwise expressly provided in such Bank Product Agreement.

17.13. **Split Lien Intercreditor Agreement.** Agent and each Lender hereunder, by its acceptance of the benefits provided hereunder, (a) consents to the subordination of Liens provided for in the Split Lien Intercreditor Agreement, (b) agrees that it will be bound by, and will take no actions contrary to, the provisions of the Split Lien Intercreditor Agreement, and (c) authorizes and instructs the Agent to enter into the Split Lien Intercreditor Agreement as Agent on behalf of each Lender. Agent and each Lender hereby agrees that the terms, conditions and provisions contained in this Agreement are subject to the Split Lien Intercreditor Agreement and, in the event of a conflict between the terms of the Split Lien Intercreditor Agreement and this Agreement, the terms of the Split Lien Intercreditor Agreement shall govern and control. Agent agrees to deliver to Administrative Borrower a copy of any written notice delivered to Split Lien Agent pursuant to the Intercreditor Agreement.

17.14. **Parent as Agent for Borrowers.** Each Borrower hereby irrevocably appoints Parent as the borrowing agent and attorney-in-fact for all Borrowers ("Administrative Borrower") which appointment shall remain in full force and effect unless and until Agent shall have received prior written notice signed by each Borrower that such appointment has been revoked and that another Borrower has been appointed Administrative Borrower. Each Borrower hereby irrevocably appoints and authorizes Administrative Borrower (i) to provide Agent with all notices with respect to Revolving Loans (inclusive of Swing Loans) and Letters of Credit obtained for the benefit of any Borrower and all other notices and instructions under this Agreement and (ii) to take such action as Administrative Borrower deems appropriate on its behalf to obtain Revolving Loans (inclusive of Swing Loans) and Letters of Credit and to exercise such other powers as are reasonably incidental thereto to carry out the purposes of this Agreement. Each Borrower hereby jointly and severally agrees to indemnify each member of the Lender Group and hold each member of the Lender Group harmless against any and all liability, expense, loss or claim of damage or injury, made against the Lender Group by any Credit Party or by any third party whatsoever, arising from or incurred by reason of (a) the handling of the Loan Account and Collateral of Borrowers as herein provided, (b) the Lender Group's relying on any instructions of Administrative Borrower, or (c) any other action taken by the Lender Group hereunder or under the other Loan Documents, except that Borrowers will have no liability to the relevant Agent-Related Person or Lender-Related Person under this Section 17.14 with respect to any liability that has been finally determined by a court of competent jurisdiction to have resulted solely from the gross negligence or willful misconduct of such Agent-Related Person or Lender-Related Person, as the case may be.

17.15. **Senior Debt.** The Obligations are intended to be senior Indebtedness, and not subordinated to any other senior Indebtedness, or made *pari passu* with Indebtedness that is subordinated to any other Indebtedness, of any Loan Party. The Obligations are deemed to be expressly designated and named as “Designated Senior Debt”, “Designated Senior Indebtedness,” “Senior Indebtedness” or similar terms for purposes of any present or future loan agreement, indenture, note issuance or purchase agreement or other document under which such a designation is applicable or available for senior Indebtedness of any Loan Party (including without limitation the Indebtedness under the Convertible Note Indenture).

Wilbert Scott Herman vs. School Specialty Inc., Case Number 37-2008-00092226-OU-PL-CTL, filed September 22, 2008 in the Superior Court of California, County of San Diego. Mr. Herman was a school teacher in California and was struck in the head by falling flagpole which was sold by the Parent but not designed or manufactured by the Parent. This is an insured product liability claim and the Parent's deductible for products liability is \$50,000.

Jenna Baker (d.o.b. 10/5/2006; date of accident 06/09/2009; date of reported claim 05/26/2011) claim against Childcraft Education Corp. (a wholly owned subsidiary of School Specialty, Inc.) due to injury suffered by Ms. Baker while at C J's County Kids Childcare Center LLC with a product allegedly sold by Childcraft. School Specialty, Inc. ("SSI") v. RR Donnelley & Sons Company ("RRD"), U.S. Dist. Ct. E.D. Wis., Case No.1:12-CV-01034. SSI sued RRD for damages in excess of \$1 million resulting from a deficient printing job. The claim for direct damages in this matter is approximately \$1 million. RRD counterclaimed against SSI for fraud in the inducement and breach of contract, claiming SSI concealed known problems with the inks RRD used for the printing job, and SSI breached its contract with RRD by cancelling purchase orders for additional work. RRD seeks damages in excess of \$500,000. Litigation counsel believes that this suit will yield a net payment to SSI.

Redcay Industrial Development, III, LLC ("Redcay") v. School Specialty, Inc., U.S. Dist. Ct. E.D. PA, Case No. 12-CV-7074. Redcay leased a warehouse in Mt. Joy, Pennsylvania to SSI for 20 years, ending on January 1, 2025. Pursuant to the terms of the lease, if SSI's credit rating adversely changes during the term of the lease, and that change impairs Redcay's ability to obtain financing or increases the costs of financing, SSI's rent increases by the resulting costs and expenses incurred by Redcay. Redcay claims that SSI's credit rating went down, and Redcay was unable to refinance the property at a substantially lower interest rate. Redcay seeks a declaratory judgment that SSI owes more rent under the lease or, in the alternative, Redcay seeks damages for breach of contract for over \$100,000 of additional rent annually.

Landmark Technology, LLC – claims to own U.S. Patent Nos. 5,576,951, 6,289,319 and 7,010,508 relating to transaction processes and features used in many electronic commerce systems including structures which exchange business data among trading partners. Landmark has notified School Specialty that Landmark believes School Specialty requires a license under these patents. To date, the company is still gathering information to respond substantively, and has discussed the matter with Landmark’s counsel to a limited extent. Regarding the Landmark Technology, LLC claim, which is not at the litigation stage, we estimate the exposure to be less than \$200,000. We believe that we have a significant chance of prevailing in the event that this is litigated. These claims are not covered by insurance.

JFJ Toys d/b/a D&L Company and D&L’s owner, Fred Ramirez – claims to own trademark registrations for STOMP and STOMP ROCKET for use with toy air rockets. D&L has claimed that School Specialty’s (Sportime’s) sale of the STOMP-N-LAUNCH BALL LAUNCHER is a trademark infringement. Sportime has removed the product from its web sites and catalogs, and has changed the name of its product to STEP-N-LAUNCH BALL LAUNCHER, but there is still some older product in the pipelines. The company expects the matter to be resolved soon without payment of money to D&L.

S&S Worldwide, Inc. – claims to own a trademark registration for GATOR SKIN for use in connection with certain children’s play ball products. S&S has claimed that School Specialty’s use, in connection with its TechnoSkin ball products, of “Compare our quality and our prices with Gatorskin and all other ‘cheap’ balls. We know ours is the best value and higher quality.” is pejorative and deceptively false. The referenced phrase appears in School Specialty’s catalogs only, and not on its web site. School Specialty plans to remove the referenced phrase from future catalogs. The company expects the matter to be resolved soon without payment of money to S&S.

The Hubbard Company – claims to own a trademark registration for WARD and design, for use in connection with lesson plans, class records and assignment and attendance notebooks, and is a former supplier of these products to School Specialty. Hubbard claims that some of School Specialty’s web sites, including Hammond & Stephens, Learning Outlet, Classroom Direct and School Specialty Canada, are using images and item numbers of Hubbard products, but shipping products from other companies, and claims that such activities are acts of trademark infringement and unfair competition. School Specialty has changed the images of the products shown in its Education Essentials catalog and on its web site, and has changed the item numbers used, and has informed Hubbard of these changes. The company expects the matter to be resolved soon without payment of money to Hubbard.

Barry Traub – is a former employee of the Sportime unit. Mr. Traub has claimed that, after Mr. Traub’s separation from Sportime, Sportime adopted some of his product ideas, and has not complied with its termination agreement with him regarding payment for those ideas. The matter is not yet at the litigation stage, and the company believes the matter will be resolved with a payment, if any, of less than \$30,000.

Carson-Dellosa Publishing, LLC (“CD”) a limited liability company of which School Specialty, Inc. (“SSI”) owns a 35% equity interest has through their counsel of Schell Bray PLLC noticed SSI in a letter dated January 3, 2012 that CD alleges that SSI “may have breached and may be contemplating further breaches of the noncompetition provisions set forth in Section 14.4. of the Operating Agreement (the “Noncompetition Provisions”). We are not attempting to describe comprehensively the depth and breadth of the Noncompetition Provisions in this letter. We do, however, wish to express concern about certain activities of SSI that may violate the Noncompetition Provisions.” No formal action has been taken at this time and SSI disputes this allegation.

The Company offers its products through two operating groups: Accelerated Learning and Educational Resources. Accelerated Learning provides core and supplemental curriculum programs that help educators deepen students’ subject matter understanding and accelerate the speed of learning. This group intends to expand its portfolio of instructional programs, combining print-based and digital instructional and assessment tools to deliver value to educators and build competitive advantages in the marketplace. The Educational Resources group offers educators the broadest range and deepest assortment of basic school supplies, supplemental learning products, classroom equipment and furniture available from a single supplier. That positioning creates competitive advantages in the ability to aggregate products and deliver materials in cross curricular and educational category kits. The group further differentiates itself through proprietary product development activities that result in innovative approaches to early childhood and student learning. In addition, the Company offers a value-add consulting service to schools and school districts in order to provide time and money-saving options to school administrators

2. Guaranty.

(a) In recognition of the direct and indirect benefits to be received by Guarantors from the proceeds of the Revolving Loans, the issuance of the Letters of Credit, and the entering into of the Bank Product Agreements and by virtue of the financial accommodations to be made to Borrowers, each of the Guarantors, jointly and severally, hereby unconditionally and irrevocably guarantees as a primary obligor and not merely as a surety the full and prompt payment when due, whether upon maturity, acceleration, or otherwise, of all of the Guaranteed Obligations. If any or all of the Obligations becomes due and payable, each of the Guarantors, unconditionally and irrevocably, and without the need for demand, protest, or any other notice or

formality, promises to pay such indebtedness to Agent, for the benefit of the Lender Group and the Bank Product Providers, together with any and all reasonable expenses (including Lender Group Expenses) that may be incurred by Agent or any other member of the Lender Group or any Bank Product Provider in demanding, enforcing, or collecting any of the Guaranteed Obligations (including the enforcement of any collateral for such Obligations or any collateral for the obligations of the Guarantors under this Guaranty). If claim is ever made upon Agent or any other member of the Lender Group or any Bank Product Provider for repayment or recovery of any amount or amounts received in payment of or on account of any or all of the Obligations and any of Agent or any other member of the Lender Group or any Bank Product Provider repays all or part of said amount by reason of (i) any judgment, decree, or order of any court or administrative body having jurisdiction over such payee or any of its property, or (ii) any reasonable settlement or compromise of any such claim effected by such payee with any such claimant (including any Borrower or any Guarantor), then and in each such event, each of the Guarantors agrees that any such judgment, decree, order, settlement, or compromise shall be binding upon the Guarantors, notwithstanding any revocation (or purported revocation) of this Guaranty or other instrument evidencing any liability of any Grantor, and the Guarantors shall be and remain liable to the aforesaid payees hereunder for the amount so repaid or recovered to the same extent as if such amount had never originally been received by any such payee.

(b) Additionally, each of the Guarantors unconditionally and irrevocably guarantees the payment of any and all of the Obligations to Agent, for the benefit of the Lender Group and the Bank Product Providers, whether or not due or payable by any Loan Party upon the occurrence of any of the events specified in Section 8.4 or 8.5 of the Credit Agreement, and irrevocably and unconditionally promises to pay such indebtedness to Agent, for the benefit of the Lender Group and the Bank Product Providers, without the requirement of demand, protest, or any other notice or other formality, in lawful money of the United States.

(c) The liability of each of the Guarantors hereunder is primary, absolute, and unconditional, and is independent of any security for or other guaranty of the Obligations, whether executed by any other Guarantor or by any other Person, and the liability of each of the Guarantors hereunder shall not be affected or impaired by (i) any payment on, or in reduction of, any such other guaranty or undertaking, (ii) any dissolution, termination, or increase, decrease, or change in personnel by any Grantor, (iii) any payment made to Agent, any other member of the Lender Group, or any Bank Product Provider on account of the Obligations which Agent, such other member of the Lender Group, or such Bank Product Provider repays to any Grantor pursuant to court order in any bankruptcy, reorganization, arrangement, moratorium or other debtor relief proceeding (or any settlement or compromise of any claim made in such a proceeding relating to such payment), and each of the Guarantors waives any right to the deferral or modification of its obligations hereunder by reason of any such proceeding, or (iv) any action or inaction by Agent, any other member of the Lender Group, or any Bank Product Provider, or (v) any invalidity, irregularity, avoidability, or unenforceability of all or any part of the Obligations or of any security therefor.

(d) This Guaranty includes all present and future Guaranteed Obligations including any under transactions continuing, compromising, extending, increasing, modifying, releasing, or renewing the Guaranteed Obligations, changing the interest rate, payment terms, or other terms and conditions thereof, or creating new or additional Guaranteed Obligations after prior Guaranteed Obligations have been satisfied in whole or in part. To the maximum extent permitted by law, each Guarantor hereby waives any right to revoke this Guaranty as to future Guaranteed Obligations. If such a revocation is effective notwithstanding the foregoing waiver, each Guarantor acknowledges and agrees that (i) no such revocation shall be effective until written notice thereof has been received by Agent, (ii) no such revocation shall apply to any Guaranteed Obligations in existence on the date of receipt by Agent of such written notice (including any subsequent continuation, extension, or renewal thereof, or change in the interest rate, payment terms, or other terms and conditions thereof), (iii) no such revocation shall apply to any Guaranteed Obligations made or created after such date to the extent made or created pursuant to a legally binding commitment of any member of the Lender Group or any Bank Product Provider in existence on the date of such revocation, (iv) no payment by any Guarantor, any Borrower, or from any other source, prior to the date of Agent's receipt of written notice of such revocation shall reduce the maximum obligation of such Guarantor hereunder, and (v) any payment by any Borrower or from any source other than such Guarantor subsequent to the date of such revocation shall first be applied to that portion of the Guaranteed Obligations as to which the revocation is effective and which are not, therefore, guaranteed hereunder, and to the extent so applied shall not reduce the maximum obligation of such Guarantor hereunder. This Guaranty shall be binding upon each Guarantor, its successors and assigns and inure to the benefit of and be enforceable by Agent (for the benefit of the Lender Group and the Bank Product Providers) and its successors, transferees, or assigns.

(e) The guaranty by each of the Guarantors hereunder is a guaranty of payment and not of collection. The obligations of each of the Guarantors hereunder are independent of the obligations of any other Guarantor or Grantor or any other Person and a separate action or actions may be brought and prosecuted against one or more of the Guarantors whether or not action is brought against any other Guarantor or Grantor or any other Person and whether or not any other Guarantor or Grantor or any other Person be joined in any such action or actions. Each of the Guarantors waives, to the fullest extent permitted by law, the benefit of any statute of limitations affecting its liability hereunder or the enforcement hereof. Any payment by any Grantor or other circumstance which operates to toll any statute of limitations as to any Grantor shall operate to toll the statute of limitations as to each of the Guarantors.

(f) Each of the Guarantors authorizes Agent, the other members of the Lender Group, and the Bank Product Providers without notice or demand, and without affecting or impairing its liability hereunder, from time to time to:

(i) change the manner, place, or terms of payment of, or change or extend the time of payment of, renew, increase, accelerate, or alter: (A) any of the Obligations (including any increase or decrease in the principal amount thereof or the rate of interest or fees thereon); or (B) any security therefor or any liability incurred directly or indirectly in respect thereof, and this Guaranty shall apply to the Obligations as so changed, extended, renewed, or altered;

(ii) take and hold security for the payment of the Obligations and sell, exchange, release, impair, surrender, realize upon, collect, settle, or otherwise deal with in any manner and in any order any property at any time pledged or mortgaged to secure the Obligations or any of the Guaranteed Obligations (including any of the obligations of all or any of the Guarantors under this Guaranty) incurred directly or indirectly in respect thereof or hereof, or any offset on account thereof;

(iii) exercise or refrain from exercising any rights against any Grantor;

(iv) release or substitute any one or more endorsers, guarantors, any Grantor, or other obligors;

(v) settle or compromise any of the Obligations, any security therefor, or any liability (including any of those of any of the Guarantors under this Guaranty) incurred directly or indirectly in respect thereof or hereof, and may subordinate the payment of all or any part thereof to the payment of any liability (whether due or not) of any Grantor to its creditors;

(vi) apply any sums by whomever paid or however realized to any liability or liabilities of any Grantor to Agent, any other member of the Lender Group, or any Bank Product Provider regardless of what liability or liabilities of such Grantor remain unpaid;

(vii) consent to or waive any breach of, or any act, omission, or default under, this Agreement, any other Loan Document, any Bank Product Agreement, or any of the instruments or agreements referred to herein or therein, or otherwise amend, modify, or supplement this Agreement, any other Loan Document, any Bank Product Agreement, or any of such other instruments or agreements; or

(viii) take any other action that could, under otherwise applicable principles of law, give rise to a legal or equitable discharge of one or more of the Guarantors from all or part of its liabilities under this Guaranty.

(g) It is not necessary for Agent, any other member of the Lender Group, or any Bank Product Provider to inquire into the capacity or powers of any of the Guarantors or the officers, directors, partners or agents acting or purporting to act on their behalf, and any Obligations made or created in reliance upon the professed exercise of such powers shall be Guaranteed hereunder.

(h) Each Guarantor jointly and severally guarantees that the Guaranteed Obligations will be paid strictly in accordance with the terms of the Loan Documents, regardless of any law, regulation, or order now or hereafter in effect in any jurisdiction affecting any of such terms or the rights of any member of the Lender Group or any Bank Product Provider with respect thereto. The obligations of each Guarantor under this Guaranty are independent of the Guaranteed Obligations, and a separate action or actions may be brought and prosecuted against each Guarantor to enforce such obligations, irrespective of whether any action is brought against any other Guarantor or whether any other Guarantor is joined in any such action or actions. The liability of each Guarantor under this Guaranty shall be absolute and unconditional irrespective of, and each Guarantor hereby irrevocably waives any defense it may now or hereafter have in any way relating to, any or all of the following:

(i) any lack of validity or enforceability of any Loan Document or any agreement or instrument relating thereto;

(ii) any change in the time, manner, or place of payment of, or in any other term of, all or any of the Guaranteed Obligations, or any other amendment or waiver of or any consent to departure from any Loan Document, including any increase in the Guaranteed Obligations resulting from the extension of additional credit;

(iii) any taking, exchange, release, or non-perfection of any Lien in and to any Collateral, or any taking, release, amendment, waiver of, or consent to departure from any other guaranty, for all or any of the Guaranteed Obligations;

(iv) the existence of any claim, set-off, defense, or other right that any Guarantor may have at any time against any Person, including Agent, any other member of the Lender Group, or any Bank Product Provider;

(v) any defense, set-off, counterclaim, or claim, of any kind or nature, arising directly or indirectly from the present or future lack of perfection, sufficiency, validity, or enforceability of the Guaranteed Obligations or any security therefor;

(vi) any right or defense arising by reason of any claim or defense based upon an election of remedies by any member of the Lender Group or any Bank Product Provider including any defense based upon an impairment or elimination of such Guarantor's rights of subrogation, reimbursement, contribution, or indemnity of such Guarantor against any other Grantor or any guarantors or sureties;

(vii) any change, restructuring, or termination of the corporate, limited liability company, or partnership structure or existence of any Grantor; or

(viii) any other circumstance that might otherwise constitute a defense available to, or a discharge of, any Grantor or any other guarantor or surety.

(i) Waivers:

(i) Each of the Guarantors waives any right (except as shall be required by applicable statute and cannot be waived) to require Agent, any other member of the Lender Group, or any Bank Product Provider to (i) proceed against any other Grantor or any other Person, (ii) proceed against or exhaust any security held from any other Grantor or any other Person, or (iii) protect, secure, perfect, or insure any security interest or Lien on any property subject thereto or exhaust any right to take any action against any other Grantor, any other Person, or any collateral, or (iv) pursue any other remedy in any member of the Lender Group's or any Bank Product Provider's power whatsoever. Each of the Guarantors waives any defense based on or arising out of any defense of any Grantor or any other Person, other than payment of the Obligations to the extent of such payment, based on or arising out of the disability of any Grantor or any other Person, or the validity, legality, or unenforceability of the Obligations or any part thereof from any cause, or the cessation from any cause of the liability of any Grantor other than payment of the Obligations to the extent of such payment. Agent may, at the election of the Required Lenders, foreclose upon any Collateral held by Agent by one or more judicial or nonjudicial sales or other dispositions, whether or not every aspect of any such sale is commercially reasonable or otherwise fails to comply with applicable law or may exercise any other right or remedy Agent, any other member of the Lender Group, or any Bank Product Provider may have against any Grantor or any other Person, or any security, in each case, without affecting or impairing in any way the liability of any of the Guarantors hereunder except to the extent the Obligations have been paid.

(ii) Each of the Guarantors waives all presentments, demands for performance, protests and notices, including notices of nonperformance, notices of protest, notices of dishonor, notices of acceptance of this Guaranty, and notices of the existence, creation, or incurring of new or additional Obligations or other financial accommodations. Each of the Guarantors waives notice of any Default or Event of Default under any of the Loan Documents. Each of the Guarantors assumes all responsibility for being and keeping itself informed of each Grantor's financial condition and assets and of all other circumstances bearing upon the risk of nonpayment of the Obligations and the nature, scope, and extent of the risks which each of the Guarantors assumes and incurs hereunder, and agrees that neither Agent nor any of the other members of the Lender Group nor any Bank Product Provider shall have any duty to advise any of the Guarantors of information known to them regarding such circumstances or risks.

(iii) To the fullest extent permitted by applicable law, each Guarantor hereby waives: (A) any right to assert against any member of the Lender Group or any Bank Product Provider, any defense (legal or equitable), set-off, counterclaim, or claim which each Guarantor may now or at any time hereafter have against any Borrower or any other party liable to any member of the Lender Group or any Bank Product Provider; (B) any defense, set-off, counterclaim, or claim, of any kind or nature, arising directly or indirectly from the present or future lack of perfection, sufficiency, validity, or enforceability of the Guaranteed Obligations or any security therefor; (C) any right or defense arising by reason of any claim or defense based upon an election of remedies by any member of the Lender Group or any Bank Product Provider including any defense based upon an impairment or elimination of such Guarantor's rights of subrogation, reimbursement, contribution, or indemnity of such Guarantor against any Borrower or other guarantors or sureties; and (D) the benefit of any statute of limitations affecting such Guarantor's liability hereunder or the enforcement thereof, and any act which shall defer or delay the operation of any statute of limitations applicable to the Guaranteed Obligations shall similarly operate to defer or delay the operation of such statute of limitations applicable to such Guarantor's liability hereunder.

(iv) No Guarantor will exercise any rights that it may now or hereafter acquire against any Grantor or any other guarantor that arise from the existence, payment, performance or enforcement of such Guarantor's obligations under this Guaranty, including any right of subrogation, reimbursement, exoneration, contribution or indemnification and any right to participate in any claim or remedy of Agent, any other member of the Lender Group, or any Bank Product Provider against any Grantor or any other guarantor or any Collateral, whether or not such claim, remedy or right arises in equity or under contract, statute or common law, including the right to take or receive from any Grantor or any other guarantor, directly or indirectly, in cash or other property or by set-off or in any other manner, payment or security solely on account of such claim, remedy or right, unless and until all of the Guaranteed Obligations and all other amounts payable under this Guaranty shall have been paid in full in cash and all of the Commitments have been terminated. If any amount shall be paid to any Guarantor in violation of the immediately preceding sentence, such amount shall be held in trust for the benefit of Agent, for the benefit of the Lender Group and the Bank Product Providers, and

shall forthwith be paid to Agent to be credited and applied to the Guaranteed Obligations and all other amounts payable under this Guaranty, whether matured or unmatured, in accordance with the terms of the Credit Agreement, or to be held as Collateral for any Guaranteed Obligations or other amounts payable under this Guaranty thereafter arising. Notwithstanding anything to the contrary contained in this Guaranty, no Guarantor may exercise any rights of subrogation, contribution, indemnity, reimbursement or other similar rights against, and may not proceed or seek recourse against or with respect to any property or asset of, any other Grantor (the "Foreclosed Grantor"), including after payment in full of the Obligations, if all or any portion of the Obligations have been satisfied in connection with an exercise of remedies in respect of the Equity Interests of such Foreclosed Grantor whether pursuant to this Agreement or otherwise.

(v) Each of the Guarantors hereby acknowledges and affirms that it understands that to the extent the Obligations are secured by Real Property located in California, Guarantors shall be liable for the full amount of the liability hereunder notwithstanding the foreclosure on such Real Property by trustee sale or any other reason impairing such Guarantor's right to proceed against any Loan Party. In accordance with Section 2856 of the California Code of Civil Procedure or any similar laws of any other applicable jurisdiction, each of the Guarantors hereby waives until such time as the Obligations have been paid in full:

(1) all rights of subrogation, reimbursement, indemnification, and contribution and any other rights and defenses that are or may become available to the Guarantors by reason of Sections 2787 to 2855, inclusive, 2899, and 3433 of the California Code of Civil Procedure or any similar laws of any other applicable jurisdiction;

(2) all rights and defenses that the Guarantors may have because the Obligations are secured by Real Property located in California, meaning, among other things, that: (A) Agent, the other members of the Lender Group, and the Bank Product Providers may collect from the Guarantors without first foreclosing on any real or personal property collateral pledged by any Borrower or any other Grantor, and (B) if Agent, on behalf of the Lender Group, forecloses on any Real Property collateral pledged by any Borrower or any other Grantor, (1) the amount of the Obligations may be reduced only by the price for which that collateral is sold at the foreclosure sale, even if the collateral is worth more than the sale price, and (2) the Lender Group may collect from the Guarantors even if, by foreclosing on the Real Property collateral, Agent or the other members of the Lender Group have destroyed or impaired any right the Guarantors may have to collect from any other Grantor, it being understood that this is an unconditional and irrevocable waiver of any rights and defenses the Guarantors may have because the Obligations are secured by Real Property (including, without limitation, any rights or defenses based upon Sections 580a, 580d, or 726 of the California Code of Civil Procedure or any similar laws of any other applicable jurisdiction); and

(3) all rights and defenses arising out of an election of remedies by Agent, the other members of the Lender Group, and the Bank Product Providers, even though that election of remedies, such as a nonjudicial foreclosure with respect to security for the Obligations, has destroyed Guarantors' rights of subrogation and reimbursement against any Grantor by the operation of Section 580d of the California Code of Civil Procedure or any similar laws of any other applicable jurisdiction or otherwise.

(vi) Each of the Guarantors represents, warrants, and agrees that each of the waivers set forth above is made with full knowledge of its significance and consequences and that if any of such waivers are determined to be contrary to any applicable law or public policy, such waivers shall be effective to the maximum extent permitted by law.

(vii) Each of the Guarantors acknowledges and agrees that it is a guarantor, not a surety, under this Agreement and hereby waives, to the maximum extent permitted by law, all rights and defenses of a guarantor or surety under the Illinois Sureties Act (740 ILCS 155/1) or any similar statute or rule of law.

(viii) The provisions in this Section 2 which refer to certain sections of the California Civil Code are included in this Guaranty solely out of an abundance of caution and shall not be construed to mean that any of the above-referenced provisions of California law are in any way applicable to this Guaranty.

3. Grant of Security. Each Grantor hereby unconditionally grants, assigns (except in the case of ULC Shares), and pledges to Agent, for the benefit of each member of the Lender Group and each of the Bank Product Providers, to secure the Secured Obligations, a continuing security interest (hereinafter referred to as the "Security Interest") in all of such Grantor's right, title, and interest in and to all of such Grantor's present and after-acquired personal property, including, without limitation, the following, whether now owned or hereafter acquired or arising and wherever located (the "Collateral"):

- (a) all of such Grantor's Accounts;
- (b) all of such Grantor's Books;
- (c) all of such Grantor's Chattel Paper;
- (d) all of such Grantor's Commercial Tort Claims;
- (e) all of such Grantor's Deposit Accounts;
- (f) all of such Grantor's Equipment;
- (g) all of such Grantor's Farm Products;
- (h) all of such Grantor's Fixtures;
- (i) all of such Grantor's General Intangibles;
- (j) all of such Grantor's Inventory;
- (k) all of such Grantor's Investment Property;
- (l) all of such Grantor's Intellectual Property and Intellectual Property Licenses;

-
- (m) all of such Grantor's Negotiable Collateral (including all of such Grantor's Pledged Notes);
 - (n) all of such Grantor's Pledged Interests (including all of such Grantor's Pledged Operating Agreements and Pledged Partnership Agreements);
 - (o) all of such Grantor's Securities Accounts;
 - (p) all of such Grantor's Supporting Obligations;
 - (q) all of such Grantor's money, Cash Equivalents, or other assets of such Grantor that now or hereafter come into the possession, custody, or control of Agent (or its agent or designee) or any other member of the Lender Group; and

(r) all of the proceeds (as such term is defined in the Code) and products, whether tangible or intangible, of any of the foregoing, including proceeds of insurance or Commercial Tort Claims covering or relating to any or all of the foregoing, and any and all Accounts, Books, Chattel Paper, Deposit Accounts, Equipment, Fixtures, General Intangibles, Inventory, Investment Property, Intellectual Property, Negotiable Collateral, Pledged Interests, Securities Accounts, Supporting Obligations, money, or other tangible or intangible property resulting from the sale, lease, license, exchange, collection, or other disposition of any of the foregoing, the proceeds of any award in condemnation with respect to any of the foregoing, any rebates or refunds, whether for taxes or otherwise, and all proceeds of any such proceeds, or any portion thereof or interest therein, and the proceeds thereof, and all proceeds of any loss of, damage to, or destruction of the above, whether insured or not insured, and, to the extent not otherwise included, any indemnity, warranty, or guaranty payable by reason of loss or damage to, or otherwise with respect to any of the foregoing (the "Proceeds"). Without limiting the generality of the foregoing, the term "Proceeds" includes whatever is receivable or received when Investment Property or proceeds are sold, exchanged, collected, or otherwise disposed of, whether such disposition is voluntary or involuntary, and includes proceeds of any indemnity or guaranty payable to any Grantor or Agent from time to time with respect to any of the Investment Property.

Notwithstanding anything contained in this Agreement to the contrary, the term "Collateral" shall not include: (i) voting Equity Interests of any CFC, solely to the extent that (y) such Equity Interests represent more than 65% of the outstanding voting Equity Interests of such CFC, and (z) pledging or hypothecating more than 65% of the total outstanding voting Equity Interests of such CFC would result in adverse tax consequences or the costs to the Grantors of providing such pledge are unreasonably excessive (as determined by Agent in consultation with Administrative Borrower) in relation to the benefits to Agent, the other members of the Lender Group, and the Bank Product Providers of the security afforded thereby (which pledge, if reasonably requested by Agent, shall be governed by the laws of the jurisdiction of such Subsidiary); or (ii) any rights or interest in any contract, lease, permit, license, or license agreement covering real or personal property of any Grantor if under the terms of such contract, lease, permit, license, or license agreement, or applicable law with respect thereto, the grant of a security interest or lien therein is prohibited as a matter of law or under the terms of such contract, lease, permit, license, or license agreement and such prohibition or restriction has not been waived or the consent of the other party to such contract, lease, permit,

license, or license agreement has not been obtained (provided, that, (A) the foregoing exclusions of this clause (ii) shall in no way be construed (1) to apply to the extent that any described prohibition or restriction is ineffective under Section 9-406, 9-407, 9-408, or 9-409 of the Code or other applicable law, or (2) to apply to the extent that any consent or waiver has been obtained that would permit Agent's security interest or lien to attach notwithstanding the prohibition or restriction on the pledge of such contract, lease, permit, license, or license agreement and (B) the foregoing exclusions of clauses (i) and (ii) shall in no way be construed to limit, impair, or otherwise affect any of Agent's, any other member of the Lender Group's or any Bank Product Provider's continuing security interests in and liens upon any rights or interests of any Grantor in or to (1) monies due or to become due under or in connection with any described contract, lease, permit, license, license agreement, or Equity Interests (including any Accounts or Equity Interests), or (2) any proceeds from the sale, license, lease, or other dispositions of any such contract, lease, permit, license, license agreement, or Equity Interests); (iii) any United States intent-to-use trademark applications to the extent that, and solely during the period in which, the grant of a security interest therein would impair the validity or enforceability of such intent-to-use trademark applications under applicable federal law, provided that upon submission and acceptance by the PTO of an amendment to allege use pursuant to 15 U.S.C. Section 1060(a) (or any successor provision), such intent-to-use trademark application shall be considered Collateral; (iv) any consumer goods (as defined in the PPSA) of Select Agendas; or (v) the last day of any real property lease, or any agreement to lease to which Select Agendas is now or becomes a party as lessee, provided that any such last day shall be held in trust by Select Agendas for Agent and, on the exercise by Agent of its rights and remedies hereunder, shall be assigned by Select Agendas as directed by Agent. Notwithstanding the foregoing, Agent shall only have a security in, and not a present assignment of, any Canadian trademarks or ULC Shares forming part of the Collateral.

4. Security for Secured Obligations. The Security Interest created hereby secures the payment and performance of the Secured Obligations, whether now existing or arising hereafter. Without limiting the generality of the foregoing, this Agreement secures the payment of all amounts which constitute part of the Secured Obligations and would be owed by Grantors, or any of them, to Agent, the Lender Group, the Bank Product Providers or any of them, but for the fact that they are unenforceable or not allowable (in whole or in part) as a claim in an Insolvency Proceeding involving any Grantor due to the existence of such Insolvency Proceeding. Each Grantor confirms that value has been given by the Lender Group or the Bank Product Providers or any of them to such Grantor, that such Grantor has rights in its Collateral existing at the date of this Agreement and that such Grantor and the Agent have not agreed to postpone the time for attachment to the Security Interest in any of the Collateral of such Grantor.

5. Grantors Remain Liable. Anything herein to the contrary notwithstanding, (a) each of the Grantors shall remain liable under the contracts and agreements included in the Collateral, including the Pledged Operating Agreements and the Pledged Partnership Agreements, to perform all of the duties and obligations thereunder to the same extent as if this Agreement had not been executed, (b) the exercise by Agent or any other member of the Lender Group of any of the rights hereunder shall not release any Grantor from any of its duties or obligations under such contracts and agreements included in the Collateral, and (c) none of the members of the Lender Group shall have any obligation or liability under such contracts and agreements included in the Collateral by reason of this Agreement, nor shall any of the members

of the Lender Group be obligated to perform any of the obligations or duties of any Grantors thereunder or to take any action to collect or enforce any claim for payment assigned hereunder. Until an Event of Default shall occur and be continuing, except as otherwise provided in this Agreement, the Credit Agreement, or any other Loan Document, Grantors shall have the right to possession and enjoyment of the Collateral for the purpose of conducting the ordinary course of their respective businesses, subject to and upon the terms hereof and of the Credit Agreement and the other Loan Documents. Without limiting the generality of the foregoing, it is the intention of the parties hereto that record and beneficial ownership of the Pledged Interests, including all voting, consensual, dividend, and distribution rights, shall remain in the applicable Grantor until (i) the occurrence and continuance of an Event of Default (or, in the case of pledged ULC Shares, the ULC Shares are no longer registered in the name of the applicable Grantor) and (ii) Agent has notified the applicable Grantor of Agent's election to exercise such rights with respect to the Pledged Interests pursuant to Section 16, except that in the case of ULC Shares, the applicable Grantor shall have the right to vote such shares and to retain for its own account any dividends or other distributions on such shares (other than to the extent same consists of certificated Pledged Interests which shall be delivered to Agent to be held in accordance with the terms hereof) until such shares are effectively transferred in to the name of a person other than such Grantor.

6. Representations and Warranties. In order to induce Agent to enter into this Agreement for the benefit of the Lender Group and the Bank Product Providers, each Grantor makes the following representations and warranties to the Lender Group which shall be true, correct, and complete, in all material respects (except that such materiality qualifier shall not be applicable to any representations and warranties that already are qualified or modified by materiality in the text thereof), as of the Closing Date, and shall be true, correct, and complete, in all material respects (except that such materiality qualifier shall not be applicable to any representations and warranties that already are qualified or modified by materiality in the text thereof), as of the date of the making of each Revolving Loan (or other extension of credit) made thereafter, as though made on and as of the date of such Revolving Loan (or other extension of credit) (except to the extent that such representations and warranties relate solely to an earlier date, in which case such representations and warranties shall be true and correct in all material respects (except that such materiality qualifier shall not be applicable to any representations and warranties that already are qualified or modified by materiality in the text thereof) as of such earlier date) and such representations and warranties shall survive the execution and delivery of this Agreement:

(v) each Grantor has taken reasonable steps to maintain the confidentiality of and otherwise protect and enforce its rights in all trade secrets owned by such Grantor that are necessary in or material to the conduct of the business of such Grantor.

