OVERVIEW

Who We Are

IAC is a leading media and internet company comprised of more than 150 brands and products, including Ask.com, About.com, Match.com, HomeAdvisor.com and Vimeo.com. Focused in the areas of search, applications, online dating, local and media, IAC's family of websites is one of largest in the world, with more than a billion monthly visits across more than 30 countries. The results of operations of IAC's various businesses are reported within the following five segments: Search & Applications, Match, Local, Media and Other.

For information regarding the results of operations of IAC's reportable segments, as well as their respective contributions to IAC's consolidated results of operations, see "Item 7-Management's Discussion and Analysis of Financial Condition and Results of Operations" beginning on page 22 and "Item 8-Consolidated Financial Statements and Supplementary Data," beginning on page 41.

All references to "IAC," the "Company," "we," "our" or "us" in this report are to IAC/InterActiveCorp.

Our History

IAC, initially a hybrid media/electronic retailing company, was incorporated in July 1986 in Delaware under the name Silver King Broadcasting Company, Inc. After several name changes (first to HSN, Inc., then to USA Networks, Inc., USA Interactive and InterActiveCorp, and finally to IAC/InterActiveCorp) and the completion of a number of significant corporate transactions over the years, the Company transformed itself into the leading media and internet company it is today.

From 1997 through 2001, the Company acquired a controlling interest in Ticketmaster Group (and the remaining interest in 1998) and Hotel Reservations Network (later renamed Hotels.com), as well as acquired Match.com and other smaller e-commerce companies. As its transformation from a hybrid media/electronic retailing company continued to evolve, in May 2002, the Company acquired a controlling interest in Expedia.com and contributed its entertainment assets to Vivendi Universal Entertainment LLLP, or VUE, a joint venture then controlled by Vivendi. The Company continued to grow its portfolio of e-commerce companies by acquiring all of the shares of Expedia.com, Hotels.com and Ticketmaster that it did not previously own, together with a number of other e-commerce companies (including LendingTree and Hotwire), in 2003.

In 2005, IAC acquired Ask Jeeves, Inc. (now known as IAC Search & Media, Inc.) and, on August 9, 2005, completed the separation of its travel and travel-related businesses and investments into an independent public company called Expedia, Inc. That year, IAC also sold its common and preferred interests in VUE to NBC Universal.

In July 2008, the Company acquired the Lexico Publishing Group, owner of various reference websites, including Dictionary.com. On August 20, 2008, IAC separated into five publicly traded companies: IAC, HSN, Inc., Interval Leisure Group, Inc., Ticketmaster and Tree.com, Inc. In this report, we refer to this 2008 transaction as the "Spin-Off." Immediately following the Spin-Off, IAC effected a one-for-two reverse stock split.

In June 2009, we sold the European operations of Match.com to Meetic, S.A. ("Meetic"), a leading European online dating company based in France, in exchange for a 27% interest in Meetic and a €5 million note. In July 2009, we acquired PeopleMedia, Inc., operator of a number of demographically targeted dating websites.

In December 2010, we exchanged the stock of a wholly-owned subsidiary that held our Evite, Gifts.com and IAC Advertising Solutions businesses and approximately \$218 million in cash for substantially all of Liberty Media Corporation's equity stake in IAC. See "Item 7-Management's Discussion and Analysis of Financial Condition and Results of Operations" and "Item 8-Consolidated Financial Statements and Supplementary Data."

In February 2011, we acquired OkCupid, an ad-supported online personals service. During the third quarter of 2011, we increased our ownership stake in Meetic to 81%. In September 2012, we acquired The About Group. In December 2012, we acquired Tutor, an online tutoring service.

EQUITY OWNERSHIP AND VOTE

IAC has outstanding shares of common stock, with one vote per share, and Class B common stock, with ten votes per share and which are convertible into common stock on a share for share basis. As of February 1, 2013, Barry Diller, IAC's Chairman

and Senior Executive, owned 5,789,499 shares of Class B common stock (the "Diller Shares") representing 100% of IAC's outstanding Class B common stock and approximately 42.5% of the outstanding total voting power of IAC.

Pursuant to an agreement between Mr. Diller and IAC, certain transfer restrictions apply to 1.5 million of the Diller Shares, including a requirement that, until December 1, 2015 and except for transfers to certain permitted transferees, the Diller Shares must first be converted into common stock in order to be transferred. In addition, pursuant to an amended and restated governance agreement between IAC and Mr. Diller, for so long as Mr. Diller serves as IAC's Chairman and Senior Executive, he generally has the right to consent to limited matters in the event that IAC's ratio of total debt to EBITDA (as defined in the governance agreement) equals or exceeds four to one over a continuous twelve-month period.

As a result of Mr. Diller's ownership interest, voting power and the contractual rights described above, Mr. Diller is currently in a position to influence, subject to our organizational documents and Delaware law, the composition of IAC's Board of Directors and the outcome of corporate actions requiring shareholder approval, such as mergers, business combinations and dispositions of assets, among other corporate transactions.

DESCRIPTION OF IAC BUSINESSES

Search & Applications

Overview

Our Search & Applications segment consists of:

- Websites, including Ask.com, About.com and Dictionary.com, through which we provide search services and content; and
- Applications, including our direct to consumer downloadable applications business (“B2C”) and our partnership operations (“B2B”), as well as our Ask.com and Dictionary.com downloadable applications.

Our Websites and Applications businesses provide search services to our users. These search services generally involve the generation and display of a set of hyperlinks to websites deemed relevant to search queries entered by users. In addition to these algorithmic search results, paid listings are also generally displayed in response to search queries. Paid listings are advertisements displayed on search results pages that generally contain a link to an advertiser's website. Paid listings are generally displayed based on keywords selected by the advertiser. The paid listings we display are furnished by Google Inc. ("Google") pursuant to a services agreement.

Websites

Our Websites, through which we provide search, content and other services, primarily consist of the following destination websites:

- Ask.com, which provides general search services, as well as question and answer services that provide direct answers to natural-language questions;
- About.com, which provides detailed information and content written by independent, freelance subject matter experts across hundreds of vertical categories; and
- Dictionary.com, which provides online dictionary, reference, educational and learning services.

Applications

Our B2C applications business develops, markets and distributes a variety of downloadable applications that offer users the ability to access search services, as well as engage in a number of other activities online, such as play games, send e-cards, decorate e-mails and web pages and explore select vertical categories. The majority of our B2C applications are toolbars, which consist of a browser search box and related technology (which together enable users to run search queries and otherwise access search services directly from their web browsers). Many of our toolbars are coupled with other applications that we have developed that enable users to personalize their online activities and otherwise make them more expressive and fun. These applications include: MyFunCards, through which users can send online greeting cards; Popular Screensavers, through which users can personalize their desktops with photos, images and animations; and Retrogamer and Gaming Wonderland, through which users can access classic arcade, sports and action and other casual games directly from their web browsers. Other B2C applications target users with a special or passionate interest in select vertical categories (such as television programming, sports, shopping and gossip, among others) or that provide users with particular reference information (such as maps or weather forecasts). These applications include: Television Fanatic, through which users can browse and search for scheduling information, episode synopses and actor profiles for television shows, as well as directly access online episodes via media players and links to related third party services; TotalRecipeSearch, through which users can access thousands of recipes and cooking tips; and Coupon Alert, through which users can access coupons and online promotions. We distribute B2C applications directly to consumers free of charge.

Our B2B applications business works closely with partners in the software, media and other industries to design and develop customized browser-based search applications to be bundled and distributed with these partners' products and services.

We also market and distribute a number of downloadable applications through which we provide search and additional services, including: the Ask.com iPhone, iPad and Android applications, which provide general search and natural-language question and answer services, and the Dictionary.com iPhone, iPad and Android applications, which provide dictionary, reference, educational and learning services.

Revenue

Substantially all of the revenue from our Search & Applications segment is derived from online advertising, primarily from the display of paid listings, as well as from the display of other advertising in connection with the provision of search, content and other services. The substantial majority of the paid listings we display are supplied to us by Google pursuant to a services agreement with Google that expires on March 31, 2016.

