MESSAGE TO OUR VALUED SHAREHOLDERS:

*The Board of Directors and Fidelity Bankers are very pleased to report that the Company ended the year with net income of **\$30.0 million**, an **increase of 25%** over **2021**, or **\$5.29 diluted earnings per share** of common stock.*

Strong growth in loans, deposits, and non-interest income produced exceptional shareholder value generated by the Fidelity Bankers' ongoing commitment to deliver an extraordinary banking experience and to create financial success for all key stakeholders.

Strong and Growing Results

A continued focus on the execution of the Bank's strategic plan for long-term, sustainable shareholder growth has resulted in record financial results. This has increased Fidelity Bank's already strong regulatory capital position and has made it possible to increase dividend payments to shareholders for eight consecutive years.

The acquisition of Landmark Bancorp, Inc. during the third quarter of 2021 generated the successful execution of key strategic initiatives and synergies, resulting in growth in the Company's earning assets and contributing to the growth in net interest income, which increased 17% from \$61.8 million for 2021 to \$72.3 million for 2022.

Fueling Community Prosperity

As a community bank, Fidelity Bank believes strongly in its purpose—contributing positively to the strength and vitality of the communities it serves. By making meaningful investments, the Bank is able to provide the time, talent, and treasure needed to fuel prosperity.

One of the strongest illustrations of this is the Bank's ability to help fulfill the dream of home ownership. In 2022, Fidelity Bank originated over \$165 million in residential mortgage loans, helping to put 590 families into their dream homes. Fidelity Bank remains the number one bank in mortgage lending in Northeastern Pennsylvania. Fidelity Bankers have fully embraced this purpose, consistently providing the knowledge, insight, and capital resources needed to help local businesses grow and to assist individuals and families to build financial security. Additionally, Fidelity Bank Wealth Management's team of bankers continues to expand, providing financial solutions to clients who want to both grow and preserve wealth. In 2022, assets under management increased 8.9% to over \$737 million.

To further help communities become sustainable, Fidelity Bankers are encouraged to take leadership roles in the communities served and are provided volunteer time off to serve the community and causes they are passionate about. In 2022, Fidelity Bankers contributed over 4,100 hours of volunteer time to organizations, working to build stronger, healthier communities.

Fidelity Bank's commitment to sustainability also includes over \$1.6 million in donations and sponsorships awarded to local non-profits and community groups in 2022 through

Fidelity Bank and the Fidelity D & D Charitable Foundation. These contributions are helping to support enriched educational experiences for children and youth as well as addressing food insecurity and other critical needs in local communities.

Expanding Fidelity Bank's Unique Client Experience

With the October opening of a state-of-the-art branch in downtown Bethlehem, PA, Fidelity Bank's unique client experience continues to expand in the Lehigh Valley, providing enhanced service to clients in the greater Bethlehem area.

The client experience will also continue to grow in the heart of downtown Scranton with the upcoming relocation of the Bank's headquarters to the historic Scranton Electric Building. Designed to house over 150 corporate bankers, this acquisition will not only restore one of the city's most architecturally significant buildings, it will also help energize the city with new life and revenue. As part of this transition, Fidelity Bank's flagship office at Dunmore Corners will be transformed into a state-of-the-art branch office, offering updated décor as well as a fresh new experience for both clients and borough residents. Boasting a specialty coffee shop, the renovated building will welcome Dunmore residents to gather and enjoy an unmatched banking experience as well as great coffee!

Anytime, Anywhere Omni-Channel Banking

To further enhance the client experience, the Bank continues to look to the future through a strategic plan that aligns its current delivery system, which focuses on being trusted financial advisors to clients, with an updated digital delivery model offering a seamless omni-channel approach. Launched in October, Fidelity Bank's new digital account opening platform allows both retail and business clients to open a myriad of deposit and lending products online. This quick and easy process puts banking in the hands of clients wherever and whenever they wish to bank. In addition, a new appointment setting tool allows clients and prospects to schedule meetings with the banker of their choice at the location of their choice, for a variety of needs. Also launched in 2022, Fidelity Bank's robust new website features a chat function with AI capabilities, shortening the time clients need to wait for answers to the most common questions.

As Fidelity Bank continues to meet clients' expectations, it will also continue making investments into the tools, technology and education needed to serve clients seamlessly and consistently both in branch and online.

Investing in Our Bankers

The Company remains committed to investing in the professional growth,

training, and education of the Fidelity Bankers – the Company’s most valued assets. Their ability to provide trusted financial advice and to build sustainable relationships with clients has differentiated the Fidelity Bank brand in every market it enters, and powered the Bank’s success.

To continue to expand their knowledge base, Bankers are provided the opportunity to pursue enrichment and position-specific courses that include certifications through Fidelity Bank University. In addition, educational assistance for college tuition is made available to those Bankers interested in pursuing college courses, and all Bankers are provided opportunities to attend industry seminars and webinars.

Poised for Continued Success
As the Federal Reserve continues to take steps to cool inflation, and as supply chain, staffing shortages, and the explosion of housing costs continue to impact the banking environment, Fidelity Bank’s regulatory capital and asset quality metrics remain strong.

