This Amendment, together with the Loan Documents, comprise the final and complete integration of all prior expressions by the parties hereto with respect to the subject matter hereof and shall constitute the entire agreement among the parties hereto with respect to such subject matter, superseding all prior oral or written understandings. If any provision of a Loan Document (other than the Intercreditor Agreement) is inconsistent with or conflicts with a comparable or similar provision appearing in this Amendment, the comparable or similar provision in this Amendment shall govern.

Section 4.4 Advice from Independent Counsel. The parties hereto understand that this Amendment is a legally binding agreement that may affect such party's rights. Section 4.9 Reaffirmation. Each of the Obligors hereby consents to this Amendment and the transactions contemplated hereby, and hereby confirms its respective guarantees, pledges, grants of security interests and other agreements, as applicable, under each of the Loan Documents to which it is party, and agrees that notwithstanding the effectiveness of this Amendment and the consummation of the transactions contemplated hereby, such guarantees, pledges, grants of security interests and other agreements shall continue to be in full force and effect and shall accrue to the benefit of the Lenders under the Amended Credit Agreement. Nothing herein contained shall be construed as a substitution or novation of the Loans outstanding under the Existing Credit Agreement, which shall remain outstanding after the Amendment Effective Date as modified hereby. Each of the Existing Credit Agreement and the other Loan Documents shall remain in full force and effect except to the extent modified hereby or in connection herewith.

RECITALS:

A. The Borrowers and Guarantors (other than Select Agendas, Corp.) have commenced a case under Chapter 11 of Title 11 of the United States Code in the United States Bankruptcy Court for the District of Delaware, and have retained possession of their respective assets and are authorized under the Bankruptcy Code to continue the operation of their businesses as debtors-in-possession.

B. The Bankruptcy Court has entered an Interim Order and Final Order pursuant to which Administrative Agent and Lenders may make post-petition term loans to Borrowers secured by substantially all the assets and properties of the Obligors as set forth in the Interim Order or Final Order, as applicable, and this Amendment.

C. The Borrowers, the Guarantors, the Lenders and the Agent are parties to the Existing Credit Agreement and one or more of the Loan Documents.

D. The Parties hereto have agreed, upon the terms and subject to the conditions set forth herein, that the Existing Credit Agreement be amended as set forth herein (as so amended, the "Amended Credit Agreement").

“84”

ARTICLE III
CONDITIONS PRECEDENT

Section 3.1 Conditions Precedent. This Amendment shall become effective on the date (the “Amendment Effective Date”) that all of the following conditions have been satisfied.

(a) the Administrative Agent (or its counsel) shall have received from the other Parties hereto a counterpart of this Amendment signed on behalf of such Party.

(b) the representations and warranties contained in Article IV of the Amended Credit Agreement shall be true and correct in all material respects (without duplication of any materiality qualifier contained herein) as though made on and as of such date (and each Borrower shall be deemed to have so made each representation and warranty on and as of such date).

(c) no event shall have occurred, or would result from the execution and delivery of this Amendment that, with the giving of notice or lapse of time or both, if required, constitutes, or would give rise to, a Default or an Event of Default.

(d) no injunction, writ, judgment, decree, restraining order, or other order of any nature shall have been issued and remain in force by any Governmental Authority or arbitrator against any Obligor, the Agent, any Lender or the ABL DIP Agent or any ABL DIP Credit Lender or letter of credit issuing bank prohibiting or restraining, directly or indirectly, and no other legal bar shall exist directly or indirectly to, the execution and delivery of this Amendment.

(e) The execution and delivery of the Amendment shall not violate any requirement of Applicable Law and shall not be enjoined, temporarily, preliminarily or permanently.

(f) The Administrative Borrower shall have notified the ABL DIP Agent and any other parties that require notice pursuant to the Chapter 11 Cases.

ARTICLE IV
MISCELLANEOUS

Section 4.1 Notices. All notices hereunder shall be given in accordance with the provisions of Section 10.3 of the Amended Credit Agreement.

Section 4.2 Governing Law; Waiver of Jury Trial.

(a) Governing Law. This Amendment shall be governed by, and construed in accordance with, the laws of the State of New York without giving effect to the choice of law provisions thereof (other than Section 5-1401 of the New York General Obligations Law).

(b) WAIVER OF JURY TRIAL. THE OBLIGORS, THE LENDERS AND THE AGENT HEREBY IRREVOCABLY WAIVE ALL RIGHT TO TRIAL BY JURY IN ANY ACTION, PROCEEDING OR COUNTERCLAIM ARISING OUT OF OR RELATING TO THIS AMENDMENT OR ANY INSTRUMENT OR DOCUMENT DELIVERED HEREUNDER.

Section 4.3 Integration; Inconsistency. This Amendment, together with the Loan Documents, comprise the final and complete integration of all prior expressions by the parties hereto with respect to the subject matter hereof and shall constitute the entire agreement among the parties hereto with respect to such subject matter, superseding all prior oral or written understandings. If any provision of a Loan Document (other than the Intercreditor Agreement) is inconsistent with or conflicts with a comparable or similar provision appearing in this Amendment, the comparable or similar provision in this Amendment shall govern.

Section 4.4 Advice from Independent Counsel. The parties hereto understand that this Amendment is a legally binding agreement that may affect such party's rights. Each party hereto represents to the other that it has received legal advice from counsel of its choice regarding the meaning and legal significance of this Amendment and that it is satisfied with its legal counsel and the advice received from it.

Section 4.5 Binding Effect; No Assignment by Borrower. This Amendment shall be binding upon and inure to the benefit of the Obligors, the Lenders, the Agent and their respective successors and assigns; provided, however, no Obligor may assign any or all of its rights or obligations hereunder or any of its interest herein without the prior written consent of the Administrative Agent and all Lenders.

Section 4.6 Loan Document. This Amendment is a Loan Document executed pursuant to the Amended Credit Agreement and shall (unless otherwise expressly indicated herein) be construed, administered and applied in accordance with the terms and provisions thereof.

Section 4.7 Execution in Counterparts. This Amendment may be executed in any number of counterparts, each of which when so executed and delivered (including by PDF or facsimile transmission, which shall be as effective as delivery of a manually executed counterpart hereof) shall be deemed to be an original and all of which counterparts, taken together, shall constitute but one and the same instrument.

Section 4.8 Severability of Provisions. Any provision of this Amendment which is prohibited or unenforceable shall be ineffective to the extent of such prohibition or unenforceability without invalidating the remaining provisions hereof.

Section 4.9 Reaffirmation. Each of the Obligors hereby consents to this Amendment and the transactions contemplated hereby, and hereby confirms its respective guarantees, pledges, grants of security interests and other agreements, as applicable, under each of the Loan Documents to which it is party, and agrees that notwithstanding the effectiveness of this Amendment and the consummation of the transactions contemplated hereby, such guarantees, pledges, grants of security interests and other agreements shall continue to be in full force and effect and shall accrue to the benefit of the Lenders under the Amended Credit Agreement. Each of the Obligors further agrees to take any action that may be required or that is reasonably requested by the Administrative Agent to ensure compliance by such Obligor with Section 5.14 (“Further Assurances”) of the Amended Credit Agreement and hereby reaffirms its obligations under each similar provision of each Loan Document to which it is party.

Section 4.10 No Novation. Neither this Amendment nor the transactions contemplated hereby shall extinguish the Loans outstanding under the Existing Credit Agreement or release the Liens granted under the Loan Documents. Nothing herein contained shall be construed as a substitution or novation of the Loans outstanding under the Existing Credit Agreement, which shall remain outstanding after the Amendment Effective Date as modified hereby. Each of the Existing Credit Agreement and the other Loan Documents shall remain in full force and effect except to the extent modified hereby or in connection herewith.

Section 4.11 Payment of Expenses. The Borrower agrees to pay and reimburse the Administrative Agent and the Lenders for all of its out-of-pocket costs and reasonable expenses incurred to date in connection with this Amendment and the other Loan Documents, including, without limitation, the disbursements of legal counsel expenses to the Administrative Agent and the Lenders.

Section 4.12 Conflict. In the event of a conflict between this Amendment and the Final Order, the Final Order shall govern.

[Remainder of Page Intentionally Left Blank]

IN WITNESS WHEREOF, the parties hereto have caused this Amendment to be executed by their respective officers thereunto duly authorized, as of the date first above written.

SENIOR SECURED SUPER PRIORITY DEBTOR-IN-POSSESSION
CREDIT AGREEMENT

This AMENDMENT NO. 3 is dated as of May 21, 2013 (this "Amendment") to the Senior Secured Super Priority Debtor-in-Possession Credit Agreement, dated as of February 27, 2013, entered into by and among School Specialty, Inc., a Wisconsin corporation ("School Specialty" or the "Administrative Borrower"), each of ClassroomDirect.com, LLC, a Delaware limited liability company, Delta Education, LLC, a Delaware limited liability company, Sportime, LLC, a Delaware limited liability company, Childcraft Education Corp., a New York corporation, Bird-in-Hand Woodworks, Inc. a New Jersey corporation, Califone International, Inc. a Delaware corporation, and Premier Agendas, Inc., a Washington corporation (collectively, the "Subsidiary Borrowers" and, together with the Administrative Borrower, the "Borrowers"), Select Agendas, Corp., a Nova Scotia unlimited liability company, Frey Scientific, Inc. and Sax Arts & Crafts, Inc., each a Delaware corporation, each a Guarantor, each Subsidiary of the Administrative Borrower (other than the Subsidiary Borrowers) that becomes a Guarantor hereunder and party hereto from time to time in accordance with Section 5.8 therein, each of the lenders appearing on the signature pages hereof, together with such other lenders as may from time to time become a party to this Amendment pursuant to the terms and conditions of Article VIII thereof (collectively, the "Lenders"), and U.S. Bank National Association ("U.S. Bank"), in its separate capacity as administrative agent for itself and all other Lenders (in such capacity, together with its successors and assigns, the "Administrative Agent"), and in its separate capacity as collateral agent for itself and all other Lenders (in such capacity, together with its successors and assigns, the "Collateral Agent" and, collectively with the Administrative Agent, the "Agent") (such Senior Secured Super Priority Debtor-in-Possession Credit Agreement as in effect on the date hereof, together with all schedules, exhibits and amendments thereto effective on the date hereof, the "Existing Credit Agreement").

RECITALS:

A. The Borrowers and Guarantors (other than Select Agendas, Corp.) have commenced a case under Chapter 11 of Title 11 of the United States Code in the United States Bankruptcy Court for the District of Delaware, and have retained possession of their respective assets and are authorized under the Bankruptcy Code to continue the operation of their businesses as debtors-in-possession.

B. The Bankruptcy Court has entered an Interim Order and Final Order pursuant to which Administrative Agent and Lenders may make post-petition term loans to Borrowers secured by substantially all the assets and properties of the Obligor as set forth in the Interim Order or Final Order, as applicable, and this Amendment.

C. The Borrowers, the Guarantors, the Lenders and the Agent are parties to the Existing Credit Agreement and one or more of the Loan Documents.

D. The Parties hereto have agreed, upon the terms and subject to the conditions set forth herein, that the Existing Credit Agreement be amended as set forth herein (as so amended, the “Amended Credit Agreement”).

NOW, THEREFORE, in consideration of the premises herein contained and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties, intending to be legally bound, agree as follows:

ARTICLE I
DEFINITIONS

Section 1.1 Defined Terms. Capitalized terms used but not defined herein shall, unless the context otherwise requires, have the meanings assigned to such terms in the Amended Credit Agreement.

ARTICLE II
AMENDMENT TO EXISTING
CREDIT AGREEMENT

Section 2.1 Amendment to Schedule 5.18 (Milestones) of the Existing Credit Agreement. Item (vi) of Schedule 5.18 of the Existing Credit Agreement is hereby amended by deleting the number “84” in the first line thereof and inserting the number “91” in lieu thereof.

ARTICLE III
CONDITIONS PRECEDENT

Section 3.1 Conditions Precedent. This Amendment shall become effective on the date (the “Amendment Effective Date”) that all of the following conditions have been satisfied.

- (a) the Administrative Agent (or its counsel) shall have received from the other Parties hereto a counterpart of this Amendment signed on behalf of such Party.
- (b) the representations and warranties contained in Article IV of the Amended Credit Agreement shall be true and correct in all material respects (without duplication of any materiality qualifier contained herein) as though made on and as of such date (and each Borrower shall be deemed to have so made each representation and warranty on and as of such date).
- (c) no event shall have occurred, or would result from the execution and delivery of this Amendment that, with the giving of notice or lapse of time or both, if required, constitutes, or would give rise to, a Default or an Event of Default.
- (d) no injunction, writ, judgment, decree, restraining order, or other order of any nature shall have been issued and remain in force by any Governmental Authority or arbitrator against any Obligor, the Agent, any Lender or the ABL DIP Agent or any ABL DIP Credit Lender or letter of credit issuing bank prohibiting or restraining, directly or indirectly, and no other legal bar shall exist directly or indirectly to, the execution and delivery of this Amendment.

(e) The execution and delivery of the Amendment shall not violate any requirement of Applicable Law and shall not be enjoined, temporarily, preliminarily or permanently.

(f) The Administrative Borrower shall have notified the ABL DIP Agent and any other parties that require notice pursuant to the Chapter 11 Cases.

ARTICLE IV MISCELLANEOUS

Section 4.1 Notices. All notices hereunder shall be given in accordance with the provisions of Section 10.3 of the Amended Credit Agreement.

Section 4.2 Governing Law; Waiver of Jury Trial.

(a) Governing Law. This Amendment shall be governed by, and construed in accordance with, the laws of the State of New York without giving effect to the choice of law provisions thereof (other than Section 5-1401 of the New York General Obligations Law).

(b) WAIVER OF JURY TRIAL. THE OBLIGORS, THE LENDERS AND THE AGENT HEREBY IRREVOCABLY WAIVE ALL RIGHT TO TRIAL BY JURY IN ANY ACTION, PROCEEDING OR COUNTERCLAIM ARISING OUT OF OR RELATING TO THIS AMENDMENT OR ANY INSTRUMENT OR DOCUMENT DELIVERED HEREUNDER.

Section 4.3 Integration; Inconsistency. This Amendment, together with the Loan Documents, comprise the final and complete integration of all prior expressions by the parties hereto with respect to the subject matter hereof and shall constitute the entire agreement among the parties hereto with respect to such subject matter, superseding all prior oral or written understandings. If any provision of a Loan Document (other than the Intercreditor Agreement) is inconsistent with or conflicts with a comparable or similar provision appearing in this Amendment, the comparable or similar provision in this Amendment shall govern.

Section 4.4 Advice from Independent Counsel. The parties hereto understand that this Amendment is a legally binding agreement that may affect such party's rights. Each party hereto represents to the other that it has received legal advice from counsel of its choice regarding the meaning and legal significance of this Amendment and that it is satisfied with its legal counsel and the advice received from it.

Section 4.5 Binding Effect; No Assignment by Borrower. This Amendment shall be binding upon and inure to the benefit of the Obligors, the Lenders, the Agent and their respective successors and assigns; provided, however, no Obligor may assign any or all of its rights or obligations hereunder or any of its interest herein without the prior written consent of the Administrative Agent and all Lenders.

Section 4.6 Loan Document. This Amendment is a Loan Document executed pursuant to the Amended Credit Agreement and shall (unless otherwise expressly indicated herein) be construed, administered and applied in accordance with the terms and provisions thereof.

Section 4.7 Execution in Counterparts. This Amendment may be executed in any number of counterparts, each of which when so executed and delivered (including by PDF or facsimile transmission, which shall be as effective as delivery of a manually executed counterpart hereof) shall be deemed to be an original and all of which counterparts, taken together, shall constitute but one and the same instrument.

Section 4.8 Severability of Provisions. Any provision of this Amendment which is prohibited or unenforceable shall be ineffective to the extent of such prohibition or unenforceability without invalidating the remaining provisions hereof.

Section 4.9 Reaffirmation. Each of the Obligors hereby consents to this Amendment and the transactions contemplated hereby, and hereby confirms its respective guarantees, pledges, grants of security interests and other agreements, as applicable, under each of the Loan Documents to which it is party, and agrees that notwithstanding the effectiveness of this Amendment and the consummation of the transactions contemplated hereby, such guarantees, pledges, grants of security interests and other agreements shall continue to be in full force and effect and shall accrue to the benefit of the Lenders under the Amended Credit Agreement. Each of the Obligors further agrees to take any action that may be required or that is reasonably requested by the Administrative Agent to ensure compliance by such Obligor with Section 5.14 (“Further Assurances”) of the Amended Credit Agreement and hereby reaffirms its obligations under each similar provision of each Loan Document to which it is party.

Section 4.10 No Novation. Neither this Amendment nor the transactions contemplated hereby shall extinguish the Loans outstanding under the Existing Credit Agreement or release the Liens granted under the Loan Documents. Nothing herein contained shall be construed as a substitution or novation of the Loans outstanding under the Existing Credit Agreement, which shall remain outstanding after the Amendment Effective Date as modified hereby. Each of the Existing Credit Agreement and the other Loan Documents shall remain in full force and effect except to the extent modified hereby or in connection herewith.

Section 4.11 Payment of Expenses. The Borrower agrees to pay and reimburse the Administrative Agent and the Lenders for all of its out-of-pocket costs and reasonable expenses incurred to date in connection with this Amendment and the other Loan Documents, including, without limitation, the disbursements of legal counsel expenses to the Administrative Agent and the Lenders.

Section 4.12 Conflict. In the event of a conflict between this Amendment and the Final Order, the Final Order shall govern.

[Remainder of Page Intentionally Left Blank]

IN WITNESS WHEREOF, the parties hereto have caused this Amendment to be executed by their respective officers thereunto duly authorized, as of the date first above written.

1.3 Uniform Commercial Code. As used herein, the following terms are defined in accordance with the UCC in effect in the State of New York from time to time: “Chattel Paper,” “Commercial Tort Claim,” “Deposit Account,” “Document,” “Equipment,” “General Intangibles,” “Goods,” “Instrument,” “Inventory,” “Investment Property,” “Letter-of-Credit Right,” “Securities Account” and “Supporting Obligation.”

1.4 Certain Matters of Construction. The terms “herein,” “hereof,” “hereunder” and other words of similar import refer to this Agreement as a whole and not to any particular section, paragraph or subdivision. Any pronoun used shall be deemed to cover all genders. In the computation of periods of time from a specified date to a later specified date, “from” means “from and including,” and “to” and “until” each mean “to but excluding.” The terms “including” and “include” shall mean “including, without limitation” and, for purposes of each Loan Document, the parties agree that the rule of ejusdem generis shall not be applicable to limit any provision. Section titles appear as a matter of convenience only and shall not affect the interpretation of any Loan Document. All references to (a) laws include all related

regulations, interpretations, supplements, amendments and successor provisions; (b) unless otherwise specified herein as referring to a document, instrument or agreement as in effect on the Closing Date, any document, instrument or agreement includes any amendments, waivers and other modifications, extensions or renewals (to the extent permitted by the Loan Documents); (c) any section mean, unless the context otherwise requires, a section of this Agreement; (d) any exhibits or schedules mean, unless the context otherwise requires, exhibits and schedules attached hereto, which are hereby incorporated by reference; (e) any Person include successors and assigns; (f) unless otherwise indicated, time of day mean time of day at Agent's notice address under **Section 14.3.1**; or (g) discretion of Agent, Issuing Bank or any Lender shall mean the sole and absolute discretion of such Person. All references to Value, Borrowing Base components, Loans, Letters of Credit, Obligations and other amounts herein shall be denominated in Dollars, unless expressly provided otherwise, and all determinations (including calculations of Borrowing Base and financial covenants) made from time to time under the Loan Documents shall be made in light of the circumstances existing at such time. Borrowing Base calculations shall be consistent with historical methods of valuation and calculation, and otherwise reasonably satisfactory to Agent (and not necessarily calculated in accordance with GAAP). All terms of an accounting or financial nature used herein shall be construed, and all computations of amounts and ratios referred to herein shall be made (i) without giving effect to any election under Accounting Standards Codification 825-10-25 (or any other Accounting Standards Codification or Financial Accounting Standard having a similar result or effect) to value any Indebtedness or other liabilities of any Borrower or any Subsidiary at "fair value", as defined therein, (ii) without giving effect to any treatment of Indebtedness in respect of convertible debt instruments under Accounting Standards Codification 470-20 (or any other Accounting Standards Codification or Financial Accounting Standard having a similar result or effect) to value any such Indebtedness in a reduced or bifurcated manner as described therein, and such Indebtedness shall at all times be valued at the full stated principal amount thereof. Borrowers shall have the burden of establishing any alleged negligence, misconduct or lack of good faith by Agent, Issuing Bank or any Lender under any Loan Documents. No provision of any Loan Documents shall be construed against any party by reason of such party having, or being deemed to have, drafted the provision. Reference to a Borrower's "knowledge" or similar concept means actual knowledge of a Senior Officer.

1.5 Certain Pro Forma Calculations. Notwithstanding anything to the contrary herein, the Net First Lien Leverage Ratio, the Total Net Leverage Ratio and the Fixed Charge Coverage Ratio shall be calculated in the manner prescribed by this Section 1.5, provided that, notwithstanding anything to the contrary in clause (a), (b) or (c) of this Section 1.5, when calculating the Fixed Charge Coverage Ratio for purposes of determining whether the Payment Conditions have been satisfied, the events described in this Section 1.5 that occurred subsequent to the end of the applicable testing period shall not be given pro forma effect.

(a) For purposes of calculating the Net First Lien Leverage Ratio, the Net Total Leverage Ratio and the Fixed Charge Coverage Ratio, Pro Forma Transactions (and the incurrence or repayment of any Indebtedness in connection therewith) that have been consummated (i) during the applicable period of four consecutive fiscal quarters (or, in the case of the Fixed Charge Coverage Ratio, 12 consecutive months) for which such financial ratio is being determined (the "Test Period"), or (ii) subsequent to such Test Period and prior to or simultaneously with the event for which the calculation of any such ratio is made shall be calculated on a pro forma basis assuming that all such Pro Forma Transactions (and any increase or decrease in Consolidated EBITDA and the component financial definitions used therein attributable to any Pro Forma Transaction) had occurred on the first day of the applicable Test Period.

(b) If pro forma effect is to be given to a Pro Forma Transaction, the pro forma calculations shall be made in good faith by a financial or accounting Senior Officer of Borrowers and include only those adjustments that would be permitted or required by Regulation S-X.

(c) In the event that Borrowers or any Subsidiary incurs (including by assumption or guarantees) or repays (including by redemption, repayment, retirement or extinguishment) any Indebtedness included in the calculations of Net Total Leverage Ratio, Net First Lien Leverage Ratio or Fixed Charge Coverage Ratio (other than Indebtedness incurred or repaid under any revolving credit facility in the Ordinary Course of Business for working capital purposes) subsequent to the end of the applicable Test Period and prior to or simultaneously with the event for which the calculation of any such ratio is made, then the Net Total Leverage Ratio, Net First Lien Leverage Ratio or Fixed Charge Coverage Ratio subsequent to the end of the applicable Test Period and prior to or simultaneously with the event for which the calculation of any such ratio is made, the Net Total Leverage Ratio, Net First Lien Leverage Ratio or Fixed Charge Coverage Ratio, as applicable, shall be calculated after giving pro forma effect to such incurrence or repayment of Indebtedness, to the extent required, as if the same had occurred on the first day of the applicable Test Period.

SECTION 2. CREDIT FACILITIES

2.1 Commitment.

2.1.1 Loans. Each Lender agrees, severally on a Pro Rata basis up to its Commitment, on the terms set forth herein, to make Loans to Borrowers from time to time through the Commitment Termination Date. The Loans may be repaid and reborrowed as provided herein. In no event shall Lenders have any obligation to honor a request for a Loan if the Revolver Usage at such time plus the requested Loan would exceed the Borrowing Base.

2.1.2 Notes. Loans and interest accruing thereon shall be evidenced by the records of Agent and the applicable Lender. At the request of a Lender, Borrowers shall deliver promissory note(s) to such Lender, evidencing its Loan(s).

2.1.3 Use of Proceeds. The proceeds of Loans shall be used by Borrowers (a) to repay the DIP Facilities (specifically, all of the ABL DIP and part of the Ad-Hoc DIP), (b) to fund certain fees and expenses associated with the closing of this credit facility and the Transactions, (c) to repay certain costs and expenses required to be paid in connection with the emergence from Chapter 11 of Borrowers and certain of their Subsidiaries (including, but not limited to, administrative costs, cure costs and potentially to fund cash out options for trade and other unsecured claims), (d) to provide for working capital and (e) for general corporate purposes (including, without limitation, for Permitted Acquisitions and Capital Expenditures).

2.1.4 Voluntary Reduction or Termination of Commitments.

(a) The Commitments shall terminate on the Revolver Termination Date, unless sooner terminated in accordance with this Agreement. Upon at least ten Business Day's prior written notice to Agent, Borrowers may, at their option, terminate the Commitments and this credit facility in full. Any notice of termination given by Borrowers shall be irrevocable; provided that any such notice may state that such notice is conditioned upon effectiveness of other financing, in which case such notice may be revoked by Borrowers by notice to Agent on or prior to the specified effective date if such condition is not satisfied; provided that Borrowers shall pay any amounts due under **Section 3.9** hereof as a result of failing to repay the Obligations on the date specified in such notice. On the termination date, Borrowers shall make Full Payment of all Obligations.

(b) Borrowers may permanently reduce a portion of the Commitments, on a ratable basis for all Lenders, upon at least five Business Days' prior written notice to Agent, which notice shall specify the amount of the reduction and shall be irrevocable once given. Each reduction shall be in a minimum amount of \$5,000,000, or an increment of \$1,000,000 in excess thereof.

2.1.5 Overadvances. If Revolver Usage exceeds the Borrowing Base (such excess amount, an “Overadvance”) at any time, such Overadvance shall be payable by Borrowers **on demand** by Agent, but all such Loans and LC Obligations in excess of the Borrowing Base shall nevertheless constitute Obligations secured by the Collateral and entitled to all benefits of the Loan Documents. Agent may require Lenders to honor requests for Overadvance Loans and to forbear from requiring Borrowers to cure an Overadvance, (a) when no other Event of Default is known to Agent, as long as (i) the Overadvance does not continue for more than 30 consecutive days (and no Overadvance may exist for at least five consecutive days thereafter before further Overadvance Loans are required), and (ii) the Overadvance is not known by Agent to exceed 10% of the Borrowing Base; and (b) regardless of whether an Event of Default exists, if Agent discovers an Overadvance not previously known by it to exist, as long as from the date of such discovery the Overadvance is not increased by more than \$5,000,000 and does not continue for more than 30 consecutive days; provided that the aggregate amount of outstanding Overadvances and Protective Advances shall not, at any time, exceed 10% of the Borrowing Base. In no event shall Overadvance Loans be required that would cause Revolver Usage to exceed the aggregate Commitments. Required Lenders may at any time revoke Agent’s authority to make further Overadvances by written notice to Agent. Any funding of an Overadvance Loan or sufferance of an Overadvance shall not constitute a waiver by Agent or Lenders of the Event of Default caused thereby. In no event shall any Borrower or other Obligor be deemed a beneficiary of this **Section 2.1.5** nor authorized to enforce any of its terms.

2.1.6 Protective Advances. Agent shall be authorized, in its discretion, at any time that any conditions in **Section 6** are not satisfied, to make Base Rate Loans (“Protective Advances”) (a) up to an aggregate amount outstanding at any time not to exceed 10% of the Borrowing Base, if Agent deems such Loans necessary or desirable to preserve or protect Collateral, or to enhance the collectability or repayment of Obligations, as long as such Loans do not cause Revolver Usage to exceed the aggregate Commitments; or (b) if Borrowers default on their obligation to pay such amounts or any other amounts chargeable to Obligors under any Loan Documents, including interest, costs, fees and expenses. Lenders shall participate on a Pro Rata basis in Protective Advances outstanding from time to time. Required Lenders may at any time revoke Agent’s authority to make further Protective Advances under **clause (a)** by written notice to Agent. Absent such revocation, Agent’s determination that funding of a Protective Advance is appropriate shall be conclusive; provided that the aggregate amount of outstanding Overadvances and Protective Advances shall not, at any time, exceed 10% of the Borrowing Base.

2.2 Letter of Credit Facility.

2.2.1 Issuance of Letters of Credit. Issuing Bank shall issue Letters of Credit from time to time until 30 days prior to the Revolver Termination Date (or until the Commitment Termination Date, if earlier), on the terms set forth herein, including the following:

(a) Each Borrower acknowledges that Issuing Bank’s issuance of any Letter of Credit is conditioned upon Issuing Bank’s receipt of a LC Application with respect to the requested Letter of Credit, as well as such other instruments and agreements as Issuing Bank may customarily require for issuance of a letter of credit of similar type and amount. Issuing Bank shall have no obligation to issue any Letter of Credit unless (i) Issuing Bank receives a LC Request and LC Application at least three Business Days prior to the requested date of issuance; (ii) each LC Condition is satisfied; and (iii) if a Defaulting Lender exists, such Lender or Borrowers have entered into arrangements satisfactory to Agent and Issuing Bank to eliminate any Fronting Exposure associated with such Lender. If, in sufficient time to act, Issuing Bank receives written notice from Agent or Required Lenders that a LC Condition has not been satisfied, Issuing Bank shall not issue the requested Letter of Credit. Prior to receipt of any such notice, Issuing Bank shall not be deemed to have knowledge of any failure of LC Conditions.

(b) Letters of Credit may be requested by a Borrower to support obligations incurred in the Ordinary Course of Business, or as otherwise approved by Agent. Increase, renewal or extension of a Letter of Credit shall be treated as issuance of a new Letter of Credit, except that Issuing Bank may require a new LC Application in its discretion.

(c) Borrowers assume all risks of the acts, omissions or misuses of any Letter of Credit by the beneficiary. In connection with issuance of any Letter of Credit, none of Agent, Issuing Bank or any Lender shall be responsible for the existence, character, quality, quantity, condition, packing, value or delivery of any goods purported to be represented by any Documents; any differences or variation in the character, quality, quantity, condition, packing, value or delivery of any goods from that expressed in any Documents; the form, validity, sufficiency, accuracy, genuineness or legal effect of any Documents or of any endorsements thereon; the time, place, manner or order in which shipment of goods is made; partial or incomplete shipment of, or failure to ship, any goods referred to in a Letter of Credit or Documents; any deviation from instructions, delay, default or fraud by any shipper or other Person in connection with any goods, shipment or delivery; any breach of contract between a shipper or vendor and a Borrower; errors, omissions, interruptions or delays in transmission or delivery of any messages, by mail, cable, telegraph, telex, telecopy, e-mail, telephone or otherwise; errors in interpretation of technical terms; the misapplication by a beneficiary of any Letter of Credit or the proceeds thereof; or any consequences arising from causes beyond the control of Issuing Bank, Agent or any Lender, including any act or omission of a Governmental Authority. The rights and remedies of Issuing Bank under the Loan Documents shall be cumulative. Issuing Bank shall be fully subrogated to the rights and remedies of each beneficiary whose claims against Borrowers are discharged with proceeds of any Letter of Credit.

(d) In connection with its administration of and enforcement of rights or remedies under any Letters of Credit or LC Documents, Issuing Bank shall be entitled to act, and shall be fully protected in acting, upon any certification, documentation or communication in whatever form believed by Issuing Bank, in good faith, to be genuine and correct and to have been signed, sent or made by a proper Person. Issuing Bank may consult with and employ legal counsel, accountants and other experts to advise it concerning its obligations, rights and remedies, and shall be entitled to act upon, and shall be fully protected in any action taken in good faith reliance upon, any advice given by such experts. Issuing Bank may employ agents and attorneys-in-fact in connection with any matter relating to Letters of Credit or LC Documents, and shall not be liable for the negligence or misconduct of agents and attorneys-in-fact selected with reasonable care.

(e) If any Borrower so requests in any applicable Letter of Credit application, Issuing Bank may, in its discretion, agree to issue a Letter of Credit that has automatic extension provisions (each, an “Auto-Extension Letter of Credit”); provided that any such Auto-Extension Letter of Credit must permit the Issuing Bank to prevent any such extension at least once in each twelve-month period (commencing with the date of issuance of such Letter of Credit) by giving prior notice to the beneficiary thereof not later than a day (the “Non-Extension Notice Date”) in each such twelve-month period to be agreed upon at the time such Letter of Credit is issued. Unless otherwise directed by the Issuing Bank, Borrowers shall not be required to make a specific request to the Issuing Bank for any such extension. Once an Auto-Extension Letter of Credit has been issued, the Lenders shall be deemed to have authorized (but may not require) the Issuing Bank to permit the extension of such Letter of Credit at any time to an expiry date at least 5 Business Days prior to the Revolver Termination Date; provided, however, that the Issuing Bank shall not permit any such extension if Issuing Bank has received notice (which may be by telephone or in writing) on or before the day that is seven Business Days before the Non-Extension Notice Date (1) from Agent that the Required Lenders have elected not to permit such extension or (2) from Agent, any Lender or any Borrower that one or more of the applicable conditions specified in **Section 6.2** is not then satisfied, and in each such case directing the Issuing Bank not to permit such extension.

2.2.2 Reimbursement; Participations.

(a) If Issuing Bank honors any request for payment under a Letter of Credit, Borrowers shall pay to Issuing Bank, on the same day ("Reimbursement Date"), the amount paid by Issuing Bank under such Letter of Credit, together with interest at the interest rate for Base Rate Loans from the Reimbursement Date until payment by Borrowers. The obligation of Borrowers to reimburse Issuing Bank for any payment made under a Letter of Credit shall be absolute, unconditional, irrevocable, and joint and several, and shall be paid without regard to any lack of validity or enforceability of any Letter of Credit or the existence of any claim, setoff, defense or other right that Borrowers may have at any time against the beneficiary. Whether or not Borrower Agent submits a Notice of Borrowing, Borrowers shall be deemed to have requested a Borrowing of Base Rate Loans in an amount necessary to pay all amounts due Issuing Bank on any Reimbursement Date and each Lender shall fund its Pro Rata share of such Borrowing whether or not the Commitments have terminated, an Overadvance exists or is created thereby, or the conditions in **Section 6** are satisfied.

(b) Each Lender hereby irrevocably and unconditionally purchases from Issuing Bank, without recourse or warranty, an undivided Pro Rata participation in all LC Obligations outstanding from time to time. Issuing Bank is issuing Letters of Credit in reliance upon this participation. If Borrowers do not make a payment to Issuing Bank when due hereunder, Agent shall promptly notify Lenders and each Lender shall within one Business Day after such notice pay to Agent, for the benefit of Issuing Bank, the Lender's Pro Rata share of such payment. Upon request by a Lender, Issuing Bank shall provide copies of Letters of Credit and LC Documents in its possession at such time.

(c) The obligation of each Lender to make payments to Agent for the account of Issuing Bank in connection with Issuing Bank's payment under a Letter of Credit shall be absolute, unconditional and irrevocable, not subject to any counterclaim, setoff, qualification or exception whatsoever, and shall be made in accordance with this Agreement under all circumstances, irrespective of any lack of validity or unenforceability of any Loan Documents; any draft, certificate or other document presented under a Letter of Credit having been determined to be forged, fraudulent, noncompliant, invalid or insufficient in any respect or any statement therein being untrue or inaccurate in any respect; any waiver by Issuing Bank of a requirement that exists for its protection (and not a Borrower's protection) or that does not materially prejudice a Borrower; any honor of an electronic demand for payment even if a draft is required; any payment of an item presented after a Letter of Credit's expiration date if authorized by the UCC or applicable customs or practices; or any setoff or defense that an Obligor may have with respect to any Obligations. Issuing Bank does not assume any responsibility for any failure or delay in performance or any breach by any Borrower or other Person of any obligations under any LC Documents. Issuing Bank does not make to Lenders any express or implied warranty, representation or guaranty with respect to any Letter of Credit, Collateral, LC Document or Obligor. Issuing Bank shall not be responsible to any Lender for any recitals, statements, information, representations or warranties contained in, or for the execution, validity, genuineness, effectiveness or enforceability of any LC Documents; the validity, genuineness, enforceability, collectability, value or sufficiency of any Collateral or the perfection of any Lien therein; or the assets, liabilities, financial condition, results of operations, business, creditworthiness or legal status of any Obligor.

(d) No Issuing Bank Indemnitee shall be liable to any Lender or other Person for any action taken or omitted to be taken in connection with any Letter of Credit or LC Document except as a result of its gross negligence or willful misconduct. Issuing Bank may refrain from taking any action with respect to a Letter of Credit until it receives written instructions (and in its discretion, appropriate assurances) from the Lenders.

2.2.3 Cash Collateral. Subject to **Section 2.1.5**, if at any time (a) an Event of Default exists, (b) the Commitment Termination Date has occurred, or (c) the Revolver Termination Date is scheduled to occur within 20 days, then Borrowers shall, at Issuing Bank's or Agent's request, Cash Collateralize all outstanding Letters of Credit. Borrowers shall, at Issuing Bank's or Agent's request at any time, Cash Collateralize the Fronting Exposure of any Defaulting Lender. If Borrowers fail to provide

any Cash Collateral as required hereunder, Lenders may (and shall upon direction of Agent) advance, as Loans, the amount of Cash Collateral required (whether or not the Commitments have terminated, an Overadvance exists or the conditions in **Section 6** are satisfied).

2.2.4 Resignation of Issuing Bank. Issuing Bank may resign at any time upon notice to Agent and Borrowers. From the effective date of such resignation, Issuing Bank shall have no obligation to issue, amend, renew, extend or otherwise modify any Letter of Credit, but shall continue to have all rights and other obligations of an Issuing Bank hereunder relating to any Letter of Credit issued by it prior to such date. Agent shall promptly appoint a replacement Issuing Bank, which, as long as no Default or Event of Default exists, shall be reasonably acceptable to Borrowers.

2.2.5 Existing Letter of Credit. On the Closing Date, (a) the Existing Letter of Credit, to the extent outstanding, shall be automatically and without further action by the parties thereto deemed converted into a Letter of Credit issued pursuant to **Section 2.2** for the account of Borrowers and subject to the provisions hereof, and for this purpose fees in respect thereof pursuant to **Section 3.2.2** shall be payable (in substitution for any fees set forth in the applicable letter of credit reimbursement agreements or applications relating to the Existing Letter of Credit, except to the extent that such fees are also payable pursuant to **Section 3.2.2**) as if the Existing Letter of Credit had been issued on the Closing Date, (b) the Existing Letter of Credit shall be included in the calculation of LC Obligations and (c) all liabilities of Borrowers with respect to the Existing Letter of Credit shall constitute Obligations secured by the Collateral. Notwithstanding the foregoing, Borrowers shall not be required to pay any additional issuance fees with respect to the issuance of the Existing Letter of Credit solely as a result of such letter of credit being converted to Letters of Credit hereunder, it being understood that the fronting, participation and other fees set forth in **Section 3.2.2** shall otherwise apply to the Existing Letter of Credit.

SECTION 3. INTEREST, FEES AND CHARGES

3.1 Interest.

3.1.1 Rates and Payment of Interest.

(a) The Obligations shall bear interest (i) if a Base Rate Loan, at the Base Rate in effect from time to time, plus the Applicable Margin; (ii) if a LIBOR Loan, at LIBOR for the applicable Interest Period, plus the Applicable Margin; and (iii) if any other Obligation (including, to the extent permitted by law, interest not paid when due), at the Base Rate in effect from time to time, plus the Applicable Margin for Base Rate Loans.

(b) During an Insolvency Proceeding with respect to any Borrower, or during any other Event of Default if Agent or Required Lenders in their discretion so elect, Obligations shall bear interest at the Default Rate (whether before or after any judgment). Each Borrower acknowledges that the cost and expense to Agent and Lenders due to an Event of Default are difficult to ascertain and that the Default Rate is fair and reasonable compensation for this.

(c) Interest shall accrue from the date a Loan is advanced or Obligation is incurred or payable, until paid in full by Borrowers. If a Loan is repaid on the same day made, one day's interest shall accrue. Interest accrued on the Loans (other than any LIBOR Loan) shall be due and payable in arrears, (i) on the first day of each month; (ii) on any date of prepayment, with respect to the principal amount of Loans being prepaid; and (iii) on the Commitment Termination Date. Interest accrued on any LIBOR Loan shall be due and payable in arrears, (1) on the last day of each Interest Period applicable to such Loan or, if sooner, on the respective dates that fall every three months after the beginning of such Interest Period, (2) on the Commitment Termination Date, and (3) on any date of prepayment, with respect to the principal amount of Loans being prepaid. Interest accrued on any other Obligations shall be due and payable as provided in the Loan Documents and, if no payment date is specified, shall be due and payable **on demand**. Notwithstanding the foregoing, interest accrued at the Default Rate shall be due and payable **on demand**.

3.1.2 Application of LIBOR to Outstanding Loans.

(a) Borrowers may on any Business Day, subject to delivery of a Notice of Conversion/Continuation, elect to convert any portion of the Base Rate Loans to, or to continue any LIBOR Loan at the end of its Interest Period as, a LIBOR Loan. During any Default or Event of Default, Agent may (and shall at the direction of Required Lenders) declare that no Loan may be made, converted or continued as a LIBOR Loan.

(b) Whenever Borrowers desire to convert or continue Loans as LIBOR Loans, Borrower Agent shall give Agent a Notice of Conversion/Continuation, no later than 11:00 a.m. at least two Business Days before the requested conversion or continuation date. Promptly after receiving any such notice, Agent shall notify each Lender thereof. Each Notice of Conversion/Continuation shall be irrevocable, and shall specify the amount of Loans to be converted or continued, the conversion or continuation date (which shall be a Business Day), and the duration of the Interest Period (which shall be deemed to be 30 days if not specified). If, upon the expiration of any Interest Period in respect of any LIBOR Loans, Borrowers shall have failed to deliver a Notice of Conversion/Continuation, they shall be deemed to have elected to convert such Loans into Base Rate Loans.

3.1.3 Interest Periods. In connection with the making, conversion or continuation of any LIBOR Loans, Borrowers shall select an interest period ("Interest Period") to apply, which interest period shall be 30, 60, 90 or 180 days (if available from all Lenders); provided, however, that:

(a) the Interest Period shall begin on the date the Loan is made or continued as, or converted into, a LIBOR Loan, and shall expire on the numerically corresponding day in the calendar month at its end;

(b) if any Interest Period begins on a day for which there is no corresponding day in the calendar month at its end or if such corresponding day falls after the last Business Day of such month, then the Interest Period shall expire on the last Business Day of such month; and if any Interest Period would otherwise expire on a day that is not a Business Day, the period shall expire on the next Business Day; and

(c) no Interest Period shall extend beyond the Revolver Termination Date.

3.1.4 Interest Rate Not Ascertainable. If, due to any circumstance affecting the London interbank market, Agent determines that adequate and fair means do not exist for ascertaining LIBOR on any applicable date or any Interest Period is not available on the basis provided herein, then Agent shall immediately notify Borrowers of such determination. Until Agent notifies Borrowers that such circumstance no longer exists, the obligation of Lenders to make affected LIBOR Loans shall be suspended and no further Loans may be converted into or continued as such LIBOR Loans.

3.2 Fees.

3.2.1 Unused Line Fee. Borrowers shall pay to Agent, for the Pro Rata benefit of Lenders, a fee equal to the Unused Line Fee Rate times the amount by which the Commitments exceed the average daily Revolver Usage during any month. Such fee shall be payable in arrears, on the first day of each month and on the Commitment Termination Date.

3.2.2 LC Facility Fees. Borrowers shall pay (a) to Agent, for the Pro Rata benefit of Lenders, a fee equal to the Applicable Margin in effect for LIBOR Loans times the average daily Stated Amount of Letters of Credit, which fee shall be payable monthly in arrears, on the first day of each month;

(b) to Agent, for its own account, a fronting fee equal to 0.125% per annum on the Stated Amount of each Letter of Credit, which fee shall be payable monthly in arrears, on the first day of each month; and (c) to Issuing Bank, for its own account, all customary charges associated with the issuance, amending, negotiating, payment, processing, transfer and administration of Letters of Credit, which charges shall be paid as and when incurred. During an Event of Default, the fee payable under **clause (a)** shall be increased by 2% per annum.

3.2.3 Fee Letters. Borrowers shall pay all fees set forth in the Fee Letters and any other fee letter executed in connection with this Agreement.

3.3 Computation of Interest, Fees, Yield Protection. All interest, as well as fees and other charges calculated on a per annum basis, shall be computed for the actual days elapsed, based on a year of 360 days; provided that all interest on Base Rate Loans (other than those where interest is computed by reference to LIBOR) shall be computed for the actual days elapsed, based on a year of 365 or 366 days, as applicable. Each determination by Agent of any interest, fees or interest rate hereunder shall be final, conclusive and binding for all purposes, absent manifest error. All fees shall be fully earned when due and shall not be subject to rebate, refund or proration. All fees payable under **Section 3.2** are compensation for services and are not, and shall not be deemed to be, interest or any other charge for the use, forbearance or detention of money. A certificate as to amounts payable by Borrowers under **Section 3.4, 3.6, 3.7, 3.9 or 5.8**, submitted to Borrower Agent by Agent or the affected Lender shall be final, conclusive and binding for all purposes, absent manifest error, and Borrowers shall pay such amounts to the appropriate party within 10 days following receipt of the certificate.

3.4 Reimbursement Obligations. Borrowers shall pay all Extraordinary Expenses promptly upon request. Borrowers shall also reimburse Agent for all costs of field exams that Agent is entitled to conduct pursuant to **Section 10.1.1** (including internally allocated costs thereof) and shall reimburse Agent and, in the case of **clause (a)** below, each Lead Arranger, for all reasonable and documented, out-of-pocket costs and expenses (including all legal, accounting, consulting fees and expenses) incurred by it in connection with (a) negotiation and preparation of the Commitment Letter, any Loan Documents, including any amendment or other modification thereof, and the syndication of the Loans and Commitments by the Lead Arrangers; (b) administration of and actions relating to any Collateral, Loan Documents and transactions contemplated thereby, including any actions taken to perfect or maintain priority of Agent's Liens on any Collateral, to maintain any insurance required hereunder or to verify Collateral; and (c) subject to the limits of **Section 10.1.1**, each inspection, audit or appraisal with respect to any Obligor or Collateral, whether prepared by Agent's personnel or a third party; provided that Borrowers' obligation to reimburse legal fees pursuant to this sentence shall be limited to fees, charges and disbursements of one counsel for Agent and Lenders (which shall be selected by Agent) and to the extent necessary, one special or local counsel in each appropriate jurisdiction (absent a conflict of interest, in which case the Lenders may engage and be reimbursed for additional counsel). All legal, accounting and consulting fees shall be charged to Borrowers by Agent's professionals at their full hourly rates, regardless of any alternative fee arrangements that Agent, any Lender or any of their Affiliates may have with such professionals that otherwise might apply to this or any other transaction. Borrowers acknowledge that counsel may provide Agent with a benefit (such as a discount, credit or accommodation for other matters) based on counsel's overall relationship with Agent, including fees paid hereunder. If, for any reason (including inaccurate reporting in any Borrower Materials), it is determined that a higher Applicable Margin should have applied to a period than was actually applied, then the proper margin shall be applied retroactively and Borrowers shall immediately pay to Agent, for the ratable benefit of Lenders, an amount equal to the difference between the amount of interest and fees that would have accrued using the proper margin and the amount actually paid. All amounts payable by Borrowers under this **Section 3.4** shall be due **on demand**.

3.5 Illegality. If any Lender determines that any Applicable Law has made it unlawful, or that any Governmental Authority has asserted that it is unlawful, for any Lender or its applicable Lending Office to make, maintain or fund LIBOR Loans, or to determine or charge interest rates based upon LIBOR, or any Governmental Authority has imposed material restrictions on the authority of such Lender to purchase or sell, or to take deposits of, Dollars in the London interbank market, then, on notice thereof by such Lender to Agent, any obligation of such Lender to make or continue LIBOR Loans or to convert Base Rate Loans to LIBOR Loans shall be suspended until such Lender notifies Agent that the circumstances giving rise to such determination no longer exist. Upon delivery of such notice, Borrowers shall prepay or, if applicable, convert all LIBOR Loans of such Lender to Base Rate Loans, either on the last day of the Interest Period therefor, if such Lender may lawfully continue to maintain such LIBOR Loans to such day, or immediately, if such Lender may not lawfully continue to maintain such LIBOR Loans. Upon any such prepayment or conversion, Borrowers shall also pay accrued interest on the amount so prepaid or converted.

3.6 Inability to Determine Rates. Agent will promptly notify Borrower Agent and Lenders if, in connection with a Borrowing of, conversion to or continuation of a LIBOR Loan, (a) Agent determines that (i) Dollar deposits are not being offered to banks in the London interbank Eurodollar market for the applicable Loan amount or Interest Period, or (ii) adequate and reasonable means do not exist for determining LIBOR for the applicable Interest Period; or (b) Required Lenders determine for any reason that LIBOR for the applicable Interest Period does not adequately and fairly reflect the cost to Lenders of funding the Loan. Thereafter, the obligation of Lenders to make or maintain LIBOR Loans shall be suspended to the extent of the affected LIBOR Loan or Interest Period until Agent (upon instruction by Required Lenders) revokes the notice. Upon receipt of such notice, Borrower Agent may revoke any pending request for a Borrowing, conversion or continuation of a LIBOR Loan or, failing that, will be deemed to have submitted a request for a Base Rate Loan.

3.7 Increased Costs; Capital Adequacy.

3.7.1 Increased Costs Generally. If any Change in Law shall:

(a) impose, modify or deem applicable any reserve, liquidity, special deposit, compulsory loan, insurance charge or similar requirement against assets of, deposits with or for the account of, or credit extended or participated in by, any Lender (except any reserve requirement reflected in LIBOR) or Issuing Bank;

(b) subject any Recipient to Taxes (other than (i) Indemnified Taxes, (ii) Taxes described in **clauses (b), (c) or (d)** of the definition of Excluded Taxes, or (iii) Connection Income Taxes) with respect to any Loan, Letter of Credit, Commitment or other obligations, or its deposits, reserves, other liabilities or capital attributable thereto; or

(c) impose on any Lender, Issuing Bank or interbank market any other condition, cost or expense affecting any Loan, Letter of Credit, participation in LC Obligations, Commitment or Loan Document;

and the result thereof shall be to increase the cost to a Lender of making or maintaining any Loan or Commitment, or converting to or continuing any interest option for a Loan, or to increase the cost to a Lender or Issuing Bank of participating in, issuing or maintaining any Letter of Credit (or of maintaining its obligation to participate in or to issue any Letter of Credit), or to reduce the amount of any sum received or receivable by a Lender or Issuing Bank hereunder (whether of principal, interest or any other amount) then, upon request of such Lender or Issuing Bank, Borrowers will pay to such Lender or Issuing Bank, as applicable, such additional amount or amounts as will compensate such Lender or Issuing Bank, as applicable, for such additional costs incurred or reduction suffered.

3.7.2 **Capital Requirements.** If a Lender or Issuing Bank determines that a Change in Law affecting such Lender or Issuing Bank or any Lending Office of such Lender or such Lender's or Issuing Bank's holding company, if any, regarding capital or liquidity requirements has or would have the effect of reducing the rate of return on such Lender's, Issuing Bank's or holding company's capital as a consequence of this Agreement, or such Lender's or Issuing Bank's Commitments, Loans, Letters of Credit or participations in LC Obligations or Loans, to a level below that which such Lender, Issuing Bank or holding company could have achieved but for such Change in Law (taking into consideration its policies with respect to capital adequacy), then from time to time Borrowers will pay to such Lender or Issuing Bank, as the case may be, such additional amounts as will compensate it or its holding company for the reduction suffered.

3.7.3 **LIBOR Loan Reserves.** If any Lender is required to maintain reserves with respect to liabilities or assets consisting of or including Eurocurrency funds or deposits, Borrowers shall pay additional interest to such Lender on each LIBOR Loan equal to the costs of such reserves allocated to the Loan by the Lender (as determined by it in good faith, which determination shall be conclusive). The additional interest shall be due and payable on each interest payment date for the Loan; provided, however, that if the Lender notifies Borrowers (with a copy to Agent) of the additional interest less than 10 days prior to the interest payment date, then the additional interest shall be payable 10 days after Borrowers' receipt of the notice.

3.7.4 **Compensation.** A certificate as to any additional amounts payable pursuant to this **Section 3.7**, showing in reasonable detail the calculation thereof, submitted by any Lender or Issuing Bank through Agent shall be conclusive in the absence of manifest error. Borrowers shall pay such Lender or Issuing Bank the amount shown as due on any such certificate within 10 days after receipt thereof. Failure or delay on the part of any Lender or Issuing Bank to demand compensation pursuant to this **Section 3.7** shall not constitute a waiver of its right to demand such compensation, but Borrowers shall not be required to compensate a Lender or Issuing Bank for any increased costs or reductions suffered more than nine months (plus any period of retroactivity of the Change in Law giving rise to the demand) prior to the date that the Lender or Issuing Bank notifies Borrower Agent of the applicable Change in Law and of such Lender's or Issuing Bank's intention to claim compensation therefor.

3.8 Mitigation. If any Lender gives a notice under **Section 3.5** or requests compensation under **Section 3.7**, or if Borrowers are required to pay any Indemnified Taxes or additional amounts with respect to a Lender under **Section 5.8**, then at the request of Borrower Agent, such Lender shall use reasonable efforts to designate a different Lending Office or to assign its rights and obligations hereunder to another of its offices, branches or Affiliates, if, in the judgment of such Lender, such designation or assignment (a) would eliminate the need for such notice or reduce amounts payable or to be withheld in the future, as applicable; and (b) would not subject the Lender to any unreimbursed cost or expense and would not otherwise be disadvantageous to it or unlawful. Borrowers shall pay all reasonable costs and expenses incurred by any Lender in connection with any such designation or assignment.