(i) This Agreement creates a valid security interest in the Collateral of each Grantor, to the extent a security interest therein can be created under the Code, securing the payment of the Secured Obligations. Except to the extent a security interest in the Collateral cannot be perfected by the filing of a financing statement under the Code, all filings and other actions necessary or desirable to perfect and protect such security interest have been duly taken or will have been taken upon the filing of financing statements listing each applicable Grantor, as a debtor, and Agent, as secured party, in the jurisdictions listed next to such Grantor's name on Schedule 11. Each Grantor further agrees not to abandon any Intellectual Property or Intellectual Property License that is necessary in or material to the conduct of such Grantor's business. Each Grantor hereby agrees to take the steps described in this Section 7(g)(ii) with respect to all new or acquired Intellectual Property to which it or any of its Subsidiaries is now or later becomes entitled that is necessary in or material to the conduct of such Grantor's business;

(iii) Grantors acknowledge and agree that the Lender Group shall have no duties with respect to any Intellectual Property or Intellectual Property Licenses of any Grantor. Without limiting the generality of this Section 7(g)(iii), Grantors acknowledge and agree that no member of the Lender Group shall be under any obligation to take any steps necessary to preserve rights in the Collateral consisting of Intellectual Property or Intellectual Property Licenses against any other Person, but any member of the Lender Group may do so at its option from and after the occurrence and during the continuance of an Event of Default, and all expenses incurred in connection therewith (including reasonable fees and expenses of attorneys and other professionals) shall be for the sole account of Borrowers and shall be chargeable to the Loan Account;

(iv) [Reserved.]

(v) No later than the last date of each fiscal quarter of Grantor (or, if an Event of Default has occurred and is continuing, more frequently if requested by Agent), each Grantor shall provide Agent with a written report of all new Patents, Trademarks or Copyrights that are registered or the subject of pending applications for registrations, and of all Intellectual Property Licenses that are material to the conduct of such Grantor's business, in each case, which were acquired, registered, or for which applications for registration were filed by any Grantor during the prior period. In the case of such registrations or applications therefor, which were acquired or otherwise owned by any Grantor, each such Grantor shall file the necessary documents with the appropriate Governmental Authority identifying the applicable Grantor as the owner (or as a co-owner thereof, if such is the case) of such Intellectual Property. In each of the foregoing cases, the applicable Grantor shall promptly cause to be prepared, executed, and delivered to Agent supplemental schedules to the applicable Loan Documents to identify such Patent, Trademark and Copyright registrations and applications therefor and Intellectual Property Licenses as being subject to the security interests created thereunder;

(vi) Anything to the contrary in this Agreement notwithstanding, in no event shall any Grantor, either itself or through any agent, employee, licensee, or designee, file an application for the registration of any Copyright with the United States Copyright Office or any similar office or agency in another country without complying with Section 7(g)(i). Upon receipt from the United States Copyright Office of notice of registration of any Copyright, each Grantor shall promptly (but in no event later than the end of the calendar month following such receipt) notify (but without duplication of any notice required by Section 7(g)(v)) Agent of such registration by delivering, or causing to be delivered, to Agent, documentation sufficient for Agent to perfect Agent's Liens on such Copyright. If any Grantor acquires from any Person any Copyright registered with the United States Copyright Office or an application to register any Copyright with the United States Copyright Office, such Grantor shall promptly (but in no event later than the end of the calendar month following such acquisition) notify Agent of such acquisition and deliver, or cause to be delivered, to Agent, documentation sufficient for Agent to perfect Agent's Liens on such Copyright. In the case of such Copyright registrations or applications therefor which were acquired by any Grantor, each such Grantor shall promptly (but in no event later than the end of the calendar month following such acquisition) file the necessary documents with the appropriate Governmental Authority identifying the applicable Grantor as the owner (or as a co-owner thereof, if such is the case) of such Copyrights;

(vii) Each Grantor shall take reasonable steps to maintain the confidentiality of, and otherwise protect and enforce its rights in, the Intellectual Property that is necessary in or material to the conduct of such Grantor's business, including, as applicable (A) protecting the secrecy and confidentiality of its confidential information and trade secrets by having and enforcing a policy requiring all current employees, consultants, licensees, vendors and contractors with access to such information to execute appropriate confidentiality agreements; (B) taking actions reasonably necessary to ensure that no trade secret falls into the public domain; and (C) protecting the secrecy and confidentiality of the source code of all software programs and applications of which it is the owner or licensee by having and enforcing a policy requiring any licensees (or sublicensees) of such source code to enter into license agreements with commercially reasonable use and non-disclosure restrictions; and

(viii) After the Closing Date, no Grantor shall enter into any Intellectual Property License material to the conduct of the business to receive any license or rights in any Intellectual Property of any other Person unless such Grantor has used commercially reasonable efforts to permit the assignment of or grant of a security interest in such Intellectual Property License (and all rights of Grantor thereunder) to Agent (and any transferees of Agent).

(h) Investment Property.

(i) If any Grantor shall acquire, obtain, receive or become entitled to receive any Pledged Interests after the Closing Date, it shall promptly (and in any event within five (5) Business Days of acquiring or obtaining such Collateral) deliver to Agent a duly executed Pledged Interests Addendum identifying such Pledged Interests (notwithstanding the foregoing or any other provision of this Section 7(h) the limitations regarding the pledging of equity interests of CFCs as described in the Credit Agreement shall be in full force and effect);

(ii) Except with respect to ULC Shares, upon the occurrence and during the continuance of an Event of Default, following the request of either Co-Collateral Agent, all sums of money and property paid or distributed in respect of the Investment Property that are received by any Grantor shall be held by the Grantors in trust for the benefit of Agent segregated from such Grantor's other property, and such Grantor shall deliver it forthwith to Agent in the exact form received;

(iii) Each Grantor shall promptly deliver to Agent a copy of each material notice or other material communication received by it in respect of any Pledged Interests;

(iv) No Grantor shall make or consent to any amendment or other modification or waiver with respect to any Pledged Interests, Pledged Operating Agreement, or Pledged Partnership Agreement, or enter into any agreement or permit to exist any restriction with respect to any Pledged Interests if the same is prohibited pursuant to the Loan Documents;

(v) Each Grantor agrees that it will cooperate with Agent in obtaining all necessary approvals and making all necessary filings under federal, state, provincial, local, or foreign law to effect the perfection of the Security Interest on the Investment Property or to effect any sale or transfer thereof;

(vi) As to all limited liability company or partnership interests, issued under any Pledged Operating Agreement or Pledged Partnership Agreement, each Grantor hereby covenants that the Pledged Interests issued pursuant to such agreement (A) are not and shall not be dealt in or traded on securities exchanges or in securities markets, (B) do not and will not constitute investment company securities, and (C) are not and will not be held by such Grantor in a securities account. As of the Closing Date, each limited liability company agreement governing the Pledged Interests shall expressly provide that such Pledged Interests are securities governed by Article 8 of the UCC; provided however, in connection with any Grantor organized under the laws of Canada or a province or territory thereof, such Grantor covenants that all interest in partnerships and limited liability companies shall be a "security" for the purposes of the STA (if applicable).

(i) Real Property; Fixtures. Each Grantor covenants and agrees that upon the acquisition of any fee interest in Real Property having a fair market value in excess of \$250,000 it will promptly (and in any event within two (2) Business Days of acquisition) notify Agent of the acquisition of such Real Property and will grant to Agent, for the benefit of the Lender Group and the Bank Product Providers, a second priority Mortgage (subject only to the first priority Mortgage granted in favor of the Term Loan Agent to the extent permitted under the Split Lien Intercreditor Agreement) on each fee interest in Real Property now or hereafter owned by such Grantor and shall deliver such other documentation and opinions, in form and substance satisfactory to Agent, in connection with the grant of such Mortgage as Agent shall request in its Permitted Discretion, including title insurance policies, financing statements, fixture filings and environmental audits and such Grantor shall pay all recording costs, intangible taxes and other fees and costs (including reasonable attorneys' fees and expenses) incurred in connection therewith. Each Grantor acknowledges and agrees that, to the extent permitted by applicable law, all of the Collateral shall remain personal property regardless of the manner of its attachment or affixation to real property;

(j) Transfers and Other Liens. Grantors shall not (i) sell, assign (by operation of law or otherwise) or otherwise dispose of, or grant any option with respect to, any of the Collateral, except as expressly permitted by the Credit Agreement, or (ii) create or permit to exist any Lien upon or with respect to any of the Collateral of any Grantor, except for Permitted Liens. The inclusion of Proceeds in the Collateral shall not be deemed to constitute Agent's consent to any sale or other disposition of any of the Collateral except as expressly permitted in this Agreement or the other Loan Documents;

(k) Controlled Accounts; Controlled Investments.

(i) Each Grantor shall (A) establish and maintain cash management services of a type and on terms reasonably satisfactory to Co-Collateral Agents at one or more of the banks set forth on Schedule 11 (each a "Controlled Account Bank"), and shall take reasonable steps to ensure that all of its and its Subsidiaries' Account Debtors forward payment of the amounts owed by them directly to such Controlled Account Bank, and (B) deposit or cause to be deposited promptly, and in any event no later than the first Business Day after the date of receipt thereof, all of their Collections (including those sent directly by their Account Debtors to a Grantor) into a bank account of such Grantor (each, a "Controlled Account") at one of the Controlled Account Banks.

(ii) Each Grantor shall establish and maintain Controlled Account Agreements with Agent and the applicable Controlled Account Bank, in form and substance reasonably acceptable to Co-Collateral Agents. Each such Controlled Account Agreement shall provide, among other things, that (A) the Controlled Account Bank will comply with any instructions originated by Agent directing the disposition of the funds in such Controlled Account without further consent by the applicable Grantor, (B) the Controlled Account Bank waives, subordinates, or agrees not to exercise any rights of setoff or recoupment or any other claim against the applicable Controlled Account other than for payment of its service fees and other charges directly related to the administration of such Controlled Account and for returned checks or other items of payment, and (C) the Controlled Account Bank will forward by daily sweep all amounts in the applicable Controlled Account to the Agent's Account.

(iii) So long as no Default or Event of Default has occurred and is continuing, Borrowers may amend Schedule 11 to add or replace a Controlled Account Bank or Controlled Account and shall upon such addition or replacement provide to Agent an amended Schedule 11; provided, however, that (A) such prospective Controlled Account Bank shall be reasonably satisfactory to Co-Collateral Agents, and (B) prior to the time of the opening of such Controlled Account, the applicable Grantor and such prospective Controlled Account Bank shall have executed and delivered to Co-Collateral Agents a Controlled Account Agreement. Each Grantor shall close any of its Controlled Accounts (and establish replacement Controlled Account accounts in accordance with the foregoing sentence) as promptly as practicable and in any event within forty-five (45) days after notice from Agent that the operating performance, funds transfer, or availability procedures or performance of the Controlled Account Bank with respect to Controlled Account Accounts or Agent's liability under any Controlled Account Agreement with such Controlled Account Bank is no longer acceptable in Co-Collateral Agents' reasonable judgment.

(iv) Other than (i) an aggregate amount of not more than \$100,000 at any one time, in the case of Grantors and their Subsidiaries (other than those Subsidiaries that are CFCs), (ii) amounts deposited into Deposit Accounts specially and exclusively used for payroll, payroll taxes and other employee wage and benefit payments to or for any Grantor's or its Subsidiaries' employees, and (iii) an aggregate amount of not more than \$100,000 (calculated at current exchange rates) at any one time, in the case of Subsidiaries of Grantors that are CFCs, no Grantor will, and no Grantor will permit its Subsidiaries to, make, acquire, or permit to exist Permitted Investments consisting of cash, Cash Equivalents, or amounts credited to Deposit Accounts or Securities Accounts unless Grantor or its Subsidiary, as applicable, and the applicable bank or securities intermediary have entered into Control Agreements with Agent governing such Permitted Investments in order to perfect (and further establish) Agent's Liens in such Permitted Investments.

(l) Name, Etc. No Grantor will, nor will any Grantor permit any of its Subsidiaries to, change its name, adopt a French or combined name, organizational identification number, jurisdiction of organization or organizational identity; provided, that Grantor or any of its Subsidiaries may change its name upon at least 30 days prior written notice to Agent of such change.

(m) Motor Vehicles. Promptly (and in any event within five (5) Business Days) after request by Agent, with respect to all goods covered by a certificate of title owned by any Grantor, such Grantor shall deliver to Agent or Agent's designee, the certificates of title for all such goods and promptly (and in any event within five (5) Business Days) after request by Agent, such Grantor shall take all actions necessary to cause such certificates to be filed (with the Agent's Lien noted thereon) in the appropriate state motor vehicle filing office.

(n) Pledged Notes. Grantors (i) without the prior written consent of Agent, will not (A) waive or release any obligation of any Person that is obligated under any of the Pledged Notes, (B) take or omit to take any action or knowingly suffer or permit any action to be omitted or taken, the taking or omission of which would result in any right of offset against sums

payable under the Pledged Notes, or (C) other than Permitted Dispositions, assign or surrender their rights and interests under any of the Pledged Notes or terminate, cancel, modify, change, supplement or amend the Pledged Notes, and (ii) shall provide to Agent copies of all material written notices (including notices of default) given or received with respect to the Pledged Notes promptly after giving or receiving such notice.

(o) Financing Order. Each Grantor agrees to be bound by the terms of the Financing Order.

8. Relation to Other Security Documents. The provisions of this Agreement shall be read and construed with the other Loan Documents referred to below in the manner so indicated.

(a) Credit Agreement. In the event of any conflict between any provision in this Agreement and a provision in the Credit Agreement, such provision of the Credit Agreement shall control.

(b) Patent, Trademark, Copyright Security Agreements. The provisions of the Copyright Security Agreements, Trademark Security Agreements, and Patent Security Agreements are supplemental to the provisions of this Agreement, and nothing contained in the Copyright Security Agreements, Trademark Security Agreements, or the Patent Security Agreements shall limit any of the rights or remedies of Agent hereunder. In the event of any conflict between any provision in this Agreement and a provision in a Copyright Security Agreement, Trademark Security Agreement or Patent Security Agreement, such provision of this Agreement shall control.

9. Further Assurances.

(a) Each Grantor agrees that from time to time, at its own expense, such Grantor will promptly execute and deliver all further instruments and documents, and take all further action, that Agent may reasonably request, in order to perfect and protect the Security Interest granted hereby, to create, perfect or protect the Security Interest purported to be granted hereby or to enable Agent to exercise and enforce its rights and remedies hereunder with respect to any of the Collateral.

(b) Each Grantor authorizes the filing by Agent of financing or continuation statements, or amendments thereto, and such Grantor will execute and deliver to Agent such other instruments or notices, as Agent may reasonably request, in order to perfect and preserve the Security Interest granted or purported to be granted hereby. Each Grantor hereby waives, to the greatest extent permitted under applicable law, notice or receipt of copies of any such statements or amendments or any verification statements in respect thereof.

(c) Each Grantor authorizes Agent at any time and from time to time to file, transmit, or communicate, as applicable, financing statements and amendments (i) describing the Collateral as "all personal property of debtor", "all personal and after-acquired personal property of debtor" or "all assets of debtor" or words of similar effect, (ii) describing the Collateral as being of equal or lesser scope or with greater detail, or (iii) that contain any information required by part 5 of Article 9 of the Code for the sufficiency or filing office acceptance. Each Grantor also hereby ratifies any and all financing statements or amendments previously filed by Agent in any jurisdiction.

(d) Each Grantor acknowledges that it is not authorized to file any financing statement or amendment or termination statement with respect to any financing statement filed in connection with this Agreement without the prior written consent of Agent, subject to such Grantor's rights under Section 9-509(d)(2) of the Code.

10. Agent's Right to Perform Contracts, Exercise Rights, etc. Upon the occurrence and during the continuance of an Event of Default, Agent (or its designee), subject to the terms of then existing leases, contracts, other agreements and the Financing Order, (a) may proceed to perform any and all of the obligations of any Grantor contained in any contract, lease, or other agreement and exercise any and all rights of any Grantor therein contained as fully as such Grantor itself could, (b) shall have the right to use any Grantor's rights under Intellectual Property Licenses in connection with the enforcement of Agent's rights hereunder, including the right to prepare for sale and sell any and all Inventory and Equipment now or hereafter owned by any Grantor and now or hereafter covered by such licenses, and (c) except with respect to ULC Shares, shall have the right to request that any Equity Interests that are pledged hereunder be registered in the name of Agent or any of its nominees.

11. Agent Appointed Attorney-in-Fact. Each Grantor hereby irrevocably appoints Agent its attorney-in-fact, with full authority in the place and stead of such Grantor and in the name of such Grantor or otherwise, at such time as an Event of Default has occurred and is continuing under the Credit Agreement, subject to the terms of then existing leases, contracts, other agreements and the Financing Order, to take any action and to execute any instrument which Agent may reasonably deem necessary or advisable to accomplish the purposes of this Agreement, including:

(a) to ask, demand, collect, sue for, recover, compromise, receive and give acquittance and receipts for moneys due and to become due under or in connection with the Accounts or any other Collateral of such Grantor;

(b) to receive and open all mail addressed to such Grantor and to notify postal authorities to change the address for the delivery of mail to such Grantor to that of Agent;

(c) to receive, indorse, and collect any drafts or other instruments, documents, Negotiable Collateral or Chattel Paper;

(d) to file any claims or take any action or institute any proceedings which Agent may deem necessary or desirable for the collection of any of the Collateral of such Grantor or otherwise to enforce the rights of Agent with respect to any of the Collateral;

(e) to repair, alter, or supply goods, if any, necessary to fulfill in whole or in part the purchase order of any Person obligated to such Grantor in respect of any Account of such Grantor;

(f) to use any Intellectual Property or Intellectual Property Licenses of such Grantor, including but not limited to any labels, Patents, Trademarks, trade names, URLs, domain names, industrial designs, Copyrights, or advertising matter, in preparing for sale, advertising for sale, or selling Inventory or other Collateral and to collect any amounts due under Accounts, contracts or Negotiable Collateral of such Grantor; and

(g) Agent, on behalf of the Lender Group or the Bank Product Providers, shall have the right, but shall not be obligated, to bring suit in its own name to enforce the Intellectual Property and Intellectual Property Licenses and, if Agent shall commence any such suit, the appropriate Grantor shall, at the request of Agent, do any and all lawful acts and execute any and all proper documents reasonably required by Agent in aid of such enforcement.

To the extent permitted by law, each Grantor hereby ratifies all that such attorney-in-fact shall lawfully do or cause to be done by virtue hereof. This power of attorney is coupled with an interest and shall be irrevocable until this Agreement is terminated.

12. Agent May Perform. Subject to the Financing Order, if any Grantor fails to perform any agreement contained herein, Agent may itself perform, or cause performance of, such agreement, and the reasonable expenses of Agent incurred in connection therewith shall be payable, jointly and severally, by Grantors.

13. Agent's Duties. The powers conferred on Agent hereunder are solely to protect Agent's interest in the Collateral, for the benefit of the Lender Group and the Bank Product Providers, and shall not impose any duty upon Agent to exercise any such powers. Except for the safe custody of any Collateral in its actual possession and the accounting for moneys actually received by it hereunder, Agent shall have no duty as to any Collateral or as to the taking of any necessary steps to preserve rights against prior parties or any other rights pertaining to any Collateral. Agent shall be deemed to have exercised reasonable care in the custody and preservation of any Collateral in its actual possession if such Collateral is accorded treatment substantially equal to that which Agent accords its own property.

14. Collection of Accounts, General Intangibles and Negotiable Collateral. At any time upon the occurrence and during the continuance of an Event of Default, Agent or Agent's designee may, subject to the Financing Order, (a) notify Account Debtors of any Grantor that the Accounts, General Intangibles, Chattel Paper or Negotiable Collateral of such Grantor have been assigned to Agent, for the benefit of the Lender Group and the Bank Product Providers, or that Agent has a security interest therein, and (b) collect the Accounts, General Intangibles and Negotiable Collateral of any Grantor directly, and any collection costs and expenses shall constitute part of such Grantor's Secured Obligations under the Loan Documents.

15. Disposition of Pledged Interests by Agent. None of the Pledged Interests existing as of the date of this Agreement are, and none of the Pledged Interests hereafter acquired on the date of acquisition thereof will be, registered or qualified under the various federal or state securities laws of the United States and disposition thereof after an Event of Default may be restricted to one or more private (instead of public) sales in view of the lack of such registration. Each Grantor understands that in connection with such disposition, Agent may approach only a restricted number of potential purchasers and further understands that a sale under such circumstances may yield a lower price for the Pledged Interests than if the Pledged Interests were registered and qualified pursuant to federal and state securities laws and sold on the open market. Each Grantor, therefore, agrees that: (a) if Agent shall, pursuant to the terms of this Agreement,

sell or cause the Pledged Interests or any portion thereof to be sold at a private sale, Agent shall have the right to rely upon the advice and opinion of any nationally recognized brokerage or investment firm (but shall not be obligated to seek such advice and the failure to do so shall not be considered in determining the commercial reasonableness of such action) as to the best manner in which to offer the Pledged Interest or any portion thereof for sale and as to the best price reasonably obtainable at the private sale thereof; and (b) such reliance shall be conclusive evidence that Agent has handled the disposition in a commercially reasonable manner. For greater certainty, the foregoing provision shall apply to ULC Shares only after a realization and re-registration contemplated by Section 5 and Section 16(c) hereof.

16. Voting and Other Rights in Respect of Pledged Interests.

(a) Except with respect to the ULC Shares, upon the occurrence and during the continuation of an Event of Default, (i) Agent may, at its option, and without prior notice to any Grantor, and in addition to all rights and remedies available to Agent under any other agreement, at law, in equity, or otherwise, exercise all voting rights, or any other ownership or consensual rights (including any dividend or distribution rights) in respect of the Pledged Interests owned by such Grantor, but under no circumstances is Agent obligated by the terms of this Agreement to exercise such rights, and (ii) if Agent duly exercises its right to vote any of such Pledged Interests, each Grantor hereby appoints Agent, such Grantor's true and lawful ATTORNEY-IN-FACT and IRREVOCABLE PROXY to vote such Pledged Interests in any manner Agent deems advisable for or against all matters submitted or which may be submitted to a vote of shareholders, partners or members, as the case may be. The power-of-attorney and proxy granted hereby is coupled with an interest and shall be irrevocable until the Secured Obligations have been paid in full.

(b) For so long as any Grantor shall have the right to vote the Pledged Interests owned by it, such Grantor covenants and agrees that it will not, without the prior written consent of Agent, vote or take any consensual action with respect to such Pledged Interests which would (i) materially adversely affect the rights of Agent, the other members of the Lender Group, or the Bank Product Providers, or (ii) materially adversely affect the value of the Pledged Interests.

(c) Each Grantor acknowledges that certain of the Collateral of such Grantor may now or in the future consist of ULC Shares, and that it is the intention of Agent and each Grantor that neither Agent nor any member of the Lender Group or the Bank Product Providers should under any circumstances prior to realization thereon be held to be a "member" or a "shareholder", as applicable, of a ULC for the purposes of any ULC Laws. Therefore, notwithstanding any provisions to the contrary contained in this Agreement, the Credit Agreement or any other Loan Document, where a Grantor is the registered and beneficial owner of ULC Shares which are Collateral of such Grantor, such Grantor will remain the sole registered and beneficial owner of such ULC Shares until such time as such ULC Shares are effectively transferred into the name of the Agent, any other member of the Lender Group or the Bank Product Providers, or any other Person on the books and records of the applicable ULC. Accordingly, each Grantor shall be entitled to receive and retain for its own account any dividend on or other distribution, if any, in respect of such ULC Shares (except for any dividend or distribution comprised of any certificates representing the Pledged Interests of such Grantor, which shall be delivered to Agent to hold hereunder) and shall have the right to vote such ULC

Shares and to control the direction, management and policies of the applicable ULC to the same extent as such Grantor would if such ULC Shares were not pledged to Agent pursuant hereto. Nothing in this Agreement, the Credit Agreement or any other Loan Document is intended to, and nothing in this Agreement, the Credit Agreement or any other Loan Document shall, constitute Agent, any member of the Lender Group or the Bank Product Providers, or any other Person other than the applicable Grantor, a member or shareholder of a ULC for the purposes of any ULC Laws (whether listed or unlisted, registered or beneficial), until such time as notice is given to such Grantor and further steps are taken pursuant hereto or thereto so as to register the Agent, any member of the Lender Group or the Bank Product Providers, or such other Person, as specified in such notice, as the holder of the ULC Shares. To the extent any provision hereof or the Credit Agreement or any other Loan Document would have the effect of constituting Agent or member of the Lender Group or the Bank Product Providers, as applicable, a member or shareholder of any ULC prior to such time, such provision shall be severed herefrom or therefrom and shall be ineffective with respect to ULC Shares which are Collateral of any Grantor without otherwise invalidating or rendering unenforceable this Agreement or invalidating or rendering unenforceable such provision insofar as it relates to Collateral of any Grantor which is not ULC Shares. Except upon the exercise of rights of Agent to sell, transfer or otherwise dispose of ULC Shares in accordance with this Agreement, the Credit Agreement or the other Loan Documents, each Grantor shall not cause or permit, or enable a Pledged Company that is a ULC to cause or permit, Agent or member of the Lender Group or the Bank Product Providers to: (a) be registered as a shareholder or member of such Pledged Company; (b) have any notation entered in their favour in the share register of such Pledged Company; (c) be held out as shareholders or members of such Pledged Company; (d) receive, directly or indirectly, any dividends, property or other distributions from such Pledged Company by reason of Agent holding the Security Interests over the ULC Shares; or (e) act as a shareholder or member of such Pledged Company, or exercise any rights of a shareholder or member including the right to attend a meeting of shareholders or members of such Pledged Company or to vote its ULC Shares.

17. Remedies. Upon the occurrence and during the continuance of an Event of Default, subject to the limitations of Section 16(c) above and the requirements and limitations of the Financing Order:

(a) Agent may, and, at the instruction of the Required Lenders, shall exercise in respect of the Collateral, in addition to other rights and remedies provided for herein, in the Financing Order, in the other Loan Documents, or otherwise available to it, all the rights and remedies of a secured party on default under the Code or any other applicable law. Without limiting the generality of the foregoing, each Grantor expressly agrees that, in any such event, Agent without demand of performance or other demand, advertisement or notice of any kind (except a notice specified below of time and place of public or private sale) to or upon any Grantor or any other Person (all and each of which demands, advertisements and notices are hereby expressly waived to the maximum extent permitted by the Code or any other applicable law), may take immediate possession of all or any portion of the Collateral and (i) require Grantors to, and each Grantor hereby agrees that it will at its own expense and upon request of Agent forthwith, assemble all or part of the Collateral as directed by Agent and make it available to Agent at one or more locations where such Grantor regularly maintains Inventory, and (ii) without notice except as specified below, sell the Collateral or any part thereof in one or

more parcels at public or private sale, at any of Agent's offices or elsewhere, for cash, on credit, and upon such other terms as Agent may deem commercially reasonable. Each Grantor agrees that, to the extent notification of sale shall be required by law, at least ten (10) days notification by mail to the applicable Grantor of the time and place of any public sale or the time after which any private sale is to be made shall constitute reasonable notification and specifically such notification shall constitute a reasonable "authenticated notification of disposition" within the meaning of Section 9-611 of the Code. Agent shall not be obligated to make any sale of Collateral regardless of notification of sale having been given. Agent may adjourn any public sale from time to time by announcement at the time and place fixed therefor, and such sale may, without further notice, be made at the time and place to which it was so adjourned. Each Grantor agrees that (A) the internet shall constitute a "place" for purposes of Section 9-610(b) of the Code and (B) to the extent notification of sale shall be required by law, notification by mail of the URL where a sale will occur and the time when a sale will commence at least ten (10) days prior to the sale shall constitute a reasonable notification for purposes of Section 9-611(b) of the Code. Each Grantor agrees that any sale of Collateral to a licensor pursuant to the terms of a license agreement between such licensor and a Grantor is sufficient to constitute a commercially reasonable sale (including as to method, terms, manner, and time) within the meaning of Section 9-610 of the Code.

(b) Subject to the terms of the existing applicable agreements and contracts, Agent is hereby granted a license or other right to use, without liability for royalties or any other charge, each Grantor's Intellectual Property, including but not limited to, any labels, Patents, Trademarks, trade names, URLs, domain names, industrial designs, Copyrights, and advertising matter, whether owned by any Grantor or with respect to which any Grantor has rights under license, sublicense, or other agreements (including any Intellectual Property License), as it pertains to the Collateral, in preparing for sale, advertising for sale and selling any Collateral, and each Grantor's rights under all licenses and all franchise agreements shall inure to the benefit of Agent.

(c) Agent may, in addition to other rights and remedies provided for herein, in the other Loan Documents, or otherwise available to it under applicable law and without the requirement of notice to or upon any Grantor or any other Person (which notice is hereby expressly waived to the maximum extent permitted by the Code or any other applicable law), (i) with respect to any Grantor's Deposit Accounts in which Agent's Liens are perfected by control under Section 9-104 of the Code or in Canada by registering a financing statement, instruct the bank maintaining such Deposit Account for the applicable Grantor to pay the balance of such Deposit Account to or for the benefit of Agent, and (ii) with respect to any Grantor's Securities Accounts in which Agent's Liens are perfected by control under Section 9-106 of the Code, instruct the securities intermediary maintaining such Securities Account for the applicable Grantor to (A) transfer any cash in such Securities Account to or for the benefit of Agent, or (B) liquidate any financial assets in such Securities Account that are customarily sold on a recognized market and transfer the cash proceeds thereof to or for the benefit of Agent.

(d) Any cash held by Agent as Collateral and all cash proceeds received by Agent in respect of any sale of, collection from or other realization upon all or any part of the Collateral shall be applied against the Secured Obligations in the order set forth in the Credit Agreement. In the event the proceeds of Collateral are insufficient to satisfy all of the Secured Obligations in full, each Grantor shall remain jointly and severally liable for any such deficiency.

(e) Each Grantor hereby acknowledges that the Secured Obligations arise out of a commercial transaction, and agrees that if an Event of Default shall occur and be continuing Agent shall have the right to an immediate writ of possession without notice of a hearing. Agent shall have the right to the appointment of a receiver, receiver-manager, manager or receiver and manager (each a "Receiver") for the properties and assets of each Grantor, and each Grantor hereby consents to such rights and such appointment and hereby waives any objection such Grantor may have thereto or the right to have a bond or other security posted by Agent. To the extent permitted by applicable law, any Receiver appointed by Agent shall (for purposes relating to responsibility for the Receiver's acts or omissions) be considered to be the agent of such Grantor. Agent may from time to time fix the Receiver's remuneration and such Grantor shall pay the amount of such remuneration to Agent. Agent shall not be liable to any Grantor or any other person in connection with appointing or not appointing a Receiver or in connection with the Receiver's actions or omissions.

18. Remedies Cumulative. Each right, power, and remedy of Agent, any other member of the Lender Group, or any Bank Product Provider as provided for in this Agreement, the other Loan Documents or any Bank Product Agreement now or hereafter existing at law or in equity or by statute or otherwise shall be cumulative and concurrent and shall be in addition to every other right, power, or remedy provided for in this Agreement, the other Loan Documents and the Bank Product Agreements or now or hereafter existing at law or in equity or by statute or otherwise, and the exercise or beginning of the exercise by Agent, any other member of the Lender Group, or any Bank Product Provider, of any one or more of such rights, powers, or remedies shall not preclude the simultaneous or later exercise by Agent, such other member of the Lender Group or such Bank Product Provider of any or all such other rights, powers, or remedies.

19. Marshaling. Agent shall not be required to marshal any present or future collateral security (including but not limited to the Collateral) for, or other assurances of payment of, the Secured Obligations or any of them or to resort to such collateral security or other assurances of payment in any particular order, and all of its rights and remedies hereunder and in respect of such collateral security and other assurances of payment shall be cumulative and in addition to all other rights and remedies, however existing or arising. To the extent that it lawfully may, each Grantor hereby agrees that it will not invoke any law relating to the marshaling of collateral which might cause delay in or impede the enforcement of Agent's rights and remedies under this Agreement or under any other instrument creating or evidencing any of the Secured Obligations or under which any of the Secured Obligations is outstanding or by which any of the Secured Obligations is secured or payment thereof is otherwise assured, and, to the extent that it lawfully may, each Grantor hereby irrevocably waives the benefits of all such laws.

20. Indemnity and Expenses.

(a) Each Grantor agrees to indemnify Agent and the other members of the Lender Group from and against all claims, lawsuits and liabilities (including reasonable attorneys' fees) growing out of or resulting from this Agreement (including enforcement of this

Agreement) or any other Loan Document to which such Grantor is a party, except claims, losses or liabilities resulting from the gross negligence or willful misconduct of the party seeking indemnification as determined by a final non-appealable order of a court of competent jurisdiction. This provision shall survive the termination of this Agreement and the Credit Agreement and the repayment of the Secured Obligations.

(b) Grantors, jointly and severally, shall, upon demand, pay to Agent (or Agent, may charge to the Loan Account) all the Lender Group Expenses which Agent may incur in connection with (i) the administration of this Agreement, (ii) the custody, preservation, use or operation of, or, upon an Event of Default, the sale of, collection from, or other realization upon, any of the Collateral in accordance with this Agreement and the other Loan Documents, (iii) the exercise or enforcement of any of the rights of Agent hereunder or (iv) the failure by any Grantor to perform or observe any of the provisions hereof.

21. Merger, Amendments; Etc. THIS AGREEMENT, TOGETHER WITH THE OTHER LOAN DOCUMENTS, REPRESENTS THE FINAL AGREEMENT BETWEEN THE PARTIES AND MAY NOT BE CONTRADICTED BY EVIDENCE OF PRIOR, CONTEMPORANEOUS OR ORAL AGREEMENTS OF THE PARTIES. THERE ARE NO UNWRITTEN AGREEMENTS BETWEEN THE PARTIES. No waiver of any provision of this Agreement, and no consent to any departure by any Grantor herefrom, shall in any event be effective unless the same shall be in writing and signed by Agent, and then such waiver or consent shall be effective only in the specific instance and for the specific purpose for which given. No amendment of any provision of this Agreement shall be effective unless the same shall be in writing and signed by Agent and each Grantor to which such amendment applies.

22. Addresses for Notices. All notices and other communications provided for hereunder shall be given in the form and manner and delivered to Agent at its address specified in the Credit Agreement, and to any of the Grantors at their respective addresses specified in the Credit Agreement or Guaranty, as applicable, or, as to any party, at such other address as shall be designated by such party in a written notice to the other party.

23. Continuing Security Interest: Assignments under Credit Agreement.

(a) This Agreement shall create a continuing security interest in the Collateral and shall (i) remain in full force and effect until the Obligations have been paid in full in accordance with the provisions of the Credit Agreement and the Commitments have expired or have been terminated, (ii) be binding upon each Grantor, and their respective successors and assigns, and (iii) inure to the benefit of, and be enforceable by, Agent, and its successors, transferees and assigns. Without limiting the generality of the foregoing clause (iii), any Lender may, in accordance with the provisions of the Credit Agreement, assign or otherwise transfer all or any portion of its rights and obligations under the Credit Agreement to any other Person, and such other Person shall thereupon become vested with all the benefits in respect thereof granted to such Lender herein or otherwise. Upon payment in full of the Secured Obligations in accordance with the provisions of the Credit Agreement and the expiration or termination of the Commitments, the Guaranty made and the Security Interest granted hereby shall terminate and all rights to the Collateral shall revert to Grantors or any other Person entitled thereto. At such time, upon Administrative Borrower's request, Agent will authorize the filing of appropriate termination statements to terminate such Security Interest. No transfer or renewal, extension,

assignment, or termination of this Agreement or of the Credit Agreement, any other Loan Document, or any other instrument or document executed and delivered by any Grantor to Agent nor any additional Revolving Loans or other loans made by any Lender to Borrowers, nor the taking of further security, nor the retaking or re-delivery of the Collateral to Grantors, or any of them, by Agent, nor any other act of the Lender Group or the Bank Product Providers, or any of them, shall release any Grantor from any obligation, except a release or discharge executed in writing by Agent in accordance with the provisions of the Credit Agreement. Agent shall not by any act, delay, omission or otherwise, be deemed to have waived any of its rights or remedies hereunder, unless such waiver is in writing and signed by Agent and then only to the extent therein set forth. A waiver by Agent of any right or remedy on any occasion shall not be construed as a bar to the exercise of any such right or remedy which Agent would otherwise have had on any other occasion.

(b) Each Grantor agrees that, if any payment made by any Grantor or other Person and applied to the Secured Obligations is at any time annulled, avoided, set, aside, rescinded, invalidated, declared to be fraudulent or preferential or otherwise required to be refunded or repaid, or the proceeds of any Collateral are required to be returned by Agent or any other member of the Lender Group to such Grantor, its estate, trustee, receiver or any other party, including any Grantor, under any bankruptcy law, state or federal law, common law or equitable cause, then, to the extent of such payment or repayment, any Lien or other Collateral securing such liability shall be and remain in full force and effect, as fully as if such payment had never been made. If, prior to any of the foregoing, (i) any Lien or other Collateral securing such Grantor's liability hereunder shall have been released or terminated by virtue of the foregoing clause (a), or (ii) any provision of the Guaranty hereunder shall have been terminated, cancelled or surrendered, such Lien, other Collateral or provision shall be reinstated in full force and effect and such prior release, termination, cancellation or surrender shall not diminish, release, discharge, impair or otherwise affect the obligations of any such Grantor in respect of any Lien or other Collateral securing such obligation or the amount of such payment.

24. Survival. All representations and warranties made by the Grantors in this Agreement and in the certificates or other instruments delivered in connection with or pursuant to this Agreement shall be considered to have been relied upon by the other parties hereto and shall survive the execution and delivery of this Agreement and the making of any loans and issuance of any Letters of Credit, regardless of any investigation made by any such other party or on its behalf and notwithstanding that Agent, Issuing Lender, or any Lender may have had notice or knowledge of any Default or Event of Default or incorrect representation or warranty at the time any credit is extended hereunder, and shall continue in full force and effect as long as the principal of or any accrued interest on any loan or any fee or any other amount payable under the Credit Agreement is outstanding and unpaid or any Letter of Credit is outstanding and so long as the Commitments have not expired or terminated.