As Fidelity Bank enters 2023, it is well positioned to continue creating shareholder value. Increases in loans, revenue, and net interest margin, combined with good expense management has resulted in meaningful earnings growth and increased shareholder dividends. In addition, a consistently disciplined approach to loan underwriting has led to strong overall asset quality. As of December 31, 2022, total past-due and non-performing loans as a percentage

of total loans maintained at 0.28% – near historical lows.

Management is confident that the Bank’s resolve to maintain strong asset quality metrics will continue to protect the Bank and its shareholders while producing results that surpass those of the Bank’s peer group.

The Fidelity Bank Board of Directors and Management understand the opportunities and challenges ahead and have positioned the Company to navigate effectively through the current global and regional economic climate. The Bank’s balance sheet remains very healthy, capital levels are well above regulatory requirements, and the Fidelity Bank brand stands tall within the marketplace. Every one of the 300 Fidelity Bankers is committed to moving

the Bank forward through their expertise and commitment to success. As the business of banking continues to evolve, one thing will remain constant – the Fidelity Bankers’ perfect effort toward building sustainable relationships with clients, shareholders, the community, and each other.

Sincerely,
Brian J. Cali
Brian J. Cali,
Chairman of the Board

you CHANGE LIVES

Since 1885, The Children's Home of Easton (CHE) has provided safe-haven to the most vulnerable members of the communities it serves—neglected and traumatized children who are unable to remain at home. Recently, the non-profit transferred its operating accounts to Fidelity Bank, and its wealth management account to Fidelity Bank Investments. “We switched to Fidelity Bank because they support us as if we were a Fortune 500,” says Anita Jo Paukovits, CHE Executive Director and President. “If I need someone, I get instant feedback from Fidelity. During the pandemic, they secured a PPP loan to help us cover unexpected expenses. They’ve helped us streamline our processes with new technologies. They make things easy, are always accessible, and they care about the community. They are truly an extension of the Children’s Home.”

“The Children’s Home of Easton helped me when there was no other support in my life. I recommend this program to any individual who is struggling.”

“Fidelity Bank has been wonderful to work with. They listen, they care about their clients, and they are extremely supportive.”

ELAINE PIVINSKI
FOUNDER AND OWNER
FRANKLIN HILL VINEYARDS

you CAN DREAM BIGGER

In 1975, Elaine Pivinski set roots in a 35-acre farm in Bangor, becoming among the first wine makers and owners in the state.

Today, Franklin Hill Vineyards offers 24 wines, sold and distributed to retail stores, restaurants, and hotels throughout Pennsylvania and New Jersey.

Recently, Fidelity Bank provided the winery a loan for the purchase of refrigerated tanks that allow for cool fermentation, preserving the grapes array of aromas and flavors. “The result is a better wine,” explains Elaine, proudly adding that the winery’s “Vidal Blanc” recently won gold at the Los Angeles Invitational, Wine and Spirits Challenge, while its signature wine and number one seller, “Sir Walter’s Red,” ranks among the top ten local wines sold at PLCB stores.

“We are very fortunate to have Fidelity Bank on our team,” says Elaine. During the pandemic, when the winery experienced a drop in sales because of COVID restrictions, Fidelity Bank immediately took action to help secure a PPP loan. “Fidelity did what other banks would not—or could not—do,” notes Elaine. “They cut through the red tape and in a matter of days our PPP loan came through—and it was a lifesaver.”

“We are always looking ahead,” adds Elaine, “and Fidelity Bank is right there with us, helping us make the right moves at the right time. They are truly a partner in our business.”

Fidelity Bankers are the heart of this organization.

It is their passion and knowledge that enriches every client experience and sustains the Bank's growth. To help Fidelity Bankers succeed, the Bank offers ample opportunities for professional growth, in addition to generous benefits and incentives.

Bankers interested in pursuing college courses can choose to receive educational assistance for tuition or pursue position specific or enrichment courses, including certifications, through Fidelity Bank University. Bank executives are provided opportunities to energize their leadership trajectory, and all bankers are provided volunteer time off so they can grow in leadership roles within their communities and help communities be sustainable.

By investing in Fidelity Bankers and encouraging them to develop to their fullest potential, the Bank will continue to provide every client with a depth of knowledge and professionalism second to none.

“Being a Fidelity Banker has given me the opportunity to advance my career here at home in Northeast Pennsylvania, while doing something I am passionate about—providing local businesses the advice and capital resources they need to grow, so that our communities can prosper.”

DR. LOUIS A. GENELLO D.D.S.

you

CAN FOLLOW YOUR PASSION

For Dr. Louis A. Genello D.D.S. “life begins once you’ve exited your comfort zone.” True to his life philosophy, Dr. Genello has skied Canada’s magnificent Whistler and Blackcomb glaciers, run 25 marathons—including the Boston and New York City Marathons, and he currently pushes the limits of his GT4 Porsche, racing competitively at the prestigious Monticello Motor Club.

While enthusiastically pursuing adventure, Dr. Genello is equally passionate about working with a solid team when it comes to business decisions. When his partner recently decided to retire, Dr. Genello sought out Fidelity Bank to provide funding for the stock buyout and for the purchase of the building where the practice is located. Fidelity Bank also helped to automate and streamline his business.

“Everything now is online and secure,” says Dr. Genello. “This is a huge time and money saver for my practice. It also frees up more time for me to do the things I love.”