Pursuant to this agreement, we transmit search queries to Google, which in turn transmits a set of relevant and responsive paid listings back to us for display in search results. This ad-serving process occurs independently of, but concurrently with, the generation of algorithmic search results for the same search queries. Google paid listings are displayed separately from algorithmic search results and are identified as sponsored listings on search results pages. When a user submits a search query through our Search & Applications properties and services and clicks on a Google paid listing displayed in response to the query, Google bills the advertiser that purchased the paid listing directly and shares a portion of its related paid listing fee with us, which we in turn either retain in its entirety or share with third parties. To a lesser extent, we also syndicate Google paid listings through third parties with whom we enter into syndication agreements. See “Item 1A-Risk Factors-We depend upon arrangements with Google and any adverse change in this relationship could adversely affect our business, financial condition and results of operations.”

Revenue is also derived from the sale of display, content-based and other advertising pursuant to a variety of advertising models and the syndication of search results generated by Ask-branded destination search websites.

Competition

We compete with a wide variety of parties in connection with our efforts to: (i) attract users to our various Search & Applications properties and services generally; (ii) develop, market and distribute our B2C and B2B applications; (iii) attract third parties to distribute our Applications and related technology; and (iv) attract advertisers. In the case of our search services generally, our competitors include Google, Yahoo!, Bing and other destination search websites and search-centric portals (some of which provide a broad range of content and services and/or link to various desktop applications), third party toolbar, convenience search and applications providers, other search technology and convenience service providers (including internet access providers, social media platforms, online advertising networks, traditional media companies and companies that provide online content). When we market our search and content services, our competitors include destination websites that primarily acquire traffic through paid and algorithmic search results.

Moreover, some of our current and potential competitors have longer operating histories, greater brand recognition, larger customer bases and/or significantly greater financial, technical and marketing resources than we do. As a result, they have the ability to devote comparatively greater resources to the development and promotion of their products and services, which could result in greater market acceptance of their products and services relative to those offered by us.

In the case of our Websites, we believe that our ability to compete successfully will depend primarily upon the relevance and authority of our search results, answers and other content, the functionality of our various Websites and the quality of related content and features and the attractiveness of the services provided by our Websites generally to consumers relative to those of our competitors. We believe that we differentiate Ask.com from its competitors through question and answer services that provide accurate, authoritative and direct answers to natural-language questions (in the form of algorithmic search results and/or responses from other Ask.com users). Our ability to continue to differentiate Ask.com from its competitors in this manner depends primarily upon our ability to deliver authoritative and trustworthy content to users, as well as our ability to attract advertisers to this initiative.

In the case of our Applications, we believe that our ability to compete successfully will depend primarily upon our continued ability to create toolbars and other applications that resonate with consumers (which requires that we continue to bundle attractive features, content and services, some of which may be owned by third parties, with quality search services), differentiate our toolbars and other applications from those of our competitors (primarily through providing customized toolbars and access to multiple search and other services through our toolbars), secure cost-effective distribution arrangements with third parties and market and distribute our toolbars and other applications directly to consumers in a cost-effective manner.

Match

Overview

Through the brands and businesses within our Match segment, we are a leading provider of subscription-based and ad-supported online personals services in North America, Europe, Latin America, Australia and Asia. We provide these

services through websites and applications that we own and operate. Our European operations are conducted through an 81% stake in Meetic, S.A. ("Meetic"), which is based in France. As of December 31, 2012, we collectively provided online personals services to approximately 2.8 million subscribers. In addition, we own a 20% interest in Zhenai, Inc., a leading provider of online dating and matchmaking services in China.

We refer to Match.com in the United States, Chemistry and PeopleMedia (through which we operate demographically targeted dating websites) as Match's "Core" operations, to OkCupid, DateHookup and Match's international operations (excluding Meetic) as Match's "Developing" operations and to our European operations as "Meetic."

Services

We provide online personals services through branded websites that we own and operate, including Match.com, Chemistry.com, OurTime.com, BlackPeopleMeet.com and OkCupid.com, and through a variety of Meetic-branded websites in Europe. These websites, all of which provide single adults with a private and convenient environment for meeting other single adults, provide online personals services to registered members (those establishing usernames and passwords) and subscribers (those who establish a username and password and pay a subscription fee). We are also the exclusive provider of subscription-based personals services on Yahoo.com.

Within our portfolio of websites, we have both subscription-based and ad-supported offerings. Our subscription-based websites offer registered members the ability to post a profile and use any related searching and matching tools free of charge, while subscribers have access to enhanced tools and a broader feature set, including the ability to initiate, review or respond to communications with or from other users. Our subscription programs consist of programs with a single-month term, with discounts for programs with various longer terms. Our ad-supported websites generally provide online personals services with basic functionality without the commitment of a monthly subscription, in some cases making a variety of premium or add-on features available for a fee. We also offer access to our services via various mobile devices through our Match, OkCupid, DateHookup and other branded mobile applications. As a complement to our online personals services, in June 2012, we introduced live, local events for our Match.com members.

Marketing

We market our services through a wide variety of offline and online marketing activities. Our offline marketing activities generally consist of traditional marketing and business development activities, including television, print and radio advertising and related public relations efforts, as well as events. Our online marketing activities generally consist of the purchase of banner and other display advertising, search engine marketing and e-mail campaigns. In addition, we enter into a variety of alliances with third parties who advertise and promote our services. Some alliances are exclusive and some, but not all, contain renewal provisions. In connection with the exclusive provision of subscription-based personals services on Yahoo.com, we made certain advertising commitments, which are reducible or terminable in certain circumstances.

Revenue

Match's revenue is derived primarily from subscription fees for our subscription-based online personals and related services. Match also earns revenue from online advertising and other add-on features, primarily from our OkCupid service.

Competition

The personals business is very competitive and highly fragmented and barriers to entry are minimal. We compete primarily with online and offline broad-based personals, dating and matchmaking services (both paid and free), social media platforms and applications, the personals sections of newspapers and magazines, other conventional media companies that provide personals services and traditional venues where singles meet (both online and offline). We also compete with numerous online and offline personals, dating and matchmaking services that cater to specific demographic groups.

We believe that our ability to compete successfully will depend primarily upon the following factors:

- the size and diversity of our registered member and subscriber bases relative to those of our competitors;
- the functionality of our websites and mobile applications and the attractiveness of their features and our services and offerings generally to consumers relative to those of our competitors;
- how quickly we can enhance our existing technology and services and/or develop new features and services in response to:
 - new, emerging and rapidly changing technologies;

- the introduction of product and service offerings by our competitors;
- evolving industry standards; and
- changes in consumer requirements and trends in the single community relative to our competitors; and
- our ability to engage in cost-effective marketing efforts, including by way of maintaining relationships with third parties with which we have entered into alliances, and the recognition and strength of our various brands relative to those of our competitors.

Local

Our Local segment consists of HomeAdvisor (formerly ServiceMagic) and CityGrid Media.

HomeAdvisor

Overview. HomeAdvisor is a leading online marketplace for matching consumers with home services professionals in the United States. HomeAdvisor connects consumers, by way of patented proprietary technologies, with home services professionals, all of which are pre-screened and the majority of which are customer-rated. As of December 31, 2012, HomeAdvisor's network of home services professionals consisted of more than 80,000 professionals in the United States providing services in more than 500 categories ranging from simple home repairs to home remodeling projects.

Through a majority investment, HomeAdvisor also operates businesses in the online home services space in France and the United Kingdom under various brands.

Services. When a consumer submits a request through the HomeAdvisor marketplace, we generally match that consumer with up to four home services professionals from our network based on the type of services desired and the consumer's location. Consumers can then review home services professional profiles and select the professional that they believe best meets their specific needs. In all cases, if a match is made, the consumer is under no obligation to work with home service professionals referred by HomeAdvisor.

In addition to our matching services, consumers may also access our CostGuide, which provides project cost information for more than 250 project types on a local basis, and our online library of service-related resources, which primarily includes articles about home improvement, repair and maintenance, tools to assist consumers with the research, planning and management of their projects and general advice for working with home services professionals.

HomeAdvisor also offers several mobile applications, including the HomeAdvisor.com, Home911 and HomeSavvy iPhone, iPad and Android applications. Home911 matches consumers with home services professionals on an expedited basis in the case of home repair emergencies and through HomeSavvy, consumers can maintain a customized home maintenance and repair schedule, together with project reminders.

Marketing. We market our services to consumers primarily through search engine marketing, as well as through affiliate agreements with third parties. Pursuant to these agreements, third parties agree to advertise and promote our services and those of our home services professionals on their websites and we agree to pay them a fixed fee when visitors from their websites submit a valid service request through our website (on a cost-per-acquisition basis) or click through to our website (on a cost-per-click basis). We also market our services to consumers through the purchase of paid listings displayed in yellow page directories, portals and contextual home improvement related sites and, to a lesser extent, through traditional offline advertising. We market our services to home services professionals through our sales force, which obtains information concerning home services professionals through a variety of sources. We also promote online enrollment in our network through search engine marketing, relationships with trade associations and affiliate marketing relationships.