Commercial Tort Claims

School Specialty, Inc. (“SSI”) v. RR Donnelley & Sons Company (“RRD”), U.S. Dist. Ct. E.D. Wis., Case No.1:12-CV-01034. SSI sued RRD for damages in excess of \$1 million resulting from a deficient printing job. The claim for direct damages in this matter is approximately \$1 million. RRD counterclaimed against SSI for fraud in the inducement and breach of contract, claiming SSI concealed known problems with the inks RRD used for the printing job, and SSI breached its contract with RRD by cancelling purchase orders for additional work. RRD seeks damages in excess of \$500,000. Litigation counsel believes that this suit will yield a net payment to SSI.

Infringements

Infringement Claims

Innovatio IP Ventures, LLC – claims to own some 20 patents in the field of wireless networking technology. Innovatio has notified School Specialty that Innovatio believes School Specialty requires a license under Innovatio’s patents in order to permit users and visitors at any School Specialty location to use wireless technology to exchange information, including access to the Internet. To date, the company is still gathering information to respond substantively, and has discussed the matter with Innovatio’s counsel to a limited extent.

Landmark Technology, LLC – claims to own U.S. Patent Nos. 5,576,951, 6,289,319 and 7,010,508 relating to transaction processes and features used in many electronic commerce systems including structures which exchange business data among trading partners. Landmark has notified School Specialty that Landmark believes School Specialty requires a license under these patents. To date, the company is still gathering information to respond substantively, and has discussed the matter with Landmark’s counsel to a limited extent.

Neither of the above described claims is covered by insurance.

Regarding the Innovatio IP Ventures, LLC claim, which is not at the litigation stage, we estimate the exposure to be less than \$250,000. We believe that we have a significant chance of prevailing in the event that this is litigated.

Regarding the Landmark Technology, LLC claim, which is not at the litigation stage, we estimate the exposure to be less than \$200,000. We believe that we have a significant chance of prevailing in the event that this is litigated.

JFJ Toys d/b/a D&L Company and D&L’s owner, Fred Ramirez – claims to own trademark registrations for STOMP and STOMP ROCKET for use with toy air rockets. D&L has claimed that School Specialty’s (Sportime’s) sale of the STOMP-N-LAUNCH BALL LAUNCHER is a trademark infringement. Sportime has removed the product from its web sites and catalogs, and has changed the name of its product to STEP-N-LAUNCH BALL LAUNCHER, but there is still some older product in the pipelines. The company expects the matter to be resolved soon without payment of money to D&L.

S&S Worldwide, Inc. – claims to own a trademark registration for GATOR SKIN for use in connection with certain children’s play ball products. S&S has claimed that School Specialty’s use, in connection with its TechnoSkin ball products, of “Compare our quality and our prices

with Gatorskin and all other ‘cheap’ balls. We know ours is the best value and higher quality.” is pejorative and deceptively false. The referenced phrase appears in School Specialty’s catalogs only, and not on its web site. School Specialty plans to remove the referenced phrase from future catalogs. The company expects the matter to be resolved soon without payment of money to S&S.

The Hubbard Company – claims to own a trademark registration for WARD and design, for use in connection with lesson plans, class records and assignment and attendance notebooks, and is a former supplier of these products to School Specialty. Hubbard claims that some of School Specialty’s web sites, including Hammond & Stephens, Learning Outlet, Classroom Direct and School Specialty Canada, are using images and item numbers of Hubbard products, but shipping products from other companies, and claims that such activities are acts of trademark infringement and unfair competition. School Specialty has changed the images of the products shown in its Education Essentials catalog and on its web site, and has changed the item numbers used, and has informed Hubbard of these changes. The company expects the matter to be resolved soon without payment of money to Hubbard.

Barry Traub – is a former employee of the Sportime unit. Mr. Traub has claimed that, after Mr. Traub’s separation from Sportime, Sportime adopted some of his product ideas, and has not complied with its termination agreement with him regarding payment for those ideas. The matter is not yet at the litigation stage, and the company believes the matter will be resolved with a payment, if any, of less than \$30,000.

(a) The last paragraph of Section 2.1(a) of the Credit Agreement is hereby amended by adding the following sentence to the end thereof:

“Until such time that Borrowers have delivered the Exit Financing Commitment Letters to Agent, the Revolver Usage may not exceed \$55,000,000 (or such greater amount as may be agreed to by all Lenders in writing).

Subject to the conditions set forth in this Agreement and other Loan Documents, from and after June 3, 2013 until and including June 7, 2013, Borrowers may continue to request Revolving Loans from Lenders (provided that the Revolver Usage may not exceed \$68,000,000 limit set forth in the Budget during such time) if, on or before any requests for Revolving Loans are made, on June 3, 2013:

(a) the Exit Financing Commitment Letter(s) remain in full force and effect and the Bondholder DIP Credit Agreement (as amended by that certain Amendment No. 2 to Senior Secured Super Priority Debtor-in-Possession Credit Agreement, dated as of May 3, 2013) remains in full force and effect,

(c) Borrowers deliver to Agent a certification in form and substance reasonably satisfactory to Co-Collateral Agents that (i) the credit agreement evidencing the ABL Exit Facility, the credit agreement evidencing the Term Loan Exit Facility, and the intercreditor agreement among the lenders for such facilities are each in substantially final form, and (ii) in Borrowers' good faith determination after diligent inquiry, Borrowers have no knowledge or any reason to expect that any conditions to closing and funding of the initial loans under the Exit Facilities cannot or will not be satisfied or waived on or before June 7, 2013, and

(d) as of May 31, 2013 and projected as of June 7, 2013, in each case based upon the pro forma borrowing base certificates prepared by Borrowers in good faith and in accordance with the proposed terms under the ABL Exit Facility and otherwise in form and substance reasonably acceptable to the Co-Collateral Agents, Borrowers will have sufficient availability under the ABL Exit Facility to meet the closing date availability requirement thereunder and to otherwise be in compliance with Section 8.12(s) of this Agreement based upon the financing contemplated by the Exit Financing Commitment Letters;

(c) The definition of Exit Financing Commitment Letter(s) in Schedule 1.1 of the Credit Agreement is hereby amended by replacing the reference to "May 31, 2013" with "June 7, 2013".

(d) Schedule 5.16 to the Credit Agreement is hereby amended and replaced with Exhibit B to this Agreement.

SECTION 4. REPRESENTATIONS AND WARRANTIES

Each Borrower hereby represents, warrants and covenants as follows:

4.1. **Representations in the Credit Agreement and the Loan Documents.** The representations and warranties set forth in the Credit Agreement, as amended hereby, and in the other Loan Documents, as amended to date, are true and correct in all material respects as of the date hereof, with the same effect as though made on the date hereof (except to the extent such representations and warranties (i) expressly refer to an earlier date, in which case they are true and correct in all material respects as of such earlier date, and (ii) are already qualified by materiality, material adverse effect, or words of like effect, in which case such representations and warranties shall be true in all respects).

4.2. **Binding Effect of Documents.** This Agreement has been duly authorized, executed and delivered to Agent and Lenders by each Borrower, is enforceable in accordance with its terms and is in full force and effect.

4.3. **No Conflict.** The execution, delivery and performance of this Agreement by each Borrower will not violate any requirement of law or contractual obligation of any Borrower and will not result in, or require, the creation or imposition of any Lien on any of their respective properties or revenues.

4.4. **Defaults.** No Default or Event of Default has occurred and is continuing.

SECTION 5. CONDITIONS TO EFFECTIVENESS

The effectiveness of this Agreement is subject to the consummation of each of the following conditions, each in form and substance satisfactory to Agent:

(a) an original of this Agreement, duly authorized, executed and delivered by each Borrower;

(b) an original of the Consent and Reaffirmation as attached at Exhibit B, duly authorized, executed and delivered by each Guarantor;

(c) Borrowers' filing of motion (at Agent's request) and subsequent entry of an order of the Bankruptcy Court, each in form and substance reasonably satisfactory to Agent, authorizing this Agreement and the Consent and Reaffirmation to be executed by and binding upon Borrowers and each Guarantor, which condition may be waived by Agent in its sole discretion;

(d) Borrowers shall have paid all Lender Group Expenses incurred in connection with the transactions evidenced by this Agreement, the Credit Agreement, the Existing Loan Agreement, the other Loan Documents and the Existing Loan Documents;

(e) Borrowers shall provide to Agent's financial advisor and counsel (subject to the condition of no further distribution beyond professionals) copies of each final proposal letter received by Borrowers to date from any potential exit lender with whom they are negotiating proposed chapter 11 exit financing, redacted for names and other confidential information; and

(f) Agent shall have received a fully executed copy of the Bondholder Amendment making a corresponding change to Schedule 5.18 of the Bondholder DIP Credit Agreement.

SECTION 6. MISCELLANEOUS

6.1. **Amendment Fee.** In consideration for the amendments to the Credit Agreement set forth herein, Borrowers shall pay to Agent, for the ratable benefit of each Lender, an amendment fee of \$300,000, which fee is deemed to be fully earned as of the date hereof and \$100,000 of which is due and payable on May 7, 2013 and \$200,000 of which is due and payable upon the execution and delivery of this Agreement by each of the parties listed on the signature pages hereto.

6.2. **Continuing Effect of Credit Agreement.** Except as modified pursuant hereto, no other changes or modifications to the Credit Agreement and the Loan Documents are intended or implied by this Agreement and in all other respects the Credit Agreement and the Loan Documents hereby are ratified, restated and confirmed by all parties hereto as of the effective date hereof. To the extent of conflict between the terms of this Agreement, the Credit Agreement and the Loan Documents, the terms of this Agreement shall govern and control. The Credit Agreement and this Agreement shall be read and construed as one agreement.

6.3. **Exit Financing.** Borrowers shall promptly provide to Agent's financial advisor and counsel (subject to the condition of no further distribution beyond professionals) copies of the following documents, redacted for names and other confidential information except as set forth below: (i) each final proposal letter received by Borrowers on or after the date hereof from any potential exit lender (except for any proposal letter that Borrowers have rejected or deemed unsatisfactory), (ii) on and after May 3, 2013, the then current draft of commitment letters received by Borrowers from all lenders, including the total amount of the facilities, the borrowing base, the advance rate formulae (if any) and any conditions to closing, and (iii) after May 3, 2013, all amendments and modifications to such proposed commitment letters.

6.4. **Costs and Expenses.** Each Borrower absolutely and unconditionally agrees to pay to Agent, on demand by Agent at any time, whether or not all or any of the transactions contemplated by this Agreement are consummated: all fees and disbursements of any counsel to Agent in connection with the preparation, negotiation, execution or delivery of this Agreement and any agreements contemplated hereby and expenses which shall at any time be incurred or sustained by Agent, any Lender, any participant of any Lender or any of their respective directors, officers, employees or agents as a consequence of or in any way in connection with the preparation, negotiation, execution, or delivery of this Agreement and any agreements contemplated hereby, in each case to the extent such expenses constitute Lender Group Expenses required to be paid under the Credit Agreement.

6.5. **Further Assurances.** At Borrowers' expense, the parties hereto shall execute and deliver such additional documents and take such further action as may be necessary or desirable to effectuate the provisions and purposes of this Agreement.

6.6. **Successors and Assigns.** This Agreement shall be binding upon and inure to the benefit of each of the parties hereto and their respective successors and assigns.

6.7. **Survival of Representations, Warranties and Covenants.** All representations, warranties, covenants and releases of each Borrower made in this Agreement or any other document furnished in connection with this Agreement shall survive the execution and delivery of this Agreement, and no investigation by Agent or any Lender, or any closing, shall affect the representations and warranties or the right of Agent and Lenders to rely upon them.

6.8. **Severability.** Any provision of this Agreement held by a court of competent jurisdiction to be invalid or unenforceable shall not impair or invalidate the remainder of this Agreement.

6.9. **Reviewed by Attorneys.** Each Borrower represents and warrants to Agent and Lenders that it (a) understands fully the terms of this Agreement and the consequences of the execution and delivery of this Agreement, (b) has been afforded an opportunity to discuss this Agreement with, and have this Agreement reviewed by, such attorneys and other persons as such Borrower may wish, and (c) has entered into this Agreement and executed and delivered all documents in connection herewith of its own free will and accord and without threat, duress or other coercion of any kind by any Person. The parties hereto acknowledge and agree that neither this Agreement nor the other documents executed pursuant hereto shall be construed more favorably in favor of one than the other based upon which party drafted the same, it being acknowledged that all parties hereto contributed substantially to the negotiation and preparation of this Agreement and the other documents executed pursuant hereto or in connection herewith.

6.10. **Disgorgement.** If Agent or any Lender is, for any reason, compelled by a court or other tribunal of competent jurisdiction to surrender or disgorge any payment, interest or other consideration described hereunder to any person because the same is determined to be void or voidable as a preference, fraudulent conveyance, impermissible set-off or for any other reason, such indebtedness or part thereof intended to be satisfied by virtue of such payment, interest or other consideration shall be revived and continue as if such payment, interest or other consideration had not been received by Agent or such Lender, and the Borrowers shall be liable to, and shall indemnify, defend and hold Agent or such Lender harmless for, the amount of such payment or interest surrendered or disgorged. The provisions of this Section 6.10 shall survive execution and delivery of this Agreement and the documents, agreements and instruments to be executed or delivered herewith.

6.11. **Relationship.** Each Borrower agrees that the relationship between Agent and such Borrower and between each Lender and Borrower is that of creditor and debtor and not that of partners or joint venturers. This Agreement does not constitute a partnership agreement, or any other association between Agent and any Borrower or between any Lender and any Borrower. Each Borrower acknowledges that Agent and each Lender has acted at all times only as a creditor to such Borrower within the normal and usual scope of the activities normally undertaken by a

creditor and in no event has Agent or any Lender attempted to exercise any control over such Borrower or its business or affairs. Each Borrower further acknowledges that Agent and each Lender has not taken or failed to take any action under or in connection with its respective rights under the Credit Agreement and the Loan Documents that in any way or to any extent has interfered with or adversely affects such Borrower's ownership of Collateral.

6.12. **Governing Law.** THIS AGREEMENT SHALL BE A CONTRACT MADE UNDER AND GOVERNED BY THE INTERNAL LAWS OF THE STATE OF NEW YORK APPLICABLE TO CONTRACTS MADE AND TO BE PERFORMED ENTIRELY WITHIN SUCH STATE, WITHOUT REGARD TO CONFLICT OF LAW PRINCIPLES.

6.13. **Reference to Credit Agreement.** Each reference in the Credit Agreement to "this Agreement," "hereunder," "hereof," "herein" or words of like import, and each reference in the Credit Agreement or in any other Loan Documents, or other agreements, documents or other instruments executed and delivered pursuant to the Credit Agreement, shall mean and be a reference to the Credit Agreement as amended by this Agreement.

6.14. **Counterparts.** This Agreement may be executed in any number of counterparts, and by the parties hereto on the same or separate counterparts, and each such counterpart, when executed and delivered, shall be deemed to be an original, but all such counterparts shall together constitute but one and the same Agreement. Execution and delivery of an executed counterpart of this Agreement by facsimile, "pdf" or other electronic transmission shall be equally effective as the delivery of a manually executed original of this Agreement.

The Obligations with respect to Loans or other extensions of

credit made to a Borrower, and the Obligations arising as a result of the joint and several liability of a Borrower hereunder with respect to Loans or other extensions of credit made to the other Borrowers hereunder, shall be separate and distinct obligations, but all such other Obligations shall be primary obligations of all Borrowers. The Obligations arising as a result of the joint and several liability of a Borrower hereunder with respect to Loans or other extensions of credit made to the other Borrowers hereunder shall, to the fullest extent permitted by law, be unconditional irrespective of (a) the validity or enforceability, avoidance or subordination of the Obligations of the other Borrowers or of any promissory note or other document evidencing all or any part of the Obligations of the other Borrowers, (b) the absence of any attempt to collect the Obligations from the other Borrowers, any Guarantor or any other security therefor, or the absence of any other action to enforce the same, (c) the waiver, consent, extension, forbearance or granting of any indulgence by the Administrative Agent, Lenders or other Secured Parties with respect to any provisions of any agreement or instrument evidencing or governing the Obligations of the other Borrowers, or any part thereof, or any other agreement now or hereafter executed by the other Borrowers and delivered to the Administrative Agent, (d) the failure by the Administrative Agent, or any of the Lenders or other Secured Parties, to take any steps to perfect and maintain its security interest in the Collateral or any part of it, or to preserve its or their rights and maintain its or their security or collateral for the Obligations of the other Borrowers, (e) the election of the Administrative Agent, or any of the Lenders or other Secured Parties, in any proceeding instituted under the Bankruptcy Code, of the application of Section 1111(b)(2) of the Bankruptcy Code, (f) the disallowance of all or any portion of the claim(s) of the Administrative Agent, or any of the Lenders or other Secured Parties, for the repayment of the Obligations of the other Borrowers under Section 502 of the Bankruptcy Code, or (g) any other circumstances which might constitute a legal or equitable discharge or defense of a Guarantor or of the other Borrowers, other than, with respect to a particular Lender, the willful misconduct, fraud or gross negligence of such Lender as determined pursuant to a final, non-appealable order of a court of competent jurisdiction. With respect to the Obligations arising as a result of the joint and several liability of a Borrower hereunder with respect to Loans or other extensions of credit made to the other Borrowers hereunder, each Borrower and Guarantor waives, until the Obligations shall have been paid in full in immediately available funds and this Agreement shall have been terminated, any right to enforce any right of subrogation or any remedy which the Agent or any other Secured Party now has or may hereafter have against the Borrowers or any Guarantor, or any endorser or any other guarantor of all or any part of the Obligations, and any benefit of, and any right to participate in, any security or collateral given to the Agent or any other Secured Party. Upon any Event of Default and for so long as the same is continuing, the Agent may proceed directly and at once, without notice, against any Borrower or Guarantor, or against any one or more of them, to collect and recover the full amount, or any portion of the Obligations, without first proceeding against the other Borrowers or Guarantors or any other Person, or against any security or collateral for the Obligations. Each Borrower and Guarantor consents and agrees that the Agent and the Lenders and the other Secured Parties shall be under no obligation to marshal any assets in favor of the Borrower(s) or Guarantor(s) or against or in payment of any or all of the Obligations.

Section 2.6 Notes. Upon request by a Lender, such Lender's Loan may be evidenced by a Note. The unpaid principal amount of each Note and all unpaid accrued interest thereon shall be payable on the Maturity Date, or on such prior date as may be required by the terms of this Agreement.

Section 2.7 Fees. The Borrowers shall pay to the Administrative Agent, for its own account (or to such other parties as the Administrative Agent may specify in writing), the fees specified in the Agent Fee Letter in the amounts and on the dates specified therein, which amount shall be deemed fully earned when paid, whether or not this Agreement shall continue in effect, or any Loans or the Commitment shall remain in effect, for the entire year covered thereby.

Section 2.8 Use of Proceeds. (a) Proceeds of the Loans under the this Agreement will be used only for the following purposes, in each case, in accordance with and subject to the Approved Budget: (i) to provide working capital for the Obligors during the Chapter 11 Cases in the ordinary course of business and other costs and expenses of administration of the Chapter 11 Cases, in an aggregate principal amount not to exceed \$60,000,000 less any amounts used to prepay the Bayside DIP Obligations pursuant to clause (iii) of this paragraph, (ii) to refinance the outstanding balance of principal, accrued interest and other fees and charges (the "Prepetition Term Loan Obligations") due under the Prepetition Term Loan Agreement in an aggregate principal amount not to exceed \$67,778,875 other than amounts thereunder related to the Prepetition Term Loan Make Whole Payment (as defined below) and Prepetition Term Loan Default Interest (as defined below), (iii) to refinance the outstanding balance of principal, accrued interest and other fees and charges (the "Bayside DIP Obligations") due under that certain Senior Secured Super Priority Debtor-In-Possession Credit Agreement, dated as of January 31, 2013, by and among the Obligors, the Lenders as defined therein and Bayside Finance, LLC ("Bayside") (as amended pursuant to the interim order of the Bankruptcy Court dated January 31, 2013 [Docket No. 88] approving the incurrence of the Bayside DIP Obligations, the "Bayside DIP Credit Agreement") in an amount of \$22,556,683 (plus additional amounts for accrued and unpaid reasonable documented fees and expenses), and (iv) to fund the Escrow Account in an amount equal to \$25,000,000 which shall be used, subject to the terms of this Escrow Agreement, for payment to the Prepetition Term Loan Agent of any outstanding obligations under the Prepetition Term Loan Agreement, including, for the avoidance of doubt, payments in respect of (a) the Early Payment Fee (as defined in and calculated under the Prepetition Term Loan Agreement (the "Prepetition Term Loan Make Whole Payment")) upon entry of an Escrow Release Order allowing same in whole or in part, (b) any accrued and unpaid interest at the rate provided for under the Prepetition Term Loan Agreement, including any interest calculated at the Default Rate (as defined in and calculated under the Prepetition Term Loan Agreement) (the "Prepetition Term Loan Default Interest"), on the aggregate outstanding principal amount of Term Loans (as defined in the Prepetition Term Loan Agreement), upon entry of an Escrow Release Order allowing same in whole or in part and (c) any other amounts in respect of the obligations under the Prepetition Term Loan Agreement, including Agents Expenses (as defined in the Prepetition Term Loan Agreement) upon entry of a final, non-appealable order allowing same in whole or in part (collectively, the "Escrowed Payments").

(b) The Escrow Agreement shall provide as follows:

(i) Within ten (10) Business Days of the entry of a final, non-appealable order (such order, an "Escrow Release Order") of a court of competent jurisdiction, including, without limitation, the Bankruptcy Court, and the delivery of such Escrow Release Order to the Escrow Agent with a certification from the Administrative Agent or the Prepetition Term Loan Agent that it constitutes the Escrow Release Order, directing that all or any

portion of the amounts held in escrow on account of the Escrowed Payments shall be released from the Escrow Account and distributed to the Prepetition Term Loan Agent, such amounts shall be so released from the Escrow Account to the Prepetition Term Loan Agent and applied under and in accordance with the Prepetition Term Loan Agreement.

(ii) Within ten (10) Business Days of the delivery to the Escrow Agent of a settlement agreement with a certificate from the Administrative Agent and the Prepetition Term Loan Agent that it constitutes a settlement agreement as to the Escrowed Payments, amounts in the Escrow Account shall be released as set forth in such settlement agreement. Any such settlement shall require the reasonable consent of the Required Lenders to become effective to release funds under the Escrow Agreement.

(iii) Any funds remaining in the Escrow Account after giving effect to Section 2.8(b)(i) and/or Section 2.8(b)(ii) shall be released to the Administrative Agent for application to the Obligations under and in accordance with Section 2.10(f) of this Agreement.

Section 2.9 Prepayments: Apportionment and Application.

(a) Mandatory Prepayments — Agent Election. The Borrowers shall be required to prepay the Obligations in accordance with Section 2.9(c) upon the following events in the amounts stated below, in each case within one (1) Business Day of the receipt thereof, unless such prepayment is waived in writing by the Administrative Agent with the consent of the Required Lenders:

(i) upon the receipt by any Group Member of the proceeds of a Carson-Dellosa Drag-Along Sale or any other voluntary or involuntary Disposition or spin-offs of property, divisions, business units, or business lines of a Group Member (including casualty losses or condemnations but excluding sales or dispositions which are permitted under clause (a) of Section 6.5 and dispositions of Inventory in the ordinary course of business), in an amount equal to (x) in the case of Net Cash Proceeds (including condemnation awards and payments in lieu thereof) received in respect of ABL DIP Credit Priority Collateral by such Group Member in connection with such Dispositions or spin-offs, 100% of the amount thereof, and (y) in all other cases, in an amount equal to 100% of the Net Cash Proceeds (including condemnation awards and payments in lieu thereof) received by such Group Member in connection with such Dispositions or spin-offs; provided, that, nothing contained in this Section 2.9(a)(i) shall permit any Group Member to Dispose of any property other than in accordance with Section 6.5;

(ii) upon the receipt by any Group Member of (1) any net proceeds of issuances of Debt for the refinancing of the Obligations, in an amount equal to 100% of such amounts, (2) net proceeds of issuances of Debt (other than Debt described in the preceding clause (1), and other Permitted Debt), in an amount equal to 50% of such amounts, (3) net proceeds of issuances of Equity Interests to any Person other than an Obligor, in an amount equal to 50% of such amounts, (4) Extraordinary Receipts attributable to or received in respect of Term Loan Priority Collateral, in an amount equal to 100% of such amounts, (5) Extraordinary Receipts attributable to or received in respect

of ABL DIP Credit Priority Collateral, in an amount equal to 0% of such amounts that are received prior to Payment in Full of the ABL Priority Debt (as each such term is defined in the Intercreditor Agreement) and 100% of such amounts that are received thereafter, (6) other Extraordinary Receipts, in an amount equal to 50% of such amounts, (7) any proceeds of business interruption insurance, in an amount equal to 50% of such amounts, (8) any proceeds of all other insurance in respect of loss or destruction of property and of the proceeds of all awards and other recoveries in respect of condemnation and analogous events in respect of property, in each case attributable to or received in respect of Term Loan Priority Collateral, in an amount equal to 100% of such amounts, and (9) any proceeds of all other insurance in respect of loss or destruction of property and of the proceeds of all awards and other recoveries in respect of condemnation and analogous events in respect of property, in each case attributable to or received in respect of ABL DIP Credit Priority Collateral (calculated as determined in Section 5.2 of the Intercreditor Agreement), in an amount equal to 0% of such amounts that are received prior to Payment in Full of the ABL Priority Debt (as each such term is defined in the Intercreditor Agreement) and 100% of such amounts that are received thereafter (in each case in clauses (8) and (9) above, subject to exceptions for repairs and replacements effected within 60 days of receipt of such insurance proceeds or other award by any Group Member and costing up to \$200,000 per casualty event); and

(iii) if any Group Member receives any proceeds of or amounts from the Escrow Account, upon such receipt by such Group Member, in an amount equal to the amount so received.

(b) Voluntary Prepayments. The Borrowers may prepay the outstanding principal amount of any Loan in whole at any time and/or in part, at par, from time to time, upon not less than thirty (30) days', and not more than sixty (60) days' prior written notice to the Administrative Agent, which notice shall be irrevocable once given, provided that (i) the Borrowers will remain liable for any breakage costs that may be owing pursuant to Section 2.13 after giving effect to such prepayment, and (ii) each partial prepayment that is not of the entire outstanding amount of Loans shall be in an aggregate amount that is an integral multiple of \$1,000,000.

(c) Prepayments Generally. The following provisions shall apply to all prepayments under Section 2.9(a) and (b), to the extent specified below:

(i) any prepayment of the Loans under Section 2.9(a) and (b) shall be applied against the outstanding Loans of each Lender pro rata according to each Lender's Percentage of such Loans;

(ii) at any time that an Application Event has occurred, prepayments under Section 2.9(a) shall be applied in accordance with the terms of Section 2.10(f)(ii);

(iii) [Reserved];

(iv) [Reserved]; and

(v) upon receipt by any Obligor of any Net Cash Proceeds, Extraordinary Receipts, net proceeds of issuances of Debt or Equity Interests, insurance proceeds or other awards payable in connection with the loss, destruction or condemnation of any property, or other amounts described in Section 2.9(a) (except clause (a)(i)(x)), the Administrative Borrower shall immediately deposit such funds, or cause such funds to be immediately deposited, in the Term Loan Priority Collateral Deposit Account in an amount not less than the maximum amount that would be required to be applied to prepayment of the Obligations hereunder (assuming none of such proceeds would be elected to be used for any permitted repairs or replacements); the Administrative Borrower will cause such funds to be maintained in the Term Loan Priority Collateral Deposit Account until applied to prepayment of the Obligations, or to a permitted repair or replacement, in accordance with the terms of this Section 2.9.

(d) No Violation of Intercreditor Agreement. Notwithstanding anything else to the contrary in this Agreement, the Borrowers shall not be permitted to make, and the Agent and the Lenders shall not be required to receive (and for the avoidance of doubt, if the Lenders do so receive, such receipt shall be subject to the Intercreditor Agreement), any voluntary prepayments of the Obligations (for the avoidance of doubt, including voluntary prepayments pursuant to Section 2.9(b) and also prepayments specified to be in such amounts as the Administrative Borrower may elect pursuant to Section 2.9(a)(i)(y)) that would contravene, or result in a breach of, any provision of the Intercreditor Agreement.

Section 2.10 Payments.

(a) Making of Payments. All payments and prepayments of principal, interest and other amounts due hereunder shall be made (unless otherwise expressly stated in this Agreement) to the Administrative Agent for the account of the Lenders pro rata according to their respective applicable Percentages. All payments to the Administrative Agent shall be made to the Administrative Agent at its office in New York, New York, not later than 2:00 p.m., New York, New York time, on the date due, in Dollars in immediately available funds, and funds received after that hour shall be deemed, for purposes of determining timeliness of payments and for all purposes of computation of interest, to have been received by the Administrative Agent on the next following Business Day. Any payment or prepayment of principal shall be accompanied by accrued unpaid interest on such amount of principal paid or prepaid through the date of payment or prepayment, and, if applicable, additional compensation calculated in accordance with Section 2.13. The Administrative Agent shall remit to each Lender in immediately available funds its share of all such payments received by the Administrative Agent for the account of such Lender on the Business Day next succeeding the Business Day such payments are received by the Administrative Agent. If the Administrative Agent fails to remit any payment to any Lender when required hereby, the Administrative Agent shall pay interest on demand to that Lender for each day during the period commencing on the date such remittance was due until the date such remittance is made at an annual rate equal to the Federal Funds Rate for such day. All payments under Section 2.11, 2.12 or 2.13 shall be made by the Borrowers directly to each Lender entitled thereto.

(b) Effect of Payments. Each payment by the Borrowers to the Administrative Agent for the account of any Lender pursuant to Section 2.10(a) shall be deemed to constitute payment by the Borrowers directly to such Lender, provided, however, that in the event any such payment by the Borrowers to the Administrative Agent is required to be returned to the Borrowers for any reason whatsoever, then the Borrowers' obligation to such Lender with respect to such payment shall be deemed to be automatically reinstated.

(c) Distributions by Agent. Unless the Administrative Agent shall have been notified by a Lender or a Borrower prior to the date on which such Lender or Borrower are scheduled to make payment to the Administrative Agent of (in the case of a Lender) the proceeds of a Loan to be made by it hereunder or (in the case of a Borrower) a payment to the Administrative Agent for the account of one or more of the Lenders hereunder (such payment by a Lender or Borrower (as the case may be) being herein called a "Required Payment"), which notice shall be effective upon receipt, that it does not intend to make the Required Payment to the Administrative Agent, the Administrative Agent may assume that the Required Payment has been made and may, in reliance upon such assumption (but shall not be required to), make the amount thereof available to the intended recipient(s) on such date and, if such Lender or Borrower (as the case may be) has not in fact made the Required Payment to the Administrative Agent, the recipient(s) of such payment shall, on demand, repay to the Administrative Agent the amount so made available together with interest thereon for each day during the period commencing on the date such amount was so made available by the Administrative Agent until the date the Administrative Agent recovers such amount at a rate (i) equal to the Federal Funds Rate for such day, in the case of a Required Payment owing by a Lender, or (ii) equal to the applicable rate of interest as provided in this Agreement for the Loans (calculated daily and not in respect of any Interest Period), in the case of a Required Payment owing by a Borrower.

(d) Setoff. Each Borrower agrees that each Lender, subject to such Lender's sharing obligations set forth in Section 8.6, shall have all rights of setoff and bankers' lien provided by Applicable Law, and in addition thereto, each Borrower agrees that if at any time any Obligation is due and owing by such Borrower under this Agreement or the other Loan Documents to any Lender at a time when an Event of Default has occurred hereunder, any Lender may apply any and all balances, credits, and deposits, accounts or moneys of such Borrower then or thereafter in the possession of such Lender (excluding, however, any trust or escrow accounts held by such Borrower for the benefit of any third party) to the payment thereof.

(e) Due Date Extension. If any payment of principal of or interest on any Loan or any fees payable hereunder falls due on a day that is not a Business Day, then such due date shall be extended to the next following Business Day, and (in the case of principal) additional interest shall accrue and be payable for the period of such extension.

(f) Apportionment and Application of Payments.

(i) So long as no Application Event has occurred, and except as otherwise expressly specified herein, all principal and interest payments shall be apportioned ratably among the Lenders (according to the unpaid principal balance of the Obligations to which such payments relate held by each Lender) and all payments of fees and expenses (other than fees or expenses that are for the Agent's separate account) shall be apportioned ratably among the Lenders to which a particular fee or expense relates. All payments to be made hereunder by the Borrowers shall (subject to the last sentence of Section 2.10(a) hereof) be remitted to the Administrative Agent and all (subject to Section 2.10(f)(iii) hereof) such payments, and all proceeds of Collateral received by the Agent, shall be applied, so long as no Application Event has occurred, to reduce the balance of the Loans and other Obligations outstanding and, thereafter, to the Administrative Borrower or such other Person entitled thereto under Applicable Law.

(ii) At any time that an Application Event has occurred, all payments remitted to the Administrative Agent and all proceeds of Collateral received by the Agent shall be applied as follows:

(A) first, to pay any Agent Expenses (including cost or expense reimbursements) or indemnities then due to the Agent under the Loan Documents, until paid in full;

(B) second, to pay any fees or premiums then due to the Agent under the Loan Documents until paid in full;

(C) third, to pay interest due in respect of all Protective Advances, pro rata, until paid in full;

(D) fourth, to pay the principal of all Protective Advances, pro rata, until paid in full;

(E) fifth, ratably to pay any fees then due to any of the Lenders under the Loan Documents until paid in full;

(F) sixth, ratably to pay interest due in respect of the Loans then outstanding until paid in full;

(G) seventh, ratably to pay the principal of all Loans then outstanding until paid in full;

(H) eighth, ratably to pay all other Obligations; and

(I) ninth, to the Administrative Borrower or such other Person entitled thereto under Applicable Law.

(iii) In each instance, so long as no Application Event has occurred, Section 2.10(f)(i) shall not apply to any payment made by the Borrowers to the Administrative Agent and specified by the Administrative Borrower to be for the payment of specific Obligations then due and payable (or prepayable) under any provision of this Agreement.

(iv) For purposes of Section 2.10(f)(ii), “paid in full” means payment in cash in Dollars of all amounts owing under the Loan Documents according to the terms thereof, including loan fees, service fees, professional fees, interest (and specifically including interest accrued after the commencement of any Insolvency Proceeding), default interest, interest on interest and expense reimbursements, whether or not any of the foregoing would be or is allowed or disallowed in whole or in part in any Insolvency Proceeding.

(v) In the event of a direct conflict between the priority provisions of this Section 2.10(f) and any other provision contained in any other Loan Document, it is the intention of the parties hereto that such provisions be read together and construed, to the fullest extent possible, to be in concert with each other. In the event of any actual, irreconcilable conflict that cannot be resolved as aforesaid, the terms and provisions of this Section 2.10(f) shall control and govern.

(g) Administrative Agent Fee. On the Closing Date the Administrative Borrower shall pay, or cause to be paid, to the Administrative Agent, the fees set forth in the Agent Fee Letter.

(h) [Reserved].

(i) [Reserved].

(j) Commitment Fees. On the Closing Date, Administrative Borrower shall pay or cause to be paid to the Administrative Agent the fees set forth in the Lender Fee Letter.

Section 2.11 Taxes.

(a) Payments. All payments made by the Loan Parties to the Administrative Agent or any other Secured Party (herein any “Payee”) under or in connection with any Loan Document shall be made without any setoff or other counterclaim, and shall be free and clear of and without deduction or withholding for or on account of any present or future Taxes now or hereafter imposed by any Governmental Authority or other authority, except to the extent that any such deduction or withholding is compelled by law. As used herein, the term “Taxes” means all income, excise and other taxes of whatever nature, as well as all levies, imposts, remittances, duties, charges, or fees of whatever nature, including any interest, additions to Tax or penalties applicable thereto. If a Withholding Agent is compelled by law to make any deductions or withholdings on account of any Taxes (including any foreign withholding)::

(i) if such deducted or withheld Tax is an Indemnified Tax, the applicable Loan Party shall pay such additional amounts (including, without limitation, any penalties, interest or expenses) as may be necessary in order that the net amount received by the Payee after such deductions or withholdings (including any required deduction or withholding on such additional amounts) shall equal the amount the Payee would have received had no such deductions or withholdings been made; and

(ii) the applicable Withholding Agent shall timely pay to the relevant authorities the full amount required to be so withheld or deducted (including with respect to such additional amounts); and

(iii) (x) if the applicable Withholding Agent is a Loan Party, such Loan Party shall promptly forward to the Administrative Agent (for prompt delivery to the appropriate Payee) an official receipt or other documentation satisfactory to the Administrative Agent evidencing such payment to such authorities in accordance with Section 2.11(d), and (y) if the applicable Withholding Agent is the Administrative Agent, the Administrative Agent shall, within 30 days after the payment of such withheld or deducted Taxes, promptly forward to the applicable Payee an official receipt or other documentation satisfactory to the Payee evidencing such payment to such authorities.

If any Taxes otherwise payable by a Loan Party pursuant to the foregoing are directly asserted against a Payee, such Payee may pay such Taxes and such Loan Party promptly shall reimburse such Payee to the full extent otherwise required under this Section 2.11.

(b) Other Taxes. In addition, the Loan Parties shall timely pay any present or future stamp, recording, filing or documentary taxes or any other excise or property taxes, charges or similar levies that arise from any payment made by a Loan Party hereunder or under any other Loan Documents or from the execution, delivery or registration of, performing under, the receipt or perfection of a security interest under, or otherwise with respect to, this Agreement or the other Loan Documents (hereinafter referred to as “Other Taxes”).