3.9 Funding Losses. If for any reason (a) any Borrowing of, or conversion to or continuation of, a LIBOR Loan does not occur on the date specified therefor in a Notice of Borrowing or Notice of Conversion/Continuation (whether or not withdrawn), (b) any repayment or conversion of a LIBOR Loan occurs on a day other than the end of its Interest Period, (c) Borrowers fail to repay a LIBOR Loan when required hereunder, or (d) a Lender (other than a Defaulting Lender) is required to assign a LIBOR Loan prior to the end of its Interest Period pursuant to **Section 13.4**, then Borrowers shall pay to Agent its customary administrative charge and to each Lender all resulting losses and expenses including any loss, expense or fee arising from redeployment of funds or termination of match funding but excluding any loss of anticipated profits or margin. For purposes of calculating amounts payable under this **Section 3.9**, each Lender shall be deemed to have funded a LIBOR Loan by a matching deposit or other borrowing in the London interbank market for a comparable amount and period, whether or not the Loan was in fact so funded.

3.10 Maximum Interest. Notwithstanding anything to the contrary contained in any Loan Document, the interest paid or agreed to be paid under the Loan Documents shall not exceed the maximum rate of non-usurious interest permitted by Applicable Law (“maximum rate”). If Agent or any Lender shall receive interest in an amount that exceeds the maximum rate, the excess interest shall be applied to the principal of the Obligations or, if it exceeds such unpaid principal, refunded to Borrowers. In determining whether the interest contracted for, charged or received by Agent or a Lender exceeds the maximum rate, such Person may, to the extent permitted by Applicable Law, (a) characterize any payment that is not principal as an expense, fee or premium rather than interest; (b) exclude voluntary prepayments and the effects thereof; and (c) amortize, prorate, allocate and spread in equal or unequal parts the total amount of interest throughout the contemplated term of the Obligations hereunder.

SECTION 4. LOAN ADMINISTRATION

4.1 Manner of Borrowing and Funding Loans.

4.1.1 Notice of Borrowing.

(a) Whenever Borrowers desire funding of Loans, Borrower Agent shall give Agent a Notice of Borrowing. Such notice must be received by Agent by 1:00 p.m. (i) on the requested funding date, in the case of Base Rate Loans, and (ii) at least two Business Days prior to the requested funding date, in the case of LIBOR Loans. Notices received after such time shall be deemed received on the next Business Day. Each Notice of Borrowing shall be irrevocable and shall specify (A) the amount of the Borrowing, (B) the requested funding date (which must be a Business Day), (C) whether the Borrowing is to be made as a Base Rate Loan or LIBOR Loan, and (D) in the case of a LIBOR Loan, the applicable Interest Period (which shall be deemed to be 30 days if not specified).

(b) Unless payment is otherwise timely made by Borrowers, the becoming due of any Obligations (whether principal, interest, fees or other charges, including Extraordinary Expenses, LC Obligations, Cash Collateral and Secured Bank Product Obligations) shall be deemed to be a request for a Base Rate Loan on the due date, in the amount due. The proceeds of such Loan shall be disbursed as direct payment of the relevant Obligation. In addition, Agent may, at its option, charge such amount against any operating, investment or other account of a Borrower maintained with Agent or any of its Affiliates.

(c) If a Borrower maintains a disbursement account with Agent or any of its Affiliates, then presentation for payment in the account of a Payment Item when there are insufficient funds to cover it shall be deemed to be a request for a Base Rate Loan on the presentation date, in the amount of the Payment Item. Proceeds of the Loan may be disbursed directly to the account.

4.1.2 Fundings by Lenders. Except for Borrowings to be made as Swingline Loans, Agent shall endeavor to notify Lenders of each Notice of Borrowing (or deemed request for a Borrowing) by 1:00 p.m. on the proposed funding date for a Base Rate Loan or by 3:00 p.m. at least two Business Days before a proposed funding of a LIBOR Loan. Each Lender shall fund its Pro Rata share of a Borrowing in immediately available funds not later than 3:00 p.m. on the requested funding date, unless Agent’s notice is received after the times provided above, in which case Lender shall fund its Pro Rata share by 11:00 a.m. on the next Business Day. Subject to its receipt of such amounts from Lenders, Agent shall disburse the Borrowing proceeds as directed by Borrower Agent. Unless Agent shall have received (in sufficient time to act) written notice from a Lender that it does not intend to fund its share of a Borrowing, Agent may assume that such Lender has deposited or promptly will deposit its share with Agent, and Agent may disburse a corresponding amount to Borrowers. If a Lender’s share of a Borrowing or of a settlement under **Section 4.1.3(b)** is not received by Agent, then Borrowers agree to repay to Agent **on demand** the amount of such share, together with interest thereon from the date disbursed until repaid, at the rate applicable to the Borrowing.

4.1.3 Swingline Loans; Settlement.

(a) To fulfill any request for a Base Rate Loan hereunder, Agent may in its discretion advance Swingline Loans to Borrowers, up to an aggregate outstanding amount of \$20,000,000. Swingline Loans shall constitute Loans for all purposes, except that payments thereon shall be made to Agent for its own account until Lenders have funded their participations therein as provided below.

(b) Settlement of Loans, including Swingline Loans, among Lenders and Agent shall take place on a date determined from time to time by Agent (but at least weekly), on a Pro Rata basis in accordance with the Settlement Report delivered by Agent to Lenders. Between settlement dates, Agent may in its discretion apply payments on Loans to Swingline Loans, regardless of any designation by Borrowers or any provision herein to the contrary. Each Lender hereby purchases, without recourse or warranty, an undivided Pro Rata participation in all Swingline Loans outstanding from time to time until settled. If a Swingline Loan cannot be settled among Lenders, whether due to an Obligor's Insolvency Proceeding or for any other reason, each Lender shall pay the amount of its participation in the Loan to Agent, in immediately available funds, within one Business Day after Agent's request therefor. Lenders' obligations to make settlements and to fund participations are absolute, irrevocable and unconditional, without offset, counterclaim or other defense, and whether or not the Commitments have terminated, an Overadvance exists or the conditions in **Section 6** are satisfied.

4.1.4 Notices. Borrowers may request, convert or continue Loans, select interest rates and transfer funds based on telephonic or e-mailed instructions to Agent. Borrowers shall confirm each such request by prompt delivery to Agent of a Notice of Borrowing or Notice of Conversion/Continuation, if applicable, but if it differs materially from the action taken by Agent or Lenders, the records of Agent and Lenders shall govern. Neither Agent nor any Lender shall have any liability for any loss suffered by a Borrower as a result of Agent or any Lender acting upon its understanding of telephonic or e-mailed instructions from a person believed in good faith by Agent or any Lender to be a person authorized to give such instructions on a Borrower's behalf.

4.2 Defaulting Lender. Notwithstanding anything herein to the contrary:

4.2.1 Reallocation of Pro Rata Share; Amendments. For purposes of determining Lenders' obligations or rights to fund, participate in or receive collections with respect to Loans and Letters of Credit (including existing Swingline Loans, Protective Advances and LC Obligations), Agent may in its discretion reallocate Pro Rata shares by excluding the Commitments and Loans of a Defaulting Lender from the calculation of such shares. A Defaulting Lender shall have no right to vote on any amendment, waiver or other modification of a Loan Document, except as provided in **Section 14.1.1(c)**.

4.2.2 Payments; Fees. Agent may, in its discretion, receive and retain any amounts payable to a Defaulting Lender under the Loan Documents, and a Defaulting Lender shall be deemed to have assigned to Agent such amounts until all Obligations owing to Agent, non-Defaulting Lenders and other Secured Parties have been paid in full. Agent may use such amounts to cover the Defaulting Lender's defaulted obligations, to Cash Collateralize such Lender's Fronting Exposure, to readvance the amounts to Borrowers or to repay Obligations. A Lender shall not be entitled to receive any fees accruing hereunder during the period in which it is a Defaulting Lender, and the unfunded portion of its Commitment shall be disregarded for purposes of calculating the unused line fee under **Section 3.2.1**. If any LC Obligations owing to a Defaulted Lender are reallocated to other Lenders, fees attributable to such LC Obligations under **Section 3.2.2** shall be paid to such Lenders. Agent shall be paid all fees attributable to LC Obligations that are not reallocated.

4.2.3 Status; Cure. Agent may determine in its discretion that a Lender constitutes a Defaulting Lender and the effective date of such status shall be conclusive and binding on all parties, absent manifest error. Borrowers, Agent and Issuing Bank may agree in writing that a Lender has ceased

to be a Defaulting Lender, whereupon Pro Rata shares shall be reallocated without exclusion of the reinstated Lender's Commitments and Loans, and the Revolver Usage and other exposures under the Commitments shall be reallocated among Lenders and settled by Agent (with appropriate payments by the reinstated Lender, including payment of any breakage costs for reallocated LIBOR Loans) in accordance with the readjusted Pro Rata shares. Unless expressly agreed by Borrowers, Agent and Issuing Bank, no reinstatement of a Defaulting Lender shall constitute a waiver or release of claims against such Lender. The failure of any Lender to fund a Loan, to make a payment in respect of LC Obligations or otherwise to perform obligations hereunder shall not relieve any other Lender of its obligations under any Loan Document, and no Lender shall be responsible for default by another Lender.

4.3 Number and Amount of LIBOR Loans; Determination of Rate. Each Borrowing of LIBOR Loans when made shall be in a minimum amount of \$500,000, plus an increment of \$100,000 in excess thereof. No more than ten (10) Borrowings of LIBOR Loans may be outstanding at any time, and all LIBOR Loans having the same length and beginning date of their Interest Periods shall be aggregated together and considered one Borrowing for this purpose. Upon determining LIBOR for any Interest Period requested by Borrowers, Agent shall promptly notify Borrowers thereof by telephone or electronically and, if requested by Borrowers, shall confirm any telephonic notice in writing.

4.4 Borrower Agent. Each Borrower hereby designates Company ("Borrower Agent") as its representative and agent for all purposes under the Loan Documents, including requests for Loans and Letters of Credit, designation of interest rates, delivery or receipt of communications, preparation and delivery of Borrower Materials, receipt and payment of Obligations, requests for waivers, amendments or other accommodations, actions under the Loan Documents (including in respect of compliance with covenants), and all other dealings with Agent, Issuing Bank or any Lender. Borrower Agent hereby accepts such appointment. Agent and Lenders shall be entitled to rely upon, and shall be fully protected in relying upon, any notice or communication (including any notice of borrowing) delivered by Borrower Agent on behalf of any Borrower. Agent and Lenders may give any notice or communication with a Borrower hereunder to Borrower Agent on behalf of such Borrower. Each of Agent, Issuing Bank and Lenders shall have the right, in its discretion, to deal exclusively with Borrower Agent for any or all purposes under the Loan Documents. Each Borrower agrees that any notice, election, communication, representation, agreement or undertaking made on its behalf by Borrower Agent shall be binding upon and enforceable against it.

4.5 One Obligation. The Loans, LC Obligations and other Obligations constitute one general obligation of Borrowers and are secured by Agent's Lien on all Collateral; provided, however, that Agent and each Lender shall be deemed to be a creditor of, and the holder of a separate claim against, each Borrower to the extent of any Obligations jointly or severally owed by such Borrower.

4.6 Effect of Termination. On the effective date of the termination of all Commitments, the Obligations shall be immediately due and payable, and each Secured Bank Product Provider may terminate its Bank Products. Until Full Payment of the Obligations, all undertakings of Borrowers contained in the Loan Documents shall continue, and Agent shall retain its Liens in the Collateral and all of its rights and remedies under the Loan Documents. Agent shall not be required to terminate its Liens unless it receives Cash Collateral or a written agreement, in each case satisfactory to it, protecting Agent and Lenders from dishonor or return of any Payment Item previously applied to the Obligations. **Sections 2.2, 3.4, 3.6, 3.7, 3.9, 5.4, 5.8, 5.9, 12, 14.2**, this **Section 4.6**, and each indemnity or waiver given by an Obligor or Lender in any Loan Document, shall survive Full Payment of the Obligations.

SECTION 5. PAYMENTS

5.1 General Payment Provisions. All payments of Obligations shall be made in Dollars, without offset, counterclaim or defense of any kind, free and clear of (and without deduction for) any Taxes, and in immediately available funds, not later than 1:00 p.m. on the due date. Any payment after

such time shall be deemed made on the next Business Day. Any payment of a LIBOR Loan prior to the end of its Interest Period shall be accompanied by all amounts due under **Section 3.9**. Borrowers agree that Agent shall have the continuing, exclusive right to apply and reapply payments and proceeds of Collateral against the Obligations, in such manner as Agent deems advisable, but whenever possible, any prepayment of Loans shall be applied first to Base Rate Loans and then to LIBOR Loans.

5.2 Repayment of Loans. Loans shall be due and payable in full on the Revolver Termination Date, unless payment is sooner required hereunder. Loans may be prepaid from time to time, without penalty or premium. Borrower Agent shall give Agent notice of such prepayment not later than 11:00 a.m. (i) one Business Day prior to the proposed prepayment date, in the case of Base Rate Loans, and (ii) three Business Days prior to the proposed prepayment date, in the case of LIBOR Loans. Notices received after such time shall be deemed received on the next Business Day. Subject to **Section 2.1.5**, if an Overadvance exists at any time, Borrowers shall, on the sooner of Agent's demand or the first Business Day after any Borrower has knowledge thereof, repay Loans or Cash Collateralize Letters of Credit in an amount sufficient to reduce Revolver Usage to the Borrowing Base. If any Specified Asset Disposition includes the disposition of Accounts or Inventory, Borrowers shall apply the proceeds thereof to repay Loans (without any Commitment reduction) equal to the greater of (a) the book value of such Accounts and Inventory, or (b) the reduction in the Borrowing Base resulting from the disposition.

5.3 Payment of Other Obligations. Obligations other than Loans, including LC Obligations and Extraordinary Expenses, shall be paid by Borrowers as provided in the Loan Documents or, if no payment date is specified, **on demand**.

5.4 Marshaling; Payments Set Aside. None of Agent or Lenders shall be under any obligation to marshal any assets in favor of any Obligor or against any Obligations. If any payment by or on behalf of Borrowers is made to Agent, Issuing Bank or any Lender, or if Agent, Issuing Bank or any Lender exercises a right of setoff, and any of such payment or setoff is subsequently invalidated, declared to be fraudulent or preferential, set aside or required (including pursuant to any settlement entered into by Agent, Issuing Bank or a Lender in its discretion) to be repaid to a trustee, receiver or any other Person, then the Obligation originally intended to be satisfied, and all Liens, rights and remedies relating thereto, shall be revived and continued in full force and effect as if such payment or setoff had not occurred.

5.5 Application and Allocation of Payments.

5.5.1 Application. Payments made by Borrowers hereunder shall be applied (a) first, as specifically required hereby; (b) second, to Obligations then due and owing; (b) third, to other Obligations specified by Borrowers; and (c) fourth, as determined by Agent in its discretion.

5.5.2 Post-Default Allocation. Notwithstanding anything in any Loan Document to the contrary, during an Event of Default, monies to be applied to the Obligations, whether arising from payments by Obligors, realization on Collateral, setoff or otherwise, shall be allocated as follows:

(a) first, to all fees, indemnification, costs and expenses, including Extraordinary Expenses, owing to Agent;

(b) second, to all amounts owing to Agent on Swingline Loans, Protective Advances, and Loans and participations that a Defaulting Lender has failed to settle or fund;

(c) third, to all amounts owing to Issuing Bank;

(d) fourth, to all Obligations (other than Secured Bank Product Obligations) constituting fees, indemnification, costs or expenses owing to Lenders;

(e) fifth, to all Obligations (other than Secured Bank Product Obligations) constituting interest;

(f) sixth, to Cash Collateralize all LC Obligations;

(g) seventh, to all Loans, and to Secured Bank Product Obligations arising under Hedge Agreements (including Cash Collateralization thereof) up to the amount of Bank Product Reserves relating to Secured Bank Product Obligations arising under Hedging Agreements existing therefor;

(h) eighth, to all other Secured Bank Product Obligations; and

(i) last, to all remaining Obligations.

Amounts shall be applied to payment of each category of Obligations only after Full Payment of amounts payable from time to time under all preceding categories. If amounts are insufficient to satisfy a category, they shall be paid ratably among outstanding Obligations in the category. Monies and proceeds obtained from an Obligor shall not be applied to its Excluded Swap Obligations, but appropriate adjustments shall be made with respect to amounts obtained from other Obligors to preserve the allocations in any applicable category. Agent shall have no obligation to calculate the amount of any Secured Bank Product Obligation and may request a reasonably detailed calculation thereof from a Secured Bank Product Provider. If the provider fails to deliver the calculation within five days following request, Agent may assume the amount is zero. The allocations set forth in this **Section 5.5.2** are solely to determine the rights and priorities among Secured Parties, and may be changed by agreement of the affected Secured Parties, without the consent of any Obligor. This **Section 5.5.2** is not for the benefit of or enforceable by any Obligor, and each Borrower irrevocably waives the right to direct the application of any payments or Collateral proceeds subject to this **Section 5.5.2**.

5.5.3 Erroneous Application. Agent shall not be liable for any application of amounts made by it in good faith and, if any such application is subsequently determined to have been made in error, the sole recourse of any Lender or other Person to which such amount should have been made shall be to recover the amount from the Person that actually received it (and, if such amount was received by a Secured Party, the Secured Party agrees to return it).

5.6 Dominion Account. The ledger balance in the main Dominion Account as of the end of a Business Day and all proceeds of ABL Priority Collateral received by Agent as of the end of any Business Day shall be applied to the Obligations at the beginning of the next Business Day during any Cash Dominion Trigger Period. If a credit balance results from such application and all Letters of Credit required to be Cash Collateralized in accordance with the terms hereof shall have been so Cash Collateralized, it shall not accrue interest in favor of Borrowers and shall promptly be made available to Borrowers.

5.7 Account Stated. Agent shall maintain, in accordance with its customary practices, loan account(s) evidencing the Indebtedness of Borrowers hereunder. Any failure of Agent to record anything in a loan account, or any error in doing so, shall not limit or otherwise affect the obligation of Borrowers to pay any amount owing hereunder. Entries made in a loan account shall constitute presumptive evidence of the information contained therein. If any information contained in a loan account is provided to or inspected by any Person, the information shall be conclusive and binding on such Person for all purposes absent manifest error, except to the extent such Person notifies Agent in writing within 30 days after receipt or inspection that specific information is subject to dispute.

5.8 Taxes.

5.8.1 Payments Free of Taxes; Obligation to Withhold; Tax Payment.

(a) All payments of Obligations by Obligor shall be made without deduction or withholding for any Taxes, except as required by Applicable Law. If Applicable Law (as determined by Agent in its discretion) requires the deduction or withholding of any Tax from any such payment by Agent or an Obligor, then Agent or such Obligor shall be entitled to make such deduction or withholding based on information and documentation provided pursuant to **Section 5.9**.

(b) If Agent or any Obligor is required by the Code to withhold or deduct Taxes, including backup withholding and withholding taxes, from any payment, then (i) Agent shall pay the full amount that it determines is to be withheld or deducted to the relevant Governmental Authority pursuant to the Code, and (ii) to the extent the withholding or deduction is made on account of Indemnified Taxes, the sum payable by the applicable Obligor shall be increased as necessary so that the Recipient receives an amount equal to the sum it would have received had no such withholding or deduction been made.

(c) If Agent or any Obligor is required by any Applicable Law other than the Code to withhold or deduct Taxes from any payment, then (i) Agent or such Obligor, to the extent required by Applicable Law, shall timely pay the full amount to be withheld or deducted to the relevant Governmental Authority, and (ii) to the extent the withholding or deduction is made on account of Indemnified Taxes, the sum payable by the applicable Obligor shall be increased as necessary so that the Recipient receives an amount equal to the sum it would have received had no such withholding or deduction been made.

5.8.2 Payment of Other Taxes. Without limiting the foregoing, Borrowers shall timely pay to the relevant Governmental Authority in accordance with Applicable Law, or at Agent's option, timely reimburse Agent for payment of, any Other Taxes.

5.8.3 Tax Indemnification.

(a) Each Borrower shall indemnify and hold harmless, on a joint and several basis, each Recipient against any Indemnified Taxes (including those imposed or asserted on or attributable to amounts payable under this **Section 5.8.3**) payable or paid by such Recipient or required to be withheld or deducted from a payment to such Recipient, and any penalties, interest and reasonable out-of-pocket expenses arising therefrom or with respect thereto, whether or not such Indemnified Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. Each Borrower shall indemnify and hold harmless Agent against any amount that a Lender or Issuing Bank fails for any reason to pay indefeasibly to Agent as required pursuant to this **Section 5.8.3**. Each Borrower shall make payment within 10 days after demand for any amount or liability payable under this **Section 5.8.3**. A certificate as to the amount of such payment or liability delivered to Borrowers by a Lender or Issuing Bank (with a copy to Agent), or by Agent on its own behalf or on behalf of any Recipient, shall be conclusive absent manifest error.

(b) Each Lender and Issuing Bank shall indemnify and hold harmless, on a several basis, (i) Agent against any Indemnified Taxes attributable to such Lender or Issuing Bank (but only to the extent Borrowers have not already paid or reimbursed Agent therefor and without limiting Borrowers' obligation to do so), (ii) Agent and Obligor, as applicable, against any Taxes attributable to such Lender's failure to maintain a Participant register as required hereunder, and (iii) Agent and Obligor, as applicable, against any Excluded Taxes attributable to such Lender or Issuing Bank, in each case, that are payable or paid by Agent or an Obligor in connection with any Obligations, and any reasonable expenses arising therefrom or with respect thereto, whether or not such Indemnified Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. Each Lender and Issuing Bank shall make payment within 10 days after demand for any amount or liability payable under this **Section 5.8.3**. A certificate as to the amount of such payment or liability delivered to any Lender or Issuing Bank by Agent shall be conclusive absent manifest error.

5.8.4 Evidence of Payments. If Agent or an Obligor pays any Taxes pursuant to this **Section 5.8.4**, then upon request, Agent shall deliver to Borrower Agent or Borrower Agent shall deliver to Agent, respectively, a copy of a receipt issued by the appropriate Governmental Authority evidencing the payment, a copy of any return required by Applicable Law to report the payment, or other evidence of payment reasonably satisfactory to Agent or Borrower Agent, as applicable.

5.8.5 Treatment of Certain Refunds. Unless required by Applicable Law, at no time shall Agent have any obligation to file for or otherwise pursue on behalf of a Lender or Issuing Bank, nor have any obligation to pay to any Lender or Issuing Bank, any refund of Taxes withheld or deducted from funds paid for the account of a Lender or Issuing Bank. If a Recipient determines in its discretion that it has received a refund of any Taxes as to which it has been indemnified by Borrowers or with respect to which a Borrower has paid additional amounts pursuant to this **Section 5.8.5**, it shall pay Borrowers an amount equal to such refund (but only to the extent of indemnity payments made, or additional amounts paid, by Borrowers with respect to the Taxes giving rise to such refund), net of all reasonable out-of-pocket expenses (including Taxes imposed in connection with such refund) incurred by such Recipient, and without interest (other than any interest paid by the relevant Governmental Authority with respect to such refund), provided that Borrowers agree, upon request by the Recipient, to repay the amount paid over to Borrowers (plus any penalties, interest or other charges imposed by the relevant Governmental Authority) to the Recipient if the Recipient is required to repay such refund to the Governmental Authority. Notwithstanding anything herein to the contrary, no Recipient shall be required to pay any amount to Borrowers to the extent such payment would place the Recipient in a less favorable net after-Tax position than it would have been in if the Tax subject to indemnification and giving rise to such refund had not been deducted, withheld or otherwise imposed and the indemnification payments or additional amounts with respect to such Tax had never been paid. In no event shall Agent or any Recipient be required to make its tax returns (or any other information relating to its taxes that it deems confidential) available to any Obligor or other Person.

5.8.6 Survival. Each party's obligations under **Sections 5.8** and **5.9** shall survive the resignation or replacement of Agent or any assignment of rights by or replacement of a Lender or Issuing Bank, the termination of the Commitments, and the repayment, satisfaction, discharge or Full Payment of any Obligations.

5.9 Lender and Agent Tax Information.

5.9.1 Status of Lenders. Any Lender that is entitled to an exemption from or reduction of withholding Tax with respect to payments of Obligations shall deliver to Borrowers and Agent properly completed and executed documentation reasonably requested by Borrowers or Agent as will permit such payments to be made without or at a reduced rate of withholding. In addition, any Lender, if reasonably requested by Borrowers or Agent, shall deliver such other documentation prescribed by Applicable Law or reasonably requested by Borrowers or Agent to enable them to determine whether such Lender is subject to backup withholding or information reporting requirements and to satisfy any such information reporting requirements. Notwithstanding the foregoing, such documentation (other than documentation described in **Sections 5.9.2(a), (b)** and **(d)**) shall not be required if a Lender reasonably believes delivery of the documentation would subject it to any material unreimbursed cost or expense or would materially prejudice its legal or commercial position.

5.9.2 Lender Documentation. Without limiting the foregoing, if any Borrower is a U.S. Person,

(a) Any Lender that is a U.S. Person shall deliver to Borrowers and Agent on or prior to the date on which such Lender becomes a Lender hereunder, from time to time thereafter upon reasonable request of Borrowers or Agent and pursuant to **Section 5.9.4**, executed originals of IRS Form W-9, certifying that such Lender is exempt from U.S. federal backup withholding Tax;

(b) Any Foreign Lender shall, to the extent it is legally entitled to do so, deliver to Borrowers and Agent (in such number of copies as shall be requested by the recipient) on or prior to the date on which such Foreign Lender becomes a Lender hereunder, from time to time thereafter upon reasonable request of Borrowers or Agent and pursuant to **Section 5.9.4**, whichever of the following is applicable:

(i) in the case of a Foreign Lender claiming the benefits of an income tax treaty to which the United States is a party, (x) with respect to payments of interest under any Loan Document, executed originals of IRS Form W-8BEN establishing an exemption from or reduction of U.S. federal withholding Tax pursuant to the “interest” article of such tax treaty, and (y) with respect to other payments under the Loan Documents, IRS Form W-8BEN establishing an exemption from or reduction of U.S. federal withholding Tax pursuant to the “business profits” or “other income” article of such tax treaty;

(ii) executed originals of IRS Form W-8ECI;

(iii) in the case of a Foreign Lender claiming the benefits of the exemption for portfolio interest under Sections 871(h) or 881(c) of the Code, (x) a certificate substantially in the form of **Exhibit E-1** to the effect that such Foreign Lender is not a “bank” within the meaning of Section 881(c)(3)(A) of the Code, a “10 percent shareholder” of a Borrower within the meaning of Section 881(c)(3)(B) of the Code, or a “controlled foreign corporation” described in Section 881(c)(3)(C) of the Code (“U.S. Tax Compliance Certificate”), and (y) executed originals of IRS Form W-8BEN; or

(iv) to the extent a Foreign Lender is not the beneficial owner, executed originals of IRS Form W-8IMY, accompanied by IRS Form W-8ECI, IRS Form W-8BEN, a U.S. Tax Compliance Certificate substantially in the form of **Exhibit E-2** or **Exhibit E-3**, IRS Form W-9, and/or other certification documents from each beneficial owner, as applicable; provided that if the Foreign Lender is a partnership and one or more direct or indirect partners of such Foreign Lender are claiming the portfolio interest exemption, such Foreign Lender may provide a U.S. Tax Compliance Certificate substantially in the form of **Exhibit E-4** on behalf of each such direct and indirect partner;

(c) any Foreign Lender shall, to the extent it is legally entitled to do so, deliver to Borrowers and Agent (in such number of copies as shall be requested by the recipient) on or prior to the date on which such Foreign Lender becomes a Lender hereunder, from time to time thereafter upon the reasonable request of Borrowers or Agent and pursuant to **Section 5.9.4**, executed originals of any other form prescribed by Applicable Law as a basis for claiming exemption from or a reduction in U.S. federal withholding Tax, duly completed, together with such supplementary documentation as may be prescribed by Applicable Law to permit Borrowers or Agent to determine the withholding or deduction required to be made; and

(d) if payment of an Obligation to a Recipient would be subject to U.S. federal withholding Tax imposed by FATCA if such Recipient were to fail to comply with the applicable reporting requirements of FATCA (including those contained in Section 1471(b) or 1472(b) of the Code), such Recipient shall deliver to Borrowers and Agent at the time(s) prescribed by Applicable Law and otherwise as reasonably requested by Borrowers or Agent or pursuant to **Section 5.9.4**, such documentation prescribed by Applicable Law (including Section 1471(b)(3)(C)(i) of the Code) and such additional documentation reasonably requested by Borrowers or Agent as may be necessary for them to comply with their obligations under FATCA and to determine that such Recipient has complied with its obligations under FATCA or to determine the amount to deduct and withhold from such payment. Solely for purposes of this **clause (d)**, “FATCA” shall include any amendments made to FATCA after the date hereof.

5.9.3 Agent Documentation . Any Agent that is entitled to an exemption from or reduction of withholding Tax with respect to payments of Obligations shall deliver to Borrowers properly completed and executed documentation reasonably requested by Borrowers as will permit such payments to be made without or at a reduced rate of withholding. In addition, any Agent, if reasonably requested by a Borrower, shall deliver such other documentation prescribed by Applicable Law or reasonably requested by such Borrower as will enable such Borrower to determine whether or not such Agent is subject to backup withholding or information reporting requirements and to satisfy any such information reporting requirements. Without limiting the foregoing, if any Borrower is a U.S. Person, any Agent that is a U.S. Person shall deliver to Borrowers on or prior to the date on which such Agent becomes an Agent hereunder, from time to time thereafter upon reasonable request of Borrowers and pursuant to **Section 5.9.4**, executed originals of IRS Form W-9, certifying that such Agent is exempt from U.S. federal backup withholding Tax

5.9.4 Redelivery of Documentation. If any form or certification previously delivered by a Recipient pursuant to this **Section 5.9** expires or becomes obsolete or inaccurate in any respect, such Recipient shall promptly update the form or certification or notify Borrowers and Agent in writing of its inability to do so.

5.10 Nature and Extent of Each Borrower's Liability.

5.10.1 Joint and Several Liability. Each Borrower agrees that it is jointly and severally liable for, and absolutely and unconditionally guarantees to Agent and Lenders the prompt payment and performance of, all Obligations, except its Excluded Swap Obligations. Each Borrower agrees that its guaranty obligations hereunder constitute a continuing guaranty of payment and not of collection, that such obligations shall not be discharged until Full Payment of the Obligations, and that such obligations are absolute and unconditional, irrespective of (a) the genuineness, validity, regularity, enforceability, subordination or any future modification of, or change in, any Obligations or Loan Document, or any other document, instrument or agreement to which any Obligor is or may become a party or be bound; (b) the absence of any action to enforce this Agreement (including this **Section 5.10**) or any other Loan Document, or any waiver, consent or indulgence of any kind by Agent or any Lender with respect thereto; (c) the existence, value or condition of, or failure to perfect a Lien or to preserve rights against, any security or guaranty for any Obligations or any action, or the absence of any action, by Agent or any Lender in respect thereof (including the release of any security or guaranty); (d) the insolvency of any Obligor; (e) any election by Agent or any Lender in an Insolvency Proceeding for the application of Section 1111(b)(2) of the Bankruptcy Code; (f) any borrowing or grant of a Lien by any other Borrower, as debtor-in-possession under Section 364 of the Bankruptcy Code or otherwise; (g) the disallowance of any claims of Agent or any Lender against any Obligor for the repayment of any Obligations under Section 502 of the Bankruptcy Code or otherwise; or (h) any other action or circumstances that might otherwise constitute a legal or equitable discharge or defense of a surety or guarantor, except Full Payment of the Obligations.

5.10.2 Waivers.

(a) Each Borrower expressly waives all rights that it may have now or in the future under any statute, at common law, in equity or otherwise, to compel Agent or Lenders to marshal assets or to proceed against any Obligor, other Person or security for the payment or performance of any Obligations before, or as a condition to, proceeding against such Borrower. Each Borrower waives all defenses available to a surety, guarantor or accommodation co-obligor other than Full Payment of Obligations and waives, to the maximum extent permitted by law, any right to revoke any guaranty of Obligations as long as it is a Borrower. It is agreed among each Borrower, Agent and Lenders that the

provisions of this **Section 5.10** are of the essence of the transaction contemplated by the Loan Documents and that, but for such provisions, Agent and Lenders would decline to make Loans and issue Letters of Credit. Each Borrower acknowledges that its guaranty pursuant to this **Section 5.10** is necessary to the conduct and promotion of its business, and can be expected to benefit such business.

(b) Agent and Lenders may, in their discretion, pursue such rights and remedies as they deem appropriate, including realization upon Collateral or any Real Estate by judicial foreclosure or nonjudicial sale or enforcement, without affecting any rights and remedies under this **Section 5.10**. If, in taking any action in connection with the exercise of any rights or remedies, Agent or any Lender shall forfeit any other rights or remedies, including the right to enter a deficiency judgment against any Borrower or other Person, whether because of any Applicable Laws pertaining to “election of remedies” or otherwise, each Borrower consents to such action and waives any claim based upon it, even if the action may result in loss of any rights of subrogation that any Borrower might otherwise have had. Any election of remedies that results in denial or impairment of the right of Agent or any Lender to seek a deficiency judgment against any Borrower shall not impair any other Borrower’s obligation to pay the full amount of the Obligations. Each Borrower waives all rights and defenses arising out of an election of remedies, such as nonjudicial foreclosure with respect to any security for Obligations, even though that election of remedies destroys such Borrower’s rights of subrogation against any other Person. Agent may bid Obligations, in whole or part, at any foreclosure, trustee or other sale, including any private sale, and the amount of such bid need not be paid by Agent but shall be credited against the Obligations. The amount of the successful bid at any such sale, whether Agent or any other Person is the successful bidder, shall be conclusively deemed to be the fair market value of the Collateral, and the difference between such bid amount and the remaining balance of the Obligations shall be conclusively deemed to be the amount of the Obligations guaranteed under this **Section 5.10**, notwithstanding that any present or future law or court decision may have the effect of reducing the amount of any deficiency claim to which Agent or any Lender might otherwise be entitled but for such bidding at any such sale.

5.10.3 Extent of Liability; Contribution.

(a) Notwithstanding anything herein to the contrary, each Borrower’s liability under this **Section 5.10** shall not exceed the greater of (i) all amounts for which such Borrower is primarily liable, as described in **clause (c)** below, and (ii) such Borrower’s Allocable Amount.

(b) If any Borrower makes a payment under this **Section 5.10** of any Obligations (other than amounts for which such Borrower is primarily liable) (a “Guarantor Payment”) that, taking into account all other Guarantor Payments previously or concurrently made by any other Borrower, exceeds the amount that such Borrower would otherwise have paid if each Borrower had paid the aggregate Obligations satisfied by such Guarantor Payments in the same proportion that such Borrower’s Allocable Amount bore to the total Allocable Amounts of all Borrowers, then such Borrower shall be entitled to receive contribution and indemnification payments from, and to be reimbursed by, each other Borrower for the amount of such excess, ratably based upon their respective Allocable Amounts in effect immediately prior to such Guarantor Payment. The “Allocable Amount” for any Borrower shall be the maximum amount that could then be recovered from such Borrower under this **Section 5.10** without rendering such payment voidable under Section 548 of the Bankruptcy Code or under any applicable state fraudulent transfer or conveyance act, or similar statute or common law.

(c) **Section 5.10.3(a)** shall not limit the liability of any Borrower to pay or guarantee Loans made directly or indirectly to it (including Loans advanced hereunder to any other Person and then re-loaned or otherwise transferred to, or for the benefit of, such Borrower), LC Obligations relating to Letters of Credit issued to support its business, Secured Bank Product Obligations incurred to support its business, and all accrued interest, fees, expenses and other related Obligations with respect thereto, for which such Borrower shall be primarily liable for all purposes hereunder. Agent and Lenders shall have the right, at any time in their discretion, to condition Loans and Letters of Credit upon a separate calculation of borrowing availability for each Borrower and to restrict the disbursement and use of Loans and Letters of Credit to a Borrower based on that calculation.

(d) Each Obligor that is a Qualified ECP when its guaranty of or grant of Lien as security for a Swap Obligation becomes effective hereby jointly and severally, absolutely, unconditionally and irrevocably undertakes to guaranty such Swap Obligations of each Specified Obligor as may be needed by such Specified Obligor from time to time to honor all of its obligations under the Loan Documents in respect of such Swap Obligation (but, in each case, only up to the maximum amount of such liability that can be hereby incurred without rendering such Qualified ECP's obligations and undertakings under this **Section 5.10** voidable under any applicable fraudulent transfer or conveyance act). The obligations and undertakings of each Qualified ECP under this **Section 5.10** shall remain in full force and effect until Full Payment of all Obligations. Each Obligor intends this **Section 5.10.3(d)** to constitute, and this **Section 5.10.3(d)** shall be deemed to constitute, a guarantee of the obligations of each Obligor for all purposes of the Commodity Exchange Act.

5.10.4 **Joint Enterprise.** Each Borrower has requested that Agent and Lenders make this credit facility available to Borrowers on a combined basis, in order to finance Borrowers' business most efficiently and economically. Borrowers' business is a mutual and collective enterprise, and the successful operation of each Borrower is dependent upon the successful performance of the integrated group. Borrowers believe that consolidation of their credit facility will enhance the borrowing power of each Borrower and ease administration of the facility, all to their mutual advantage. Borrowers acknowledge that Agent's and Lenders' willingness to extend credit and to administer the Collateral on a combined basis hereunder is done solely as an accommodation to Borrowers and at Borrowers' request.

5.10.5 **Subordination.** Each Borrower hereby subordinates any claims, including any rights at law or in equity to payment, subrogation, reimbursement, exoneration, contribution, indemnification or set off, that it may have at any time against any other Obligor, howsoever arising, to the Full Payment of its Obligations.

SECTION 6. CONDITIONS PRECEDENT

6.1 Conditions Precedent to Initial Loans. In addition to the conditions set forth in **Section 6.2**, Lenders shall not be required to fund any requested Loan, issue any Letter of Credit, or otherwise extend credit to Borrowers hereunder, until the date ("Closing Date") that each of the following conditions has been satisfied:

(f) Agent shall have received a certificate of a duly authorized officer of each Obligor, certifying (i) that attached copies of such Obligor's Organic Documents are true and complete, and in full force and effect, without amendment except as shown; (ii) that an attached copy of resolutions authorizing execution and delivery of the Loan Documents is true and complete, and that such resolutions are in full force and effect, were duly adopted, have not been amended, modified or revoked, and constitute all resolutions adopted with respect to this credit facility; and (iii) to the title, name and signature of each Person authorized to sign the Loan Documents. Agent may conclusively rely on this certificate until it is otherwise notified by the applicable Obligor in writing.

(g) Agent shall have received a written opinion of Paul, Weiss, Rifkind, Wharton & Garrison LLP, as well as any local counsel to Borrowers for each jurisdiction in which an Obligor is organized, in each case, in form and substance reasonably satisfactory to Agent.

Agent shall have received good standing certificates for each Obligor, issued by the Secretary of State or other appropriate official of such Obligor's jurisdiction of organization.

(i) Agent shall have received copies of policies or certificates of insurance for the insurance policies carried by Borrowers, all in compliance with the Loan Documents.

(j) Since April 28, 2012, there has been no circumstance, event or condition that has or could reasonably be expected to have a material adverse effect on the business, assets, liabilities, operations, or financial condition of Borrowers, taken as a whole (excluding the Bankruptcy Proceedings and any historical events associated with the Bankruptcy Proceedings, and any events that customarily occur as part of a proceeding under Chapter 11 of the Bankruptcy Code).

(k) No action, suit, investigation, litigation or proceeding pending or threatened in any court or before any arbitrator or governmental instrumentality that (i) could reasonably be expected to have a material adverse effect on the business, assets, liabilities, operations, or financial condition of Obligors, taken as a whole, or could impair the ability of an Obligor to perform its obligations under the Loan Documents; or (ii) could reasonably be expected to materially and adversely affect the Transactions.

(l) Agent and the Lead Arrangers shall have received, in form and substance satisfactory to Agent and the Lead Arrangers, (i) a pro forma balance sheet of Company and its Subsidiaries dated as of the Closing Date and giving effect to the effectiveness of the Plan of Reorganization, (ii) financial projections of Company and its Subsidiaries, evidencing Borrowers' ability to comply with the financial covenant set forth in the Loan Documents, and (iii) interim financial statements for Company and its Subsidiaries as of a date not more than 30 days prior to the Closing Date.

(o) Borrowers shall have paid all fees and expenses to be paid to Agent, the Lead Arrangers and Lenders on the Closing Date.

(p) Agent shall have received a Borrowing Base Certificate prepared as of the Friday immediately prior to the Closing Date. Upon giving effect to the initial funding of loans and issuance of letters of credit, the consummation of the Transactions and the payment by Borrowers of all fees and expenses incurred in connection with the Transactions (including but not limited to administrative costs, cure costs, and the funding of cash out options for trade and other unsecured claims but excluding any Delayed Admin Claims), including those payable post-closing, as well as any payables stretched beyond their customary payment practices, Availability shall be at least \$45,000,000. In addition, Agent and the Lead Arrangers shall have received, in form and substance satisfactory to them, a 13-week cash flow statement commencing on the Closing Date and ending 13 weeks thereafter, demonstrating that Availability is not less than \$25,000,000 at any time during such 13-week period.

(q) (i) Concurrently with the closing of the Senior Credit Facility, the obligations under each of the DIP Facilities shall have been discharged and satisfied in full, all commitments thereunder shall have been terminated, any unexpired letters of credit issued thereunder shall have been returned or collateralized in accordance with the terms of the Plan of Reorganization and all Liens securing the DIP Facilities shall have been released, and Agent and the Lead Arrangers shall have received (x) a payoff letter to that effect from the administrative agent under each of the DIP Facilities and (y) evidence reasonably satisfactory to it of the termination of all UCC financing statement filings relating to the DIP Facilities and (ii) after consummation of the Plan of Reorganization and giving effect to the Transactions, Obligors shall have no outstanding Indebtedness, contingent liabilities or claims against them, except as expressly contemplated by the Plan of Reorganization and expressly permitted under the Loan Documents.

(r) Company shall have entered into the Term Loan Facility in an amount not to exceed \$145,000,000 on terms acceptable to Agent and the Arrangers.

(s) The Confirmation Order shall (i) not have been reversed, vacated, amended, supplemented or otherwise modified in any manner without the written consent of Agent and the Lead Arrangers and (ii) be in full force and effect, unstayed, final and non-appealable and not subject to any appeal, motion to stay, motion for rehearing or reconsideration or a petition for writ of certiorari, unless waived by Agent and the Lead Arrangers in writing in their sole discretion.

(t) Agent shall have received evidence of the Delayed Admin Claims as contemplated by Article III.B.3 of the Plan of Reorganization.

(u) (i) All conditions precedent to the effectiveness of the Plan of Reorganization shall have been or shall substantially concurrently be satisfied or, with the consent of Agent and the Lead Arrangers, waived, (ii) the effective date of the Plan of Reorganization shall have occurred on or before the Closing Date, (iii) the substantial consummation (as defined in Section 1101 of the Bankruptcy Code) of the Plan of Reorganization in accordance with its terms shall occur substantially contemporaneously with the Closing Date and (iv) the Term Loan Documents, the Intercreditor Agreement and all other documents, agreements and instruments necessary to consummate the Plan of Reorganization on the Effective Date (as defined in the Plan of Reorganization) shall, unless consented to by the Lead Arrangers, be consistent with the Plan of Reorganization and with the final engagement letter and term sheet in respect of the Term Loan Agreement reviewed by the Lead Arrangers prior to the date of the Commitment Letter, exclusive of any changes that do not materially adversely affect the interests of Agent or the Lenders in their capacities as such in connection with this Agreement.

(v) Agent and Lenders shall have received all documentation and instruments required by regulatory authorities with respect to Borrowers under applicable “know your customer” and anti-money laundering rules and regulations, including without limitation the Patriot Act, that has been reasonably requested by Lenders in advance of the Closing Date.

(w) Agent shall have received evidence of payoff of that certain Senior Secured Super-Priority Debtor-in-Possession Credit Agreement, dated as of January 31, 2013, among Company and certain of its Subsidiaries party thereto, as borrowers, the guarantors party thereto, as guarantors, the lenders party thereto, as lenders, and Bayside Finance LLC, as administrative agent.

6.2 Conditions Precedent to All Credit Extensions. Agent, Issuing Bank and Lenders shall not be required to fund any Loans, arrange for issuance of any Letters of Credit or grant any other accommodation to or for the benefit of Borrowers, unless the following conditions are satisfied:

(a) No Default or Event of Default shall exist at the time of, or result from, such funding, issuance or grant;

(b) (i) with respect to any credit extension on the Closing Date, the representations and warranties of each Obligor in the Loan Documents shall be true and correct on the date of, and upon giving effect to, such funding, issuance or grant (except for representations and warranties that expressly relate to an earlier date) and (ii) with respect to any credit extension after the Closing Date, the representations and warranties of each Obligor in the Loan Documents shall be true and correct in all material respects (except to the extent already qualified by materiality, in which case it will be true and correct in all respects) on the date of, and upon giving effect to, such funding, issuance or grant (except for representations and warranties that expressly relate to an earlier date);

(c) No event shall have occurred or circumstance exist that has or could reasonably be expected to have a Material Adverse Effect; and

(d) With respect to issuance of a Letter of Credit, the LC Conditions shall be satisfied.

Each request (or deemed request) by Borrowers for funding of a Loan, issuance of a Letter of Credit or grant of an accommodation shall constitute a representation by Borrowers that the foregoing conditions are satisfied on the date of such request and on the date of such funding, issuance or grant.

SECTION 7. COLLATERAL

7.1 Cash Collateral. Cash Collateral may be invested, at Agent’s discretion (and with the consent of Borrowers, as long as no Event of Default exists), but Agent shall have no duty to do so, regardless of any agreement or course of dealing with any Borrower, and shall have no responsibility for any investment or loss. As security for its Obligations, each Borrower hereby grants to Agent a security interest in and Lien upon all Cash Collateral held from time to time and all proceeds thereof, whether held in a Cash Collateral Account or otherwise. Agent may apply Cash Collateral to the payment of such Obligations as they become due, in such order as Agent may elect. Each Cash Collateral Account and all Cash Collateral shall be under the sole dominion and control of Agent, and no Borrower or other Person (subject to the terms of the Intercreditor Agreement) shall have any right to any Cash Collateral, until Full Payment of the Obligations.

7.2 Real Estate Collateral. The Obligations shall also be secured by Mortgages upon all Real Estate owned by Obligors set forth on **Schedule 8.6.1**, which such Mortgages shall be delivered, along with the Related Real Estate Documents, within 90 days of the Closing Date (which period may be extended with the reasonable consent of Agent). The Mortgages shall be duly recorded, at Borrowers' expense, in each office where such recording is required to constitute a fully perfected Lien on the Real Estate covered thereby, subject only to Permitted Liens, including, for the avoidance of doubt, the Lien in favor of the Term Loan Agent. If any Borrower acquires Real Estate hereafter having a fair market value in excess of \$2,500,000, Borrowers shall, within 90 days (or such longer period as Agent may reasonably consent) of such acquisition, execute, deliver and record a Mortgage sufficient to create a fully perfected Lien in favor of Agent on such Real Estate, subject only to Permitted Liens, including, for the avoidance of doubt, the Lien in favor of the Term Loan Agent on such Real Estate under the Term Loan Documents, and shall deliver all Related Real Estate Documents; provided that so long as the Term Loan Facility is in effect Borrowers shall not be required to deliver any such Mortgages unless the Term Loan Agent has requested or required that Borrowers deliver such Mortgages.

7.3 Other Collateral.

7.3.1 **Commercial Tort Claims.** Borrowers shall promptly notify Agent in writing if any Borrower has a Commercial Tort Claim (other than, as long as no Event of Default exists, a Commercial Tort Claim for less than \$500,000), shall promptly amend **Schedule 9.1.16** to include such claim, and shall take such actions as Agent deems appropriate to subject such claim to a duly perfected, first priority Lien in favor of Agent (subject only to the Lien in favor of the Term Loan Agent and any other Permitted First Lien Debt on such claim).

7.3.2 **Certain After-Acquired Collateral.** Borrowers shall promptly notify Agent in writing if, after the Closing Date, any Borrower obtains any interest in any Collateral consisting of Chattel Paper, Documents, Instruments, Investment Property or Letter-of-Credit Rights with a value in excess of \$500,000 for any such item of Collateral and, upon Agent's reasonable request, shall promptly take such actions as Agent deems appropriate to effect Agent's duly perfected, first priority Lien upon such Collateral, including obtaining any appropriate possession or control agreement or Lien Waiver. Notwithstanding anything herein to the contrary, no Borrower shall take any action to perfect or record any security interest in any part of the Collateral under the laws of any jurisdiction outside of the United States of America. If any Collateral is in the possession of a third party, at Agent's request, Borrowers shall use commercially reasonable efforts to obtain an acknowledgment that such third party holds the Collateral for the benefit of Agent.

7.4 Limitations. The Lien on Collateral granted under any Loan Document is given as security only and shall not subject Agent or any Lender to, or in any way modify, any obligation or liability of Obligors relating to any Collateral. In no event shall the grant of any Lien under any Loan Document secure an Excluded Swap Obligation of the granting Obligor.

7.5 Further Assurances. All Liens granted to Agent under the Loan Documents are for the benefit of Secured Parties. Promptly upon Agent's reasonable request, Obligors shall deliver such instruments and agreements, and shall take such actions, as Agent reasonably deems appropriate under Applicable Law to evidence or perfect its Lien on any Collateral, or otherwise to give effect to the intent of this Agreement. Each Obligor authorizes Agent to file any financing statement that describes the Collateral as "all assets" or "all personal property" of such Obligor, or words to similar effect, and ratifies any action taken by Agent before the Closing Date to effect or perfect its Lien on any Collateral.

SECTION 8. COLLATERAL ADMINISTRATION

8.1 Borrowing Base Certificates. By the 15th day of each month, Borrowers shall deliver to Agent (and Agent shall promptly deliver same to Lenders) a Borrowing Base Certificate prepared as of the close of business of the previous month, and at such other times as Agent may request; provided that during any Reporting Trigger Period, Borrowers shall deliver a Borrowing Base Certificate within two

Business Days after the end of each calendar week. All calculations of Availability in any Borrowing Base Certificate shall originally be made by Borrowers and certified by a Senior Officer, provided that Agent may from time to time review and adjust any such calculation (a) to reflect its reasonable estimate of declines in value of any Collateral, due to collections received in the Dominion Account or otherwise; (b) to adjust advance rates to reflect changes in dilution, quality, mix and other factors affecting Collateral; and (c) to the extent the calculation is not made in accordance with this Agreement or does not accurately reflect the Availability Reserve.

8.2 Administration of Accounts.

8.2.1 Records and Schedules of Accounts. Each Borrower shall keep accurate and complete records of its Accounts, including all payments and collections thereon, and shall submit to Agent sales, collection, reconciliation and other reports in form reasonably satisfactory to Agent, on such periodic basis as Agent may request. Each Borrower shall also provide to Agent, on or before the 15th day of each month, a detailed aged trial balance of all Accounts as of the end of the preceding month, specifying each Account's Account Debtor name and address, amount, invoice date and due date, showing any discount, allowance, credit, authorized return or dispute, and including such proof of delivery, copies of invoices and invoice registers, copies of related documents, repayment histories, status reports and other information as Agent may reasonably request. If Accounts in an aggregate face amount of \$750,000 or more cease to be Eligible Accounts, Borrowers shall notify Agent of such occurrence promptly (and in any event within one Business Day) after any Borrower has knowledge thereof.

8.2.2 Taxes. If an Account of any Borrower includes a charge for any Taxes, Agent is authorized, in its discretion, to pay the amount thereof to the proper taxing authority for the account of such Borrower and to charge Borrowers therefor; provided, however, that neither Agent nor Lenders shall be liable for any Taxes that may be due from Borrowers or with respect to any Collateral.

8.2.3 Account Verification. Whether or not a Default or Event of Default exists, Agent shall have the right at any time, in the name of Agent, any designee of Agent or any Borrower, to verify the validity, amount or any other matter relating to any Accounts of Borrowers by mail, telephone or otherwise. Borrowers shall cooperate fully with Agent in an effort to facilitate and promptly conclude any such verification process.