Revenue. HomeAdvisor's revenue is derived from fees paid by members of our network of home services professionals for matches with consumers made by HomeAdvisor, regardless of whether the professional ultimately provides the requested service, as well as from fees charged upon the enrollment and activation of new home services professionals in our network. Fees for matches vary based upon the service requested and where the service is provided.

Competition. We currently compete with internet search engines and directories and with other forms of local advertising, including radio, direct marketing campaigns, yellow pages, newspapers and other offline directories, as well as with home services-related lead generation services. We also compete with local and national retailers of home improvement products that

offer or promote installation services. We believe that our ability to compete successfully will depend primarily upon the following factors:

- the size, quality (as determined, in part, by reference to our pre-screening efforts and customer ratings and reviews), diversity and stability of our network of home services professionals and the quality of the services provided by these professionals;
- our continued ability to deliver service requests that convert into revenue for our network of home services professionals in a cost-effective manner;
- the functionality of our websites and mobile applications and the attractiveness of their features and our services generally to consumers and home services professionals, as well as our ability to introduce new products and services that resonate with consumers and home services professionals; and
- our ability to build and maintain awareness of, and loyalty to, the HomeAdvisor brand among consumers.

CityGrid Media

Overview. CityGrid Media is an online media company that owns and operates CityGrid, an advertising network that integrates local content and advertising for distribution to both affiliated and third party publishers across web and mobile platforms, as well as proprietary websites, such as Citysearch.com and Urbanspoon.com, through which consumers can access local merchant information and reviews online. In August 2012, CityGrid Media acquired Felix, a pay-per-call advertising service.

CityGrid. Through CityGrid, we aggregate local business listings, advertising and content, including both editorial and other user-generated content, which we then distribute to publishers across web and mobile platforms. These publishers include third party websites and mobile applications, as well as the websites and applications we own and operate described below.

Owned and Operated Properties. CityGrid Media owns and operates Citysearch.com, InsiderPages.com and Urbanspoon.com, websites that connect consumers with local businesses by providing consumers with free access to local business profiles, customized messages from local businesses, reviews and user-generated content and related information. Citysearch.com is a comprehensive directory of local business listings and related information across most verticals of businesses in the United States. InsiderPages.com publishes content regarding professional service providers based in the United States. Urbanspoon.com publishes content focused exclusively on restaurants and dining in North America, the United Kingdom and Australia. CityGrid also offers related mobile applications in the case of Citysearch.com and Urbanspoon.com.

Revenue. CityGrid Media revenue is derived from the sale, both through a direct sales force and reseller relationships, of local and national online advertising distributed through the CityGrid advertising network. In the case of direct sales, the advertising is primarily pay-for-performance based, pursuant to which local businesses pay CityGrid each time an advertisement is viewed or each time a user calls a metered number. In the case of resellers, a variety of advertising models are utilized.

Competition. The markets for local business advertising and content are highly competitive and diverse. We primarily compete with online and offline local and national directories and online and mobile advertising services and networks. We also face competition from search engines and other site aggregation companies that aggregate our content for display on their websites, which interferes with search engine optimization and marketing efforts designed to drive traffic to properties and applications affiliated with the CityGrid advertising network.

Media

Our Media segment consists primarily of Vimeo, Electus, Connected Ventures (which operates CollegeHumor Media and Notional), News_Beast (formerly The Newsweek/DailyBeast Company) and DailyBurn.

Vimeo is a leading video hosting platform for creative professionals and consumers, offering video creators the tools required to create, share, distribute and monetize their content online. We believe that Vimeo attracts a distinct audience with its best-in-class, high definition video player, multi-pass video encoding and clean, uncluttered advertising experience. Vimeo's revenue is derived primarily from subscription product offerings, as well as advertising.

Electus is an integrated multimedia entertainment studio that unites producers, creators, advertisers and distributors to produce video content for distribution across a variety of platforms in the United States and various jurisdictions abroad. Connected Ventures operates CollegeHumor Media, an online entertainment company targeting males ages eighteen to forty-nine through CollegeHumor.com and other websites, as well as Notional, a content production studio which creates long-form content for distribution through traditional media channels.

Our Media segment also includes News_Beast and DailyBurn. News_Beast is an online media company that currently produces the digital version of Newsweek magazine and operates TheDailyBeast.com, a website dedicated to news, commentary, culture and entertainment that curates and publishes existing and original online content from its own roster of contributors. DailyBurn is a health and fitness property that provides streaming fitness and workout videos across a variety of platforms, including iPhone, iPad and Android.

Our Media segment revenue is derived primarily from advertising, media production and subscriptions.

Other

Our Other segment consists primarily of Shoebuy and Tutor. Shoebuy is a leading internet retailer of footwear and related apparel and accessories. Shoebuy generally passes purchases made by customers through its various websites on to the relevant vendors for fulfillment and shipping. Tutor is an online tutoring solution which was acquired in December 2012. Our Other segment revenue is derived primarily from merchandise sales and subscriptions.

Employees

As of December 31, 2012, IAC and its subsidiaries employed approximately 4,200 full-time employees. IAC believes that it generally has good employee relationships, including relationships with employees represented by unions or other similar organizations.

The use of words such as “anticipates,” “estimates,” “expects,” “intends,” “plans” and “believes,” among others, generally identify forward-looking statements. These forward-looking statements include, among others, statements relating to: IAC's future financial performance, IAC's business prospects and strategy, anticipated trends and prospects in the industries in which IAC's businesses operate and other similar matters. These forward-looking statements are based on IAC management's expectations and assumptions about future events as of the date of this annual report, which are inherently subject to uncertainties, risks and changes in circumstances that are difficult to predict.

Actual results could differ materially from those contained in these forward-looking statements for a variety of reasons, including, among others, the risk factors set forth below. Other unknown or unpredictable factors that could also adversely affect IAC's business, financial condition and results of operations may arise from time to time. In light of these risks and uncertainties, the forward-looking statements discussed in this annual report may not prove to be accurate. Accordingly, you should not place undue reliance on these forward-looking statements, which only reflect the views of IAC management as of the date of this annual report. IAC does not undertake to update these forward-looking statements.

Risk Factors

Mr. Diller owns a significant percentage of the voting power of our stock and will be able to exercise significant influence over the composition of our Board of Directors, matters subject to stockholder approval and our operations.

As of February 1, 2013, Mr. Diller owned 5,789,499 shares of IAC Class B common stock representing 100% of IAC's outstanding Class B common stock and approximately 42.5% of the total outstanding voting power of IAC. As of this date, Mr. Diller also owned 780,734 vested options to purchase IAC common stock and 225,000 unvested options to purchase IAC common stock.

In addition, under an amended and restated governance agreement between IAC and Mr. Diller, for so long as Mr. Diller serves as IAC's Chairman and Senior Executive, he generally has the right to consent to limited matters in the event that IAC's ratio of total debt to EBITDA (as defined in the governance agreement) equals or exceeds four to one over a continuous twelve-month period. While Mr. Diller may not currently exercise this right, no assurances can be given that this right will not become exercisable in the future, and if so, that Mr. Diller will consent to any of the limited matters at such time, in which case IAC would not be able to engage in transactions or take actions covered by this consent right.

As a result of Mr. Diller's ownership interest, voting power and the contractual rights described above, Mr. Diller currently is in a position to influence, subject to our organizational documents and Delaware law, the composition of IAC's Board of Directors and the outcome of corporate actions requiring stockholder approval, such as mergers, business combinations and dispositions of assets, among other corporate transactions. In addition, this concentration of voting power could discourage others from initiating a potential merger, takeover or other change of control transaction that may otherwise be beneficial to IAC, which could adversely affect the market price of IAC securities.

We depend on our key personnel.

Our future success will depend upon our continued ability to identify, hire, develop, motivate and retain highly skilled individuals, with the continued contributions of our senior management being especially critical to our success. Competition for well-qualified employees across IAC and its various businesses is intense and our continued ability to compete effectively depends, in part, upon our ability to attract new employees. While we have established programs to attract new employees and provide incentives to retain existing employees, particularly our senior management, we cannot assure you that we will be able to attract new employees or retain the services of our senior management or any other key employees in the future.

We depend upon arrangements with Google and any adverse change in this relationship could adversely affect our business, financial condition and results of operations.