(c) Indemnification by Loan Parties. The Loan Parties shall indemnify each Lender and the Administrative Agent for and hold it harmless against the full amount of any Indemnified Taxes and Other Taxes (including, without limitation, taxes of any kind imposed or asserted by any jurisdiction on amounts payable under this Section 2.11) imposed on or paid or remitted by such Lender or the Administrative Agent (as the case may be), or required to be withheld or deducted from a payment to such Lender or Administrative Agent, and any liability (including penalties, interest and reasonable expenses) arising therefrom or with respect thereto. This indemnification shall be made within 30 days from the date such Lender or the Administrative Agent (as the case may be) makes written demand therefor with appropriate supporting documentation.

(d) Evidence of Payment. Within 30 days after the date of any payment of Taxes by a Loan Party, the appropriate Loan Party shall furnish to the Administrative Agent, at its address referred to in Section 10.3, the original or a certified copy of a receipt evidencing such payment to the extent such a receipt is issued therefor, or other written proof of payment thereof that is reasonably satisfactory to the Administrative Agent. In the case of any payment hereunder or under the Notes or any other documents to be delivered under the Loan Documents by or on behalf of a Loan Party through an account or branch outside the United States or by or on behalf of a Loan Party by a payor that is not a United States person, if such Loan Party determines that no Taxes are payable in respect thereof, such Loan Party shall furnish, or shall cause such payor to furnish, to the Administrative Agent, at such address, an opinion of counsel reasonably acceptable to the

Administrative Agent stating that such payment is exempt from Taxes. For purposes of this subsection (d) and subsection (e), the terms “United States” and “United States person” shall have the meanings specified in Section 7701 of the IR Code.

(e) Exemption from Withholding. Any Lender that is entitled to an exemption from or reduction of withholding Tax under the law of the jurisdiction in which the Borrower is located, or any treaty to which such jurisdiction is a party, with respect to payments under this Agreement shall deliver to the Administrative Borrower (with a copy to the Administrative Agent), to the extent such Lender is legally entitled to do so, at the time or times prescribed by applicable law, such properly completed and executed documentation prescribed by applicable law as may reasonably be requested by the Borrower to permit such payments to be made without such withholding Tax or at a reduced rate; provided that no Lender shall have any obligation under this paragraph (e) with respect to any withholding Tax imposed by any jurisdiction if in the reasonable judgment of such Lender such compliance would subject such Lender to any material unreimbursed cost or expense or would otherwise be prejudicial to such Lender in any material respect.

(f) FATCA. If a payment made to a Lender hereunder or under any Loan Documents would be subject to U.S. federal withholding Tax imposed by FATCA if such Lender were to fail to comply with the applicable reporting requirements of FATCA (including those contained in Section 1471(b) or 1472(b) of the IR Code, as applicable), such Lender shall deliver to the Administrative Borrower and the Administrative Agent at the time or times prescribed by law and at such time or times reasonably requested by the Administrative Borrower or the Administrative Agent such documentation prescribed by applicable law (including as prescribed by Section 1471(b)(3)(C)(i) of the IR Code) and such additional documentation reasonably requested by the Administrative Borrower or the Administrative Agent as may be necessary for the Administrative Borrower and the Administrative Agent to comply with their obligations under FATCA and to determine that such Lender has complied with such Lender’s obligations under FATCA or to determine the amount to deduct and withhold from such payment. Solely for the purposes of this subsection (f), “FATCA” shall include any amendments made to FATCA after the date of this Agreement.

(g) Without limitation to any provision of Section 2.11(e), if any form or document referred to in Section 2.11(e) requires the disclosure of information, other than information necessary to compute the Tax payable and information required on the Closing Date by IRS Form W-8BEN or W-8ECI or the related certificate described above, that the applicable Lender reasonably considers to be confidential, the Lender shall give notice thereof to the Administrative Borrower and shall not be obligated to include in such form or document such confidential information, except (in the sole discretion of such Lender) directly to a Governmental Authority or other Person subject to a reasonable confidentiality agreement. In addition, upon the written request of the Administrative Borrower or the Administrative Agent, the applicable Lender or the Administrative Agent shall provide any other certification, identification, information, documentation or other reporting requirement required under Section 2.11(e) if (i) delivery thereof is required by a change in the law, regulation, administrative practice or any applicable tax treaty as a precondition to exemption from or a reduction in the rate of

deduction or withholding; (ii) the Administrative Agent or Lender, as the case may be, is legally entitled to make delivery of such item; and (iii) delivery of such item will not result in material additional costs unless Administrative Borrower shall have agreed in writing to indemnify Lender or the Administrative Agent for such costs.

(h) Additional Amounts Payable. Any Lender claiming any additional amounts payable pursuant to this Section 2.11 agrees to use reasonable efforts (consistent with its internal policy and legal and regulatory restrictions) to change the jurisdiction of its applicable lending office if the making of such a change would avoid the need for, or reduce the amount of, any such additional amounts that may thereafter accrue and would not, in the judgment of such Lender, be otherwise disadvantageous to such Lender.

(i) Refund of Taxes. If any Lender (in its sole discretion) or the Administrative Agent (at the direction of the Required Lenders in their sole discretion) determines that it has actually and finally received a refund of any Taxes paid or reimbursed by a Loan Party pursuant to subsection (a) or (c) above in respect of payments under this Agreement or the other Loan Documents, such Lender or the Administrative Agent, as the case may be, shall pay to the applicable Loan Party, with reasonable promptness following the date on which it actually receives such refund, an amount equal to such refund, net of all out-of-pocket expenses in securing such refund; provided, that the Loan Parties, upon the request of the Administrative Agent or such Lender, agree to repay the amount paid (with interest and penalties) over to any Loan Party to the Administrative Agent or such Lender in the event the Administrative Agent or such Lender is required to repay such amount to such Governmental Authority. This Section 2.11(i) shall not be construed to require the Administrative Agent or any Lender to make available its Tax returns (or any other information relating to its Taxes which it deems confidential) to the Loan Parties or any other person. Notwithstanding anything to the contrary in this paragraph (i), in no event will a Lender or the Administrative Agent, as the case may be, be required to pay any amount to a Loan Party pursuant to this paragraph (i) if such payment would place the Lender or the Administrative Agent in a less favorable net after-Tax position than the Lender or the Administrative Agent would have been in if the Tax subject to indemnification and giving rise to such refund had not been deducted, withheld or otherwise imposed and the indemnification payments or additional amounts with respect to such Tax had never been paid.

(j) Indemnification of Administrative Agent. Each Lender shall severally indemnify the Administrative Agent, within ten (10) days after demand therefor, for (i) any Indemnified Taxes or Other Taxes attributable to such Lender (but only to the extent that any Loan Party has not already indemnified the Administrative Agent for such Indemnified Taxes and Other Taxes and without limiting the obligation of the Loan Parties to do so) and (ii) any Excluded Taxes attributable to such Lender, in each case, that are payable or paid by the Administrative Agent in connection with any Loan Document, and any reasonable expenses arising therefrom or with respect thereto, whether or not such Taxes were correctly or legally imposed or asserted by the relevant governmental authority. A certificate as to the amount of such payment or liability delivered to any Lender by the Administrative Agent shall be conclusive absent manifest error. Each Lender hereby authorizes the Administrative Agent to set off and apply any

and all amounts at any time owing to such Lender under any Loan Document or otherwise payable by the Administrative Agent to the Lender from any other source against any amount due to the Agent under this Section 2.11(j). For the avoidance of doubt, except as otherwise provided in Section 2.11(a), Section 2.11(b) and Section 2.11(c), nothing in this Section 2.11(j) shall result in any increase in the liability of any Loan Party to any Lender or the Administrative Agent for Taxes or Other Taxes.

Section 2.12 Increased Costs; Capital Adequacy; Funding Exceptions.

(a) Increased Costs on LIBOR Rate. If Regulation D of the Board of Governors of the Federal Reserve System or after the date of this Agreement the adoption of any applicable law, rule or regulation, or any change in any existing law, or any change in the interpretation or administration thereof by any governmental authority, central bank or comparable agency charged with the interpretation or administration thereof, or compliance by a Lender with any request or directive (whether or not having the force of law) of any such authority, central bank or comparable agency, shall:

(i) subject a Lender to or cause the withdrawal or termination of any exemption previously granted to a Lender with respect to, any tax, duty or other charge with respect to its Loans or its obligation to make Loans, or shall change the basis of taxation of payments to a Lender of the principal of or interest under this Agreement in respect of its Loans or its obligation to make Loans (except for changes in the rate of tax on the overall net income of a Lender imposed by the jurisdictions in which such Lender's principal executive office is located or in which such Lender is organized), or

(ii) impose, modify or deem applicable any reserve (including, without limitation, any reserve imposed by the Board of Governors of the Federal Reserve System, but excluding any reserve included in the determination of interest rates pursuant to Section 2.4), special deposit or similar requirement against assets of, deposits with or for the account of, or credit extended by, a Lender; or

(iii) impose on a Lender any other condition affecting its making, maintaining or funding of its Loans or its obligation to make Loans;

and the result of any of the foregoing is to increase the cost to an affected Lender of making or maintaining any Loan, or to reduce the amount of any sum received or receivable by such Lender under this Agreement or with respect to a Loan, then the affected Lender will notify the Administrative Borrower and the Administrative Agent of such increased cost and within fifteen (15) days after demand by such Lender (which demand shall be accompanied by a statement setting forth the basis of such demand) and the Borrowers shall pay to such Lender such additional amount or amounts as will compensate the Lender for such increased cost or such reduction. Each Lender will notify the Administrative Borrower of any event of which it has knowledge, occurring after the date hereof, which will entitle such Lender to compensation pursuant to this Section 2.12. The obligations of the Borrowers under this Section 2.12(a) shall survive any termination of this Agreement.

(b) Capital Adequacy. If a Lender determines at any time that such Lender's Return has been reduced as a result of any Capital Adequacy Rule Change, such Lender may require the Borrowers to pay to such Lender the amount necessary to restore such Lender's Return to what it would have been had there been no Capital Adequacy Rule Change. For purposes of this Section 2.12(b), the following definitions shall apply:

(i) "Return", for any fiscal quarter or shorter period, means the percentage determined by dividing (A) the sum of interest and ongoing fees earned by a Lender under this Agreement during such period by (B) the average capital such Lender is required to maintain during such period as a result of its being a party to this Agreement, as determined by such Lender based upon its total capital requirements and a reasonable attribution formula that takes account of the Capital Adequacy Rules then in effect. Return may be calculated for a Lender for each fiscal quarter and for the shorter period between the end of a fiscal quarter and the date of termination in whole of this Agreement.

(ii) "Capital Adequacy Rule" means any law, rule, regulation or guideline regarding capital adequacy that applies to a Lender, or the interpretation thereof by any Governmental Authority. Capital Adequacy Rules include rules requiring financial institutions to maintain total capital in amounts based upon percentages of outstanding loans, binding loan commitments and letters of credit.

(iii) "Capital Adequacy Rule Change" means any change in any Capital Adequacy Rule occurring after the date of this Agreement, but does not include any changes in applicable requirements that at the date hereof are scheduled to take place under the existing Capital Adequacy Rules or any increases in the capital that a Lender is required to maintain to the extent that the increases are required due to a regulatory authority's assessment of such Lender's financial condition.

The initial notice sent by a Lender shall be sent after such Lender learns that its Return has been reduced, shall include a demand for payment of the amount necessary to restore such Lender's Return through and including the quarter in which the notice is sent, and shall state in reasonable detail the cause for the reduction in such Lender's Return and such Lender's calculation of the amount of such reduction. Thereafter, a Lender may send a new notice during each fiscal quarter setting forth the calculation of the reduced Return for that quarter and including a demand for payment of the amount necessary to restore such Lender's Return for that quarter. A Lender's calculation in any such notice shall be conclusive and binding absent demonstrable error.

(c) Basis for Determining Interest Rate Inadequate or Unfair. If with respect to any Interest Period:

(i) the Administrative Agent determines, or the Required Lenders determine and advise the Administrative Agent (which determination shall be binding and conclusive on all parties), that deposits in Dollars (in the applicable amounts) are not being offered in the London interbank eurodollar market for such Interest Period; or

(ii) the Administrative Agent otherwise determines, or the Required Lenders determine and advise the Administrative Agent (which determination shall be binding and conclusive on all parties), that by reason of circumstances affecting the London interbank eurodollar market adequate and reasonable means do not exist for ascertaining the applicable LIBOR Rate; or

(iii) the Administrative Agent otherwise determines, or the Required Lenders determine and advise the Administrative Agent (which determination shall be binding and conclusive on all parties), that the LIBOR Rate as determined by the Administrative Agent will not adequately and fairly reflect the cost to the Lenders of maintaining or funding a Loan for such Interest Period, or that the making or funding of Loans has become impracticable as a result of an event occurring after the date of this Agreement which in the opinion of such Lenders materially affects such Loans;

then the Administrative Agent shall promptly notify the affected parties and the Administrative Borrower shall enter into good faith negotiations with each affected Lender in order to determine an alternate method to determine the LIBOR Rate for such Lender.

(d) Illegality. In the event that any change in (including the adoption of any new) Applicable Laws, or any change in the interpretation of Applicable Laws by any Governmental Authority, including any central bank or comparable agency or any other regulatory body, charged with the interpretation, implementation or administration thereof, or compliance by a Lender with any request or directive (whether or not having the force of law) of any such Governmental Authority, including any central bank or comparable agency or other regulatory body, should make it unlawful or, in the good faith judgment of the affected Lender, shall raise a substantial question as to whether it is unlawful, for such Lender to make, maintain or fund Loans, then (i) the affected Lender shall promptly notify the Administrative Borrower and the Administrative Agent, (ii) the obligation of the affected Lender to make Loans shall, upon the effectiveness of such event, be suspended for the duration of such unlawfulness, and (iii) the Borrowers shall prepay all applicable Loans of such Lender, either on the last day of the Interest Period therefor, if such Lender may lawfully continue to maintain such Loans to such day, or immediately, if such Lender may not lawfully continue to maintain such Loans. Upon any such prepayment or conversion, the Borrowers shall also pay accrued interest on the amount so prepaid.

(e) Procedures to Mitigate. If circumstances arise in respect of any Lender which would, or would upon the giving of notice, result in any liability of the Borrowers under Section 2.11 or this Section 2.12 then, without in any way limiting, reducing or otherwise qualifying the Borrowers' obligations under Section 2.11 or this Section 2.12, such Lender shall promptly, upon becoming aware of the same, notify the Administrative Agent and the Administrative Borrower thereof and shall, in consultation with the Administrative Agent and the Administrative Borrower and to the extent that it can do so without, in its reasonable judgment, disadvantaging itself, take such reasonable steps, at the sole expense of the Borrowers, as may be available to it to mitigate the effects of such circumstances (including, without limitation, the designation of an alternate office in

accordance with Section 2.11(h) or the transfer of its Loans to another office). If and so long as a Lender has been unable to take, or has not taken, steps reasonably acceptable to the Administrative Borrower and the Administrative Agent to mitigate the effect of the circumstances in question, such Lender shall be obliged, at the request of the Administrative Borrower or the Administrative Agent, to assign all its rights and obligations hereunder to another Person designated by the Administrative Agent, or the Administrative Borrower with the approval of the Administrative Agent (which shall not be unreasonably withheld or delayed), and willing to enter this Agreement in place of such Lender; provided that such Person satisfies all of the requirements of this Agreement, including, but not limited to, providing the forms and documents required by Section 8.12 and any such Person shall cover all costs incurred in connection with effecting such replacement.

Section 2.13 Funding Losses. Each Borrower hereby agrees that upon demand by any Lender (which demand shall be accompanied by a statement setting forth the basis for the calculations of the amount being claimed) such Borrower will indemnify such Lender against any loss or expense which such Lender may have sustained or incurred (including, without limitation, any net loss or expense incurred by reason of the liquidation or reemployment of deposits or other funds acquired by such Lender to fund or maintain Loans) or which such Lender may be deemed to have sustained or incurred, as reasonably determined by such Lender, (i) as a consequence of any failure by the Borrowers to make any payment when due of any amount due hereunder in connection with any Loans, or (ii) due to any failure of the Borrowers to borrow on a date specified therefor in a Notice of Borrowing. For this purpose, all notices under Section 2.2 shall be deemed to be irrevocable.

Section 2.14 Right of Lenders to Fund through Other Offices. Each Lender, if it so elects, may fulfill its agreements hereunder with respect to any Loan by causing a foreign branch or Affiliate of such Lender to make such Loan; provided, that in such event the obligation of the Borrowers to repay such Loan shall nevertheless be to such Lender and such Loan shall be deemed held by such Lender for the account of such branch or Affiliate.

Section 2.15 Discretion of Lenders as to Manner of Funding. Notwithstanding any provision of this Agreement to the contrary, each Lender shall be entitled to fund and maintain all or any part of its Loans in any manner it deems fit, it being understood, however, that for the purposes of this Agreement (specifically including, without limitation, Section 2.13 hereof) all determinations hereunder shall be made as if each Lender had actually funded and maintained each Loan during each Interest Period for such Loan through the purchase of deposits having a maturity corresponding to such Interest Period and bearing an interest rate equal to the appropriate LIBOR Rate for such Interest Period.

Section 2.16 Conclusiveness of Statements; Survival of Provisions. Determinations and statements of a Lender pursuant to Section 2.11, 2.12, or 2.13 shall be conclusive absent demonstrable error. Each Lender may use reasonable averaging and attribution methods in determining compensation pursuant to such Sections 2.11, 2.12, or 2.13 and the provisions of Sections 2.11, 2.12, and 2.13 and the obligations of the Borrowers thereunder shall survive termination of this Agreement.

Section 2.17 Protective Advances.

(a) The Administrative Agent hereby is authorized by each Borrower and the Lenders (but is not obligated to), from time to time at the direction of the Required Lenders, (i) after the occurrence of a Default or an Event of Default, or (ii) at any time that any of the other applicable conditions precedent set forth in Article III are not satisfied, to make advances to the Borrowers on behalf of the Lenders that the Required Lenders, in their Permitted Discretion, deem necessary or desirable (A) to preserve or protect the Collateral, or any portion thereof, (B) to enhance the likelihood of repayment of the Obligations, or (C) to pay any other amount chargeable to the Borrowers pursuant to the terms of this Agreement, including Agent Expenses (any of the advances described in this Section 2.17(a) shall be referred to as “Protective Advances”), which Protective Advances shall bear interest at all times at the same rate as would be applicable during the continuation of an Event of Default to the Loans, whether or not an Event of Default then exists.

(b) All payments on the Protective Advances shall be payable to the Administrative Agent for the ratable benefit of the Lenders. The principal of and accrued unpaid interest on the Protective Advances shall be payable on demand from time to time, and shall be secured by the Agent’s Liens, and constitute Obligations hereunder. The provisions of this Section 2.17 are for the exclusive benefit of the Administrative Agent and the Lenders, and are not intended to benefit the Obligor in any way, and in no event shall a Borrower or any other Obligor be deemed a beneficiary of this Section nor authorized to enforce any of its terms.

Section 2.18 Maximum Interest. Notwithstanding anything to the contrary contained in any Loan Document, the interest paid or agreed to be paid under the Loan Documents shall not exceed the maximum rate of non-usurious interest permitted by Applicable Law (the “maximum rate”). If any Secured Party shall receive interest hereunder in an amount that exceeds the maximum rate, the excess interest shall be applied to the principal of the Obligations or, if it exceeds such unpaid principal, refunded to the Administrative Borrower. In determining whether the interest contracted for, charged or received by a Secured Party exceeds the maximum rate, such Person may, to the extent permitted by Applicable Law, (a) characterize any payment that is not principal as an expense, fee or premium rather than interest; (b) exclude voluntary prepayments and the effects thereof; and (c) amortize, prorate, allocate and spread in equal or unequal parts the total amount of interest throughout the contemplated term of the Obligations hereunder.

Section 2.19 Defaulting Lenders. The failure of any Lender to fund a Loan or to otherwise perform its obligations hereunder (any Lender who fails to fund a Loan or to otherwise perform its obligations hereunder, a “Defaulting Lender”) shall not relieve any other Lender of its obligations, and no Lender shall be responsible for default by another Lender. The Lenders and the Administrative Agent agree (which agreement is solely among them, and not for the benefit of or enforceable by any Borrower or other Group Member) that, solely for purposes of determining a Defaulting Lender’s right to vote on matters relating to the Loan Documents and to share in payments, fees and Collateral proceeds thereunder, a Defaulting Lender shall not be deemed to be a “Lender” until all its defaulted obligations have been cured.

ARTICLE III
CONDITIONS OF LENDING

Section 3.1 Conditions Precedent to the Closing Date. The obligation of each Lender to make Loans on the Closing Date hereunder is subject to the satisfaction or due waiver of each of the following conditions precedent, on or before February 27, 2013, in each case in form and substance satisfactory to the Administrative Agent (at the direction of the Required Lenders):

- (o) The Prepetition ABL Credit Lenders will have entered into ABL DIP Credit Documents acceptable to the Administrative Agent to provide the Borrowers with DIP financing that when combined with the obligations in respect of the Prepetition ABL Credit Documents will not exceed \$175,000,000.
- (p) [Reserved.]
- (q) All motions and other documents to be filed with and submitted to the Bankruptcy Court related to this Agreement and the approval thereof shall be in form and substance satisfactory to the Lenders.
- (r) There shall not exist any law, regulation, ruling, judgment, order, injunction or other restraint that, in the judgment of the Administrative Agent at the direction of the Required Lenders, prohibits, restricts or imposes a materially adverse condition on the Borrowers or the Guarantors, this Agreement or the exercise by the Administrative Agent at the direction of the Lenders of its rights as a secured party with respect to the Collateral.

(s) The Bankruptcy Court shall have entered an Interim Order not later than on the first Business Day after the date on which the motion to approve the Interim Order is heard, in form and substance satisfactory to the Administrative Agent and the Required Lenders, which Interim Order shall include, without limitation, copies of this Agreement and the Approved Budget as exhibits thereto, entered on notice to such parties as may be satisfactory to the Administrative Agent and the Lenders, (i) authorizing and approving this Agreement and the Transactions contemplated hereby, including, without limitation, the granting of the superpriority status, security interests and priming liens, and the payment of all fees, referred to herein; (ii) lifting or modifying the automatic stay to permit the Obligors to perform their obligations and the Lenders to exercise their rights and remedies with respect to the Facility; (iii) authorizing the use of cash collateral and providing for adequate protection to the extent agreed by the Lenders; and (iv) reflecting such other terms and conditions that are satisfactory to the Administrative Agent and the Lenders in their sole discretion; which Interim Order shall be in full force and effect, shall not have been reversed, vacated or stayed and shall not have been amended, supplemented or otherwise modified without the prior written consent of the Administrative Agent and the Required Lenders.

(t) The Escrow Account shall be established under the Escrow Agreement.

(u) The Term Loan Priority Collateral Deposit Account shall have been established.

(v) Such other items as the Administrative Agent or the Required Lenders shall reasonably require.

Section 3.2 Additional Conditions Precedent to Each Loan. The obligation of each Lender to make a Loan on or after the Closing Date shall be subject to the satisfaction of each of the following further conditions precedent as of such date:

(a) the representations and warranties contained in Article IV hereof shall be true and correct in all material respects (without duplication of any materiality qualifier contained herein) as though made on and as of such date (and each Borrower shall be deemed to have so made each such representation and warranty on and as of such date).

(b) no event shall have occurred, or would result from the making of the Loans or the ABL DIP Credit Loans or consummation of the transactions contemplated by the Loan Documents and the ABL DIP Credit Documents or the Related Transactions that, with the giving of notice or lapse of time or both, if required, constitutes, or would give rise to, a Default or an Event of Default.

(c) With respect to the making of a Loan (except with respect to the Initial Borrowing on the Closing Date), the Administrative Agent shall have timely received a Notice of Borrowing in compliance with the terms hereof.

(d) no injunction, writ, judgment, decree, restraining order, or other order of any nature shall have been issued and remain in force by any Governmental Authority or arbitrator against any Obligor, the Agent, any Lender or the ABL DIP Agent or any ABL DIP Credit Lender or letter of credit issuing bank prohibiting or restraining, directly or indirectly, and no other legal bar shall exist directly or indirectly to, the making of such Loans or the ABL DIP Credit Loans or the consummation of the Related Transactions.

(e) The making of such Loan shall not violate any requirement of Applicable Law and shall not be enjoined, temporarily, preliminarily or permanently.

(f) No Material Adverse Effect shall have occurred, other than the filing, commencement and continuation of the Chapter 11 Cases, and the events that customarily result from the filing, commencement and continuation of the Chapter 11 Cases (including any litigation resulting therefrom).

Section 3.3 Additional Conditions Precedent to Each Loan Made on an Extended Funding Date. In addition to the conditions precedent set forth in Section 3.2, the obligations of each Lender to make a Loan on an Extended Funding Date shall be subject to the satisfaction of each of the following further conditions precedent as of such date:

(a) The aggregate amount of receipts collected by the Obligors during the period from the Closing Date through such Extended Funding Date (an "Extended Funding Test Period") shall have been less than 100% of the aggregate amount of receipts budgeted in the "Collections" line in the Approved Budget for the weeks comprising such Extended Funding Test Period;

(b) The aggregate amount of disbursements in the nature of those included in the line items "Debtor Professional Fees", "Professional Fees for Unsecured Creditors" and "Restructuring/Other Professional Fees" in the Approved Budget made by the Obligors during such Extended Funding Test Period shall have been greater than 90% and less than 125% of the aggregate amount of disbursements budgeted in such line items in the Approved Budget for the weeks comprising such Extended Funding Test Period; and

(c) As of such Extended Funding Date, the aggregate value of inventory of the Obligors (calculated in accordance with GAAP and in a manner consistent with past practices) subject to credit terms of at least thirty (30) days from non-critical vendors is less than \$7,500,000;

provided, however, that, notwithstanding the failure of the Borrowers to satisfy the conditions precedent contained in Section 3.3(a) through Section 3.3(c) hereof on such Extended Funding Date, each Lender shall make a Loan on such Extended Funding Date in accordance with Section 2.1 if the following conditions precedent shall have been satisfied on such date: the Proceeds of such Loan shall be necessary for the Borrowers to obtain and consummate the transactions contemplated by a final order of the Bankruptcy Court (which order shall be satisfactory in form and substance to the Required Lenders, in their sole discretion) that, in such case either (x) confirms a plan or plans of reorganization in connection with the Chapter 11 Cases or (y) approves a sale of all or substantially all of the Borrowers' assets through either a sale under section 363(k) of the Bankruptcy Code, section 363(b) of the Bankruptcy Code or under a plan of reorganization in the Chapter 11 Cases, and such final order does not, or could not reasonably be expected to, cause a Default or Event of Default.

ARTICLE IV
REPRESENTATIONS AND WARRANTIES

To induce the Agent and the Lenders to enter into this Agreement and to make Loans, each Group Member represents and warrants to the Agent and the Lenders that:

Section 4.1 Existence and Power; Good Standing; Compliance with Law. Each Group Member is duly organized, validly existing and in good standing under the laws of its jurisdiction of organization, and, except as set forth on Schedule 4.1, is duly licensed or qualified to transact business in all jurisdictions where its assets are located, where the character of the property owned or leased or the nature of the business transacted by it makes such licensing or qualification necessary and wherever otherwise necessary to carry out its business and operations. Upon entry of the DIP Order, each Group Member has all requisite power and authority, and the legal right, to conduct its business as currently and proposed to be conducted, to own, operate and pledge its properties and to execute and deliver, and to perform all of its obligations under, each of the Loan Documents and ABL DIP Credit Documents to which it is a party and to consummate the Related Transactions. Each Group Member is in compliance with all applicable Requirements of Law (including Requirements of Law relating to remittances, withholdings, source deductions and wages (including vacation pay and pension contributions)) and has all necessary Permits from or by, has made all necessary filings with, and has given all necessary notices to, each Governmental Authority having jurisdiction over it or its properties, to the extent required for such ownership, operation, pledge or conduct of business. Schedule 4.1 hereto contains, as of the date hereof, (i) a complete and accurate list, for each jurisdiction in which any Group Member operates, of the Permits held by each Group Member with respect to such jurisdiction and (ii) a complete and accurate list of all Permits issued by a Governmental Authority and held by a Group Member with respect to such Group Member's operations in any state or other jurisdiction generally.

Section 4.2 Authorization for Borrowings; No Conflict as to Law or Agreements. Subject to entry of the DIP Order, the execution and delivery by each Obligor of, and performance by such Obligor of its obligations under, each of the Loan Documents and ABL DIP Credit Documents to which it is a party, and the Loans made hereunder, and the consummation of the Related Transactions, are within such Obligor's corporate, limited liability company or similar entity powers, have been duly authorized by all necessary corporate, limited liability or similar entity action in respect of such Obligor and do not and will not (i) require any authorization, consent or approval by, or registration, declaration or filing (other than filing of financing statements and mortgages as contemplated hereunder) with, or notice to, any Governmental Authority, any holders of Equity Interests in such Obligor, or any other Person, except such authorization, consent, approval, registration, declaration, filing or notice as has been obtained, accomplished or given prior to the date hereof, (ii) violate any Requirement of Law with respect to such Obligor or any of its Subsidiaries, (iii) conflict with or contravene such Obligor's Constituent Documents, (iv) conflict with, contravene, constitute a default or breach under, or result in or permit the termination or acceleration of, any indenture or loan or credit agreement or any other material agreement, lease or instrument to which such Obligor or any of its Subsidiaries is a party or by which it or its properties may be bound or affected (including the Loan Documents and the ABL DIP Credit Documents), or (v) result in, or require, the creation or imposition of any Lien upon or with respect to any of the properties now owned or hereafter acquired by such Obligor or any of its Subsidiaries (other than as required under the Loan Documents in favor of the Collateral Agent and the Secured Parties, and as required under the ABL DIP Credit Documents).

Section 4.3 Legal Agreements. Subject to entry of the DIP Order, each of the Loan Documents and ABL DIP Credit Documents to which any Obligor is a party constitutes the legal, valid and binding obligation and agreement of such Obligor, enforceable against such Obligor in accordance with its terms.

Section 4.4 Group Members; Subsidiaries; Equity Interests. Since December 29, 2012, other than the filing, commencement and continuation of the Chapter 11 Cases, and the events that customarily result from the filing, commencement and continuation of the Chapter 11 Cases (including any litigation resulting therefrom), there has not occurred any event, development or circumstance or other change in fact, that could, individually or in the aggregate, have or reasonably be expected to have a Material Adverse Effect. No ERISA Event has occurred or could reasonably be expected to occur with respect to an ERISA Plan. Full payment has been made of all amounts that a Controlled Group member is required, under Applicable Law or under the governing documents, to have paid as a contribution to or a benefit under each ERISA Plan. As of the most recent date of release of the financial statements for each Controlled Group member, the liability of such Controlled Group member with respect to each ERISA Plan has been fully funded based upon reasonable and proper actuarial assumptions or has been fully insured. No changes have occurred that would cause a material increase in the cost of providing benefits under any ERISA Plan. Each ERISA Plan is in compliance with all Applicable Laws. With respect to any Pension Plan, there are no unfunded benefit liabilities as defined in Section 4001(a)(18) of ERISA and the “accumulated benefit obligation” with respect to such Pension Plan (as determined in accordance with Statement of Accounting Standards No. 87, “Employers’ Accounting for Pensions”) does not exceed the fair market value of Pension Plan assets.

Section 5.8 Subsidiaries. At the time that any Group Member forms any direct or indirect Subsidiary or acquires any direct or indirect Subsidiary after the Closing Date, such Group Member shall (a) at the time of such formation or acquisition (or such later date as permitted by the Administrative Agent (at the direction of the Required Lenders in their sole discretion)) cause any such new Subsidiary (unless it is a CFC (as defined in the Security Agreement) and to the extent that the taking of the actions described below with respect to such Subsidiary would result in adverse tax consequences to any of the Group Members) to provide to the Administrative Agent a joinder and supplement to this Agreement substantially in the form of Exhibit C (each, a “Guaranty Supplement”), pursuant to which such Subsidiary shall agree to join as a Guarantor of the Obligations under Article IX and as an Obligor under this Agreement, a joinder to the Security Agreement, together with all other security documents (including Mortgages and other items in accordance with Section 5.11 and Section 5.14 with respect to any Real Property owned in fee of such new Subsidiary and any Leased Real Property of such Subsidiary), as well as appropriate financing statements (and with respect to all property subject to a mortgage, fixture filings), all in form and substance satisfactory to the Administrative Agent, sufficient to grant the Collateral Agent a first priority Lien (subject to Permitted Senior Liens) in and to the property of such newly formed or acquired Subsidiary, together with title insurance policies, Surveys, environmental reports, flood determinations, evidence of flood insurance (if applicable), landlord’s waivers, certified resolutions and other Constituent Documents, opinions, and other documents as may be requested by the Agent, (b) at the time of such formation or acquisition (or such later date as permitted by the Administrative Agent (at the direction of the Required Lenders in their sole discretion)) provide to the Administrative Agent a pledge agreement and appropriate certificates and powers or financing statements, pledging all of the direct or beneficial ownership interests and other Equity Interests owned by the Obligors in such new Subsidiary reasonably satisfactory to the Administrative Agent (at the direction of the Required Lenders) (provided that if such Subsidiary is a CFC (as defined in the Security Agreement) and to the extent that a pledge of more than 65% of the outstanding voting Equity Interests in such Subsidiary would result in adverse tax consequences to any of the Group Members, no more than 65% of the outstanding voting Equity Interests in such Subsidiary shall be required to be so pledged), and (c) at the time of such formation or acquisition (or such later date as permitted by Agent (at the direction of the Required Lenders in their sole discretion)) provide to the Administrative Agent all other documentation, including one or more opinions of counsel reasonably satisfactory to the Administrative Agent (at the direction of the Required Lenders), which in its opinion is appropriate with respect to the execution and delivery of the applicable documentation referred to above (including policies of title insurance or other documentation with respect to all Real Property with a value in excess of \$200,000 owned in fee and subject to a Mortgage). Any document, agreement, or instrument executed or issued pursuant to this Section 5.8 shall be a Loan Document. Nothing contained in this Section 5.8 shall permit the formation or acquisition of a Subsidiary to the extent not permitted by, or to the extent prohibited elsewhere in, this Agreement or any other Loan Document.

Section 5.9 Permits. Each Group Member will, and will cause each of its Subsidiaries to, obtain all Permits that are required under Applicable Law, including Environmental Law, or under contract to continue to operate the business of the Group Members as currently operated, or that are otherwise required by the Administrative Agent (at the direction of the Required Lenders), and in furtherance thereof to make all necessary or appropriate filings with, and give all required notices to, Government Authorities in respect thereof.

Section 5.10 Lender Group Meetings. The Administrative Borrower will (and will cause key management of each Group Member to), within 30 days after any request of the Administrative Agent, hold a meeting (at a mutually agreeable location and time or, at the option of the Agent, by conference call) with all Secured Parties who choose to attend such meeting, at which meeting shall be reviewed the financial results and financial condition of the Group Members and such other matters as the Administrative Agent may reasonably request; provided, that, unless a Default or Event of Default exists, no more than two such meetings shall be required, and in addition thereto, no more than two such lender calls, during any twelve consecutive month period commencing after the Closing Date.

Section 5.11 Real Estate.

(a) From and after the date hereof, in the event that (i) any Borrower or other Obligor acquires (x) in fee, any Real Property with a value in excess of \$200,000, or (y) by lease, any Real Property in connection with which the gross rental payments are in excess of \$100,000 annually and for which the term of the leasehold (giving effect to any renewals and extensions at the option of the Obligors) is two years or longer, or (ii) at the time any Person becomes a Borrower or other Obligor, such Person owns or holds any Real Property with values or gross rental payments in excess of the amounts set forth in clause (i) above (any such Real Property, an "Additional Mortgaged Property"), the Administrative Borrower shall grant (or cause the relevant Obligor to grant), within 30 days (subject to extension by the Administrative Agent in the Administrative Agent's sole discretion) after such Person acquires or holds such Real Property or becomes an Obligor, as the case may be, a security interest in and Mortgage on such Additional Mortgaged Property *mutatis mutandis*, in respect of such Additional Mortgaged Property as the Administrative Agent (at the direction of the Required Lenders) may require.

Section 5.12 Deposit Accounts and Securities Accounts; Cash Management.

(a) Each Obligor shall maintain its deposit accounts and securities accounts in a manner satisfactory to the Administrative Agent (at the direction of the Required Lenders), subject to an acceptable cash management system that provides the Collateral Agent with perfection of its Lien on and in the funds on deposit in any deposit account

under the UCC pursuant to Control Agreements and is otherwise as set forth on Schedule 5.12, as such Schedule may be updated from time to time by the Administrative Agent (at the direction of the Required Lenders in their sole discretion) (the “Acceptable Cash Management System”). Prior to any Obligor’s establishment or acquisition of any deposit account or securities account after the date of this Agreement (other than Excluded Accounts (as defined in the Security Agreement)), the Administrative Borrower shall arrange for the delivery to the Administrative Agent of a Control Agreement with respect to such deposit account or securities account. Prior to any Obligor’s (i) establishment or acquisition of any deposit account or securities account after the date of this Agreement, that is a Non-Controlled Account, or (ii) transfer of any funds from any account to any Non-Controlled Account, or (iii) changing banking practices for any facility from the deposit of funds into banking accounts governed by a Control Agreement to the depositing of any funds into Non-Controlled Accounts, in each case in clause (i), (ii) and (iii) the Administrative Borrower shall obtain the prior written consent of the Administrative Agent.

(b) There shall not be on deposit in any Non-Controlled Accounts any funds of any Group Member. If and to the extent that any Receipts come into the possession or control of any of the Obligors, all such Receipts shall be held in trust for the Collateral Agent as the property of the Agent, for the benefit of the Secured Parties, and shall be promptly deposited into one or more deposit accounts subject to a Control Agreement.