8.2.4 Maintenance of Dominion Account. Obligors shall maintain Dominion Accounts pursuant to lockbox or other arrangements reasonably acceptable to Agent. Obligors shall obtain a Deposit Account Control Agreement or a Securities Account Control Agreement, in each case in form and substance reasonably satisfactory to Agent, from each lockbox servicer and Dominion Account bank, establishing Agent's control over and first priority perfected Lien in the lockbox or Dominion Account, requiring the immediate deposit of all remittances received in any lockbox to a Dominion Account, and waiving offset rights of such servicer or bank, except for customary administrative charges. Prior to a Cash Dominion Period, Agent shall not deliver a notice of Exclusive Control with respect to any Dominion Account. During a Cash Dominion Trigger Period, each Obligor hereby irrevocably waives the right to direct the application of funds in a Dominion Account and agrees that Agent may and, upon the written direction of the Required Lenders given at any time during such Cash Dominion Trigger Period, shall deliver a notice of exclusive control (as described in each Deposit Account Control Agreement) to each Dominion bank for each Dominion Account, and thereafter require immediate transfer of all funds in such account to a Dominion Account maintained with Bank of America. Agent and Lenders assume no responsibility to Borrowers for any lockbox arrangement or Dominion Account, including any claim of accord and satisfaction or release with respect to any Payment Items accepted by any bank. Promptly following the commencement of any Cash Dominion Trigger Period, each Borrower shall give notice reasonably satisfactory to Agent to each credit card processor that processes its credit card receivables to require it to make daily transfers of the payments due from such processor to a Dominion Account.

8.2.5 Proceeds of Collateral. Borrowers shall request in writing and otherwise take all necessary steps to ensure that all payments on Accounts or otherwise relating to Collateral are made directly to a Dominion Account (or a lockbox relating to a Dominion Account). If any Borrower or Subsidiary receives cash or Payment Items with respect to any Collateral, it shall hold same in trust for Agent and promptly (not later than the next Business Day) deposit same into a Dominion Account. During any Cash Dominion Trigger Period, all amounts in any Dominion Account and all payments on Accounts or otherwise relating to ABL Priority Collateral shall be applied to the Obligations on each Business Day as provided in **Section 5.6**.

8.3 Administration of Inventory.

8.3.1 Records and Reports of Inventory. Each Borrower shall keep accurate and complete records of its Inventory, including costs and daily withdrawals and additions, and shall submit to Agent inventory and reconciliation reports in form reasonably satisfactory to Agent, on such periodic basis as Agent may request. Each Borrower shall conduct periodic cycle counts consistent with historical practices, and shall provide to Agent a report based on each such inventory and count promptly upon completion thereof, together with such supporting information as Agent may request. Agent may participate in and observe each physical count.

8.3.2 Returns of Inventory. No Borrower shall return any Inventory to a supplier, vendor or other Person, whether for cash, credit or otherwise, unless (a) such return is in the Ordinary Course of Business; (b) no Default, Event of Default or Overadvance exists or would result therefrom; (c) Agent is promptly notified if the aggregate Value of all Inventory returned in any month exceeds \$2,500,000; and (d) any payment received by a Borrower for a return is promptly remitted to Agent for application to the Obligations.

8.3.3 Acquisition, Sale and Maintenance. No Borrower shall acquire or accept any Inventory on consignment or approval, and shall take all steps to assure that all Inventory is produced in accordance with Applicable Law, including the FLSA. No Borrower shall sell any Inventory on consignment or approval or any other basis under which the customer may return or require a Borrower to repurchase such Inventory. Borrowers shall use, store and maintain all Inventory with reasonable care and caution, in accordance with applicable standards of any insurance and in conformity with all Applicable Law.

8.4 Administration of Equipment.

8.4.1 Records and Schedules of Equipment. Each Borrower shall keep accurate and complete records of its Equipment, including kind, quality, quantity, cost, acquisitions and dispositions thereof, and shall submit to Agent, on such periodic basis as Agent may request, a current schedule thereof, in form satisfactory to Agent. Promptly upon request, Borrowers shall deliver to Agent evidence of their ownership or interests in any Equipment.

8.4.2 Dispositions of Equipment. No Borrower shall sell, lease or otherwise dispose of any Equipment, without the prior written consent of Agent, other than a Permitted Asset Disposition.

8.4.3 Condition of Equipment. The Equipment is in good operating condition and repair, and all necessary replacements and repairs have been made so that the value and operating efficiency of the Equipment is preserved at all times, reasonable wear and tear excepted except as could not reasonably be expected to result in a Material Adverse Effect. No Borrower shall permit any Equipment to become affixed to real Property unless any landlord or mortgagee delivers a Lien Waiver.

8.5 Administration of Deposit Accounts and Securities Accounts. Schedule 8.5 sets forth all Deposit Accounts and Securities Accounts maintained by Obligors, including all Dominion Accounts and all credit card processors or issuers of Borrowers. Each Obligor shall obtain a Deposit Account Control Agreement or a Securities Account Control Agreement, in each case in form and substance satisfactory to Agent, from each lockbox servicer and each institution maintaining a Deposit Account or Securities Account, as applicable, establishing Agent's control over each such Deposit Account and each such Securities Account (other than (w) the Excluded Accounts (as defined in the Guarantee and Collateral Agreement), (x) an account exclusively used for payroll, payroll taxes or employee benefits, (y) a zero balance disbursement account, or (z) an account containing not more than \$150,000 at any time, provided, however that amounts on deposit in all such accounts under this **clause (z)** do not exceed \$1,000,000 at any time). Each Obligor shall be the sole account holder of each Deposit Account and each Securities Account and shall not allow any other Person (other than Agent, and, solely to the extent provided for in the Intercreditor Agreement and each Deposit Account Control Agreement or Securities Account Control Agreement, Term Loan Agent) to have control over a Deposit Account, Securities Account or any Property deposited therein. During a Cash Dominion Trigger Period, each Obligor hereby agrees that Agent may and, upon the written direction of the Required Lenders given at any time during such Cash Dominion Trigger Period, shall deliver a notice of exclusive control (as described in each Deposit Account Control Agreement) to each institution maintaining a Deposit Account covered by a Deposit Account Control Agreement, and thereafter require immediate transfer of all funds in such account to a Dominion Account maintained with Bank of America; provided that unless the Term Loan Agent otherwise consents, Agent shall not deliver a notice of exclusive control with respect to the Term Priority Collateral Account unless the Discharge of Term Obligations (as defined in the Intercreditor Agreement) has occurred. Each Obligor shall promptly notify Agent of any opening or closing of a Deposit Account or Securities Account and, with the consent of Agent, will amend **Schedule 8.5** to reflect same, which amendment shall be effective notwithstanding any other requirements set forth herein relating to the approval of amendments. Obligors will use commercially reasonable efforts to, by no later than February 28, 2014, maintain Agent as their principal depository bank, including for the maintenance of operating accounts, Deposit Accounts, lockbox administration, funds transfer, information reporting services and other treasury management services; provided that Agent's fees and expenses in connection with such Bank Products shall be customary for current market conditions. In no event shall any proceeds of ABL Priority Collateral be deposited in a Deposit Account or Securities Account maintained with the Term Loan Agent or any lender under the Term Loan Facility unless such Person is Agent or is also a Lender hereunder.

8.6 General Provisions.

8.6.1 Location of Collateral. All tangible items of Collateral, other than Inventory in transit, shall at all times be kept by Borrowers at the business locations set forth in **Schedule 8.6.1**, except that Borrowers may (a) make sales or other dispositions of Collateral in accordance with **Section 10.2.6**; and (b) move Collateral to another location in the United States, upon 20 Business Days prior written notice to Agent.

8.6.2 Insurance of Collateral; Condemnation Proceeds.

(a) Each Obligor shall maintain insurance with respect to the Collateral, covering casualty, hazard, theft, malicious mischief, flood and other risks, in amounts, with endorsements and with insurers (with a Best's Financial Strength Rating of at least A+, unless otherwise approved by Agent in its discretion) reasonably satisfactory to Agent. Subject to the terms of the Intercreditor Agreement, all proceeds under each policy shall be payable to Agent. From time to time upon request, Obligors shall deliver to Agent the originals or certified copies of its insurance policies and updated flood plain searches. Unless Agent shall agree otherwise and except as provided in the Intercreditor Agreement, each policy shall include satisfactory endorsements (i) showing Agent as loss payee (as its interests may appear in accordance with the Intercreditor Agreement); (ii) requiring 30 days prior written notice to Agent in the event of cancellation of the policy for any reason whatsoever; and (iii) specifying that the interest of Agent shall not be impaired or invalidated by any act or neglect of any Obligor or the owner of the

Property, nor by the occupation of the premises for purposes more hazardous than are permitted by the policy. If any Obligor fails to provide and pay for any insurance, Agent may, at its option, but shall not be required to, procure the insurance and charge Obligors therefor. Each Obligor agrees to deliver to Agent, promptly as rendered, copies of all reports made to insurance companies. While no Event of Default exists, Obligors may settle, adjust or compromise any insurance claim, as long as the proceeds are delivered to Agent. If an Event of Default exists, only Agent shall be authorized to settle, adjust and compromise such claims.

(b) Subject to the terms of the Intercreditor Agreement so long as the Term Loan Facility is in effect, (i) any proceeds of insurance (other than proceeds from workers' compensation or D&O insurance) and any awards arising from condemnation of any Collateral shall be paid to Agent and (ii) any such proceeds or awards that relate to Inventory shall be applied to payment of the Loans, and then to other Obligations. Subject to the Intercreditor Agreement so long as the Term Loan Facility is in effect, any proceeds or awards that relate to Equipment or Real Estate (or any other property that is not ABL Priority Collateral (as defined in the Intercreditor Agreement)) shall be applied in accordance with the Term Loan Facility, then to the Loans and then to other Obligations.

8.6.3 Protection of Collateral. All expenses of protecting, storing, warehousing, insuring, handling, maintaining and shipping any Collateral, all Taxes payable with respect to any Collateral (including any sale thereof), and all other payments required to be made by Agent to any Person to realize upon any Collateral, shall be borne and paid by Borrowers. Agent shall not be liable or responsible in any way for the safekeeping of any Collateral, for any loss or damage thereto (except for reasonable care in its custody while Collateral is in Agent's actual possession), for any diminution in the value thereof, or for any act or default of any warehouseman, carrier, forwarding agency or other Person whatsoever, but the same shall be at Borrowers' sole risk.

8.6.4 Defense of Title. Each Borrower shall defend its title to Collateral and Agent's Liens therein against all Persons, claims and demands, except Permitted Liens.

SECTION 9. REPRESENTATIONS AND WARRANTIES

9.1 General Representations and Warranties. To induce Agent and Lenders to enter into this Agreement and to make available the Commitments, Loans and Letters of Credit, each Obligor (or, in the case of **Section 9.1.6**, each Borrower) represents and warrants that:

9.1.1 Organization and Qualification. Each Obligor and its Subsidiaries is duly organized, validly existing and in good standing under the laws of the jurisdiction of its organization. Each Obligor and its Subsidiaries is duly qualified, authorized to do business and in good standing as a foreign corporation in each jurisdiction where failure to be so qualified could reasonably be expected to have a Material Adverse Effect.

9.1.2 Power and Authority. Each Obligor is duly authorized to execute, deliver and perform its obligations under the Loan Documents to which it is a party. The execution, delivery and performance of the Loan Documents to which such Obligor is a party have been duly authorized by all necessary action, and do not (a) require any consent or approval of any holders of Equity Interests of any Obligor, except those already obtained; (b) contravene the Organic Documents of any Obligor; (c) violate or cause a default under any Applicable Law or Material Contract; or (d) result in or require imposition of a Lien (other than Permitted Liens) on any Obligor's Property.

9.1.3 Enforceability. Each Loan Document is a legal, valid and binding obligation of each Obligor party thereto, enforceable in accordance with its terms, except as enforceability may be limited by bankruptcy, insolvency, fraudulent conveyance, fraudulent transfer, reorganization, moratorium or similar laws affecting the enforcement of creditors' rights generally and by general equitable principles (whether enforcement is sought by proceedings in equity or at law).

9.1.4 Capital Structure. Schedule 9.1.4 shows the Company's legal name and jurisdiction of organization. Schedule 9.1.4 shows, for each Subsidiary of Company, its name, jurisdiction of organization, authorized and issued Equity Interests, holders of its Equity Interests, and agreements binding on such holders with respect to such Equity Interests. Except as disclosed on Schedule 9.1.4, in the five years preceding the Closing Date, no Obligor nor any of its Subsidiaries has acquired any substantial assets from any other Person nor been the surviving entity in a merger or combination. Each Obligor has good title to its Equity Interests in its Subsidiaries, subject only to Agent's Lien and the Lien in favor of Term Loan Agent under the Term Loan Documents, and all such Equity Interests are duly issued, fully paid and non-assessable. There are no outstanding purchase options, warrants, subscription rights, agreements to issue or sell, convertible interests, phantom rights or powers of attorney relating to Equity Interests of any Subsidiaries or its Subsidiaries.

9.1.5 Title to Properties; Priority of Liens. Each Obligor and its Subsidiaries has, in all material respects, good and marketable title to (or valid leasehold interests in) all of its material Real Estate, and good title to all of its material personal Property, including all Property reflected in any financial statements delivered to Agent or Lenders, in each case free of Liens except Permitted Liens, except in each case as could not reasonably be expected to have a Material Adverse Effect. Each Obligor and its Subsidiaries has paid and discharged or is being Properly Contested all lawful claims that, if unpaid, could become a Lien on its Properties, other than Permitted Liens. All Liens of Agent in the Collateral are duly perfected, first priority Liens, subject only to the Intercreditor Agreement and Permitted Liens that are expressly allowed to have priority over Agent's Liens.

9.1.6 Accounts. Agent may rely, in determining which Accounts are Eligible Accounts, on all statements and representations made by Borrowers with respect thereto. Borrowers warrant, with respect to each Account at the time it is shown as an Eligible Account in a Borrowing Base Certificate, that:

(a) it is genuine and in all respects what it purports to be, and is not evidenced by a judgment;

(b) it arises out of a completed, *bona fide* sale and delivery of goods or rendition of services in the Ordinary Course of Business, and substantially in accordance with any purchase order, contract or other document relating thereto;

(c) it is for a sum certain, maturing as stated in the invoice covering such sale or rendition of services, a copy of which has been furnished or is available to Agent on request;

(d) it is not subject to any offset, Lien (other than Agent's Lien and the Lien in favor of Term Loan Agent under the Term Loan Documents), deduction, defense, dispute, counterclaim or other adverse condition except as arising in the Ordinary Course of Business and disclosed to Agent; and it is absolutely owing by the Account Debtor, without contingency in any respect;

(e) the applicable Borrower is the sole payee or remittance party shown on the invoice for the Account;

(f) no extension, compromise, settlement, modification, credit, deduction or return has been authorized with respect to the Account, except discounts or allowances granted in the Ordinary Course of Business for prompt payment that are reflected on the face of the invoice related thereto and in the reports submitted to Agent hereunder; and

(g) to the best of Borrowers' knowledge, (i) there are no facts or circumstances that are reasonably likely to impair the enforceability or collectability of such Account; (ii) the Account Debtor had the capacity to contract when the Account arose, continues to meet the applicable Borrower's customary credit standards, is Solvent, is not contemplating or subject to an Insolvency Proceeding, and has not failed, or suspended or ceased doing business; and (iii) there are no proceedings or actions threatened or pending against any Account Debtor that could reasonably be expected to have a material adverse effect on the Account Debtor's financial condition.

9.1.7 Financial Statements. The consolidated and consolidating balance sheets, and related statements of income, cash flow and shareholders' equity, of Company and its Subsidiaries that have been and are hereafter delivered to Agent and Lenders, are prepared in accordance with GAAP, and fairly present the financial positions and results of operations of Company and its Subsidiaries at the dates and for the periods indicated. All projections delivered from time to time to Agent and Lenders have been prepared in good faith, based on reasonable assumptions in light of the circumstances at such time. Since April 28, 2012, there has been no change in the condition, financial or otherwise, of any Borrower or Subsidiary that could reasonably be expected to have a Material Adverse Effect (excluding the Bankruptcy Proceedings and any historical events associated with the Bankruptcy Proceedings, and any events that customarily occur as part of a proceeding under Chapter 11 of the Bankruptcy Code). No financial statement delivered to Agent or Lenders at any time contains any untrue statement of a material fact, nor fails to disclose any material fact necessary to make such statement not materially misleading. Company and each of its Subsidiaries, on a consolidated basis, are Solvent.

9.1.8 Surety Obligations. No Obligor nor any of its Subsidiaries is obligated as surety or indemnitor under any bond or other contract that assures payment or performance of any obligation of any Person, except as permitted hereunder.

9.1.9 Taxes. Each Obligor and its Subsidiaries has filed all material federal, state and local tax returns and other reports that it is required by law to file, and has paid, or made provision for the payment of, all material Taxes upon it, its income and its Properties that are due and payable, except to the extent being Properly Contested. The provision for Taxes on the books of each Obligor and its Subsidiaries is adequate for all years not closed by applicable statutes, and for its current Fiscal Year.

9.1.10 Brokers. There are no brokerage commissions, finder's fees or investment banking fees payable in connection with any transactions contemplated by the Loan Documents.

9.1.11 Intellectual Property. Each Obligor and its Subsidiaries owns or is licensed to use all Intellectual Property material to its respective business, and neither the use thereof nor the conduct of their respective businesses infringes, misappropriates or otherwise violates the Intellectual Property rights of any other Person, except for any such infringements, misappropriations and other violations that could not reasonably be expected, individually or in the aggregate, to result in a Material Adverse Effect.

9.1.12 Governmental Approvals. Each Obligor and its Subsidiaries has, is in compliance with, and is in good standing with respect to, all Governmental Approvals necessary to conduct its business and to own, lease and operate its Properties. All necessary import, export or other licenses, permits or certificates for the import or handling of any goods or other Collateral have been procured and are in effect, and Obligors and their Subsidiaries have complied with all foreign and domestic laws with respect to the shipment and importation of any goods or Collateral, except where noncompliance could not reasonably be expected to have a Material Adverse Effect.

9.1.13 Compliance with Laws. Each Obligor and its Subsidiaries has duly complied, and its Properties and business operations are in compliance, in all material respects with all Applicable Law, except where noncompliance could not reasonably be expected to have a Material Adverse Effect. There have been no citations, notices or orders of material noncompliance issued to any Obligor or any of its Subsidiaries under any Applicable Law that could reasonably be expected to have a Material Adverse Effect. No Inventory has been produced in violation of the FLSA.

9.1.14 Compliance with Environmental Laws. Except as disclosed on **Schedule 9.1.14** or as could not reasonably be expected, individually or in the aggregate, to have a Material Adverse Effect, (i) no Obligor's nor any of its Subsidiaries' past or present operations, Real Estate or other Properties are subject to any federal, state or local investigation to determine whether any remedial action is needed to address any environmental pollution, hazardous material or environmental clean-up; (ii) no Obligor nor any of its Subsidiaries has received any Environmental Notice; and (iii) no Obligor nor any of its Subsidiaries has any contingent liability with respect to any Environmental Release, environmental pollution or hazardous material on any Real Estate now or previously owned, leased or operated by it.

9.1.15 Burdensome Contracts. No Obligor nor any of its Subsidiaries is party or subject to any Restrictive Agreement, except as shown on **Schedule 9.1.15**. No such Restrictive Agreement prohibits the execution, delivery or performance of any Loan Document by an Obligor.

9.1.16 Litigation. Except as shown on **Schedule 9.1.16**, there are no proceedings or investigations pending or, to any Obligor's knowledge, threatened against any Obligor or any of its Subsidiaries, or any of their businesses, operations, Properties, prospects or conditions, that (a) relate to any Loan Documents or transactions contemplated thereby; or (b) could reasonably be expected to have a Material Adverse Effect if determined adversely to any Obligor or any of its Subsidiaries. Except as shown on such Schedule, no Obligor has a Commercial Tort Claim (other than, as long as no Default or Event of Default exists, a Commercial Tort Claim for less than \$500,000). No Obligor nor any of its Subsidiaries is in default with respect to any order, injunction or judgment of any Governmental Authority, except where such violation or default could not reasonably be expected to result in a Material Adverse Effect.

9.1.17 No Defaults. No event or circumstance has occurred or exists that constitutes a Default or Event of Default. No Obligor nor any of its Subsidiaries is in default, and no event or circumstance has occurred or exists that with the passage of time or giving of notice would constitute a default, under any Material Contract.

9.1.18 ERISA. Except as disclosed on **Schedule 9.1.18**:

(a) Except as could not reasonably be expected to result in a Material Adverse Effect, (i) each Plan is in compliance in all material respects with the applicable provisions of ERISA, the Code, and other federal and state laws and (ii) each Plan that is intended to qualify under Section 401(a) of the Code has received a favorable determination letter from the IRS or an application for such a letter is currently being processed by the IRS with respect thereto and, to the knowledge of Borrowers, nothing has occurred which would prevent, or cause the loss of, such qualification.

(b) There are no pending or, to the knowledge of Borrowers, threatened claims, actions or lawsuits, or action by any Governmental Authority, with respect to any Plan that could reasonably be expected to have a Material Adverse Effect. There has been no prohibited transaction or violation of the fiduciary responsibility rules with respect to any Plan that has resulted in or could reasonably be expected to have a Material Adverse Effect.

(c) Except as could not reasonably be expected to result in a Material Adverse Effect, (i) no ERISA Event has occurred or is reasonably expected to occur; (ii) no Pension Plan has any Unfunded Pension Liability; (iii) no Obligor or ERISA Affiliate has incurred, or reasonably expects to incur, any liability (and no event has occurred which, with the giving of notice under Section 4219 of ERISA, would result in such liability) under Section 4201 or 4243 of ERISA with respect to a Multiemployer Plan; and (iv) no Obligor or ERISA Affiliate has engaged in a transaction that could reasonably be expected to be subject to Section 4069 or 4212(c) of ERISA.

(d) Except as would not reasonably be expected to have a Material Adverse Effect, with respect to any Foreign Plan, (i) all employer and employee contributions required by law or by the terms of the Foreign Plan have been made, or, if applicable, accrued, in accordance with normal accounting practices; (ii) the fair market value of the assets of each funded Foreign Plan, the liability of each insurer for any Foreign Plan funded through insurance, or the book reserve established for any Foreign Plan, together with any accrued contributions, is sufficient to procure or provide for the accrued benefit obligations with respect to all current and former participants in such Foreign Plan according to the actuarial assumptions and valuations most recently used to account for such obligations in accordance with applicable generally accepted accounting principles; and (iii) it has been registered as required and has been maintained in good standing with applicable regulatory authorities.

9.1.19 Trade Relations. There exists no actual or threatened termination, limitation or modification of any business relationship between any Obligor or its Subsidiaries and any customer or supplier, or any group of customers or suppliers, who individually or in the aggregate are material to the business of such Obligor or Subsidiary. There exists no condition or circumstance that could reasonably be expected to impair the ability of any Borrower or Subsidiary to conduct its business at any time hereafter in substantially the same manner as conducted on the Closing Date.

9.1.20 Labor Relations. Except as described on **Schedule 9.1.20**, no Obligor nor any of its Subsidiaries is party to or bound by any collective bargaining agreement, management agreement or consulting agreement. Except as could not reasonably be expected to result in a Material Adverse Effect, there are no material grievances, disputes or controversies with any union or other organization of any Borrower's or Subsidiary's employees, or, to any Borrower's knowledge, any asserted or threatened strikes, work stoppages or demands for collective bargaining.

9.1.21 Payable Practices. No Obligor nor any of its Subsidiaries has made any material change in its historical accounts payable practices from those in effect on the Closing Date.

9.1.22 Not a Regulated Entity. No Obligor is (a) an "investment company" or a "person directly or indirectly controlled by or acting on behalf of an investment company" within the meaning of the Investment Company Act of 1940; or (b) subject to regulation under the Federal Power Act, the Interstate Commerce Act, any public utilities code or any other Applicable Law regarding its authority to incur Indebtedness.

9.1.23 Margin Stock. No Borrower or Subsidiary is engaged, principally or as one of its important activities, in the business of extending credit for the purpose of purchasing or carrying any Margin Stock. No Loan proceeds or Letters of Credit will be used by Borrowers to purchase or carry, or to reduce or refinance any Indebtedness incurred to purchase or carry, any Margin Stock or for any related purpose governed by Regulations T, U or X of the Board of Governors.

9.1.24 OFAC. No Obligor nor any of its Subsidiaries, nor to the knowledge of any Obligor or Subsidiary, any director, officer, employee, agent, affiliate or representative thereof, is an individual or entity currently the subject of any Sanctions. No Obligor nor any of its Subsidiaries is located, organized or resident in a Designated Jurisdiction. Each Obligor and its Subsidiaries is in compliance with the Patriot Act.

9.1.25 Use of Proceeds. The proceeds of Loans shall be used by Borrowers (a) to repay the DIP Facilities (specifically, all of the ABL DIP and part of the Ad-Hoc DIP), (b) to fund certain fees and expenses associated with the closing of this credit facility and the Transactions, (c) to repay certain costs and expenses required to be paid in connection with the emergence from chapter 11 of Borrowers

and certain of their Subsidiaries (including, but not limited to, administrative costs, cure costs and potentially to fund cash out options for trade and other unsecured claims), (d) to provide for working capital and (e) for general corporate purposes (including, without limitation, for Permitted Acquisitions and Capital Expenditures).

9.1.26 Designation as Senior Debt. All Obligations are designated as “Designated Senior Indebtedness” or “Senior Debt” (or any other defined term having a similar purpose) under, and as defined in, any indenture or other agreement related to Subordinated Debt.

9.1.27 Security Documents. The Guarantee and Collateral Agreement is effective to create in favor of Agent, for the benefit of Lenders and other Secured Parties, a valid and enforceable security interest in the Collateral described therein and proceeds thereof, to the extent contemplated by the Guarantee and Collateral Agreement. Subject to **Section 10.1.15**, all actions have been taken or will be taken promptly following the Closing Date which are necessary to cause the Guarantee and Collateral Agreement to constitute, to the extent contemplated by the Guarantee and Collateral Agreement and this Agreement, a fully perfected Lien on, and security interest in, all right, title and interest of Obligor in the Collateral and the proceeds thereof, as security for the Obligations, in each case prior and superior in right to any other Person, except in the case of (a) Permitted Liens, to the extent any such Permitted Liens would have priority over the Liens in favor of Agent pursuant to any applicable law, or as otherwise permitted by this Agreement and (b) Liens perfected only by possession or control (including possession of any certificate of title) to the extent Agent has not obtained or does not maintain possession or control of such Collateral.

9.2 Accuracy of Information, Etc. None of the information, report, financial statement, exhibit or schedule (excluding the projections, forecasts or other forward-looking information and financial information referred to below) furnished by or on behalf of Borrowers to Agent or any Lender in connection with the negotiation of any Loan Document or included therein or delivered pursuant thereto contained, contains or will contain as of the date the same was or is furnished any material misstatement of fact or omitted, omits or will omit to state any material fact necessary to make the statements therein, in the light of the circumstances under which they were, are or will be made, not materially misleading; provided that, to the extent any such information, report, financial statement, exhibit or schedule was based upon or constitutes a forecast or projection, Borrowers represent and warrant only that such materials are based upon good faith estimates and assumptions believed by management to be reasonable at the time made, in light of the circumstances under which they were made and at the time furnished (and based upon accounting principles consistent with the historical audited financial statements of Borrowers), and due care in the preparation of such information, report, financial statement, exhibit or schedule (it being understood that forecasts and projections are subject to uncertainties and that there can be no assurance such results will be achieved).

SECTION 10. COVENANTS AND CONTINUING AGREEMENTS

10.1 Affirmative Covenants. As long as any Commitments or Obligations are outstanding, each Obligor shall, and shall cause each Subsidiary to:

10.1.1 Inspections; Appraisals; Maintenance of Books and Records.

Enter into or be party to any transaction with an Affiliate, except (a) transactions expressly permitted by the Loan Documents; (b) payment of reasonable compensation to officers and employees for services actually rendered, and payment of customary directors' fees and indemnities; (c) transactions solely among Obligors; (d) transactions with Affiliates consummated prior to the Closing Date, as shown on **Schedule 10.2.17**; (e) transactions with Affiliates in the Ordinary Course of Business, upon fair and reasonable terms fully disclosed to Agent and no less favorable than would be obtained in a comparable arm's-length transaction with a non-Affiliate; or (f) any transaction with a value (or series of related transactions with an aggregate value) of less than \$1,000,000.

10.2.18 Plans. Become party to any Multiemployer Plan or Foreign Plan, other than any in existence on the Closing Date or establish any defined benefit plan.

10.2.19 Amendments to Debt.

(a) Amend, supplement or otherwise modify any document, instrument or agreement relating to any Subordinated Debt, if such modification (i) increases the principal balance of such Indebtedness, or increases any required payment of principal or interest; (ii) accelerates the date on which any installment of principal or any interest is due, or adds any additional redemption, put or prepayment provisions; (iii) shortens the final maturity date or otherwise accelerates amortization; (iv) increases the interest rate; (v) increases or adds any fees or charges; (vi) modifies any covenant in a manner or adds any representation, covenant or default that is more onerous or restrictive in any material respect for any Borrower or Subsidiary, or that is otherwise materially adverse to any Borrower, any Subsidiary or Lenders; or (vii) results in the Obligations not constituting “Designated Senior Indebtedness” or “Senior Debt” (or any other defined term having a similar purpose) under, and as defined in, any indenture or other agreement related to such Subordinated Debt, or otherwise not being fully benefited by the subordination provisions thereof.

(b) Amend, supplement or otherwise modify the Term Loan Documents or Term Loan Facility, if such modification (i) shortens the final maturity or decreases the weighted average life; (ii) increases any applicable interest rate margins by more than 3.00% per annum (exclusive, for the avoidance of doubt, of (x) customary arranger fees, upfront fees and “fees to market” and (y) increases in connection with the imposition of a default rate of interest in accordance with the terms of the Term Loan Documents, the application of pricing grid or the incurrence of incremental loans (as in effect on the date hereof or as permitted to be amended hereby) but inclusive of the effect of any LIBOR floor); or (iii) is prohibited by the Intercreditor Agreement.

(c) Amend, supplement or otherwise modify any document, instrument or agreement relating to the Specified Unsecured Prepetition Debt, if such modification (i) provides for any mandatory prepayments (other than in connection with a change of control or to the extent required under Section V.I of the Plan of Reorganization) or requires any cash interest to be paid, in each case, prior to September 30, 2014 or (ii) shortens the final maturity or decreases the weighted average life thereof.

10.2.20 Term Priority Collateral Account. Deposit any proceeds of ABL Priority Collateral in the Term Priority Collateral Account or deposit any proceeds of Term Priority Collateral in any Deposit Account other than the Term Priority Collateral Account.

10.3 Financial Covenant. As long as any Commitments or Obligations are outstanding, Borrowers shall maintain a Fixed Charge Coverage Ratio of at least 1.00 to 1.00 for each period of each period of twelve consecutive calendar months while a Covenant Trigger Period is in effect, commencing with the most recent period for which financial statements were, or were required to be, delivered hereunder prior to the commencement of the Covenant Trigger Period.

SECTION 11. EVENTS OF DEFAULT; REMEDIES ON DEFAULT

11.1 Events of Default. Each of the following shall be an “Event of Default” if it occurs for any reason whatsoever, whether voluntary or involuntary, by operation of law or otherwise:

(a) Any Borrower fails to pay its Obligations when due (whether at stated maturity, on demand, upon acceleration or otherwise);

(b) Any representation, warranty or other written statement of an Obligor made in connection with any Loan Documents or transactions contemplated thereby is incorrect or misleading in any material respect when given;

(c) An Obligor breaches or fail to perform any covenant contained in **Section 8.1, 8.2.4, 8.2.5, 8.5, 8.6.2, 10.1.1, 10.1.2, 10.2** or **10.3**;

(d) An Obligor breaches or fails to perform any other covenant contained in any Loan Documents, and such breach or failure is not cured within 30 days (except that the cure period for any breach under **Section 10.1.16** shall be only five (5) Business Days) after a Senior Officer of such Obligor has knowledge thereof or receives written notice thereof from Agent, whichever is sooner; provided, however, that such notice and opportunity to cure shall not apply if the breach or failure to perform is not capable of being cured within such period or is a willful breach by an Obligor;

(e) A Guarantor repudiates, revokes or attempts to revoke its Guaranty; an Obligor or third party denies or contests the validity or enforceability of any Loan Documents or Obligations, or the perfection or priority of any Lien granted to Agent; or any Loan Document ceases to be in full force or effect for any reason (other than a waiver or release by Agent and Lenders);

(f) Any breach or default of an Obligor occurs under (i) any Hedging Agreement with a net amount payable in excess of \$2,500,000; (ii) any instrument or agreement to which it is a party or by which it or any of its Properties is bound, relating to any Indebtedness (other than the Obligations) in excess of \$2,500,000, if the maturity of or any payment with respect to such Indebtedness may be accelerated or demanded due to such breach, in the case of clause (i) and (ii) after giving effect to any applicable grace periods; or (iii) any "Event of Default" under and as defined in the Term Loan Facility or any refinancing thereof;

(g) Any judgment or order for the payment of money is entered against an Obligor in an amount that exceeds, individually or cumulatively with all unsatisfied judgments or orders against all Obligors, \$5,000,000 (net of insurance coverage therefor that has not been denied by the insurer), unless a stay of enforcement of such judgment or order is in effect, by reason of a pending appeal or otherwise;

(h) A loss, theft, damage or destruction occurs with respect to any ABL Priority Collateral if the amount not covered by insurance exceeds \$2,500,000;

(i) An Obligor is enjoined, restrained or in any way prevented by any Governmental Authority from conducting any material part of its business; an Obligor suffers the loss, revocation or termination of any material license, permit, lease or agreement necessary to its business; there is a cessation of any material part of an Obligor's business for a material period of time; any material Collateral or Property of an Obligor is taken or impaired through condemnation; an Obligor agrees to or commences any liquidation, dissolution or winding up of its affairs except as expressly permitted by **Section 10.2.9**;

(j) An Insolvency Proceeding is commenced by an Obligor; an Obligor makes an offer of settlement, extension or composition to its unsecured creditors generally; a trustee is appointed to take possession of any substantial Property of or to operate any of the business of an Obligor; or an Insolvency Proceeding is commenced against an Obligor and: such Obligor consents to institution of the proceeding, the petition commencing the proceeding is not timely contested by such Obligor, the petition is not dismissed within 30 days after filing, or an order for relief is entered in the proceeding;

(k) (A) An ERISA Event occurs with respect to a Pension Plan or Multiemployer Plan; (B) an Obligor or ERISA Affiliate fails to pay when due any installment payment with respect to its withdrawal liability under Section 4201 of ERISA under a Multiemployer Plan; or (C) any event similar to the foregoing occurs or exists with respect to a Foreign Plan, that in each of **clauses (A) through (C)**, has resulted or would reasonably be expected to result in a Material Adverse Effect;

(l) The Third Lien Subordination Agreement ceases to be in full force or effect for any reason unless as a result of the payment in full of the Junior Obligations (as defined therein) has occurred; or

(m) A Change of Control occurs.

11.2 Remedies upon Default. If an Event of Default described in **Section 11.1(j)** occurs with respect to any Borrower, then to the extent permitted by Applicable Law, all Obligations (other than Secured Bank Product Obligations) shall become automatically due and payable and all Commitments shall terminate, without any action by Agent or notice of any kind. In addition, or if any other Event of Default exists, Agent may in its discretion (and shall upon written direction of Required Lenders) do any one or more of the following from time to time:

(a) declare any Obligations (other than Secured Bank Product Obligations) immediately due and payable, whereupon they shall be due and payable without diligence, presentment, demand, protest or notice of any kind, all of which are hereby waived by Borrowers to the fullest extent permitted by law;

(b) terminate, reduce or condition any Commitment, or make any adjustment to the Borrowing Base;

(c) require Obligors to Cash Collateralize their LC Obligations, Secured Bank Product Obligations and other Obligations that are contingent or not yet due and payable, and, if Obligors fail promptly to deposit such Cash Collateral, Agent may (and shall upon the direction of Required Lenders) advance the required Cash Collateral as Loans (whether or not an Overadvance exists or is created thereby, or the conditions in **Section 6** are satisfied); and

(d) exercise any other rights or remedies afforded under any agreement, by law, at equity or otherwise, including the rights and remedies of a secured party under the UCC. Such rights and remedies include the rights to (i) take possession of any Collateral; (ii) require Borrowers to assemble Collateral, at Borrowers' expense, and make it available to Agent at a place designated by Agent; (iii) enter any premises where Collateral is located and store Collateral on such premises until sold (and if the premises are owned or leased by a Borrower, Borrowers agree not to charge for such storage); and (iv) sell or otherwise dispose of any Collateral in its then condition, or after any further manufacturing or processing thereof, at public or private sale, with such notice as may be required by Applicable Law, in lots or in bulk, at such locations, all as Agent, in its discretion, deems advisable. Each Borrower agrees that 10 days' notice of any proposed sale or other disposition of Collateral by Agent shall be reasonable and that any sale conducted on the internet or to a licensor of Intellectual Property shall be commercially reasonable. Agent may conduct sales on any Obligor's premises, without charge, and any sale may be adjourned from time to time in accordance with Applicable Law. Agent shall have the right to sell, lease or otherwise dispose of any Collateral for cash, credit or any combination thereof, and Agent may purchase any Collateral at public or, if permitted by law, private sale and, in lieu of actual payment of the purchase price, may credit bid and set off the amount of such price against the Obligations.

11.3 License. For purpose of enabling Agent to exercise rights and remedies under this Agreement and the other Loan Documents at such time as Agent shall lawfully be entitled to exercise such rights and remedies, each Obligor hereby grants to Agent an irrevocable, non-exclusive license, sub-license or other right to use, license or sub-license and otherwise exploit (without payment of royalty or other compensation to any Person) any or all Intellectual Property owned by Borrowers; provided, however, that such license (i) shall be subject to those exclusive licenses granted by Borrowers in effect on the date hereof and those granted by any Borrower hereafter, to the extent conflicting, (ii) may be exercised, at the option of Agent, only upon the occurrence and during the continuation of an Event of Default, provided, further, that any license, sublicense or other transaction entered into by Agent in accordance herewith shall be binding upon Borrowers notwithstanding any subsequent cure of an Event of Default and (iii) shall apply to the use of the trademarks or service marks in connection with goods and services of similar type and quality to those theretofore sold by such Borrower under such trademark or service mark. The foregoing license or sublicense shall include access to all media in which any of the

licensed or sublicensed items may be recorded or stored and to all computer programs used for the compilation or printout thereof, subject to and solely to the extent permitted by any existing licenses or agreements relating thereto.

11.4 Setoff. At any time during an Event of Default, Agent, Issuing Bank, Lenders, and any of their Affiliates are authorized, to the fullest extent permitted by Applicable Law, to set off and apply any and all deposits (general or special, time or demand, provisional or final, in whatever currency) at any time held and other obligations (in whatever currency) at any time owing by Agent, Issuing Bank, such Lender or such Affiliate to or for the credit or the account of an Obligor against its Obligations, whether or not Agent, Issuing Bank, such Lender or such Affiliate shall have made any demand under this Agreement or any other Loan Document and although such Obligations may be contingent or unmatured or are owed to a branch or office of Agent, Issuing Bank, such Lender or such Affiliate different from the branch or office holding such deposit or obligated on such indebtedness. The rights of Agent, Issuing Bank, each Lender and each such Affiliate under this **Section 11.4** are in addition to other rights and remedies (including other rights of setoff) that such Person may have.

11.5 Remedies Cumulative; No Waiver.

11.5.1 Cumulative Rights. All agreements, warranties, guaranties, indemnities and other undertakings of Obligors under the Loan Documents are cumulative and not in derogation of each other. The rights and remedies of Agent and Lenders under the Loan Documents are cumulative, may be exercised at any time and from time to time, concurrently or in any order, and are not exclusive of any other rights or remedies available by agreement, by law, at equity or otherwise. All such rights and remedies shall continue in full force and effect until Full Payment of all Obligations.

11.5.2 Waivers. No waiver or course of dealing shall be established by (a) the failure or delay of Agent or any Lender to require strict performance by any Obligor under any Loan Document, or to exercise any rights or remedies with respect to Collateral or otherwise; (b) the making of any Loan or issuance of any Letter of Credit during a Default, Event of Default or other failure to satisfy any conditions precedent; or (c) acceptance by Agent or any Lender of any payment or performance by an Obligor under any Loan Documents in a manner other than that specified therein. Any failure to satisfy a financial covenant on a measurement date shall not be cured or remedied by satisfaction of such covenant on a subsequent date.

SECTION 12. AGENT

12.1 Appointment, Authority and Duties of Agent.

12.1.1 Appointment and Authority. Each Secured Party appoints and designates Bank of America as Agent under all Loan Documents. Agent may, and each Secured Party authorizes Agent to, enter into all Loan Documents to which Agent is intended to be a party and accept all Security Documents. Any action taken by Agent in accordance with the provisions of the Loan Documents, and the exercise by Agent of any rights or remedies set forth therein, together with all other powers reasonably incidental thereto, shall be authorized by and binding upon all Secured Parties. Without limiting the generality of the foregoing, Agent shall have the sole and exclusive authority to (a) act as the disbursing and collecting agent for Lenders with respect to all payments and collections arising in connection with the Loan Documents; (b) execute and deliver as Agent each Loan Document, including the Intercreditor Agreement and any other intercreditor or subordination agreement, and accept delivery of each Loan Document; (c) act as collateral agent for Secured Parties for purposes of perfecting and administering Liens under the Loan Documents, and for all other purposes stated therein; (d) manage, supervise or otherwise deal with Collateral; and (e) take any Enforcement Action or otherwise exercise any rights or remedies with respect to any Collateral or under any Loan Documents, Applicable Law or otherwise. Agent alone shall be authorized to determine eligibility and applicable advance rates under the Borrowing Base, whether to

impose or release any reserve, or whether any conditions to funding or issuance of a Letter of Credit have been satisfied, which determinations and judgments, if exercised in good faith, shall exonerate Agent from liability to any Secured Party or other Person for any error in judgment.

12.1.2 Duties. The title of "Agent" is used solely as a matter of market custom and the duties of Agent are administrative in nature only. Agent has no duties except those expressly set forth in the Loan Documents, and in no event does Agent have any agency, fiduciary or implied duty to or relationship with any Secured Party or other Person by reason of any Loan Document or related transaction. The conferral upon Agent of any right shall not imply a duty to exercise such right, unless instructed to do so by Lenders in accordance with this Agreement.

12.1.3 Agent Professionals. Agent may perform its duties through agents and employees. Agent may consult with and employ Agent Professionals, and shall be entitled to act upon, and shall be fully protected in any action taken in good faith reliance upon, any advice given by an Agent Professional. Agent shall not be responsible for the negligence or misconduct of any agents, employees or Agent Professionals selected by it with reasonable care.

12.1.4 Instructions of Required Lenders. The rights and remedies conferred upon Agent under the Loan Documents may be exercised without the necessity of joining any other party, unless required by Applicable Law. In determining compliance with a condition for any action hereunder, including satisfaction of any condition in **Section 6**, Agent may presume that the condition is satisfactory to a Secured Party unless Agent has received notice to the contrary from such Secured Party before Agent takes the action. Agent may request instructions from Required Lenders or other Secured Parties with respect to any act (including the failure to act) in connection with any Loan Documents or Collateral, and may seek assurances to its satisfaction from Secured Parties of their indemnification obligations against Claims that could be incurred by Agent. Agent may refrain from any act until it has received such instructions or assurances, and shall not incur liability to any Person by reason of so refraining. Instructions of Required Lenders shall be binding upon all Secured Parties, and no Secured Party shall have any right of action whatsoever against Agent as a result of Agent acting or refraining from acting pursuant to instructions of Required Lenders. Notwithstanding the foregoing, instructions by and consent of specific parties shall be required to the extent provided in **Section 14.1.1**. In no event shall Agent be required to take any action that it determines in its discretion is contrary to Applicable Law or any Loan Documents or could subject any Agent Indemnitee to liability.

12.2 Agreements Regarding Collateral and Borrower Materials.

12.2.1 Lien Releases; Care of Collateral. Secured Parties authorize Agent to release any Lien with respect to any Collateral (a) upon Full Payment of the Obligations; (b) that is the subject of a disposition or Lien that Borrowers certify in writing is a Permitted Asset Disposition or Permitted Lien entitled to priority over Agent's Liens (and Agent may rely conclusively on any such certificate without further inquiry); (c) that does not constitute a material part of the Collateral; or (d) subject to **Section 14.1**, with the consent of Required Lenders. Secured Parties authorize Agent to subordinate its Liens to any Purchase Money Lien or other Lien entitled to priority hereunder. Agent has no obligation to assure that any Collateral exists or is owned by an Obligor, or is cared for, protected or insured, nor to assure that Agent's Liens have been properly created, perfected or enforced, or are entitled to any particular priority, nor to exercise any duty of care with respect to any Collateral.

12.2.2 Possession of Collateral. Agent and Secured Parties appoint each Lender as agent (for the benefit of Secured Parties) for the purpose of perfecting Liens in any Collateral held or controlled by such Lender, to the extent such Liens are perfected by possession or control. If any Lender obtains possession or control of any Collateral, it shall notify Agent thereof and, promptly upon Agent's request, deliver such Collateral to Agent or otherwise deal with it in accordance with Agent's instructions.

12.2.3 **Reports.** Agent shall promptly provide to Lenders, when complete, any field examination, audit or appraisal report prepared for Agent with respect to any Obligor or Collateral (“**Report**”). Reports and other Borrower Materials may be made available to Lenders by providing access to them on the Platform, but Agent shall not be responsible for system failures or access issues that may occur from time to time. Each Lender agrees (a) that Reports are not intended to be comprehensive audits or examinations, and that Agent or any other Person performing an audit or examination will inspect only limited information and will rely significantly upon Borrowers’ books, records and representations; (b) that Agent makes no representation or warranty as to the accuracy or completeness of any Borrower Materials and shall not be liable for any information contained in or omitted from any Borrower Materials, including any Report; and (c) to keep all Borrower Materials confidential and strictly for such Lender’s internal use, not to distribute any Report or other Borrower Materials (or the contents thereof) to any Person (except to such Lender’s Participants, attorneys and accountants), and to use all Borrower Materials solely for administration of the Obligations. Each Lender shall indemnify and hold harmless Agent and any other Person preparing a Report from any action such Lender may take as a result of or any conclusion it may draw from any Borrower Materials, as well as from any Claims arising as a direct or indirect result of Agent furnishing same to such Lender, via the Platform or otherwise.

12.3 Reliance By Agent. Agent shall be entitled to rely, and shall be fully protected in relying, upon any certification, notice or other communication (including those by telephone, telex, telegram, telecopy or e-mail) believed by it to be genuine and correct and to have been signed, sent or made by the proper Person. Agent shall have a reasonable and practicable amount of time to act upon any instruction, notice or other communication under any Loan Document, and shall not be liable for any delay in acting.

12.4 Action Upon Default. Agent shall not be deemed to have knowledge of any Default or Event of Default, or of any failure to satisfy any conditions in **Section 6**, unless it has received written notice from a Borrower or Required Lenders specifying the occurrence and nature thereof. If any Lender acquires knowledge of a Default, Event of Default or failure of such conditions, it shall promptly notify Agent and the other Lenders thereof in writing. Each Secured Party agrees that, except as otherwise provided in any Loan Documents or with the written consent of Agent and Required Lenders, it will not take any Enforcement Action, accelerate Obligations (other than Secured Bank Product Obligations) or assert any rights relating to any Collateral.

12.5 Ratable Sharing. If any Lender obtains any payment or reduction of any Obligation, whether through set-off or otherwise, in excess of its ratable share of such Obligation, such Lender shall forthwith purchase from Secured Parties participations in the affected Obligation as are necessary to share the excess payment or reduction on a Pro Rata basis or in accordance with **Section 5.5.2**, as applicable. If any of such payment or reduction is thereafter recovered from the purchasing Lender, the purchase shall be rescinded and the purchase price restored to the extent of such recovery, but without interest. Notwithstanding the foregoing, if a Defaulting Lender obtains a payment or reduction of any Obligation, it shall immediately turn over the full amount thereof to Agent for application under **Section 4.2.2** and it shall provide a written statement to Agent describing the Obligation affected by such payment or reduction. No Lender shall set off against a Dominion Account without Agent’s prior consent.

12.6 Indemnification. EACH SECURED PARTY SHALL INDEMNIFY AND HOLD HARMLESS AGENT INDEMNITEES AND ISSUING BANK INDEMNITEES, TO THE EXTENT NOT REIMBURSED BY OBLIGORS, ON A PRO RATA BASIS, AGAINST ALL CLAIMS THAT MAY BE INCURRED BY OR ASSERTED AGAINST ANY SUCH INDEMNITEE; PROVIDED THAT ANY CLAIM AGAINST AN AGENT INDEMNITEE RELATES TO OR ARISES FROM ITS ACTING AS OR FOR AGENT (IN THE CAPACITY OF AGENT); PROVIDED FURTHER THAT NO SECURED PARTY SHALL HAVE ANY OBLIGATION TO INDEMNIFY ANY AGENT INDEMNITEE OR ISSUING BANK INDEMNITEE HEREUNDER TO THE EXTENT THAT SUCH CLAIM IS DETERMINED IN A FINAL, NON-APPEALABLE JUDGMENT BY A COURT OF COMPETENT JURISDICTION

TO RESULT FROM THE GROSS NEGLIGENCE OR WILLFUL MISCONDUCT OF SUCH AGENT INDEMNITEE OR ISSUING BANK INDEMNITEE. In Agent's discretion, it may reserve for any Claims made against an Agent Indemnitee or Issuing Bank Indemnitee, and may satisfy any judgment, order or settlement relating thereto, from proceeds of Collateral prior to making any distribution of Collateral proceeds to Secured Parties. If Agent is sued by any receiver, trustee or other Person for any alleged preference or fraudulent transfer, then any monies paid by Agent in settlement or satisfaction of such proceeding, together with all interest, costs and expenses (including attorneys' fees) incurred in the defense of same, shall be promptly reimbursed to Agent by each Secured Party to the extent of its Pro Rata share.

12.7 Limitation on Responsibilities of Agent. Agent shall not be liable to any Secured Party for any action taken or omitted to be taken under the Loan Documents, except for losses directly and solely caused by Agent's gross negligence or willful misconduct. Agent does not assume any responsibility for any failure or delay in performance or any breach by any Obligor, Lender or other Secured Party of any obligations under the Loan Documents. Agent does not make any express or implied representation, warranty or guarantee to Secured Parties with respect to any Obligations, Collateral, Liens, Loan Documents or Obligor. No Agent Indemnitee shall be responsible to Secured Parties for any recitals, statements, information, representations or warranties contained in any Loan Documents or Borrower Materials; the execution, validity, genuineness, effectiveness or enforceability of any Loan Documents; the genuineness, enforceability, collectability, value, sufficiency, location or existence of any Collateral, or the validity, extent, perfection or priority of any Lien therein; the validity, enforceability or collectability of any Obligations; or the assets, liabilities, financial condition, results of operations, business, creditworthiness or legal status of any Obligor or Account Debtor. No Agent Indemnitee shall have any obligation to any Secured Party to ascertain or inquire into the existence of any Default or Event of Default, the observance by any Obligor of any terms of the Loan Documents, or the satisfaction of any conditions precedent contained in any Loan Documents.

12.8 Successor Agent and Co-Agents.

12.8.1 Resignation; Successor Agent. Agent may resign at any time by giving at least 30 days written notice thereof to Lenders and Borrowers. Required Lenders may appoint a successor to replace the resigning Agent, which successor shall be (a) a Lender or an Affiliate of a Lender; or (b) a financial institution reasonably acceptable to Required Lenders and (provided no Default or Event of Default exists) Borrowers. If no successor agent is appointed prior to the effective date of Agent's resignation, then Agent may appoint a successor agent that is a financial institution acceptable to it (which shall be a Lender unless no Lender accepts the role) or in the absence of such appointment, Required Lenders shall on such date assume all rights and duties of Agent hereunder. Upon acceptance by any successor Agent of its appointment hereunder, such successor Agent shall thereupon succeed to and become vested with all the powers and duties of the retiring Agent without further act. On the effective date of its resignation, the retiring Agent shall be discharged from its duties and obligations hereunder but shall continue to have all rights and protections under the Loan Documents with respect to actions taken or omitted to be taken by it while Agent, including the indemnification set forth in **Sections 12.6** and **14.2**, and all rights and protections under this **Section 12**. Any successor to Bank of America by merger or acquisition of stock or this loan shall continue to be Agent hereunder without further act on the part of any Secured Party or Obligor.

12.8.2 Co-Collateral Agent. If appropriate under Applicable Law, Agent may appoint a Person to serve as a co-collateral agent or separate collateral agent under any Loan Document. Each right, remedy and protection intended to be available to Agent under the Loan Documents shall also be vested in such agent. Secured Parties shall execute and deliver any instrument or agreement that Agent may request to effect such appointment. If any such agent shall die, dissolve, become incapable of acting, resign or be removed, then all the rights and remedies of the agent, to the extent permitted by Applicable Law, shall vest in and be exercised by Agent until appointment of a new agent.

12.9 Due Diligence and Non-Reliance. Each Lender acknowledges and agrees that it has, independently and without reliance upon Agent or any other Lenders, and based upon such documents, information and analyses as it has deemed appropriate, made its own credit analysis of each Obligor and its own decision to enter into this Agreement and to fund Loans and participate in LC Obligations hereunder. Each Secured Party has made such inquiries as it feels necessary concerning the Loan Documents, Collateral and Obligors. Each Secured Party acknowledges and agrees that the other Secured Parties have made no representations or warranties concerning any Obligor, any Collateral or the legality, validity, sufficiency or enforceability of any Loan Documents or Obligations. Each Secured Party will, independently and without reliance upon any other Secured Party, and based upon such financial statements, documents and information as it deems appropriate at the time, continue to make and rely upon its own credit decisions in making Loans and participating in LC Obligations, and in taking or refraining from any action under any Loan Documents. Except for notices, reports and other information expressly requested by a Lender, Agent shall have no duty or responsibility to provide any Secured Party with any notices, reports or certificates furnished to Agent by any Obligor or any credit or other information concerning the affairs, financial condition, business or Properties of any Obligor (or any of its Affiliates) which may come into possession of Agent or its Affiliates.