A substantial portion of our consolidated revenue is attributable to a services agreement with Google that expires on March 31, 2016. Pursuant to this agreement, we display and syndicate paid listings provided by Google in response to search queries generated by users of our Search & Applications properties. In exchange for making our search traffic available to Google, we receive a share of the revenue generated by the paid listings supplied to us, as well as certain other search-related services.

The amount of revenue we receive from Google depends upon a number of factors outside of our control, including the amount Google charges for advertisements, the efficiency of Google's system in attracting advertisers and serving up paid listings in response to search queries and parameters established by Google regarding the number and placement of paid listings displayed in response to search queries. In addition, Google makes judgments about the relative attractiveness (to the advertiser) of clicks on paid listings from searches performed on our Search & Applications properties and these judgments factor into the amount of revenue we receive. Changes to Google's paid listings network efficiency, its judgment about the relative attractiveness of clicks on paid listings from our Search & Applications properties or the parameters applicable to the display of paid listings could have an adverse effect on our business, financial condition and results of operations. Such changes could come about for a number of reasons, including general market conditions, competition or policy and operating decisions made by Google.

Our services agreement with Google requires that we comply with certain guidelines promulgated by Google for the use of its brands and services, including the manner in which Google's paid listings are displayed within search results, and that we establish guidelines to govern certain activities of third parties to whom we syndicate paid listings, including the manner in which these parties drive search traffic to their websites and display paid listings. Subject to certain limitations, Google may unilaterally update its policies and guidelines, which could in turn require modifications to, or prohibit and/or render obsolete certain of, our products, services and/or business practices, which could be costly to address or otherwise have an adverse effect on our business, financial condition and results of operations. Noncompliance with Google's guidelines by us or the third parties to whom we syndicate paid listings or through which we secure distribution arrangements for our toolbars could, if not cured, result in Google's suspension of some or all of its services to our websites or the websites of our third party partners, the imposition of additional restrictions on our ability to syndicate paid listings or the termination of the services agreement by Google.

The termination of the services agreement by Google, the curtailment of IAC's rights under the agreement (whether pursuant to the terms thereof or otherwise) or the failure of Google to perform its obligations under the agreement would have an adverse effect on our business, financial condition and results of operations. In addition, our inability to obtain a renewal of our agreement with Google with substantially comparable economic and other terms upon the expiration of our current agreement could have an adverse effect on our business, financial condition and results of operations. If any of these events were to occur, we may not be able to find another suitable alternate paid listings provider (or if an alternate provider were found, the economic and other terms of the agreement and the quality of paid listings may be inferior relative to our arrangements with, and the paid listings supplied by, Google) or otherwise replace the lost revenues.

General economic events or trends that reduce advertising spending could harm our business, financial condition and results of operations.

A substantial portion of our consolidated revenue is attributable to online advertising. Accordingly, we are particularly sensitive to events and trends that could result in decreased advertising expenditures. Advertising expenditures have historically been cyclical in nature, reflecting overall economic conditions and budgeting and buying patterns, as well as levels of consumer confidence and discretionary spending.

Small and local businesses with which we do business are particularly sensitive to these events and trends, given that they are not as well situated to weather adverse economic conditions as their larger competitors, which are generally better capitalized and have greater access to credit. In the recent past, adverse economic conditions have caused, and if such conditions were to recur in the future they could cause, decreases and/or delays in advertising expenditures, which would reduce our revenues and adversely affect our business, financial condition and results of operations.

Our success depends upon the continued growth and acceptance of online advertising, particularly paid listings, as an effective alternative to traditional, offline advertising and the continued commercial use of the internet.

Many advertisers still have limited experience with online advertising and may continue to devote significant portions of their advertising budgets to traditional offline advertising media. Accordingly, we continue to compete with traditional advertising media, including television, radio and print, in addition to a multitude of websites with high levels of traffic and online advertising networks, for a share of available advertising expenditures and expect to face continued competition as more emerging media and traditional offline media companies enter the online advertising market. We believe that the continued growth and continued acceptance of online advertising generally will depend, to a large extent, on its perceived effectiveness and the acceptance of related advertising models (particularly in the case of models that incorporate user targeting and/or utilize mobile devices), the continued growth in commercial use of the internet (particularly abroad), the extent to which web browsers, software programs and/or other applications that limit or prevent advertising from being displayed become commonplace and the extent to which the industry is able to effectively manage click fraud. Any lack of growth in the market

for online advertising, particularly for paid listings, or any decrease in the effectiveness and value of online advertising (whether due to the passage of laws requiring additional disclosure and/or opt-in policies for advertising that incorporates user targeting or other developments) would have an adverse effect on our business, financial condition and results of operations.

We depend, in part, upon arrangements with third parties to drive traffic to our various websites and distribute our products and services.

We engage in a variety of activities designed to attract traffic to our various websites and convert visitors into repeat users and customers. How successful we are in these efforts depends, in part, upon our continued ability to enter into arrangements with third parties to drive traffic to our various websites, as well as the continued introduction of new and enhanced products and services that resonate with users and customers generally.

For example, we have entered into, and expect to continue to enter into, agreements to distribute Search & Applications search boxes, toolbars and other applications to users through third parties. Most of these agreements are either non-exclusive and short-term in nature or, in the case of long-term or exclusive agreements, are terminable by either party in certain specified circumstances. In addition, a few of these agreements collectively represent a significant percentage of the revenue generated by our B2B applications. Our inability to enter into new (or renew existing) agreements to distribute our search boxes, toolbars and other applications through third parties for any reason would result in decreases in traffic, queries and advertising revenue, which could have an adverse effect on our business, financial condition and results of operations.

In addition, in the case of the businesses within our Match segment, we have entered into a number of arrangements with third parties to drive traffic to our online personals websites. Pursuant to these arrangements, third parties generally promote our services on their websites or through e-mail campaigns and we either pay a fixed fee when visitors to these websites click through to or register with our online personals websites or pay a percentage of revenue we receive from such visitors who pay us subscription fees. These arrangements are generally not exclusive, are short-term in nature and are generally terminable by either party given notice. If existing arrangements with third parties are terminated (or are not renewed upon their expiration) and we fail to replace this traffic and related revenues, or if we are unable to enter into new arrangements with existing and/or new third parties in response to industry trends, our business, financial condition and results of operations could be adversely affected.

In the case of our HomeAdvisor business, our ability to drive traffic depends, in part, on the nature and number of home services professionals who are members of our network. While these home services professionals are required to agree that they will operate in accordance with our terms and conditions, we do not enter into long-term agreements with them. In addition, a significant number of our home services professionals are sole proprietorships and small businesses, which are particularly sensitive to adverse economic conditions, such as constrained liquidity and decreases in consumer spending. As a result, our network of home services professionals experiences turnover from time to time. This turnover, if significant or recurring over a prolonged period, could result in a decrease in traffic to HomeAdvisor.com and increased costs, all of which could adversely affect our business, financial condition and results of operations.

Even if we succeed in driving traffic to our properties, we may not be able to convert this traffic or otherwise retain users and customers unless we continue to provide quality products and services. We may not be able to adapt quickly and/or in cost-effective manner to frequent changes in user and customer preferences, which can be difficult to predict, or appropriately time the introduction of enhancements and/or new products or services to the market. Our inability to provide quality products and services would adversely affect user and customer experiences, which would result in decreases in users, customers and revenues, which would adversely affect our business, financial condition and results of operations.

As discussed below, our traffic building and conversion initiatives also involve the expenditure of considerable sums for marketing, as well as for the development and introduction of new products, services and enhancements, infrastructure and other related efforts.

Marketing efforts designed to drive traffic to our various websites may not be successful or cost-effective.

Traffic building and conversion initiatives involve considerable expenditures for online and offline advertising and marketing. We have made, and expect to continue to make, significant expenditures for search engine marketing (primarily in the form of the purchase of keywords), online display advertising and traditional offline advertising in connection with these initiatives, which may not be successful or cost-effective. In the case of our search engine marketing efforts, our failure to respond successfully to rapid and frequent changes in the pricing and operating dynamics of search engines could adversely affect the placement of paid listings that appear in response to keywords we purchase, as well as adversely affect the pricing of online advertising we purchase generally, which would increase our costs. In the case of paid advertising generally, the policies

of sellers and publishers of advertising may limit our ability to purchase certain types of advertising or advertise some of our products and services, which could affect our ability to compete effectively and, in turn, adversely affect our business, financial condition and results of operations.