(c) Subject to the rights of the Obligors hereunder, the Obligors agree that all deposits made in, and payments made to, a deposit account and other funds received and collected by the Agent, whether on the Accounts or as proceeds of Inventory or other Collateral or otherwise, except for Excluded Accounts (as defined in the Security Agreement) shall be the collateral of the Collateral Agent and the ABL DIP Agent, subject to the Intercreditor Agreement, under the sole dominion and control of the ABL DIP Agent or the Agent.

(d) The Borrowers jointly and severally agree to reimburse the Administrative Agent on demand for any amounts owed or paid to any financial institution or other Person involved in the transfer of funds to or from the deposit accounts arising out of the Administrative Agent’s payments to or indemnification of such financial institution or other Person. The obligation of the Borrowers to reimburse the Administrative Agent, for such amounts pursuant to this Section 5.12, shall survive the termination or non-renewal of this Agreement.

Section 5.13 Inventory Sold on Consignment. Prior to or simultaneously with any Obligor selling Inventory to any third party on consignment (“Consigned Goods”), the Obligors shall have taken all steps necessary, including the filing of UCC-1 financing statements and the giving of notices in accordance with the UCC, to perfect its security interest in such Consigned

Section 5.14 Further Assurances. In connection with this Agreement and the transactions contemplated hereby, each Obligor will execute and deliver any additional documents and instruments and perform any additional acts that may be necessary or appropriate, in the Administrative Agent's (exercised at the direction of the Required Lenders) Permitted Discretion, to effectuate and perform its obligations under this Agreement and the other Loan Documents and the transactions contemplated hereby and thereby, including execution, delivery and filing, where applicable, of all documents requested by the Administrative Agent or Collateral Agent appropriate to grant and perfect Liens on all property of the Obligors in favor of the Collateral Agent to secure the Obligations, having first priority (subject only to Permitted Senior Liens).

Section 5.15 ERISA Compliance.

(a) The Administrative Borrower will not, and will not permit any member of the Controlled Group to, incur any accumulated funding deficiency with the meaning of ERISA, or any material liability to the PBGC or fail to make any minimum required contribution (under Section 430 of the IR Code) with respect to any Pension Plan. The Group Company shall maintain each ERISA Plan (other than a Multiemployer Plan) in compliance in all material respects with the applicable provisions of ERISA, the IR Code or other Applicable Law, and shall use its reasonable efforts to cause its Controlled Group members to do the same.

(b) The Administrative Borrower will furnish to the Administrative Agent (i) as soon as possible and in any event within five (5) Business Days after a Responsible Officer knows of any Reportable Event with respect to any ERISA Plan, a statement of a Responsible Officer, setting forth details as to such Reportable Event and the action that the Administrative Borrower proposes to take with respect thereto, together with a copy of the notice of such Reportable Event given to the PBGC if a copy of such notice is available to the Administrative Borrower, and (ii) promptly after receipt thereof, a copy of any notice the Administrative Borrower or any member of the Controlled Group may receive from the PBGC or the IRS with respect to any ERISA Plan administered by the Administrative Borrower or any other member of the Controlled Group; provided that clause (ii) shall not apply to notices of general application promulgated by the PBGC or the IRS.

(c) The Administrative Borrower will promptly notify the Administrative Agent of any taxes, fines or penalties assessed or proposed to be assessed against the Administrative Borrower or other member of the Controlled Group by the IRS or the U.S. Department of Labor with respect to any ERISA Plan as a result of a violation of the IR Code or ERISA.

(d) The Administrative Borrower will, as soon as practicable, and in any event within five (5) Business Days after the Administrative Borrower becomes aware that an ERISA Event has occurred, provide the Administrative Agent with a certificate of a Responsible Officer setting forth the details of the event and the action the Administrative Borrower proposes to take with respect thereto.

(e) The Administrative Borrower will, at the request of the Administrative Agent, deliver, or cause to be delivered, to the Administrative Agent true and correct copies of any documents relating to any ERISA Plan.

Section 5.16 Post Closing Obligations. The Borrowers shall take the actions and provide the deliverables, in the manner or form and in substance satisfactory to the Administrative Agent (at the direction of the Required Lenders), described in Schedule 5.16 as promptly as practicable, and in any event within the due dates set forth in Schedule 5.16.

Section 5.17 Term Loan Priority Collateral Deposit Account. All proceeds of the Loans shall be deposited into the Term Loan Priority Collateral Deposit Account, and all amounts therein shall be invested at all times in cash and Cash Equivalents. Withdrawals from the Term Loan Priority Collateral Deposit Account shall only be used for the permitted purposes described under Section 2.8 or to make payments on the Obligations. Under no circumstances may any cash, funds, securities, financial assets or other property held in or credited to the Term Loan Priority Collateral Deposit Account or the proceeds thereof held therein or credited thereto be used to pay any Prepetition Indebtedness, any Prepetition Secured Obligations (except as expressly provided in Section 2.8) or any other pre-petition obligations or for any purpose except as permitted under the Interim Order or as otherwise expressly permitted by the Bankruptcy Court pursuant any order of the Bankruptcy Court (including any order made by the Bankruptcy Court prior to the entry of the Interim Order).

Borrowers hereby and will continue to authorize and instruct the chief restructuring officer to (a) share with the Administrative Agent and Lenders all budgets, records, projections, financial information, reports and other information relating to the Collateral, the financial condition, operations and the sale, marketing or reorganization process of the Borrowers’ businesses and assets as requested from time to time, except to the extent access to such information would compromise the Borrowers’ attorney-client privilege and (b) make himself available to the Administrative Agent and the Lenders as reasonably requested by the Administrative Agent and the Lenders. Borrowers will provide the chief restructuring officer, complete access to all of the Borrowers’ books and records, all of Borrowers’ premises and to Borrowers’ management as and when deemed necessary by the chief restructuring officer or the Administrative Agent.

Section 5.20 Exit Lenders. The Administrative Borrower shall (and shall cause key management of each Group Member to) cooperate with and hold meetings (at a mutually agreeable location and time or, at the option of the Administrative Agent, by conference call) with potential exit lenders designated by the Administrative Agent (at the direction of the Required Lenders) at which meetings shall be reviewed the financial results and financial condition of the Group Members and such other matters as the Administrative Agent may reasonably request.

Section 6.14 No Sale-Leaseback Transactions. The Administrative Agent agrees to act as administrative agent for each Lender, and the Collateral Agent agrees to act as collateral agent for each Lender, upon the express conditions contained in this Article VIII, but in no event shall the Agent constitute a fiduciary of any Lender, nor shall the Agent have any fiduciary responsibilities in respect of any Lender. In furtherance of the foregoing, and not in limitation thereof, each Lender irrevocably (a) authorizes the Agent to execute and deliver and perform those obligations under each of the Loan Documents to which the Agent is a party as are specifically delegated to the Agent, and to exercise all rights, powers and remedies as may be specifically delegated hereunder or thereunder, together with such additional powers as may be reasonably incidental thereto, (b) appoints the Agent as nominal beneficiary or nominal secured party, as the case may be, under the Loan Documents and all related UCC financing statements (to the extent of the collateral security granted with respect to the Obligations), and (c) authorizes the Agent to act as agent of and for such Lender for purposes of holding, perfecting and Disposing of Collateral under the Loan Documents. As to any matters not expressly provided for by the Loan Documents, the Agent shall not be required to exercise any discretion or take any action, but shall be required to act or to refrain from acting (and shall be fully protected in so acting or refraining from acting) upon the instructions of the Required Lenders or, if so required pursuant to Section 10.2, upon the instructions of all Lenders; provided, however, that except for action expressly required of the Agent hereunder, the Agent shall in all cases be fully justified in failing or refusing to act hereunder unless it shall be indemnified to its satisfaction by the Lenders against any and all liability and expense which may be incurred by it by reason of taking or continuing to take any such action, and the Agent shall not in any event be required to take any action which is contrary to the Loan Documents or Applicable Law.

(a) The Lenders hereby irrevocably authorize Agent to release any Lien on any Collateral (i) upon the termination of the Commitments and payment and satisfaction in full by Borrowers of all of the Obligations, (ii) constituting property being Disposed of if a release is required or desirable in connection therewith and if Administrative Borrower certifies to Agent that the Disposition is permitted under Section 6.5 (and Agent may rely conclusively on any such certificate, without further inquiry), (iii) constituting property in which School Specialty or its Subsidiaries owned no interest at the time Agent’s Lien was granted nor at any time thereafter, or (iv) constituting property leased to School Specialty or its Subsidiaries under a lease that has expired or is terminated in a transaction permitted under this Agreement. The Obligors and the Lenders hereby irrevocably authorize Agent, based upon the instruction of the Required Lenders, to (a) consent to, credit bid or

purchase (either directly or through one or more acquisition vehicles) all or any portion of the Collateral at any sale thereof conducted under the provisions of the Bankruptcy Code, including under Section 363 of the Bankruptcy Code, (b) credit bid or purchase (either directly or through one or more acquisition vehicles) all or any portion of the Collateral at any Disposition thereof conducted under the provisions of the UCC, including pursuant to Sections 9-610 or 9-620 of the UCC, or (c) credit bid or purchase (either directly or through one or more acquisition vehicles) all or any portion of the Collateral at any other sale or foreclosure conducted by Agent (whether by judicial action or otherwise) in accordance with applicable law. In connection with any such credit bid or purchase, (i) the Obligations owed to the Lenders shall be entitled to be, and shall be, credit bid on a ratable basis (with Obligations with respect to contingent or unliquidated claims being estimated for such purpose if the fixing or liquidation thereof would not unduly delay the ability of Agent to credit bid or purchase at such Disposition of the Collateral and, if such claims cannot be estimated without unduly delaying the ability of Agent to credit bid, then such claims shall be disregarded, not credit bid, and not entitled to any interest in the asset or assets purchased by means of such credit bid) and the Lenders shall be entitled to receive interests (ratably based upon the proportion of their Obligations credit bid in relation to the aggregate amount of Obligations so credit bid) in the asset or assets so purchased (or in the Equity Interests of the acquisition vehicle or vehicles that are used to consummate such purchase), and (ii) Agent, based upon the instruction of the Required Lenders, may accept non-cash consideration, including debt and equity securities issued by such acquisition vehicle or vehicles and in connection therewith Agent may reduce the Obligations owed to the Lenders (ratably based upon the proportion of their Obligations credit bid in relation to the aggregate amount of Obligations so credit bid) based upon the value of such non-cash consideration. Except as provided above, Agent will not execute and deliver a release of any Lien on any Collateral without the prior written authorization of (y) if the release is of all or substantially all of the Collateral, all of the Lenders, or (z) otherwise, the Required Lenders. Upon request by Agent or Administrative Borrower at any time, the Lenders will confirm in writing Agent's authority to release any such Liens on particular types or items of Collateral pursuant to this Section 8.1(b); provided, that (1) Agent shall not be required to execute any document necessary to evidence such release on terms that, in Agent's opinion, would expose Agent to liability or create any obligation or entail any consequence other than the release of such Lien without recourse, representation, or warranty, and (2) such release shall not in any manner discharge, affect, or impair the Obligations or any Liens (other than those expressly being released) upon (or obligations of any Obligor in respect of) all interests retained by any Loan Party, including, the proceeds of any Disposition, all of which shall continue to constitute part of the Collateral. The Lenders further hereby irrevocably authorize Agent, at its option and in its sole discretion, to subordinate any Lien granted to or held by Agent under any Loan Document to the holder of any Permitted Lien on such property if such Permitted Lien secures Permitted PMM/Capital Lease Debt.

(b) Agent shall have no obligation whatsoever to any of the Lenders to assure that the Collateral exists or is owned by School Specialty or its Subsidiaries or is cared for, protected, or insured or has been encumbered, or that Agent's Liens have been properly or sufficiently or lawfully created, perfected, protected, or enforced or are entitled to any particular priority, or that any particular items of Collateral meet the eligibility criteria applicable in respect thereof or whether to impose, maintain, reduce, or eliminate any particular reserve hereunder or whether the amount of any such reserve is appropriate or

not, or to exercise at all or in any particular manner or under any duty of care, disclosure or fidelity, or to continue exercising, any of the rights, authorities and powers granted or available to Agent pursuant to any of the Loan Documents, it being understood and agreed that in respect of the Collateral, or any act, omission, or event related thereto, subject to the terms and conditions contained herein, Agent may act in any manner it may deem appropriate, in its sole discretion given Agent's own interest in the Collateral in its capacity as one of the Lenders and that Agent shall have no other duty or liability whatsoever to any Lender as to any of the foregoing, except as otherwise provided herein.

Section 8.2 Application of Proceeds. The Agent, after deduction of any costs of collection, as provided in Section 8.5, shall remit to each Lender (to the extent a Lender is to share therein and subject to the provisions of Section 2.10(f)) that Lender's pro rata share of all payments of principal, interest, premiums and fees payable hereunder in accordance with such Lender's appropriate Percentage. Each Lender's interest under the Loan Documents shall be payable solely from payments, collections and proceeds actually received by the Agent under the Loan Documents; and the Agent's only liability to a Lender with respect to any such payments, collections and proceeds shall be to account for such Lender's Percentage of such payments, collections and proceeds in accordance with this Agreement. If the Agent is required for any reason to refund any such payments, collections or proceeds, each Lender will refund to the Agent, upon demand, its Percentage of such payments, collections or proceeds, together with its Percentage, or share, as applicable, of interest or penalties, if any, payable by the Agent in connection with such refund. If any Lender has wrongfully refused to fund its Percentage of any Loans, or if the outstanding principal balance of the Loans made by any Lender is for any other reason less than its respective Percentage of the aggregate principal balance of all Loans, the Agent may remit payments received by it to the other Lenders until such payments have reduced the aggregate amounts owed by the Borrowers to the extent that the aggregate amount of the Loans owing to such Lender hereunder are equal to its Percentage of the aggregate amounts of the Loans owing to all of the Lenders hereunder. The foregoing provision is intended only to set forth certain rules for the application of payments, proceeds and collections in the event that a Lender has breached its obligations hereunder and shall not be deemed to excuse any Lender from such obligations.

Section 8.3 Exculpation. The Agent shall not be liable for any action taken or omitted to be taken by the Agent in connection with the Loan Documents, except for its own gross negligence, fraud or willful misconduct. The Agent shall be entitled to rely upon advice of counsel concerning legal matters, the advice of independent public accountants with respect to accounting matters and advice of other experts as to any other matters and upon any Loan Document and any schedule, certificate, statement, report, notice or other writing which it reasonably believes to be genuine or to have been presented by a proper Person. Neither the Agent nor any of its Affiliates or any of its or their respective directors, officers, employees or agents shall be responsible or in any way liable with respect to or for (a) any recitals, representations or warranties contained in, or for the execution, legality, validity, genuineness, sufficiency, effectiveness or enforceability of any Loan Document, or any other instrument or document delivered hereunder or in connection herewith, (b) the validity, genuineness, perfection, priority, effectiveness, enforceability, existence, value or enforcement of any Collateral, or (c) except for its own gross negligence, fraud or willful misconduct, any action taken or omitted by it. The designation of U.S. Bank (or any successor thereto as Agent) as

Agent hereunder shall in no way impair or affect any of the rights and powers of, or impose any duties or obligations upon, U.S. Bank (or such successor thereto) in its individual capacity as Lender hereunder. Any reference herein to any matter being “to the satisfaction of” or “satisfactory to” the Administrative Agent shall require the affirmative approval of the Required Lenders. At all times, the Administrative Agent shall follow the instructions of the Required Lenders unless a provision of a Loan Document explicitly states otherwise.

Section 8.4 Use of the term “Agent”. The term “Agent” is used herein in reference to the Agent merely as a matter of custom. It is intended to reflect only an administrative relationship between the Agent and the Lenders, in each case as independent contracting parties. However, the obligations of the Agent shall be limited to those expressly set forth herein and in no event shall the use of such term create or imply any fiduciary relationship or any other obligation arising under the general law of agency.

Section 8.5 Reimbursement for Costs and Expenses. All payments, collections and proceeds received or effected by the Agent may be applied first to pay or reimburse the Agent for all reasonable costs and expenses at any time incurred by or imposed upon the Agent in connection with this Agreement or any other Loan Document (including but not limited to all reasonable attorney’s fees), foreclosure or liquidation expenses and advances made to protect the security of any collateral (to the extent of the collateral security is granted with respect to the Obligations). If the Agent does not receive payments, collections or proceeds sufficient to cover any such costs and expenses within five (5) days after their incurrence or imposition, each Lender shall, upon demand, remit to the Agent such Lender’s Percentage of the difference between (i) such costs and expenses and (ii) such payments, collections and proceeds, together with interest on such amount for each day following the thirtieth day after demand therefor until so remitted at a rate equal to the Federal Funds Rate for each such day.

Section 8.6 Payments Received Directly by Lenders. If any Lender shall obtain any payment or other recovery (whether voluntary, involuntary, by application of offset or otherwise) on account of any Loan or on account of any interest, premium or fees under this Agreement (other than through distributions made in accordance with Section 8.2 hereof) in excess of such Lender’s applicable Percentage with respect to the Loan, such Lender shall promptly give notice of such fact to the Agent and shall promptly remit to the Agent such amount as shall be necessary to cause the remitting Lender to share such excess payment or other recovery ratably with each of the Lenders in accordance with their respective applicable Percentages, together with interest for each day on such amount until so remitted at a rate equal to the Federal Funds Rate for each such day; provided, however, that if all or any portion of the excess payment or other recovery is thereafter recovered from such remitting Lender or holder, the remittance shall be restored to the extent of such recovery.

Section 8.7 Indemnification. Each Lender severally, but not jointly, hereby agrees to indemnify and hold harmless the Agent, as well as the Agent’s agents, employees; officers and directors, ratably according to their respective Percentages from and against any and all losses, liabilities (including liabilities for penalties), actions, suits, judgment, demands, damages, costs, disbursements, or expenses (including attorneys’ fees and expenses, and costs of in-house counsel) of any kind or nature whatsoever, which are imposed on, incurred by, or asserted against the Agent or its agents, employees, officers or directors in any way relating to or arising

out of the Loan Documents, or as a result of any action taken or omitted to be taken by the Agent; provided, however, that no Lender shall be liable for any portion of any such losses, liabilities (including liabilities for penalties), actions, suits, judgments, demands, damages, costs disbursements, or expenses resulting from the gross negligence, fraud or willful misconduct of the Agent.

Section 8.8 Agent and Affiliates. U.S. Bank (and any successor thereto as Agent) shall have the same rights and powers in its capacity as a Lender hereunder as any other Lender and may exercise or refrain from exercising the same as though it were not the Agent, and U.S. Bank (or such successor) and its affiliates may accept deposits from and generally engage in any kind of business with the Group Members or their Affiliates as fully as if U.S. Bank (or such successor) were not the Agent hereunder.

Section 8.9 Credit Investigation. Each Lender acknowledges that it has made such inquiries and taken such care on its own behalf as would have been the case had its Loans made directly by such Lender to the Borrowers without the intervention of the Agent or any other Lender. Each Lender agrees and acknowledges that the Agent and each other Lender makes no representations or warranties about the creditworthiness of the Obligor or any other party to this Agreement or with respect to or for (a) any recitals, representations or warranties contained in, or for the execution, legality, validity, genuineness, sufficiency, effectiveness or enforceability of any Loan Document, or any other instrument or document delivered hereunder or in connection herewith, (b) the validity, genuineness, perfection, priority, effectiveness, enforceability, existence, value or enforcement of any Collateral.

Section 8.10 Defaults. The Agent shall have no duty to inquire into any performance or failure to perform by the Group Members and shall not be deemed to have knowledge of the occurrence of a Default or an Event of Default (other than under Sections 7.1(a) or 7.1(b)) hereof unless the Agent has received notice from a Lender or a Borrower specifying the occurrence of such Default or Event of Default. In the event that the Agent receives such a notice of the occurrence of a Default or an Event of Default, the Agent shall give prompt notice thereof to the Lenders. In the event of any Default, the Agent shall (subject to Section 8.7 hereof) (a) in the case of a Default that constitutes an Event of Default, not take any of the actions referred to in Section 7.2(b) hereof unless so directed by the Required Lenders, and (b) in the case of any Default or Event of Default, take such actions with respect to such Default as shall be directed by the Required Lenders; provided that, unless and until the Agent shall have received such directions, the Agent may take any action, or refrain from taking any action, with respect to such Default or Event of Default as it shall deem advisable in the best interest of the Lenders.

Section 8.11 Obligations Several. The obligations of each Lender hereunder are the several obligations of such Lender, and neither any Lender nor the Agent shall be responsible for the obligations of any other Lender hereunder, nor will the failure by the Agent or any Lender to perform any of its obligations hereunder relieve the Agent or any other Lender from the performance of its respective obligations hereunder. Nothing contained in this Agreement, and no action taken by any Lender or the Agent pursuant hereto or in connection herewith or pursuant to or in connection with the Loan Documents shall be deemed to constitute the Lenders, together or with or without the Agent, as a partnership, association, joint venture, or other entity.

Section 8.12 Sale or Assignment; Addition of Lenders. Except as permitted under the terms and conditions of this Section 8.12, no Lender may sell, assign or transfer its rights or obligations under this Agreement or such Lender's Notes or Loans or Commitment.

(i) Subject to the conditions set forth in paragraph (a)(ii) below, any Lender may at any time upon at least five Business Day's advance notice to the Administrative Agent and the Administrative Borrower assign to one or more assignees that (x) is a domestic or foreign bank (having a branch office in the United States), an insurance company, a hedge fund or analogous investment fund, an Approved Fund or any other financial institution (provided that such proposed assignee, if other than a fund, has capital and surplus, or in the case of a fund (other than an Approved Fund), has, together with all other funds under common management, investment assets, as applicable, in excess of \$250 million), and (y) is not an Obligor or a Group Member or an Affiliate of any of the foregoing or a natural person or a competitor of any Group Member whose primary business competes in the same business segment and in the same geographic area as the Group Members (any such bank, insurance company, fund or Approved Fund meeting the foregoing requirements, an "Applicant") on any date (the "Adjustment Date") selected by such Lender, all or a portion of such Lender's rights and obligations under this Agreement (including all or a portion of its Commitment, the Notes and Loans at the time owing to it) with the prior written consent of:

(A) the Administrative Borrower (such consent not to be unreasonably withheld, delayed or conditioned); provided that no consent of the Administrative Borrower shall be required for an assignment to a Lender, an Affiliate of a Lender, an Approved Fund or, if a Default or Event of Default has occurred and is continuing, any other assignee; and

(B) the Administrative Agent (which consent of the Administrative Agent may be withheld or given in the Administrative Agent's sole discretion); provided that no consent of the Administrative Agent shall be required for an assignment of all or any portion of a Note or Loan to a Lender, an Affiliate of a Lender or an Approved Fund.

(ii) Assignments shall be subject to the following additional conditions:

(A) except in the case of any assignment made in connection with an assignment of the entire remaining amount of the assigning Lender's Commitment and Notes and Loans at the time owing to it or in the case of an assignment to a Lender or an Affiliate of a Lender or an Approved Fund with respect to a Lender, the aggregate amount of the Commitment or, if the applicable Commitment is not then in effect, the principal outstanding balance of the Loans of the assigning Lender subject to each such assignment (determined as of the date the Assignment Certificate with respect to such assignment is delivered to the Administrative Agent or, if "Trade Date" is specified in the Assignment Certificate, as of the Trade Date) shall not be less than \$1.0 million, unless each of the Administrative Agent and, so long as no Default has occurred and is continuing, Administrative Borrower otherwise consents (each such consent not to be unreasonably withheld or delayed);

(B) each partial assignment shall be made as an assignment of a proportionate part of all the assigning Lender's rights and obligations under this Agreement with respect to the Loans or the Commitment, as applicable, assigned;

(C) the Administrative Agent, the assigning Lender and such Applicant shall, on or before the Adjustment Date, execute and deliver to the Administrative Agent an Assignment Certificate in substantially the form of Exhibit G (an "Assignment Certificate");

(D) if requested by the Administrative Agent, each Borrower will execute and deliver to the Administrative Agent, for delivery by the Administrative Agent in accordance with the terms of the Assignment Certificate, (i) a new Note payable to the order of the Applicant in the amount corresponding to the applicable Loan acquired by such Applicant and (ii) a new Note payable to the order of the assigning Lender in the amount corresponding to the retained Loan. Such new Notes shall be in an aggregate principal amount equal to the principal amount of the Notes to be replaced by such new Notes, shall be dated the effective date of such assignment and shall otherwise be in the form of the Note to be replaced thereby. Such new Notes shall be issued in substitution for, but not in satisfaction or payment of, the Note being replaced thereby and such new Notes shall be treated as a Note) for all purposes of this Agreement; and

(E) the assigning Lender shall pay to the Administrative Agent an administrative fee of \$3,500.

(iii) Any assignment or purported assignment to any Person that is not an Eligible Assignee shall be null and void. Upon the execution and delivery of such Assignment Certificate and such new Notes, and effective as of the effective date thereof (A) this Agreement shall be deemed to be amended to the extent, and only to the extent, necessary to reflect the addition of such additional Lender and the resulting adjustment of the Percentages arising therefrom, (B) the assigning Lender shall be relieved of all obligations hereunder to the extent of the reduction of the assigning Lender's Percentage, and (C) the Applicant shall become a party hereto and shall be entitled to all rights, benefits and privileges accorded to a Lender herein and in each other Loan Document or other document or instrument executed pursuant hereto and subject to all obligations of a Lender hereunder, including, without limitation, the right to approve or disapprove actions which, in accordance with the terms hereof, require the approval of the Required Lenders or all Lenders. In order to facilitate the addition of additional Lenders hereto, the Administrative Borrower (subject to its approval rights hereunder, if any) and the Lenders shall cooperate fully with the Administrative Agent in connection therewith and shall provide all reasonable assistance requested by the Administrative Agent relating thereto, including, without limitation, the furnishing of such written materials and financial information regarding the Group Members as the Administrative Agent may

reasonably request, the execution of such documents as the Administrative Agent may reasonably request with respect thereto, and the participation by officers of the Administrative Borrower and the Lenders at reasonable times and places in a meeting or teleconference call with any Applicant upon the reasonable request of the Administrative Agent.

Section 8.13 Participation. In addition to the rights granted in Section 8.12, each Lender may, upon the prior written consent of the Administrative Agent (which consent may be given or withheld in Agent's sole discretion), grant participations in all or a portion of its Note and Loans to any domestic or foreign commercial bank (having a branch office in the United States), insurance company, financial institution or an Affiliate of such Lender pursuant to documentation delivered to and deemed acceptable to the Administrative Agent. No holder of any such participation shall be entitled to require any Lender to take or omit to take any action hereunder, except that a Lender selling a participation may agree with the participant that such Lender will not, without such participant's consent, take any action which would, in the case of any principal, interest, premium or fee in which the participant has an ownership or beneficial interest: (a) extend the final maturity of any Loans or extend the Maturity Date, (b) reduce the interest rate on the Loans or the amount of any premium or fee payable in respect of the Loans, (c) forgive any principal of, or interest on, the Loans, or any premium or fees payable in respect thereof, or (d) release all or substantially all of any Collateral for the Loans. The Lenders shall not, as among the Borrowers, the Agent and the Lenders, be relieved of any of their respective obligations hereunder as a result of any such granting of a participation. Each Obligor hereby acknowledges and agrees that any holder of a participation described in this Section 8.13 may rely upon, and possess all rights under, any opinions, certificates, or other instruments or documents delivered under or in connection with any Loan Document. Except as set forth in this Section 8.13, no Lender may grant any participation in its Notes or Loans.

Section 8.14 [Reserved].

Section 8.15 Agent's Counsel. In connection with the negotiation, drafting and execution of this Agreement and the other Loan Documents, perfecting any security interest, completing any filings or registrations and in connection with future legal representation relating to loan administration, amendments, modifications, waivers, forbearance or enforcement of remedies, any law firm engaged by the Agent (the "Agent Firm") has only represented and shall only represent the Agent (or its Affiliates), in its/their capacity as Agent, and the Lenders. Each Obligor hereby acknowledges, that no Agent Firm represents it in connection with any such matters.

Section 8.16 Obligor not a Beneficiary or Party. Except with respect to the limitation of liability applicable to the Lenders under Section 8.11, the provisions and agreements in this Article VIII are solely among the Lenders and the Agent, and no Obligor shall be considered a party thereto or a beneficiary thereof.

Section 8.17 Administrative Agent and Collateral Agent May Delegate Duties. The Administrative Agent and the Collateral Agent may appoint sub-agents to exercise on their behalf any of their respective duties, obligations or rights under the Loan Documents, and each such sub-agent shall have all of the rights and benefits of the Administrative Agent or Collateral Agent, as applicable, under this Article VIII. Each of the Administrative Agent and the Collateral Agent shall not be responsible for the negligence or misconduct of any sub-agents selected by it with reasonable care, except as otherwise provided in Section 8.3.

Section 8.18 Collateral Matters.

(a) The Lenders hereby irrevocably authorize the Collateral Agent, at its option and in its sole discretion, to release any Lien on any Collateral upon the termination of the Commitments, and payment and satisfaction in full in cash by the Borrowers of all Obligations, constituting property being Disposed of if a release is required or desirable in connection therewith and if the Administrative Borrower certifies to the Collateral Agent that the Disposition is permitted under Section 6.5 of this Agreement or the other Loan Documents (and the Collateral Agent may rely conclusively on any such certificate, without further inquiry), constituting property in which no Group Member owned any interest at the time the Agent's Lien was granted nor at any time thereafter, or constituting property leased to a Group Member under a Lease or other lease that has expired or is terminated in a transaction permitted under this Agreement. Except as provided above, the Collateral Agent will not execute and deliver a release of any Lien on any Collateral without the prior written authorization of (y) if the release is of all or substantially all of the Collateral, all of the Lenders, or (z) otherwise, the Required Lenders. Upon request by the Administrative Agent or the Administrative Borrower at any time, the Lenders will confirm in writing the Collateral Agent's authority to release any such Liens on particular types or items of Collateral pursuant to this Section 8.18; provided, however, that (1) the Collateral Agent shall not be required to execute any document necessary to evidence such release on terms that, in the Collateral Agent's opinion, would expose the Collateral Agent to liability or create any obligation or entail any consequence other than the release of such Lien without recourse, representation, or warranty, and (2) such release shall not in any manner discharge, affect, or impair the Obligations or any Liens (other than those expressly being released) upon (or obligations of any Obligor in respect of) all property and other interests retained by the Obligors, including, the proceeds of any Disposition, all of which shall continue to constitute part of the Collateral.

(b) The Agent and its Affiliates and Agent Firm and other representatives shall have no obligation whatsoever to any of the Lenders to assure that the Collateral exists or is owned by the Group Members or is cared for, protected, or insured or has been encumbered, or that the Agent's Liens have been properly or sufficiently or lawfully created, perfected, protected, or enforced or are entitled to any particular priority, or to exercise at all or in any particular manner or under any duty of care, disclosure or fidelity, or to continue exercising, any of the rights, authorities and powers granted or available to the Agent pursuant to any of the Loan Documents, it being understood and agreed that in respect of the Collateral, or any act, omission, or event related thereto, subject to the terms and conditions contained herein, the Agent may act in any manner it may deem appropriate, in its sole discretion given the Agent's own interest in the Collateral in its capacity as one of the Lenders and that the Agent shall have no other duty or liability whatsoever to any Lender as to any of the foregoing, except as otherwise expressly provided herein.

Section 8.19 Agency for Perfection. The Collateral Agent hereby appoints each other Lender as its agent (and each Lender hereby accepts such appointment) for the purpose of perfecting the Agent's Liens in property that, in accordance with Article VIII or Article IX, as applicable, of the UCC can be perfected only by possession or control. Should any Lender obtain possession or control of any such Collateral, such Lender shall notify the Administrative Agent thereof, and, promptly upon the Administrative Agent's request therefor shall deliver possession or control of such Collateral to the Collateral Agent or in accordance with the Administrative Agent's instructions.

Section 8.20 Field Audits and Examinations; Confidentiality; Disclaimers by Lenders. By becoming a party to this Agreement, each Lender:

(a) is deemed to have requested that the Administrative Agent furnish such Lender, promptly after it becomes available, a copy of each completed field audit or examination report respecting the Group Members (each a "Report" and collectively, "Reports") prepared by or at the request of the Administrative Agent, and the Administrative Agent shall so furnish each Lender with such Reports,

(b) expressly agrees and acknowledges that the Administrative Agent does not (i) make any representation or warranty as to the accuracy of any Report, and (ii) shall not be liable for any information contained in any Report,

(c) expressly agrees and acknowledges that the Reports are not comprehensive audits or examinations, that the Administrative Agent or other party performing any audit or examination will inspect only specific information regarding the Group Members and will rely significantly upon the Group Members' books and records, as well as on representations of the Group Members' personnel,

(d) agrees to keep all Reports and other material, non-public information regarding the Group Members and their operations, assets, and existing and contemplated business plans in a confidential manner in accordance with Section 10.12, and

(e) without limiting the generality of any other indemnification provision contained in this Agreement, agrees: (i) to hold the Administrative Agent and any such other Lender preparing a Report harmless from any action the indemnifying Lender may take or fail to take or any conclusion the indemnifying Lender may reach or draw from any Report in connection with any loans or other credit accommodations that the indemnifying Lender has made or may make to the Borrowers, or the indemnifying Lender's participation in, or the indemnifying Lender's purchase of, a loan or loans of the Borrowers; and (ii) to pay and protect, and indemnify, defend and hold the Administrative Agent, and any such other Lender preparing a Report, harmless from and against, the claims, actions, proceedings, damages, costs, expenses, and other amounts (including, attorneys fees and costs) incurred by the Administrative Agent and any such other Lender preparing a Report as the direct or indirect result of any third parties who might obtain all or part of any Report through the indemnifying Lender.

Section 8.21 Successor Agent. Each of the Administrative Agent and the Collateral Agent may voluntarily resign as administrative agent or collateral agent, as applicable, at any time by giving ten Business Days' prior written notice thereof to the other Agent, the Administrative Borrower and the Lenders. Upon any such notice of resignation, the Required Lenders shall have the right to appoint a successor Administrative Agent or Collateral Agent, as applicable. If no successor shall have been so appointed and shall have accepted such appointment within thirty (30) days after the retiring Agent gives notice of its resignation, then the retiring Agent may, on behalf of the Lenders, appoint a successor Agent from among the Lenders or from among those financial institutions who regularly provide such services in the New York financial markets. Upon the acceptance of any appointment as Agent hereunder by a successor Agent, that successor Agent shall thereupon succeed to and become vested with all the rights, powers, privileges and duties of the retiring Agent and the retiring Agent shall promptly (i) transfer to such successor Agent all sums, securities and other items of collateral (if any) held by it under the Loan Documents, together with all records and other documents necessary or appropriate in connection with the performance of the duties of the successor Agent under the Loan Documents, and (ii) execute and deliver to such successor Agent such documents, and take such other actions, as may be necessary or appropriate in connection with the assignment to such successor Agent of the rights and benefits under the Loan Documents, whereupon such retiring Agent shall be discharged from its duties and obligations hereunder. After any retiring Agent's resignation hereunder as Agent, the provisions of this Article VIII shall inure to its benefit as to any actions taken or omitted to be taken by it while it was Agent hereunder.

ARTICLE IX **GUARANTY**

Section 9.1 Guaranty.

(a) Each Guarantor, and each Borrower (with respect to each other Borrower), hereby irrevocably and unconditionally guarantees to the Administrative Agent, for the benefit of the Secured Parties, the full and prompt payment when due of the Obligations, including, without limitation, any interest thereon (including, without limitation, interest, premiums and fees, as provided in this Agreement, accruing after the filing of a petition initiating any Insolvency Proceeding, whether or not such interest, premium or fees accrue or are recoverable against the Borrowers after the filing of such petition for purposes of the Bankruptcy Code or are an allowed claim in such proceeding), plus documented, reasonable attorneys' fees and expenses if the obligations represented by this Guaranty are collected by law, through an attorney-at-law, or under advice therefrom.

(b) Regardless of whether any proposed guarantor or any other Person shall become in any other way responsible to the Secured Parties, or any of them, for or in respect of the Obligations or any part thereof, and regardless of whether or not any Person now or hereafter responsible to the Secured Parties, or any of them, for the Obligations or any part thereof, whether under this Guaranty or otherwise, shall cease to be so liable, each Guarantor and each Borrower hereby declares and agrees that this Guaranty shall be a joint and several obligation, shall be a continuing guaranty and shall be operative and binding until the Obligations shall have been indefeasibly paid in full in cash and all Commitments shall have been terminated.

(c) Each Guarantor and each Borrower absolutely, unconditionally and irrevocably waives any and all right to assert any defense (other than the defense of payment in cash in full, or performance, to the extent of its obligations hereunder, or a defense that such Guarantor's or such Borrower's liability is limited as provided in Section 9.3) it may now or hereafter have in any way relating to, any or all of the following:

(i) any lack of validity or enforceability of any Loan Document or any agreement or instrument relating thereto;

(ii) any change in the time, manner, or place of payment of, or in any other term of, all or any of the Guaranteed Obligations, or any other amendment or waiver of or any consent to departure from any Loan Document, including any increase in the Guaranteed Obligations resulting from the extension of additional credit;

(iii) any taking, exchange, release, or non-perfection of any Lien in and to any Collateral, or any taking, release, amendment, waiver of, or consent to departure from any other guarantee, for all or any of the Guaranteed Obligations;

(iv) the existence of any claim, set-off, counterclaim, defense (legal or equitable), or other right that any Guarantor may have at any time against any person, including Administrative Agent or any other Secured Party;

(v) any defense, set-off, counterclaim, or claim, of any kind or nature, arising directly or indirectly from the present or future lack of perfection, sufficiency, validity, or enforceability of the Guaranteed Obligations or any security therefor;

(vi) any right or defense arising by reason of any claim or defense based upon an election of remedies by any Secured Party including any defense based upon an impairment or elimination of such Guarantor's rights of subrogation, reimbursement, contribution, or indemnity of such Guarantor against any other Obligor or any guarantors or sureties;

(vii) any change, amalgamation, reorganization, restructuring, or termination of the corporate, limited liability company, unlimited liability company, trust or partnership structure or existence of any Obligor; or

(viii) any other circumstance that might otherwise constitute a defense available to, or a discharge of, any Obligor or any other guarantor or surety.