12.10 Remittance of Payments and Collections.

12.10.1 Remittances Generally. All payments by any Lender to Agent shall be made by the time and on the day set forth in this Agreement, in immediately available funds. If no time for payment is specified or if payment is due on demand by Agent and request for payment is made by Agent by 1:00 p.m. on a Business Day, payment shall be made by Lender not later than 3:00 p.m. on such day, and if request is made after 1:00 p.m., then payment shall be made by 11:00 a.m. on the next Business Day. Payment by Agent to any Secured Party shall be made by wire transfer, in the type of funds received by Agent. Any such payment shall be subject to Agent's right of offset for any amounts due from such payee under the Loan Documents.

12.10.2 Failure to Pay. If any Secured Party fails to pay any amount when due by it to Agent pursuant to the terms hereof, such amount shall bear interest, from the due date until paid in full, at the rate determined by Agent as customary for interbank compensation for two Business Days and thereafter at the Default Rate for Base Rate Loans. In no event shall Borrowers be entitled to receive credit for any interest paid by a Secured Party to Agent, nor shall any Defaulting Lender be entitled to interest on any amounts held by Agent pursuant to **Section 4.2**.

12.10.3 Recovery of Payments. If Agent pays an amount to a Secured Party in the expectation that a related payment will be received by Agent from an Obligor and such related payment is not received, then Agent may recover such amount from the Secured Party. If Agent determines that an amount received by it must be returned or paid to an Obligor or other Person pursuant to Applicable Law or otherwise, then Agent shall not be required to distribute such amount to any Secured Party. If any amounts received and applied by Agent to Obligations held by a Secured Party are later required to be returned by Agent pursuant to Applicable Law, such Secured Party shall pay to Agent, on demand, its share of the amounts required to be returned.

12.11 Individual Capacities. As a Lender, Bank of America shall have the same rights and remedies under the Loan Documents as any other Lender, and the terms "Lenders," "Required Lenders" or any similar term shall include Bank of America in its capacity as a Lender. Agent, Lenders and their Affiliates may accept deposits from, lend money to, provide Bank Products to, act as financial or other advisor to, and generally engage in any kind of business with, Obligors and their Affiliates, as if they were not Agent or Lenders hereunder, without any duty to account therefor to any Secured Party. In their individual capacities, Agent, Lenders and their Affiliates may receive information regarding Obligors, their Affiliates and their Account Debtors (including information subject to confidentiality obligations), and shall have no obligation to provide such information to any Secured Party.

12.12 Titles. Each Lender, other than Bank of America, that is designated (on the cover page of this Agreement or otherwise) by Bank of America as an “Arranger,” “Bookrunner” or “Agent” of any type shall have no right, power or duty under any Loan Documents other than those applicable to all Lenders, and shall in no event have any fiduciary duty to any Secured Party.

12.13 Bank Product Providers. Each Secured Bank Product Provider, by delivery of a notice to Agent of a Bank Product, agrees to be bound by the Loan Documents, including **Sections 5.5, 14.3.3 and 12**. Each Secured Bank Product Provider shall indemnify and hold harmless Agent Indemnitees, to the extent not reimbursed by Obligors, against all Claims that may be incurred by or asserted against any Agent Indemnitee in connection with such provider’s Secured Bank Product Obligations.

12.14 No Third Party Beneficiaries. This **Section 12** is an agreement solely among Secured Parties and Agent, and shall survive Full Payment of the Obligations. This **Section 12** does not confer any rights or benefits upon Borrowers or any other Person. As between Borrowers and Agent, any action that Agent may take under any Loan Documents or with respect to any Obligations shall be conclusively presumed to have been authorized and directed by Secured Parties.

12.15 Intercreditor Agreement. Each Lender hereunder (a) consents to the subordination of Liens provided for in the Intercreditor Agreement; (b) agrees that it will be bound by, and will take no actions contrary to, the provisions of the Intercreditor Agreement; (c) authorizes and instructs Agent to enter into the Intercreditor Agreement as ABL Agent on behalf of such holder of “ABL Obligations” (as defined therein); and (d) acknowledges (or is deemed to acknowledge) that a copy of the Intercreditor Agreement was delivered, or made available, to such Lender. Each Lender hereby acknowledges that it has received and reviewed the Intercreditor Agreement.

SECTION 13. BENEFIT OF AGREEMENT; ASSIGNMENTS

13.1 Successors and Assigns. This Agreement shall be binding upon and inure to the benefit of Borrowers, Agent, Lenders, Secured Parties, and their respective successors and assigns, except that (a) no Borrower shall have the right to assign its rights or delegate its obligations under any Loan Documents; and (b) any assignment by a Lender must be made in compliance with **Section 13.3**. Agent may treat the Person which made any Loan as the owner thereof for all purposes until such Person makes an assignment in accordance with **Section 13.3**. Any authorization or consent of a Lender shall be conclusive and binding on any subsequent transferee or assignee of such Lender.

13.2 Participations.

13.2.1 **Permitted Participants; Effect.** Subject to **Section 13.3.3**, any Lender may, sell to a financial institution (“Participant”) a participating interest in the rights and obligations of such Lender under any Loan Documents. Despite any sale by a Lender of participating interests to a Participant, such Lender’s obligations under the Loan Documents shall remain unchanged, it shall remain solely responsible to the other parties hereto for performance of such obligations, it shall remain the holder of its Loans and Commitments for all purposes, all amounts payable by Borrowers shall be determined as if it had not sold such participating interests, and Borrowers and Agent shall continue to deal solely and directly with such Lender in connection with the Loan Documents. Each Lender shall be solely responsible for notifying its Participants of any matters under the Loan Documents, and Agent and the other Lenders shall not have any obligation or liability to any such Participant. A Participant that would be a Foreign Lender if it were a Lender shall not be entitled to the benefits of **Section 5.8** unless Borrowers agree otherwise in writing.

13.2.2 **Voting Rights.** Each Lender shall retain the sole right to approve, without the consent of any Participant, any amendment, waiver or other modification of a Loan Document other than that which forgives principal, interest or fees, reduces the stated interest rate or fees payable with respect

to any Loan or Commitment in which such Participant has an interest, postpones the Commitment Termination Date or any date fixed for any regularly scheduled payment of principal, interest or fees on such Loan or Commitment, or releases any Borrower, Guarantor or substantially all Collateral.

13.2.3 Participant Register. Each Lender that sells a participation shall, acting solely for this purpose as an agent of Borrowers, maintain a register in which it enters the Participant's name, address and interest in Commitments, Loans (and stated interest) and LC Obligations. Entries in the register shall be conclusive, absent manifest error, and such Lender shall treat each Person recorded in the register as the owner of the participation for all purposes, notwithstanding any notice to the contrary. No Lender shall have an obligation to disclose any information in such register except to the extent necessary to establish that a Participant's interest is in registered form under the Code.

13.2.4 Benefit of Setoff. Borrowers agree that each Participant shall have a right of set-off in respect of its participating interest to the same extent as if such interest were owing directly to a Lender, and each Lender shall also retain the right of set-off with respect to any participating interests sold by it. By exercising any right of set-off, a Participant agrees to share with Lenders all amounts received through its set-off, in accordance with **Section 12.5** as if such Participant were a Lender.

13.3 Assignments

13.3.1 Permitted Assignments. A Lender may assign to an Eligible Assignee any of its rights and obligations under the Loan Documents, as long as (a) each assignment is of a constant, and not a varying, percentage of the transferor Lender's rights and obligations under the Loan Documents and, in the case of a partial assignment, is in a minimum principal amount of \$5,000,000 (unless otherwise agreed by Agent in its discretion) and integral multiples of \$1,000,000 in excess of that amount; (b) except in the case of an assignment in whole of a Lender's rights and obligations, the aggregate amount of the Commitments retained by the transferor Lender is at least \$5,000,000 (unless otherwise agreed by Agent in its discretion); and (c) the parties to each such assignment shall execute and deliver to Agent, for its acceptance and recording, an Assignment and Acceptance. Nothing herein shall limit the right of a Lender to pledge or assign any rights under the Loan Documents to secure obligations of such Lender, including a pledge or assignment to a Federal Reserve Bank; provided, however, that no such pledge or assignment shall release the Lender from its obligations hereunder nor substitute the pledge or assignee for such Lender as a party hereto.

13.3.2 Effect; Effective Date. Upon delivery to Agent of an assignment notice in the form of **Exhibit B** and a processing fee of \$3,500 (unless otherwise agreed by Agent in its discretion), the assignment shall become effective as specified in the notice, if it complies with this **Section 13.3**. From such effective date, the Eligible Assignee shall for all purposes be a Lender under the Loan Documents, and shall have all rights and obligations of a Lender thereunder; provided, that such Eligible Assignee (for the avoidance of doubt, including any Eligible Assignee that is already a Lender hereunder at the time of assignment) shall not be entitled to receive any greater payment under **Section 5.8** than that which its assignor would have been entitled to receive had no such assignment occurred, except to the extent such entitlement to receive a greater payment results from a Change in Law that occurs after such assignment. Upon consummation of an assignment, the transferor Lender, Agent and Borrowers shall make appropriate arrangements for issuance of replacement and/or new notes, if applicable. The transferee Lender shall comply with **Section 5.9** and deliver, upon request, an administrative questionnaire satisfactory to Agent.

13.3.3 Certain Assignees. No assignment or participation may be made to a Borrower, Affiliate of a Borrower, Defaulting Lender or natural person. Any assignment by a Defaulting Lender shall be effective only upon payment by the Eligible Assignee or Defaulting Lender to Agent of an aggregate amount sufficient, upon distribution (through direct payment, purchases of participations or other compensating actions as Agent deems appropriate), to satisfy all funding and payment liabilities

then owing by the Defaulting Lender hereunder. If an assignment by a Defaulting Lender shall become effective under Applicable Law for any reason without compliance with the foregoing sentence, then the assignee shall be deemed a Defaulting Lender for all purposes until such compliance occurs.

13.3.4 Register. Agent, acting solely for this purpose as an agent of Borrowers, shall maintain (a) a copy (or electronic equivalent) of each Assignment and Acceptance delivered to it, and (b) a register for recordation of the names, addresses and Commitments of, and the Loans, interest and LC Obligations owing to, each Lender. Entries in the register shall be conclusive, absent manifest error, and Borrowers, Agent and Lenders shall treat each Person recorded in such register as a Lender for all purposes under the Loan Documents, notwithstanding any notice to the contrary. Agent may choose to show only one Borrower as the borrower in the register, without any effect on the liability of any Obligor with respect to the Obligations. The register shall be available for inspection by Borrowers or any Lender (with respect to any such Lender's Loans), from time to time upon reasonable notice.

13.4 Replacement of Certain Lenders. If a Lender (a) within the last 120 days failed to give its consent to any amendment, waiver or action for which consent of all Lenders was required and Required Lenders consented, (b) is a Defaulting Lender, or (c) within the last 120 days gave a notice under **Section 3.5** or requested payment or compensation under **Section 3.7** or **5.8** (and has not designated a different Lending Office pursuant to **Section 3.8**), then Agent or Borrower Agent may, upon 10 days' notice to such Lender, require it to assign its rights and obligations under the Loan Documents to Eligible Assignee(s), pursuant to appropriate Assignment and Acceptance(s), within 20 days after the notice. Agent is irrevocably appointed as attorney-in-fact to execute any such Assignment and Acceptance if the Lender fails to execute it. Such Lender shall be entitled to receive, in cash, concurrently with such assignment, all amounts owed to it under the Loan Documents through the date of assignment.

SECTION 14. MISCELLANEOUS

14.1 Consents, Amendments and Waivers.

14.1.1 Amendment. No modification of any Loan Document, including any extension or amendment of a Loan Document or any waiver of a Default or Event of Default, shall be effective without the prior written agreement of Agent (with the consent of Required Lenders) and each Obligor party to such Loan Document; provided, however, that

(a) without the prior written consent of Agent, no modification shall alter any provision in a Loan Document that relates to any rights, duties or discretion of Agent;

(b) without the prior written consent of Issuing Bank, no modification shall alter **Section 2.2** or any other provision in a Loan Document that relates to Letters of Credit or any rights, duties or discretion of Issuing Bank;

(c) without the prior written consent of each affected Lender, including a Defaulting Lender, no modification shall (i) increase the Commitment of such Lender; (ii) reduce the amount of, or waive or delay payment of, any principal, interest or fees payable to such Lender (except as provided in **Section 4.2**); (iii) extend the Revolver Termination Date; or (iv) amend this **clause (c)**;

(d) without the prior written consent of all Lenders (except any Defaulting Lender), no modification shall (i) alter **Section 5.5.2** or **14.1.1**; (ii) amend the definition of Applicable Margin (if the effect thereof is to lower the interest rate), Borrowing Base, Accounts Formula Amount, Credit Card Formula Amount, Inventory Formula Amount or Seasonal Formula Amount (or any defined term used in such definitions, if the effect of such amendment is to increase borrowing availability), Pro Rata or Required Lenders; (iii) release all or substantially all Collateral; (iv) except in connection with a merger, disposition or similar transaction expressly permitted hereby, release any Obligor from liability for any Obligations; or (v) waive any condition set forth in **Section 6.1**;

(e) without the prior written consent of each Lead Arranger, modify or amend the fee letter described in **clause (b)** of the definition of “Fee Letter”; and

(f) without the prior written consent of a Secured Bank Product Provider, no modification shall affect its relative payment priority under **Section 5.5.2**.

(g) Agent and Borrower Agent may amend any Loan Document (i) to correct administrative errors or omissions, or to effect administrative changes that are not adverse to any Lender, (ii) to correct, amend, cure any ambiguity, inconsistency, defect or correct any typographical error or other manifest error in this Agreement or any other Loan Document, (iii) to comply with local law or advice of local counsel in respect of a Security Document or (iv) to cause a Security Document to be consistent with this Agreement and other Loan Documents. Notwithstanding anything to the contrary contained herein, such amendment shall become effective without any further consent of any other party to such Loan Document if the same is not objected to in writing by the Required Lenders within five Business Days following receipt of notice thereof.

14.1.2 Limitations. The agreement of Borrowers shall not be required for any modification of a Loan Document that deals solely with the rights and duties of Lenders, Agent and/or Issuing Bank as among themselves. Only the consent of the parties to any agreement relating to fees or a Bank Product shall be required for modification of such agreement, and no Bank Product provider (in such capacity) shall have any right to consent to modification of any Loan Document other than its Bank Product agreement. Any waiver or consent granted by Agent or Lenders hereunder shall be effective only if in writing and only for the matter specified.

14.1.3 Payment for Consents. No Borrower will, directly or indirectly, pay any remuneration or other thing of value, whether by way of additional interest, fee or otherwise, to any Lender (in its capacity as a Lender hereunder) as consideration for agreement by such Lender with any modification of any Loan Documents, unless such remuneration or value is concurrently paid, on the same terms, on a Pro Rata basis to all Lenders providing their consent.

14.2 Indemnity. EACH BORROWER SHALL INDEMNIFY AND HOLD HARMLESS THE INDEMNITEES AGAINST ANY CLAIMS THAT MAY BE INCURRED BY OR ASSERTED AGAINST ANY INDEMNITEE, INCLUDING CLAIMS ASSERTED BY ANY OBLIGOR OR OTHER PERSON OR ARISING FROM THE NEGLIGENCE OF AN INDEMNITEE. In no event shall any party to a Loan Document have any obligation thereunder to indemnify or hold harmless an Indemnitee with respect to a Claim that is determined in a final, non-appealable judgment by a court of competent jurisdiction to result from the gross negligence or willful misconduct of such Indemnitee.

14.3 Notices and Communications.

14.3.1 Notice Address. Subject to **Section 4.1.4**, all notices and other communications by or to a party hereto shall be in writing and shall be given to any Borrower, at Borrower Agent’s address shown on the signature pages hereof, and to any other Person at its address shown on the signature pages hereof (or, in the case of a Person who becomes a Lender after the Closing Date, at the address shown on its Assignment and Acceptance), or at such other address as a party may hereafter specify by notice in accordance with this **Section 14.3**. Each communication shall be effective only (a) if given by facsimile transmission, when transmitted to the applicable facsimile number, if confirmation of receipt is received; (b) if given by mail, three Business Days after deposit in the U.S. mail, with first-class postage pre-paid, addressed to the applicable address; or (c) if given by personal delivery, when duly delivered to the notice address with receipt acknowledged. Notwithstanding the foregoing, no notice to

Agent pursuant to **Section 2.1.4, 2.2, 3.1.2 or 4.1.1** shall be effective until actually received by the individual to whose attention at Agent such notice is required to be sent. Any written communication that is not sent in conformity with the foregoing provisions shall nevertheless be effective on the date actually received by the noticed party. Any notice received by Borrower Agent shall be deemed received by all Borrowers.

14.3.2 Electronic Communications; Voice Mail. Electronic mail and internet websites may be used only for routine communications, such as delivery of Borrower Materials, administrative matters, distribution of Loan Documents, and matters permitted under **Section 4.1.4**. Agent and Lenders make no assurances as to the privacy and security of electronic communications. Electronic and voice mail may not be used as effective notice under the Loan Documents.

14.3.3 Platform. Borrower Materials shall be delivered pursuant to procedures approved by Agent, including electronic delivery (if possible) upon request by Agent to an electronic system maintained by Agent ("Platform"). Borrowers shall notify Agent of each posting of Borrower Materials on the Platform and the materials shall be deemed received by Agent only upon its receipt of such notice. Borrower Materials and other information relating to this credit facility may be made available to Secured Parties on the Platform, and Obligors and Secured Parties acknowledge that "public" information is not segregated from material non-public information on the Platform. The Platform is provided "as is" and "as available." Agent does not warrant the accuracy or completeness of any information on the Platform nor the adequacy or functioning of the Platform, and expressly disclaims liability for any errors or omissions in the Borrower Materials or any issues involving the Platform. NO WARRANTY OF ANY KIND, EXPRESS, IMPLIED OR STATUTORY, INCLUDING ANY WARRANTY OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, NON-INFRINGEMENT OF THIRD PARTY RIGHTS, OR FREEDOM FROM VIRUSES OR OTHER CODE DEFECTS, IS MADE BY AGENT WITH RESPECT TO BORROWER MATERIALS OR THE PLATFORM. Secured Parties acknowledge that Borrower Materials may include material non-public information of Obligors and should not be made available to any personnel who do not wish to receive such information or who may be engaged in investment or other market-related activities with respect to any Obligor's securities. No Agent Indemnitee shall have any liability to Borrowers, Secured Parties or any other Person for losses, claims, damages, liabilities or expenses of any kind (whether in tort, contract or otherwise) relating to use by any Person of the Platform or delivery of Borrower Materials and other information through the Platform or over the internet.

14.3.4 Non-Conforming Communications. Agent and Lenders may rely upon any communications purportedly given by or on behalf of any Borrower even if they were not made in a manner specified herein, were incomplete or were not confirmed, or if the terms thereof, as understood by the recipient, varied from a later confirmation. Each Borrower shall indemnify and hold harmless each Indemnitee from any liabilities, losses, costs and expenses arising from any electronic or telephonic communication purportedly given by or on behalf of a Borrower.

14.4 Performance of Borrowers' Obligations. Agent may, in its discretion at any time and from time to time, at Borrowers' expense, pay any amount or do any act required of a Borrower under any Loan Documents or otherwise lawfully requested by Agent to (a) enforce any Loan Documents or collect any Obligations; (b) protect, insure, maintain or realize upon any Collateral; or (c) defend or maintain the validity or priority of Agent's Liens in any Collateral, including any payment of a judgment, insurance premium, warehouse charge, finishing or processing charge, or landlord claim, or any discharge of a Lien. All payments, costs and expenses (including Extraordinary Expenses) of Agent under this **Section 14.4** shall be reimbursed to Agent by Borrowers, **on demand**, with interest from the date incurred until paid in full at the Default Rate applicable to Base Rate Loans. Any payment made or action taken by Agent under this **Section 14.4** shall be without prejudice to any right to assert an Event of Default or to exercise any other rights or remedies under the Loan Documents.

14.5 Credit Inquiries. Agent and Lenders may (but shall have no obligation) to respond to usual and customary credit inquiries from third parties concerning any Obligor or Subsidiary.

14.6 Severability. Wherever possible, each provision of the Loan Documents shall be interpreted in such manner as to be valid under Applicable Law. If any provision is found to be invalid under Applicable Law, it shall be ineffective only to the extent of such invalidity and the remaining provisions of the Loan Documents shall remain in full force and effect.

14.7 Cumulative Effect; Conflict of Terms. The provisions of the Loan Documents are cumulative. The parties acknowledge that the Loan Documents may use several limitations or measurements to regulate similar matters, and they agree that these are cumulative and that each must be performed as provided. Except as otherwise provided in another Loan Document (by specific reference to the applicable provision of this Agreement), if any provision contained herein is in direct conflict with any provision in another Loan Document, the provision herein shall govern and control.

14.8 Counterparts; Execution. Any Loan Document may be executed in counterparts, each of which shall constitute an original, but all of which when taken together shall constitute a single contract. This Agreement shall become effective when Agent has received counterparts bearing the signatures of all parties hereto. Delivery of a signature page of any Loan Document by telecopy or other electronic means shall be effective as delivery of a manually executed counterpart of such agreement. Any electronic signature, contract formation on an electronic platform and electronic record-keeping shall have the same legal validity and enforceability as a manually executed signature or use of a paper-based recordkeeping system to the fullest extent permitted by Applicable Law, including the Federal Electronic Signatures in Global and National Commerce Act, the New York State Electronic Signatures and Records Act, or any similar state law based on the Uniform Electronic Transactions Act.

14.9 Entire Agreement. Time is of the essence with respect to all Loan Documents and Obligations. The Loan Documents constitute the entire agreement, and supersede all prior understandings and agreements, among the parties relating to the subject matter thereof.

14.10 Relationship with Lenders. The obligations of each Lender hereunder are several, and no Lender shall be responsible for the obligations or commitments of any other Lender. Amounts payable hereunder to each Lender shall be a separate and independent debt. It shall not be necessary for Agent or any other Lender to be joined as an additional party in any proceeding for such purposes. Nothing in this Agreement and no action of Agent, Lenders or any other Secured Party pursuant to the Loan Documents or otherwise shall be deemed to constitute Agent and any Secured Party to be a partnership, joint venture or similar arrangement, nor to constitute control of any Obligor.

14.11 No Advisory or Fiduciary Responsibility. In connection with all aspects of each transaction contemplated by any Loan Document, Borrowers acknowledge and agree that (a)(i) this credit facility and any arranging or other services by Agent, any Lender, any of their Affiliates or any arranger are arm's-length commercial transactions between Borrowers and their Affiliates, on one hand, and Agent, any Lender, any of their Affiliates or any arranger, on the other hand; (ii) Borrowers have consulted their own legal, accounting, regulatory and tax advisors to the extent they have deemed appropriate; and (iii) Borrowers are capable of evaluating, and understand and accept, the terms, risks and conditions of the transactions contemplated by the Loan Documents; (b) each of Agent, Lenders, their Affiliates and any arranger is and has been acting solely as a principal and, except as expressly agreed in writing by the relevant parties, has not been, is not, and will not be acting as an advisor, agent or fiduciary for Borrowers, their Affiliates or any other Person, and has no obligation with respect to the transactions contemplated by the Loan Documents except as expressly set forth therein; and (c) Agent, Lenders, their Affiliates and any arranger may be engaged in a broad range of transactions that involve interests that differ from those of Borrowers and their Affiliates, and have no obligation to disclose any of such interests to Borrowers or their Affiliates. To the fullest extent permitted by Applicable Law, each Borrower hereby waives and releases any claims that it may have against Agent, Lenders, their Affiliates and any arranger with respect to any breach of agency or fiduciary duty in connection with any transaction contemplated by a Loan Document.

14.12 Confidentiality. Each of Agent, Lenders and Issuing Bank shall maintain the confidentiality of all Information (as defined below), except that Information may be disclosed (a) to its Affiliates, and to its and their partners, directors, officers, employees, agents, advisors and representatives (provided they are informed of the confidential nature of the Information and instructed to keep it confidential); (b) to the extent requested by any governmental, regulatory or self-regulatory authority purporting to have jurisdiction over it or its Affiliates; (c) to the extent required by Applicable Law or by any subpoena or other legal process; (d) to any other party hereto; (e) in connection with any action or proceeding relating to any Loan Documents or Obligations; (f) subject to an agreement containing provisions substantially the same as this **Section 14.12**, to any Transferee or any actual or prospective party (or its advisors) to any Bank Product or to any swap, derivative or other transaction under which payments are to be made by reference to an Obligor or Obligor's obligations; (g) with the consent of Borrower Agent; or (h) to the extent such Information (i) becomes publicly available other than as a result of a breach of this **Section 14.12** or (ii) is available to Agent, any Lender, Issuing Bank or any of their Affiliates on a nonconfidential basis from a source other than Borrowers. Notwithstanding the foregoing, Agent and Lenders may publish or disseminate general information concerning this credit facility for league table, tombstone and advertising purposes, and may use Borrowers' logos, trademarks or product photographs in advertising materials. As used herein, "Information" means information received from an Obligor or Subsidiary relating to it or its business that is identified as confidential when delivered. A Person required to maintain the confidentiality of Information pursuant to this **Section 14.12** shall be deemed to have complied if it exercises a degree of care similar to that accorded its own confidential information. Each of Agent, Lenders and Issuing Bank acknowledges that (i) Information may include material non-public information; (ii) it has developed compliance procedures regarding the use of such information; and (iii) it will handle the material non-public information in accordance with Applicable Law.

14.13 GOVERNING LAW. UNLESS EXPRESSLY PROVIDED IN ANY LOAN DOCUMENT, THIS AGREEMENT, THE OTHER LOAN DOCUMENTS AND ALL CLAIMS SHALL BE GOVERNED BY THE LAWS OF THE STATE OF NEW YORK, WITHOUT GIVING EFFECT TO ANY CONFLICT OF LAW PRINCIPLES EXCEPT FEDERAL LAWS RELATING TO NATIONAL BANKS.

14.14 Consent to Forum.

14.14.1 Forum. **EACH BORROWER HEREBY CONSENTS TO THE EXCLUSIVE JURISDICTION OF ANY FEDERAL OR STATE COURT SITTING IN OR WITH JURISDICTION OVER NEW YORK, IN ANY DISPUTE, ACTION, LITIGATION OR OTHER PROCEEDING RELATING IN ANY WAY TO ANY LOAN DOCUMENTS, AND AGREES THAT ANY DISPUTE, ACTION, LITIGATION OR OTHER PROCEEDING SHALL BE BROUGHT BY IT SOLELY IN ANY SUCH COURT. EACH BORROWER IRREVOCABLY AND UNCONDITIONALLY WAIVES ALL CLAIMS, OBJECTIONS AND DEFENSES THAT IT MAY HAVE REGARDING ANY SUCH COURT'S PERSONAL OR SUBJECT MATTER JURISDICTION, VENUE OR INCONVENIENT FORUM. EACH PARTY HERETO IRREVOCABLY AND UNCONDITIONALLY SUBMITS TO THE JURISDICTION OF SUCH COURTS AND CONSENTS TO SERVICE OF PROCESS IN THE MANNER PROVIDED FOR NOTICES IN SECTION 14.3.1 . A final judgment in any proceeding of any such court shall be conclusive and may be enforced in other jurisdictions by suit on the judgment or any other manner provided by Applicable Law.**

14.14.2 Other Jurisdictions. Nothing herein shall limit the right of Agent or any Lender to bring proceedings against any Obligor in any other court, nor limit the right of any party to serve process in any other manner permitted by Applicable Law. Nothing in this Agreement shall be deemed to preclude enforcement by Agent of any judgment or order obtained in any forum or jurisdiction.

14.15 Waivers by Borrowers. To the fullest extent permitted by Applicable Law, each Borrower waives (a) the right to trial by jury (which Agent and each Lender hereby also waives) in any proceeding or dispute of any kind relating in any way to any Loan Documents, Obligations or Collateral; (b) presentment, demand, protest, notice of presentment, default, non-payment, maturity, release, compromise, settlement, extension or renewal of any commercial paper, accounts, documents, instruments, chattel paper and guaranties at any time held by Agent on which a Borrower may in any way be liable, and hereby ratifies anything Agent may do in this regard; (c) notice prior to taking possession or control of any Collateral; (d) any bond or security that might be required by a court prior to allowing Agent to exercise any rights or remedies; (e) the benefit of all valuation, appraisal and exemption laws; (f) any claim against Agent, Issuing Bank or any Lender, on any theory of liability, for special, indirect, consequential, exemplary or punitive damages (as opposed to direct or actual damages) in any way relating to any Enforcement Action, Obligations, Loan Documents or transactions relating thereto; and (g) notice of acceptance hereof. Each Borrower acknowledges that the foregoing waivers are a material inducement to Agent, Issuing Bank and Lenders entering into this Agreement and that they are relying upon the foregoing in their dealings with Borrowers. Each Borrower has reviewed the foregoing waivers with its legal counsel and has knowingly and voluntarily waived its jury trial and other rights following consultation with legal counsel. In the event of litigation, this Agreement may be filed as a written consent to a trial by the court.

14.16 Patriot Act Notice. Agent and Lenders hereby notify Borrowers that pursuant to the Patriot Act, Agent and Lenders are required to obtain, verify and record information that identifies each Borrower, including its legal name, address, tax ID number and other information that will allow Agent and Lenders to identify it in accordance with the Patriot Act. Agent and Lenders will also require information regarding each personal guarantor, if any, and may require information regarding Borrowers' management and owners, such as legal name, address, social security number and date of birth. Borrowers shall, promptly upon request, provide all documentation and other information as Agent, Issuing Bank or any Lender may request from time to time in order to comply with any obligations under any "know your customer," anti-money laundering or other requirements of Applicable Law.

14.17 NO ORAL AGREEMENT. THIS AGREEMENT AND THE OTHER LOAN DOCUMENTS REPRESENT THE FINAL AGREEMENT BETWEEN THE PARTIES AND MAY NOT BE CONTRADICTED BY EVIDENCE OF PRIOR, CONTEMPORANEOUS OR SUBSEQUENT ORAL AGREEMENTS BETWEEN THE PARTIES. THERE ARE NO UNWRITTEN AGREEMENTS BETWEEN THE PARTIES.

14.18 Intercreditor Agreement Governs . As between Agent and the Secured Parties on the one hand and the agent and lenders under the Term Loan Facility on the other hand, in the event of any conflict between the terms of the Intercreditor Agreement and the terms of this Agreement with respect to the Collateral, the provisions of the Intercreditor Agreement shall govern.

CREDIT AGREEMENT dated as of June 11, 2013 (this “*Agreement*”), among SCHOOL SPECIALTY, INC., a Delaware corporation (the “*Borrower*”), the Lenders (such term and each other capitalized term used but not defined in these introductory statements having the meaning given it in Article I) and CREDIT SUISSE AG, as administrative agent (in such capacity, including any successor thereto, the “*Administrative Agent*”) and as collateral agent (in such capacity, including any successor thereto, the “*Collateral Agent*”) for the Lenders.

The Borrower and certain of its Subsidiaries are currently debtors in reorganization proceedings (the “*Bankruptcy Proceedings*”) under Chapter 11 of the Bankruptcy Code in the United States Bankruptcy Court for the District of Delaware (the “*Bankruptcy Court*”).

The Borrower filed an Amended Joint Plan of Reorganization on April 24, 2013 (the “*April 24 Plan*” and as the same may be amended, modified and supplemented, the “*Plan of Reorganization*”) with the Bankruptcy Court pursuant to which it expects to be reorganized and emerge from the Bankruptcy Proceedings. The Plan of Reorganization is described in, and included as an exhibit to, the Borrower’s Amended Disclosure Statement filed on April 24, 2013 (the “*Disclosure Statement*”).

The Borrower has requested that substantially concurrently with the consummation of the Plan of Reorganization, the Lenders extend credit in the form of Term Loans to the Borrower on the Closing Date, in an aggregate principal amount of \$145,000,000. In addition, the Borrower has also requested that certain other lenders extend credit to the Borrower and certain of its domestic subsidiaries in the form of the ABL Facility, in an aggregate principal amount outstanding not to exceed \$175,000,000 pursuant to the ABL Credit Agreement. The proceeds of the Term Loans, together with the proceeds of loans incurred under the ABL Credit Agreement, are to be used by the Borrower (a) in accordance with the Plan of Reorganization, which provides for, among other things, the (i) repayment in full of all obligations under the DIP ABL Credit Agreement and partial repayment of obligations under the DIP Term Credit Agreement, (ii) termination of any commitment to make extensions of credit under the Existing Credit Agreements, and (iii) release of all collateral securing the obligations under the Existing Credit Agreement, (b) to pay the Transaction Costs and (c) for other general corporate purposes.

The Lenders are willing to extend such credit to the Borrower on the terms and subject to the conditions set forth herein. Accordingly, the parties hereto agree as follows:

notwithstanding anything to the contrary herein, when calculating any such ratio for the purpose of any mandatory prepayment provision hereunder or compliance with the Financial Covenants, the events set forth in clause (b), (c) and (d) below that occurred subsequent to the end of the applicable Test Period shall not be given pro forma effect.

(b) For purposes of calculating the Interest Coverage Ratio, the Net First Lien Leverage Ratio and the Net Total Leverage Ratio, Pro Forma Transactions (and the incurrence or repayment of any Indebtedness in connection therewith) that have been consummated (i) during the applicable period of four consecutive fiscal quarters for which such financial ratio is being determined (the “*Test Period*”) or (ii) subsequent to such Test Period and prior to or simultaneously with the event for which the calculation of any such ratio is made shall be calculated on a pro forma basis assuming that all such Pro Forma Transactions (and any increase or decrease in Consolidated EBITDA and the component financial definitions used therein attributable to any Pro Forma Transaction) had occurred on the first day of the applicable Test Period.

(c) If pro forma effect is to be given to a Pro Forma Transaction, the pro forma calculations shall be made in good faith by a financial or accounting Responsible Officer of the Borrower and include only those adjustments that would be permitted or required by Regulation S-X together with those adjustments that (a) have been certified by a Financial Officer of the Borrower as having been prepared in good faith based upon reasonable assumptions and (b) are (i) directly attributable to the Pro Forma Transaction with respect to which such adjustments are to be made, (ii) expected to have a continuing impact on the Loan Parties, (iii) factually supportable and reasonably identifiable, and (iv) based on reasonably detailed written assumptions reasonably acceptable to the Administrative Agent. For the avoidance of doubt, all pro forma adjustments shall be consistent with, and subject to the caps and limits set forth in, the applicable definitions herein. To the extent compliance with the Financial Covenants is being tested prior to the first test date under the Financial Covenants, in order to determine the permissibility of an action by the Borrower or its Subsidiaries, such compliance shall be tested against the ratios for the first test date.

(d) In the event that the Borrower or any Subsidiary incurs (including by assumption or guarantees) or repays (including by redemption, repayment, retirement or extinguishment) any Indebtedness included in the calculations of the Net Total Leverage Ratio, the Net First Lien Leverage Ratio or the Interest Coverage Ratio (other than Indebtedness incurred or repaid under any revolving credit facility in the ordinary course of business for working capital purposes) subsequent to the end of the applicable Test Period and prior to or simultaneously with the event for which the calculation of any such ratio is made, then the Net Total Leverage Ratio, the Net First Lien Leverage Ratio or the Interest Coverage Ratio, as applicable, shall be calculated giving pro forma effect to such incurrence or repayment of Indebtedness, to the extent required, as if the same had occurred on the first day of the applicable Test Period.

SECTION 1.04. **Classification of Loans and Borrowings**. For purposes of this Agreement, Loans may be classified and referred to by Class (e.g., a “*Term Loan*”) or by Type (e.g., a “*Eurodollar Loan*”) or by Class and Type (e.g., a “*Eurodollar Term Loan*”). Borrowings also may be classified and referred to by Class (e.g., a “*Term Credit Borrowing*”) or by Type (e.g., a “*Eurodollar Borrowing*”) or by Class and Type (e.g., a “*Eurodollar Term Credit Borrowing*”).

SECTION 2.01. **Commitments.** Subject to the terms and conditions and relying upon the representations and warranties set forth herein and in the other Loan Documents, each Term Lender agrees, severally and not jointly, to make a Term Loan to the Borrower on the Closing Date in a principal amount not to exceed its Term Loan Commitment. Amounts repaid or prepaid in respect of Term Loans may not be reborrowed.

SECTION 2.02. **Loans.** (a) Each Loan shall be made as part of a Borrowing consisting of Loans made by the Lenders ratably in accordance with their applicable Commitments; *provided* that the failure of any Lender to make any Loan shall not in itself relieve any other Lender of its obligation to lend hereunder (it being understood, however, that no Lender shall be responsible for the failure of any other Lender to make any Loan required to be made by such other Lender). The Loans comprising any Borrowing shall be in an aggregate principal amount that is (i) an integral multiple of \$1,000,000 and not less than \$5,000,000 or (ii) equal to the remaining available balance of the applicable Commitments.

(b) Subject to Sections 2.08 and 2.15, each Borrowing shall be comprised entirely of ABR Loans or Eurodollar Loans as the Borrower may request pursuant to Section 2.03. Each Lender may at its option make any Eurodollar Loan by causing any domestic or foreign branch or Affiliate of such Lender to make such Loan; *provided* that any exercise of such option shall not affect the obligation of the Borrower to repay such Loan in accordance with the terms of this Agreement. Borrowings of more than one Type may be outstanding at the same time; *provided further* that the Borrower shall not be entitled to request any Borrowing that, if made, would result in more than five (5) Eurodollar Borrowings outstanding hereunder at any time.

(c) Each Lender shall make each Loan to be made by it hereunder on the proposed date thereof by wire transfer of immediately available funds to such account in New York City as the Administrative Agent may designate not later than 1:00 p.m., New York City time, and the Administrative Agent shall promptly credit the amounts so received to an account designated by the Borrower in the applicable Borrowing Request or, if a Borrowing shall not occur on such date because any condition precedent herein specified shall not have been met, return the amounts so received to the respective Lenders.

(d) Unless the Administrative Agent shall have received notice from a Lender (i) in the case of a Eurodollar Loan, prior to the date of any Borrowing and (ii) in the case of an ABR Loan prior to 1:00 p.m., New York City time, on the date of any Borrowing, in either case that such Lender will not make available to the Administrative Agent such Lender's portion of such Borrowing, the Administrative Agent may assume that such Lender has made such portion available to the Administrative Agent on the date of such Borrowing in accordance with paragraph (c) above and the Administrative Agent may, in reliance upon such assumption, make available to the Borrower on such date a corresponding amount. If the Administrative Agent shall have so made funds available then, to the extent that such Lender shall not have made such portion available to the Administrative Agent, such Lender and the Borrower severally agree to repay to the Administrative Agent forthwith on demand such corresponding amount together with interest thereon, for each day from the date such amount is made available to the Borrower to but excluding the date such amount is repaid to the Administrative Agent at (A) in the case of the Borrower, a rate per annum equal to the interest rate applicable at the time to the Loans comprising such Borrowing and (B) in the case of such Lender, a rate determined by the Administrative Agent to represent its cost of overnight or short-term funds (which determination shall be conclusive absent manifest error). If such Lender shall repay to the Administrative Agent such corresponding amount, such amount shall constitute such Lender's Loan as part of such Borrowing for purposes of this Agreement.

SECTION 2.03. **Borrowing Procedure.** In order to request a Borrowing, the Borrower shall notify the Administrative Agent of such request in writing or by telephone (a) in the case of a Eurodollar Borrowing, not later than 1:00 p.m., New York City time, three (3) Business Days before a proposed Borrowing and (b) in the case of an ABR Borrowing, not later than 1:00 p.m., New York City time, one (1) Business Day before a proposed Borrowing. Each such notice shall be irrevocable, and any telephonic notice shall be confirmed promptly by delivery of a written Borrowing Request and shall specify the following information: (i) whether such Borrowing is to be a Eurodollar Borrowing or an ABR Borrowing; (ii) the date of such Borrowing (which shall be a Business Day); (iii) the number and location of the account to which funds are to be disbursed; (iv) the amount of such Borrowing and (v) if such Borrowing is to be a Eurodollar Borrowing, the Interest Period with respect thereto; *provided* that, notwithstanding any contrary specification in any Borrowing Request, each requested Borrowing shall comply with the requirements set forth in Section 2.02. If no election as to the Type of Borrowing is specified in any such notice, then the requested Borrowing shall be an ABR Borrowing. If no Interest Period with respect to any Eurodollar Borrowing is specified in any such notice, then the Borrower shall be deemed to have selected an Interest Period of one month's duration. The Administrative Agent shall promptly advise the applicable Lenders of any notice given pursuant to this Section 2.03 (and the contents thereof), and of each Lender's pro rata share of the requested Borrowing.

SECTION 2.04. **Evidence of Debt; Repayment of Loans.** (a) The Borrower hereby unconditionally promises to pay to the Administrative Agent for the account of each Lender the principal amount of each Term Loan of such Lender as provided in Section 2.11.

(b) Each Lender shall maintain in accordance with its usual practice an account or accounts evidencing the indebtedness of the Borrower to such Lender resulting from each Loan made by such Lender from time to time, including the amounts of principal and interest payable and paid to such Lender from time to time under this Agreement.

(c) The Administrative Agent shall, in accordance with its customary practice, maintain accounts in which it will record (i) the amount of each Loan made hereunder, the Class and Type thereof and, if applicable, the Interest Period applicable thereto, the amount of any principal or interest due and payable or to become due and payable from the Borrower to each Lender hereunder and (ii) the amount of any sum received by the Administrative Agent hereunder from the Borrower or any Guarantor and each Lender's share thereof.

(d) The entries made in the accounts maintained pursuant to paragraphs (b) and (c) above shall be *prima facie* evidence of the existence and amounts of the obligations therein recorded; *provided* that the failure of any Lender or the Administrative Agent to maintain such accounts or any error therein shall not in any manner affect the obligations of the Borrower to repay the Loans in accordance with their terms.

(e) Any Lender may request that Loans made by it hereunder be evidenced by a Note. In such event, the Borrower shall execute and deliver to such Lender a Note payable to such Lender and its registered assigns. Notwithstanding any other provision of this Agreement, in the event any Lender shall request and receive such a Note, the interests represented by such Note shall at all times (including after any assignment of all or part of such interests pursuant to Section 9.04) be represented by one or more Notes payable to the payee named therein or its registered assigns.

SECTION 2.05. **Fees.** (a) The Borrower agrees to pay to the Administrative Agent, for its own account, the administrative fees set forth in the Fee Letter at the times and in the amounts specified therein (the “*Administrative Agent Fees*”).

(b) In the event all or any portion of the Term Loans are prepaid (or effectively refinanced through an amendment or repricing) for any reason (other than a mandatory prepayment pursuant to Section 2.13(a) or 2.13(c)) prior to the second anniversary of the Closing Date, the Borrower shall pay to the Administrative Agent for the ratable account of each Term Lender a prepayment premium equal to (i) 2.00% of the principal amount of Term Loans repaid, repriced or refinanced (if such prepayment, repricing or refinancing occurs on or prior to the first anniversary of the Closing Date) and (iii) 1.00% of the principal amount of Term Loans repaid, repriced or refinanced (if such prepayment, repricing or refinancing occurs on or prior to the second anniversary of the Closing Date and after the first anniversary of the Closing Date). Such amounts shall be due and payable on the date of effectiveness of such prepayment, repricing or refinancing.

(c) The Borrower agrees to pay on the Closing Date to each Term Lender party to this Agreement on the Closing Date, as compensation for the funding of such Term Lender’s Term Loan, a closing fee in an amount equal to 2.0% of the stated principal amount of such Term Lenders’ Term Loan. Such fees may be paid to each Term Lender out of the proceeds of such Term Loan as and when funded on the Closing Date. Such closing fees will be in all respects fully earned, due and payable on the Closing Date and non-refundable and non-creditable thereafter.

(d) All Fees shall be paid on the dates due, in immediately available funds, to the Administrative Agent for distribution, if and as appropriate, among the Lenders. Once paid, none of the Fees shall be refundable under any circumstances.

SECTION 2.06. **Interest on Loans.** (a) Subject to the provisions of Section 2.07, the Loans comprising each ABR Borrowing shall bear interest (computed on the basis of the actual number of days elapsed over a year of 365 or 366, as applicable, days at all times and calculated from and including the date of such Borrowing to but excluding the date of repayment thereof) at a rate per annum equal to the Alternate Base Rate plus the Applicable Margin in effect from time to time.

(b) Subject to the provisions of Section 2.07, the Loans comprising each Eurodollar Borrowing shall bear interest (computed on the basis of the actual number of days elapsed over a year of 360 days) at a rate per annum equal to the Adjusted LIBO Rate for the Interest Period in effect for such Borrowing plus the Applicable Margin in effect from time to time.

(c) Interest on each Loan shall be payable on the Interest Payment Dates applicable to such Loan except as otherwise provided in this Agreement. The applicable Alternate Base Rate or Adjusted LIBO Rate for each Interest Period or day within an Interest Period, as the case may be, shall be determined by the Administrative Agent, and such determination shall be conclusive absent manifest error.

SECTION 2.07. **Default Interest.** (a) All amounts not paid when due hereunder shall bear interest (after as well as before judgment), payable on demand, (i) in the case of principal, at the rate otherwise applicable to such Loan pursuant to Section 2.06 plus 2.00% per annum and (ii) in all other cases, at a rate per annum (computed on the basis of the actual number of days elapsed over a year of 360 days at all times) equal to the rate that would be applicable to an ABR Loan plus 2.00% per annum.

SECTION 2.08. ***Alternate Rate of Interest.*** In the event, and on each occasion, that on the day two (2) Business Days prior to the commencement of any Interest Period for a Eurodollar Borrowing the Administrative Agent shall have determined that (a) Dollar deposits in the principal amounts of the Loans comprising such Borrowing are not generally available in the London interbank market, (b) the rates at which such Dollar deposits are being offered will not adequately and fairly reflect the cost to the majority of Lenders of making or maintaining Eurodollar Loans during such Interest Period or (c) reasonable means do not exist for ascertaining the Adjusted LIBO Rate, the Administrative Agent shall, as soon as practicable thereafter, give written or fax notice of such determination to the Borrower and the Lenders. In the event of any such determination, until the Administrative Agent shall have advised the Borrower and the Lenders that the circumstances giving rise to such notice no longer exist, any request by the Borrower for a Eurodollar Borrowing pursuant to Section 2.03 or Section 2.10 shall be deemed to be a request for an ABR Borrowing. Each determination by the Administrative Agent under this Section 2.08 shall be conclusive absent manifest error.

SECTION 2.09. ***Termination of Term Loan Commitments.*** The Term Loan Commitments shall automatically terminate upon the making of the Term Loans on the Closing Date.

SECTION 2.10. ***Conversion and Continuation of Borrowings.*** The Borrower shall have the right at any time upon written or telephonic notice to the Administrative Agent (a) not later than 1:00 p.m., New York City time, one (1) Business Day prior to conversion, to convert any Eurodollar Borrowing into an ABR Borrowing, (b) not later than 1:00 p.m., New York City time, three (3) Business Days prior to conversion or continuation, to convert any ABR Borrowing into a Eurodollar Borrowing or to continue any Eurodollar Borrowing as a Eurodollar Borrowing for an additional Interest Period and (c) not later than 1:00 p.m., New York City time, three (3) Business Days prior to conversion, to convert the Interest Period with respect to any Eurodollar Borrowing to another permissible Interest Period, subject in each case to the following:

- (i) each conversion or continuation shall be made pro rata among the Lenders in accordance with the respective principal amounts of the Loans comprising the converted or continued Borrowing;
- (ii) if less than all the outstanding principal amount of any Borrowing shall be converted or continued, then each resulting Borrowing shall satisfy the limitations specified in Sections 2.02(a) and 2.02(b) regarding the principal amount and maximum number of Borrowings of the relevant Type;
- (iii) each conversion shall be effected by each Lender and the Administrative Agent by recording for the account of such Lender the new Borrowing of such Lender resulting from such conversion and reducing the Borrowing (or portion thereof) of such Lender being converted by an equivalent principal amount; accrued interest on any Eurodollar Loan (or portion thereof) being converted shall be paid by the Borrower at the time of conversion;
- (iv) if any Eurodollar Borrowing is converted at a time other than the end of the Interest Period applicable thereto, the Borrower shall pay, upon demand, any amounts due to the Lenders pursuant to Section 2.16;
- (v) any portion of a Borrowing maturing or required to be repaid in less than one month may not be converted into or continued as a Eurodollar Borrowing;

(vi) any portion of a Eurodollar Borrowing that cannot be continued as a Eurodollar Borrowing by reason of the immediately preceding clause (v) shall be automatically converted at the end of the Interest Period in effect for such Borrowing into an ABR Borrowing; and

(vii) After the occurrence and during the continuance of an Event of Default under Section 7.01(b), (c), (f) or (g) or, upon notice to the Borrower from the Administrative Agent given at the request of the Required Lenders, any other Event of Default, no outstanding Loan may be converted into, or continued as, a Eurodollar Loan.

Each such telephonic notice shall be irrevocable and shall be confirmed promptly by delivery of an Interest Election Request pursuant to this Section 2.10 and shall specify (a) the identity and amount of the Borrowing that the Borrower requests be converted or continued, (b) whether such Borrowing is to be converted to or continued as a Eurodollar Borrowing or an ABR Borrowing, (c) if such notice requests a conversion, the date of such conversion (which shall be a Business Day) and (d) if such Borrowing is to be converted to or continued as a Eurodollar Borrowing, the Interest Period with respect thereto. If no Interest Period is specified in any such notice with respect to any conversion to or continuation as a Eurodollar Borrowing, the Borrower shall be deemed to have selected an Interest Period of one month's duration. The Administrative Agent shall promptly advise the Lenders of any notice given pursuant to this Section 2.10 and of each Lender's pro rata share of any converted or continued Borrowing. If the Borrower shall not have given notice in accordance with this Section 2.10 to continue any Borrowing into a subsequent Interest Period (and shall not otherwise have given notice in accordance with this Section 2.10 to convert such Borrowing), such Borrowing shall, at the end of the Interest Period applicable thereto (unless repaid pursuant to the terms hereof), automatically be converted into an ABR Borrowing.

SECTION 2.11. *Repayment of Term Borrowings.* (a) Commencing on the last Business Day of September 2013, the Borrower shall pay to the Administrative Agent, for the account of the Term Lenders, on the last Business Day of each September, December, March and June occurring prior to the Maturity Date (each, a "***Repayment Date***"), a principal amount of the Term Loans (as adjusted from time to time pursuant to 2.12 and 2.13(e)) equal to 0.25% of the original principal amount of the Term Loans, together in each case with accrued and unpaid interest on the principal amount to be paid to but excluding the date of such payment.

(b) To the extent not previously paid, all Term Loans shall be due and payable on the Maturity Date together with accrued and unpaid interest on the principal amount to be paid to but excluding the date of payment.

(c) All repayments pursuant to this Section 2.11 shall be subject to Section 2.16, but shall otherwise be without premium or penalty.

SECTION 2.12. *Voluntary Prepayment.* (a) The Borrower shall have the right at any time and from time to time to prepay any Borrowing, in whole or in part, upon at least three (3) Business Days' prior written notice (or telephonic notice promptly confirmed by written notice) in the case of Eurodollar Loans, or written notice (or telephonic notice promptly confirmed by written notice) at least one (1) Business Day prior to the date of prepayment in the case of ABR Loans, to the Administrative Agent before 1:00 p.m., New York City time; *provided* that each partial prepayment shall be in an amount that is an integral multiple of \$500,000 and not less than \$2,000,000 (or such lesser amount as may remain outstanding).

(b) Voluntary prepayments of Term Loans shall be applied as directed by the Borrower to the remaining scheduled installments of principal due in respect of the Term Loans under Section 2.11.

(c) Each notice of prepayment shall specify the prepayment date and the principal amount of each Borrowing (or portion thereof) to be prepaid, shall be irrevocable and shall commit the Borrower to prepay such Borrowing by the amount stated therein on the date stated therein; *provided* that a notice of prepayment may state that such notice is conditioned upon the effectiveness of other financing arrangements, in which case such notice may be revoked by the Borrower (by notice to the Administrative Agent prior to 1:00 p.m. on the specified effective date) if such condition is not satisfied; *provided further* that the provisions of Section 2.16 shall apply with respect to any such revocation or extension. All prepayments under this Section 2.12 shall be subject to Section 2.16 and Section 2.05(b) but otherwise without premium or penalty. All prepayments under this Section 2.12 shall be accompanied by accrued and unpaid interest on the principal amount to be prepaid to but excluding the date of payment.