One of the most cost-effective efforts we employ to attract and acquire new, and retain existing, users and customers is commonly referred to as search engine optimization, or SEO. SEO involves developing websites to rank well within search engine results. Search engines frequently update and change the logic that determines the placement and display of results of user searches. The failure to successfully manage SEO efforts across our businesses, including the timely modification of SEO efforts from time to time in response to periodic changes in search engine algorithms, search query trends and related actions by providers of search services designed to ensure the display of unique offerings in search results (which actions by search service providers may result in algorithmic listings being displayed less prominently within search engine results), could result in a substantial decrease in traffic to our various websites, as well as increased costs if we were to replace free traffic with paid traffic, which would adversely affect our business, financial condition and results of operations.

In addition, search engines have increasingly expanded their offerings into other, non-search related categories, and have in certain instances displayed their own integrated or related product and service offerings in a more prominent manner than those of third parties within their search engine results. Continued expansion and competition from search engines could result in a substantial decrease in traffic to our various websites, as well as increased costs if we were to replace free traffic with paid traffic, which would adversely affect our business, financial condition and results of operations.

Lastly, as discussed above, we also enter into various arrangements with third parties in an effort to increase traffic, which arrangements are generally more cost-effective than traditional marketing efforts. If we are unable to renew existing (and enter into new) arrangements of this nature, sales and marketing costs as a percentage of revenue would increase over the long-term.

Any failure to attract and acquire new, and retain existing, traffic, users and customers in a cost-effective manner could adversely affect our business, financial condition and results of operations.

Our success depends, in part, on our ability to maintain and enhance our various brands.

Through our various businesses, we own and operate a number of highly-recognizable brands with strong brand appeal within their respective industries. We believe that our success depends, in part, upon our continuing ability to maintain and enhance these brands. Our brands could be negatively impacted by a number of factors, including product and service quality concerns, consumer complaints, actions brought by consumers, governmental or regulatory authorities and related media coverage and data protection and security breaches. Moreover, the failure to market our products and services successfully (or in a cost-effective manner), the inability to develop and introduce products and services that resonate with consumers and/or the inability to adapt quickly enough (and/or in a cost effective manner) to evolving changes in the internet and related technologies, applications and devices, could adversely impact our various brands, and in turn, our business, financial condition and results of operations.

The internet and related technologies and applications continue to evolve and we may not be able to adapt to these changes.

The development of new products and services in response to the evolving trends and technologies of the internet, as well as the identification of new business opportunities in this dynamic environment, requires significant time and resources. We may not be able to adapt quickly enough (and/or in a cost-effective manner) to these changes, appropriately time the introduction of new products and services to the market or identify new business opportunities in a timely manner. Also, these changes could require us to modify related infrastructures and our failure to do so could render our existing websites, applications, services and proprietary technologies obsolete. Our failure to respond to any of these changes appropriately (and/or in a cost effective manner) could adversely affect our business, financial condition and results of operations.

In the case of certain of our Applications, third parties have introduced (and continue to introduce) new or updated technologies, applications and policies that may interfere with the ability of users to access or utilize these Applications generally or otherwise make users less likely to use these services (such as through the introduction of features and/or processes that disproportionately and adversely impact the ability of consumers to access and use these services relative to those of our competitors). For example, third parties continue to introduce technologies and applications (including new and enhanced web browsers and operating systems) that may limit or prevent certain types of applications from being installed and/or have features and policies that significantly lessen the likelihood that users will install our applications or that previously installed applications will remain in active use. In addition, there are technologies and applications that interfere with the functionality of (or settings changes made by) our Applications. For example, there are technologies and applications that interfere with search boxes embedded within our toolbars and the maintenance of home page and web browser search settings previously

selected by our users. These technologies, applications and policies adversely impact our ability to generate search queries through our Applications, which in turn adversely impacts our revenues. Technologies have also been introduced that can block the display of advertisements on web pages and that provide users with the ability to opt out of our advertising products. Our failure to successfully modify our toolbars and other Applications in a cost-effective manner in response to the introduction and adoption of these new technologies and applications could adversely affect our business, financial condition and results of operations.

Our success also depends, in part, on our ability to develop and monetize mobile versions of our products and services. While most of our users currently access our products and services through personal computers, users of (and usage volumes on) mobile devices, including tablets, continue to increase relative to those of personal computers. While we have developed mobile versions of certain of our products and services and intend to continue to do so in the future, we have limited experience with mobile applications, both in terms of development and monetization. Moreover, mobile versions of our products and services that we develop may not be compelling to users and/advertisers. Even if we are able to develop mobile applications that resonate with users and advertisers, the success of these applications is dependent on their interoperability with various mobile operating systems, technologies, networks and standards that we do not control and any changes in any of these things that compromise the quality or functionality of our products and services could adversely impact usage of our products and services on mobile devices and, in turn, our ability to attract advertisers. Lastly, as the adoption of mobile devices becomes more widespread, the usage of certain of our products and services may not translate to mobile devices, which shift could adversely affect our business, financial condition and results of operations if we are unable to replace the related revenues.

The processing, storage, use and disclosure of personal data could give rise to liabilities as a result of governmental regulation, conflicting legal requirements or differing views of personal privacy rights.

We receive, transmit and store a large volume of personal information and other user data (including credit card data) in connection with the processing of search queries, the provision of online products and services, transactions with users and customers and advertising on our websites. The sharing, use, disclosure and protection of this information are determined by the respective privacy and data security policies of our various businesses. These policies are, in turn, subject to federal, state and foreign laws regarding privacy and the storing, sharing, use, disclosure and protection of personal information and user data. For example, if an online service provider fails to comply with its privacy policy, it could become subject to an investigation and proceeding brought by the U.S. Federal Trade Commission under the Federal Trade Commission Act, as well as a private lawsuit under various U.S. federal and state laws. In general, personal information is increasingly subject to legislation and regulation in numerous jurisdictions around the world, the intent of which is to protect the privacy of personal information that is collected, processed and transmitted in or from the governing jurisdiction.

U.S. legislators and regulators may enact new laws and regulations regarding privacy and data security. In February 2012, the White House released a proposed Consumer Privacy Bill of Rights, which is intended to serve as a framework for new privacy legislation. In March 2012, the U.S. Federal Trade Commission released a staff report making recommendations for businesses and policy makers in the area of consumer privacy. Similarly, new privacy laws and directives abroad, particularly in Europe, are being proposed and implemented. In addition, existing privacy laws that were intended for brick-and-mortar businesses could be interpreted in a manner that would extend their reach to our businesses. New laws and regulations (or new interpretations of existing laws) in this area may make it more costly to operate our businesses and/or limit our ability to engage in certain types of activities, such as targeted advertising, which could adversely affect our business, financial condition and results of operations.

As privacy and data protection have become more sensitive issues, we may also become exposed to potential liabilities as a result of differing views on the privacy of consumer and other user data collected by our businesses. Also, we cannot guarantee that our security measures will prevent security breaches. In the case of security breaches involving personal credit card data, credit card companies could curtail our ability to transact payments and impose fines for failure to comply with Payment Card Industry (PCI) Data Security Standards. The failure of any of our businesses, or their various third party vendors and service providers, to comply with applicable privacy policies, federal, state or foreign privacy laws and regulations or PCI standards and/or the unauthorized release of personal information or other user data for any reason could adversely affect our business, financial condition and results of operations.

Our estimated income taxes could be materially different from income taxes that we ultimately pay.

We are subject to income taxes in both the United States and numerous jurisdictions abroad. Significant judgment and estimation is required in determining our provision for income taxes and related matters. In the ordinary course of our business, there are many transactions and calculations where the ultimate tax determinations are uncertain or otherwise subject to interpretation. Our determination of our income tax liability is always subject to review by applicable tax authorities and we

are currently subject to audits in a number of jurisdictions. Although we believe our income tax estimates and related determinations are reasonable and appropriate, relevant taxing authorities may disagree. The ultimate outcome of any such audits and reviews could be materially different from estimates and determinations reflected in our historical income tax provisions and accruals. Any adverse outcome of any such audit or review could have an adverse effect on our financial condition and results of operations.

We may experience operational and financial risks in connection with acquisitions. In addition, some of the businesses we acquire may incur significant losses from operations or experience impairment of carrying value.