(d) Each Guarantor and each Borrower absolutely, unconditionally and irrevocably waives any and all right to assert set-off, counterclaim or cross-claim of any nature whatsoever with respect to this Guaranty or the obligations of the Guarantors or the Borrowers under this Guaranty or the obligations of any other Person or party (including, without limitation, the Borrowers) relating to this Guaranty or the obligations of any of the Guarantors and the Borrowers under this Guaranty or otherwise with respect to the Obligations in any action or proceeding brought by the Administrative Agent or any other Secured Party to collect the Obligations or any portion thereof, or to enforce the obligations of any of the Guarantors or the Borrowers under this Guaranty or to foreclose on any Collateral owned by any Obligor.

(e) The Secured Parties, or any of them, may from time to time, without exonerating or releasing any Guarantor or any Borrower in any way under this Agreement, including this Guaranty, (i) take such further or other security or securities for the Obligations or any part thereof as they may deem proper, or (ii) release, discharge, abandon or otherwise deal with or fail to deal with any Guarantor or guarantor or Borrower of the Obligations or any security or securities therefor or any part thereof now or hereafter held by the Secured Parties, or any of them, or (iii) amend, modify, extend, accelerate or waive in any manner any of the provisions, terms, or conditions of the Loan Documents, all as they may consider expedient or appropriate in their sole discretion. Without limiting the generality of the foregoing, or of Section 9.1(e), it is understood that the Secured Parties, or any of them, may, without exonerating or releasing any Guarantor or Borrower, give up, modify or abstain from perfecting or taking advantage of any security for or guarantee of the Obligations and accept or make any compositions or arrangements, and realize upon any security for or guarantee of the Obligations when, and in such manner, and with or without notice, all as such Person may deem expedient.

(f) Each Guarantor and each Borrower acknowledges and agrees that no change in the nature or terms of the Obligations or any of the Loan Documents, or other agreements, instruments or contracts evidencing, related to or attendant with the Obligations (including any novation), shall discharge all or any part of the liabilities and obligations of such Guarantor or Borrower pursuant to this Guaranty; it being the purpose and intent of the Guarantors, the Borrowers and the Secured Parties that the covenants, agreements and all liabilities and obligations of each Guarantor and of each Borrower hereunder are absolute, unconditional and irrevocable under any and all circumstances. Without limiting the generality of the foregoing, each Guarantor and each Borrower agrees that until each and every one of the covenants and agreements of this Guaranty is fully performed, and without possibility of recourse, whether by operation of law or otherwise, such Guarantor's or such Borrower's undertakings hereunder shall not be released, in whole or in part, by any action or thing which might, but for this paragraph of this Guaranty, be deemed a legal or equitable discharge of a surety or guarantor, or by reason of any waiver, omission of the Secured Parties, or any of them, or their failure to proceed promptly or otherwise, or by reason of any action taken or omitted by the Secured Parties, or any of them, whether or not such action or failure to act varies or increases the risk of, or affects the rights or remedies of, such Guarantor or such Borrower, or by reason of any further dealings between the Borrowers or Guarantors, on the one hand, and any Secured Party, on the other hand, or any other guarantor or surety, and such Guarantor or such Borrower hereby expressly waives and surrenders any defense to its liability hereunder, or any right of counterclaim or offset of any nature or description which it may have or may exist based upon, and shall be deemed to have consented to, any of the foregoing acts, omissions, things, agreements or waivers.

(g) The Secured Parties, or any of them, may, without demand or notice of any kind upon or to any Guarantor or Borrower, at any time or from time to time when any amount shall be due and payable hereunder by any Guarantor or Borrower following and during

the continuance of an Event of Default, if the Borrowers shall not have timely paid any of the Obligations, set-off and appropriate and apply to any portion of the Obligations hereby guaranteed, and in such order of application as the Administrative Agent may from time to time elect in accordance with this Agreement, any deposits, property, balances, credit accounts or moneys of any Guarantor or any Borrower in the possession of any Secured Party or under their respective control for any purpose. If and to the extent that any Guarantor or Borrower makes any payment to the Administrative Agent or any other Person pursuant to or in respect of this Guaranty, any claim, by subrogation, contribution or otherwise, which such Guarantor or Borrower may have against any Borrower or other Guarantor by reason thereof shall be subject and subordinate to the prior payment in full of the Obligations to the satisfaction of the Administrative Agent.

(h) Upon the bankruptcy or winding up or other distribution of assets of any Borrower, or of any surety or guarantor (other than the applicable Guarantor or other Borrower) for any Obligations of the Borrowers to the Secured Parties, or any of them, the rights of the Administrative Agent against any Guarantor or Borrower shall not be affected or impaired by the omission of any Secured Party to prove its claim, or to prove the full claim, as appropriate, against any Borrower, or any other Borrower or any such other guarantor or surety, and the Administrative Agent may prove such claims as it sees fit and may refrain from proving any claim and in its discretion may value as it sees fit or refrain from valuing any Collateral or other security held by it without in any way releasing, reducing or otherwise affecting the liability to the Secured Parties of each of the Guarantors and each of the Borrowers.

(i) Each Guarantor and each Borrower hereby absolutely, unconditionally and irrevocably expressly waives, except to the extent such waiver would be expressly prohibited by Applicable Law, the following: (i) notice of acceptance of this Guaranty, (ii) notice of the existence or creation of all or any of the Obligations, (iii) presentment, demand, notice of dishonor, protest and all other notices whatsoever (other than notices expressly required hereunder or under any other Loan Document to which any Guarantor is a party), (iv) all diligence in collection or protection of or realization upon the Obligations or any part thereof, any obligation hereunder, or any security for any of the foregoing, (v) until the Obligations shall have been paid in full in cash, all rights to enforce any remedy which the Secured Parties, or any of them, may have against any Borrower and (vi) until the Obligations shall have been paid in full in cash, all rights of subrogation, indemnification, contribution and reimbursement from the Borrowers or other Guarantors for amounts paid hereunder and any benefit of, or right to participate in, any Collateral or other security now or hereinafter held by the Secured Parties, or any of them, in respect of the Obligations. If a claim is ever made upon any Secured Party for the repayment or recovery of any amount or amounts received by such Person in payment of any of the Obligations and such Person repays all or part of such amount by reason of (A) any judgment, decree or order of any court or administrative body or other Governmental Authority having jurisdiction over such Person or any of its property, or (B) any settlement or compromise of any such claim effected by such Person with any such claimant, including any Borrower, then in such event each Guarantor and each Borrower agrees that any such judgment, decree, order, settlement or compromise shall be binding upon such Guarantor or such Borrower, notwithstanding any revocation

hereof or the cancellation of any promissory note or other instrument evidencing any of the Obligations, and such Guarantor or such Borrower shall be and remain obligated to such Person hereunder for the amount so repaid or recovered to the same extent as if such amount had never originally been received by such Person.

(j) This Guaranty is a continuing guaranty of the Obligations and all liabilities to which it applies or may apply under the terms hereof and shall be conclusively presumed to have been created in reliance hereon. No failure or delay by any Secured Party in the exercise of any right, power, privilege or remedy shall operate as a waiver thereof, and no single or partial exercise by the Administrative Agent of any right or remedy shall preclude other or further exercise thereof or the exercise of any other right or remedy and no course of dealing between any Guarantor, any Borrower and any Secured Party shall operate as a waiver thereof. No action by any Secured Party permitted hereunder shall in any way impair or affect this Guaranty. For the purpose of this Guaranty, the Obligations shall include, without limitation, all Obligations of the Borrowers to the Secured Parties, notwithstanding any right or power of any third party, individually or in the name of any Borrower or the Secured Parties, or any of them, to assert any claim or defense as to the invalidity or unenforceability of any such Obligation, and no such claim or defense shall impair or affect the obligations of any Guarantor or any Borrower hereunder.

(k) This is a guaranty of payment and not of collection. In the event the Administrative Agent makes a demand upon any Guarantor or any Borrower in accordance with the terms of this Guaranty, such Guarantor or Borrower shall be held and bound to the Administrative Agent directly as debtor in respect of the payment of the amounts hereby guaranteed. All costs and expenses, including, without limitation, reasonable attorneys' fees and expenses, incurred by the Administrative Agent in obtaining performance of or collecting payments due under this Guaranty shall be deemed part of the Obligations guaranteed hereby.

(l) Each Guarantor and each Borrower expressly represents and acknowledges that any financial accommodations by the Secured Parties to the Borrowers, including, without limitation, the extension of credit, are and will be of direct interest, benefit and advantage to such Guarantor or such Borrower.

(m) Each Guarantor and each Borrower shall be entitled to subrogation and contribution rights from and against the Borrowers to the extent any Guarantor or any Borrower is required to pay to any Secured Party any amount in excess of the Loans advanced directly to, or other Obligations incurred directly by, such Guarantor or Borrower or as otherwise available under Applicable Law; provided, however, that such subrogation and contribution rights are and shall be subject to the terms and conditions of this Section 9.1(l), and provided further that the payment obligation of a Guarantor or a Borrower to any other Guarantor or any other Borrower under any Applicable Law regarding contribution rights or subrogation rights or similar rights among co-obligors or otherwise is and shall be expressly subordinate and subject in right of payment to the prior indefeasible payment in full in cash of the obligations of such Guarantor or

such Borrower under the other provisions of this Guaranty and the indefeasible payment in full in cash of all Obligations and termination of all Commitments, and such Guarantor or such Borrower shall not exercise any right or remedy with respect to such contribution rights or subrogation rights or similar rights until (i) payment and satisfaction in full of all such obligations and (ii) the Obligations shall have been indefeasibly paid in full in cash and all Commitments shall have been terminated.

Section 9.2 Special Provisions Applicable to Additional Guarantors. Pursuant to Section 5.8 of this Agreement, any new Subsidiary of any Obligor is required to enter into this Agreement by executing and delivering to the Administrative Agent a Guaranty Supplement. Upon the execution and delivery of a Guaranty Supplement by such new Subsidiary, such Subsidiary shall become a Guarantor and Obligor hereunder with the same force and effect as if originally named as a Guarantor herein. The execution and delivery of any Guaranty Supplement (or any other supplement to any Loan Document delivered in connection therewith) adding an additional Guarantor as a party to this Agreement or any other applicable Loan Document shall not require the consent of any other party hereto. The rights and obligations of each party hereunder shall remain in full force and effect notwithstanding the addition of any new Guarantor hereunder.

Section 9.3 Maximum Liability of Obligors. It being understood that the intent of the Secured Parties is to obtain a guaranty from each Guarantor and each Borrower, and the intent of each Guarantor and each Borrower is to incur guaranty obligations, in an amount no greater than the largest amount that would not render such obligations subject to avoidance under Section 548 of the Bankruptcy Code or any applicable state law relating to fraudulent conveyances or fraudulent transfers, it is hereby agreed that:

(a) If (i) the sum of the guaranty obligations of the Guarantors and the Borrowers under Section 9.1 and, without duplication, in the case of each Borrower, the obligations arising from the joint and several liability of such Borrower with respect to Loans or other extensions of credit made under this Agreement to each other Borrower (collectively, the "Guarantor Obligations") exceeds (ii) the sum (the "Total Available Net Assets") of the Maximum Available Net Assets (as defined in Section 9.4) of each Guarantor and each Borrower, in the aggregate, then (without prejudice to the Obligations of each of the Borrowers under this Agreement with respect to Loans or other extensions of credit made under this Agreement to it) the Guarantor Obligations of each Guarantor and each Borrower shall be limited to the greater of (x) the Total Available Net Assets and (y) the value received by such Guarantor or such Borrower in connection with the incurrence of the Guarantor Obligations to the greatest extent such value can be determined; and

(b) if, but for the operation of this Section 9.3(b) and notwithstanding Section 9.3(a), the Guarantor Obligations of any Guarantor or any Borrower hereunder otherwise would be subject to avoidance under Section 548 of the Bankruptcy Code or any applicable state law relating to fraudulent conveyances or fraudulent transfers, taking into consideration such Guarantor's or such Borrower's (i) rights of contribution, reimbursement and indemnity from the Borrowers and the other Guarantors with respect to amounts paid by such Guarantor or such Borrower in respect of the Obligations (including pursuant to Section 9.4) (calculated so as to reasonably maximize the total amount of obligations able to be incurred hereunder), and (ii) rights of subrogation to the rights of the Secured

Parties, then the Guarantor Obligations of such Guarantor or such Borrower shall be the largest amount, if any, that would not leave such Guarantor or such Borrower, after the incurrence of such obligations, insolvent or with unreasonably small capital within the meaning of Section 548 of the Bankruptcy Code or any applicable state law relating to fraudulent conveyances or fraudulent transfers, or otherwise make such obligations subject to such avoidance.

Any Person asserting that the Guarantor Obligations of such Guarantor or such Borrower are subject to Section 9.3(a) or are avoidable as referenced in Section 9.3(b) shall have the burden (including the burden of production and of persuasion) of proving (a) the extent to which such Guarantor Obligations, by operation of Section 9.3(a), are less than the Obligations of the Borrowers owed to the Secured Parties or (b) that, without giving effect to Section 9.3(b), such Guarantor's or such Borrower's Guarantor Obligations hereunder would be avoidable and the extent to which such Guarantor Obligations, by operation of Section 9.3(b), are less than such Obligations of the Borrowers, as the case may be.

Section 9.4 Contribution Rights, Etc. In order to provide for just and equitable contribution, indemnity and reimbursement among the Guarantors and any other Obligors, including the Borrowers, in connection with the execution of this Guaranty, the Obligors have agreed among themselves that if any Obligor satisfies some or all of the Obligations (a "Funding Obligor"), the Funding Obligor shall be entitled to contribution, indemnity or reimbursement, as applicable, from the other Obligors that have positive Maximum Available Net Assets (as defined below) for all payments made by the Funding Obligor in satisfying the Obligations, so that each Obligor that remains obligated under this Guaranty or any other guaranty or otherwise for the Obligations at the time that a Funding Obligor makes such payment, without regard to the making of such payment (a "Remaining Obligor"), and that has a positive Maximum Available Net Assets, shall bear a portion of such payment equal to the percentage that such Remaining Obligor's Maximum Available Net Assets bears to the aggregate Maximum Available Net Assets of all Obligors that have positive Maximum Available Net Assets, provided that no Remaining Obligor's obligation to make such contribution, indemnity or reimbursement payments hereunder shall exceed an amount equal to the Maximum Available Net Assets of such Remaining Obligor.

As used herein, "Available Net Assets" means, with respect to any Obligor, the amount, as of the respective date of calculation, by which the sum of a Person's assets (including subrogation, indemnity, contribution, reimbursement and similar rights that the Obligor may have, but excluding any such rights in respect of the Guarantor Obligations), determined on the basis of a "fair valuation" or their "fair saleable value" (whichever is the applicable test under Section 548 and other relevant provisions of the Bankruptcy Code and the relevant state fraudulent conveyance or transfer laws), is greater than the amount that will be required to pay all of such Person's debts, in each case matured or unmatured, contingent or otherwise, as of the date of calculation, but excluding liabilities arising under this Guaranty or, in the case of each Borrower, the liabilities arising from the joint and several liability of such Borrower with respect to Loans or other extensions of credit made under this Agreement to each other Borrower and excluding, to the maximum extent permitted by Applicable Law with the objective of avoiding rendering such Person insolvent, liabilities subordinated to the Obligations arising out of loans or advances made to such Person by any other Person, and

“Maximum Available Net Assets” means, with respect to any Obligor, the greatest of the Available Net Assets of such Obligor calculated as of the following dates: (A) the date on which such Person becomes an Obligor, and (B) each date on which such Obligor expressly reaffirms this Guaranty.

Each Guarantor and Borrower shall be deemed to expressly reaffirm the guaranty provided for in this Article IX upon each borrowing of a Loan and automatically, without further action, upon each delivery by the Administrative Borrower of financial statements required pursuant to Section 5.1(a). The meaning of the terms “fair valuation” and “fair saleable value” and the calculation of assets and liabilities shall be determined and made in accordance with the relevant provisions of the Bankruptcy Code and applicable state fraudulent conveyance or transfer laws.

ARTICLE X **MISCELLANEOUS**

Section 10.1 No Waiver; Cumulative Remedies. No failure or delay on the part of the Agent, any Lender or any other Secured Party in exercising any right, power or remedy under the Loan Documents shall operate as a waiver thereof; nor shall any single or partial exercise of any such right, power or remedy preclude any other or further exercise thereof or the exercise of any other right, power or remedy under the Loan Documents. The remedies provided in the Loan Documents are cumulative and not exclusive of any remedies provided by law.

Section 10.2 Amendments, Requested Waivers, Etc. No amendment, modification, termination or waiver of any provision of any Loan Document or consent to any departure by any Obligor therefrom shall be effective unless the same shall be in writing and signed by the Administrative Agent and the Required Lenders; provided that no amendment, modification, termination, waiver or consent shall do any of the following unless the same shall be in writing and signed by the Administrative Agent and each Lender directly affected thereby:

- (a) increase the Commitments;
- (b) reduce the amount of any principal of or interest, premium or fees due on or in respect of the Loans other fees payable to the Lenders;
- (c) postpone any date fixed for any scheduled payment of principal of or interest, premium or fees due on or in respect any outstanding Loan or other fees payable to the Lenders hereunder (for the avoidance of doubt, mandatory prepayments pursuant to Section 2.9(a) may be postponed, delayed, waived or modified with the consent of the Required Lenders);
- (d) release any material Guaranty or the pledge of any Equity Interest in any Subsidiary under any Loan Document, other than a release of such Guaranty or pledge of such Equity Interest to permit divestiture of the relevant Subsidiary permitted by this Agreement or specifically approved by the Required Lenders;
- (e) any change in the superpriority status of the Obligors’ obligations;

-
- (f) other than as permitted by Section 8.18(a)(i), release Agent's Lien in all or substantially all of the Collateral;
 - (g) change the definition of "Required Lenders"; or
 - (h) amend this Section 10.2 or any other provision of this Agreement requiring the consent or other action of the Required Lenders or all Lenders.

Any waiver or consent given hereunder shall be effective only in the specific instance and for the specific purpose for which given. No notice to or demand on any Borrower in any case shall entitle any Borrower to any other or further notice or demand in similar or other circumstances.

If, in connection with any proposed amendment, waiver or consent requiring the consent of "each Lender directly affected thereby," the consent of the Required Lenders is obtained, but the consent of other necessary Lenders is not obtained (any such Lender whose consent is necessary but not obtained being referred to herein as a "Non-Consenting Lender"), then the Administrative Agent may elect to replace a Non-Consenting Lender as a Lender party to this Agreement, provided that, concurrently with such replacement, (i) another bank or other entity which is satisfactory to the Administrative Agent shall agree, as of such date, to purchase for cash the Loans and other Obligations due to the Non-Consenting Lender pursuant to an assignment and assumption and to become a Lender for all purposes under this Agreement and to assume all obligations of the Non-Consenting Lender to be terminated as of such date and to comply with the requirements of Section 8.12, unless waived by the Administrative Agent and the Administrative Borrower and (ii) the Administrative Borrower shall pay to such Non-Consenting Lender in same day funds on the day of such replacement (1) all interest, fees and other amounts then accrued but unpaid to such Non-Consenting Lender by the Borrowers hereunder to and including the date of termination, and (2) an amount, if any, equal to the payment (in excess of the face value of the principal amount) which would have been due to such Lender on the day of such replacement had the Loans of such Non-Consenting Lender been prepaid on such date rather than sold to the replacement Lender.

Section 10.3 Notices and Distributions.

(a) Except as otherwise expressly provided herein, all notices, requests, demands and other communications provided for under the Loan Documents shall be in writing and delivered to the applicable parties at their respective addresses set forth on Schedule 10.3, or, as to each party, at such other address as shall be designated by such party in a written notice to the other party complying as to delivery with the terms of this Section 10.3. All such notices, requests, demands and other communications, shall be effective upon actual delivery if hand delivered, or shall be effective when sent by nationally recognized overnight mail courier or delivery service, or if sent by email or PDF, when sent, in each case addressed as aforesaid, except that notices or requests to the Agent, any Lender, or any other Secured Party pursuant to any of the provisions of Article II shall not be effective until received by the Agent, such Lender, or such other Secured Party.

(b) Each Obligor agrees that the Administrative Agent may (but shall not be required to) make any materials delivered by such Obligor to the Administrative Agent, as well as, but not limited to, any amendments, waivers, consents, and other written information, documents, instruments and other materials relating to any Group Member, or any other materials or matters relating to this Agreement, the other Loan Documents, the ABL DIP Credit Documents, the Related Transactions or any of the transactions contemplated hereby or thereby (collectively, the “Communications”) available to the Secured Parties by posting such notices on an electronic delivery system (which may be provided by the Administrative Agent, an Affiliate, or any Person that is not an Affiliate of the Administrative Agent), such as IntraLinks®, or a substantially similar electronic system that requires passwords for access and takes other customary measures with respect to confidentiality and security (the “Platform”) all of which shall be at the cost and expense of the Obligors. Each Obligor acknowledges that (i) the distribution of material through an electronic medium is not necessarily secure and that there are confidentiality and other risks associated with such distribution, (ii) the Platform is provided “as is” and “as available” and (iii) neither the Administrative Agent nor any of its Affiliates represents or warrants the accuracy, completeness, timeliness, sufficiency or sequencing of the Communications posted on the Platform. The Administrative Agent and its Affiliates expressly disclaim with respect to the Platform any liability for errors in transmission, incorrect or incomplete downloading, delays in posting or delivery, or problems accessing the Communications posted on the Platform and any liability for any losses, costs, expenses or liabilities that may be suffered or incurred in connection with the Platform. No warranty of any kind, express, implied or statutory, including, without limitation, any warranty of merchantability, fitness for a particular purpose, non-infringement of third party rights or freedom from viruses or other code defects, is made by the Administrative Agent or any of its Affiliates in connection with the Platform.

(c) Each Secured Party party hereto agrees that notice to it (as provided in the next sentence) (a “Notification”) specifying that any Communication has been posted to the Platform shall for purposes of this Agreement constitute effective delivery to such Secured Party, as applicable, of such information, documents or other materials comprising such Communication. Each Secured Party party hereto agrees (i) to notify, on or before the date such Secured Party becomes a party to this Agreement, the Administrative Agent in writing of such Secured Party’s e-mail address to which a Notification may be sent (and from time to time thereafter to ensure that the Administrative Agent has on record an effective e-mail address for such Secured Party) and (ii) that any Notification may be sent to such e-mail address.

Section 10.4 Expenses.

(a) Agent Expenses. Any action taken by any Obligor under or with respect to any Loan Document, even if required under any Loan Document or at the request of any Secured Party, shall be at the expense of such Obligor, and no Secured Party shall be required under any Loan Document to reimburse any Group Member therefor except as expressly provided therein. The Borrowers will reimburse the Agent for all Agent Expenses, such reimbursement to be made (a) on the Closing Date, in the case of all Agent Expenses incurred on or prior to the Closing Date (unless waived by the Agent), and (b) promptly following request for reimbursement, in the case of other Agent Expenses. The obligations of the Obligors under this Section 10.4 shall survive termination of this Agreement and the discharge of the Obligations.

(b) Lender Expenses. The Borrowers shall pay (i) all reasonable out-of-pocket expenses of the Lenders (x) associated with the preparation, negotiation, execution and delivery of the term sheet relating to the Loan Documents and associated with the preparation, negotiation, execution, delivery and administration of the Loan Documents and any amendment or waiver with respect thereto (including the reasonable fees, disbursements and other charges of counsel) and (y) incurred by the Lenders in connection with the Chapter 11 Cases, including charges of counsel to the steering committee of holders of the 2011 Convertible, Subordinated Debentures incurred in connection with the objection to the Bayside debtor-in-possession credit facility on January 30, 2013; and (ii) all out-of-pocket expenses of the Lenders (including the fees, disbursements and other charges of counsel) in connection with the enforcement of the Loan Documents.

Section 10.5 Costs and Expenses; Indemnification. In addition to the payment of Agent Expenses pursuant to Section 10.4, each Borrower agrees to indemnify, defend and hold harmless the Agent, each Lender, each other Secured Party and each of their respective participants, parent corporations, subsidiary corporations, affiliated corporations, successor corporations, and all present and future officers, directors, employees, attorneys and agents (the "Indemnitees"), from and against (i) any Environmental Liability, or any other Liability to which any Indemnitee may be subjected as a result of any past, present or future existence, use, handling, storage, transportation or disposal of any Hazardous Substance by any Group Member or with respect to any property owned, leased or controlled by any Group Member, (ii) any and all transfer taxes, documentary taxes, recording taxes, assessments or charges made by any Governmental Authority (excluding income or gross receipts taxes) by reason of the execution and delivery of this Agreement and the other Loan Documents, the recording or filing of any Mortgage or other Loan Document, the Agent's Lien in any Collateral, or the making of any Loans, and (iii) any and all Liabilities of any kind or nature whatsoever (including, without limitation, the reasonable fees and disbursements of counsel) in connection with any investigative, administrative or judicial proceedings, whether or not such Indemnitee shall be designated a party thereto, or with any other matter, in each case which may be imposed on, incurred by or asserted against such Indemnitee, in any manner relating to or arising out of or in connection with, (w) the Commitments, the making or maintaining of any Loans, the entering into of this Agreement or any other Loan Documents, any Obligation (or the repayment thereof), the Agent's Lien in any Collateral, or the use or intended use of the proceeds of the Loans, or any securities filing of, or with respect to, any Group Member, (x) any commitment letter, proposal letter or term sheet with any Person or any contractual obligation, arrangement or understanding with any broker, finder or consultant, in each case entered into by or on behalf of any Group Member or any Affiliate of any of them in connection with any of the foregoing and any contractual obligation entered into in connection with any Platform, (y) any actual or prospective investigation, litigation or other proceeding, whether or not brought by any such Indemnitee or any of its Related Persons, any holders of its securities or its creditors (and including attorneys' fees in any case), whether or not any such Indemnitee, Related Person, holder or creditor is a party thereto, and whether or not based on any securities or commercial law or regulation or any other Requirement of Law or theory thereof, including common law,

equity, contract, tort or otherwise, or (z) any other act, event or transaction related, contemplated in or attendant to any of the foregoing. If any investigative, judicial or administrative proceeding arising from any of the foregoing is brought against any Indemnitee, upon request of such Indemnitee, the Administrative Borrower, or counsel designated by the Administrative Borrower and satisfactory to the Indemnitee, will resist and defend such action, suit or proceeding to the extent and in the manner directed by the Indemnitee, at the Borrowers' sole cost and expense. Each Indemnitee will use its commercially reasonable efforts to cooperate in the defense of any such action, suit or proceeding. If the foregoing undertaking to indemnify, defend and hold harmless may be held to be unenforceable because it violates any law or public policy, the Borrowers shall nevertheless make the maximum contribution to the payment and satisfaction of each of the indemnified liabilities contemplated hereby which is permissible under Applicable Law. Each of the Group Members hereby releases, acquits, and forever discharges the Agent, each of the Lenders, and each other Secured Party, and each of and every past and present affiliates, officers, directors, agents, servants, employees, representatives and attorneys of the Agent, the Lenders and the other Secured Parties, from any and all claims, causes of action, suits, debts, liens, obligations, liabilities, demands, losses, costs and expenses (including attorneys' fees) of any kind, character, or nature whatsoever, known or unknown, fixed or contingent, which any Group Member may have or claim to have now or which may hereafter arise out of or connected with any act of commission or omission of the Indemnitees (except, as to each Indemnitee, to the extent arising solely out of the gross negligence, fraud or willful misconduct of such Indemnitee as finally determined by a non-appealable judgment of a court of competent jurisdiction) including, without limitation, any claims, liabilities or obligations arising with respect to the this Agreement or the other Loan Documents or the transactions contemplated hereby or thereby. The provisions of this Section 10.5 shall be binding upon each of the Group Members and shall inure to the benefit of the Agent, the Lenders and the other Secured Parties and each of the past and present affiliates, officers, directors, agents, servants, employees, representatives and attorneys of the Agent, the Lenders and the other Secured Parties. The obligations of the Obligor under this Section 10.5 shall survive termination of this Agreement and the discharge of the Obligations.

Section 10.6 Execution in Counterparts. This Agreement and other Loan Documents may be executed in any number of counterparts, each of which when so executed and delivered (including by PDF or facsimile transmission, which shall be as effective as delivery of a manually executed counterpart hereof) shall be deemed to be an original and all of which counterparts, taken together, shall constitute but one and the same instrument.

Section 10.7 Governing Law; Jurisdiction; Waiver of Jury Trial; Waiver of Special, Direct, or Consequential Damages.

(a) Governing Law. The Loan Documents shall be governed by, and construed in accordance with, the laws of the State of New York, except to the extent the law of any other jurisdiction applies as to the perfection or enforcement of the any security interest in any Collateral (to the extent collateral security is granted with respect to the Obligations) and except to the extent expressly provided to the contrary in any Loan Document.

(b) Jurisdiction. The Obligors, the Agent and the Lenders hereby irrevocably submit to the exclusive jurisdiction and venue of the Bankruptcy Court and any state or federal court of the United States sitting in the State of New York, and any appellate court thereof, in any action or proceeding arising out of or relating to this Agreement or any of the other Loan Documents, and the Obligors, the Agent and the Lenders hereby irrevocably agree that all claims in respect of such action or proceeding may be heard and determined in such state or federal court. The Obligors, the Agent and the Lenders hereby irrevocably waive, to the fullest extent they may effectively do so, the defense of an inconvenient forum to the maintenance of such action or proceeding. Each Obligor agrees that a final judgment in any such action or proceeding may be enforced in other jurisdictions by suit on the judgment or in any other manner provided by law. Nothing in this Section 10.7(b) shall affect the right of the Agent or any Lender to serve legal process in any other manner permitted by law or affect the right of the Agent or any Lender to bring any action or proceeding against any Group Member or the property of any Group Member (including the Collateral) in the courts of other jurisdictions.

(c) WAIVER OF JURY TRIAL. THE OBLIGORS, THE LENDERS AND THE AGENT HEREBY IRREVOCABLY WAIVE ALL RIGHT TO TRIAL BY JURY IN ANY ACTION, PROCEEDING OR COUNTERCLAIM ARISING OUT OF OR RELATING TO ANY LOAN DOCUMENT OR ANY INSTRUMENT OR DOCUMENT DELIVERED THEREUNDER.

(d) Special, Indirect or Consequential Damages. In no event shall any Indemnitee be liable on any theory of liability for any special, indirect, consequential or punitive damages (including any loss of profits, business or anticipated savings), unless resulting solely and directly from the gross negligence, fraud or willful misconduct of such Indemnitee as determined pursuant to a final, non-appealable order of a court of competent jurisdiction. Each Obligor hereby waives, releases and agrees (and shall cause each other Group Member to waive, release and agree) not to sue upon any such claim for any special, indirect, consequential or punitive damages, whether or not accrued and whether or not known or suspected to exist in its favor.

Section 10.8 Integration: Inconsistency. This Agreement, together with the Loan Documents, comprise the final and complete integration of all prior expressions by the parties hereto with respect to the subject matter hereof and shall constitute the entire agreement among the parties hereto with respect to such subject matter, superseding all prior oral or written understandings. If any provision of a Loan Document (other than the Intercreditor Agreement) is inconsistent with or conflicts with a comparable or similar provision appearing in this Agreement, the comparable or similar provision in this Agreement shall govern.

Section 10.9 Agreement Effectiveness. This Agreement shall become effective upon delivery of fully executed counterparts hereof to each of the parties hereto.

Section 10.10 Advice from Independent Counsel. The parties hereto understand that this Agreement is a legally binding agreement that may affect such party's rights. Each party hereto represents to the other that it has received legal advice from counsel of its choice regarding the meaning and legal significance of this Agreement and that it is satisfied with its legal counsel and the advice received from it.

Section 10.11 Binding Effect; No Assignment by Borrower; Third Party Beneficiary. This Agreement shall be binding upon and inure to the benefit of the Obligors, the Lenders, the Agent and their respective successors and assigns; provided, however, no Obligor may assign any or all of its rights or obligations hereunder or any of its interest herein without the prior written consent of the Administrative Agent and all Lenders.

Section 10.12 Confidentiality. The Agent and each Lender shall hold all non-public information regarding the Group Members and their businesses obtained by the Agent or such Lender pursuant to the requirements hereof in accordance with the Agent's or such Lender's customary procedures for handling confidential information of such nature, it being understood and agreed by each Group Member that, in any event, the Agent and each Lender may make (i) on a confidential basis, disclosures of such information to Affiliates of such Lender or the Agent and to their respective agents and advisors (and to other Persons authorized by a Lender or the Agent to organize, present or disseminate such information in connection with disclosures otherwise made in accordance with this Section 10.12), (ii) disclosures of such information reasonably required by any bona fide or potential assignee, transferee or participant in connection with the contemplated assignment, transfer or participation of or in any Loans or by any direct or indirect contractual counterparties (or the professional advisors thereto) to any swap or derivative transaction relating to any Group Member and its obligations (provided, such assignees, transferees, participants, counterparties and advisors are advised of and agree to be bound by either the provisions of this Section 10.12 or other provisions at least as restrictive as this Section 10.12), (iii) disclosure to any rating agency when required by it, provided that, prior to any disclosure, such rating agency shall undertake in writing to preserve the confidentiality of any confidential information relating to the Group Members received by it from the Agent or any Lender, (iv) disclosures in connection with any litigation or other adversary proceeding involving parties hereto which such litigation or adversary proceeding involves claims related to the rights or duties of such parties under this Agreement or the other Loan Documents, and (v) disclosures required or requested by any Governmental Authority or representative thereof or pursuant to legal or judicial process; provided, unless specifically prohibited by Applicable Law or court order, each Lender and the Agent shall make reasonable efforts to notify the Administrative Borrower of any request by any Governmental Authority or representative thereof (other than any such request in connection with any examination of the financial condition or other routine examination of such lender by such Governmental Authority) for disclosure of any such non-public information prior to disclosure of such information. In addition, notwithstanding the above, U.S. Bank (or any successor thereto as Agent) and its Affiliates (but, subject to the foregoing, not any other Lenders or their Affiliates) may disclose the existence of the Loan Documents and the information about the Loan Documents to any Person.

(a) Each Group Member shall, and shall cause its Affiliates to, (i) [reserved] and (ii) take all reasonable actions necessary to prevent Schedule 1.1.1 to this Agreement from becoming publicly available, including, without limitation, filing such Schedule 1.1.1 under seal; provided that notwithstanding the foregoing, any Group Member may make disclosures of such information (x) to its accountants, legal counsel and other advisors

provided that such Persons are informed of the confidentiality of such information and agree to keep such information confidential at least to the same extent as is required hereby, or (y) as required or requested by any Governmental Authority or representative thereof or pursuant to legal or judicial process or as required by Applicable Law (subject to the obligation in clause (ii) above to file Schedule 1.1.1 under seal); provided that, unless specifically prohibited by Applicable Law, each Group Member shall make reasonable efforts to notify the Administrative Agent of any request by any Governmental Authority or representative thereof for disclosure of any such confidential information, and shall in any event, unless specifically prohibited by Applicable Law, notify the Administrative Agent of each public disclosure of any such information by a Group Member or any Affiliate thereof, together with the proposed text of such public disclosure, prior to disclosure of such information, and provide the Administrative Agent (at the direction of the Required Lenders) an opportunity to comment thereon, and will not in any such disclosure disclose more information than is mandatorily required to be disclosed under Applicable Law.

Section 10.13 Severability of Provisions. Any provision of this Agreement which is prohibited or unenforceable shall be ineffective to the extent of such prohibition or unenforceability without invalidating the remaining provisions hereof.

Section 10.14 Senior Debt. The Obligations are intended to be senior Debt, and not subordinated to any other senior Debt, or made *pari passu* with Debt that is subordinated to any other Debt, of any Obligor. The Obligations are deemed to be expressly designated and named as “Designated Senior Debt,” “Designated Senior Indebtedness,” “Senior Indebtedness” or similar terms for purposes of any present or future loan agreement, indenture, note issuance or purchase agreement or other document under which such a designation is applicable or available for senior Debt of any Obligor (including without limitation the 2011 Convertible Subordinated Debenture Indenture).

Section 10.15 Release of Carson-Dellosa Equity. Upon the consummation of a Carson-Dellosa Drag-Along Sale, the Collateral Agent shall release the Liens, securing the Obligations, on the Equity Interests in Carson-Dellosa Publishing, LLC that are Disposed of in such transaction, provided that (and only if) (x) all of the conditions set forth in Section 8.18(a)(ii) (including the requisite certification by the Administrative Borrower) have been satisfied with respect to such release, (y) the Liens on all of such Equity Interests securing the ABL DIP Credit Obligations are concurrently being released, and (z) 100% of the Net Cash Proceeds of such Carson-Dellosa Drag-Along Sale are immediately applied to prepay the Obligations in accordance with Section 2.9(a)(i).

Section 10.16 USA Patriot Act. Each Lender hereby notifies the Administrative Borrower that pursuant to the requirements of the USA Patriot Act (Title III of Pub. L. 107-56 (signed into law October 26, 2001)) (the “USA Patriot Act”), it is required to obtain, verify and record information that identifies each Borrower, which information includes the name and address of such Borrower and other information that will allow such Lender to identify such Borrower in accordance with the USA Patriot Act.