SECTION 2.13. *Mandatory Prepayments.* (a) Not later than the fifth Business Day following the receipt by the Borrower or any Subsidiary of Net Cash Proceeds from any Asset Sale (other than with respect to Current Asset Collateral so long as the ABL Facility is in effect), the Borrower shall prepay outstanding Term Loans in an amount equal to 100% of such Net Cash Proceeds in accordance with Section 2.13(e); *provided* that the Borrower shall not be required to apply Net Cash Proceeds from any Asset Sale (or series of related Asset Sales) in accordance with this clause (a) to the extent (x) the Net Cash Proceeds from such Asset Sale (or series of related Asset Sales) do not exceed \$2,000,000 or (y) the aggregate Net Cash Proceeds received from all Asset Sales since the Closing Date do not exceed \$5,000,000. In the case of Net Cash Proceeds received by the Borrower in connection with Asset Sales contemplated by Section 6.06(s), the proviso in the preceding sentence shall not apply and the Net Cash Proceeds (calculated without giving effect to any reinvestment right set forth in the definition thereof or any required prepayment of the ABL Facility) of the Asset Sales contemplated by Section 6.06(s) shall be allocated between the ABL Facility and the Term Facility as contemplated by the ABL Intercreditor Agreement, and then 100% of such Net Cash Proceeds that would be received by the Collateral Agent on behalf of the Secured Parties pursuant to such allocation shall be applied to prepay the Term Loan in accordance with the first sentence of this clause (a) (without giving effect to the proviso thereto) until the Net Total Leverage Ratio is no greater than 3.00:1.00 on a Pro Forma Basis, after which the remaining Net Cash Proceeds may either be (i) reinvested pursuant to the reinvestment provisions set forth in the definition of Net Cash Proceeds or (ii) applied to prepay the Term Loan and to make Restricted Payments (in equal amounts), in each case so long as the Net Total Leverage Ratio remains no greater than 3.00:1.00 on a Pro Forma Basis. Dividends distributed pursuant to the preceding sentence shall not exceed \$50,000,000 over the life of the Term Facility.

(b) Reserved.

(c) No later than the earlier of (i) ninety (90) days after the end of each fiscal year of the Borrower, commencing with the fiscal year ending on April 26, 2014, and (ii) the date on which the financial statements with respect to such period are delivered pursuant to Section 5.04(a), the Borrower shall prepay outstanding Term Loans in accordance with Section 2.13(e) in an aggregate principal amount equal to (x) the ECF Percentage of Excess Cash Flow for the fiscal year then ended *minus* (y) voluntary prepayments of Term Loans during such fiscal year but only to the extent that the Indebtedness so prepaid by its terms cannot be reborrowed or redrawn and such prepayments do not occur in connection with a refinancing of all or any portion of such Indebtedness.

(d) Not later than the fifth Business Day following the receipt by the Borrower or any Subsidiary of Net Cash Proceeds from the issuance or incurrence of Indebtedness for borrowed money (other than any cash proceeds from the issuance of Indebtedness permitted pursuant to Section 6.01), the Borrower shall prepay outstanding Term Loans in an amount equal to 100% of such Net Cash Proceeds in accordance with Section 2.13(e).

(e) Mandatory prepayments of outstanding Term Loans under this Agreement shall be applied in direct order of maturity to the remaining scheduled installments of principal due in respect of the Term Loans under Section 2.11.

(f) The Borrower shall deliver to the Administrative Agent, at the time of each prepayment required under this Section 2.13, (i) a certificate signed by a Financial Officer of the Borrower setting forth in reasonable detail the calculation of the amount of such prepayment and (ii) (other than in connection with a mandatory prepayment under Section 2.13(a)) at least three (3) Business Days prior written notice of such prepayment. Each notice of prepayment shall specify the prepayment date, the Type of each Loan being prepaid and the principal amount of each Loan (or portion thereof) to be prepaid. All prepayments of Borrowings under this Section 2.13 shall be subject to Section 2.05(b) and Section 2.16, but shall otherwise be without premium or penalty, and shall be accompanied by accrued and unpaid interest on the principal amount to be prepaid to but excluding the date of payment.

(g) Each Term Lender may reject all (but not less than all) of its applicable share of any mandatory prepayment (such declined amounts, the “**Declined Proceeds**”) of Term Loans required to be made pursuant to this Section 2.13 by providing written notice (each, a “**Rejection Notice**”) to the Administrative Agent no later than 5:00 p.m., New York City time, one (1) Business Day after the date of such Lender’s receipt of notice from the Administrative Agent regarding such prepayment. If a Lender fails to deliver a Rejection Notice to the Administrative Agent within the time frame specified above such failure will be deemed an acceptance of the total amount of such mandatory prepayment of Loans. Any Declined Proceeds shall be retained by the Borrower and may be used for any purpose not prohibited by this Agreement.

SECTION 2.14. **Increased Costs; Capital Adequacy.** (a) If any Change in Law shall:

(i) impose, modify or deem applicable any reserve, special deposit, compulsory loan, insurance charge or similar requirement against assets of, deposits with or for the account of or credit extended by any Lender (except any such reserve requirement which is reflected in the Adjusted LIBO Rate);

(ii) subject any Recipient to any Taxes (other than (A) Indemnified Taxes, (B) Taxes described in clauses (b) through (d) of the definition of Excluded Taxes and (C) Connection Income Taxes) on its loans, loan principal, letters of credit, commitments, or other obligations, or its deposits, reserves, other liabilities or capital attributable thereto; or

(iii) impose on any Lender or the London interbank market any other condition, cost or expense (other than Taxes) affecting this Agreement or Loans made by such Lender;

and the result of any of the foregoing shall be to increase the cost to such Lender or such other Recipient of making or maintaining any Loan or to reduce the amount of any sum received or receivable by such Lender or such other Recipient hereunder (whether of principal, interest or otherwise), then the Borrower will pay to such Lender or such other Recipient, as the case may be, upon demand such additional amount or amounts as will compensate such Lender or such other Recipient, as the case may be, for such additional costs incurred or reduction suffered.

(b) If any Lender shall have determined that any Change in Law regarding capital adequacy or liquidity requirements has or would have the effect of reducing the rate of return on such Lender's capital or on the capital of such Lender's holding company, if any, as a consequence of this Agreement or the Loans made to a level below that which such Lender or such Lender's holding company could have achieved but for such Change in Law (taking into consideration such Lender's policies and the policies of such Lender's holding company with respect to capital adequacy or liquidity) then from time to time the Borrower shall pay to such Lender such additional amount or amounts as will compensate such Lender or such Lender's holding company for any such reduction suffered.

(c) A certificate of a Lender or such other Recipient setting forth the amount or amounts necessary to compensate such Lender, or such other Recipient or the holding company, as applicable, as specified in paragraph (a) or (b) above shall be delivered to the Borrower and shall be conclusive absent manifest error. The Borrower shall pay such Lender or such other Recipient the amount shown as due on any such certificate delivered by it within ten (10) days after its receipt of the same.

(d) Failure or delay on the part of any Lender or other such Recipient to demand compensation pursuant to this Section shall not constitute a waiver of such Lender's or such other Recipient's right to demand such compensation; *provided* that the Borrower shall not be required to compensate any Lender or other such Recipient under paragraph (a) or (b) above pursuant to this Section for any increased costs incurred or reductions suffered more than 180 days prior to the date that such Lender or other Recipient, as the case may be, notifies the Borrower of the Change in Law giving rise to such increased costs or reductions, and of such Lender's or other such Recipient's intention to claim compensation therefor (except that, if the Change in Law giving rise to such increased costs or reductions is retroactive, then the 180-day period referred to above shall be extended to include the period of retroactive effect thereof).

SECTION 2.15. *Change in Legality.* (a) Notwithstanding any other provision of this Agreement, if any Change in Law shall make it unlawful for any Lender to make or maintain any Eurodollar Loan or to give effect to its obligations as contemplated hereby with respect to any Eurodollar Loan, then, by written notice to the Borrower and to the Administrative Agent:

(i) such Lender may declare that Eurodollar Loans will not thereafter (for the duration of such unlawfulness) be made by such Lender hereunder (or be continued for additional Interest Periods) and ABR Loans will not thereafter (for such duration) be converted into Eurodollar Loans, whereupon any request for a Eurodollar Borrowing (or to convert an ABR Borrowing to a Eurodollar Borrowing or to continue a Eurodollar Borrowing for an additional Interest Period) shall, as to such Lender only, be deemed a request for an ABR Loan (or a request to continue an ABR Loan as such or to convert a Eurodollar Loan into an ABR Loan, as the case may be), unless such declaration shall be subsequently withdrawn; and

(ii) such Lender may require that all outstanding Eurodollar Loans made by it be converted to ABR Loans, in which event all such Eurodollar Loans shall be automatically converted to ABR Loans as of the effective date of such notice as provided in paragraph (b) below.

In the event any Lender shall exercise its rights under (i) or (ii) above, all payments and prepayments of principal that would otherwise have been applied to repay the Eurodollar Loans that would have been made by such Lender or the converted Eurodollar Loans of such Lender shall instead be applied to repay the ABR Loans made by such Lender in lieu of, or resulting from the conversion of, such Eurodollar Loans.

(b) For purposes of this Section 2.15, a notice to the Borrower by any Lender shall be effective as to each Eurodollar Loan made by such Lender, if lawful, on the last day of the Interest Period then applicable to such Eurodollar Loan; in all other cases such notice shall be effective on the date of receipt by the Borrower.

SECTION 2.16. **Breakage.** The Borrower shall indemnify each Lender against any loss (excluding loss of anticipated profits) or expense that such Lender may sustain or incur as a consequence of (a) any event, other than a default by such Lender in the performance of its obligations hereunder, which results in (i) such Lender receiving or being deemed to receive any amount on account of the principal of any Eurodollar Loan prior to the end of the Interest Period in effect therefor, (ii) the conversion of any Eurodollar Loan to an ABR Loan, or the conversion of the Interest Period with respect to any Eurodollar Loan, in each case other than on the last day of the Interest Period in effect therefor, or (iii) any Eurodollar Loan to be made by such Lender (including any Eurodollar Loan to be made pursuant to a conversion or continuation under Section 2.10) not being made after notice of such Loan shall have been given by the Borrower hereunder (any of the events referred to in this clause (a) being called a “**Breakage Event**”) or (b) any default in the making of any payment or prepayment required to be made hereunder. In the case of any Breakage Event, such loss shall include an amount equal to the excess, as reasonably determined by such Lender, of (i) its cost of obtaining funds for the Eurodollar Loan that is the subject of such Breakage Event for the period from the date of such Breakage Event to the last day of the Interest Period in effect (or that would have been in effect) for such Loan over (ii) the amount of interest likely to be realized by such Lender in redeploying the funds released or not utilized by reason of such Breakage Event for such period. A certificate of any Lender setting forth any amount or amounts which such Lender is entitled to receive pursuant to this Section 2.16 shall be delivered to the Borrower and shall be conclusive absent manifest error.

SECTION 2.17. **Pro Rata Treatment.** Except as otherwise expressly provided herein, each Borrowing, each payment or prepayment of principal of any Borrowing, each payment of interest on the Loans, each reduction of the Term Loan Commitments and each conversion of any Borrowing to or continuation of any Borrowing as a Borrowing of any Type (excluding, for the avoidance of doubt, any assignments to a Borrower or its Subsidiaries in accordance with the terms of this Agreement) shall be allocated pro rata among the Lenders in accordance with their respective applicable Commitments (or, if such Commitments shall have expired or been terminated, in accordance with the respective principal amounts of their outstanding Loans). Each Lender agrees that in computing such Lender’s portion of any Borrowing to be made hereunder, the Administrative Agent may, in its discretion, round each Lender’s percentage of such Borrowing to the next higher or lower whole Dollar amount.

SECTION 2.18. **Sharing of Setoffs.** If any Lender shall, by exercising any right of setoff or counterclaim or otherwise, obtain payment in respect of any principal of or interest on any of its Loans or other Obligations hereunder resulting in such Lender receiving payment of a proportion of the aggregate amount of its Loans and accrued interest thereon or other such obligations greater than its pro rata share thereof as provided herein, then the Lender receiving such greater proportion shall (a) notify the Administrative Agent of such fact, and (b) purchase (for cash at face value) participations in the Loans and such other obligations of the other Lenders, or make such other

adjustments as shall be equitable, so that the benefit of all such payments shall be shared by the Lenders ratably in accordance with the aggregate amount of principal of and accrued interest on their respective Loans and other amounts owing them; *provided that*:

(i) if any such participations are purchased and all or any portion of the payment giving rise thereto is recovered, such participations shall be rescinded and the purchase price restored to the extent of such recovery, without interest; and

(ii) the provisions of this Section 2.18 shall not be construed to apply to (x) any payment made by the Borrower pursuant to and in accordance with the express terms of this Agreement, or (y) any payment obtained by a Lender as consideration for the assignment of or sale of a participation in any of its Loans or Commitments to any assignee or participant, other than to the Borrower or any of its Affiliates (as to which the provisions of this paragraph shall apply).

The Borrower consents to the foregoing and agrees, to the extent it may effectively do so under applicable law, that any Lender acquiring a participation pursuant to the foregoing arrangements may exercise against each Loan Party rights of setoff and counterclaim with respect to such participation as fully as if such Lender were a direct creditor of each Loan Party in the amount of such participation.

SECTION 2.19. *Payments.* (a) The Borrower shall make each payment (including principal of or interest on any Borrowing or any Fees or other amounts) hereunder or under any other Loan Document not later than 1:00 p.m., New York City time, on the date when due in immediately available Dollars, without setoff, defense or counterclaim. Any amounts received after such time on any date may, in the discretion of the Administrative Agent, be deemed to have been received on the next succeeding Business Day for purposes of calculating interest thereon. Each such payment shall be made to the Administrative Agent at its offices at Eleven Madison Avenue, New York, NY 10010. The Administrative Agent shall promptly distribute to each Lender any payments received by the Administrative Agent on behalf of such Lender.

(b) Except as otherwise expressly provided herein, whenever any payment (including principal of or interest on any Borrowing or any Fees or other amounts) hereunder or under any other Loan Document shall become due, or otherwise would occur, on a day that is not a Business Day, such payment may be made on the next succeeding Business Day, and such extension of time shall in such case be included in the computation of interest or Fees, if applicable.

SECTION 2.20. *Taxes.* (a) For the avoidance of doubt, for purposes of this Section 2.20, the term “applicable law” includes FATCA.

(b) ***Payments Free of Taxes.*** Any and all payments by or on account of any obligation of any Loan Party under any Loan Document shall be made without deduction or withholding for any Taxes, except as required by applicable law. If any applicable law (as determined in the good faith discretion of an applicable Withholding Agent) requires the deduction or withholding of any Tax from any such payment by a Withholding Agent, then the applicable Withholding Agent shall be entitled to make such deduction or withholding and shall timely pay the full amount deducted or withheld to the relevant Governmental Authority in accordance with applicable law and, if such Tax is an Indemnified Tax, then the sum payable by the applicable Loan Party shall be increased as necessary so that after such deduction or withholding has been made (including such deductions and withholdings applicable to additional sums payable under this Section 2.20) the applicable Recipient receives an amount equal to the sum it would have received had no such deduction or withholding been made.

(c) **Payment of Other Taxes by the Loan Parties.** The Loan Parties shall timely pay to the relevant Governmental Authority in accordance with applicable law, or at the option of the Administrative Agent timely reimburse it for the payment of, any Other Taxes.

(d) **Indemnification by the Loan Parties.** The Borrower shall, and shall cause the other Loan Parties to, jointly and severally indemnify each Recipient, within 10 days after demand therefor, for the full amount of any Indemnified Taxes (including Indemnified Taxes imposed or asserted on or attributable to amounts payable under this Section 2.20) payable or paid by such Recipient (including amounts withheld or deducted from a payment to such Recipient) and any reasonable out-of-pocket expenses arising therefrom or with respect thereto, whether or not such Indemnified Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate as to the amount of such payment or liability delivered to the Borrower by a Lender (with a copy to the Administrative Agent), or by the Administrative Agent on its own behalf or on behalf of a Lender, shall be conclusive absent manifest error.

(e) **Indemnification by the Lenders.** Each Lender shall severally indemnify the Administrative Agent, within 10 days after demand therefor, for (i) any Indemnified Taxes attributable to such Lender (but only to the extent that any Loan Party has not already indemnified the Administrative Agent for such Indemnified Taxes and without limiting the obligation of the Loan Parties to do so), (ii) any Taxes attributable to such Lender's failure to comply with the provisions of Section 9.04(d) relating to the maintenance of a Participant Register and (iii) any Excluded Taxes attributable to such Lender, in each case, that are payable or paid by the Administrative Agent in connection with any Loan Document, and any reasonable expenses arising therefrom or with respect thereto, whether or not such Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate as to the amount of such payment or liability delivered to any Lender by the Administrative Agent shall be conclusive absent manifest error. Each Lender hereby authorizes the Administrative Agent to set off and apply any and all amounts at any time owing to such Lender under any Loan Document or otherwise payable by the Administrative Agent to the Lender from any other source against any amount due to the Administrative Agent under this paragraph (d).

(f) **Evidence of Payments.** As soon as practicable after any payment of Taxes by any Loan Party to a Governmental Authority pursuant to this Section 2.20, such Loan Party shall deliver to the Administrative Agent the original or a certified copy of a receipt issued by such Governmental Authority evidencing such payment, a copy of the return reporting such payment or other evidence of such payment reasonably satisfactory to the Administrative Agent.

(g) **Status of Lenders and Agents.** (i) Any Lender that is entitled to an exemption from or reduction of withholding Tax with respect to payments made under any Loan Document shall deliver to the Borrower and the Administrative Agent, at the time or times reasonably requested by the Borrower or the Administrative Agent, such properly completed and executed documentation reasonably requested by the Borrower or the Administrative Agent as will permit such payments to be made without withholding or at a reduced rate of withholding. In addition, any Lender, if reasonably requested by the Borrower or the Administrative Agent, shall deliver such other documentation prescribed by applicable law or reasonably requested by the Borrower or the Administrative Agent as will enable the Borrower or the Administrative Agent to determine whether or not such Lender is subject to backup withholding or information reporting requirements and to satisfy any such information reporting requirements.

Notwithstanding anything to the contrary in the preceding two sentences, the completion, execution and submission of such documentation (other than such documentation set forth in Section 2.20(g)(ii)(A), (ii)(B) and (ii)(D) below) shall not be required if in the Lender's reasonable judgment such completion, execution or submission would subject such Lender to any material unreimbursed cost or expense or would materially prejudice the legal or commercial position of such Lender.

(ii) Without limiting the generality of the foregoing, in the event that the Borrower is a U.S. Person,

(A) any Lender that is a U.S. Person shall deliver to the Borrower and the Administrative Agent on or prior to the date on which such Lender becomes a Lender under this Agreement, from time to time thereafter upon the reasonable request of the Borrower or the Administrative Agent and pursuant to Section 2.20(g)(iv), executed originals of IRS Form W-9 certifying that such Lender is exempt from U.S. federal backup withholding tax;

(B) any Foreign Lender shall, to the extent it is legally entitled to do so, deliver to the Borrower and the Administrative Agent (in such number of copies as shall be requested by the recipient) on or prior to the date on which such Foreign Lender becomes a Lender under this Agreement, from time to time thereafter upon the reasonable request of the Borrower or the Administrative Agent and pursuant to Section 2.20(g)(iv), whichever of the following is applicable:

(i) in the case of a Foreign Lender claiming the benefits of an income tax treaty to which the United States is a party (x) with respect to payments of interest under any Loan Document, executed originals of IRS Form W-8BEN establishing an exemption from, or reduction of, U.S. federal withholding Tax pursuant to the "interest" article of such tax treaty and (y) with respect to any other applicable payments under any Loan Document, IRS Form W-8BEN establishing an exemption from, or reduction of, U.S. federal withholding Tax pursuant to the "business profits" or "other income" article of such tax treaty;

(ii) executed originals of IRS Form W-8ECI;

(iii) in the case of a Foreign Lender claiming the benefits of the exemption for portfolio interest under Sections 871(h) or 881(c) of the Code, (x) a certificate substantially in the form of Exhibit K-1 to the effect that such Foreign Lender is not a "bank" within the meaning of Section 881(c)(3)(A) of the Code, a "10 percent shareholder" of the Borrower within the meaning of Section 881(c)(3)(B) of the Code, or a "controlled foreign corporation" described in Section 881(c)(3)(C) of the Code (a "U.S. Tax Compliance Certificate") and (y) executed originals of IRS Form W-8BEN; or

(iv) to the extent a Foreign Lender is not the beneficial owner, executed originals of IRS Form W-8IMY, accompanied by IRS Form W-8ECI, IRS Form W-8BEN, a U.S. Tax Compliance Certificate substantially in the form of Exhibit K-2 or Exhibit K-3, IRS Form W-9, and/or other certification documents from each beneficial owner, as applicable; *provided* that if the Foreign Lender is a partnership and one or more direct or indirect partners of

such Foreign Lender are claiming the portfolio interest exemption, such Foreign Lender may provide a U.S. Tax Compliance Certificate substantially in the form of Exhibit K-4 on behalf of each such direct and indirect partner;

(C) any Foreign Lender shall, to the extent it is legally entitled to do so, deliver to the Borrower and the Administrative Agent (in such number of copies as shall be requested by the recipient) on or prior to the date on which such Foreign Lender becomes a Lender under this Agreement, from time to time thereafter upon the reasonable request of the Borrower or the Administrative Agent and pursuant to Section 2.20(g)(iv), executed originals of any other form prescribed by applicable law as a basis for claiming exemption from or a reduction in U.S. federal withholding Tax, duly completed, together with such supplementary documentation as may be prescribed by applicable law to permit the Borrower or the Administrative Agent to determine the withholding or deduction required to be made; and

(D) if a payment made to a Recipient under any Loan Document would be subject to U.S. federal withholding Tax imposed by FATCA if such Recipient were to fail to comply with the applicable reporting requirements of FATCA (including those contained in Section 1471(b) or 1472(b) of the Code, as applicable), such Recipient shall deliver to the Borrower and the Administrative Agent at the time or times prescribed by law and at such time or times reasonably requested by the Borrower or the Administrative Agent or pursuant to Section 2.20(g)(iv) such documentation prescribed by applicable law (including as prescribed by Section 1471(b)(3)(C)(i) of the Code) and such additional documentation reasonably requested by the Borrower or the Administrative Agent as may be necessary for the Borrower and the Administrative Agent to comply with their obligations under FATCA and to determine that such Recipient has complied with such Recipient's obligations under FATCA or to determine the amount to deduct and withhold from such payment. Solely for purposes of this clause (D), "FATCA" shall include any amendments made to FATCA after the date of this Agreement.

(iii) On or prior to the Closing Date and each subsequent date on which a successor Administrative Agent is appointed hereunder, from time to time thereafter upon the reasonable request of the Borrower and pursuant to Section 2.20(g)(iv), the Administrative Agent will provide the Borrower with an executed original IRS Form W-8IMY certifying on Part I and Part IV of such IRS Form W-8IMY that it is a U.S. branch that has agreed to be treated as a U.S. person for U.S. federal withholding tax purposes with respect to payments received by it from the Borrower (or, in the case of a successor Administrative Agent, such properly completed and executed applicable IRS Form W-8 or W-9 as will permit payments to such successor Administrative Agent (solely in its capacity as an Administrative Agent hereunder) to be made without withholding or at a reduced rate of withholding if such successor Administrative Agent is entitled to such exemption or reduction of withholding tax.

(iv) Each Recipient agrees that if any form or certification it previously delivered expires or becomes obsolete or inaccurate in any respect, it shall update such form or certification or promptly notify the Borrower and the Administrative Agent in writing of its legal inability to do so.

(h) **Treatment of Certain Refunds.** If any party determines, in its sole discretion exercised in good faith, that it has received a refund of any Taxes as to which it has been indemnified pursuant to this Section 2.20 (including by the payment of additional amounts pursuant to this Section 2.20), it shall pay to the indemnifying party an amount equal to such refund (but only to the extent of indemnity

payments made under this Section 2.20 with respect to the Taxes giving rise to such refund), net of all reasonable out-of-pocket expenses (including Taxes imposed on the receipt of such refund) of such indemnified party and without interest (other than any interest paid by the relevant Governmental Authority with respect to such refund). Such indemnifying party, upon the request of such indemnified party, shall repay to such indemnified party the amount paid over pursuant to this paragraph (h) (plus any penalties, interest or other charges imposed by the relevant Governmental Authority) in the event that such indemnified party is required to repay such refund to such Governmental Authority. Notwithstanding anything to the contrary in this paragraph (h), in no event will the indemnified party be required to pay any amount to an indemnifying party pursuant to this paragraph (h) to the extent the payment of which would place the indemnified party in a less favorable net after-Tax position than the indemnified party would have been in if the Tax subject to indemnification had not been deducted, withheld or otherwise imposed and the indemnification payments or additional amounts giving rise to such refund had never been paid. This paragraph shall not be construed to require any indemnified party to make available its Tax returns (or any other information relating to its Taxes that it deems confidential) to the indemnifying party or any other Person.

(i) **Survival.** Each party's obligations under this Section 2.20 shall survive the resignation or replacement of the Administrative Agent or any assignment of rights by, or the replacement of, a Lender, the termination of the Commitments and the repayment, satisfaction or discharge of all obligations under any Loan Document.

SECTION 2.21. **Assignment of Commitments under Certain Circumstances; Duty to Mitigate.** (a) In the event (i) any Lender delivers a certificate requesting compensation pursuant to Section 2.14, (ii) any Lender delivers a notice described in Section 2.15, (iii) the Borrower is required to pay any Indemnified Taxes or additional amounts with respect thereto to any Lender or any Governmental Authority on account of any Lender pursuant to Section 2.20 or (iv) any Lender refuses to consent to any amendment, waiver or other modification of any Loan Document requested by the Borrower that requires the consent of a greater percentage of the Lenders than the Required Lenders or from all affected Lenders and such amendment, waiver or other modification is consented to by the Required Lenders, then, in each case, the Borrower may, at its sole expense and effort (including with respect to the processing and recordation fee referred to in Section 9.04(b)), upon notice to such Lender, as the case may be, and the Administrative Agent, require such Lender to transfer and assign, without recourse (in accordance with and subject to the restrictions contained in Section 9.04), all of its interests, rights and obligations under this Agreement (or, in the case of clause (iv) above, all of its interests, rights and obligations with respect to the Class of Loans or Commitments that is the subject of the related consent, amendment, waiver or other modification) to an Eligible Assignee that shall assume such assigned obligations (and, with respect to clause (iv) above, shall consent to such requested amendment, waiver or other modification); *provided* that (x) such assignment shall not conflict with any law, rule or regulation or order of any court or other Governmental Authority having jurisdiction, and (y) the Borrower or such assignee shall have paid to the affected Lender in immediately available funds an amount equal to the sum of the principal of and interest accrued to the date of such payment on the outstanding Loans of such Lender, respectively, plus all Fees and other amounts accrued for the account of such Lender hereunder with respect thereto (including any amounts under Sections 2.14 and 2.16 and, if applicable, the prepayment fee pursuant to Section 2.05(b)); *provided further* that if prior to any such transfer and assignment the circumstances or event that resulted in such Lender's claim for compensation under Section 2.14, notice under Section 2.15 or the amounts paid pursuant to Section 2.20, as the case may be, cease to cause such Lender to suffer increased costs or reductions in amounts received or receivable or reduction in return on capital, cease to have the consequences specified in Section 2.15 or cease to result in amounts being payable under Section 2.20, as the case may be (including as a result of

any action taken by such Lender pursuant to paragraph (b) below), or if such Lender shall waive its right to claim further compensation under Section 2.14 in respect of such circumstances or event, shall withdraw its notice under Section 2.15 or shall waive its right to further payments under Section 2.20 in respect of such circumstances or event or shall consent to the proposed amendment, waiver, consent or other modification, as the case may be, then such Lender shall not thereafter be required to make any such transfer and assignment hereunder. Each Lender hereby grants to the Administrative Agent an irrevocable power of attorney (which power is coupled with an interest) to execute and deliver, on behalf of such Lender, as assignor, any Assignment and Acceptance necessary to effectuate any assignment of such Lender's interests hereunder in the circumstances contemplated by this Section 2.21(a).

(b) If (i) any Lender shall request compensation under Section 2.14, (ii) any Lender delivers a notice described in Section 2.15 or (iii) the Borrower is required to pay any Indemnified Taxes or additional amount with respect thereto to any Lender or any Governmental Authority on account of any Lender pursuant to Section 2.20, then such Lender shall use reasonable efforts (which shall not require such Lender to incur an unreimbursed loss or unreimbursed cost or expense or otherwise take any action inconsistent with its internal policies or legal or regulatory restrictions or suffer any disadvantage or burden deemed by it to be significant) (x) except in the case of a requirement to pay Indemnified Taxes or additional amounts with respect thereto pursuant to Section 2.20, to file any certificate or document reasonably requested in writing by the Borrower or (y) to assign its rights (other than its existing rights to payments pursuant to Section 2.14 or Section 2.20) and delegate and transfer its obligations hereunder to another of its offices, branches or affiliates, if such filing or assignment would reduce its claims for compensation under Section 2.14 or Section 2.20 enable it to withdraw its notice pursuant to Section 2.15 or would reduce amounts payable pursuant to Section 2.20, as the case may be, in the future. The Borrower hereby agrees to pay all reasonable costs and expenses incurred by any Lender in connection with any such filing or assignment, delegation and transfer.

SECTION 2.22. Incremental Facilities. (a). The Borrower may, by written notice to the Administrative Agent from time to time, request Incremental Term Loan Commitments in an amount such that, after giving effect thereto, the Aggregate Incremental Amount does not exceed the Incremental Cap. Such notice shall set forth (i) the amount of the Incremental Term Loan Commitments being requested (which shall be in minimum increments of \$1,000,000 and a minimum amount of \$5,000,000), (ii) the date on which such Incremental Term Loan Commitments are requested to become effective (which shall not be less than ten (10) Business Days nor more than sixty (60) days after the date of such notice (or such longer or shorter periods as the Administrative Agent shall agree)) and (iii) whether such Incremental Term Loan Commitments are commitments to make Term Loans of the same Class as the Term Loans or commitments to make Term Loans of a different Class than the Term Loans. The Borrower may seek Incremental Term Loan Commitments from existing Lenders (each of which shall be entitled to agree or decline to participate in its sole discretion) or any Additional Lender.

(b) It shall be a condition precedent to the effectiveness of any Incremental Term Loan Commitment and the incurrence of the Incremental Term Loans that (i) no Default or Event of Default shall have occurred and be continuing immediately prior to or immediately after giving effect to such Incremental Term Loan Commitment or the incurrence of such Incremental Term Loan, as applicable, (ii) the Borrower would be in compliance with the Financial Covenants and the Net First Lien Leverage Ratio shall not exceed 3.25:1.00, in each case determined on an Incremental Pro Forma Basis as of the last day of the most recently ended fiscal quarter for which financial statements have been delivered pursuant to Section 5.04(a) or 5.04(b), (iii) the representations and warranties set forth in Article III and in each other Loan Document shall be true and correct in all material respects on and as of the date such Incremental Term Loan Commitments become effective and the Incremental Term Loans are incurred and (iv) the terms of such Incremental Term Loan Commitments and the Incremental Loans thereunder shall comply with Section 2.22(c).

(c) The terms of the Incremental Term Loans shall be determined by the Borrower and the Incremental Term Lenders and set forth in an Additional Credit Extension Amendment; *provided* that (i) the final maturity date of any Incremental Term Loans shall be no earlier than the Latest Maturity Date in effect at the time, (ii) the average life to maturity of the Incremental Term Loans shall be no shorter than the remaining average life to maturity of the Term Loans, (iii) the Incremental Term Loans will rank *pari passu* in right of payment and with respect to security with the Term Loans and the borrower and guarantors of the Incremental Term Loans shall be the same as the Borrower and Guarantors with respect to the Term Loans, (iv) if the All-in Yield on such Incremental Term Loans exceeds the initial All-in Yield of the Term Loans by more than 50 basis points (the amount of such excess above 50 basis points being referred to herein as the “*Yield Differential*”), then the Applicable Margin (at each level) for the Term Loans shall automatically be increased by the Yield Differential, effective upon the making of such Incremental Term Loans and (v) to the extent the terms of the Incremental Term Loans are inconsistent with the terms set forth herein (except as set forth in clause (i) through (iv) above), such terms shall be reasonably satisfactory to the Administrative Agent.

(d) In connection with any Incremental Term Loan Commitments, the Borrower, the Administrative Agent and each applicable Incremental Term Loan Lender shall execute and deliver to the Administrative Agent an Additional Credit Extension Amendment and such other documentation as the Administrative Agent shall reasonably specify to evidence the Incremental Term Loan Commitment of each Incremental Term Loan Lender. The Administrative Agent shall promptly notify each Lender as to the effectiveness of each Additional Credit Extension Amendment. Any Additional Credit Extension Amendment may, without consent of any other Lender, effect such amendments to this Agreement and the other Loan Documents as may be necessary or appropriate, in the reasonable opinion of the Administrative Agent and the Borrower, to effect the provisions of this Section 2.22, including any amendments necessary to establish the Incremental Term Loans and/or Incremental Term Commitments as a new Class or tranche of Term Loans and such other technical amendments as may be necessary or appropriate in the reasonable opinion of the Administrative Agent and the Borrower in connection with the establishment of such new Class or tranche, in each case on terms consistent with this Section 2.22.

SECTION 2.23. ***Amend and Extend Transactions.*** (a) The Borrower may, by written notice to the Administrative Agent from time to time, request an extension (each, an “*Extension*”) of the Maturity Date of any Class of Loans and Commitments to the extended maturity date specified in such notice. Such notice shall set forth (i) the amount of the applicable Class of Term Loans to be extended (which shall be in minimum increments of \$1,000,000 and a minimum amount of \$5,000,000), (ii) the date on which such Extension is requested to become effective (which shall be not less than ten (10) Business Days nor more than sixty (60) days after the date of such Extension (or such longer or shorter periods as the Administrative Agent shall agree)) and (iii) identifying the relevant Class of Term Loans to which such Extension relates. Each Lender of the applicable Class shall be offered (an “*Extension Offer*”) an opportunity to participate in such Extension on a pro rata basis and on the same terms and conditions as each other Lender of such Class pursuant to procedures established by, or reasonably acceptable to, the Administrative Agent. If the aggregate principal amount of Term Loans (calculated on the face amount thereof) in respect of which Lenders shall have accepted the relevant Extension Offer shall exceed the maximum aggregate principal amount of Term Loans, as applicable, requested to be extended by the Borrower pursuant to such Extension Offer, then the Term Loans of Lenders of the applicable Class shall be extended ratably up to such maximum amount based on the respective principal amounts (but not to exceed actual holdings of record) with respect to which such Lenders have accepted such Extension Offer. The Borrower may effect no more than four Extensions pursuant to this Section 2.23.

(b) It shall be a condition precedent to the effectiveness of any Extension that (i) no Default or Event of Default shall have occurred and be continuing immediately prior to and immediately after giving effect to such Extension, (ii) the representations and warranties set forth in Article III and in each other Loan Document shall be true and correct in all material respects on and as of the date of such Extension and (iii) the terms of such Extended Term Loans shall comply with Section 2.23(c).

(c) The terms of each Extension shall be determined by the Borrower and the applicable extending Lender and set forth in an Additional Credit Extension Amendment; *provided* that (i) the final maturity date of any Extended Term Loan shall be no earlier than the Latest Maturity Date at the time of the extension, (ii) the average life to maturity of the Extended Term Loans shall be no shorter than the remaining average life to maturity of the existing Term Loans extended thereby, (iii) the Extended Term Loans will rank *pari passu* (or more junior) in right of payment, guarantee and with respect to security with the existing Term Loans and the borrower and guarantors of the Extended Term Loans shall be the same as the borrower and guarantors with respect to the existing Term Loans, (iv) the interest rate margin, rate floors, fees, original issue discounts and premiums applicable to any Extended Term Loan shall be determined by the Borrower and the applicable extending Lender and (v) to the extent the terms of the Extended Term Loans are inconsistent with the terms set forth herein (except as set forth in clause (i) through (iv) above), such terms shall be reasonably satisfactory to the Administrative Agent.

(d) In connection with any Extension, the Borrower, the Administrative Agent and each applicable extending Lender shall execute and deliver to the Administrative Agent an Additional Credit Extension Amendment and such other documentation as the Administrative Agent shall reasonably specify to evidence the Extension. The Administrative Agent shall promptly notify each Lender as to the effectiveness of each Extension. Any Additional Credit Extension Amendment may, without the consent of any other Lender, effect such amendments to this Agreement and the other Loan Documents as may be necessary or appropriate, in the reasonable opinion of the Administrative Agent and the Borrower, to implement the terms of any such Extension Offer, including any amendments necessary to establish Extended Term Loans as a new Class or tranche of Term Loans, and such other technical amendments as may be necessary or appropriate in the reasonable opinion of the Administrative Agent and the Borrower in connection with the establishment of such new Class or tranche (including to preserve the pro rata treatment of the extended and non-extended Classes or tranches), in each case on terms consistent with this Section 2.23).

ARTICLE III *Representations and Warranties*

The Borrower represents and warrants to the Administrative Agent, the Collateral Agent and each of the Lenders on the Closing Date and on each other date contemplated by Article IV that:

SECTION 3.03. **Enforceability.** This Agreement has been duly executed and delivered by the Borrower and constitutes, and each other Loan Document when executed and delivered by each Loan Party thereto will constitute, a legal, valid and binding obligation of such Loan Party enforceable against such Loan Party in accordance with its terms, except as enforceability may be limited by applicable bankruptcy, insolvency, reorganization, moratorium or similar laws affecting the enforcement of creditors' rights generally and by general equitable principles (whether enforcement is sought by proceedings in equity or at law).

ARTICLE VIII

The Administrative Agent and the Collateral Agent

SECTION 8.01. **Appointment and Authority.** Each Lender hereby irrevocably appoints the Administrative Agent and the Collateral Agent (for purposes of this Article VIII, the Administrative Agent and the Collateral Agent are referred to collectively as the “Agents”) its agent, and authorizes the Agents to take such actions on its behalf and to exercise such powers as are delegated to such Agent by the terms of the Loan Documents, together with such actions and powers as are reasonably incidental thereto. The provisions of this Article VIII are solely for the benefit of the Agents and the Lenders, and neither the Borrower nor any other Loan Party shall have rights as a third-party beneficiary of any of such provisions. It is understood and agreed that the use of the term “Agent” or “agent” herein or in any other Loan Documents (or any other similar term) with reference to an Agent, is not intended to connote any fiduciary or other implied (or express) obligations arising under agency doctrine of any applicable law. Instead, such term is used as a matter of market custom, and is intended to create or reflect only an administrative relationship between the contracting parties. Without limiting the generality of the foregoing, the Agents are hereby expressly authorized to (a) execute any and all documents (including releases) with respect to the Collateral and the rights of the Secured Parties with respect thereto, as contemplated by and in accordance with the provisions of this Agreement and the Security Documents and (b) negotiate, enforce or settle any claim, action or proceeding affecting the Lenders in their capacity as such, at the direction of the Required Lenders, which negotiation, enforcement or settlement will be binding upon each Lender.

SECTION 8.02. **Rights as a Lender.** The institution serving as the Administrative Agent and/or the Collateral Agent hereunder shall have the same rights and powers in its capacity as a Lender as any other Lender, and may exercise the same as though it were not an Agent, and such bank and its Affiliates may accept deposits from, lend money to, own securities of, act as the financial advisor or in any other advisory capacity for, and generally engage in any kind of business with the Borrower or any Subsidiary or other Affiliate thereof as if it were not an Agent hereunder.

SECTION 8.03. **Exculpatory Provisions.** Neither Agent shall have any duties or obligations except those expressly set forth in the Loan Documents, and its duties hereunder shall be administrative in nature. Without limiting the generality of the foregoing, (a) neither Agent shall be subject to any fiduciary or other implied duties, regardless of whether a Default or an Event of Default has occurred and is continuing, (b) neither Agent shall have any duty to take any discretionary action or exercise any discretionary powers, except discretionary rights and powers expressly contemplated hereby that such Agent is instructed in writing to exercise by the Required Lenders (or such other number or percentage of the Lenders as shall be necessary under the circumstances as provided in Section 9.07), *provided* that no Agent shall be required to take any action that, in its opinion or the opinion of its counsel, may expose such Agent to liability or that is contrary to any Loan Document or applicable law, including for the avoidance of doubt any action that may be in violation of the automatic stay under any Debtor Relief Law and (c) except as expressly set forth in the Loan Documents, neither Agent shall have any

duty to disclose, nor shall it be liable for the failure to disclose, any information relating to the Borrower or any of the Subsidiaries that is communicated to or obtained by the bank serving as Administrative Agent and/or Collateral Agent or any of its Affiliates in any capacity. Neither Agent shall be liable for any action taken or not taken by it with the consent or at the request of the Required Lenders, or such other number or percentage of the Lenders as shall be necessary or as such Agent shall in good faith believe to be necessary under the circumstances as provided in Section 9.07, or in the absence of its own gross negligence or willful misconduct as determined by a court of competent jurisdiction by final and nonappealable judgment. Neither Agent shall be deemed to have knowledge of any Default or Event of Default unless and until written notice thereof is given to such Agent by the Borrower or a Lender, and neither Agent shall be responsible for or have any duty to ascertain or inquire into (i) any statement, warranty or representation made in or in connection with any Loan Document, (ii) the contents of any certificate, report or other document delivered thereunder or in connection therewith, (iii) the performance or observance of any of the covenants, agreements or other terms or conditions set forth in any Loan Document, (iv) the validity, enforceability, effectiveness or genuineness of any Loan Document or any other agreement, instrument or document, (v) the satisfaction of any condition set forth in Article IV or elsewhere in any Loan Document, other than to confirm receipt of items expressly required to be delivered to such Agent or (vi) compliance by Affiliated Lenders with the terms of Section 9.04(h).

SECTION 8.04. **Reliance by Administrative Agent.** Each Agent shall be entitled to rely upon, and shall not incur any liability for relying upon, any notice, request, certificate, consent, statement, instrument, document or other writing believed by it to be genuine and to have been signed, sent or otherwise authenticated by the proper Person. Each Agent may also rely upon any statement made to it orally or by telephone and believed by it to have been made by the proper Person, and shall not incur any liability for relying thereon. In determining compliance with any condition hereunder to the making of a Loan that by its terms must be fulfilled to the satisfaction of a Lender, the Administrative Agent may presume that such condition is satisfactory to such Lender unless the Administrative Agent shall have received notice to the contrary from such Lender prior to the making of such Loan. Each Agent may consult with legal counsel (who may be counsel for the Borrower), independent accountants and other experts selected by it, and shall not be liable for any action taken or not taken by it in accordance with the advice of any such counsel, accountants or experts.

SECTION 8.05. **Delegation of Duties.** Each Agent may perform any and all its duties and exercise its rights and powers by or through any one or more subagents appointed by it. Each Agent and any such subagent may perform any and all its duties and exercise its rights and powers by or through their respective Related Parties. The exculpatory provisions of the preceding paragraphs shall apply to any such subagent and to the Related Parties of each Agent and any such subagent, and shall apply to their respective activities in connection with the syndication of the Credit Facilities as well as activities as Agent. No Agent shall be responsible for the negligence or misconduct of any subagents except to the extent that a court of competent jurisdiction determines in a final and nonappealable judgment that such Agent acted with gross negligence or willful misconduct in the selection of such subagents.

SECTION 8.06. **Resignation of the Administrative Agent.** Subject to the appointment and acceptance of a successor Agent as provided below, either Agent may resign at any time by notifying the Lenders and the Borrower. Upon any such resignation, the Required Lenders shall have the right, in consultation with the Borrower, to appoint a successor. If no successor shall have been so appointed by the Required Lenders and shall have accepted such appointment within 30 days after the retiring Agent gives notice of its resignation, (or such earlier day as shall be agreed by the Required Lenders) (the “**Resignation Effective Date**”), then the retiring Agent may (but shall not be obligated to),

on behalf of the Lenders, appoint a successor Agent which shall be a bank with an office in New York, New York, or an Affiliate of any such bank. If no successor Agent has been appointed pursuant to the immediately preceding sentence by the Resignation Effective Date, such Agent's resignation shall become effective and the Required Lenders shall thereafter perform all the duties of such Agent hereunder and/or under any other Loan Document until such time, if any, as the Required Lenders appoint a successor Administrative Agent and/or Collateral Agent, as the case may be. Upon the acceptance of its appointment as Agent hereunder by a successor, such successor shall succeed to, and become vested with, all the rights, powers, privileges and duties of the retiring Agent, and the retiring Agent shall be discharged from its duties and obligations hereunder. The Administrative Agent Fees payable by the Borrower to a successor Agent shall be the same as those payable to its predecessor unless otherwise agreed between the Borrower and such successor. After an Agent's resignation hereunder, the provisions of this Article VIII and Section 9.05 shall continue in effect for the benefit of such retiring Agent, its subagents and their respective Related Parties in respect of any actions taken or omitted to be taken by any of them while acting as Agent.

SECTION 8.07. ***Non-Reliance on Administrative Agent and Other Lenders***. Each Lender acknowledges that it has, independently and without reliance upon the Agents or any other Lender and based on such documents and information as it has deemed appropriate, made its own credit analysis and decision to enter into this Agreement. Each Lender also acknowledges that it will, independently and without reliance upon the Agents or any other Lender and based on such documents and information as it shall from time to time deem appropriate, continue to make its own decisions in taking or not taking action under or based upon this Agreement or any other Loan Document, any related agreement or any document furnished hereunder or thereunder.

SECTION 8.08. ***No Other Duties, etc.*** Notwithstanding any other provision of this Agreement or any provision of any other Loan Document, the Arranger is named as such for recognition purposes only, and in its capacity as such shall have no duties, responsibilities or liabilities with respect to this Agreement or any other Loan Document; it being understood and agreed that the Arranger shall be entitled to all indemnification and reimbursement rights in favor of the Agents provided herein and in the other Loan Documents. Without limitation of the foregoing, the Arranger, in its capacity as such shall not, by reason of this Agreement or any other Loan Document, have any fiduciary relationship in respect of any Lender, Loan Party or any other Person.

SECTION 8.09. ***Agent May File Proofs of Claim***. (i) to file and prove a claim for the whole amount of the principal and interest owing and unpaid in respect of the Loans and all other Obligations that are owing and unpaid and to file such other documents as may be necessary or advisable in order to have the claims of the Lenders and each Agent (including any claim for the reasonable compensation, expenses, disbursements and advances of the Lenders, each Agent and their respective agents and counsel and all other amounts due the Lenders and each Agent under Sections 2.05 and 9.05) allowed in such judicial proceeding; and

SECTION 8.10. *Collateral and Guarantee Matters*. (a) The Lenders irrevocably authorize the Collateral Agent, at its option and in its sole discretion:

(i) to release any Lien on any property granted to, or held by, the Collateral Agent under any Loan Document (x) on or after the date that the Obligations (other than contingent indemnity and expense reimbursement obligations as to which no claim has been made) have been paid in full and the Commitments have been terminated, (y) with respect to any property that is sold or otherwise disposed of or to be sold or otherwise disposed of as part of or in connection with any sale or other disposition permitted under the Loan Documents or (z), if approved, authorized or ratified in writing by the Required Lenders (or such other number of Lenders as shall be required hereunder);

(ii) to subordinate any Lien on any property granted to, or held by, the Collateral Agent under any Loan Document to the holder of any Lien on such property that is permitted by Section 6.02(j); and

(iii) to release any Subsidiary from its obligations under the Loan Documents if such Person ceases to be a Subsidiary as a result of a transaction permitted under the Loan Documents.

(b) Upon request by the Collateral Agent at any time, the Required Lenders will confirm in writing, the Collateral Agent's authority to release or subordinate its interest in particular types or items of property, or to release any Subsidiary from its obligations under the Loan Documents pursuant to this Section 8.10.

(c) Except as otherwise expressly set forth herein or in the Guarantee and Collateral Agreement, no Cash Management Bank or Qualified Counterparty that obtains the benefits of any Guarantee pursuant to the Guarantee and Collateral Agreement or any Collateral by virtue of the provisions hereof or of any Security Document shall have any right to notice of any action or to consent to, direct or object to any action hereunder or under any other Loan Document or otherwise in respect of the Collateral (including the release or impairment of any Collateral) other than in its capacity as a Lender and, in such case, only to the extent expressly provided in the Loan Documents. Notwithstanding any other provision of this Article VIII to the contrary, the Administrative Agent shall not be required to verify the payment of, or that other satisfactory arrangements have been made with respect to, Secured Cash Management Obligations and obligations with respect to any Secured Hedging Agreement unless the Administrative Agent has received written notice of such obligations, together with such supporting documentation as the Administrative Agent may request, from the applicable Cash Management Bank or Qualified Counterparty, as the case may be.

(d) The Collateral Agent shall not be responsible for, or have a duty to, ascertain or inquire into any representation or warranty regarding the existence, value or collectability of any Collateral, the existence, priority or perfection of the Collateral Agent's Lien thereon, or any certificate prepared by any Loan Party in connection therewith, nor shall the Collateral Agent be responsible or liable to the Lenders for any failure to monitor or maintain any portion of the Collateral.

SECTION 8.11. *Intercreditor Agreements.*

(a) The Administrative Agent and the Collateral Agent are authorized to enter into the ABL Intercreditor Agreement and the parties hereto acknowledge that the ABL Intercreditor Agreement is binding upon them. (b) The Administrative Agent and the Collateral Agent are authorized to enter into customary intercreditor agreements in order to subordinate Liens otherwise permitted by Section 6.02 to the Liens granted in favor of the Collateral Agent to secure the Obligations.

The Borrower hereby agrees, unless directed otherwise by the Administrative Agent or unless the electronic mail address referred to below has not been provided by the Administrative Agent to the Borrower, that it will, and will cause its Subsidiaries to, provide to the Administrative Agent all information, documents and other materials that it is obligated to furnish to the Administrative Agent pursuant to the Loan Documents or to the Lenders under Article V, including all notices, requests, financial statements, financial and other reports, certificates and other information materials, but excluding any such communication that (i) is or relates to a Borrowing Request or a notice pursuant to Section 2.10, (ii) relates to the payment of any principal or other amount due under this Agreement prior to the scheduled date therefor, (iii) provides notice of any Default or Event of Default under this Agreement or any other Loan Document or (iv) is required to be delivered to satisfy any condition precedent to the effectiveness of this Agreement and/or any Borrowing or other extension of credit hereunder (all such nonexcluded communications being referred to herein collectively as “**Communications**”), by transmitting the Communications in an electronic/soft medium that is properly identified in a format acceptable to the Administrative Agent to an electronic mail address as directed by the Administrative Agent. In addition, the Borrower agrees, and agrees to cause its Subsidiaries, to continue to provide the Communications to the Administrative Agent or the Lenders, as the case may be, in the manner specified in the Loan Documents but only to the extent requested by the Administrative Agent.

The Borrower hereby acknowledges that (a) the Administrative Agent will make available to the Lenders materials and/or information provided by, or on behalf of, the Borrower hereunder (collectively, the “**Borrower Materials**”) by posting the Borrower Materials on Intralinks or another similar electronic system (the “**Platform**”) and (b) certain of the Lenders may be “*public-side*” Lenders (i.e., Lenders that do not wish to receive material nonpublic information with respect to the Borrower or their respective securities) (each, a “**Public Lender**”). The Borrower hereby agrees that, at the request of the Administrative Agent, (i) all Borrower Materials that are to be made available to Public Lenders shall be clearly and conspicuously marked “**PUBLIC**” which, at a minimum, shall mean that the word “**PUBLIC**” shall appear prominently on the first page thereof, (ii) by marking Borrower Materials “**PUBLIC**,” the Borrower shall be deemed to have authorized the Administrative Agent and the Lenders to treat such Borrower Materials as not containing any material nonpublic information with respect to the Borrower or its securities for purposes of United States Federal and state securities laws (*provided* that to the extent such Borrower Materials constitute Information, they shall be treated as set forth in Section 9.16), (iii) all Borrower Materials marked “**PUBLIC**” are permitted to be made available through a portion of the Platform designated as “*Public Investor*” and (iv) the Administrative Agent shall be entitled to treat any Borrower Materials that are not marked “**PUBLIC**” as being suitable only for posting on a portion of the Platform not marked as “*Public Investor*.” Notwithstanding the foregoing, the following Borrower Materials shall be deemed to be marked “**PUBLIC**,” unless the Borrower notifies the Administrative Agent in writing (including by email) promptly prior to their intended distribution after the Borrower has had a reasonable opportunity to review the Borrower Materials that any such document contains material nonpublic information: (1) the Loan Documents, (2) any notification of changes in the terms of the Credit Facilities and (3) all information delivered pursuant to Section 5.04(a), Section 5.04(b) and Section 5.04(d).

Each Public Lender agrees to cause at least one individual at or on behalf of such Public Lender to at all times have selected the “*Private Side Information*” or similar designation on the content declaration screen of the Platform in order to enable such Public Lender or its delegate, in accordance

with such Public Lender's compliance procedures and applicable law, including United States Federal and state securities laws, to make reference to Communications that are not made available through the "*Public Side Information*" portion of the Platform and that may contain material non-public information with respect to the Borrower or its securities for purposes of United States Federal or state securities laws.