We have made numerous acquisitions in the past and we continue to seek to identify potential acquisitions candidates that will allow us to apply our expertise to expand their capabilities, as well as maximize our existing assets. As a result, our future growth may depend, in part, on acquisitions. Even if we identify what we believe to be suitable acquisition candidates, we may experience operational and financial risks in connection with acquisitions, and to the extent that we continue to grow through acquisitions, we will need to:

- successfully integrate the operations, as well as the accounting, financial controls, management information, technology, human resources and other administrative systems, of acquired businesses with our existing operations and systems;
- successfully identify and realize potential synergies among acquired and existing businesses;
- retain or hire senior management and other key personnel at acquired businesses; and
- successfully manage acquisition-related strain on the management, operations and financial resources of IAC and its businesses and/or acquired businesses.

We may not be successful in addressing these challenges or any other problems encountered in connection with historical and future acquisitions. In addition, the anticipated benefits of one or more acquisitions may not be realized and future acquisitions could result in increased operating losses, potentially dilutive issuances of equity securities and the assumption of contingent liabilities. Also, the value of goodwill and other intangible assets acquired could be impacted by one or more continuing unfavorable events and/or trends, which could result in significant impairment charges. The occurrence of any these events could have an adverse effect on our business, financial condition and results of operations.

We operate in various international markets, some in which we have limited experience. As a result, we face additional risks in connection with our international operations. Also, we may not be able to successfully expand into new, or further into our existing, international markets.

We currently operate in various jurisdictions abroad and may continue to expand our international presence. In order for our products and services in these jurisdictions to achieve widespread acceptance, commercial use and acceptance of the internet must continue to grow, which growth may occur at slower rates than those experienced in the United States. Moreover, we must continue to successfully tailor our products and services to the unique customs and cultures of foreign jurisdictions, which can be difficult and costly and the failure to do so could slow our international growth and adversely impact our business, financial condition and results of operations.

Operating abroad, particularly in jurisdictions where we have limited experience, exposes us to additional risks. For example, we may experience difficulties in managing international operations due to distance, language and cultural differences, including issues associated with the establishment of management systems and infrastructures (including disclosure controls and procedures and internal control over financial reporting), the staffing of foreign operations, exchange rate fluctuations and online privacy and protection of personal information. Our success in international markets will also depend, in part, on our ability to identify potential acquisition candidates, joint venture or other partners, and to enter into arrangements with these parties on favorable terms and successfully integrate their businesses and operations with our own.

A variety of new laws, or new interpretations of existing laws, could subject us to claims or otherwise harm our business.

We are subject to a variety of laws in the U.S. and abroad that are costly to comply with, can result in negative publicity and diversion of management time and effort and can subject us to claims or other remedies. Some of these laws, such as income, sales, use, value-added and other tax laws and consumer protection laws, are applicable to businesses generally and others are unique to the various types of businesses in which we are engaged. Many of these laws were adopted prior to the advent of the internet and related technologies and, as a result, do not contemplate or address the unique issues of the internet

and related technologies. Laws that do reference the internet are being interpreted by the courts, but their applicability and scope remain uncertain.

For example, through our various businesses we post and link to third party content, including third party advertisements, links and websites, as well as content submitted by users, such as comments, photographs and videos. We could be subject to liability for posting or linking to third party content, and while we generally require third parties to indemnify us for related claims, we may not be able to enforce our indemnification rights. Some laws, including the Communications Decency Act, or CDA, and the Digital Millennium Copyright Act, or DMCA, limit our liability for posting or linking to third party content. For example, the DMCA generally protects online service providers from claims of copyright infringement based on use of third party content, so long as certain statutory requirements are satisfied. However, the scope and applicability of the DMCA are subject to judicial interpretation and, as such, remain uncertain, and the U.S. Congress may enact legislation limiting the protections afforded by the DMCA to online service providers. Moreover, similar protections may not exist in other jurisdictions in which our various businesses operate. As a result, claims could be threatened and filed under both U.S. and foreign laws based upon use of third party content asserting, among other things, defamation, invasion of privacy or right of publicity, copyright infringement or trademark infringement.

Any failure on our part to comply with applicable laws may subject us to additional liabilities, which could adversely affect our business, financial condition and results of operations. In addition, if the laws to which we are currently subject are amended or interpreted adversely to our interests, or if new adverse laws are adopted, our products and services might need to be modified to comply with such laws, which would increase our costs and could result in decreased demand for our products and services to the extent that we pass on such costs to our customers. Specifically, in the case of tax laws, positions that we have taken or will take are subject to interpretation by the relevant taxing authorities. While we believe that the positions we have taken to date comply with applicable law, there can be no assurances that the relevant taxing authorities will not take a contrary position, and if so, that such positions will not adversely affect us. Any events of this nature could adversely affect our business, financial condition and results of operations.

We may fail to adequately protect our intellectual property rights or may be accused of infringing the intellectual property rights of third parties.

We regard our intellectual property rights, including trademarks, domain names, trade secrets, patents, copyrights and other similar intellectual property, as critical to our success. For example, the businesses within our principal reporting segments (Search & Applications, Match and Local) rely heavily upon their trademarks (primarily Ask.com and Dictionary.com, our various toolbar brands, Match.com, OkCupid.com, Meetic.com and HomeAdvisor.com and related domain names and logos), through which they market their products and services and seek to build and maintain brand loyalty and recognition. So long as these businesses continue to use these trademarks to identify their products and services and renew trademark registrations as required, they will continue to enjoy trademark protection indefinitely under current laws, rules and regulations.

The businesses within our Search & Applications segment also rely upon trade secrets, including algorithms for the generation, organization and presentation of search results. To a lesser extent, these businesses also rely upon patented and patent-pending proprietary technologies and processes, primarily those relating to search-related products and services, with expiration dates for patented technologies ranging from 2017 to 2027, and copyrighted material, primarily emoticons, characters and other content that is incorporated into, and used in connection with the marketing of, toolbars generally.

Our Match segment also relies upon trade secrets and certain patent-pending proprietary technologies relating to matching process systems and related features, products and services. HomeAdvisor also relies heavily upon trade secrets, primarily the matching algorithm through which members of its network of home services professionals are matched with consumers, as well as related patented proprietary technologies that expire in 2020.

We rely on a combination of laws and contractual restrictions with employees, customers, suppliers, affiliates and others to establish and protect our various intellectual property rights. For example, we have generally registered and continue to apply to register and renew, or secure by contract where appropriate, trademarks and service marks as they are developed and used, and reserve, register and renew domain names as we deem appropriate. Effective trademark protection may not be available or may not be sought in every country in which products and services are made available and contractual disputes may affect the use of marks governed by private contract. Similarly, not every variation of a domain name may be available or be registered, even if available.

We also generally seek to apply for patents or for other similar statutory protections as and if we deem appropriate, based on then current facts and circumstances, and will continue to do so in the future. No assurances can be given that any patent application we have filed will result in a patent being issued, or that any existing or future patents will afford adequate

protection against competitors and similar technologies. In addition, no assurances can be given that third parties will not create new products or methods that achieve similar results without infringing upon patents we own.

Despite these measures, our intellectual property rights may still not be protected in a meaningful manner, challenges to contractual rights could arise or third parties could copy or otherwise obtain and use our intellectual property without authorization. The occurrence of any of these events could result in the erosion of our brands and limitations on our ability to control marketing on or through the internet using our various domain names, as well as impede our ability to effectively compete against competitors with similar technologies, any of which could adversely affect our business, financial conditions and results of operations.

From time to time, we have been subject to legal proceedings and claims in the ordinary course of business, including claims of alleged infringement of trademarks, copyrights, patents and other intellectual property rights held by third parties. In addition, litigation may be necessary in the future to enforce our intellectual property rights, protect our trade secrets or to determine the validity and scope of proprietary rights claimed by others. Any litigation of this nature, regardless of outcome or merit, could result in substantial costs and diversion of management and technical resources, any of which could adversely affect our business, financial condition and results of operations. Patent litigation tends to be particularly protracted and expensive.

Our success depends, in part, on the integrity of our systems and infrastructures and those of third parties. System interruptions and the lack of integration and redundancy in our and third party information systems may affect our business.

To succeed, our systems and infrastructures must perform well on a consistent basis. From time to time, we may experience occasional system interruptions that make some or all of our systems or data unavailable or that prevent us from providing products and services, which could adversely affect our business. Moreover, as traffic to our websites, applications and online properties increases and the number of new (and presumably more complex) products and services that we introduce continues to grow, we will need to upgrade our systems, infrastructures and technologies generally to facilitate this growth. If we do not do so, users, customers and third parties with whom we do business may not be able to access our products and services on an intermittent or prolonged basis, which could adversely affect the quality of their experiences. In addition, we could experience inefficiencies and/or operational failures in connection with these efforts, which could have the same effect. Moreover, even if we do not encounter any inefficiencies and/or operational failures in connection with these efforts, third parties with whom we do business may not make the changes to their systems, infrastructures and technologies needed to access our products and services on a timely basis, if at all. The occurrence of any of these events could adversely affect our business, financial condition and results of operations.