Section 10.17 Administrative Borrower as Agent for Borrower. Each Borrower hereby irrevocably appoints Administrative Borrower as the borrowing agent and attorney-in-fact for all Borrowers. Each Borrower hereby irrevocably appoints and authorizes Administrative Borrower (i) to provide Agent with all notices with respect to Loans obtained for the benefit of any Borrower and all other notices and instructions under this Agreement and (ii) to take such action as Administrative Borrower deems appropriate on its behalf to obtain Loans and to exercise such other powers as are reasonably incidental thereto to carry out the purposes of this Agreement. Each Borrower hereby jointly and severally agrees to indemnify each Indemnitee and hold each Indemnitee harmless against any and all liability, expense, loss or claim of damage or injury, made against the Indemnitees by any Obligor or by any third party whosoever, arising from or incurred by reason of (a) the handling of the Collateral as herein provided, (b) the Indemnitees' relying on any instructions of Administrative Borrower, or (c) any other action taken by the Indemnitees hereunder or under the other Loan Documents, except that Borrowers will have no liability to the relevant Indemnitee under this Section 10.17 with respect to any liability that has been finally determined by a court of competent jurisdiction to have resulted solely from the gross negligence, fraud or willful misconduct of such Indemnitee.

Section 10.18 Intercreditor Agreement. Agent and each Lender hereunder, by its acceptance of the benefits provided hereunder, (a) consents to the subordination of liens provided for in the Intercreditor Agreement, (b) agrees that it will be bound by, and will take no actions contrary to, the provisions of the Intercreditor Agreement, and (c) authorizes and instructs the Agent to enter into the Intercreditor Agreement as Agent on behalf of each Lender. Agent and each Lender hereby agrees that the terms, conditions and provisions contained in this Agreement are subject to the Intercreditor Agreement and, in the event of a conflict between the terms of the Intercreditor Agreement and this Agreement or any of the Loan Documents, the terms of the Intercreditor Agreement shall govern and control.

Schedule 4.6 – Litigation

James Keller, James Hoff and Larry Ward vs. School Specialty, Inc. – This matter deals with a claim from for sales representatives regarding the classification of items and the marginal commission rates based upon that classification. School Specialty, Inc. anticipates its likely exposure will not exceed \$200,000. This claim is not covered by insurance. As of the closing this case is currently in the discovery stage with ongoing deposition.

Wilbert Scott Herman vs. School Specialty Inc., Case Number 37-2008-00092226-OU-PL-CTL, filed September 22, 2008 in the Superior Court of California, County of San Diego. Mr. Herman was a school teacher in California and was struck in the head by falling flagpole which was sold by the Parent but not designed or manufactured by the Parent. This is an insured product liability claim and the Parent’s deductible for products liability is \$50,000.

William J. Baker v. Childcraft Education Corp., et al., Sup. Ct. of NY, Chemung County, Case No. 2011-2089. William J. Baker, individually and on behalf of his infant daughter Jenna Baker, sued Childcraft Education Corp (a wholly owned subsidiary of School Specialty, Inc.) due to injuries allegedly suffered by Ms. Baker while at C.J.’s Country Kids Childcare Center, LLC, with a product allegedly sold by Childcraft. Mr. Baker also has named as defendants C.J.’s Country Kids Childcare and Gerald and Carolyn Welliver, the owners and operators of C.J.’s. Gallagher Bassett Services, through its Subsequent Detailed Status Report dated January 23, 2013, has set the liability reserve on this claim for School Specialty at \$200,000.

School Specialty, Inc. (“SSI”) v. RR Donnelley & Sons Company (“RRD”), U.S. Dist. Ct. E.D. Wis., Case No.1:12-CV-01034. SSI sued RRD for damages resulting from a deficient printing job. RRD counterclaimed against SSI for fraud in the inducement and breach of contract, claiming SSI concealed known problems with the inks RRD used for the printing job, and SSI breached its contract with RRD by cancelling purchase orders for additional work. RRD seeks damages in excess of \$500,000.

Redcay Industrial Development, III, LLC (“Redcay”) v. School Specialty, Inc., U.S. Dist. Ct. E.D. PA, Case No. 12-CV-7074. Redcay leased a warehouse in Mt. Joy, Pennsylvania to SSI for 20 years, ending on January 1, 2025. Pursuant to the terms of the lease, if SSI’s credit rating adversely changes during the term of the lease, and that change impairs Redcay’s ability to obtain financing or increases the costs of financing, SSI’s rent increases by the resulting costs and expenses incurred by Redcay. Redcay claims that SSI’s credit rating went down, and Redcay was unable to refinance the property at a substantially lower interest rate. Redcay seeks a declaratory judgment that SSI owes more rent under the lease or, in the alternative, Redcay seeks damages for breach of contract for over \$100,000 of additional rent annually.

Serenity McArthur v. Sportime, LLC, et al., Cal. Sup. Ct., Eldorado County, Case No. PC20120634. Ms. McArthur, a minor, claims that while she was at the Boys and Girls Club of Eldorado County Western Slope (the “Boys and Girls Club”), a resistance band manufactured and sold by Sportime wrapped around her neck, causing her to fall and injure herself. She also has named as defendants Black Oak Mine Unified School District and the Boys and Girls Club. She seeks compensatory and punitive damages against Sportime, based on theories of strict products liability and failure to warn.

Innovatio IP Ventures, LLC – claims to own some 20 patents in the field of wireless networking technology. Innovatio has notified School Specialty that Innovatio believes School Specialty requires a license under Innovatio’s patents in order to permit users and visitors at any School

Specialty location to use wireless technology to exchange information, including access to the Internet. To date, the company is still gathering information to respond substantively, and has discussed the matter with Innovatio's counsel to a limited extent. Regarding the Innovatio IP Ventures, LLC claim, which is not at the litigation stage, we estimate the exposure to be less than \$250,000. We believe that we have a significant chance of prevailing in the event that this is litigated. These claims are not covered by insurance.

Landmark Technology, LLC – claims to own U.S. Patent Nos. 5,576,951, 6,289,319 and 7,010,508 relating to transaction processes and features used in many electronic commerce systems including structures which exchange business data among trading partners. Landmark has notified School Specialty that Landmark believes School Specialty requires a license under these patents. To date, the company is still gathering information to respond substantively, and has discussed the matter with Landmark's counsel to a limited extent. Regarding the Landmark Technology, LLC claim, which is not at the litigation stage, we estimate the exposure to be less than \$200,000. We believe that we have a significant chance of prevailing in the event that this is litigated. These claims are not covered by insurance.

JFJ Toys d/b/a D&L Company and D&L's owner, Fred Ramirez – claims to own trademark registrations for STOMP and STOMP ROCKET for use with toy air rockets. D&L has claimed that School Specialty's (Sportime's) sale of the STOMP-N-LAUNCH BALL LAUNCHER is a trademark infringement. Sportime has removed the product from its web sites and catalogs, and has changed the name of its product to STEP-N-LAUNCH BALL LAUNCHER, but there is still some older product in the pipelines. The company expects the matter to be resolved soon without payment of money to D&L.

S&S Worldwide, Inc. – claims to own a trademark registration for GATOR SKIN for use in connection with certain children's play ball products. S&S has claimed that School Specialty's use, in connection with its TechnoSkin ball products, of "Compare our quality and our prices with Gatorskin and all other 'cheap' balls. We know ours is the best value and higher quality." is pejorative and deceptively false. The referenced phrase appears in School Specialty's catalogs only, and not on its web site. School Specialty plans to remove the referenced phrase from future catalogs. The company expects the matter to be resolved soon without payment of money to S&S.

The Hubbard Company – claims to own a trademark registration for WARD and design, for use in connection with lesson plans, class records and assignment and attendance notebooks, and is a former supplier of these products to School Specialty. H. **WHEREAS**, to supplement the DIP Order without in any way diminishing or limiting the effect of the DIP Order or the DIP Liens granted thereunder, the parties hereto desire to more fully set forth their respective rights in connection with the DIP Liens.

NOW, THEREFORE, in consideration of the agreements set forth herein and in order to induce Lenders to make the Loans under the Credit Agreement and to make and maintain loans, advances and other financial accommodations under the Credit Agreement, and for other good and valuable consideration the receipt of which is hereby acknowledged, each Grantor hereby agrees with Agent as follows:

SECTION 1. Grant of Security.

Each Grantor hereby pledges, mortgages, hypothecates and (except in the case of ULC Shares) assigns to Agent, and hereby grants to Agent, for the benefit of Secured Parties, a security interest in all of such Grantor's right, title and interest in and to all of the property of such Grantor, in each case whether now or hereafter existing, whether tangible or intangible, whether now owned or hereafter acquired, wherever the same may be located and whether or not subject to the Uniform Commercial Code as it exists on the date of this Agreement, or as it may hereafter be amended in, the State of New York (the "UCC"), including all of the following (the "Collateral"):

- (a) all Accounts;
- (b) all Chattel Paper;
- (c) all Money, Securities Accounts and all Deposit Accounts, together with all amounts on deposit from time to time in such Deposit Accounts;

-
- (d) all Documents;
 - (e) all Documents of Title (as defined in the PPSA);
 - (f) all Farm Products;
 - (g) all General Intangibles, Intangibles (as defined in the PPSA) and all Intellectual Property, Payment Intangibles and Software;
 - (h) all Goods, including Inventory, Equipment and Fixtures;
 - (i) all Instruments;
 - (j) all Investment Property;
 - (k) all Letter-of-Credit Rights and other Supporting Obligations;
 - (l) all Records;
 - (m) all Assigned Contracts;
 - (n) all Commercial Tort Claims, including those set forth on Schedule 1 annexed hereto; and
 - (o) all Proceeds and Accessions with respect to any of the foregoing Collateral, including all insurance proceeds on or in respect of any of the foregoing Collateral.

Each term set forth above shall have the meaning set forth in the UCC and the PPSA as indicated (to the extent such term is defined in the UCC or elsewhere herein), it being the intention of Grantors that the description of the Collateral set forth above be construed to include the broadest possible range of assets.

Notwithstanding anything herein to the contrary, in no event shall the Collateral include, and no Grantor shall be deemed to have granted a security interest in any of such Grantor's rights or interests in or under: (i) voting Equity Interests of any CFC, solely to the extent (y) such Equity Interests represent an excess over 65% of the outstanding voting Equity Interests of such CFC, and (z) pledging or hypothecating more than 65% of the total outstanding Equity Interests of such CFC would result in adverse tax consequences or the costs to the Grantors of providing such pledge are unreasonably excessive (as determined by the Agent (at the direction of the Required Lenders) in consultation with the Administrative Borrower) in relation to the benefits to Agent and the other Secured Parties of the security afforded thereby (which pledge, if reasonably requested by Agent (which shall be at the direction of the Required Lenders), shall be governed by the laws of the jurisdiction of such Subsidiary); (ii) any United States intent-to-use trademark applications to the extent that, and solely during the period in which, the grant of a security interest therein would impair the validity or enforceability of such intent-to-use trademark applications under applicable federal law, provided that upon submission and acceptance by the applicable IP Filing Office of an amendment to allege use pursuant to 15 U.S.C. Section 1060(a) (or any successor provision), such intent-to-use trademark application

shall be considered Collateral; and (iii) any license, contract, permit, Instrument, security or franchise to which such Grantor is a party as of the date hereof or any of its rights or interests thereunder to the extent, but only to the extent, that such a grant would, under the terms of such license, contract, permit, Instrument, security or franchise, result in a breach of the terms of, or constitute a default under, such license, contract, permit, Instrument, security or franchise (other than to the extent that any such term would be rendered ineffective pursuant to the UCC, PPSA or any other applicable law in any applicable jurisdiction (including the Bankruptcy Code) or principles of equity); provided, that, immediately upon the ineffectiveness, lapse or termination of any such provision the Collateral shall, without any further action by any party hereto, include, and such Grantor shall be deemed to have granted a security interest in, all such rights and interests as if such provision had never been in effect; and provided, further, that the foregoing exclusion shall in no way be construed to limit, impair or otherwise affect any of Agent's or any other Secured Party's continuing security interests in and liens upon any rights or interests of any Grantor in or to monies due or to become due under or in connection with any described such license, contract, permit, Instrument, security or franchise, or any proceeds from the sale, license, lease or other dispositions of any such license, contract, permit, Instrument, security or franchise. In the event that any asset of a Grantor is excluded from the Collateral by virtue of clause (iii) of the foregoing sentence (other than to the extent that any such term would be rendered ineffective pursuant to the UCC, PPSA or any other applicable law (including the Bankruptcy Code) or principles of equity), such Grantor agrees to use its reasonable best efforts to obtain all requisite consents to enable such Grantor to provide a security interest in such asset pursuant hereto as promptly as practicable. The security interests granted hereunder shall not extend to (i) any consumer goods (as defined in the PPSA) of Select Agendas; or (ii) the last day of any real property lease, or any agreement to lease to which Select Agendas is now or becomes a party as lessee, provided that any such last day shall be held in trust by Select Agendas for the Agent and, on the exercise by the Agent of its rights and remedies hereunder, shall be assigned by Select Agendas as directed by the Agent (at the direction of the Required Lenders). Notwithstanding the foregoing, Agent shall have a security interest in, and a pledge and collateral assignment of (but not a present assignment of) any Canadian trademarks or ULC Shares forming part of the Collateral.

Each of the Grantors hereby acknowledges that (a) value has been given; (b) each Grantor has rights in the Collateral in which it has granted a security interest; (c) this Agreement constitutes a security agreement as that term is defined in the PPSA; and (d) it has not agreed to postpone the time for attachment of the security interest granted hereunder and the security interest granted hereunder attaches upon the execution of this Agreement (or in the case of any after-acquired property, at the time of the acquisition thereof).

Each of the Grantors hereby further acknowledges and agrees that if the Collateral is realized upon and such Collateral or the proceeds of such Collateral is not sufficient to satisfy all Secured Obligations, subject to the provisions of the PPSA, such Grantor shall continue to be liable for any Obligations remaining outstanding and the Agent shall be entitled to pursue full payment thereof.

SECTION 2. Security for Obligations.

This Agreement secures, and the Collateral is collateral security for, the prompt payment and performance in full when due, whether at stated maturity, by required prepayment, acceleration or demand in accordance with the Credit Agreement, or otherwise, of all obligations of each Grantor to each Secured Party, including the Obligations (as defined in the Credit Agreement), however created, arising or evidenced, and whether or not evidenced by a Loan Document (including, without limitation, interest and other amounts that, but for the filing of a petition in bankruptcy with respect to any Grantor, would accrue on such obligations, whether or not a claim is allowed against such Grantor for such amounts in the related bankruptcy proceeding), together with all extensions or renewals thereof, whether for principal, interest, fees, premiums, expenses, reimbursement obligations, indemnities, or otherwise, whether voluntary or involuntary, direct or indirect, absolute or contingent, now existing or hereafter arising or acquired, liquidated or unliquidated, whether or not jointly owed with others, and whether or not from time to time decreased or extinguished and later increased, created or incurred, and all or any portion of such obligations or liabilities that are paid, to the extent all or any part of such payment is avoided or recovered directly or indirectly from Agent or any other Secured Party as a preference, fraudulent transfer or otherwise, and all obligations of every nature of Grantors now or hereafter existing under this Agreement (collectively, the "Secured Obligations"). Each Grantor confirms that value has been given by the Secured Parties or any of them to such Grantor, that such Grantor has rights in its Collateral existing at the date of this Agreement and that such Grantor and the Agent have not agreed to postpone the time for attachment of the Security Interest in any of the Collateral of such Grantor.

SECTION 3. Grantors Remain Liable.

Anything contained herein to the contrary notwithstanding, (a) each Grantor shall remain liable under any contracts and agreements included in the Collateral, to the extent set forth therein, to perform all of its duties and obligations thereunder to the same extent as if this Agreement had not been executed, (b) the exercise by Agent of any of its rights hereunder shall not release any Grantor from any of its duties or obligations under the contracts and agreements included in the Collateral, (c) Agent shall not have any obligation or liability under any contracts, licenses, and agreements included in the Collateral by reason of this Agreement, nor shall Agent be obligated to perform any of the obligations or duties of any Grantor thereunder or to take any action to collect or enforce any claim for payment assigned hereunder and (d) neither Agent nor any other Secured Party shall have any custodial or ministerial duties to perform with respect to the Collateral pledged except as expressly set forth herein; and by way of explanation and not by way of limitation, neither Agent nor any other Secured Party shall incur liability for any of the following: (i) defects in title to or ownership of Collateral, (ii) loss or depreciation of, or any decline in the value of, Collateral, or (iii) failure to present any paper for payment or protest, to protest or give notice of nonpayment or any other notice with respect to any paper or Collateral.

SECTION 4. Representations and Warranties.

Each Grantor represents and warrants to the Agent, for the benefit of Secured Parties, as follows:

(a) **Ownership of Collateral.** Except as expressly permitted by the Credit Agreement and the DIP Order, (i) such Grantor owns its interests in the Collateral free and clear of any Lien and (ii) except as set forth on Schedule 16 hereto, no effective financing statement, financing change statement or other instrument similar in effect covering all or any part of the Collateral is on file in any filing or recording office, including any IP Filing Office. Each Grantor has full power and authority to grant to Agent for the benefit of the Secured Parties the security interest in all Collateral pursuant to this Agreement and to execute, deliver and perform its obligations in accordance with the terms hereof, without the consent or approval of any other Person.

(b) **Perfection.** Upon entry of the DIP Order by the Bankruptcy Court, the security interests in the Collateral granted to Agent for the benefit of Secured Parties hereunder shall constitute valid security interests in the Collateral (other than the Collateral of Select Agendas Corp.), securing the payment of the Secured Obligations. With respect to Select Agendas Corp., upon execution of this Agreement and the filing of PPSA financing statements, the security interests in the Collateral granted to Agent for the benefit of Secured Parties hereunder shall constitute valid security interests in the Collateral. Upon (i) the filing of UCC financing statements or PPSA financing statements (as applicable) naming each Grantor as “debtor”, naming Agent as “Secured Party” and describing the Collateral in the filing offices with respect to such Grantor set forth on Schedule 2 annexed hereto, (ii) the entry of the DIP Order by the Bankruptcy Court, (iii) in the case of the Securities Collateral consisting of certificated Securities or evidenced by Instruments, in addition to filing of such UCC financing statements or PPSA financing statements, as applicable, delivery of the certificates representing such certificated Securities and delivery of such Instruments to Agent, in each case duly endorsed or accompanied by duly executed instruments of assignment or transfer in blank, (iv) in the case of the Intellectual Property Collateral constituting Copyrights and Copyright Rights, in addition to the filing of such UCC financing statements or PPSA financing statements, as applicable, the recordation of a Grant with the United States Copyright Office or the Canadian Intellectual Property Office, (v) in the case of Equipment that is covered by a certificate of title, the filing with the registrar of motor vehicles or other appropriate authority in the applicable jurisdiction of an application requesting the notation of the security interest created hereunder on such certificate of title, and (vi) in the case of any Deposit Account and any Investment Property constituting a Security Entitlement, Securities Account, Commodity Contract or Commodity Account, the execution and delivery to Agent of an agreement providing for control by Agent thereof and the filing of a PPSA financing statement in Canada, the security interests in the Collateral granted by each Grantor to Agent for the benefit of Secured Parties will constitute perfected security interests therein prior to all other Liens (except for Permitted Senior Liens), and all filings and other actions necessary or desirable to perfect and protect such security interests will have been duly made or taken. Upon the recordation of a Grant with respect to the Intellectual Property Collateral with the applicable IP Filing Office, no subsequent purchaser or mortgagee for value may obtain claim in or title to any Intellectual Property Collateral having priority or seniority over the security interests in such Intellectual Property Collateral granted by each Grantor to Agent for the benefit of Secured Parties pursuant hereto.

Schedule 4A sets forth each state in which each Grantor maintains any assets, operates any portion of its business or is authorized to do business.

(d) **Names**. No Grantor (or predecessor by merger or otherwise of such Grantor) has, within the five-year period preceding the date hereof, or, in the case of an Additional Grantor, the date of the applicable Supplement, had a different name from the name of such Grantor listed on the signature pages hereof or of the applicable Supplement, except the names set forth on Schedule 5 annexed hereto (as amended by Agent pursuant to any such Supplement).

(e) **Delivery of Certain Collateral**. All certificates or Instruments (excluding checks) evidencing, comprising or representing the Collateral have been delivered to Agent duly endorsed or accompanied by duly executed instruments of transfer or assignment in blank.

(f) **Securities Collateral**. All of the Pledged Subsidiary Equity set forth on Schedule 6 annexed hereto has been duly authorized and validly issued and is, in the case of stock, fully paid and non-assessable (subject to the general assessability of shares of a ULC); and in the case of all other Pledged Subsidiary Equity, subject to no assessments, capital calls or additional payment requirements of any nature, all of the Pledged Subsidiary Debt set forth on Schedule 7 annexed hereto has been duly authorized and is the legally valid and binding obligation of the issuers thereof and is not in default; there are no outstanding warrants, options or other rights to purchase, or other agreements outstanding with respect to, or property that is now or hereafter convertible into, or that requires the issuance or sale of, any Pledged Subsidiary Equity; Schedule 6 annexed hereto sets forth all of the Pledged Subsidiary Equity (identified as such) and all other Pledged Equity (identified as such) owned by each Grantor, and the percentage ownership in each issuer thereof; and Schedule 7 annexed hereto sets forth all of the Pledged Debt owned by such Grantor.

(h) **Deposit Accounts, Securities Accounts, Commodity Accounts** . Schedule 11 annexed hereto lists all Deposit Accounts, Securities Accounts and Commodity Accounts (separately identified as such) owned by each Grantor, and in each case, indicates the institution or intermediary at which the account is held and the account name and number.

(i) **Chattel Paper**. Such Grantor has no interest in any Chattel Paper, except as set forth in Schedule 12 annexed hereto.

(j) **Letter-of-Credit Rights**. Such Grantor has no interest in any Letter-of-Credit Rights, except as set forth on Schedule 13 annexed hereto.

(k) **Documents**. No negotiable Documents are outstanding with respect to any of the Inventory or other Collateral, except as set forth on Schedule 14 annexed hereto.

(l) **Assigned Agreements**. Each Assigned Agreement is in full force and effect and is enforceable against the parties thereto in accordance with its terms.

Collateral consisting of Chattel Paper, Accounts or General Intangibles is (i) with respect to Chattel Paper and General Intangibles, to the best of its knowledge, genuine and enforceable in accordance with its terms, (ii) to the best of its knowledge, not subject to any defense, set-off, claim, or counterclaim of a material nature against a Grantor except as to which a Grantor has notified Agent in writing, and (iii) to the best of its knowledge, not subject to any other circumstances that would impair the validity, enforceability, value or amount of such Collateral except as to which a Grantor has notified Agent in writing. With respect to its Accounts, except as is specifically disclosed in writing to the Agent, such Accounts (i) represent bona fide sales of Inventory or rendering of services to Account debtors in the ordinary course of such Grantor's business and are not evidenced by a judgment, Instrument or Chattel Paper, (ii) are and will be the legal, valid and binding obligation of the Account debtors in respect thereof, representing unsatisfied obligations of such Account debtor and (iii) to the best of such Grantor's knowledge after due inquiry, are and will be enforceable in accordance with their terms.

In addition to the representations and warranties set forth in the Credit Agreement, the representations and warranties as to the information set forth in Schedules referred to herein are made as to each Grantor (other than Additional Grantors) as of the date hereof and as to each Additional Grantor as of the date of the applicable Supplement, except that, in the case of a Pledge Supplement, IP Supplement or notice delivered pursuant to Section 5(d) hereof, such representations and warranties are made as of the date of such supplement or notice.

SECTION 5. Further Assurances.

(a) **Generally.** Each Grantor agrees that from time to time, at the expense of Grantors, such Grantor will promptly execute and deliver all further instruments and documents, and take any and all further action, that may be necessary or desirable, or that Agent may reasonably request (at the direction of the Required Lenders), in order to perfect and protect any security interest or other Lien granted or purported to be granted hereby or under the DIP Order or to enable Agent to exercise and enforce its rights and remedies hereunder or under applicable law with respect to any Collateral. Without limiting the generality of the foregoing, each Grantor will: (i) notify Agent in writing of receipt by such Grantor of any interest in Chattel Paper and at the request of Agent (at the direction of the Required Lenders), mark conspicuously each item of Chattel Paper and each of its records pertaining to the Collateral, with a legend, in form and substance satisfactory to Agent (at the direction of the Required Lenders), indicating that such Collateral is subject to the security interest granted hereby, (ii) deliver to Agent all promissory notes and other Instruments (other than, unless requested by the Agent as provided below, promissory notes and other Instruments individually in a principal amount less than \$10,000 and in an aggregate principal amount not in excess of \$250,000 from time to time), and, at the request of Agent (at the direction of the Required Lenders), all other promissory notes and instruments and original counterparts of Chattel Paper, duly endorsed and accompanied by duly executed instruments of transfer or assignment, all in form and substance satisfactory to Agent (at the direction of the Required Lenders), (iii) (A) execute (if necessary) and file such financing statements and other filings or continuation statements, or amendments thereto, (B) subject to the terms and conditions set forth in the Credit Agreement, execute and deliver, and cause to be executed and delivered, agreements establishing that Agent has control of Deposit Accounts (other than Excluded Accounts) to the extent necessary or desirable for perfection, and Investment Property of such Grantor, (C) deliver such documents, instruments, notices, records and consents, and take such other actions, necessary to establish that Agent has control over electronic Chattel Paper (other than electronic Chattel Paper the aggregate value or face amount of which does not at any one time exceed \$250,000) and Letter-of-Credit Rights (to the extent the Grantors (or any of them) are or become beneficiary of letters of credit, other than letters of credit having a face amount or value of no more than \$250,000 in the aggregate) of such Grantor, (D) promptly notify Agent (and in any event within five (5) Business Days) of any Account or Chattel Paper arising out of a contract or contracts with the United States of America, Canada or any department, agency, or instrumentality thereof (other than Accounts and Chattel Paper (x) the aggregate value of which does not at any one time exceed \$500,000 or (y) which are based upon purchase orders which are fully satisfied within sixty (60) days of acceptance of the same by any Grantor) and, subject to Section 31, promptly (and in any event within five (5) Business Days) after request by Agent (at the direction of the Required Lenders), execute any instruments or take any steps reasonably required by Agent in order that all moneys due or to become due under such contract or contracts shall be assigned to Agent, for the benefit of the Secured Parties, and shall provide written notice thereof under the Federal Assignment of Claims Act of 1940 or other applicable law, and (E) deliver such other instruments or notices, in each case, as may be necessary or desirable, or as Agent may reasonably request (at the direction of the Required Lenders), in order to perfect and preserve the security interests or other Liens granted or purported to be granted hereby and under the DIP Order, (iv) furnish to Agent from time to time statements and schedules further identifying and describing the Collateral and such other reports in connection with the Collateral as Agent may reasonably request (at the direction of the Required Lenders), all in reasonable detail, (v) subject to the limitations set forth in the Credit

Agreement, at any reasonable time upon request by Agent (at the direction of the Required Lenders), exhibit the Collateral to and allow inspection, examination and audit of the Collateral by Agent, or persons designated by Agent, (vi) at Agent's request (at the direction of the Required Lenders) and upon reasonable prior notice, appear in and defend any action or proceeding that may affect such Grantor's title to or Agent's security interest in or other Liens on all or any part of the Collateral, and (vii) use commercially reasonable efforts to obtain any necessary consents of third parties to the creation and perfection of a security interest or other Lien in favor of Agent with respect to any Collateral. Each Grantor hereby authorizes Agent to file one or more financing statements or similar documents or continuation statements, and amendments thereto, relative to all or any part of the Collateral (including any financing statement indicating that it covers "all assets", "all present and after-acquired personal property" or "all personal property" of such Grantor) without the signature of any Grantor. Each Grantor hereby waives, to the greatest extent permitted under applicable law, notice or receipt of copies of any such statements or amendments or any verification statements in respect thereof.

(b) **Securities Collateral.** Without limiting the generality of the foregoing Section 5(a), each Grantor agrees that (i) all certificates or Instruments representing or evidencing the Securities Collateral shall be delivered to and held by or on behalf of Agent pursuant hereto and shall be in suitable form for transfer by delivery or, as applicable, shall be accompanied by such Grantor's endorsement, where necessary, or duly executed instruments of transfer or assignments in blank, all in form and substance reasonably satisfactory to Agent (at the direction of the Required Lenders) and (ii) it will, upon obtaining any additional Equity Interests or Debt, promptly (and in any event within three (3) Business Days for any such Equity Interests and within five (5) days for any such Debt) deliver to Agent a Pledge Supplement, duly executed by such Grantor, in respect of such additional Pledged Equity or Pledged Debt; provided, that the failure of any Grantor to execute a Pledge Supplement with respect to any additional Pledged Equity or Pledged Debt shall not impair the security interest of Agent therein or otherwise adversely affect the rights and remedies of Agent hereunder and under the DIP Order with respect thereto. Upon each such acquisition, the representations and warranties contained in Section 4(f) hereof shall be deemed to have been made by such Grantor as to such Pledged Equity or Pledged Debt, whether or not such Pledge Supplement is delivered.

(c) **Intellectual Property Collateral.** Within thirty (30) days after the end of each calendar month, each Grantor shall notify Agent in writing of any rights to Intellectual Property Collateral acquired or created (and any additions of new tradenames or changes to existing tradenames) by such Grantor after the date hereof during such month and shall execute and deliver to Agent an IP Supplement, and a Grant for recordation in the applicable IP Filing Office with respect to each Trademark Registration, Patent or Copyright Registration (or application with respect thereto) filed during such month; provided, the failure of any Grantor to execute and deliver an IP Supplement or such Grant for recordation with respect to any additional Intellectual Property Collateral shall not impair the security interest of Agent therein or otherwise adversely affect the rights and remedies of Agent hereunder or under the DIP Order with respect thereto. Upon delivery to Agent of an IP Supplement, Schedules 8, 9 and 10 annexed hereto and Schedule A to each Grant, as applicable, shall be deemed modified to include a reference to any right, title or interest in any existing Intellectual Property Collateral or any such Intellectual Property Collateral set forth on Schedule A to such IP Supplement (and the representations and warranties contained in Section 4(g) hereof shall be deemed to have been made by such Grantor as of the end of such calendar month with respect to which such IP Supplement is delivered).

(d) **Commercial Tort Claims.** Grantors have no Commercial Tort Claims as of the date hereof, except as set forth on Schedule 1 annexed hereto. In the event that a Grantor shall at any time after the date hereof have any Commercial Tort Claims (other than Commercial Tort Claims the amount of which does not exceed \$250,000 in the aggregate), such Grantor shall promptly (but in any event within five (5) Business Days) notify Agent thereof in writing, which notice shall (i) set forth in reasonable detail the basis for and nature of such Commercial Tort Claim, (ii) constitute an amendment to this Agreement by which such Commercial Tort Claim shall constitute part of the Collateral and (iii) constitute authorization to file any additional financing statements describing such Commercial Tort Claim to give Agent a perfected security interest in such Commercial Tort Claim.

SECTION 6. Certain Covenants of Grantors.

Each Grantor shall:

(a) not use any Collateral, or permit any Collateral to be used, unlawfully or in violation of any provision of this Agreement, the DIP Order or any applicable statute, regulation or ordinance or any policy of insurance covering the Collateral;

(b) give Agent at least 30 days' prior written notice of (i) any change in such Grantor's legal name (including adopting a French or combined form of name), identity or corporate structure and (ii) any reincorporation, reorganization or other action that results in a change of the jurisdiction of organization of such Grantor;

(c) if Agent gives value to enable such Grantor to acquire rights in or the use of any Collateral, use such value for such purposes and in accordance with the DIP Order;

(d) keep correct and accurate Records of Collateral at the locations described in Schedule 3 annexed hereto;

(e) subject to the limitations set forth in the Credit Agreement, permit representatives of Agent at any time during normal business hours to inspect and make abstracts from such Records, and each Grantor agrees to render to Agent, at such Grantor's cost and expense, such clerical and other assistance as may be reasonably requested with regard thereto;

(f) not permit any item of Collateral to become a fixture to real estate or an accession to other personal collateral property unless such real estate or other property is also Collateral hereunder or under another Security Document; and

(g) at Agent's request (at the direction of the Required Lenders), provide Agent with schedules describing all accounts, including customer's addresses, created or acquired by a Grantor and at Agent's request shall execute and deliver written assignments of contracts and other documents evidencing such accounts to Agent. Together with each schedule, Grantors shall, if requested by Agent (at the direction of the Required Lenders), furnish Agent with copies of each Grantor's sales, journals, invoices, customer purchase orders or the equivalent, and original shipping or delivery receipts for all good sold, and each Grantor warrants the genuineness thereof.

SECTION 7. Special Covenants With Respect to Equipment and Inventory.

Each Grantor shall:

(a) if any Inventory is in possession or control of any of such Grantor's agents or processors, upon the occurrence and during the continuation of an Event of Default at the request of Agent (at the direction of the Required Lenders), instruct such agent or processor to hold all such Inventory for the account of Agent and subject to the instructions of Agent;

(b) if any Inventory is, or becomes, subject to consignment, bill and hold, sale or return, sale on approval, or other conditional terms of sale, promptly file UCC financing statements listing the Grantor owning such Inventory as the "Secured Party" and the consignee of such Inventory as the "Debtor" and properly identifying the Inventory subject to such consignment; provided that the foregoing obligation shall not apply to consignment or similar transactions if the Inventory related thereto is less than \$10,000 in value in the aggregate;

(c) subject to Article V of the Credit Agreement, cause each mortgagee of real property owned by a Grantor and each landlord of real property leased by a Grantor to execute and deliver instruments satisfactory in form and substance to Agent (at the direction of the Required Lenders) by which such mortgagee or landlord subordinates its rights, if any, in the Collateral and cause to be delivered by each such landlord collateral access agreements in form and substance satisfactory to Agent (at the direction of the Required Lenders) relating to all Collateral located from time to time on all such leased premises;

(d) promptly upon the issuance and delivery to such Grantor of any negotiable Document (other than checks that are promptly deposited into a deposit account subject to a perfected Lien in favor of the Agent securing the Secured Obligations) evidencing a payment obligation in excess of \$10,000 or, with respect to any other negotiable Document, promptly upon Agent's request (at the direction of the Required Lenders), deliver such Document to Agent; and

(e) with respect to Equipment owned at any time by such Grantor that is covered by a certificate of title (other than such Equipment having an aggregate value, for all Grantors, of no more than \$200,000), promptly file with the registrar of motor vehicles or other appropriate authority in the applicable jurisdiction an application requesting the notation of the security interest created hereunder on such certificate of title.

SECTION 8. Special Covenants with respect to Accounts and Assigned Agreements.

(a) Each Grantor shall, for not less than three years from the date on which each Account of such Grantor arose, maintain (i) complete Records of such Account, including records of all payments received, credits granted and merchandise returned, and (ii) all documentation relating thereto.

(b) Except as otherwise provided in this subsection (b), each Grantor shall continue to collect, at its own expense, all amounts due or to become due to such Grantor under the Accounts in accordance with the customary payment terms with respect to such Accounts. In connection with such collections, each Grantor may take (and, upon the occurrence and during the continuance of an Event of Default at Agent's direction (acting under the direction of the Required Lenders), shall take) such action as such Grantor or, following an Event of Default, Agent may deem necessary or advisable to enforce collection of amounts due or to become due under the Accounts in accordance with the customary payment terms with respect to such Accounts; provided, however, that Agent shall have the right at any time, upon the occurrence and during the continuance of an Event of Default, to (i) notify the account debtors or obligors under any Accounts of the assignment of such Accounts to Agent and to direct such account debtors or obligors to make payment of all amounts due or to become due to such Grantor thereunder directly to Agent, (ii) notify each Person maintaining a lockbox or similar arrangement to which account debtors or obligors under any Accounts have been directed to make payment to remit all amounts representing collections on checks and other payment items from time to time sent to or deposited in such lockbox or other arrangement directly to Agent, (iii) enforce collection of any such Accounts at the expense of Grantors, and (iv) adjust, settle or compromise the amount or payment thereof, in the same manner and to the same extent as such Grantor might have done. All amounts and proceeds (including checks and Instruments) received by each Grantor in respect of amounts due to such Grantor in respect of the Accounts or any portion thereof (but in the case of cash, only to the extent received after the occurrence and during the continuance of an Event of Default) shall be received in trust for the benefit of Agent hereunder, shall be segregated from other funds of such Grantor and shall be forthwith paid over or delivered to Agent in the same form as so received (with any necessary endorsement) and, to the extent applicable, in accordance with any applicable terms of the Credit Agreement and the DIP Order. Grantors shall not at any time after the occurrence and during the continuance of an Event of Default, without the written consent of Agent, adjust, settle or compromise the amount or payment of any Account, or release wholly or partly any account debtor or obligor thereof, or allow any credit or discount thereon.

(c) Each Grantor shall at its expense:

(i) if consistent with sound business practices, perform and observe all terms and provisions of the Assigned Agreements to be performed or observed by it, maintain the Assigned Agreements in full force and effect, enforce the Assigned Agreements in accordance with their terms, and take all such action to such end as may be from time to time reasonably requested by Agent (at the direction of the Required Lenders); and

(ii) upon request of Agent (at the direction of the Required Lenders), (A) furnish to Agent, promptly upon receipt thereof, copies of all notices, requests and other documents received by such Grantor under or pursuant to the Assigned Agreements and from time to time such information and reports regarding the Assigned Agreements as Agent may reasonably request (at the direction of the Required Lenders) and (B) make to the parties to such Assigned Agreements such demands and requests for information and reports or for action as such Grantor is entitled to make under the Assigned Agreements.