THE PLATFORM IS PROVIDED "*AS IS*" AND "*AS AVAILABLE*." NEITHER THE ADMINISTRATIVE AGENT NOR ANY OF ITS RELATED PARTIES WARRANTS THE ACCURACY OR COMPLETENESS OF THE COMMUNICATIONS OR THE ADEQUACY OF THE PLATFORM AND EACH EXPRESSLY DISCLAIMS LIABILITY FOR ERRORS OR OMISSIONS IN THE COMMUNICATIONS. NO WARRANTY OF ANY KIND, EXPRESS, IMPLIED OR STATUTORY, INCLUDING ANY WARRANTY OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, NONINFRINGEMENT OF THIRD-PARTY RIGHTS OR FREEDOM FROM VIRUSES OR OTHER CODE DEFECTS IS MADE BY THE ADMINISTRATIVE AGENT OR ANY OF ITS RELATED PARTIES IN CONNECTION WITH THE COMMUNICATIONS OR THE PLATFORM. IN NO EVENT SHALL THE ADMINISTRATIVE AGENT OR ANY OF ITS RELATED PARTIES HAVE ANY LIABILITY TO ANY LOAN PARTY, ANY LENDER OR ANY OTHER PERSON FOR DAMAGES OF ANY KIND, WHETHER OR NOT BASED ON STRICT LIABILITY AND INCLUDING DIRECT OR INDIRECT, SPECIAL, INCIDENTAL OR CONSEQUENTIAL DAMAGES, LOSSES OR EXPENSES (WHETHER IN TORT, CONTRACT OR OTHERWISE) ARISING OUT OF ANY LOAN PARTY'S OR THE ADMINISTRATIVE AGENT'S TRANSMISSION OF COMMUNICATIONS THROUGH THE INTERNET, EXCEPT TO THE EXTENT THE LIABILITY OF ANY SUCH PERSON IS FOUND IN A FINAL RULING BY A COURT OF COMPETENT JURISDICTION TO HAVE RESULTED FROM SUCH PERSON'S GROSS NEGLIGENCE OR WILLFUL MISCONDUCT.

The Administrative Agent agrees that the receipt of the Communications by the Administrative Agent at its electronic mail address set forth above shall constitute effective delivery of the Communications to the Administrative Agent for purposes of the Loan Documents. Each Lender agrees that receipt of notice to it (as provided in the next sentence) specifying that the Communications have been posted to the Platform shall constitute effective delivery of the Communications to such Lender for purposes of the Loan Documents. Each Lender agrees to notify the Administrative Agent in writing (including by electronic communication) from time to time of such Lender's electronic mail address to which the foregoing notice may be sent by electronic transmission and that the foregoing notice may be sent to such e-mail address. Nothing herein shall prejudice the right of the Administrative Agent or any Lender to give any notice or other communication pursuant to any Loan Document in any other manner specified in such Loan Document.

SECTION 9.02. ***Survival of Agreement.*** All covenants, agreements, representations and warranties made by the Borrower herein and in the certificates or other instruments prepared or delivered in connection with or pursuant to this Agreement or any other Loan Document shall be considered to have been relied upon by the Lenders and shall survive the making by the Lenders of the Loans, regardless of any investigation made by the Lenders or on their behalf, and shall continue in full force and effect as long as the principal or any accrued interest on any Loan or any Fee or any other amount payable under this Agreement or any other Loan Document is outstanding and unpaid and so long as the Commitments have not been terminated. The provisions of Sections 2.14, 2.16, 2.20 and 9.05 shall remain operative and in full force and effect regardless of the expiration of the term of this Agreement, the consummation of the transactions contemplated hereby, the repayment of any of the Loans, the expiration of the Commitments, the invalidity or unenforceability of any term or provision of this Agreement or any other Loan Document or any investigation made by or on behalf of the Administrative Agent, the Collateral Agent or any Lender.

SECTION 9.03. **Binding Effect.** Subject to Section 4.01, this Agreement shall become effective when it shall have been executed by the Borrower and the Administrative Agent and when the Administrative Agent shall have received counterparts hereof which, when taken together, bear the signatures of each of the other parties hereto.

SECTION 9.04. **Successors and Assigns.**

(a) **Successors and Assigns Generally.** The provisions of this Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns permitted hereby, except that neither the Borrower nor any other Loan Party may assign or otherwise transfer any of its rights or obligations hereunder without the prior written consent of the Administrative Agent and each Lender, and no Lender may assign or otherwise transfer any of its rights or obligations hereunder except (i) to an assignee in accordance with the provisions of Section 9.04(b), (ii) by way of participation in accordance with the provisions of Section 9.04(d) or (iii) by way of pledge or assignment of a security interest subject to the restrictions of Section 9.04(e) (and any other attempted assignment or transfer by any party hereto shall be null and void). Nothing in this Agreement, expressed or implied, shall be construed to confer upon any Person (other than the parties hereto, their respective successors and assigns permitted hereby, Participants to the extent provided in Section 9.04(d) and, to the extent expressly contemplated hereby, the Related Parties of each of the Administrative Agent, the Collateral Agent and the Lenders) any legal or equitable right, remedy or claim under or by reason of this Agreement.

(b) **Assignments by Lenders.** Any Lender may at any time assign to one or more assignees (other than as provided in Sections 9.04(b)(v) and 9.04(b)(vi) below) all or a portion of its rights and obligations under this Agreement (including all or a portion of its Commitment and the Loans at the time owing to it); *provided* that (in each case with respect to any Class) any such assignment shall be subject to the following conditions:

(i) **Minimum Amounts.**

(A) in the case of an assignment of the entire remaining amount of the assigning Lender's Commitment and/or the Loans at the time owing to it (in each case with respect to any Class) or contemporaneous assignments to related Approved Funds that equal at least the amount specified in Section 9.04(b)(i)(B) in the aggregate or in the case of an assignment to a Lender, an Affiliate of a Lender or an Approved Fund, no minimum amount need be assigned; and

(B) in any case not described in Section 9.04(b)(i)(A), the aggregate amount of the Commitment (which for this purpose includes Loans outstanding thereunder) or, if the applicable Commitment is not then in effect, the principal outstanding balance of the Loans of the assigning Lender subject to each such assignment (determined as of the date the Assignment and Acceptance with respect to such assignment is delivered to the Administrative Agent or, if "Trade Date" is specified in the Assignment and Acceptance, as of the Trade Date) shall not be less than \$1,000,000, unless each of the Administrative Agent and, so long as no Event of Default has occurred and is continuing, the Borrower otherwise consents (each such consent not to be unreasonably withheld or delayed).

(ii) **Proportionate Amounts.** Each partial assignment shall be made as an assignment of a proportionate part of all the assigning Lender's rights and obligations under this Agreement with respect to the Loan or the Commitment assigned, except that this clause (ii) shall not prohibit any Lender from assigning all or a portion of its rights and obligations among separate Classes on a non-pro rata basis.

(iii) **Required Consents.** No consent shall be required for any assignment except to the extent required by paragraph Section 9.04(b)(i)(B) and, in addition:

(A) the consent of the Borrower (such consent not to be unreasonably withheld or delayed) shall be required unless (x) an Event of Default described in Section 7.01(b), 7.01(c), 7.01(g) or 7.01(h) has occurred and is continuing at the time of such assignment, (y) such assignment is to a Lender, an Affiliate of a Lender or an Approved Fund or (z) such assignment is in connection with the primary syndication of the Commitment or Loans; *provided* that the Borrower shall be deemed to have consented to any such assignment unless it shall object thereto by written notice to the Administrative Agent within five (5) Business Days after having received notice thereof; and

(B) the consent of the Administrative Agent (such consent not to be unreasonably withheld or delayed) shall be required for assignments in respect of any Term Loans unless such assignment is to a Lender, an Affiliate of a Lender or an Approved Fund.

(iv) **Assignment and Assumption.** The parties to each assignment shall (A) execute and deliver to the Administrative Agent an Assignment and Acceptance via an electronic settlement system acceptable to the Administrative Agent or (B) if previously agreed with the Administrative Agent, manually execute and deliver to the Administrative Agent an Assignment and Acceptance, in each case, together with a processing and recordation fee of \$3,500; *provided* that the Administrative Agent may, in its sole discretion, elect to waive or reduce such processing and recordation fee in the case of any assignment. The assignee, if it is not a Lender, shall deliver to the Administrative Agent an Administrative Questionnaire (in which the assignee shall designate one or more credit contacts to whom all syndicate level information (which may contain material nonpublic information about the Loan Parties and their Related Parties or their respective securities) will be made available and who may receive such information in accordance with the assignee's compliance procedures and applicable laws, including Federal and state securities laws) and all applicable tax forms.

(v) **No Assignment to Certain Persons.** No such assignment shall be made to the Borrower or any of the Borrower's Affiliates or Subsidiaries except pursuant to Section 9.04(g) or Section 9.04(h).

(vi) **No Assignment to Natural Persons.** No such assignment shall be made to a natural Person.

Subject to acceptance and recording thereof by the Administrative Agent pursuant to paragraph (c) of this Section, from and after the effective date specified in each Assignment and Assumption, the assignee thereunder shall be a party to this Agreement and, to the extent of the interest assigned by such Assignment and Acceptance, have the rights and obligations of a Lender under this Agreement, and the assigning Lender thereunder shall, to the extent of the interest assigned by such Assignment and Assumption, be released from its obligations under this Agreement (and, in the case of an Assignment

and Acceptance covering all of the assigning Lender's rights and obligations under this Agreement, such Lender shall cease to be a party hereto) but shall continue to be entitled to the benefits of Sections 2.14, 2.15, 2.16, 2.20 and 9.05, with respect to facts and circumstances occurring prior to the effective date of such assignment as well as to any Fees accrued for its account and not yet paid. Any assignment or transfer by a Lender of rights or obligations under this Agreement that does not comply with this paragraph shall be treated for purposes of this Agreement as a sale by such Lender of a participation in such rights and obligations in accordance with Section 9.04(d).

(c) **Register.** The Administrative Agent, acting solely for this purpose as an agent of the Borrower, shall maintain at one of its offices in The City of New York a copy of each Assignment and Acceptance delivered to it and a register for the recordation of the names and addresses of the Lenders, and the Commitments of, and principal amounts (and stated interest) of the Loans owing to, each Lender pursuant to the terms hereof from time to time (the "**Register**"). The entries in the Register shall be conclusive absent manifest error, and the Borrower, the Administrative Agent, the Collateral Agent and the Lenders shall treat each Person whose name is recorded in the Register pursuant to the terms hereof as a Lender hereunder for all purposes of this Agreement. The Register shall be available for inspection by the Borrower and any Lender (with respect to any entry relating to such Lender's Loans), at any reasonable time and from time to time upon reasonable prior notice.

Upon its receipt of, and consent to, a duly completed Assignment and Acceptance executed by an assigning Lender and an assignee, an Administrative Questionnaire completed in respect of the assignee (unless the assignee shall already be a Lender hereunder), the processing and recordation fee referred to in paragraph (b) above, if applicable, and the written consent of the Administrative Agent and, if required, the Borrower to such assignment and any applicable tax forms, the Administrative Agent shall (i) accept such Assignment and Acceptance and (ii) promptly record the information contained therein in the Register. No assignment shall be effective unless it has been recorded in the Register as provided in this paragraph.

(d) **Participations.** Any Lender may at any time, without the consent of, or notice to, the Borrower or the Administrative Agent, sell participations to any Person (other than a natural Person or the Borrower or any of the Borrower's Affiliates or Subsidiaries) (each, a "**Participant**") in all or a portion of such Lender's rights and/or obligations under this Agreement (including all or a portion of its Commitment and/or the Loans owing to it); *provided* that (i) such Lender's obligations under this Agreement shall remain unchanged, (ii) such Lender shall remain solely responsible to the other parties hereto for the performance of such obligations and (iii) the Borrower, the Administrative Agent, the Collateral Agent and the other Lenders shall continue to deal solely and directly with such Lender in connection with such Lender's rights and obligations under this Agreement. For the avoidance of doubt, each Lender shall be responsible for the indemnity under Section 9.05(c) with respect to any payments made by such Lender to its Participant(s).

Any agreement or instrument pursuant to which a Lender sells such a participation shall provide that such Lender shall retain the sole right to enforce this Agreement and to approve any amendment, modification or waiver of any provision of this Agreement; *provided* that such agreement or instrument may provide that such Lender will not, without the consent of the Participant, agree to any amendment, modification or waiver with respect to the following: decreasing any fees payable to such Participant hereunder or the amount of principal or of the rate at which interest is payable on the Loans in which such Participant has an interest, or extending any scheduled principal payment date or date fixed for the payment of interest on the Loans in which such Participant has an interest, increasing or extending the Commitments in which such Participant has an interest or releasing Guarantors (other than in connection

with the sale of any Guarantor in a transaction permitted by Section 6.05) or all or substantially all of the Collateral). The Borrower agrees that each Participant shall be entitled to the benefits of Sections 2.14, 2.15, 2.16 and 2.20 (subject to the requirements and limitations therein, including the requirements under Section 2.20 (it being understood that the documentation required under Section 2.20(g) shall be delivered to the participating Lender)) to the same extent as if it were a Lender and had acquired its interest by assignment pursuant to Section 9.04(b); *provided* that such Participant (A) agrees to be subject to the provisions of Sections 2.21 as if it were an assignee under Section 9.04(b) and (B) shall not be entitled to receive any greater payment under Sections 2.14, 2.15, 2.16 or 2.20, with respect to any participation, than its participating Lender would have been entitled to receive, except to the extent such entitlement to receive a greater payment results from a Change in Law that occurs after the Participant acquired the applicable participation. Each Lender that sells a participation agrees, at the Borrower's request and expense, to use reasonable efforts to cooperate with the Borrower to effectuate the provisions of Section 2.21 with respect to any Participant. To the extent permitted by law, each Participant also shall be entitled to the benefits of Section 9.06 as though it were a Lender; *provided* that such Participant agrees to be subject to Section 2.18 as though it were a Lender. Each Lender that sells a participation shall, acting solely for this purpose as an agent of the Borrower, maintain a register on which it enters the name and address of each Participant and the principal amounts (and stated interest) of each Participant's interest in the Loans or other obligations under the Loan Documents (the "**Participant Register**"); *provided* that no Lender shall have any obligation to disclose all or any portion of the Participant Register (including the identity of any Participant or any information relating to a Participant's interest in any commitments, loans or its other obligations under any Loan Document) to any Person except to the extent that such disclosure is necessary to establish that such commitment, loan or other obligation is in registered form under Section 5f.103-1(c) of the United States Treasury Regulations. The entries in the Participant Register shall be conclusive absent manifest error, and such Lender shall treat each Person whose name is recorded in the Participant Register as the owner of such participation for all purposes of this Agreement notwithstanding any notice to the contrary. For the avoidance of doubt, the Administrative Agent (in its capacity as Administrative Agent) shall have no responsibility for maintaining a Participant Register.

(e) **Certain Pledges.** Any Lender may at any time pledge or assign a security interest in all or any portion of its rights under this Agreement to secure obligations of such Lender, including any pledge or assignment to secure obligations to a Federal Reserve Bank; *provided* that no such pledge or assignment shall release such Lender from any of its obligations hereunder or substitute any such pledgee or assignee for such Lender as a party hereto.

(f) **Special Purpose Vehicles.** Notwithstanding anything to the contrary contained herein, any Lender (a "**Granting Lender**") may grant to a special purpose funding vehicle (an "**SPV**"), identified as such in writing from time to time by the Granting Lender to the Administrative Agent and the Borrower, the option to provide to the Borrower all or any part of any Loan that such Granting Lender would otherwise be obligated to make to the Borrower pursuant to this Agreement; *provided* that (1) nothing herein shall constitute a commitment by any SPV to make any Loan and (2) if an SPV elects not to exercise such option or otherwise fails to provide all or any part of such Loan, the Granting Lender shall be obligated to make such Loan pursuant to the terms hereof. The making of a Loan by an SPV hereunder shall utilize the Commitment of the Granting Lender to the same extent, and as if, such Loan were made by such Granting Lender. Each party hereto hereby agrees that no SPV shall be liable for any indemnity or similar payment obligation under this Agreement (all liability for which shall remain with the Granting Lender). In furtherance of the foregoing, each party hereto hereby agrees (which agreement shall survive the termination of this Agreement) that, prior to the date that is one year and one day after the payment in full of all outstanding commercial paper or other senior indebtedness of any SPV, it will not institute against, or join any other Person in instituting against, such SPV any bankruptcy,

reorganization, arrangement, insolvency or liquidation proceedings under the laws of the United States or any State thereof. In addition, notwithstanding anything to the contrary contained in this Section 9.04, any SPV may (i) with notice to, but without the prior written consent of, the Borrower and the Administrative Agent and without paying any processing fee therefor, assign all or a portion of its interests in any Loans to the Granting Lender or to any financial institutions (consented to by the Borrower and Administrative Agent) providing liquidity and/or credit support to or for the account of such SPV to support the funding or maintenance of Loans and (ii) disclose on a confidential basis any nonpublic information relating to its Loans to any rating agency, commercial paper dealer or provider of any surety, guarantee or credit or liquidity enhancement to such SPV

(g) **Assignments to Affiliated Lenders.** Notwithstanding anything in this Agreement to the contrary, any Term Lender may, at any time, assign all or a portion of its Term Loans on a non-pro rata basis to an Affiliated Lender through open-market purchases; *provided that*:

(i) the Affiliated Lender shall identify itself as an “Affiliated Lender” in the applicable Assignment and Acceptance;

(ii) for purposes of any amendment, waiver or modification of this Agreement, or any other Loan Document (including pursuant to Section 9.07), or any vote in connection with any plan of reorganization, the principal amount of all Term Loans (including Incremental Term Loans) held by Affiliated Lenders, to the extent greater than 33.3% of the principal amount of Term Loans voting with respect to such matter, shall be disregarded (in the numerator as well as the denominator), and such voting exclusion shall be allocated among the Affiliated Lenders on a pro rata basis; and

(iii) the aggregate principal amount of Term Loans held at any one time by an Affiliated Lender Group may not exceed 25% of the aggregate outstanding principal amount of all Term Loans.

Each Affiliated Lender that is a Term Lender hereunder agrees to comply with the terms of this Section 9.04(g).

(h) **Assignments to the Borrower or its Subsidiaries.** Notwithstanding anything in this Agreement to the contrary, any Term Lender may, at any time, assign all or a portion of its Term Loans on a non-pro rata basis to the Borrower or any Subsidiary through Dutch Auctions open to all Term Lenders on a pro rata basis, subject to the following limitations:

(i) the Borrower and each Subsidiary (as applicable) shall represent and warrant, or state that it is unable to represent and warrant, as of the date of any such assignment, that neither it nor any of its respective directors or officers has any material non-public information with respect to the Borrower or the Subsidiaries or any of their respective securities that has not been disclosed to the Term Lenders generally (other than because such Term Lenders do not wish to receive material non-public information with respect to the Borrower or the Subsidiaries or any of their respective securities) prior to such date to the extent such information could reasonably be expected to have a material effect upon, or otherwise be material, to such Term Lender’s decision to assign Term Loans to the Borrower or such Subsidiary (as applicable);

(ii) immediately upon the effectiveness of such assignment of Term Loans from a Term Lender to the Borrower or any Subsidiary, such Term Loans and all rights and obligations as a Term Lender related thereto shall, for all purposes under this Agreement, the other Loan Documents and otherwise, be deemed to be irrevocably prepaid, terminated, extinguished, cancelled and of no further force and effect and the Borrower and such Subsidiary (as applicable) shall neither obtain nor have any rights as a Term Lender hereunder or under the other Loan Documents by virtue of such assignment;

(iii) the Borrower and each Subsidiary shall not use the proceeds of any loans from the ABL Facility for any such assignment; and

(iv) no Default or Event of Default shall have occurred and be continuing.

SECTION 9.05. **Expenses; Indemnity.** (a) The Borrower agrees to pay all reasonable and documented out-of-pocket expenses incurred by the Administrative Agent, the Collateral Agent and the Arranger (and each of their respective Affiliates) in connection with the syndication of the Credit Facilities and the preparation and administration of this Agreement and the other Loan Documents or in connection with any amendments, modifications or waivers of the provisions hereof or thereof (whether or not the transactions hereby or thereby contemplated shall be consummated) or incurred by the Administrative Agent, the Collateral Agent, the Arranger (and each of their respective Affiliates) or any Lender in connection with the enforcement or protection of its rights in connection with the Engagement Letter, the Fee Letter, this Agreement and the other Loan Documents or in connection with the Loans made hereunder, including (i) the fees, charges and disbursements of Davis Polk & Wardwell LLP, counsel for the Administrative Agent and the Collateral Agent, and, (ii) in connection with any such enforcement or protection, the fees, charges and disbursements of any other single counsel for the Administrative Agent, the Collateral Agent, the Arranger and the Lenders (and each of their respective Affiliates).

(b) The Borrower agrees to indemnify the Administrative Agent, the Collateral Agent, each Lender and each Related Party of any of the foregoing Persons (each such Person being called an “**Indemnitee**”) against, and to hold each Indemnitee harmless from, any and all losses, claims, damages, liabilities and related expenses, including reasonable counsel (which is limited to one firm of counsel for such Indemnitees taken as a whole and, if necessary, a single local counsel in each appropriate jurisdiction for all such Indemnitees, taken as a whole and, in the case of an actual or perceived conflict of interest where the Indemnitees affected by such conflict inform the Administrative Agent of such conflict and thereafter retain their own counsel, of another firm of counsel) and consultant or other expert fees, charges and disbursements, incurred by or asserted against any Indemnitee arising out of, in any way connected with, or as a result of (i) the execution or delivery of this Agreement or any other Loan Document or any agreement or instrument contemplated thereby, the performance by the parties thereto of their respective obligations thereunder or the consummation of the Transactions and the other transactions contemplated thereby (including the syndication of the Credit Facilities), (ii) the use of the proceeds of the Loans, (iii) any Environmental Liability related in any way to the Loan Parties, any of their respective subsidiaries or predecessors or any property currently or formerly owned, leased or operated by the Loan Parties or any of their respective subsidiaries or predecessors, including the Mortgaged Properties, or (iv) any claim, litigation, investigation or proceeding relating to any of the foregoing, whether or not any Indemnitee is a party thereto (and regardless of whether such matter is initiated by the Borrower, any other Loan Party or any of their respective Affiliates or any other Person); *provided* that such indemnity shall not, as to any Indemnitee, be available to the extent that such losses, claims, damages, liabilities or related expenses are determined by a court of competent jurisdiction by final and nonappealable judgment to have resulted primarily from (i) the gross negligence, bad faith or willful misconduct of such Indemnitee, (ii) a material breach of such Indemnitee’s funding obligations

pursuant to Sections 2.01 and 2.02, or (iii) any claims or any litigation or other proceeding that does not involve an act or omission of the Borrower or any of its Affiliates and is brought by an Indemnitee against another Indemnitee (other than any claim, litigation or other proceeding brought against the Arranger, Administrative Agent or Collateral Agent in its capacity as such). This Section 9.05(b) shall not apply with respect to Taxes other than any Taxes that represent losses, claims, damages, liabilities and related expenses arising from any non-Tax claim.

(c) To the extent that the Borrower fails to pay any amount required to be paid by it to the Administrative Agent, the Collateral Agent, or the Arranger (or each of their respective Affiliates) under paragraph (a) or (b) of this Section 9.05, each Lender severally agrees to pay to the Administrative Agent, the Collateral Agent or the Arranger (or each of their respective Affiliates), as the case may be, such Lender's pro rata share (determined as of the time that the applicable unreimbursed expense or indemnity payment is sought) of such unpaid amount; (including any such unpaid amount in respect of a claim asserted by such Lender); *provided* that the unreimbursed expense or indemnified loss, claim, damage, liability or related expense, as the case may be, was incurred by or asserted against the Administrative Agent, the Collateral Agent or the Arranger (or each of their respective Affiliates) in its capacity as such. For purposes hereof, a Lender's "*pro rata share*" shall be determined based upon its share of the sum of the outstanding Term Loans and unused Commitments at the time.

(d) To the extent permitted by applicable law, the Borrower shall not assert, and the Borrower hereby waives, any claim against any Indemnitee, on any theory of liability, for special, indirect, consequential or punitive damages (as opposed to direct or actual damages) arising out of, in connection with, or as a result of, this Agreement or any agreement or instrument contemplated hereby, the Transactions, any Loan or the use of the proceeds thereof.

(e) The provisions of this Section 9.05 shall remain operative and in full force and effect regardless of the expiration of the term of this Agreement, the consummation of the transactions contemplated hereby, the repayment of any of the Loans, the expiration of the Commitments, the invalidity or unenforceability of any term or provision of this Agreement or any other Loan Document or any investigation made by or on behalf of the Administrative Agent, the Collateral Agent or any Lender. All amounts due under this Section 9.05 shall be payable on written demand therefor.

SECTION 9.06. *Right of Setoff.* If an Event of Default shall have occurred and be continuing, each Lender is hereby authorized at any time and from time to time, except to the extent prohibited by law, to set off and apply any and all deposits (general or special, time or demand, provisional or final) at any time held and other indebtedness at any time owing by such Lender to or for the credit or the account of the Borrower against any and all of the obligations of the Borrower now or hereafter existing under this Agreement and other Loan Documents held by such Lender, irrespective of whether or not such Lender shall have made any demand under this Agreement or such other Loan Document and although such obligations may be unmaturing. The rights of each Lender under this Section 9.06 are in addition to other rights and remedies (including other rights of setoff) which such Lender may have.

SECTION 9.07. *Waivers; Amendment* (a) No failure or delay of the Administrative Agent, the Collateral Agent or any Lender in exercising any power or right hereunder or under any other Loan Document shall operate as a waiver thereof, nor shall any single or partial exercise of any such right or power, or any abandonment or discontinuance of steps to enforce such a right or power, preclude any other or further exercise thereof or the exercise of any other right or power. The rights and remedies of the Administrative Agent, the Collateral Agent and the Lenders hereunder and

under the other Loan Documents are cumulative and are not exclusive of any rights or remedies that they would otherwise have. No waiver of any provision of this Agreement or any other Loan Document or consent to any departure by the Borrower or any other Loan Party therefrom shall in any event be effective unless the same shall be permitted by paragraph (b) below, and then such waiver or consent shall be effective only in the specific instance and for the purpose for which given. No notice or demand on the Borrower in any case shall entitle the Borrower to any other or further notice or demand in similar or other circumstances.

(b) No Loan Document or provision thereof may be waived, amended or modified except, in the case of this Agreement, by an agreement or agreements in writing entered into by the Borrower and the Required Lenders or, in the case of any other Loan Document, by an agreement or agreements in writing entered into by the parties thereto with the consent of the Required Lenders, except as provided in clauses (i) through (vi) below. Notwithstanding the foregoing, no such agreement shall:

(i) decrease the principal amount of, or extend the maturity of or any scheduled principal payment date or date for the payment of any interest on any Loan, or waive or excuse any such payment or any part thereof or decrease the rate of interest on any Loan, without the prior written consent of each Lender directly adversely affected thereby,

(ii) increase or extend the Commitment or decrease or extend the date for payment of any Fees of any Lender without the prior written consent of such Lender (and if there is an increase or extension of a Lender's Commitment, the prior written consent of the Required Lenders shall also be required),

(iii) amend or modify the pro rata requirements of Section 2.17, the provisions of Section 9.04(a) relating to an assignment or other transfer by the Borrower or any other Loan Party of any of its rights or obligations hereunder or release all or substantially all of the Guarantors (other than in connection with the sale of such Guarantor in a transaction permitted by Section 6.06) or all or substantially all of the Collateral, without the prior written consent of each Lender,

(iv) change the provisions of any Loan Document in a manner that by its terms adversely affects the rights in respect of collateral and payments due to Lenders holding Loans or Commitments of one Class differently from the rights of Lenders holding Loans or Commitments of any other Class without the prior written consent of (1) Lenders holding a majority in interest of the outstanding Loans and unused Commitments of each adversely affected Class and (2) the Required Lenders,

(v) modify the protections afforded to an SPV pursuant to the provisions of Section 9.04(f) without the written consent of such SPV; or

(vi) reduce the percentage contained in the definition of the term "**Required Lenders**" or the provision of this Section 9.07 without the prior written consent of each Lender (it being understood that with the consent of the Required Lenders, additional extensions of credit pursuant to this Agreement may be included in the determination of the Required Lenders on substantially the same basis as the Term Loan Commitments on the date hereof);

provided further that no such agreement shall amend, modify or otherwise affect the rights or duties of the Administrative Agent or the Collateral Agent hereunder or under any other Loan Document without the prior written consent of the Administrative Agent or the Collateral Agent, respectively;

(c) The Administrative Agent and the Borrower may amend any Loan Document (i) to correct administrative errors or omissions, or to effect administrative changes that are not adverse to any Lender, (ii) to make modifications contemplated by Section 2.22 and 2.23 pursuant to an Additional Credit Extension Amendment, (iii) to correct, amend, cure any ambiguity, inconsistency, defect or correct any typographical error or other manifest error in this Agreement or any other Loan Document, (iv) to comply with local law or advice of local counsel in respect of a Security Document or (v) to cause a Security Document to be consistent with this Agreement and other Loan Documents. Notwithstanding anything to the contrary contained herein, such amendment shall become effective without any further consent of any other party to such Loan Document.

SECTION 9.08. **Interest Rate Limitation.** Notwithstanding anything herein to the contrary, if at any time the interest rate applicable to any Loan, together with all fees, charges and other amounts which are treated as interest on such Loan under applicable law (collectively, the “**Charges**”), shall exceed the maximum lawful rate (the “**Maximum Rate**”) which may be contracted for, charged, taken, received or reserved by the Lender holding such Loan or participation in accordance with applicable law, the rate of interest payable in respect of such Loan hereunder, together with all Charges payable in respect thereof, shall be limited to the Maximum Rate and, to the extent lawful, the interest and Charges that would have been payable in respect of such Loan but were not payable as a result of the operation of this Section 9.08 shall be cumulated and the interest and Charges payable to such Lender in respect of other Loans or periods shall be increased (but not above the Maximum Rate therefor) until such cumulated amount, together with interest thereon at the Federal Funds Effective Rate to the date of repayment, shall have been received by such Lender.

SECTION 9.09. **Entire Agreement.** This Agreement, the Fee Letter and the other Loan Documents constitute the entire contract between the parties relative to the subject matter hereof. Unless otherwise specified therein, any other previous agreement among the parties with respect to the subject matter hereof is superseded by this Agreement and the other Loan Documents. Nothing in this Agreement or in the other Loan Documents, expressed or implied, is intended to confer upon any Person (other than the parties hereto and thereto, their respective successors and assigns permitted hereunder and, to the extent expressly contemplated hereby, the Related Parties of each of the Administrative Agent, the Collateral Agent and the Lenders) any rights, remedies, obligations or liabilities under or by reason of this Agreement or the other Loan Documents.

SECTION 9.10. **WAIVER OF JURY TRIAL.** EACH PARTY HERETO HEREBY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY IN RESPECT OF ANY LITIGATION DIRECTLY OR INDIRECTLY ARISING OUT OF, UNDER OR IN CONNECTION WITH THIS AGREEMENT OR ANY OF THE OTHER LOAN DOCUMENTS. EACH PARTY HERETO (A) CERTIFIES THAT NO REPRESENTATIVE, AGENT OR ATTORNEY OF ANY OTHER PARTY HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PARTY WOULD NOT, IN THE EVENT OF LITIGATION, SEEK TO ENFORCE THE FOREGOING WAIVER AND (B) ACKNOWLEDGES THAT IT AND THE OTHER PARTIES HERETO HAVE BEEN INDUCED TO ENTER INTO THIS AGREEMENT AND THE OTHER LOAN DOCUMENTS, AS APPLICABLE, BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONS IN THIS SECTION 9.10.

SECTION 9.11. **Severability.** In the event any one or more of the provisions contained in this Agreement or in any other Loan Document should be held invalid, illegal or unenforceable in any respect, the validity, legality and enforceability of the remaining provisions contained herein and therein shall not in any way be affected or impaired thereby (it being understood that the invalidity of a particular provision in a particular jurisdiction shall not in and of itself affect the validity of such provision in any other jurisdiction). The parties shall endeavor in good-faith negotiations to replace the invalid, illegal or unenforceable provisions with valid provisions the economic effect of which comes as close as possible to that of the invalid, illegal or unenforceable provisions.

SECTION 9.12. **Counterparts.** This Agreement may be executed in counterparts (and by different parties hereto on different counterparts), each of which shall constitute an original but all of which when taken together shall constitute a single contract, and shall become effective as provided in Section 9.03. Delivery of an executed signature page to this Agreement by facsimile transmission or other customary means of electronic transmission (e.g. "pdf") shall be as effective as delivery of a manually signed counterpart of this Agreement.

SECTION 9.13. **Headings.** Article and Section headings and the Table of Contents used herein are for convenience of reference only, are not part of this Agreement and are not to affect the construction of, or to be taken into consideration in interpreting, this Agreement.

SECTION 9.14. **Applicable Law.** THIS AGREEMENT AND THE OTHER LOAN DOCUMENTS (OTHER THAN AS EXPRESSLY SET FORTH IN OTHER LOAN DOCUMENTS) AND ANY CLAIM, CONTROVERSY OR DISPUTE ARISING UNDER OR RELATED TO THIS AGREEMENT OR ANY SUCH OTHER LOAN DOCUMENTS (INCLUDING, WITHOUT LIMITATION, ANY CLAIMS SOUNDING IN CONTRACT LAW OR TORT LAW ARISING OUT OF THE SUBJECT MATTER HEREOF) SHALL BE CONSTRUED IN ACCORDANCE WITH AND GOVERNED BY THE LAWS OF THE STATE OF NEW YORK.

SECTION 9.15. **Jurisdiction; Consent to Service of Process.** (a) The Borrower hereby irrevocably and unconditionally agrees that it will not commence any action, litigation or proceeding of any kind or description, whether in law or equity, whether in contract or tort or otherwise, against the Administrative Agent, any Lender or any Related Party of the foregoing in any way relating to this Agreement or any other Loan Document (except as otherwise expressly stated therein) or the transactions relating hereto or thereto, in any forum other than any New York State court or Federal court of the United States of America sitting in the borough of Manhattan in New York City, and any appellate court from any thereof, and each of the parties hereto hereby irrevocably and unconditionally agrees that all claims in respect of any such action or proceeding may be heard and determined in such New York State or, to the extent permitted by law, in such Federal court. Each of the parties hereto agrees that a final judgment in any such action or proceeding shall be conclusive and may be enforced in other jurisdictions by suit on the judgment or in any other manner provided by law. Nothing in this Agreement shall affect any right that the Administrative Agent, the Collateral Agent or any Lender may otherwise have to bring any action or proceeding relating to this Agreement or the other Loan Documents against the Borrower or its properties in the courts of any jurisdiction.

(b) The Borrower hereby irrevocably and unconditionally waives, to the fullest extent it may legally and effectively do so, any objection which it may now or hereafter have to the laying of venue of any suit, action or proceeding arising out of, or relating to, this Agreement or the other Loan Documents in any New York State or Federal court. Each of the parties hereto hereby irrevocably waives, to the fullest extent permitted by law, the defense of an inconvenient forum to the maintenance of such action or proceeding in any such court.

(c) Each party to this Agreement irrevocably consents to service of process in the manner provided for notices in Section 9.01. Nothing in this Agreement will affect the right of any party to this Agreement to serve process in any other manner permitted by law.

SECTION 9.16. **Electronic Execution of Assignments.** (a) The words “execution,” “signed,” “signature,” and words of like import in any Assignment and Assumption shall be deemed to include electronic signatures or the keeping of records in electronic form, each of which shall be of the same legal effect, validity or enforceability as a manually executed signature or the use of a paper-based recordkeeping system, as the case may be, to the extent and as provided for in any applicable law, including the Federal Electronic Signatures in Global and National Commerce Act, the New York State Electronic Signatures and Records Act, or any other similar state laws based on the Uniform Electronic Transactions Act.

SECTION 9.17. **Confidentiality.** Each of the Administrative Agent, the Collateral Agent and the Lenders agrees to maintain the confidentiality of the Information (as defined below), except that Information may be disclosed (a) to its and its Affiliates’ Related Parties (it being understood that the Persons to whom such disclosure is made will be informed of the confidential nature of such Information and instructed to keep such Information confidential), (b) to the extent requested by any regulatory authority or quasi-regulatory authority (such as the National Association of Insurance Commissioners), (c) to the extent required by applicable laws or regulations or by any subpoena or similar legal process, (d) in connection with the exercise of any remedies hereunder or under the other Loan Documents or any suit, action or proceeding relating to the enforcement of its rights hereunder or thereunder, (e) to any other party hereto and, subject to an agreement containing provisions no less restrictive than this Section 9.17, to (i) any actual or prospective assignee of or Participant in any of its rights or obligations under this Agreement and the other Loan Documents or (ii) any actual or prospective counterparty (or its advisors) to any swap, derivative or other transaction under which payments are to be made by reference to the Borrower or any Subsidiary or any of their respective obligations, this Agreement or payments hereunder, (f) with the consent of the Borrower, (g) to the extent such Information (x) becomes publicly available other than as a result of a breach of this Section 9.17, or (y) becomes available to the Administrative Agent, any Lender or any of their selective Affiliates on a non-confidential basis from a source other than the Borrower, (h) on a confidential basis to (x) any rating agency in connection with rating the Borrower or its Subsidiaries or the Credit Facilities hereunder or (y) the CUSIP Service Bureau or any similar agency in connection with the issuance and monitoring of CUSIP numbers with respect to the facilities or (i) market data collectors, similar service providers to the lending industry and service providers to the Administrative Agent in connection with the administration and management of this Agreement and the Loan Documents. For the purposes of this Section 9.17, “**Information**” shall mean all information received from the Borrower and related to the Borrower or its business, other than any such information that was available to the Administrative Agent, the Collateral Agent or any Lender on a nonconfidential basis prior to its disclosure by the Borrower; *provided* that, in the case of Information received from the Borrower after the date hereof, such information is clearly identified at the time of delivery as confidential. Any Person required to maintain the confidentiality of Information as provided in this Section 9.17 shall be considered to have complied with its obligation to do so if such Person has exercised the same degree of care to maintain the confidentiality of such Information as such Person would accord its own confidential information.

SECTION 9.18. **Lender Action.** Each Lender agrees that it shall not take or institute any actions or proceedings, judicial or otherwise, for any right or remedy against any Loan Party or any other obligor under any of the Loan Documents (including the exercise of any right of setoff, rights on account of any banker's lien or similar claim or other rights of self-help), or institute any actions or proceedings, or otherwise commence any remedial procedures, with respect to any Collateral or any other property of any such Loan Party, unless expressly provided for herein or in any other Loan Document, without the prior written consent of the Administrative Agent. The provisions of this Section 9.18 are for the sole benefit of the Lenders and shall not afford any right to, or constitute a defense available to, any Loan Party.

SECTION 9.19. **USA PATRIOT Act Notice.** Each Lender and the Administrative Agent (for itself and not on behalf of any Lender) hereby notifies the Borrower that pursuant to the requirements of the USA PATRIOT Act, it is required to obtain, verify and record information that identifies the Borrower, which information includes the name and address of the Borrower and other information that will allow such Lender or the Administrative Agent, as applicable, to identify the Borrower in accordance with the USA PATRIOT Act.

SECTION 9.20. **No Fiduciary Duty.** Each Agent, each Lender and their respective Affiliates (collectively, solely for purposes of this paragraph, the "**Lenders**"), may have economic interests that conflict with those of the Loan Parties, their stockholders and/or their Affiliates. Each Loan Party agrees that nothing in the Loan Documents or otherwise will be deemed to create an advisory, fiduciary or agency relationship or fiduciary or other implied duty between any Lender, on the one hand, and such Loan Party, its stockholders or its Affiliates, on the other. The Loan Parties acknowledge and agree that (i) the transactions contemplated by the Loan Documents (including the exercise of rights and remedies hereunder and thereunder) are arm's-length commercial transactions between Lenders, on the one hand, and the Loan Parties, on the other, and (ii) in connection therewith and with the process leading thereto, (x) no Lender has assumed an advisory or fiduciary responsibility in favor of any Loan Party, its stockholders or its Affiliates with respect to the transactions contemplated hereby (or the exercise of rights or remedies with respect thereto) or the process leading thereto (irrespective of whether any Lender has advised, is currently advising or will advise any Loan Party, its stockholders or its Affiliates on other matters) or any other obligation to any Loan Party except the obligations expressly set forth in the Loan Documents and (y) each Lender is acting solely as principal and not as the agent or fiduciary of any Loan Party, its management, stockholders, creditors or any other Person. Each Loan Party acknowledges and agrees that it has consulted its own legal and financial advisors to the extent it deemed appropriate and that it is responsible for making its own independent judgment with respect to such transactions and the process leading thereto. Each Loan Party agrees that it will not claim that any Lender has rendered advisory services of any nature or respect, or owes a fiduciary or similar duty to such Loan Party, in connection with such transaction or the process leading thereto.

SECTION 9.21. **Release of Collateral and Guarantees.** (a) All security interests and Liens granted or created under the Security Documents shall automatically terminate when all the Obligations (other than contingent indemnification and expense reimbursement obligations for which no claim has been made) have been paid in full and the Lenders have no further commitment to lend under this Agreement.

(b) A Guarantor shall automatically be released from its obligations under the Security Documents and all security interests and Liens granted in the Collateral of such Guarantor shall be automatically released upon the consummation of any transaction permitted by this Agreement as a result of which such Guarantor ceases to be a Guarantor or a Subsidiary;

(c) (i) Upon any sale or other transfer by any Loan Party of any Collateral that is permitted under this Agreement to any person that is not the Borrower or a Guarantor, and (ii) upon the effectiveness of any written consent to the release of the security interest or Lien granted under the Security Documents in any Collateral pursuant to Section 9.07.

(d) In connection with any termination or release pursuant to paragraph (a), (b) or (c) above, the Collateral Agent shall promptly execute and deliver to any Loan Party, at such Loan Party's expense, all Uniform Commercial Code termination statements and other documents that such Loan Party shall reasonably request to evidence such termination, release or subordination. Any execution and delivery of documents pursuant to his Section 9.21 shall be without recourse to or representation or warranty by the Collateral Agent or any Secured Party. Without limiting the provisions of Section 9.05(a), the Borrower shall reimburse the Collateral Agent upon demand for all reasonable and documented costs and out of pocket expenses, including the reasonable and documented fees, charges and expenses of counsel, incurred by it in connection with any action contemplated by this Section 9.21.

IN WITNESS WHEREOF, the parties hereto have caused this Agreement to be duly executed by their respective authorized officers as of the day and year first above written.

SECTION 2. *Guarantees by Guarantors.*

(a) *Secured Guarantees.* Each Guarantor unconditionally guarantees the full and punctual payment of each Obligation (other than the Obligations of such Guarantor) when due (whether at stated maturity, upon acceleration or otherwise), which guarantees shall constitute a continuing guarantee of payment and not of collection. If any Borrower or any other Obligor fails to pay any Obligation punctually when due, each other Guarantor agrees that it will forthwith on demand pay the amount not so paid at the place and in the manner specified in the relevant Secured Agreement.

(b) *Secured Guarantees Unconditional.* The obligations of each Guarantor under its Secured Guarantee shall be unconditional and absolute and, without limiting the generality of the foregoing, shall not be released, discharged or otherwise affected by:

(i) any extension, renewal, settlement, compromise, waiver or release in respect of any obligation of any Borrower, any other Guarantor or Obligor or any other Person under any Secured Agreement, by operation of law or otherwise (including by Agent or any Lender);

(ii) the genuineness, validity, regularity, enforceability, subordination or any future modification of, or change in, any Obligations or any Secured Agreement, or any other document, instrument or agreement to which any Obligor is or may become a party or be bound;

(iii) any release, impairment, non-perfection or invalidity of any direct or indirect security for any obligation of any Borrower, any other Guarantor or Obligor or any other Person under any Secured Agreement;

(iv) any change in the corporate existence, structure or ownership of any Borrower, any other Guarantor or Obligor or any other Person or any of their respective subsidiaries, or any insolvency, bankruptcy, reorganization or other similar proceeding affecting any Borrower, any other Guarantor or Obligor or any other Person or any of their assets or any resulting release or discharge of any obligation of any Borrower, any other Guarantor or Obligor or any other Person under any Secured Agreement;

(v) the existence of any claim, set-off or other right that such Guarantor may have at any time against any Borrower, any other Guarantor or Obligor, any Secured Party or any other Person, whether in connection with the Loan Documents or any unrelated transactions, *provided* that nothing herein shall prevent the assertion of any such claim by separate suit or compulsory counterclaim;

(vi) any invalidity or unenforceability relating to or against any Borrower, any other Guarantor or Obligor or any other Person for any reason of any Secured Agreement, or any provision of Applicable Law or applicable regulation purporting to prohibit the payment of any Obligation by any Borrower, any other Guarantor or Obligor or any other Person; or

(vii) any other act or omission to act or delay of any kind by any Borrower, any other Guarantor or Obligor, any other party to any Secured Agreement, any Secured Party or any other Person, or any other circumstance whatsoever that might, but for the provisions of this clause (vii), constitute a legal or equitable discharge of or defense of a surety or guarantor to any obligation of any Guarantor hereunder.

(c) *Release of Secured Guarantees.* (i) All Secured Guarantees will be released when all Release Conditions are satisfied. If at any time any payment of a Obligation is rescinded or must be otherwise restored or returned upon the insolvency or receivership of any Borrower, any other Obligor or otherwise, the Secured Guarantees shall be reinstated with respect thereto as though such payment had been due but not made at such time.

(ii) In addition, if any Borrower (other than the Company) or Subsidiary Guarantor shall (A) cease to be a Subsidiary of the Company or (B) become an Excluded Subsidiary, in each case as permitted under the Credit Agreement, the Agent, at the request of the Borrower Agent, shall release such Borrower or Subsidiary Guarantor from its Secured Guaranty and its other Obligations under the Loan Documents;

(iii) Upon any termination of a Secured Guaranty, the Agent will, at the expense of the relevant Borrower or Subsidiary Guarantor, execute and deliver to the Borrower Agent such documents as it shall reasonably request to evidence the termination thereof.

(d) *Waiver by Guarantors.* Each Guarantor irrevocably waives acceptance hereof, presentment, demand, protest and any notice not provided for herein, as well as any requirement that at any time any action be taken by any Person against any Borrower, any other Guarantor or Obligor or any other Person. Each Guarantor expressly waives all rights that it may have now or in the future under any statute, at common law, in equity or otherwise, to compel Agent or Lenders to marshal assets or to proceed against any Obligor, other Person or security for the payment or performance of any Obligations before, or as a condition to, proceeding against such Guarantor. Each Guarantor waives all defenses available to a surety, guarantor or accommodation co-obligor other than Full Payment of all Obligations and waives, to the maximum extent permitted by law, any right to revoke any guaranty of any Obligations as long as it is a Guarantor.

(e) *Subrogation.* A Guarantor that makes a payment with respect to an Obligation hereunder shall be subrogated to the rights of the payee against the applicable Borrower or the applicable Obligor with respect to such payment; *provided* that no Guarantor shall enforce any payment by way of subrogation against the applicable Borrower or the applicable Obligor, or by reason of contribution against any other guarantor of such Obligation, until all the Release Conditions have been satisfied.

(f) *Stay of Acceleration.* If acceleration of the time for payment of any Obligation by the applicable Borrower or the applicable Obligor is stayed by reason of the insolvency or receivership of the applicable Borrower or the applicable Obligor or otherwise, all Obligations otherwise subject to acceleration under the terms of any Secured Agreement shall nonetheless be payable by the Guarantors hereunder forthwith on demand by the Agent.

(g) *Right of Set-Off.* In addition to any rights and remedies of the Secured Parties provided by law, each Secured Party shall have the right, upon any amount becoming due and payable by any Guarantor hereunder (whether at the stated maturity, by acceleration or otherwise) to set-off and appropriate and apply against such amount any and all deposits (general or special, time or demand, provisional or final), in any currency, and any other credits, indebtedness or claims, in any currency, in each case whether direct or indirect, absolute or contingent, matured or unmatured at any time held or owing by such Secured Party or any branch or agency thereof to or for the credit or the account of such Guarantor. Each Secured Party agrees to promptly notify such Guarantor and the Agent after any such setoff and application made by such Secured Party; *provided* that the failure to give such notice shall not affect the validity of such setoff and application.

(h) *Continuing Guarantee*. Each Secured Guarantee is a continuing guarantee, shall be binding on the relevant Guarantor and its successors and assigns, and shall be enforceable by the Agent or the Secured Parties. If all or part of any Secured Party's interest in any Obligation is assigned or otherwise transferred, the transferor's rights under each Secured Guarantee, to the extent applicable to the obligation so transferred, shall automatically be transferred with such obligation.

(i) *Limitation on Obligations of Subsidiary Guarantor*. The obligations of each Subsidiary Guarantor under its Secured Guarantee shall be limited to an aggregate amount equal to the largest amount that would not render such Secured Guarantee subject to avoidance under Section 548 of the Bankruptcy Code or any comparable provisions of applicable law.

(j) *Right of Contribution*. Each Guarantor hereby agrees that to the extent that a Guarantor shall have paid more than its proportionate share of any payment made hereunder, such Guarantor shall be entitled to seek and receive contribution from and against any other Guarantor hereunder which has not paid its proportionate share of such payment. Each Guarantor's right of contribution shall be subject to the terms and conditions of Section 2(e). The provisions of this Section 2(j) shall in no respect limit the obligations and liabilities of any Guarantor to the Agent and the Secured Parties, and each Guarantor shall remain liable to the Agent and the Secured Parties for the full amount guaranteed by such Guarantor hereunder.

SECTION 3. *Grant of Transaction Liens*. (a) Each Borrower, in order to secure all Obligations, and each Guarantor party hereto, in order to secure all Obligations, including its Obligations under its Secured Guarantee, grants to the Agent for the benefit of the Secured Parties a continuing security interest in all the following property of such Borrower or such Guarantor, as the case may be, whether now owned or existing or hereafter acquired or arising and regardless of where located:

- (i) all Accounts;
- (ii) all Chattel Paper;
- (iii) all Money and Deposit Accounts;
- (iv) all Documents;
- (v) all Equipment;

(vi) all General Intangibles (including (x) any Equity Interests in other Persons that do not constitute Investment Property and (y) any Intellectual Property);

(vii) all Instruments;

(viii) all Inventory;

(ix) all Investment Property;

(x) the Commercial Tort Claims described in Schedule 3;

(xi) all Letter-of-Credit Rights;

(xii) all books and records (including customer lists, credit files, computer programs, printouts and other computer materials and records) of such Grantor pertaining to any of its Collateral;

(xiii) all Proceeds of the Collateral described in the foregoing clauses (i) through (xii);

provided that the following property is excluded from the foregoing security interests (it being understood that such grant will be applicable at such time as any such property or assets ceases to constitute Excluded Assets): (A) motor vehicles the perfection of a security interest in which is excluded from the Uniform Commercial Code in the relevant jurisdiction, (B) Excluded Equity Interests, (C) any lease, license or other agreement to the extent that a grant of a security interest therein would violate or invalidate such lease, license or agreement or create a right of termination in favor of any other party thereto (other than any Borrower or Grantor) after giving effect to the applicable anti-assignment provisions of the UCC, (D) any properties and assets with respect to which the Agent determines in its good faith judgment that the costs or other consequences of granting or perfecting a security interest therein are excessive in view of the benefits to be obtained by the Secured Parties, (E) any United States intent-to-use Trademark applications to the extent that, and solely during the period in which, the grant of a security interest therein would impair the validity or enforceability of such intent-to-use Trademark applications under applicable federal law, (F) any real property, (G) any letter of credit rights to the extent any Grantor is required by applicable law to apply the proceeds of a drawing of such letter of credit for a specified purpose, (H) any governmental licenses or state or local franchises, charters and authorizations, to the extent security interests in such licenses, franchises, charters or authorizations are prohibited or restricted thereby after giving effect to the applicable anti-assignment provisions of the Uniform Commercial Code, (I) any property to the extent that the grant of a security interest therein is prohibited by any applicable law or regulation, requires a consent not obtained of any Governmental Authority pursuant to any applicable

law or regulation, or is prohibited by, or would constitute a breach or default under or would result in the termination, invalidation or abandonment of or requires any consent not obtained under, any contract, license, agreement, instrument or other document evidencing or giving rise to such property or, in the case of any Investment Property, any applicable shareholder or similar agreement and (J) the Excluded Accounts (the foregoing, collectively, the “**Excluded Assets**”), *provided* that the foregoing limitation in clause (I) shall not affect, limit, restrict or impair the grant by a Grantor of a security interest pursuant to this Agreement in any asset or right to the extent that Sections 9-406 and 9-408 of the Uniform Commercial Code as in effect on the date hereof would permit (and excuse any default or violation resulting therefrom) the creation of a security interest in such asset or right notwithstanding such law or regulation or the provision of such contract, license, agreement, instrument or other document or shareholder or similar agreement prohibiting the creation of a security interest therein or shall render such provision unenforceable. Each Grantor shall upon request of the Agent use commercially reasonable efforts to obtain any such required consent that is reasonably obtainable, it being understood and agreed that no Grantor shall be required to obtain any such consent if the Company reasonably determines in its good faith judgment that the costs of obtaining such consent are excessive in view of the benefits to be obtained by the Secured Parties thereby.

(b) With respect to each right to payment or performance included in the Collateral from time to time, the Transaction Lien granted therein includes a continuing security interest in (i) any Supporting Obligation that supports such payment or performance and (ii) any Lien that (x) secures such right to payment or performance or (y) secures any such Supporting Obligation.

(c) The Transaction Liens are granted as security only and shall not subject the Agent or any other Secured Party to, or transfer or in any way affect or modify, any obligation or liability of any Grantor with respect to any of the Collateral or any transaction in connection therewith.