We also rely on third party computer systems, data centers, broadband and other communications systems and service providers in connection with the provision of our products and services generally, as well as to facilitate and process certain transactions with our users and customers. Any interruptions, outages or delays in our systems or those of our third party providers, or deterioration in the performance of these systems, could impair our ability to provide our products and services and/or process certain transactions with users and customers. Furthermore, data security breaches (as a result of actions taken by hackers or otherwise), fire, power loss, telecommunications failure, natural disasters, acts of war or terrorism, acts of God and other similar events or disruptions may damage or interrupt computer, data, broadband or other communications systems at any time. Any event of this nature could cause system interruptions, delays and loss of critical data, and could prevent us from providing services to users and customers. While we have backup systems for certain aspects of our operations, our systems are not fully redundant and disaster recovery planning is not sufficient for all eventualities. In addition, we may not have adequate insurance coverage to compensate for losses from a major interruption.

In particular, our destination search websites may be adversely affected by fraudulent, surreptitious or other unwanted computer programs, applications and activity that make changes to users' computers and interfere with the overall experience of our products and services, such as by hijacking queries to these websites or altering or replacing search results generated. This type of interference often occurs without disclosure to (or consent from) users, resulting in a negative experience that users may associate with us. These disruptive programs and applications may be difficult or impossible to uninstall or disable, may reinstall themselves and may circumvent efforts to block or remove them.

In addition, downloadable applications through which we provide search services are also subject to attack by viruses, worms and other malicious software programs, which could jeopardize the security of information stored in users' computers or in our systems and networks. No assurances can be given that our efforts to combat these malicious applications will be successful and/or that our products and services will not have (or will not be perceived to have) vulnerabilities in this regard.

If any of these events were to occur, it could damage our reputation and result in the loss of current and potential users and customers, which could have an adverse effect on our business, financial condition and results of operations and otherwise be costly to remedy.

Item 7. Management's Discussion and Analysis of Financial Condition and Results of Operations**MANAGEMENT OVERVIEW**

IAC is a leading media and internet company comprised of more than 150 brands and products, including Ask.com, About.com, Match.com, HomeAdvisor.com and Vimeo.com. Focused in the areas of search, applications, online dating, local and media, IAC's family of websites is one of largest in the world, with more than a billion monthly visits across more than 30 countries.

Sources of Revenue

Substantially all of the revenue from our Search & Applications segment is derived from online advertising. This revenue is primarily attributable to our services agreement with Google Inc. ("Google"). The revenue earned from our Match segment is derived primarily from subscription fees for its subscription-based online personals services; Match also derives revenue from online advertising. Our Local segment consists of HomeAdvisor (formerly ServiceMagic) and CityGrid Media. HomeAdvisor's revenue is derived from fees paid by members of its network of home services professionals for consumer leads as well as from one-time fees charged upon enrollment and activation of new home services professionals in its network. CityGrid Media revenue is derived from online advertising. The revenue earned by our Media segment is derived from advertising, media production and subscription fees. The revenue earned by our Other segment is derived principally from merchandise sales.

Strategic Partnerships, Advertiser Relationships and Online Advertising Spend

A significant component of the Company's revenue is attributable to a services agreement with Google, which expires on March 31, 2016. For the years ended December 31, 2012, 2011 and 2010, revenue earned from Google was \$ 1.4 billion , \$ 970.4 million and \$ 727.9 million , respectively. This revenue was earned by the businesses comprising the Search & Applications segment.

We market and offer our products and services directly to consumers through branded websites and subscriptions, allowing consumers to transact directly with us in a convenient manner. We have made, and expect to continue to make, substantial investments in online and offline advertising to build our brands and drive traffic to our websites and consumers and advertisers to our businesses.

We pay traffic acquisition costs, which consist of payments to partners who distribute our B2B customized browser-based applications, integrate our paid listings into their websites or direct traffic to our websites. We also pay to market and distribute our services on third party distribution channels, such as internet portals and search engines. In addition, some of our businesses manage affiliate programs, pursuant to which we pay commissions and fees to third parties based on revenue earned. These distribution channels might also offer their own products and services, as well as those of other third parties, which compete with those we offer.

The cost of acquiring new consumers through online and offline third party distribution channels has increased, particularly in the case of online channels as internet commerce continues to grow and competition in the markets in which IAC's businesses operate increases.

For the year ended December 31, 2012 compared to the year ended December 31, 2011

Search & Applications revenue increased 41% to \$1.5 billion , reflecting strong growth from both Applications (which includes our direct to consumer downloadable applications business (B2C) and our partnership operations (B2B), as well as our

Ask.com and Dictionary.com downloadable applications) and Websites (which includes Ask.com, About.com and Dictionary.com). Applications revenue grew 40% to \$755.4 million, driven by 25% query growth and year over year monetization gains driven by increased contributions from existing and new partners and products. Websites revenue grew 42% to \$710.4 million, reflecting 49% query growth driven primarily by increased marketing and site optimization. The growth in Websites revenue reflects the contribution from The About Group, acquired September 24, 2012, which had revenue of \$30.1 million.

Match revenue increased 38% to \$ 713.4 million benefiting from the full year contribution of Meetic, which was consolidated beginning September 1, 2011, and growth within our Core operations, partially offset by a decrease in Developing revenue. Core revenue, which consists of Match.com in the U.S., Chemistry and People Media, increased 10% to \$439.9 million driven by an increase in subscribers. Revenue at Meetic in 2012 and 2011 of \$206.7 million and \$46.1 million, respectively, was negatively impacted by the write-off of \$5.2 million and \$32.6 million, respectively, of deferred revenue in connection with its acquisition. Developing revenue, which includes OkCupid, DateHookup and Match's international operations, excluding Meetic, decreased 9% to \$66.9 million, despite strong growth from OkCupid, due to lower subscription revenue from our Latin America venture and Singlesnet. Excluding Meetic in both years, revenue grew 7% to \$506.8 million.

Local revenue increased 6% to \$ 322.6 million , primarily reflecting growth from HomeAdvisor's operations. HomeAdvisor domestic revenue grew due to higher average lead acceptance fees. HomeAdvisor international revenue grew due to a 25% increase in accepted service requests and higher average lead acceptance fees. CityGrid Media revenue increased due to the contribution of Felix, a pay-per-call advertising service acquired August 20, 2012, and higher reseller revenue, partially offset by a decline in direct sales revenue.

Media revenue increased 135% to \$ 164.8 million primarily due to the contribution from News_Beast (formerly The Newsweek/DailyBeast Company), consolidated beginning June 1, 2012 following the Company's acquisition of a controlling interest, as well as strong growth from Electus and Vimeo.

For the year ended December 31, 2011 compared to the year ended December 31, 2010

Search & Applications revenue increased 29% to \$1.0 billion, reflecting strong growth from both Applications and Websites. Applications revenue grew 43% to \$540.4 million, reflecting increased contribution from both existing and new partners and new products. Websites revenue grew 17% to \$500.1 million, reflecting strong query gains driven primarily by increased marketing and content optimization.

Match revenue increased 29% to \$518.0 million benefiting from growth within its Core and Developing operations and the contribution of Meetic, which was consolidated beginning September 1, 2011. Core revenue increased 18% to \$398.6 million driven by an increase in subscribers. Developing revenue increased 19% to \$73.3 million driven primarily from display advertising revenue from the early 2011 acquisition of OkCupid, as well as from Match's venture with Meetic in Latin America, which was included for only part of the prior year, partially offset by lower subscription revenue from Singlesnet. Revenue at Meetic of \$46.1 million was negatively impacted by the write-off of \$32.6 million of deferred revenue in connection with its acquisition. Excluding Meetic, revenue grew 18% to \$471.9 million. Revenue in the prior year was negatively impacted by the write-off of \$4.1 million in deferred revenue associated with the Singlesnet acquisition and the formation of our venture with Meetic in Latin America in early 2010.