(d) Upon the occurrence and during the continuance of an Event of Default, no Grantor shall (i) cancel or terminate any of the Assigned Agreements or consent to or accept any cancellation or termination thereof; (ii) amend or otherwise modify the Assigned Agreements or give any consent, waiver or approval thereunder; (iii) waive any default under or breach of the Assigned Agreements; (iv) consent to or permit or accept any prepayment of amounts to become due under or in connection with the Assigned Agreements, except as expressly provided therein; or (v) take any other action in connection with the Assigned Agreements that could reasonably be expected to materially impair the value of the interest or rights of such Grantor thereunder or that could reasonably be expected to materially impair the interest or rights of Agent.

SECTION 9. Special Covenants With Respect to the Securities Collateral: IRREVOCABLE PROXY.

(a) **Form of Securities Collateral.** Agent shall have the right at any time to exchange certificates or instruments representing or evidencing Securities Collateral for certificates or instruments of smaller or larger denominations. As of the Closing Date, each limited liability company agreement governing the Pledged Equity shall expressly provide that such Pledged Equity is a security governed by Article 8 of the UCC (and, in the case of any Grantor that is organized under the laws of Canada or a province or territory thereof, such Grantor represents and warrants that all interests in partnerships or limited liability companies are a “security” for the purposes of the STA (if applicable)).

(b) **Covenants.** Each Grantor shall, subject to the terms of the Credit Agreement, (i) not permit any issuer of Pledged Subsidiary Equity to merge or consolidate unless all the outstanding Equity Interests of the surviving or resulting Person are, upon such merger or consolidation, pledged and become Collateral hereunder and no cash, securities or other property is distributed in respect of the outstanding Equity Interests of any other constituent corporation; (ii) cause each issuer of Pledged Subsidiary Equity not to issue Equity Interests in addition to or in substitution for the Pledged Subsidiary Equity issued by such issuer, except to such Grantor; (iii) promptly upon its acquisition (directly or indirectly) of any Equity Interests, including additional Equity Interests in each issuer of Pledged Equity, comply with Section 5(b); (iv) promptly upon issuance of any and all Instruments or other evidences of additional Debt from time to time owed to such Grantor by any obligor on the Pledged Debt, comply with Section 5; (v) promptly deliver to Agent all written notices received by it with respect to the Securities Collateral; (vi) at its expense (A) perform and comply in all material respects with all terms and provisions of any agreement related to the Securities Collateral required to be performed or complied with by it, (B) maintain all such agreements in full force and effect and (C) enforce all such agreements in accordance with their terms; and (vii) promptly execute and deliver to Agent an agreement providing for control (within the meaning under the UCC) by Agent of all Security Entitlements, Securities Accounts, Commodity Contracts and Commodity Accounts of such Grantor.

(c) **Voting and Distributions.** So long as no Event of Default shall have occurred and be continuing (or, in the case of pledged ULC Shares, until the ULC Shares are no longer registered in the name of the applicable Grantor) and except as otherwise specified in the Credit Agreement, (i) each Grantor shall be entitled to exercise any and all voting and other

consensual rights pertaining to the Securities Collateral or any part thereof for any purpose not prohibited by the terms of this Agreement, the Credit Agreement or the DIP Order; provided, no Grantor shall exercise any such right, or refrain from exercising any such right, if such exercise, or refrain from exercising, any such right would have a material adverse effect on the value of the Securities Collateral or any part thereof; or on the rights and remedies of Agent or the Lenders under the Loan Documents or in respect of the Collateral, and (ii) each Grantor shall be entitled, subject to the Carve-Out and the DIP Order, to receive and retain any and all dividends, other distributions, principal and interest paid in respect of the Securities Collateral.

Upon the occurrence and during the continuation of an Event of Default, (x) upon written notice from Agent to any Grantor, all rights of such Grantor to exercise the voting and other consensual rights which it would otherwise be entitled to exercise pursuant hereto shall cease, and all such rights shall thereupon become vested in Agent who shall thereupon have the sole right to exercise such voting and other consensual rights; (y) all rights, if any, of such Grantor to receive the dividends, other distributions, principal and interest payments which it would otherwise be authorized to receive and retain pursuant hereto shall cease, and all such rights shall thereupon become vested in Agent who shall thereupon have the sole right to receive and hold as Collateral such dividends, other distributions, principal and interest payments; and (z) all dividends, principal, interest payments and other distributions which are received by such Grantor contrary to the provisions of clause (y) above shall be received in trust for the benefit of Agent, shall be segregated from other funds of such Grantor and shall forthwith be paid over to Agent as Collateral in the same form as so received (with any necessary endorsements); provided, however, that solely in the case of ULC Shares, the applicable Grantor shall have the right to vote such shares and to retain for its own account any dividends or other distributions on such shares (other than to the extent same consists of certificated Pledged Equity which shall be delivered to Agent to be held in accordance with the terms hereof) until such shares are effectively transferred in to the name of a person other than such Grantor).

In order to permit Agent to exercise the voting and other consensual rights which it may be entitled to exercise pursuant hereto and to receive all dividends and other distributions which it may be entitled to receive hereunder, (I) each Grantor shall promptly execute and deliver (or cause to be executed and delivered) to Agent all such proxies, dividend payment orders and other instruments as Agent may from time to time reasonably request, which proxies, dividend payment orders and instruments shall be effective, automatically and without the necessity of any action (including any transfer of any Pledged Equity on the record books of the issuer thereof) by any other Person (including the issuer of the Pledged Equity or any officer or Agent thereof), upon the occurrence of an Event of Default, and (II) without limiting the effect of clause (I) above, **EACH GRANTOR HEREBY GRANTS TO AGENT AN IRREVOCABLE PROXY AND IRREVOCABLE POWER OF ATTORNEY (WHICH POWER OF ATTORNEY IS COUPLED WITH AN INTEREST)** to vote the Pledged Equity and to exercise all other rights, powers, privileges and remedies to which a holder of the Pledged Equity would be entitled (including giving or withholding written consents of holders of Equity Interests, calling special meetings of holders of Equity Interests and voting at such meetings), which proxy and power of attorney shall be effective, automatically and without the necessity of any action (including any transfer of any Pledged Equity on the record books of the issuer thereof) by any other Person (including the issuer of the Pledged Equity or any officer or Agent thereof), upon the occurrence of an Event of Default (except with respect to the ULC Shares) and which proxy and power of attorney shall only terminate upon the waiver of such Event of Default as evidenced by a writing executed by Agent and any other Person required by the terms of the Loan Documents, or on the Termination Date.

(d) Each Grantor acknowledges that certain of the Collateral of such Grantor may now or in the future consist of ULC Shares, and that it is the intention of Agent and each Grantor that neither Agent nor any Secured Party should under any circumstances prior to realization thereon be held to be a "member" or a "shareholder", as applicable, of a ULC for the purposes of any ULC Laws. Therefore, notwithstanding any provisions to the contrary contained in this Agreement, the Credit Agreement or any other Loan Document, where a Grantor is the registered and beneficial owner of ULC Shares which are Collateral of such Grantor, such Grantor will remain the sole registered and beneficial owner of such ULC Shares until such time as such ULC Shares are effectively transferred into the name of the Agent, any other Secured Party, or any other Person on the books and records of the applicable ULC. Accordingly, each Grantor shall be entitled, subject to the Carve-Out and the DIP Order, to receive and retain for its own account any dividend on or other distribution, if any, in respect of such ULC Shares (except for any dividend or distribution comprised of any certificates representing the Pledged Equity of such Grantor, which shall be delivered to Agent to hold hereunder) and shall have the right to vote such ULC Shares and to control the direction, management and policies of the applicable ULC to the same extent as such Grantor would if such ULC Shares were not pledged to Agent pursuant hereto. Nothing in this Agreement, the Credit Agreement or any other Loan Document is intended to, and nothing in this Agreement, the Credit Agreement or any other Loan Document shall, constitute Agent, any Secured Party, or any other Person other than the applicable Grantor, a member or shareholder of a ULC for the purposes of any ULC Laws (whether listed or unlisted, registered or beneficial), until such time as notice is given to such Grantor and further steps are taken pursuant hereto or thereto so as to register the Agent, any Secured Party, or such other Person, as specified in such notice, as the holder of the ULC Shares. To the extent any provision hereof or the Credit Agreement or any other Loan Document would have the effect of constituting Agent or any Secured Party, as applicable, a member or shareholder of any ULC prior to such time, such provision shall be severed herefrom or therefrom and shall be ineffective with respect to ULC Shares which are Collateral of any Grantor without otherwise invalidating or rendering unenforceable this Agreement or invalidating or rendering unenforceable such provision insofar as it relates to Collateral of any Grantor which is not ULC Shares. Except upon the exercise of rights of Agent to sell, transfer or otherwise dispose of ULC Shares in accordance with this Agreement, the Credit Agreement or the other Loan Documents, each Grantor shall not cause or permit, or enable a Grantor that is a ULC to cause or permit, Agent or any Secured Party to: (a) be registered as a shareholder or member of such ULC; (b) have any notation entered in their favour in the share register of such Grantor; (c) be held out as shareholders or members of such Grantor; (d) receive, directly or indirectly, any dividends, property or other distributions from such Grantor by reason of Agent holding the Security Interests over the ULC Shares; or (e) act as a shareholder or member of such Grantor, or exercise any rights of a shareholder or member including the right to attend a meeting of shareholders or members of such Grantor or to vote its ULC Shares.

SECTION 10. Special Covenants With Respect to the Intellectual Property Collateral.

(a) Each Grantor shall:

(i) not permit the inclusion in any contract to which it hereafter becomes a party of any provision that could or might in any way impair or prevent the creation of a security interest in, or the assignment of, such Grantor's rights and interests in any property included within the definitions of any Intellectual Property Collateral acquired under such contracts;

(ii) take any and all reasonable steps to protect the secrecy of all trade secrets relating to the products and services sold or delivered under or in connection with the Intellectual Property Collateral, including, without limitation, where appropriate entering into confidentiality agreements with employees and labeling and restricting access to secret information and documents;

(iii) use proper statutory notice in connection with its use of any of the Intellectual Property Collateral and products and services covered by the Intellectual Property Collateral (in the case of Intellectual Property Collateral that is acquired after the Closing Date, within a commercially reasonable period, but in any event within no more than 45 days after such Intellectual Property Collateral is acquired); and

(iv) use a commercially appropriate standard of quality (which may be consistent with such Grantor's past practices) in the manufacture, sale and delivery of products and services sold or delivered under or in connection with the Trademarks.

(b) Except as otherwise provided in this Section 10, each Grantor shall continue to collect, at its own expense, all amounts due or to become due to such Grantor in respect of the Intellectual Property Collateral or any portion thereof in accordance with customary applicable payment terms. In connection with such collections, each Grantor may take (and, after the occurrence and during the continuance of any Event of Default at Agent's reasonable direction (acting under the direction of the Required Lenders), shall take) such action as such Grantor or Agent may deem reasonably necessary or advisable to enforce collection of such amounts in accordance with customary applicable payment terms; provided, Agent shall have the right at any time, upon the occurrence and during the continuation of an Event of Default, to notify the obligors with respect to any such amounts of the existence of the security interest created hereby and to direct such obligors to make payment of all such amounts directly to Agent, and, upon such notification and at the expense of such Grantor, to enforce collection of any such amounts and to adjust, settle or compromise the amount or payment thereof, in the same manner and to the same extent as such Grantor might have done. All amounts and proceeds (including checks and Instruments) received by each Grantor in respect of amounts due to such Grantor in respect of the Intellectual Property Collateral or any portion thereof (but in the case of cash, only to the extent received after the occurrence and during the continuance of an Event of Default) shall be received in trust for the benefit of Agent hereunder, shall be segregated from other funds of such Grantor and shall be forthwith paid over or delivered to Agent in the same form as so received (with any necessary endorsement), in accordance, where applicable, with the terms of the Credit Agreement and the DIP Order. Grantors shall not at any time after the occurrence and during the continuance of an Event of Default, without the written consent of Agent, adjust, settle or compromise the amount or payment of any such amount or release wholly or partly any obligor with respect thereto or allow any credit or discount thereon.

(c) Each Grantor shall diligently, through counsel reasonably acceptable to Agent (at the direction of the Required Lenders), prosecute, file and/or make, unless and until such Grantor, in its commercially reasonable judgment, decides otherwise, (i) any application for registration relating to any of the Intellectual Property Collateral owned, held or used by such Grantor and set forth on Schedules 8, 9 or 10 annexed hereto, as applicable, that is pending as of the date of this Agreement, (ii) any Copyright Registration on any existing or future unregistered but copyrightable works (except for works of nominal commercial value or with respect to which such Grantor has determined in the exercise of its commercially reasonable judgment that it shall not seek registration), (iii) any application on any future patentable but unpatented innovation or invention comprising Intellectual Property Collateral (except for inventions of nominal commercial value with respect to which such Grantor has determined in the exercise of its commercially reasonable judgment that it shall not seek a patent), and (iv) any Trademark opposition and cancellation proceedings, renew Trademark Registrations and Copyright Registrations and do any and all acts which are necessary or desirable to preserve and maintain all rights in all Intellectual Property Collateral (except for Intellectual Property of nominal commercial value with respect to which such Grantor has determined in the exercise of its commercially reasonable judgment that it shall not maintain such proceeding or seek such protection). Any expenses incurred in connection therewith shall be borne solely by Grantors. Subject to the foregoing, each Grantor shall give Agent prior written notice of any abandonment of any Intellectual Property Collateral (except for Intellectual Property of nominal commercial value with respect to which such Grantor has determined in the exercise of its commercially reasonable judgment that it shall not maintain such proceeding or seek such protection).

(d) Except as provided herein, each Grantor shall have the right to commence and prosecute in its own name, as real party in interest, for its own benefit and at its own expense, such suits, proceedings or other actions for infringement, unfair competition, dilution, misappropriation or other damage, or reexamination or reissue proceedings as are necessary to protect the Intellectual Property Collateral. Each Grantor shall promptly, following its becoming aware thereof, notify Agent of the institution of, or of any adverse determination in, any proceeding (whether in an IP Filing Office or any federal, state, provincial, local or foreign court) or regarding such Grantor's ownership, right to use, or interest in any Intellectual Property Collateral. Each Grantor shall provide to Agent any information with respect thereto reasonably requested by Agent (at the direction of the Required Lenders).

(e) In addition to, and not by way of limitation of, the granting of a security interest in the Collateral pursuant hereto, each Grantor, effective upon the occurrence and during the continuance of an Event of Default, hereby assigns, transfers and conveys to Agent the nonexclusive right and license to use all Trademarks, Copyrights, Patents or technical processes (including, without limitation, the Intellectual Property Collateral) owned or used by such Grantor that relate to the Collateral, together with any goodwill associated therewith, all to the extent necessary to enable Agent to realize on the Collateral in accordance with this Agreement and to enable any transferee or assignee of the Collateral to enjoy the benefits of the Collateral. This right shall inure to the benefit of all successors, assigns and transferees of Agent and its successors, assigns and transferees, whether by voluntary conveyance, operation of law, assignment, transfer, foreclosure, deed in lieu of foreclosure or otherwise. Such right and license shall be granted free of charge, without requirement that any monetary payment whatsoever be made to such Grantor.

SECTION 11. Collateral Account.

[Reserved]

SECTION 12. Agent Appointed Attorney-in-Fact.

Each Grantor hereby irrevocably appoints Agent as such Grantor's attorney-in-fact, which appointment is coupled with an interest, with full authority in the place and stead of such Grantor and in the name of such Grantor, Agent or otherwise, from time to time in Agent's discretion (at the direction of the Required Lenders and subject however to compliance with applicable law) to take any action and to execute any instrument that Agent may deem necessary or advisable (at the direction of the Required Lenders) to accomplish the purposes of this Agreement to the extent any such action is not inconsistent with the DIP Order or the Credit Agreement and without application to or order of the Bankruptcy Court, including, without limitation:

(a) to obtain and adjust insurance required to be maintained by such Grantor or paid to Agent pursuant to the Credit Agreement;

(b) to ask for, demand, collect, sue for, recover, compound, receive and give acquittance and receipts for moneys due and to become due under or in respect of any of the Collateral;

(c) to receive, endorse and collect any drafts or other Instruments, Documents, Chattel Paper and other documents in connection with clauses (a) and (b) above;

(d) to file any claims or take any action or institute any proceedings that Agent may deem necessary or desirable for the collection of any of the Collateral or otherwise to enforce or protect the rights of Agent with respect to any of the Collateral;

(e) to pay or discharge taxes or Liens (other than taxes not required to be discharged pursuant to the Credit Agreement and Liens permitted under this Agreement or the Credit Agreement) levied or placed upon or threatened against the Collateral, the legality or validity thereof and the amounts necessary to discharge the same to be determined by Agent (at the direction of the Required Lenders in their sole discretion), any such payments made by Agent to become obligations of such Grantor to Agent, due and payable immediately without demand;

(f) to sign and endorse any invoices, freight or express bills, bills of lading, storage or warehouse receipts, drafts against debtors, assignments, verifications and notices in connection with Accounts and other documents relating to the Collateral; and

(g) generally to sell, transfer, pledge, make any agreement with respect to or otherwise deal with any of the Collateral as fully and completely as though Agent were the absolute owner thereof for all purposes, and to do, at Agent's option and Grantors' expense, at any time or from time to time, all acts and things that Agent deems necessary to protect, preserve or realize upon the Collateral and Agent's security interest therein in order to effect the intent of this Agreement, all as fully and effectively as such Grantor might do.

Without limiting the generality of any other provision of this Agreement, Agent agrees that, except for the powers granted pursuant to clause (e) above, it will not exercise any power or authority granted pursuant to this Section 12 unless an Event of Default has occurred and is continuing.

SECTION 13. Agent May Perform.

If any Grantor fails to perform any agreement contained herein, Agent may itself perform, or cause performance of, such agreement, and the expenses of Agent incurred in connection therewith shall be payable by Grantors under Section 18(b).

SECTION 14. Standard of Care.

The powers conferred on Agent hereunder are solely to protect its interest in the Collateral and shall not impose any duty upon it to exercise any such powers. Except for the exercise of reasonable care in the custody of any Collateral in its possession and the accounting for moneys actually received by it hereunder, Agent shall have no duty as to any Collateral or as to the taking of any necessary steps to preserve rights against prior parties or any other rights pertaining to any Collateral. Agent shall be deemed to have exercised reasonable care in the custody and preservation of Collateral in its possession if such Collateral is accorded treatment substantially equal to that which Agent accords its own property.

SECTION 15. Remedies.

(a) **Generally.** If any Event of Default shall have occurred and be continuing (subject solely in the case of ULC Shares to Section 9(d)), Agent may, to the extent any such action is not inconsistent with the DIP Order or the Credit Agreement and without application to or order of the Bankruptcy Court, exercise in respect of the Collateral, in addition to all other rights and remedies provided for herein or otherwise available to it, all the rights and remedies of a Secured Party on default under the UCC (whether or not the UCC applies to the affected Collateral) and the PPSA, and also may (i) require each Grantor to, and each Grantor hereby agrees that it will, at its expense and upon request of Agent forthwith (acting under the direction of the Required Lenders), assemble all or part of the Collateral as directed by Agent (acting under the direction of the Required Lenders) and make it available to Agent at a place to be designated by Agent that is reasonably convenient to both parties, (ii) enter onto the property where any Collateral is located and take possession thereof with or without judicial process, (iii) prior to the disposition of the Collateral, store, process, repair or recondition the Collateral or otherwise prepare the Collateral for disposition in any manner to the extent Agent deems appropriate (at the direction of the Required Lenders), (iv) take possession of any Grantor's premises or place custodians in exclusive control thereof, remain on such premises and use the same and any of such Grantor's equipment for the purpose of completing any work in process, taking any actions described in the preceding clause (iii) and collecting any Secured Obligation, (v) without notice except as specified below, sell the Collateral or any part thereof in one or more parcels at public or private sale, at any of Agent's offices or elsewhere, for cash, on credit or for future delivery, at such time or times and at such price or prices and upon such other terms as Agent may deem commercially reasonable (at the direction of the Required Lenders), (vi) exercise dominion and control over and refuse to permit further withdrawals from any Deposit

Account maintained with Agent or any Lender and provide instructions directing the disposition of funds in Deposit Accounts not maintained with Agent or any Lender, (vii) provide entitlement orders with respect to security entitlements and other investment property constituting a part of the Collateral and, without notice to any Grantor, transfer to or register in the name of Agent or any of its nominees any or all of the Securities Collateral and (viii) appoint by instrument in writing a receiver, receiver-manager, manager or receiver and manager (each a “Receiver”) for the Collateral of each Grantor and with such rights, powers and authority as may be provided for in such instrument of appointment or any supplemental instrument. To the extent permitted by applicable law and the DIP Order, any Receiver appointed by the Agent shall (for the purposes relating to responsibility for the Receiver’s acts or omissions) be considered to be the agent of such Grantor. The Agent may from time to time fix the Receiver’s remuneration and such Grantor shall pay the amount of such remuneration to the Agent. The Agent shall not be liable to any Grantor or any other person in connection with appointing a Receiver or in connection with the Receiver’s actions or omissions. Agent or any Secured Party may be the purchaser of any or all of the Collateral at any such sale and Agent, as agent for and representative of Secured Parties (but not a Secured Party in its individual capacity unless Requisite Lenders shall otherwise agree in writing), shall be entitled, for the purpose of bidding and making settlement or payment of the purchase price for all or any portion of the Collateral sold at any such public sale, to use and apply any of the Obligations as a credit on account of the purchase price for any Collateral payable by Agent at such sale. Each purchaser at any such sale shall hold the property sold absolutely free from any claim or right on the part of any Grantor, and each Grantor hereby waives (to the extent permitted by applicable law) all rights of redemption, valuation, extension, stay and/or appraisal which it now has or may at any time in the future have under any rule of law or statute now existing or hereafter enacted. Each Grantor agrees that, to the extent notice of sale shall be required by law, at least ten (10) days’ notice to such Grantor of the time and place of any public sale or the time after which any private sale is to be made shall constitute reasonable notification. Agent shall not be obligated to make any sale of Collateral regardless of notice of sale having been given. Notwithstanding the foregoing sentence (but subject to the terms of the DIP Order), if, under mandatory requirements of law, the Agent shall be required to make disposition of the Collateral within a period of time which does not permit the giving of notice to the applicable Grantor as specified in the foregoing sentence, the Agent need give the applicable Grantor only such notice of disposition as shall be reasonably practicable. Agent may adjourn any public or private sale from time to time by announcement at the time and place fixed therefor, and such sale may, without further notice, be made at the time and place to which it was so adjourned. Each Grantor hereby waives any claims against Agent arising by reason of the fact that the price at which any Collateral may have been sold at such a private sale was less than the price which might have been obtained at a public sale, even if Agent accepts the first offer received and does not offer such Collateral to more than one offeree. If the proceeds of any sale or other disposition of the Collateral are insufficient to pay all the Obligations, Grantors shall be jointly and severally liable for the deficiency and the fees of any attorneys employed by Agent to collect such deficiency. Each Grantor further agrees that a breach of any of the covenants contained in this Section 15 will cause irreparable injury to Agent, that Agent has no adequate remedy at law in respect of such breach and, as a consequence, that each and every covenant contained in this Section shall be specifically enforceable against such Grantor, and each Grantor hereby waives and agrees not to assert any defenses against an action for specific performance of such covenants except for a defense that no default has occurred giving rise to the Obligations

becoming due and payable prior to their stated maturities. Each Grantor agrees not to assert against Agent or any other Secured Party as a defense (legal or equitable) as a set-off, as a counterclaim or otherwise, any claims any Grantor may have against any seller or lessor that provided personal property or services relating to any part of the Collateral or against any other party liable to any Secured Party for all or any part of the Secured Obligations. Each Grantor waives all exemptions and homestead rights with respect to the Collateral. Each Grantor waives any and all rights to any bond or security which might be required by applicable law prior to the exercise of any Agent's or other Secured Party's remedies against Collateral. All rights of Agent and the other Secured Parties or otherwise arising from the security interests hereunder, and all obligations of the Grantors hereunder or under the other Loan Documents shall be absolute and unconditional, not discharged or impaired irrespective of (and regardless of whether any Grantor receives any notice of): (i) any lack of validity or enforceability of any other Loan Document, (ii) any change in the time, manner or place of payment or performance, or in any term, of all or any of the Secured Obligations or the Loan Documents or any other amendment or waiver or consent to any departure from any Loan Document, and any increase or decrease from time to time in the amount of, and any payment and new incurrence from time to time of, the Secured Obligations or (iii) any exchange, insufficiency, unenforceability, enforcement, release, impairment, or non-perfection of any Collateral, or any release of or modifications to or other insufficiency, unenforceability or enforcement of the obligations of any obligor.

(b) Securities Collateral.

(i) Each Grantor recognizes that, by reason of certain prohibitions contained in the Securities Act and applicable state securities laws, Agent may be compelled, with respect to any sale of all or any part of the Securities Collateral conducted without prior registration or qualification of such Securities Collateral under the Securities Act and/or such state securities laws, to limit purchasers to those who will agree, among other things, to acquire the Securities Collateral for their own account, for investment and not with a view to the distribution or resale thereof. Each Grantor acknowledges that any such private placement may be at prices and on terms less favorable than those obtainable through a sale without such restrictions (including an offering made pursuant to a registration statement under the Securities Act) and, notwithstanding such circumstances and the registration rights granted to Agent by such Grantor pursuant hereto, each Grantor agrees that any such private placement shall not be deemed, in and of itself, to be commercially unreasonable solely because it is a private placement and that Agent shall have no obligation to delay the sale of any Securities Collateral for the period of time necessary to permit the issuer thereof to register it for a form of sale requiring registration under the Securities Act or under applicable state securities laws, even if such issuer would, or should, agree to so register it. If Agent determines to exercise its right to sell any or all of the Securities Collateral, upon written request, each Grantor shall and shall cause each issuer of any Securities Collateral to be sold hereunder from time to time to furnish to Agent all such information as Agent may request in order to determine the amount of Securities Collateral which may be sold by Agent in exempt transactions under the Securities Act and the rules and regulations of the Securities and Exchange Commission thereunder, as the same are from time to time in effect.

(ii) If Agent shall determine to exercise its right to sell all or any of the Securities Collateral pursuant to this Section, each Grantor agrees that, upon request of Agent (at the direction of the Required Lenders in their sole discretion) and subject to applicable securities laws, such Grantor will, at its own expense (A) execute and deliver, and cause or, to the extent such issuer is not a Subsidiary of such Grantor, use its best efforts to cause, each issuer of the Securities Collateral contemplated to be sold and the directors and officers thereof to execute and deliver, all such instruments and documents, and do or cause to be done all such other acts and things, as may be necessary or, in the opinion of Agent, advisable to register such Securities Collateral under the provisions of the Securities Act and to cause the registration statement relating thereto to become effective and to remain effective for such period as prospectuses are required by law to be furnished, and to make all amendments and supplements thereto and to the related prospectus which, in the opinion of Agent, are necessary or advisable, all in conformity with the requirements of the Securities Act and the rules and regulations of the Securities and Exchange Commission applicable thereto; (B) use its best efforts to qualify the Securities Collateral under all applicable state securities or "Blue Sky" laws and to obtain all necessary governmental approvals for the sale of the Securities Collateral, as reasonably requested by Agent (at the direction of the Required Lenders); (C) cause each such issuer to make available to its security holders, as soon as practicable, an earnings statement which will satisfy the provisions of Section 11(a) of the Securities Act; (D) do or cause to be done all such other acts and things as may be necessary to make such sale of the Securities Collateral or any part thereof valid and binding and in compliance with applicable law; and (E) bear all costs and expenses, including reasonable attorneys' fees, of carrying out its obligations under this Section. Prior to a realization and re-registration contemplated by Section 9(d), the foregoing provisions shall not apply to ULC Shares.

(iii) Without limiting the generality of the indemnification and expense reimbursement provisions of the Credit Agreement, in the event of any registered offering described herein, each Grantor agrees to indemnify and hold harmless Agent, and each Secured Party and each of their respective directors, officers, employees and agents from and against any loss, fee, cost, expense, damage, liability or claim, joint or several, to which any such Persons may become subject or for which any of them may be liable, under the Securities Act or otherwise, insofar as such losses, fees, costs, expenses, damages, liabilities or claims (or any litigation commenced or threatened in respect thereof) arise out of or are based upon an untrue statement or alleged untrue statement of a material fact contained in any preliminary prospectus, registration statement, prospectus or other such document published or filed in connection with such registered offering, or any amendment or supplement thereto, or arise out of or are based upon the omission or alleged omission to state therein a material fact required to be stated therein or necessary to make the statements therein not misleading, and will reimburse Agent and such other Persons for any legal or other expenses reasonably incurred by Agent and such other Persons in connection with any litigation, of any nature whatsoever, commenced or threatened in respect thereof (including any and all fees, costs and expenses whatsoever reasonably incurred by Agent and such other Persons and counsel for Agent and other such Persons in investigating, preparing for, defending against or providing evidence, producing documents or taking any other action in respect of, any such commenced or threatened litigation or any claims asserted). This indemnity shall be in addition to any liability which any Grantor may otherwise have and shall extend upon the same terms and conditions to each Person, if any, that controls Agent or such Persons within the meaning of the Securities Act.

(c) **Collateral Account.**

[Reserved]

SECTION 16. Additional Remedies for Intellectual Property Collateral.

(a) Anything contained herein to the contrary notwithstanding, upon the occurrence and during the continuation of an Event of Default, (i) Agent shall have the right (but not the obligation) to bring suit, in the name of any Grantor, Agent or otherwise, to enforce any Intellectual Property Collateral, in which event each Grantor shall, at the request of Agent (at the direction of the Required Lenders), do any and all lawful acts and execute any and all documents required by Agent in aid of such enforcement and each Grantor shall promptly, upon demand, reimburse and indemnify Agent as provided in the indemnification and expense reimbursement provisions of the Credit Agreement and Section 18 hereof, as applicable, in connection with the exercise of its rights under this Section 16, and, to the extent that Agent shall elect not to bring suit to enforce any Intellectual Property Collateral as provided in this Section, each Grantor agrees to use all reasonable measures, whether by action, suit, proceeding or otherwise, to prevent the infringement of any of the Intellectual Property Collateral by others, subject to the exercise of commercially reasonable judgment in whether and how to maintain any action, suit or proceeding against any Person so infringing reasonably necessary to prevent such infringement; (ii) upon written demand from Agent (acting under the direction of the Required Lenders), each Grantor shall execute and deliver to Agent an assignment or assignments of the Intellectual Property Collateral and such other documents as are necessary or appropriate to carry out the intent and purposes of this Agreement; and each Grantor agrees that such an assignment and/or recording shall be applied to reduce the Secured Obligations outstanding only to the extent that Agent (or any Secured Party) receives cash proceeds or other value in respect of the sale of, or other realization upon, the Intellectual Property Collateral.

(b) If (i) an Event of Default shall have occurred and, by reason of waiver, modification, amendment or otherwise, shall no longer be continuing, (ii) no other Event of Default shall have occurred and be continuing, (iii) an assignment to Agent of any rights, title and interests in and to the Intellectual Property Collateral shall have been previously made, and (iv) the Secured Obligations shall not have become immediately due and payable, then upon the written request of any Grantor, Agent shall promptly execute and deliver to such Grantor such assignments as may be necessary to reassign to such Grantor any such rights, title and interests as may have been assigned to Agent as aforesaid, subject to any disposition thereof that may have been made by Agent; provided, after giving effect to such reassignment, Agent's security interest granted pursuant hereto, as well as all other rights and remedies of Agent granted hereunder, shall continue to be in full force and effect; and provided further, the rights, title and interests so reassigned shall be free and clear of all Liens other than Liens (if any) encumbering such rights, title and interest at the time of their assignment to Agent and Permitted Liens.

SECTION 17. Application of Proceeds.

Upon the occurrence and during the continuation of an Event of Default, if so determined by Agent (at the direction of the Required Lenders in their sole discretion), or upon any Application Event or acceleration of the Obligations pursuant to Article VII of the Credit Agreement, Agent shall apply the proceeds of any collection, sale, foreclosure or other realization upon any Collateral (as determined by Agent (acting under the direction of the Required Lenders in their sole discretion)) and the proceeds of any insurance policy in respect of any Collateral in the order of application set forth in Article II of the Credit Agreement.

SECTION 18. Indemnity and Expenses.

(a) Grantors jointly and severally agree to indemnify Agent and each Secured Party and their respective Affiliates, directors, officers, employees, counsel, trustees, advisors, agents and attorneys-in-fact in accordance with Section 10.5 of the Credit Agreement.

(b) Grantors jointly and severally agree to pay to Agent and each Secured Party upon demand the amount of any and all costs and expenses in accordance with Section 10.4 and Section 10.5 of the Credit Agreement.

(c) The obligations of Grantors in this Section 18 shall survive the termination of this Agreement and the discharge of Grantors' other obligations, including the obligations under this Agreement, the Credit Agreement and the other Loan Documents.

SECTION 19. Continuing Security Interest; Transfer of Loans; Termination and Release.

(a) This Agreement shall create a continuing security interest in the Collateral and shall (i) remain in full force and effect until the Termination Date, (ii) be binding upon Grantors and their respective successors and assigns, and (iii) inure, together with the rights and remedies of Agent hereunder, to the benefit of Agent and its successors, transferees and assigns.

(b) On the Termination Date, the security interest granted hereby shall terminate and all rights to the Collateral not theretofore sold or otherwise disposed of pursuant to the exercise of rights and remedies of the Agent hereunder or as otherwise contemplated hereby shall revert to the applicable Grantors. Upon any such termination Agent will, at Grantors' expense, execute and deliver to or at the direction of Grantors such documents as Grantors shall reasonably request to evidence such termination. In addition, upon the proposed sale or other disposition of any Collateral by Grantor in accordance with the Credit Agreement and the DIP Order for which such Grantor desires a security interest release from Agent, such a release may be obtained pursuant to the provisions of the Credit Agreement.

SECTION 20. U.S. Bank National Association, as Agent.

(a) U.S. Bank National Association has been appointed to act as Agent hereunder by Lenders. Agent shall be obligated, and shall have the right hereunder, to make demands, to give notices, to exercise or refrain from exercising any rights, and to take or refrain from taking any action (including, without limitation, the release or substitution of Collateral), solely in accordance with this Agreement and the Credit Agreement.

(b) Until the payment in full of all Obligations under the Loan Documents and the termination of the Commitments, Agent shall at all times be the same Person that is Collateral Agent under the Credit Agreement. Notice of resignation by Collateral Agent pursuant to the Credit Agreement shall also constitute notice of resignation as Agent under this Agreement; and appointment of a successor Collateral Agent pursuant to the Credit Agreement shall also constitute appointment of a successor Agent under this Agreement. Upon the acceptance of any appointment as Collateral Agent under the Credit Agreement by a successor Collateral Agent, that successor Agent shall thereupon succeed to and become vested with all the rights, powers, privileges and duties of the retiring Agent under this Agreement, and the retiring Agent under this Agreement shall promptly (i) transfer to such successor Agent all sums, securities and other items of Collateral held hereunder, together with all records and other documents necessary or appropriate in connection with the performance of the duties of the successor Agent under this Agreement, and (ii) execute (if necessary) and deliver to such successor Agent such amendments to financing statements, and take such other actions, as may be necessary or appropriate in connection with the assignment to such successor Agent of the security interests created hereunder, whereupon such retiring Agent shall be discharged from its duties and obligations under this Agreement. After any retiring Agent's resignation hereunder as Agent, the provisions of this Agreement shall inure to its benefit as to any actions taken or omitted to be taken by it under this Agreement while it was Agent hereunder.

SECTION 21. Additional Grantors.

From time to time subsequent to the date hereof, additional Persons may become Additional Grantors, by executing a Supplement. Upon delivery of any such Supplement to Agent, notice of which is hereby waived by Grantors, each such Additional Grantor shall be a Grantor and shall be as fully a party hereto as if such Additional Grantor were an original signatory hereto. Each Grantor expressly agrees that its obligations arising hereunder shall not be affected or diminished by the addition or release of any other Grantor hereunder, nor by any election of Agent not to cause any Person to become an Additional Grantor hereunder. This Agreement shall be fully effective as to any Grantor that is or becomes a party hereto regardless of whether any other Person becomes or fails to become or ceases to be a Grantor hereunder from time to time.

SECTION 22. Amendments; Etc.

No amendment, modification, termination or waiver of any provision of this Agreement, and no consent to any departure by any Grantor therefrom, shall in any event be effective unless the same shall be in writing and signed by Agent and, in the case of any such amendment or modification, by Grantors; provided that notwithstanding the foregoing, this Agreement may be modified by the execution of a Supplement by an Additional Grantor in accordance with Section 21 hereof without signature or any other act by any other Grantor and Grantors hereby waive any requirement of notice of or consent to any such Supplement. Any such waiver or consent shall be effective only in the specific instance and for the specific purpose for which it was given.

SECTION 23. Notices.

Any notice or other communication herein required or permitted to be given shall be given as provided in Section 10.3 of the Credit Agreement.

SECTION 24. Failure or Indulgence Not Waiver; Remedies Cumulative.

No failure or delay on the part of Agent in the exercise of any power, right or privilege hereunder shall impair such power, right or privilege or be construed to be a waiver of any default or acquiescence therein, nor shall any single or partial exercise of any such power, right or privilege preclude any other or further exercise thereof or of any other power, right or privilege. All rights and remedies existing under this Agreement are cumulative to, and not exclusive of, any rights or remedies otherwise available.

SECTION 25. Severability.

In case any provision in or obligation under this Agreement shall be invalid, illegal or unenforceable in any jurisdiction, the validity, legality and enforceability of the remaining provisions or obligations, or of such provision or obligation in any other jurisdiction, shall not in any way be affected or impaired thereby.

SECTION 26. Headings.