SECTION 4. *General Representations and Warranties.* Each Grantor represents and warrants that:

(a) Such Grantor (a) is duly organized or formed, as the case may be, validly existing and in good standing under the laws of the jurisdiction of its organization or formation, (b) has the requisite power and authority to own and operate its Property, to lease the Property it operates as lessee and to conduct the business in which it is currently engaged as it is currently conducted, (c) is duly qualified as a foreign corporation and in good standing under the laws of each jurisdiction where its ownership, lease or operation of Property or the conduct of its business requires such qualification except to the extent that the failure to so qualify could not, in the aggregate, reasonably be expected to have a Material Adverse Effect and (d) is in compliance with all Applicable Law except to the extent that the failure to comply therewith could not, in the aggregate, reasonably be expected to have a Material Adverse Effect.

(b) With respect to each Original Grantor, Schedule 1 lists all Equity Interests in Subsidiaries and Affiliates of such Grantor owned by such Grantor as of the Closing Date. Such Grantor holds all such Equity Interests directly (*i.e.*, not through a Subsidiary, a Securities Intermediary or any other Person).

(c) With respect to each Original Grantor, Schedule 2 lists, as of the Closing Date, (i) all Securities owned by such Grantor (except for Excluded Equity Interests and Securities evidencing Equity Interests in Subsidiaries and Affiliates of such Grantor) and (ii) all Securities Accounts (other than any one or more Securities Accounts comprising Financial Assets of less than \$250,000 in the aggregate) to which Financial Assets are credited in respect of which such Grantor owns Security Entitlements.

(d) As of the Closing Date, such Grantor owns no Commodity Account in respect of which such Grantor is the Commodity Customer.

(e) All Pledged Equity Interests owned by such Grantor are owned by it free and clear of any Lien other than (i) Permitted Collateral Liens, (ii) any Liens permitted by the Term Loan Facility and any other Permitted First Lien Debt; and (iii) any liens imposed by law. All shares of capital stock included in such Pledged Equity Interests (including shares of capital stock in respect of which such Grantor owns a Security Entitlement) have been duly authorized and validly issued and are fully paid and non-assessable. None of such Pledged Equity Interests is subject to any option to purchase or similar right of any Person.

(f) Such Grantor has good and marketable title to all its Collateral (subject to exceptions that are, in the aggregate, not material), free and clear of any Lien other than Permitted Collateral Liens.

(g) Such Grantor has not performed any acts that are reasonably likely to prevent the Agent from enforcing any of the provisions of the Security Documents or that would limit the Agent in any such enforcement. No financing statement, security agreement, mortgage or similar or equivalent document or instrument covering all or part of the Collateral owned by such Grantor is on file or of record in any jurisdiction in which such filing or recording would be effective to perfect or record a Lien on such Collateral, except financing statements, mortgages or other similar or equivalent documents with respect to Permitted Collateral Liens. After the Closing Date, no Collateral owned by such Grantor will be in the possession or under the Control of any other Person having a claim thereto or security interest therein, other than a Permitted Collateral Lien.

(h) The Transaction Liens on all Collateral owned by such Grantor (i) have been validly created, (ii) will attach to each item of such Collateral on the

Closing Date (or, if such Grantor first obtains rights thereto on a later date, on such later date) and (iii) when so attached, will secure all the Obligations, including the Obligations under its Secured Guarantee, as the case may be.

(i) Such Grantor has delivered a Perfection Certificate to the Agent. With respect to each Original Grantor, information set forth therein is correct and complete, in all material respects, as of the Closing Date.

(j) When UCC financing statements describing the Collateral as “all assets” or “all personal property now existing or hereinafter acquired” or other words to that effect have been filed in the offices specified in such Perfection Certificate, the Transaction Liens will constitute perfected security interests in the Collateral owned by such Grantor to the extent that a security interest therein may be perfected by filing pursuant to the UCC, prior to all Liens and rights of others therein except Permitted Collateral Liens. When, in addition to the filing of such UCC financing statements, the applicable Intellectual Property Filings have been made with respect to such Grantor’s Recordable Intellectual Property (including any future filings required pursuant to Sections 5(a) and 6(a)), the Transaction Liens will constitute perfected security interests in all right, title and interest of such Grantor in its Recordable Intellectual Property to the extent that security interests therein may be perfected by such filings, prior to all Liens and rights of others therein except Permitted Collateral Liens. Except for (x) the filing of such UCC financing statements, (y) such Intellectual Property Filings, and (z) additional Intellectual Property Filings that may be necessary to perfect the Transaction Liens with respect to such Grantor’s Patents, Trademarks and Copyrights that do not constitute Recordable Intellectual Property, no registration, recordation or filing with any governmental body, agency or official is required in connection with the execution or delivery of the Security Documents or is necessary for the validity or enforceability thereof or for the perfection (other than in respect of deposit accounts) or due recordation of the Transaction Liens or for the enforcement of the Transaction Liens. Notwithstanding anything herein to the contrary, no Grantor shall take any action to perfect any security interest in any part of the Collateral under the laws of any jurisdiction outside of the United States of America.

(k) Such Grantor has taken, and will continue to take, all actions necessary under the UCC to perfect its interest in any Accounts or Chattel Paper purchased or otherwise acquired by it, as against its assignors and creditors of its assignors, except with respect to actions not required to be taken until a specified period after the Closing Date.

SECTION 5. *Further Assurances; General Covenants*. Each Grantor covenants as follows:

(a) Such Grantor will, from time to time, at the Borrowers’ expense, execute, deliver, file and record any statement, assignment, instrument, document,

agreement or other paper and take any other action (including any Intellectual Property Filing but solely with respect to Recordable Intellectual Property)) that from time to time may be necessary or desirable, or that the Agent may reasonably request, in order to:

(i) create, preserve, perfect, confirm or validate the Transaction Liens on such Grantor's Collateral;

(ii) in the case of (a) Pledged Deposit Accounts, Pledged Investment Property and lockboxes associated with any Pledged Deposit Account or Pledged Securities Accounts, in each case, (x) to which Cash Collateral is deposited or (y) which is required to be maintained as a Dominion Account pursuant to Section 8.2.4 of the Credit Agreement and (b) upon the occurrence and during the continuance of an Event of Default, Pledged Letter-of-Credit Rights, cause the Agent to have Control thereof (or, solely in the case of lockboxes, control thereof);

(iii) enable the Agent and the other Secured Parties to obtain the full benefits of the Security Documents; or

(iv) enable the Agent to exercise and enforce any of its rights, powers and remedies with respect to any of such Grantor's Collateral.

Such Grantor authorizes the Agent to execute and file such financing statements or continuation statements in such jurisdictions with such descriptions of collateral (including "all assets" or "all personal property now existing or hereinafter acquired" or other words to that effect) and other information set forth therein as the Agent may deem necessary or desirable for the purposes set forth in the preceding sentence. Each Grantor also ratifies its authorization for the Agent to file in any such jurisdiction any initial financing statements or amendments thereto if filed prior to the date hereof. The Agent is further authorized to file with the United States Patent and Trademark Office or United States Copyright Office (or any successor office) such documents as may be necessary or advisable for the purpose of perfecting, confirming, continuing, enforcing or protecting the security interests granted by each Grantor, without the signature of any Grantor, and naming any Grantor or the Grantors as debtors and the Agent as secured party. The Borrowers will pay the costs of, or reasonably incidental to, any Intellectual Property Filings and any recording or filing of any financing or continuation statements or other documents recorded or filed pursuant hereto.

(b) Such Grantor shall furnish to the Agent 10 Business Days (or such shorter period as Agent may agree) prior written notice of any change (1) in its name, (2) in its jurisdiction of organization or formation, (3) in its identity or corporate structure or (4) in its federal taxpayer identification number. Such Grantor agrees not to effect or permit any change referred to in the preceding sentence unless all filings have been made under the Uniform Commercial Code

or otherwise that are required in order for the Agent to continue at all times following such change to have a valid, legal and perfected security interest in all the Collateral under the Loan Documents.

(c) If any of its Collateral is in the possession or control of a warehouseman, bailee or agent at any time, such Grantor will, upon the request of the Agent: (i) notify such warehouseman, bailee or agent of the relevant Transaction Liens, (ii) instruct such warehouseman, bailee or agent to hold all such Collateral for the Agent's account subject to the Agent's instructions (which shall permit such Collateral to be removed by such Grantor in the ordinary course of business until the Agent notifies such warehouseman, bailee or agent that an Event of Default has occurred and is continuing), (iii) cause such warehouseman, bailee or agent to Authenticate a Record acknowledging that it holds possession of such Collateral for the Agent's benefit and (iv) make such Authenticated Record available to the Agent.

(d) Such Grantor will promptly upon request, provide to the Agent all information and evidence concerning such Grantor's Collateral that the Agent may reasonably request from time to time to enable it to enforce the provisions of the Security Documents.

(f) Except as permitted under the Credit Agreement, each Grantor shall defend its title to Collateral and the Agent's Liens therein against all Persons, claims and demands, except Permitted Collateral Liens.

SECTION 6. *Intellectual Property*. Each Grantor covenants as follows:

(a) On the Closing Date (in the case of an Original Grantor) or the date on which it signs and delivers its first Security Agreement Supplement (in the case of any other Grantor), such Grantor will sign and deliver to the Agent Intellectual Property Notices with respect to all Recordable Intellectual Property then owned by it; *provided* that the Original Grantors shall only be required to deliver Intellectual Property Notices with respect to Exclusive Copyright Licenses included in the Recordable Intellectual Property by the date specified for the delivery thereof in Schedule 10.1.15 to the Credit Agreement. Within 45 calendar days after the last day of each fiscal quarter thereafter, it will sign and deliver to the Agent an appropriate Intellectual Property Notice covering any Recordable Intellectual Property owned by it on the last day of such fiscal quarter that is not covered by any previous Intellectual Property Notice so signed and delivered by it. In each case, it will, within 45 calendar days after the last day of each such fiscal quarter, make all Intellectual Property Filings necessary to record the Transaction Liens on such Recordable Intellectual Property.

(b) Such Grantor will notify the Agent within 45 days after the last day of the fiscal quarter in which it learns that any application or registration relating to any Intellectual Property owned by it may become abandoned, or of any

adverse, final and non-appealable determination (including any final, non-appealable adverse determination in the United States Copyright Office, the United States Patent and Trademark Office or any court) regarding such Grantor's ownership of such Intellectual Property, its right to register or patent the same, or its right to keep and maintain the same, in each case of the foregoing, except to the extent that the loss of such Intellectual Property would not reasonably be expected to have a Material Adverse Effect. If any of such Grantor's rights to any Intellectual Property are materially infringed or misappropriated by a third party and such infringement or misappropriation would be reasonably expected to have a Material Adverse Effect, such Grantor will notify the Agent within 45 calendar days after it learns thereof and will, unless such Grantor shall reasonably determine that such action would be of negligible value, economic or otherwise, promptly take such actions as such Grantor shall reasonably deem appropriate under the circumstances to protect such Intellectual Property.

(c) Upon the occurrence and during the continuance of an Event of Default, each Grantor shall, upon the request of the Agent therefor, use its commercially reasonable efforts to obtain all requisite consents or approvals by the licensor of each Exclusive Copyright License and each material Copyright License, Patent License and Trademark License under which such Grantor is the licensee to effect the assignment of all such Grantor's right, title and interest thereunder to the Agent, for the ratable benefit of the Secured Parties, or its designee.

SECTION 7. *Investment Property.* Each Grantor represents, warrants and covenants as follows:

(a) *Certificated Securities.* On the Closing Date (in the case of an Original Grantor) or the date on which it signs and delivers its first Security Agreement Supplement (in the case of any other Grantor), such Grantor will deliver to the Agent as Collateral hereunder all certificates representing Pledged Certificated Securities then owned by such Grantor. Thereafter, whenever such Grantor acquires any other certificate representing a Pledged Certificated Security, such Grantor will promptly (and in any event within 10 Business Days) deliver such certificate to the Agent as Collateral hereunder. The provisions of this subsection are subject to the limitation in Section 7(j) in the case of voting Equity Interests in a Foreign Subsidiary.

(b) [Reserved.]

(c) *Security Entitlements.* On the Closing Date (in the case of an Original Grantor) or the date on which it signs and delivers its first Security Agreement Supplement (in the case of any other Grantor), such Grantor will, with respect to each Security Entitlement then owned by it with respect to Financial Assets credited to either (i) a Securities Account containing Cash Collateral and (ii) any Securities Account which is required to be maintained as a Dominion

Account pursuant to Section 8.2.4 of the Credit Agreement, enter into (and cause the relevant Securities Intermediary to enter into) a Securities Account Control Agreement in respect of such Security Entitlement and the Securities Account to which the underlying Financial Asset is credited and will deliver such Securities Account Control Agreement to the Agent (which shall enter into the same). Thereafter, whenever such Grantor acquires any other Security Entitlement with respect to Financial Assets credited to either (i) a Securities Account containing Cash Collateral or (ii) any Securities Account which is required to be maintained as a Dominion Account pursuant to Section 8.2.4 of the Credit Agreement, promptly (and in any event within 10 Business Days) cause the underlying Financial Asset to be credited to a Controlled Securities Account.

(d) *Perfection as to Certificated Securities.* Subject to Section 28 hereof, when such Grantor delivers the certificate representing any Pledged Certificated Security owned by it to the Agent and complies with Section 7(h) in connection with such delivery, (i) the Transaction Lien on such Pledged Certificated Security will be perfected, subject to no prior Liens or rights of others (other than Permitted Collateral Liens), (ii) the Agent will have Control of such Pledged Certificated Security and (iii) assuming the Agent does not have notice of any adverse claim to such Perfected Certificated Security (it being understood and agreed that as of the Closing Date, the Agent does not have notice of any adverse claim to such Perfected Certificated Security other than Term Agent's claim under the Security Documents (as defined in the Term Loan Agreement)), the Agent will be a protected purchaser (within the meaning of UCC Section 8-303) thereof.

(e) [Reserved.]

(f) *Perfection as to Security Entitlements.* So long as the Financial Asset underlying any Security Entitlement owned by such Grantor is credited to a Controlled Securities Account, (i) the Transaction Lien on such Security Entitlement will be perfected, subject to no prior Liens or rights of others (except Liens and rights of the relevant Securities Intermediary that are Permitted Collateral Liens), (ii) the Agent will have Control of such Security Entitlement and (iii) assuming the Agent acquires its Security Entitlement with respect thereto without notice of any adverse claim thereto (it being understood and agreed that as of the Closing Date, the Agent does not have notice of any adverse claim to such Security Entitlement), no action based on an adverse claim to such Security Entitlement or such Financial Asset, whether framed in conversion, replevin, constructive trust, equitable lien or other theory, may be asserted against the Agent or any other Secured Party.

(g) *Agreement as to Applicable Jurisdiction.* In respect of all Security Entitlements owned by such Grantor, and all Pledged Securities Accounts to which the related Financial Assets are credited, the related Securities Account Control Agreement will provide that the Securities Intermediary's jurisdiction (determined as provided in UCC Section 8-110(e)) will at all times be located in the United States.

(h) *Delivery of Pledged Certificates*. All certificates representing Pledged Certificated Securities, when delivered to the Agent, will be in suitable form for transfer by delivery, or accompanied by duly executed instruments of transfer or assignment in blank, with signatures appropriately guaranteed, all in form and substance reasonably satisfactory to the Agent.

(i) *Communications*. Upon the reasonable request of the Agent, each Grantor will promptly give to the Agent copies of any notices and other communications received by it with respect to (i) Pledged Securities registered in the name of such Grantor or its nominee and (ii) Pledged Security Entitlements as to which such Grantor is the Entitlement Holder; *provided* that, with respect to any such notice or other communication that could reasonably be expected to adversely affect the security interest of the Agent in such Pledged Securities or Pledged Securities Entitlements granted hereunder or the perfection thereof, the Agent shall be deemed to have made such request on the last day of each fiscal quarter of the Company.

(j) *Foreign Subsidiaries*. A Grantor will not be obligated to comply with the provisions of this Section at any time with respect to any voting Equity Interest in a Foreign Subsidiary if and to the extent (but only to the extent) that such voting Equity Interest is excluded from the Transaction Liens at such time pursuant to the definition of "Excluded Equity Interests" and/or the comparable provisions of one or more Security Agreement Supplements.

(k) *Certification of Limited Liability Company and Partnership Interests*. Any limited liability company and any partnership controlled by any Grantor shall either (a) not include in its operative documents any provision that any Equity Interests in such limited liability company or such partnership be a "security" as defined under Article 8 of the Uniform Commercial Code, or (b) certificate any Equity Interests in any such limited liability company or such partnership. To the extent an interest in any limited liability company or partnership controlled by any Grantor and pledged hereunder is certificated or becomes certificated, each such certificate shall be delivered to the Agent pursuant to Section 7(a) and such Grantor shall fulfill all other requirements under Section 7 applicable in respect thereof.

SECTION 8. *Deposit Accounts*. Each Grantor represents, warrants and covenants as follows:

(a) All cash owned by such Grantor shall be deposited, upon or promptly after receipt thereof, in one or more Controlled Deposit Accounts or an account that would be not be required to be maintained as a Dominion Account pursuant to Section 8.2.4 of the Credit Agreement immediately after such deposit.

(b) In respect of each Controlled Deposit Account, the related Deposit Account Control Agreement will provide that the Depository Bank's jurisdiction (determined as provided in UCC Section 9-304) will at all times be a jurisdiction in which Article 9 of the Uniform Commercial Code is in effect.

(c) So long as the Agent has Control of a Controlled Deposit Account, the Transaction Lien on such Controlled Deposit Account will be perfected, subject to no prior Liens or rights of others (except (x) the Depository Bank's right to deduct its normal operating charges and any uncollected funds previously credited thereto, (y) Permitted Collateral Liens and (z) as provided in the Intercreditor Agreement).

SECTION 9. *Commercial Tort Claims.* Each Grantor represents, warrants and covenants as follows:

(a) In the case of an Original Grantor, Schedule 3 accurately describes, with the specificity required to satisfy Official Comment 5 to UCC Section 9-108, each Material Commercial Tort Claim with respect to which such Original Grantor is the claimant as of the Closing Date. In the case of any other Grantor, Schedule 3 to its first Security Agreement Supplement will accurately describe, with the specificity required to satisfy said Official Comment 5, each Material Commercial Tort Claim with respect to which such Grantor is the claimant as of the date on which it signs and delivers such Security Agreement Supplement.

(b) If any Grantor acquires a Material Commercial Tort Claim after the Closing Date (in the case of an Original Grantor) or the date on which it signs and delivers its first Security Agreement Supplement (in the case of any other Grantor), such Grantor will promptly (and in any event within 10 Business Days) sign and deliver to the Agent a Security Agreement Supplement granting a security interest in such Commercial Tort Claim (which shall be described therein with the specificity required to satisfy said Official Comment 5) to the Agent for the benefit of the Secured Parties.

SECTION 10. *Transfer of Record Ownership.* At any time when an Event of Default shall have occurred and be continuing, the Agent may (and to the extent that action by it is required, the relevant Grantor, if directed to do so by the Agent, will as promptly as practicable) cause each of the Pledged Securities (or any portion thereof specified in such direction) to be transferred of record into the name of the Agent or its nominee. Each Grantor will take any and all actions reasonably requested by the Agent to facilitate compliance with this Section. If the provisions of this Section are implemented, **Error! Reference source not found.** shall not thereafter apply to any Pledged Security that is registered in the name of the Agent or its nominee. The Agent will promptly give to the relevant Grantor copies of any notices and other communications received by the Agent with respect to Pledged Securities registered in the name of the Agent or its nominee.

SECTION 11. *Right to Vote Securities; Right to Proceeds of Insurance.* (a) Unless an Event of Default shall have occurred and be continuing, each Grantor shall have the right, from time to time, to vote and to give consents, ratifications and waivers with respect to any Pledged Security owned by it and the Financial Asset underlying any Pledged Security Entitlement owned by it, and the Agent will, upon receiving a written request from such Grantor, deliver to such Grantor or as specified in such request such proxies, powers of attorney, consents, ratifications and waivers in respect of any such Pledged Security that is registered in the name of the Agent or its nominee or any such Pledged Security Entitlement as to which the Agent or its nominee is the Entitlement Holder, in each case as shall be specified in such request and be in form and substance satisfactory to the Agent.

(b) If an Event of Default shall have occurred and be continuing, upon written notice thereof to the Borrower Agent, the Agent shall have the exclusive right to the extent permitted by law to vote, to give consents, ratifications and waivers and to take any other action with respect to the Pledged Investment Property, the other Pledged Equity Interests and the Financial Assets underlying the Pledged Security Entitlements, with the same force and effect as if the Agent were the absolute and sole owner thereof, and each Grantor shall take all such action as the Agent may reasonably request from time to time to give effect to such right.

SECTION 12. *Certain Cash Distributions.* Cash Distributions with respect to assets held in a Collateral Account shall be deposited and held therein, or withdrawn therefrom, as provided herein and in the Credit Agreement. Funds held in any Collateral Account (other than any Cash Collateral Account) may, until withdrawn, be invested and reinvested in such Cash Equivalents as the relevant Grantor shall request from time to time; *provided* that if a Cash Dominion Trigger Period or an Event of Default shall have occurred and be continuing, the Agent may select such Cash Equivalents.

SECTION 13. *Remedies upon Event of Default.* (a) If an Event of Default shall have occurred and be continuing, the Agent may exercise (or cause its sub-agents to exercise) any or all of the remedies available to it (or to such sub-agents) under the Loan Documents.

(b) Without limiting the generality of the foregoing, if an Event of Default shall have occurred and be continuing, the Agent may exercise on behalf of the Secured Parties all the rights of a secured party under the UCC (whether or not in effect in the jurisdiction where such rights are exercised) with respect to any Collateral and, in addition, the Agent may, without being required to give any notice, except as herein provided or as may be required by mandatory provisions of law, sell or otherwise dispose of the Collateral or any part thereof in one or more parcels at public or private sale, at any exchange, broker's board or at any of the Agent's offices or elsewhere, for cash, on credit or for future delivery, at such

time or times and at such price or prices and upon such other terms as the Agent may deem commercially reasonable, irrespective of the impact of any such sales on the market price of the Collateral. To the maximum extent permitted by applicable law, any Secured Party may be the purchaser of any or all of the Collateral at any such sale and the Agent (as administrative agent for and representative of the Secured Parties), for the purpose of bidding and making settlement or payment of the purchase price for all or any portion of the Collateral sold at any such public sale, shall be entitled to use and apply all of any part of the Obligations as a credit on account of the purchase price of any Collateral payable at such sale. Upon any sale of Collateral by the Agent (including pursuant to a power of sale granted by statute or under a judicial proceeding), the receipt of the Agent or of the officer making the sale shall be a sufficient discharge to the purchaser or purchasers of the Collateral so sold and such purchaser or purchasers shall not be obligated to see to the application of any part of the purchase money paid to the Agent or such officer or be answerable in any way for the misapplication thereof. Each purchaser at any such sale shall hold the property sold absolutely free from any claim or right on the part of any Grantor, and each Grantor hereby waives (to the extent permitted by law) all rights of redemption, stay or appraisal that it now has or may at any time in the future have under any rule of law or statute now existing or hereafter enacted. The Agent shall not be obliged to make any sale of Collateral regardless of notice of sale having been given. The Agent may adjourn any public or private sale from time to time by announcement at the time and place fixed therefor, and such sale may, without further notice, be made at the time and place to which it was so adjourned. To the maximum extent permitted by law, each Grantor hereby waives any claim against any Secured Party arising because the price at which any Collateral may have been sold at such a private sale was less than the price that might have been obtained at a public sale, even if the Agent accepts the first offer received and does not offer such Collateral to more than one offeree. The Agent may disclaim any warranty, as to title or as to any other matter, in connection with such sale or other disposition, and its doing so shall not be considered adversely to affect the commercial reasonableness of such sale or other disposition.

(c) If the Agent sells any of the Collateral upon credit, the Grantors will be credited only with payment actually made by the purchaser, received by the Agent and applied in accordance with Section 14 hereof. In the event the purchaser fails to pay for the Collateral, the Agent may resell the same, subject to the same rights and duties set forth herein.

(d) Notice of any such sale or other disposition shall be given as required by Applicable Law. Each Grantor hereby agrees that 10 days' written notice of any proposed sale or other disposition of Collateral by Agent shall be reasonable.

(e) For the purpose of enabling the Agent to exercise rights and remedies under this Agreement at such time as the Agent shall be lawfully

entitled to exercise such rights and remedies, each Grantor hereby grants to the Agent a license (exercisable without payment of royalty or other compensation to the Grantors and subject to any prior rights granted by such Grantor to third parties), to use, license or sublicense any of the Collateral consisting of Intellectual Property now owned or hereafter acquired by such Grantor, and including in such license access to all media in which any of the licensed items may be recorded or stored and to all computer software and programs (solely to the extent permitted by the relevant licenses therefor) used for the compilation or printout thereof; *provided, however*, that any trademarks or service marks licensed pursuant to the foregoing may be used only in connection with goods and services of similar type and similar or greater quality than those theretofore sold by such Grantor under such trademark or service mark. The use of such license by the Agent may be exercised only upon the occurrence and during the continuation of an Event of Default; *provided, however*, that any license or sublicense entered into by the Agent in accordance herewith shall be binding upon each Grantor notwithstanding any subsequent cure of an Event of Default.

SECTION 14. *Application of Proceeds*. Subject to the terms of the Intercreditor Agreement, (a) if an Event of Default shall have occurred and be continuing, the Agent may apply (i) any cash held in the Collateral Accounts and (ii) the proceeds of any sale or other disposition of all or any part of the Collateral to the Obligations, which application shall be made in accordance with Section 5.5.2 of the Credit Agreement.

(b) In making the payments and allocations required by this Section, the Agent may rely upon information supplied to it pursuant to Section 18(c). All distributions made by the Agent pursuant to this Section shall be final (except in the event of manifest error) and the Agent shall have no duty to inquire as to the application by any Secured Party of any amount distributed to it.

SECTION 15. *Fees and Expenses; Indemnification*. (a) All expenses of protecting, storing, warehousing, insuring, handling, maintaining and shipping any Collateral, all Taxes payable with respect to any Collateral (including any sale thereof), and all other payments required to be made by Agent to any Person to realize upon any Collateral, shall be borne and paid by the Grantors. The Borrowers will forthwith upon demand pay to the Agent:

(i) the amount of any taxes that the Agent may have been required to pay by reason of the Transaction Liens or to free any Collateral from any other Lien thereon;

(ii) the amount of any reasonable and documented out-of-pocket costs and expenses incurred in connection with the development, preparation, execution and administration of, and any amendment, supplement or modification to, this Agreement and the other Loan Documents and any other documents prepared in connection herewith or

(b) If any transfer tax, documentary stamp tax or other tax is payable in connection with any transfer or other transaction provided for in the Security Documents, the Borrowers will pay such tax and provide any required tax stamps to the Agent or as otherwise required by law.

(c) The Borrowers shall indemnify each of the Secured Parties, their respective affiliates and the respective directors, officers, agents and employees of the foregoing (each an "**Indemnitee**") in accordance with Section 14.2 of the Credit Agreement.

SECTION 16. Authority to Administer Collateral. Each Grantor irrevocably appoints the Agent (and all Persons designated by the Agent) as its true and lawful attorney (and agent in fact), with full power of substitution, in its name or in the name of such Grantor, any Secured Party or otherwise, for the sole use and benefit of the Secured Parties, but at the Borrowers' sole cost and expense, to the extent permitted by law and without notice, to exercise, at any time and from time to time, all or any of the following powers with respect to all or any of such Grantor's Collateral:

- (i) endorse a Grantor's name on any proceeds of Collateral (including proceeds of insurance) that come into Agent's possession or control; or

SECTION 17. *Limitation on Duty in Respect of Collateral*. Beyond the exercise of reasonable care in the custody and preservation thereof, the Agent will have no duty as to any Collateral in its possession or control or in the possession or control of any sub-agent or bailee or any income therefrom or as to the preservation of rights against prior parties or any other rights pertaining thereto. The Agent will be deemed to have exercised reasonable care in the custody and preservation of the Collateral in its possession or control if such Collateral is accorded treatment substantially equal to that which it accords its own property, and will not be liable or responsible for any loss or damage to any Collateral, or for any diminution in the value thereof, by reason of any act or omission of any sub-agent or bailee selected by the Agent in good faith, except to the extent that such liability arises from the Agent's gross negligence or willful misconduct.

SECTION 18. *General Provisions Concerning the Agent*.

(a) *The Agent*. The provisions of Section 12 of the Credit Agreement shall inure to the benefit of the Agent, and shall be binding upon all Grantors and all Secured Parties, in connection with this Agreement and the other Security Documents. Without limiting the generality of the foregoing, (i) the Agent shall not be subject to any fiduciary or other implied duties, regardless of whether an Event of Default has occurred and is continuing, (ii) the Agent shall not have any duty to take any discretionary action or exercise any discretionary powers, except discretionary rights and powers expressly contemplated by the Security Documents that the Agent is required in writing to exercise by the Required Lenders (or such other number or percentage of the Lenders as shall be necessary under the circumstances as provided in Section 14.1 of the Credit Agreement), and (iii) except as expressly set forth in the Loan Documents, the Agent shall not have any duty to disclose, and shall not be liable for any failure to disclose, any information relating to any Grantor that is communicated to or obtained by the bank serving as Agent or any of its Affiliates in any capacity. The Agent shall not be responsible for the existence, genuineness or value of any Collateral or for the validity, perfection, priority or enforceability of any Transaction Lien, whether impaired by operation of law or by reason of any action or omission to act on its part under the Security Documents. The Agent shall not be liable for any action taken or not taken by it with the consent or at the request of the Required Lenders (or such other number or percentage of the Lenders as shall be necessary under the circumstances as provided in Section 14.1 of the Credit Agreement) or in the absence of its own gross negligence or willful misconduct. The Agent shall be deemed not to have knowledge of any Event of Default unless and until written notice thereof is given to the Agent by the Borrowers or a Secured Party.

(b) *Sub-Agents and Related Parties.* The Agent may perform any and all its duties and exercise its rights and powers by or through any one or more employees and sub-agents appointed by the Agent. The Agent and any such sub-agent may perform any and all its duties and exercise its rights and powers through their respective Related Parties. Agent may consult with and employ Agent Professionals, and shall be entitled to act upon, and shall be fully protected in any action taken in good faith reliance upon, any advice given by an Agent Professional. The exculpatory provisions of Section 17 and this Section shall apply to any such sub-agent and to the Related Parties of the Agent and any such sub-agent, and shall apply to their respective activities in connection with the syndication of the credit facilities as well as activities of the Agent. Agent shall not be responsible for the negligence or misconduct of any agents, employees or Agent Professionals selected by it with reasonable care.

(c) *Information as to Obligations and Actions by Secured Parties.* For all purposes of the Security Documents, including determining the amounts of the Obligations and whether an Obligation is a Contingent Obligation or not, or whether any action has been taken under any Secured Agreement, the Agent will be entitled to rely on information from (i) its own records for information as to the Credit Parties, their Obligations and actions taken by them, (ii) any Secured Party for information as to its Obligations and actions taken by it, to the extent that the Agent has not obtained such information from its own records, and (iii) the Borrowers, to the extent that the Agent has not obtained information from the foregoing sources.

(d) *Refusal to Act.* The Agent may refuse to act on any notice, consent, direction or instruction from any Secured Parties or any agent, trustee or similar representative thereof that, in the Agent's opinion, (i) is contrary to law or the provisions of any Security Document, (ii) may expose the Agent to personal liability or (iii) is unduly prejudicial to Secured Parties not joining in such notice, consent, direction or instruction.

SECTION 19. *Termination of Transaction Liens; Release of Collateral.* (a) The Transaction Liens granted by each Guarantor shall terminate when its Secured Guarantee is released pursuant to Section 2(c).

(b) The Transaction Liens granted by the Borrowers shall terminate when all the Release Conditions are satisfied.

(c) Notwithstanding the foregoing, the Transaction Liens with respect to property of the Company or any Guarantor securing the Obligations will be automatically released, in whole or in part, to the extent permitted in Section 12.2.1 of the Credit Agreement.

(d) Upon any termination of a Transaction Lien or release of Collateral, the Agent will, at the expense of the relevant Grantor, execute and deliver to such Grantor such documents as such Grantor shall reasonably request to evidence the termination of such Transaction Lien or the release of such Collateral, as the case may be, and will duly assign and transfer to such Grantor any such Collateral that may be in the possession of the Agent and has not theretofore been sold or otherwise applied or released pursuant to this Agreement.

SECTION 20. *Additional Guarantors and Grantors*. Any Subsidiary may and to the extent required by Section 10.2.14 of the Credit Agreement, shall become a party hereto by signing and delivering to the Agent a Security Agreement Supplement, whereupon such Subsidiary shall become a “Guarantor” and a “Grantor” as defined herein.

SECTION 21. *Notices*. Each notice, request or other communication given to any party hereunder shall be given in accordance with subsection 14.3 of the Credit Agreement, and in the case of any such notice, request or other communication to a Grantor other than the Borrowers, shall be given to it in care of the Borrowers.

SECTION 22. *No Implied Waivers; Remedies Not Exclusive*. No failure to exercise and no delay in exercising, on the part of any party hereto, any right, remedy, power or privilege hereunder or under the other Loan Documents shall operate as a waiver thereof, nor shall any single or partial exercise of any right, remedy, power or privilege hereunder preclude any other or further exercise thereof or the exercise of any other right, remedy, power or privilege. Without limiting the generality of the foregoing, the making of the Loan shall not be construed as a waiver of any Default or Event of Default, regardless of whether the Agent or any Lender may have had notice or knowledge of such Default or Event of Default at the time. The rights, remedies, powers and privileges herein provided are cumulative and not exclusive of any rights, remedies, powers and privileges provided by law.

SECTION 23. *Successors and Assigns*. This Agreement is for the benefit of the Agent and the Secured Parties. If all or any part of any Secured Party’s interest in any Obligation is assigned or otherwise transferred, the transferor’s rights hereunder, to the extent applicable to the obligation so transferred, shall be automatically transferred with such obligation. This Agreement shall be binding on the Grantors and their respective successors and assigns.

SECTION 24. *Amendments and Waivers*. Neither this Agreement nor any provision hereof may be waived, amended, modified or terminated except pursuant to an agreement or agreements in writing entered into by the Agent, with the consent of such Lenders as are required to consent thereto under subsection 14.1 of the Credit Agreement. No such waiver, amendment or modification shall (i) be binding upon any Grantor, except with its written consent, or (ii) affect the

rights of a Secured Party (other than a Lender) hereunder more adversely than it affects the comparable rights of the Lenders hereunder, without the consent of such Secured Party.

SECTION 25. *Choice of Law.* This Agreement and any claims, controversy, dispute or cause of action (whether in contract or tort or otherwise) based upon, arising out of or relating to this Agreement and the Transactions shall be construed in accordance with and governed by the law of the State of New York, without giving effect to any conflict of law principles that result in the application of laws of another jurisdiction.

SECTION 26. *Waiver of Jury Trial.* EACH PARTY HERETO HEREBY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY IN ANY LEGAL PROCEEDING DIRECTLY OR INDIRECTLY ARISING OUT OF OR RELATING TO ANY SECURITY DOCUMENT OR THE TRANSACTIONS CONTEMPLATED THEREBY (WHETHER BASED ON CONTRACT, TORT OR ANY OTHER THEORY). EACH PARTY HERETO (A) CERTIFIES THAT NO REPRESENTATIVE, AGENT OR ATTORNEY OF ANY OTHER PARTY HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PARTY WOULD NOT, IN THE EVENT OF LITIGATION, SEEK TO ENFORCE THE FOREGOING WAIVER AND (B) ACKNOWLEDGES THAT IT AND THE OTHER PARTIES HERETO HAVE BEEN INDUCED TO ENTER INTO THIS AGREEMENT BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONS IN THIS SECTION.

SECTION 27. *Severability.* Any provision of any Security Document which is prohibited or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such prohibition or unenforceability without invalidating the remaining provisions hereof, and any such prohibition or unenforceability in any jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction.

SECTION 28. *Intercreditor Agreement.* Notwithstanding anything herein to the contrary, the Liens and security interests granted to the Agent pursuant to this Agreement and the exercise of any right or remedy by the Agent hereunder, in each case, with respect to the Collateral are subject to the limitations and provisions of the Intercreditor Agreement. In the event of any conflict between the terms of the Intercreditor Agreement and the terms of this Agreement with respect to the Collateral, the terms of the Intercreditor Agreement shall govern and control; *provided* that the Intercreditor Agreement shall not be construed, by its terms, to modify any security interest granted pursuant to Section 3 hereof. To the extent that any "Term Priority Collateral" (as defined in the Intercreditor Agreement) is required pursuant to the terms of this Agreement to be delivered to the Agent, so long as the Intercreditor Agreement is in effect, delivery of such Term Priority Collateral (as defined in, and pursuant to the terms of, the Intercreditor Agreement) to the Term Agent shall be deemed to satisfy such requirement.

MATERIAL COMMERCIAL TORT CLAIMS

School Specialty, Inc. (“SSI”) v. RR Donnelley & Sons Company (“RRD”), U.S. Dist. Ct. E.D. Wis., Case No.1:12-CV-01034. SSI sued RRD for damages resulting from a deficient printing job. RRD counterclaimed against SSI for fraud in the inducement and breach of contract, claiming SSI concealed known problems with the inks RRD used for the printing job, and SSI breached its contract with RRD by cancelling purchase orders for additional work. RRD seeks damages in excess of \$500,000. Litigation counsel believes that this suit will yield a net payment to SSI.

⁵ Modify if entity is not a corporation.

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Grantor hereby grants to the Grantee, to secure its Secured Obligations, including its Obligations under the Grantor's Secured Guarantee, a continuing security interest in all of the Grantor's right, title and interest in, to and under the following (all of the following items or types of property being herein collectively referred to as the "**Trademark Collateral**"), whether now owned or existing or hereafter acquired or arising:

The Grantor acknowledges and affirms that the rights and remedies of the Grantee with respect to the security interest in the Trademark Collateral granted hereby are more fully set forth in the Security Agreement, the terms and provisions of which are incorporated by reference herein as if fully set forth herein and which shall override the terms hereof in the event of a conflict.

WHEREAS, pursuant to the Security Agreements, the Grantor has granted to the Agents a continuing security interest (the “**Transaction Lien**”) in all right, title and interest of the Grantor in, to and under the Securities, whether now existing or hereafter arising; and

WHEREAS, the parties hereto are entering into this Agreement in order to perfect the Transaction Lien on the Securities;

NOW, THEREFORE, the parties hereto agree as follows:

Section 1. *Nature of Securities.* The Issuer confirms that (i) the Securities are “uncertificated securities” (as defined in Section 8-102 of the UCC) and (ii) the Grantor is registered on the books of the Issuer as the registered holder of the Securities.

Section 2. *Instructions.* (i) The Issuer agrees to comply with any “instruction” (as defined in Section 8-102 of the UCC) originated by the Controlling Secured Party and relating to the Securities without further consent by the Grantor or any other person; *provided* that notwithstanding the foregoing provisions of this Section 2 or any provisions herein to the contrary, prior to the Issuer’s receipt of a Notice of Termination (defined below) from the First Lien Agent, the Issuer shall not comply with any such instructions from the Second Lien Agent unless such instructions are accompanied by a written approval thereof of the First Lien Agent. The Grantor consents to the foregoing agreement by the Issuer.

(ii) As used herein, the term “**Controlling Secured Party**” means the First Lien Agent until such time as the Issuer has received written notice, in substantially the form attached as Annex A hereto (a “**Notice of Termination**”), from the First Lien Agent stating in substance that henceforth the Second Lien Agent will be the Controlling Secured Party, and has had a reasonable time (not to exceed one (1) Business Day) to act thereon, at which time the Second Lien Agent will replace the First Lien Agent as the Controlling Secured Party for purposes of this Agreement and the First Lien Agent shall have no further rights (including, without limitation, ability to give instructions pursuant to Section 2(i)) or obligations under this Agreement, other than obligations which arose or which derive from events which occurred while the First Lien Agent was the Controlling Secured Party. (a) *Secured Guarantees.* Each Guarantor unconditionally guarantees the full and punctual payment of each Obligation (other than the Obligations of such Guarantor) when due (whether at stated maturity, upon acceleration or otherwise), which guarantees shall constitute a continuing guarantee of payment and not of collection. If the Borrower or any other Obligor fails to pay any Obligation punctually when due, each other Guarantor agrees that it will forthwith on demand pay the amount not so paid at the place and in the manner specified in the relevant Secured Agreement.

(b) *Secured Guarantees Unconditional.* The obligations of each Guarantor under its Secured Guarantee shall be unconditional and absolute and, without limiting the generality of the foregoing, shall not be released, discharged or otherwise affected by:

(i) any extension, renewal, settlement, compromise, waiver or release in respect of any obligation of the Borrower, any other Guarantor or Obligor or any other Person under any Secured Agreement, by operation of law or otherwise (including by the Collateral Agent or any Lender);

(iii) any release, impairment, non-perfection or invalidity of any direct or indirect security for any obligation of the Borrower, any other Guarantor or Obligor or any other Person under any Secured Agreement;

(iv) any change in the corporate existence, structure or ownership of the Borrower, any other Guarantor or Obligor or any other Person or any of their respective subsidiaries, or any insolvency, bankruptcy, reorganization or other similar proceeding affecting the Borrower, any other Guarantor or Obligor or any other Person or any of their assets or any resulting release or discharge of any obligation of the Borrower, any other Guarantor or Obligor or any other Person under any Secured Agreement;

(v) the existence of any claim, set-off or other right that such Guarantor may have at any time against the Borrower, any other Guarantor or Obligor, any Secured Party or any other Person, whether in connection with the Loan Documents or any unrelated transactions, *provided* that nothing herein shall prevent the assertion of any such claim by separate suit or compulsory counterclaim;

(vi) any invalidity or unenforceability relating to or against the Borrower, any other Guarantor or Obligor or any other Person for any reason of any Secured Agreement, or any provision of any applicable law, rule or regulation purporting to prohibit the payment of any Obligation by the Borrower, any other Guarantor or Obligor or any other Person; or

(vii) any other act or omission to act or delay of any kind by the Borrower, any other Guarantor or Obligor, any other party to any Secured Agreement, any Secured Party or any other Person, or any other circumstance whatsoever that might, but for the provisions of this clause (vii), constitute a legal or equitable discharge of or defense of a surety or guarantor to any obligation of any Guarantor hereunder.

(c) *Release of Secured Guarantees.* (i) All Secured Guarantees will be released when all Release Conditions are satisfied. If at any time any payment of a Obligation is rescinded or must be otherwise restored or returned upon the insolvency or receivership of the Borrower, any other Obligor or otherwise, the Secured Guarantees shall be reinstated with respect thereto as though such payment had been due but not made at such time.

(ii) In addition, if any Guarantor shall cease to be a Subsidiary of the Borrower as permitted by Section 9.21(b) of the Credit Agreement, the Collateral Agent, at the request of the Borrower, shall release such Guarantor from its Secured Guaranty and its other Obligations under the Loan Documents;

(iii) Upon any termination of a Secured Guaranty, the Collateral Agent will, in accordance with Section 9.21(d) of the Credit Agreement, execute and deliver to the Borrower such documents as it shall reasonably request to evidence the termination thereof.

(d) *Waiver by Guarantors.* Each Guarantor irrevocably waives acceptance hereof, presentment, demand, protest and any notice not provided for herein, as well as any requirement that at any time any action be taken by any Person against the Borrower, any other Guarantor or Obligor or any other Person. Each Guarantor expressly waives all rights that it may have now or in the future under any statute, at common law, in equity or otherwise, to compel the Collateral Agent or Lenders to marshal assets or to proceed against any Obligor, other Person or security for the payment or performance of any Obligations before, or as a condition to, proceeding against such Guarantor. Each Guarantor waives all defenses available to a surety, guarantor or accommodation co-obligor other than payment in full of all Obligations and waives, to the maximum extent permitted by law, any right to revoke any guaranty of any Obligations as long as it is a Guarantor.

(e) *Subrogation.* A Guarantor that makes a payment with respect to an Obligation hereunder shall be subrogated to the rights of the payee against the Borrower or the applicable Obligor with respect to such payment; *provided* that no Guarantor shall enforce any payment by way of subrogation against the Borrower or the applicable Obligor, or by reason of contribution against any other guarantor of such Obligation, until all the Release Conditions have been satisfied.

(f) *Stay of Acceleration.* If acceleration of the time for payment of any Obligation by the Borrower or the applicable Obligor is stayed by reason of the insolvency or receivership of the Borrower or the applicable Obligor or otherwise, all Obligations otherwise subject to acceleration under the terms of any Secured Agreement shall nonetheless be payable by the Guarantors hereunder forthwith on demand by the Collateral Agent.

(g) *Right of Set-Off.* In addition to any rights and remedies of the Secured Parties provided by law, each Secured Party shall have the right, upon any amount becoming due and payable by any Guarantor hereunder (whether at the stated maturity, by acceleration or otherwise) to set-off and appropriate and apply against such amount any and all deposits (general or special, time or demand, provisional or final), in any currency, and any other credits, indebtedness or claims, in any currency, in each case whether direct or indirect, absolute or contingent, matured or unmatured at any time held or owing by such Secured

Party or any branch or agency thereof to or for the credit or the account of such Guarantor. Each Secured Party agrees to promptly notify such Guarantor and the Collateral Agent after any such setoff and application made by such Secured Party; *provided* that the failure to give such notice shall not affect the validity of such setoff and application.

(h) *Continuing Guarantee*. Each Secured Guarantee is a continuing guarantee, shall be binding on the relevant Guarantor and its successors and assigns, and shall be enforceable by the Collateral Agent or the Secured Parties. If all or part of any Secured Party's interest in any Obligation is assigned or otherwise transferred, the transferor's rights under each Secured Guarantee, to the extent applicable to the obligation so transferred, shall automatically be transferred with such obligation.

(i) *Limitation on Obligations of Guarantor*. The obligations of each Guarantor under its Secured Guarantee shall be limited to an aggregate amount equal to the largest amount that would not render such Secured Guarantee subject to avoidance under Section 548 of the Bankruptcy Code or any comparable provisions of applicable law.

(j) *Right of Contribution*. Each Guarantor hereby agrees that to the extent that a Guarantor shall have paid more than its proportionate share of any payment made hereunder, such Guarantor shall be entitled to seek and receive contribution from and against any other Guarantor hereunder which has not paid its proportionate share of such payment. Each Guarantor's right of contribution shall be subject to the terms and conditions of Section 2(e). The provisions of this Section 2(j) shall in no respect limit the obligations and liabilities of any Guarantor to the Collateral Agent and the Secured Parties, and each Guarantor shall remain liable to the Collateral Agent and the Secured Parties for the full amount guaranteed by such Guarantor hereunder.

SECTION 3. *Grant of Transaction Liens*.  - (xiii) all Proceeds of the Collateral described in the foregoing clauses (i) through (xii);

provided that the following property is excluded from the foregoing security interests (it being understood that such grant will be applicable at such time as any such property or assets ceases to constitute Excluded Assets): (A) motor vehicles the perfection of a security interest in which is excluded from the Uniform Commercial Code in the relevant jurisdiction, (B) Excluded Equity Interests, (C) any lease, license or other agreement to the extent that a grant of a security interest therein would violate or invalidate such lease, license or agreement or create a right of termination in favor of any other party thereto (other than the Borrower or Grantor) after giving effect to the applicable anti-assignment provisions of the UCC, (D) any properties and assets with respect to which the Collateral Agent determines in its good faith judgment that the costs or other consequences of granting or perfecting a security interest therein are excessive in view of the benefits to be obtained by the Secured Parties, (E) any United States intent-to-use Trademark applications to the extent that, and solely during the period in which, the grant of a security interest therein would impair the validity or enforceability of such intent-to-use Trademark applications under applicable federal law, (F) any real property (which shall, notwithstanding anything herein to the contrary, be subject to the requirements of Section 5.11(c) and 5.13(a) of the Credit Agreement), (G) any letter of credit rights to the extent any Grantor is required by applicable law to apply the proceeds of a drawing of such letter of credit for a specified purpose, (H) any governmental licenses or state or local franchises, charters and authorizations, to the extent security interests in such licenses, franchises, charters or authorizations are prohibited or restricted thereby

after giving effect to the applicable anti-assignment provisions of the Uniform Commercial Code, (I) any property to the extent that the grant of a security interest therein is prohibited by any applicable law or regulation, requires a consent not obtained of any Governmental Authority pursuant to any applicable law or regulation, or is prohibited by, or would constitute a breach or default under or would result in the termination, invalidation or abandonment of or requires any consent not obtained under, any contract, license, agreement, instrument or other document evidencing or giving rise to such property or, in the case of any Investment Property, any applicable shareholder or similar agreement and (J) the Excluded Accounts (the foregoing, collectively, the “ **Excluded Assets**”), *provided* that the foregoing limitation in clause (I) shall not affect, limit, restrict or impair the grant by a Grantor of a security interest pursuant to this Agreement in any asset or right to the extent that Sections 9-406 and 9-408 of the Uniform Commercial Code as in effect on the date hereof would permit (and excuse any default or violation resulting therefrom) the creation of a security interest in such asset or right notwithstanding such law or regulation or the provision of such contract, license, agreement, instrument or shareholder or similar agreement prohibiting the creation of a security interest therein or shall render such provision unenforceable. Each Grantor shall upon request of the Collateral Agent use commercially reasonable efforts to obtain any such required consent that is reasonably obtainable, it being understood and agreed that no Grantor shall be required to obtain any such consent if the Borrower reasonably determines in its good faith judgment that the costs of obtaining such consent are excessive in view of the benefits to be obtained by the Secured Parties thereby.

(b) With respect to each right to payment or performance included in the Collateral from time to time, the Transaction Lien granted therein includes a continuing security interest in (i) any Supporting Obligation that supports such payment or performance and (ii) any Lien that (x) secures such right to payment or performance or (y) secures any such Supporting Obligation.

(c) The Transaction Liens are granted as security only and shall not subject the Collateral Agent or any other Secured Party to, or transfer or in any way affect or modify, any obligation or liability of any Grantor with respect to any of the Collateral or any transaction in connection therewith.

SECTION 4. *General Representations and Warranties.* Each Grantor represents and warrants that:

(a) Such Grantor (a) is duly organized or formed, as the case may be, validly existing and in good standing under the laws of the jurisdiction of its organization or formation, (b) has the requisite power and authority to own and operate its properties, to lease the properties it operates as lessee and to conduct the business in which it is currently engaged as it is currently conducted, (c) is duly qualified as a foreign corporation and in good standing under the laws of

each jurisdiction where its ownership, lease or operation of properties or the conduct of its business requires such qualification except to the extent that the failure to so qualify could not, in the aggregate, reasonably be expected to have a Material Adverse Effect and (d) is in compliance with all applicable laws, rules and regulations, except to the extent that the failure to comply therewith could not, in the aggregate, reasonably be expected to have a Material Adverse Effect.

(b) With respect to each Original Grantor, Schedule 1 lists all Equity Interests in Subsidiaries and Affiliates of such Grantor owned by such Grantor as of the Closing Date. Such Grantor holds all such Equity Interests directly (*i.e.*, not through a Subsidiary, a Securities Intermediary or any other Person).

(c) With respect to each Original Grantor, Schedule 2 lists, as of the Closing Date, (i) all Securities owned by such Grantor (except for Excluded Equity Interests and Securities evidencing Equity Interests in Subsidiaries and Affiliates of such Grantor) and (ii) all Securities Accounts (other than any one or more Securities Accounts comprising Financial Assets of less than \$250,000 in the aggregate) to which Financial Assets are credited in respect of which such Grantor owns Security Entitlements.

(d) As of the Closing Date, such Grantor owns no Commodity Account in respect of which such Grantor is the Commodity Customer.

(e) All Pledged Equity Interests owned by such Grantor are owned by it free and clear of any Lien other than (i) Permitted Collateral Liens, (ii) any Liens permitted by the ABL Facility and any other Permitted First Lien Debt and (iii) any liens imposed by law. All shares of capital stock included in such Pledged Equity Interests (including shares of capital stock in respect of which such Grantor owns a Security Entitlement) have been duly authorized and validly issued and are fully paid and non-assessable. None of such Pledged Equity Interests is subject to any option to purchase or similar right of any Person.

(f) Such Grantor has good and marketable title to all its Collateral (subject to exceptions that are, in the aggregate, not material), free and clear of any Lien other than Permitted Collateral Liens.

(g) Such Grantor has not performed any acts that are reasonably likely to prevent the Collateral Agent from enforcing any of the provisions of the Security Documents or that would limit the Collateral Agent in any such enforcement. No financing statement, security agreement, mortgage or similar or equivalent document or instrument covering all or part of the Collateral owned by such Grantor is on file or of record in any jurisdiction in which such filing or recording would be effective to perfect or record a Lien on such Collateral, except financing statements, mortgages or other similar or equivalent documents with respect to Permitted Collateral Liens. After the Closing Date, no Collateral owned by such Grantor will be in the possession or under the Control of any other Person having a claim thereto or security interest therein, other than a Permitted Collateral Lien.

(h) The Transaction Liens on all Collateral owned by such Grantor (i) have been validly created, (ii) will attach to each item of such Collateral on the Closing Date (or, if such Grantor first obtains rights thereto on a later date, on such later date) and (iii) when so attached, will secure all the Obligations, including the Obligations under its Secured Guarantee, as the case may be.

(i) Such Grantor has delivered a Perfection Certificate to the Collateral Agent. With respect to each Original Grantor, information set forth therein is correct and complete, in all material respects, as of the Closing Date.

(j) When UCC financing statements describing the Collateral as “all assets” or “all personal property now existing or hereinafter acquired” or other words to that effect have been filed in the offices specified in such Perfection Certificate, the Transaction Liens will constitute perfected security interests in the Collateral owned by such Grantor to the extent that a security interest therein may be perfected by filing pursuant to the UCC, prior to all Liens and rights of others therein except Permitted Collateral Liens. When, in addition to the filing of such UCC financing statements, the applicable Intellectual Property Filings have been made with respect to such Grantor’s Recordable Intellectual Property (including any future filings required pursuant to Sections 5(a) and 6(a)), the Transaction Liens will constitute perfected security interests in all right, title and interest of such Grantor in its Recordable Intellectual Property to the extent that security interests therein may be perfected by such filings, prior to all Liens and rights of others therein except Permitted Collateral Liens. Except for (x) the filing of such UCC financing statements, (y) such Intellectual Property Filings, and (z) additional Intellectual Property Filings that may be necessary to perfect the Transaction Liens with respect to such Grantor’s Patents, Trademarks and Copyrights that do not constitute Recordable Intellectual Property, no registration, recordation or filing with any governmental body, agency or official is required in connection with the execution or delivery of the Security Documents or is necessary for the validity or enforceability thereof or for the perfection (other than in respect of deposit accounts) or due recordation of the Transaction Liens or for the enforcement of the Transaction Liens. Notwithstanding anything herein to the contrary, no Grantor shall take any action to perfect any security interest in any part of the Collateral under the laws of any jurisdiction outside of the United States of America.

(k) Such Grantor has taken, and will continue to take, all actions necessary under the UCC to perfect its interest in any Accounts or Chattel Paper purchased or otherwise acquired by it, as against its assignors and creditors of its assignors, except with respect to actions not required to be taken until a specified period after the Closing Date.

SECTION 5. *Further Assurances; General Covenants*. Each Grantor covenants as follows:

(a) Such Grantor will, from time to time, at the Borrower's expense, execute, deliver, file and record any reasonable statement, assignment, instrument, document, agreement or other paper and take any other action (including any Intellectual Property Filing but solely with respect to Recordable Intellectual Property) that from time to time may be necessary, or that the Collateral Agent may reasonably request, in order to:

(i) create, preserve, perfect, confirm or validate the Transaction Liens on such Grantor's Collateral;

(ii) in the case of (a) Pledged Deposit Accounts (other than Exempt Accounts), Pledged Investment Property or Pledged Securities Accounts (other than Exempt Accounts) and (b) upon the occurrence and during the continuance of an Event of Default, Pledged Letter-of-Credit Rights, cause the Collateral Agent to have Control thereof (subject to exclusions expressly set forth therein and in the Credit Agreement);

(iii) enable the Collateral Agent and the other Secured Parties to obtain the full benefits of the Security Documents; or

(iv) enable the Collateral Agent to exercise and enforce any of its rights, powers and remedies with respect to any of such Grantor's Collateral.

Such Grantor authorizes the Collateral Agent to execute and file such financing statements or continuation statements in such jurisdictions with such descriptions of collateral (including "all assets" or "all personal property now existing or hereinafter acquired" or other words to that effect) and other information set forth therein as the Collateral Agent may deem necessary or desirable for the purposes set forth in the preceding sentence. Each Grantor also ratifies its authorization for the Collateral Agent to file in any such jurisdiction any initial financing statements or amendments thereto if filed prior to the date hereof. The Collateral Agent is further authorized to file with the United States Patent and Trademark Office or United States Copyright Office (or any successor office) such documents as may be necessary or advisable for the purpose of perfecting, confirming, continuing, enforcing or protecting the security interests granted by each Grantor, without the signature of any Grantor, and naming any Grantor or the Grantors as debtors and the Collateral Agent as secured party. The Borrower will pay the costs of, or reasonably incidental to, any Intellectual Property Filings and any recording or filing of any financing or continuation statements or other documents recorded or filed pursuant hereto.

(b) Such Grantor shall furnish to the Collateral Agent 10 Business Days (or such shorter period as Collateral Agent may agree) prior written notice of any change (1) in its name, (2) in its jurisdiction of organization or formation, (3) in its identity or corporate structure or (4) in its federal taxpayer identification number. Such Grantor agrees not to effect or permit any change referred to in the preceding sentence unless all filings have been made under the Uniform Commercial Code or otherwise that are required in order for the Collateral Agent to continue at all times following such change to have a valid, legal and perfected security interest in all the Collateral under the Loan Documents.

(c) If any of its Collateral is in the possession or control of a warehouseman, bailee or agent at any time, when an Event of Default shall have occurred and be continuing, such Grantor will, upon the request of the Collateral Agent: (i) notify such warehouseman, bailee or agent of the relevant Transaction Liens, (ii) instruct such warehouseman, bailee or agent to hold all such Collateral for the Collateral Agent's account subject to the Collateral Agent's instructions (which shall permit such Collateral to be removed by such Grantor in the ordinary course of business until the Collateral Agent notifies such warehouseman, bailee or agent that an Event of Default has occurred and is continuing), (iii) cause such warehouseman, bailee or agent to Authenticate a Record acknowledging that it holds possession of such Collateral for the Collateral Agent's benefit and (iv) make such Authenticated Record available to the Collateral Agent.

(d) Such Grantor will promptly upon request, provide to the Collateral Agent all information and evidence concerning such Grantor's Collateral that the Collateral Agent may reasonably request from time to time to enable it to enforce the provisions of the Security Documents.

(f) Except as permitted under the Credit Agreement, each Grantor shall defend its title to Collateral and the Collateral Agent's Liens therein against all Persons, claims and demands, except Permitted Collateral Liens.

SECTION 6. *Intellectual Property*. Each Grantor covenants as follows:

(a) On the Closing Date (in the case of an Original Grantor) or the date on which it signs and delivers its first Security Agreement Supplement (in the case of any other Grantor), such Grantor will sign and deliver to the Collateral Agent Intellectual Property Notices with respect to all Recordable Intellectual Property then owned by it; *provided* that the Original Grantors shall only be required to deliver Intellectual Property Notices with respect to Exclusive Copyright Licenses included in the Recordable Intellectual Property by the date specified for the delivery thereof in Schedule 5.14 to the Credit Agreement. Within 45 calendar days after the last day of each fiscal quarter thereafter, it will sign and deliver to the Collateral Agent an appropriate Intellectual Property Notice covering any Recordable Intellectual Property owned by it on the last day of such fiscal quarter that is not covered by any previous Intellectual Property

Notices so signed and delivered by it. In each case, it will, within 45 calendar days after the last day of each such fiscal quarter, make all Intellectual Property Filings necessary to record the Transaction Liens on such Recordable Intellectual Property.

(b) Such Grantor will notify the Collateral Agent within 45 days after the last day of the fiscal quarter in which it learns that any application or registration relating to any Intellectual Property owned by it may become abandoned, or of any adverse, final and non-appealable determination (including any final, non-appealable adverse determination in the United States Copyright Office, the United States Patent and Trademark Office or any court) regarding such Grantor's ownership of such Intellectual Property, its right to register or patent the same, or its right to keep and maintain the same, in each case of the foregoing, except to the extent that the loss of such Intellectual Property would not reasonably be expected to have a Material Adverse Effect. If any of such Grantor's rights to any Intellectual Property are materially infringed or misappropriated by a third party and such infringement or misappropriation would be reasonably expected to have a Material Adverse Effect, such Grantor will notify the Collateral Agent within 45 calendar days after it learns thereof and will, unless such Grantor shall reasonably determine that such action would be of negligible value, economic or otherwise, promptly take such actions as such Grantor shall reasonably deem appropriate under the circumstances to protect such Intellectual Property.

(c) Upon the occurrence and during the continuance of an Event of Default, each Grantor shall, upon the request of the Collateral Agent therefor, use its commercially reasonable efforts to obtain all requisite consents or approvals by the licensor of each Exclusive Copyright License and each material Copyright License, Patent License and Trademark License under which such Grantor is the licensee to effect the assignment of all such Grantor's right, title and interest thereunder to the Collateral Agent, for the ratable benefit of the Secured Parties, or its designee.

SECTION 7. *Investment Property.* Each Grantor represents, warrants and covenants as follows:

(a) *Certificated Securities.* On the Closing Date (in the case of an Original Grantor) or the date on which it signs and delivers its first Security Agreement Supplement (in the case of any other Grantor), such Grantor will deliver to the Collateral Agent as Collateral hereunder all certificates representing Pledged Certificated Securities then owned by such Grantor. Thereafter, whenever such Grantor acquires any other certificate representing a Pledged Certificated Security, such Grantor will promptly (and in any event within 10 Business Days) deliver such certificate to the Collateral Agent as Collateral hereunder. The provisions of this subsection are subject to the limitation in Section 7(j) in the case of voting Equity Interests in a Foreign Subsidiary.

(b) *Uncertificated Securities*. On the Closing Date (in the case of an Original Grantor) or the date on which it signs and delivers its first Security Agreement Supplement (in the case of any other Grantor), such Grantor will enter into (and cause the relevant issuer to enter into) an Issuer Control Agreement in respect of each Pledged Uncertificated Security then owned by such Grantor and deliver such Issuer Control Agreement to the Collateral Agent (which shall enter into the same). Thereafter, whenever such Grantor acquires any other Pledged Uncertificated Security, such Grantor will promptly (and in any event within 10 Business Days) enter into (and cause the relevant issuer to enter into) an Issuer Control Agreement in respect of such Pledged Uncertificated Security and deliver such Issuer Control Agreement to the Collateral Agent (which shall enter into the same). The provisions of this subsection are subject to the limitation in Section 7(j) in the case of voting Equity Interests in a Foreign Subsidiary.

(c) *Security Entitlements*. On the Closing Date (in the case of an Original Grantor) or the date on which it signs and delivers its first Security Agreement Supplement (in the case of any other Grantor), such Grantor will, with respect to each Security Entitlement then owned by it, enter into (and cause the relevant Securities Intermediary to enter into) a Securities Account Control Agreement in respect of such Security Entitlement and the Securities Account to which the underlying Financial Asset is credited and will deliver such Securities Account Control Agreement to the Collateral Agent (which shall enter into the same); *provided* that the Grantors have the right not to comply with this section with respect to Exempt Accounts (and Financial Assets credited thereto and related Security Entitlements). Thereafter, whenever such Grantor acquires any other Security Entitlement with respect to Financial Assets (other than a Financial Asset credited to an account that would be an Exempt Account immediately after such Financial Asset is so credited), promptly (and in any event within 10 Business Days) cause the underlying Financial Asset to be credited to a Controlled Securities Account.

(d) *Perfection as to Certificated Securities*. When such Grantor delivers the certificate representing any Pledged Certificated Security owned by it to the Collateral Agent and complies with Section 7(h) in connection with such delivery, (i) the Transaction Lien on such Pledged Certificated Security will be perfected, subject to no prior Liens or rights of others (other than Permitted Collateral Liens), (ii) the Collateral Agent will have Control of such Pledged Certificated Security and (iii) assuming the Collateral Agent does not have notice of any adverse claim to such perfected Certificated Security (it being understood and agreed that as of the Closing Date, the Collateral Agent does not have notice of any adverse claim to such Pledged Certificated Security other than the ABL Administrative Agent's claim under the Security Documents (as defined in the ABL Credit Agreement)), the Collateral Agent will be a protected purchaser (within the meaning of UCC Section 8-303) thereof.

(e) *Perfection as to Uncertificated Securities*. When such Grantor, the Collateral Agent and the issuer of any Pledged Uncertificated Security owned by such Grantor enter into an Issuer Control Agreement with respect thereto, (i) the Transaction Lien on such Pledged Uncertificated Security will be perfected, subject to no prior Liens or rights of others (other than Permitted Collateral Liens), (ii) the Collateral Agent will have Control of such Pledged Uncertificated Security and (iii) assuming the Collateral Agent does not have notice of any adverse claim to such Pledged Uncertificated Security (it being understood and agreed that as of the Closing Date, the Collateral Agent does not have notice of any adverse claim to such Pledged Uncertificated Security other than the ABL Administrative Agent's claim under the Security Documents (as defined in the ABL Credit Agreement)), the Collateral Agent will be a protected purchaser (within the meaning of UCC Section 8-303) thereof.

(f) *Perfection as to Security Entitlements*. So long as the Financial Asset underlying any Security Entitlement owned by such Grantor is credited to a Controlled Securities Account, (i) the Transaction Lien on such Security Entitlement will be perfected, subject to no prior Liens or rights of others (except Liens and rights of the relevant Securities Intermediary that are Permitted Collateral Liens), (ii) the Collateral Agent will have Control of such Security Entitlement and (iii) assuming the Collateral Agent acquires its Security Entitlement with respect thereto without notice of any adverse claim thereto (it being understood and agreed that as of the Closing Date, the Collateral Agent does not have notice of any adverse claim to such Security Entitlement), no action based on an adverse claim to such Security Entitlement or such Financial Asset, whether framed in conversion, replevin, constructive trust, equitable lien or other theory, may be asserted against the Collateral Agent or any other Secured Party.

(g) *Agreement as to Applicable Jurisdiction*. In respect of all Security Entitlements owned by such Grantor, and all Pledged Securities Accounts to which the related Financial Assets are credited, the related Securities Account Control Agreement will provide that the Securities Intermediary's jurisdiction (determined as provided in UCC Section 8-110(e)) will at all times be located in the United States.

(h) *Delivery of Pledged Certificates*. All certificates representing Pledged Certificated Securities, when delivered to the Collateral Agent, will be in suitable form for transfer by delivery, or accompanied by duly executed instruments of transfer or assignment in blank, with signatures appropriately guaranteed, all in form and substance reasonably satisfactory to the Collateral Agent.

(i) *Communications*. Upon the reasonable request of the Collateral Agent, each Grantor will promptly give to the Collateral Agent copies of any notices and other communications received by it with respect to (i) Pledged Securities registered in the name of such Grantor or its nominee and (ii) Pledged

Security Entitlements as to which such Grantor is the Entitlement Holder; *provided* that, with respect to any such notice or other communication that could reasonably be expected to adversely affect the security interest of the Collateral Agent in such Pledged Securities or Pledged Securities Entitlements granted hereunder or the perfection thereof, the Collateral Agent shall be deemed to have made such request on the last day of each fiscal quarter of the Borrower.

(j) *Foreign Subsidiaries*. A Grantor will not be obligated to comply with the provisions of this Section at any time with respect to any voting Equity Interest in a Foreign Subsidiary if and to the extent (but only to the extent) that such voting Equity Interest is excluded from the Transaction Liens at such time pursuant to the definition of “Excluded Equity Interests” and/or the comparable provisions of one or more Security Agreement Supplements.

(k) *Certification of Limited Liability Company and Partnership Interests*. Any limited liability company and any partnership controlled by any Grantor shall either (a) not include in its operative documents any provision that any Equity Interests in such limited liability company or such partnership be a “security” as defined under Article 8 of the Uniform Commercial Code, or (b) certificate any Equity Interests in any such limited liability company or such partnership. To the extent an interest in any limited liability company or partnership controlled by any Grantor and pledged hereunder is certificated or becomes certificated, each such certificate shall be delivered to the Collateral Agent pursuant to Section 7(a) and such Grantor shall fulfill all other requirements under Section 7 applicable in respect thereof.

SECTION 8. *Deposit Accounts*. Each Grantor represents, warrants and covenants as follows:

(a) All cash owned by such Grantor shall be deposited, upon or promptly after receipt thereof, in one or more Controlled Deposit Accounts or an account that would be an Exempt Account immediately after such deposit.

(b) In respect of each Controlled Deposit Account, the related Deposit Account Control Agreement will provide that the Depository Bank’s jurisdiction (determined as provided in UCC Section 9-304) will at all times be a jurisdiction in which Article 9 of the Uniform Commercial Code is in effect.

(c) So long as the Collateral Agent has Control of a Controlled Deposit Account, the Transaction Lien on such Controlled Deposit Account will be perfected, subject to no prior Liens or rights of others (except (x) the Depository Bank’s right to deduct its normal operating charges and any uncollected funds previously credited thereto, (y) Permitted Collateral Liens and (z) as provided in the ABL Intercreditor Agreement).

(d) The Asset Sale Proceeds Pledge Account shall be a Controlled Deposit Account and in no event shall any proceeds of ABL Priority Collateral (as defined in the ABL Intercreditor Agreement) be deposited in the Asset Sale Proceeds Pledged Account.

SECTION 9. *Commercial Tort Claims.* Each Grantor represents, warrants and covenants as follows:

(a) In the case of an Original Grantor, Schedule 3 accurately describes, with the specificity required to satisfy Official Comment 5 to UCC Section 9-108, each Material Commercial Tort Claim with respect to which such Original Grantor is the claimant as of the Closing Date. In the case of any other Grantor, Schedule 3 to its first Security Agreement Supplement will accurately describe, with the specificity required to satisfy said Official Comment 5, each Material Commercial Tort Claim with respect to which such Grantor is the claimant as of the date on which it signs and delivers such Security Agreement Supplement.

(b) If any Grantor acquires a Material Commercial Tort Claim after the Closing Date (in the case of an Original Grantor) or the date on which it signs and delivers its first Security Agreement Supplement (in the case of any other Grantor), such Grantor will promptly (and in any event within 10 Business Days) sign and deliver to the Collateral Agent a Security Agreement Supplement granting a security interest in such Commercial Tort Claim (which shall be described therein with the specificity required to satisfy said Official Comment 5) to the Collateral Agent for the benefit of the Secured Parties.

SECTION 10. *Transfer of Record Ownership.* At any time when an Event of Default shall have occurred and be continuing, the Collateral Agent may (and to the extent that action by it is required, the relevant Grantor, if directed to do so by the Collateral Agent, will as promptly as practicable) cause each of the Pledged Securities (or any portion thereof specified in such direction) to be transferred of record into the name of the Collateral Agent or its nominee. Each Grantor will take any and all actions reasonably requested by the Collateral Agent to facilitate compliance with this Section. If the provisions of this Section are implemented, Section 7(b) shall not thereafter apply to any Pledged Security that is registered in the name of the Collateral Agent or its nominee. The Collateral Agent will promptly give to the relevant Grantor copies of any notices and other communications received by the Collateral Agent with respect to Pledged Securities registered in the name of the Collateral Agent or its nominee.

SECTION 11. *Right to Vote Securities; Right to Proceeds of Insurance.* (a) Unless an Event of Default shall have occurred and be continuing, each Grantor shall have the right, from time to time, to vote and to give consents, ratifications and waivers with respect to any Pledged Security owned by it and the Financial Asset underlying any Pledged Security Entitlement owned by it, and the Collateral Agent will, upon receiving a written request from such Grantor, deliver

to such Grantor or as specified in such request such proxies, powers of attorney, consents, ratifications and waivers in respect of any such Pledged Security that is registered in the name of the Collateral Agent or its nominee or any such Pledged Security Entitlement as to which the Collateral Agent or its nominee is the Entitlement Holder, in each case as shall be specified in such request and be in form and substance satisfactory to the Collateral Agent.

(b) If an Event of Default shall have occurred and be continuing, upon written notice thereof to the Borrower, the Collateral Agent shall have the exclusive right to the extent permitted by law to vote, to give consents, ratifications and waivers and to take any other action with respect to the Pledged Investment Property, the other Pledged Equity Interests and the Financial Assets underlying the Pledged Security Entitlements, with the same force and effect as if the Collateral Agent were the absolute and sole owner thereof, and each Grantor shall take all such action as the Collateral Agent may reasonably request from time to time to give effect to such right.

(c) Upon the receipt by Collateral Agent of a request from a Grantor that the Agent (i) turn over the proceeds of any policy of insurance of such Grantor on which the Agent is named as a loss payee or (ii) provide written instructions to the related insurer directing the insurer to pay the proceeds thereof directly to such Grantor or its designee, Collateral Agent shall promptly (and in any event within two Business Days) turn over such proceeds or provide such written instructions in accordance with the request of such Grantor, unless and to the extent (x) such proceeds are required to be applied to the repayment of the Obligations under the Credit Agreement at such time or (y) an Event of Default shall have occurred and be continuing.

SECTION 12. *Certain Cash Distributions*. Cash Distributions with respect to assets held in a Collateral Account shall be deposited and held therein, or withdrawn therefrom, as provided herein and in the Credit Agreement. Funds held in any Collateral Account may, until withdrawn, be invested and reinvested in such Permitted Investments as the relevant Grantor shall request from time to time; *provided* that if an Event of Default shall have occurred and be continuing, the Collateral Agent may select such Permitted Investments.

SECTION 13. *Remedies upon Event of Default*. (a) If an Event of Default shall have occurred and be continuing, the Collateral Agent may exercise (or cause its sub-agents to exercise) any or all of the remedies available to it (or to such sub-agents) under the Loan Documents.

(b) Without limiting the generality of the foregoing, if an Event of Default shall have occurred and be continuing, the Collateral Agent may exercise on behalf of the Secured Parties all the rights of a secured party under the UCC (whether or not in effect in the jurisdiction where such rights are exercised) with respect to any Collateral and, in addition, the Collateral Agent may, without being

required to give any notice, except as herein provided or as may be required by mandatory provisions of law, sell or otherwise dispose of the Collateral or any part thereof in one or more parcels at public or private sale, at any exchange, broker's board or at any of the Collateral Agent's offices or elsewhere, for cash, on credit or for future delivery, at such time or times and at such price or prices and upon such other terms as the Collateral Agent may deem commercially reasonable, irrespective of the impact of any such sales on the market price of the Collateral. To the maximum extent permitted by applicable law, any Secured Party may be the purchaser of any or all of the Collateral at any such sale and the Collateral Agent (as administrative agent for and representative of the Secured Parties), for the purpose of bidding and making settlement or payment of the purchase price for all or any portion of the Collateral sold at any such public sale, shall be entitled to use and apply all of any part of the Obligations as a credit on account of the purchase price of any Collateral payable at such sale. Upon any sale of Collateral by the Collateral Agent (including pursuant to a power of sale granted by statute or under a judicial proceeding), the receipt of the Collateral Agent or of the officer making the sale shall be a sufficient discharge to the purchaser or purchasers of the Collateral so sold and such purchaser or purchasers shall not be obligated to see to the application of any part of the purchase money paid to the Collateral Agent or such officer or be answerable in any way for the misapplication thereof. Each purchaser at any such sale shall hold the property sold absolutely free from any claim or right on the part of any Grantor, and each Grantor hereby waives (to the extent permitted by law) all rights of redemption, stay or appraisal that it now has or may at any time in the future have under any rule of law or statute now existing or hereafter enacted. The Collateral Agent shall not be obliged to make any sale of Collateral regardless of notice of sale having been given. The Collateral Agent may adjourn any public or private sale from time to time by announcement at the time and place fixed therefor, and such sale may, without further notice, be made at the time and place to which it was so adjourned. To the maximum extent permitted by law, each Grantor hereby waives any claim against any Secured Party arising because the price at which any Collateral may have been sold at such a private sale was less than the price that might have been obtained at a public sale, even if the Collateral Agent accepts the first offer received and does not offer such Collateral to more than one offeree. The Collateral Agent may disclaim any warranty, as to title or as to any other matter, in connection with such sale or other disposition, and its doing so shall not be considered adversely to affect the commercial reasonableness of such sale or other disposition.

(c) If the Collateral Agent sells any of the Collateral upon credit, the Grantors will be credited only with payment actually made by the purchaser, received by the Collateral Agent and applied in accordance with Section 14 hereof. In the event the purchaser fails to pay for the Collateral, the Collateral Agent may resell the same, subject to the same rights and duties set forth herein.

(d) Notice of any such sale or other disposition shall be given as required by applicable law, rule or regulation. Each Grantor hereby agrees that 10 days' written notice of any proposed sale or other disposition of Collateral by the Collateral Agent shall be reasonable.

(e) For the purpose of enabling the Collateral Agent to exercise rights and remedies under this Agreement at such time as the Collateral Agent shall be lawfully entitled to exercise such rights and remedies, each Grantor hereby grants to the Collateral Agent a license (exercisable without payment of royalty or other compensation to the Grantors and subject to any prior rights granted by such Grantor to third parties), to use, license or sublicense any of the Collateral consisting of Intellectual Property now owned or hereafter acquired by such Grantor, and including in such license access to all media in which any of the licensed items may be recorded or stored and to all computer software and programs (solely to the extent permitted by the relevant licenses therefor) used for the compilation or printout thereof; *provided, however*, that any trademarks or service marks licensed pursuant to the foregoing may be used only in connection with goods and services of similar type and similar or greater quality than those theretofore sold by such Grantor under such trademark or service mark. The use of such license by the Collateral Agent may be exercised only upon the occurrence and during the continuation of an Event of Default; *provided, however*, that any license or sublicense entered into by the Collateral Agent in accordance herewith shall be binding upon each Grantor notwithstanding any subsequent cure of an Event of Default.

SECTION 14. *Application of Proceeds*. (a) If an Event of Default shall have occurred and be continuing, the Collateral Agent may apply (i) any cash held in the Collateral Accounts and (ii) the proceeds of any sale or other disposition of all or any part of the Collateral to the Obligations, which application shall be made by the Collateral Agent (as administrative agent for the Secured Parties) in the following order (subject to the terms of the ABL Intercreditor Agreement):

First, to payment of that portion of the Obligations constituting fees, indemnities, expenses and other amounts (other than principal and interest, but including all reasonable fees, disbursements and other charges of counsel under Section 9.05 of the Credit Agreement and amounts payable under Sections 2.14 through 2.21 of the Credit Agreement) payable to the Administrative Agent or the Collateral Agent in its capacity as such;

Second, to payment of that portion of the Obligations constituting fees, indemnities and other amounts (other than principal and interest) payable to the Lenders (including all reasonable fees, disbursements and other charges of counsel under Section 9.05 of the Credit Agreement and amounts payable under Sections 2.14 through 2.21 of the Credit Agreement), ratably among them in proportion to the amounts described in this clause Second payable to them;

Third, to payment of that portion of the Obligations constituting accrued and unpaid interest on, and unpaid principal of, the Term Loans, the Obligations under Secured Hedge Agreements and the Obligations under Secured Cash Management Obligations, ratably among the Secured Parties in proportion to the respective amounts described in this clause Third held by them;

Fourth, to the payment of all other Obligations of the Loan Parties that are due and payable to the Administrative Agent, the Collateral Agent and the other Secured Parties on such date, ratably based upon the respective aggregate amounts of all such Obligations owing to the Administrative Agent, the Collateral Agent and the other Secured Parties on such date; and

Last, the balance, if any, after all of the Obligations have been paid in full, to the Borrower or as otherwise required by applicable law, rule or regulation.

(b) If at any time any portion of any monies collected or received by the Collateral Agent would, but for the provisions of this Section 14(b), be payable pursuant to Section 14(a) in respect of a Contingent Obligation, the Collateral Agent shall not apply any monies to pay such Contingent Obligation but instead shall request the holder thereof, at least 10 days before each proposed distribution hereunder, to notify the Collateral Agent as to the maximum amount of such Contingent Obligation if then ascertainable (*e.g.*, in the case of a letter of credit, the maximum amount available for subsequent drawings thereunder). If the holder of such Contingent Obligation does not notify the Collateral Agent of the maximum ascertainable amount thereof at least two Business Days before such distribution, such holder will not be entitled to share in such distribution. If such holder does so notify the Collateral Agent as to the maximum ascertainable amount thereof, the Collateral Agent will allocate to such holder a portion of the monies to be distributed in such distribution, calculated as if such Contingent Obligation were outstanding in such maximum ascertainable amount. However, the Collateral Agent will not apply such portion of such monies to pay such Contingent Obligation, but instead will hold such monies or invest such monies in Permitted Investments. All such monies and Permitted Investments and all proceeds thereof will constitute Collateral hereunder, but will be subject to distribution in accordance with this Section 14(b) rather than Section 14(a). The Collateral Agent will hold all such monies and Permitted Investments and the net proceeds thereof in trust until all or part of such Contingent Obligation becomes a Non-Contingent Obligation, whereupon the Collateral Agent at the request of the relevant Secured Party will apply the amount so held in trust to pay such Non-Contingent Obligation; *provided* that, if the other Secured Obligations theretofore paid pursuant to the same clause of Section 14(a) (*i.e.*, clause *second*

or *third*) were not paid in full, the Collateral Agent will apply the amount so held in trust to pay the same percentage of such Non-Contingent Obligation as the percentage of such other Secured Obligations theretofore paid pursuant to the same clause of Section 14(a). If (i) the holder of such Contingent Obligation shall advise the Collateral Agent that no portion thereof remains in the category of a Contingent Obligation and (ii) the Collateral Agent still holds any amount held in trust pursuant to this Section 14(b) in respect of such Contingent Obligation (after paying all amounts payable pursuant to the preceding sentence with respect to any portions thereof that became Non-Contingent Obligations), such remaining amount will be applied by the Collateral Agent in the order of priorities set forth in Section 14(a).

(c) In making the payments and allocations required by this Section, the Collateral Agent may rely upon information supplied to it pursuant to Section 18(c). All distributions made by the Collateral Agent pursuant to this Section shall be final (except in the event of manifest error) and the Collateral Agent shall have no duty to inquire as to the application by any Secured Party of any amount distributed to it.

SECTION 15. *Fees and Expenses; Indemnification.* (a) All expenses of protecting, storing, warehousing, insuring, handling, maintaining and shipping any Collateral, all Taxes payable with respect to any Collateral (including any sale thereof), and all other payments required to be made by Collateral Agent to any Person to realize upon any Collateral, shall be borne and paid by the Grantors. The Borrower will forthwith upon demand pay to the Collateral Agent:

(i) the amount of any taxes that the Collateral Agent may have been required to pay by reason of the Transaction Liens or to free any Collateral from any other Lien thereon;

(ii) the amount of any reasonable and documented out-of-pocket costs and expenses incurred in connection with the development, preparation, execution and administration of, and any amendment, supplement or modification to, this Agreement and the other Loan Documents and any other documents prepared in connection herewith or therewith, and the consummation and administration of the Transactions, including, without limitation, the reasonable fees, charges and disbursements of a single counsel to the Collateral Agent and Lenders (which shall be selected by the Collateral Agent) and, if applicable, one special or local counsel in each applicable jurisdiction, as appropriate and, in the case of a conflict of interest, Secured Parties may engage and be reimbursed for additional counsel; and

(iii) the amount required to pay or reimburse each Secured Party and the Collateral Agent for all its reasonable costs and expenses incurred in connection with the enforcement of any rights under this

Agreement, the other Loan Documents and any such other documents, including, without limitation, the fees and disbursements of one counsel selected by the Collateral Agent and, at any time after and during the continuance of an Event of Default, of one counsel to the Lenders and, if applicable, special or local counsel in each applicable jurisdiction, as appropriate, and, in the case of a conflict of interest, Secured Parties may engage and be reimbursed for additional counsel, as appropriate.

Any such amount not paid to the Collateral Agent on demand will bear interest for each day thereafter until paid at the rate provided for in Section 2.07 of the Credit Agreement.

(b) If any transfer tax, documentary stamp tax or other tax is payable in connection with any transfer or other transaction provided for in the Security Documents, the Borrower will pay such tax and provide any required tax stamps to the Collateral Agent or as otherwise required by law.

(c) The Borrower shall indemnify each of the Secured Parties, their respective affiliates and the respective directors, officers, agents and employees of the foregoing (each an “**Indemnitee**”) in accordance with Section 9.05 of the Credit Agreement.

SECTION 16. Authority to Administer Collateral. Each Grantor irrevocably appoints the Collateral Agent (and all Persons designated by the Collateral Agent) as its true and lawful attorney (and agent in fact), with full power of substitution, in its name or in the name of such Grantor, any Secured Party or otherwise, for the sole use and benefit of the Secured Parties, but at the Borrower’s sole cost and expense, to the extent permitted by law and without notice, to exercise, at any time and from time to time, all or any of the following powers with respect to all or any of such Grantor’s Collateral:

(i) endorse a Grantor’s name on any proceeds of Collateral (including proceeds of insurance) that come into the Collateral Agent’s possession or control; or

(ii) during the continuance of any Event of Default:

(A) notify any Account Debtors of the assignment of their Accounts, demand and enforce payment of Accounts by legal proceedings or otherwise, and generally exercise any rights and remedies with respect to Accounts;

(B) demand, sue for, collect, receive and give acquittance for any and all monies due or to become due upon or by virtue thereof,

(C) settle, adjust, modify, compromise, compound, discharge, release, prosecute or defend any Accounts or other Collateral or any action or proceeding with respect thereto,

(D) collect, liquidate and receive balances in Pledged Deposit Accounts or Pledged Securities Accounts, and take control, in any manner, of proceeds of Collateral;

(E) prepare, file and sign a Grantor's name to a proof of claim or other document in a bankruptcy of an Account Debtor, or to any notice, assignment or satisfaction of Lien or similar document;

(F) receive, open and dispose of mail addressed to a Grantor, and notify postal authorities to deliver any such mail to an address designated by the Collateral Agent;

(G) endorse any Chattel Paper, Document, Instrument, bill of lading, or other document or agreement relating to any Accounts, Inventory or other Collateral;

(H) use a Grantor's stationery and sign its name to verifications of Accounts and notices to Account Debtors;

(I) use information contained in any data processing, electronic or information systems relating to Collateral;

(J) make and adjust claims under insurance policies;

(K) take any action as may be necessary or appropriate to obtain payment under any letter of credit, banker's acceptance or other instrument for which a Grantor is a beneficiary;

(L) sell, lease, license or otherwise dispose of the same or the proceeds or avails thereof, as fully and effectually as if the Collateral Agent were the absolute owner thereof,

(M) extend the time of payment of any or all thereof and to make any allowance or other adjustment with reference thereto; and

(N) take all other actions as the Collateral Agent deems appropriate to fulfill any Grantor's obligations under the Loan Documents.

SECTION 17. *Limitation on Duty in Respect of Collateral.* Beyond the exercise of reasonable care in the custody and preservation thereof, the Collateral

Agent will have no duty as to any Collateral in its possession or control or in the possession or control of any sub-agent or bailee or any income therefrom or as to the preservation of rights against prior parties or any other rights pertaining thereto. The Collateral Agent will be deemed to have exercised reasonable care in the custody and preservation of the Collateral in its possession or control if such Collateral is accorded treatment substantially equal to that which it accords its own property, and will not be liable or responsible for any loss or damage to any Collateral, or for any diminution in the value thereof, by reason of any act or omission of any sub-agent or bailee selected by the Collateral Agent in good faith, except to the extent that such liability arises from the Collateral Agent's gross negligence or willful misconduct.

SECTION 18. *General Provisions Concerning the Collateral Agent.*

(a) *The Collateral Agent.* The provisions of Article 8 of the Credit Agreement shall inure to the benefit of the Collateral Agent, and shall be binding upon all Grantors and all Secured Parties, in connection with this Agreement and the other Security Documents. Without limiting the generality of the foregoing, (i) the Collateral Agent shall not be subject to any fiduciary or other implied duties, regardless of whether an Event of Default has occurred and is continuing, (ii) the Collateral Agent shall not have any duty to take any discretionary action or exercise any discretionary powers, except discretionary rights and powers expressly contemplated by the Security Documents that the Collateral Agent is required in writing to exercise by the Required Lenders (or such other number or percentage of the Lenders as shall be necessary under the circumstances as provided in Section 9.07 of the Credit Agreement), and (iii) except as expressly set forth in the Loan Documents, the Collateral Agent shall not have any duty to disclose, and shall not be liable for any failure to disclose, any information relating to any Grantor that is communicated to or obtained by the bank serving as the Collateral Agent or any of its Affiliates in any capacity. The Collateral Agent shall not be responsible for the existence, genuineness or value of any Collateral or for the validity, perfection, priority or enforceability of any Transaction Lien, whether impaired by operation of law or by reason of any action or omission to act on its part under the Security Documents. The Collateral Agent shall not be liable for any action taken or not taken by it with the consent or at the request of the Required Lenders (or such other number or percentage of the Lenders as shall be necessary under the circumstances as provided in Section 9.07 of the Credit Agreement) or in the absence of its own gross negligence or willful misconduct. The Collateral Agent shall be deemed not to have knowledge of any Event of Default unless and until written notice thereof is given to the Collateral Agent by the Borrower or a Secured Party.

(b) *Sub-Agents and Related Parties.* The Collateral Agent may perform any and all its duties and exercise its rights and powers by or through any one or more employees and sub-agents appointed by the Collateral Agent. The Collateral Agent and any such sub-agent may perform any and all its duties and exercise its

rights and powers through their respective Related Parties. The Collateral Agent may consult with and employ Agent Professionals, and shall be entitled to act upon, and shall be fully protected in any action taken in good faith reliance upon, any advice given by an Agent Professional. The exculpatory provisions of Section 17 and this Section shall apply to any such sub-agent and to the Related Parties of the Collateral Agent and any such sub-agent, and shall apply to their respective activities in connection with the syndication of the credit facilities as well as activities of the Collateral Agent. The Collateral Agent shall not be responsible for the negligence or misconduct of any agents, employees or Agent Professionals selected by it with reasonable care.

(c) *Information as to Obligations and Actions by Secured Parties.* For all purposes of the Security Documents, including determining the amounts of the Obligations and whether an Obligation is a Contingent Obligation or not, or whether any action has been taken under any Secured Agreement, the Collateral Agent will be entitled to rely on information from (i) its own records for information as to the Credit Parties, their Obligations and actions taken by them, (ii) any Secured Party for information as to its Obligations and actions taken by it, to the extent that the Collateral Agent has not obtained such information from its own records, and (iii) the Borrower, to the extent that the Collateral Agent has not obtained information from the foregoing sources.

(d) *Refusal to Act.* The Collateral Agent may refuse to act on any notice, consent, direction or instruction from any Secured Parties or any agent, trustee or similar representative thereof that, in the Collateral Agent's opinion, (i) is contrary to law or the provisions of any Security Document, (ii) may expose the Collateral Agent to personal liability or (iii) is unduly prejudicial to Secured Parties not joining in such notice, consent, direction or instruction.

SECTION 19. *Termination of Transaction Liens; Release of Collateral.* (a) The Transaction Liens granted by each Guarantor shall terminate when its Secured Guarantee is released pursuant to Section 2(c).

(b) The Transaction Liens granted by the Borrower shall terminate when all the Release Conditions are satisfied.

(c) Notwithstanding the foregoing, the Transaction Liens with respect to property of the Borrower or any Guarantor securing the Obligations will be automatically released, in whole or in part, to the extent permitted in Section 9.21(c) of the Credit Agreement.

(d) Upon any termination of a Transaction Lien or release of Collateral, the Collateral Agent will, subject to the terms of Section 9.21(d) of the Credit Agreement, execute and deliver to such Grantor such documents as such Grantor shall reasonably request to evidence the termination of such Transaction Lien or the release of such Collateral, as the case may be, and will duly assign and

transfer to such Grantor any such Collateral that may be in the possession of the Collateral Agent and has not theretofore been sold or otherwise applied or released pursuant to this Agreement.

SECTION 20. *Additional Guarantors and Grantors*. Any Subsidiary may and to the extent required by Section 5.11(b) of the Credit Agreement, shall become a party hereto by signing and delivering to the Collateral Agent a Security Agreement Supplement, whereupon such Subsidiary shall become a “Guarantor” and a “Grantor” as defined herein.

SECTION 21. *Notices*. Each notice, request or other communication given to any party hereunder shall be given in accordance with subsection 9.01 of the Credit Agreement, and in the case of any such notice, request or other communication to a Grantor other than the Borrower, shall be given to it in care of the Borrower.

SECTION 22. *No Implied Waivers; Remedies Not Exclusive*. No failure to exercise and no delay in exercising, on the part of any party hereto, any right, remedy, power or privilege hereunder or under the other Loan Documents shall operate as a waiver thereof, nor shall any single or partial exercise of any right, remedy, power or privilege hereunder preclude any other or further exercise thereof or the exercise of any other right, remedy, power or privilege. Without limiting the generality of the foregoing, the making of the Loan shall not be construed as a waiver of any Default or Event of Default, regardless of whether the Collateral Agent or any Lender may have had notice or knowledge of such Default or Event of Default at the time. The rights, remedies, powers and privileges herein provided are cumulative and not exclusive of any rights, remedies, powers and privileges provided by law.

SECTION 23. *Successors and Assigns*. This Agreement is for the benefit of the Collateral Agent and the Secured Parties. If all or any part of any Secured Party’s interest in any Obligation is assigned or otherwise transferred, the transferor’s rights hereunder, to the extent applicable to the obligation so transferred, shall be automatically transferred with such obligation. This Agreement shall be binding on the Grantors and their respective successors and assigns.

SECTION 24. *Amendments and Waivers*. Neither this Agreement nor any provision hereof may be waived, amended, modified or terminated except pursuant to an agreement or agreements in writing entered into by the Collateral Agent, with the consent of such Lenders as are required to consent thereto under Section 9.07 of the Credit Agreement. No such waiver, amendment or modification shall (i) be binding upon any Grantor, except with its written consent, or (ii) affect the rights of a Secured Party (other than a Lender) hereunder more adversely than it affects the comparable rights of the Lenders hereunder, without the consent of such Secured Party.

SECTION 25. *Choice of Law.* This Agreement and any claims, controversy, dispute or cause of action (whether in contract or tort or otherwise) based upon, arising out of or relating to this Agreement and the Transactions shall be construed in accordance with and governed by the law of the State of New York, without giving effect to any conflict of law principles that result in the application of laws of another jurisdiction.

SECTION 26. *Waiver of Jury Trial.* EACH PARTY HERETO HEREBY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY IN ANY LEGAL PROCEEDING DIRECTLY OR INDIRECTLY ARISING OUT OF OR RELATING TO ANY SECURITY DOCUMENT OR THE TRANSACTIONS CONTEMPLATED THEREBY (WHETHER BASED ON CONTRACT, TORT OR ANY OTHER THEORY). EACH PARTY HERETO (A) CERTIFIES THAT NO REPRESENTATIVE, AGENT OR ATTORNEY OF ANY OTHER PARTY HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PARTY WOULD NOT, IN THE EVENT OF LITIGATION, SEEK TO ENFORCE THE FOREGOING WAIVER AND (B) ACKNOWLEDGES THAT IT AND THE OTHER PARTIES HERETO HAVE BEEN INDUCED TO ENTER INTO THIS AGREEMENT BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONS IN THIS SECTION.

SECTION 27. *Severability.* Any provision of any Security Document which is prohibited or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such prohibition or unenforceability without invalidating the remaining provisions hereof, and any such prohibition or unenforceability in any jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction.

SECTION 28. *ABL Intercreditor Agreement.* Notwithstanding anything herein to the contrary, the Liens and security interests granted to the Collateral Agent pursuant to this Agreement and the exercise of any right or remedy by the Collateral Agent hereunder, in each case, with respect to the Collateral are subject to the limitations and provisions of the ABL Intercreditor Agreement. In the event of any conflict between the terms of the ABL Intercreditor Agreement and the terms of this Agreement with respect to the Collateral, the terms of the ABL Intercreditor Agreement shall govern and control; *provided* that the ABL Intercreditor Agreement shall not be construed, by its terms, to modify any security interest granted pursuant to Section 3 hereof. To the extent that any “ABL Priority Collateral” (as defined in the ABL Intercreditor Agreement) is required pursuant to the terms of this Agreement to be delivered to the Collateral Agent, so long as the ABL Intercreditor Agreement is in effect, delivery of such ABL Priority Collateral (as defined in, and pursuant to the terms of, the ABL Intercreditor Agreement) to the ABL Administrative Agent shall be deemed to satisfy such requirement.

MATERIAL COMMERCIAL TORT CLAIMS

School Specialty, Inc. (“SSI”) v. RR Donnelley & Sons Company (“RRD”), U.S. Dist. Ct. E.D. Wis., Case No.1:12-CV-01034. SSI sued RRD for damages resulting from a deficient printing job. RRD counterclaimed against SSI for fraud in the inducement and breach of contract, claiming SSI concealed known problems with the inks RRD used for the printing job, and SSI breached its contract with RRD by cancelling purchase orders for additional work. RRD seeks damages in excess of \$500,000. Litigation counsel believes that this suit will yield a net payment to SSI.

WHEREAS, School Specialty, Inc. (the “**Borrower**”), the other Guarantors party thereto and Credit Suisse AG, as Collateral Agent are parties to a Guarantee and Collateral Agreement dated as of June 11, 2013 (as heretofore amended and/or supplemented, the “**Security Agreement**”) under which the Borrower secures all Obligations (as defined therein) and the Guarantors guarantee the Obligations and secure their respective guarantees thereof;

(b) With respect to each right to payment or performance included in the Collateral from time to time, the Transaction Lien granted therein includes a continuing security interest in (i) any Supporting Obligation that supports such payment or performance and (ii) any Lien that (x) secures such right to payment or performance or (y) secures any such Supporting Obligation.

(c) The foregoing Transaction Liens are granted as security only and shall not subject the Collateral Agent or any other Secured Party to, or transfer or in any way affect or modify, any obligation or liability of the Grantor with respect to any of the New Collateral or any transaction in connection therewith.

3. *Delivery of Collateral.* Concurrently with delivering this Security Agreement Supplement to the Collateral Agent, the Grantor is complying with the provisions of Section 7 of the Security Agreement with respect to Investment Property, in each case if and to the extent included in the New Collateral at such time.

(b) The Grantor has delivered a Perfection Certificate to the Collateral Agent. The information set forth therein is correct and complete as of the date hereof.

(c) The execution and delivery of this Security Agreement Supplement by the Grantor and the performance by it of its obligations under the Security Agreement as supplemented hereby are within its corporate or other powers, have been duly authorized by all necessary corporate or other action, require no action by or in respect of, or filing with, any governmental body, agency or official and do not contravene, or constitute a default under, any provision of applicable law or regulation or of its organizational documents, or of any agreement, judgment, injunction, order, decree or other instrument binding upon it or result in the creation or imposition of any Lien (except a Transaction Lien) on any of its assets.

(d) The Security Agreement as supplemented hereby constitutes a valid and binding agreement of the Grantor, enforceable in accordance with its terms, except as limited by (i) applicable bankruptcy, insolvency, fraudulent conveyance or other similar laws affecting creditors' rights generally and (ii) general principles of equity.

ISSUER CONTROL AGREEMENT dated as of _____, among _____ (the “**Grantor**”), CREDIT SUISSE AG, as Collateral Agent under the Guarantee and Collateral Agreement, dated as of June 11, 2013, among the Grantor, CREDIT SUISSE AG and the other parties thereto (as amended, restated, supplemented or otherwise modified from time to time, the “**First Lien Security Agreement**”) (in such capacity, the “**First Lien Agent**”), BANK OF AMERICA, N.A., as Agent under the Guarantee and Collateral Agreement, dated as of June 11, 2013, among the Grantor, BANK OF AMERICA, N.A. and the other parties thereto (as amended, restated, supplemented or otherwise modified from time to time, the “**Second Lien Security Agreement**” and, together with the First Lien Security Agreement, the “**Security Agreements**”) (in such capacity, the “**Second Lien Agent**”, and together with the First Lien Agent, the “**Agents**”, and each, an “**Agent**”) and _____ (the “**Issuer**”). All references herein to the “**UCC**” refer to the Uniform Commercial Code as in effect from time to time in [Issuer’s jurisdiction of incorporation].

WITNESSETH:

WHEREAS, the Grantor is the registered holder of [specify Pledged Uncertificated Securities issued by the Issuer] issued by the Issuer (the “**Securities**”);

WHEREAS, pursuant to the Security Agreements, the Grantor has granted to the Agents a continuing security interest (the “**Transaction Lien**”) in all right, title and interest of the Grantor in, to and under the Securities, whether now existing or hereafter arising; and

WHEREAS, the parties hereto are entering into this Agreement in order to perfect the Transaction Lien on the Securities;

NOW, THEREFORE, the parties hereto agree as follows:

Section 1. *Nature of Securities.* The Issuer confirms that (i) the Securities are “uncertificated securities” (as defined in Section 8-102 of the UCC) and (ii) the Grantor is registered on the books of the Issuer as the registered holder of the Securities.

Section 2. *Instructions.* (i) The Issuer agrees to comply with any “instruction” (as defined in Section 8-102 of the UCC) originated by the Controlling Secured Party and relating to the Securities without further consent by the Grantor or any other person; provided that notwithstanding the foregoing provisions of this Section 2 or any provisions herein to the contrary, prior to the Issuer’s receipt of a Notice of Termination (defined below) from the First Lien Agent, the Issuer shall not comply with any such instructions from the Second Lien Agent unless such instructions are accompanied by a written approval thereof of the First Lien Agent. The Grantor consents to the foregoing agreement by the Issuer.

(ii) As used herein, the term “**Controlling Secured Party**” means the First Lien Agent until such time as the Issuer has received written notice, in substantially the form attached as Annex A hereto (a “**Notice of Termination**”), from the First Lien Agent stating in substance that henceforth the Second Lien Agent will be the Controlling Secured Party, and has had a reasonable time (not to exceed one (1) Business Day) to act thereon, at which time the Second Lien Agent will replace the First Lien Agent as the Controlling Secured Party for purposes of this Agreement and the First Lien Agent shall have no further rights (including, without limitation, ability to give instructions pursuant to Section 2(i)) or obligations under this Agreement, other than obligations which arose or which derive from events which occurred while the First Lien Agent was the Controlling Secured Party. Until the First Lien Agent has delivered a Notice of Termination, the Second Lien Agent irrevocably instructs the Issuer to adhere to the instructions of the First Lien Agent.

Section 3. *Conflicting Orders or Instructions.* Notwithstanding anything to the contrary contained herein, if at any time the Issuer shall receive conflicting orders or instructions from the Grantor and either Agent, the Issuer shall follow the orders or instructions of such Agent, not the Grantor.

Section 4. *Waiver of Lien; Waiver of Set-off.* The Issuer waives any security interest, lien or right of set-off that it may now have or hereafter acquire in or with respect to the Securities. The Issuer's obligations in respect of the Securities will not be subject to deduction, set-off or any other right in favor of any person other than the Agents.

Section 5. *Choice of Law.* This Agreement shall be governed by the laws of [Issuer's jurisdiction of incorporation].

Section 6. *Conflict with Other Agreements.* There is no agreement (except this Agreement) between the Issuer and the Grantor with respect to the Securities [except for [identify any other existing agreements] (the "**Existing Other Agreements**")]. In the event of any conflict between this Agreement (or any portion hereof) and any other agreement [(including any Existing Other Agreement)] between the Issuer and the Grantor with respect to the Securities, whether now existing or hereafter entered into, the terms of this Agreement shall prevail.

Section 7. *Amendments.* No amendment or modification of this Agreement or waiver of any right hereunder shall be binding on any party hereto unless it is in writing and is signed by all the parties hereto.

Section 8. *Notice of Adverse Claims.* Except for the claims and interests of the Agents and the Grantor in the Securities, the Issuer does not know of any claim to, or interest in, the Securities. If any person asserts any lien, encumbrance or adverse claim (including any writ, garnishment, judgment, attachment, execution or similar process) against the Securities, the Issuer will promptly notify the Secured Party and the Grantor thereof.

Section 9. *Maintenance of Securities.* In addition to, and not in lieu of, the obligation of the Issuer to honor instructions as agreed in Section 2 hereof, the Issuer agrees as follows:

(i) *Grantor Instructions; Notice of Exclusive Control.* So long as the Issuer has not received a Notice of Exclusive Control (as defined below), the Issuer may comply with instructions of the Grantor or any duly authorized agent of the Grantor in respect of the Securities. After the Issuer receives a written notice from the Controlling Secured Party that it is exercising exclusive control over the Securities (a “ **Notice of Exclusive Control**”), the Issuer will cease complying with instructions of the Grantor or any of its agents.²

(ii) *Non-Cash Dividends and Distributions.* The Issuer shall deliver to the Controlling Secured Party all non-cash dividends, interest and other non-cash distributions paid or made upon or with respect to the Securities.

(iii) *Voting Rights.* Until the Issuer receives a Notice of Exclusive Control, the Grantor shall be entitled to direct the Issuer with respect to voting the Securities.

(iv) *Statements and Confirmations.* The Issuer will promptly send copies of all statements and other correspondence concerning the Securities simultaneously to each of the Grantor and the Agents at their respective addresses specified in Section 12 hereof.

(v) *Tax Reporting.* All items of income, gain, expense and loss recognized in respect of the Securities shall be reported to the Internal Revenue Service and all state and local taxing authorities under the name and taxpayer identification number of the Grantor.

(i) This Agreement is a valid and binding agreement of the Issuer enforceable in accordance with its terms.

(ii) The Issuer has not entered into, and until the termination of this Agreement will not enter into, any agreement with any other person relating to the Securities pursuant to which it has agreed, or will agree, to comply with instructions (as defined in Section 8-102 of the UCC) of such person. The Issuer has not entered into any other agreement with the Grantor or either Agent to limit or condition the obligation of the Issuer to comply with instructions as agreed in Section 2 hereof.

Section 11. *Successors.* This Agreement shall be binding upon, and shall inure to the benefit of, the parties hereto and their respective successors and assigns.

Section 12. *Notices.* Each notice, request or other communication given to any party hereunder shall be in writing (which term includes facsimile or other electronic transmission)

Section 13. *Termination.* The rights and powers granted herein to the Agents (i) have been granted in order to perfect the Transaction Lien, (ii) are powers coupled with an interest and (iii) will not be affected by any bankruptcy of the Grantor or any lapse of time. The obligations of the Issuer to the First Lien Agent hereunder shall continue in effect until the security interest of the First Lien Agent in the Securities has been terminated pursuant to the terms of the First Lien Security Agreement and the First Lien Agent has notified the Issuer of such termination by delivering to the Issuer a Notice of Termination.