Local revenue increased 15% to \$303.4 million, benefiting from growth in both HomeAdvisor's operations. HomeAdvisor domestic revenue growth reflects an 8% increase in accepted service requests, which was driven, in part, by a 9% increase in service requests. HomeAdvisor domestic growth also reflects an increase in revenue from website design and hosting services. HomeAdvisor international revenue growth reflects a 43% increase in accepted service requests, which was driven, in part, by a 44% increase in service requests and a 15% increase in home services professionals. CityGrid Media revenue increased primarily due to growth from existing resellers and increased display advertising.

Media revenue increased 41% to \$70.2 million primarily reflecting growth at Electus, Notional and Vimeo, partially offset by a decrease in revenue from The Daily Beast, which following the formation of the joint venture with Harman Newsweek on January 31, 2011, was accounted for as an equity method investment beginning February 1, 2011.

Cost of revenue from Media increased primarily due to News_Beast, consolidated beginning June 1, 2012, and increased production costs at Electus related to the increase in its revenue. Cost of revenue from Media increased primarily due to an increase in production costs at Electus related to the increase in its revenue. Also contributing to the increase from Media are increases from Vimeo and Notional, partially offset by a decrease from The Daily Beast, which was accounted for as an equity method investment beginning February 1, 2011 as described above in the Revenue discussion. Cost of revenue from Local increased primarily due to an increase in traffic acquisition costs at CityGrid Media. The increase from Match is primarily due to the acquisition of Meetic. Cost of revenue from Other increased primarily due to an increase in the cost of products sold at Shoebuy resulting from increased sales.

General and administrative expense in 2012 increased from 2011 primarily due to increases of \$30.0 million from Media, \$15.1 million from Local, \$11.2 million from Match and \$8.5 million from Search & Applications. As a percentage of revenue, general and administrative expense in 2012 decreased from 2011 primarily due to operating expense leverage. The increase from Media resulted primarily from the inclusion of News_Beast, consolidated beginning June 1, 2012, which includes \$7.0 million in restructuring costs related to its transition to a digital only publication, as well as an increase in operating expenses at Electus. The increase in general and administrative expense from Local is primarily due to higher compensation and employee-related expenses at both HomeAdvisor and CityGrid Media, as well as an increase in bad debt expense at HomeAdvisor. The increase in compensation and employee-related expenses at CityGrid Media is primarily due to employee termination costs associated with a reduction in workforce and the acquisition of Felix. The increase from Match is primarily due to an increase in compensation and other employee-related costs due, in part, to acquisitions as well as an increase in headcount. Contributing to the increase at Search & Applications is a decrease in costs being capitalized in the current year, partially offset by lower compensation and other employee-related costs due, in part, to staff reductions that took place during the fourth quarter of 2010 associated with the Ask.com restructuring.

For the year ended December 31, 2012 compared to the year ended December 31, 2011

Search & Applications Operating Income Before Amortization increased 53% to \$313.1 million, benefiting from the higher revenue noted above and a decrease of \$10.5 million in depreciation, partially offset by increases of \$187.2 million in selling and marketing expense and \$122.0 million in traffic acquisition costs. The decrease in depreciation is due to certain fixed assets becoming fully depreciated in 2011 and the write-off of \$4.9 million in capitalized software costs associated with the exit of the Company's direct sponsored listings business in 2011. The increase in selling and marketing expense is driven primarily by increased online marketing expenditures related to Ask.com and existing B2C downloadable applications. The increase in traffic acquisition costs is primarily due to increased revenue from our B2B operations.

Match Operating Income Before Amortization increased 44% to \$225.8 million, primarily due to the contribution from Meetic and higher Core revenue noted above. Operating Income Before Amortization, excluding Meetic, was impacted by increases in selling and marketing expense and product development expense, partially offset by decreases in cost of revenue and general and administrative expense. The increase in selling and marketing expense is primarily due to an increase in offline marketing spend. Product development expense increased from 2011 primarily due to an increase in compensation and other employee-related costs due, in part, to an increase in headcount. The decrease in cost of revenue is primarily due to lower customer acquisition costs. The decrease in general and administrative expense is primarily due to the inclusion in the prior year of \$4.0 million in transaction fees associated with the Meetic acquisition.

Media Operating Income Before Amortization loss increased by \$29.0 million to a loss of \$44.8 million reflecting the consolidation of News_Beast beginning June 1, 2012. Included in the results of News_Beast is \$7.0 million in restructuring costs related to its transition to a digital only publication.

For the year ended December 31, 2011 compared to the year ended December 31, 2010

Search & Applications Operating Income Before Amortization increased 46% to \$205.0 million, benefiting from the higher revenue noted above and decreases of \$10.9 million in general and administrative expense, \$10.3 million in depreciation, and lower product development expense as a percentage of revenue, partially offset by increases of \$111.2 million in traffic acquisition costs and \$66.8 million in selling and marketing expense. The decrease in general and administrative expense is primarily due to a decrease in compensation and other employee-related costs, lower professional fees, including a decrease in litigation related expenses, and the inclusion in 2010 of lease termination costs associated with the Ask.com restructuring. The decrease in depreciation is due to the write-off of certain assets in the prior year, partially offset by the write-off of \$4.9 million in capitalized software costs in the third quarter of 2011 associated with the exit from our direct sponsored listings business. As a percentage of revenue, product development expense decreased primarily due to staff reductions that took place during the fourth quarter of 2010. The increase in traffic acquisition costs is primarily due to the increase in revenue. As a percentage of revenue, traffic acquisition costs increased over the prior year due to an increase in the proportion of revenue from our B2B customized browser-based applications and other arrangements with third parties who direct traffic to our websites. The increase in selling and marketing expense is driven primarily by increased online marketing expenditures related to Ask.com and new B2C downloadable applications.

Match Operating Income Before Amortization increased 28% to \$156.3 million, primarily due to the higher Core and Developing revenue noted above, partially offset by losses at Meetic resulting from the write-off of \$32.6 million of deferred revenue in connection with its acquisition. Operating Income Before Amortization was further impacted by increases in selling and marketing expense, general and administrative expense and product development expense. The increase in selling and marketing expense is due to an increase of \$22.7 million in advertising and promotional expenditures primarily related to offline and online marketing spend associated with the OurTime.com website and an advertising agreement entered into during the second quarter of 2010 with Yahoo. General and administrative expense increased from 2010, primarily due to \$4.0 million in transaction fees associated with the Meetic acquisition, as well as operating expenses from OkCupid, which was not in the prior year. The increase in product development expense is primarily due to an increase in compensation and other employee-related costs related to an increase in headcount.

Local Operating Income Before Amortization increased 165% to \$28.3 million, primarily due to profitability at CityGrid Media in the current year as compared to a loss in the prior year.

Refer to Note 15 to the consolidated financial statements for reconciliations of Operating Income Before Amortization to operating income (loss) by reportable segment.

For the year ended December 31, 2012 compared to the year ended December 31, 2011

Operating income in 2012 increased from 2011 primarily due to the increase of \$136.6 million in Operating Income Before Amortization described above and a decrease of \$3.0 million in non-cash compensation expense, partially offset by an increase of \$13.7 million in amortization of intangibles. The increase in amortization of intangibles is primarily related to The About Group and News_Beast.

At December 31, 2012, there was \$92.4 million of unrecognized compensation cost, net of estimated forfeitures, related to all equity-based awards, which is expected to be recognized over a weighted average period of approximately 2.4 years.

For the year ended December 31, 2011 compared to the year ended December 31, 2010

Operating income in 2011 increased from 2010 primarily due to an increase of \$118.8 million in Operating Income Before Amortization described above and decreases of \$28.0 million in goodwill and \$15.5 million in intangible asset impairment charges, described below, partially offset by an increase of \$4.3 million in non-cash compensation expense. The increase in non-cash compensation expense is primarily related to equity grants issued subsequent to 2010 and the impact of the cancellation and acceleration of certain equity awards during the second and third quarters of 2011, respectively, partially offset by awards becoming fully vested. Excluding the intangible asset impairment charge in 2010, amortization of intangibles increased \$10.1 million primarily due to the acquisition of Meetic.

In connection with the Company's annual impairment assessment in the fourth quarter of 2010, the Company identified and recorded impairment charges at the Other segment related to the write-down of the goodwill and intangible assets of Shoebuy of \$28.0 million and \$4.5 million, respectively, and the write-down of an indefinite-lived intangible asset of Search & Applications of \$11.0 million. The goodwill and indefinite-lived intangible asset impairment charges at Shoebuy reflected expectations of lower revenue and profit performance in future years due to Shoebuy's 2010 fourth quarter revenue and profit performance, which is its seasonally strongest quarter. The indefinite-lived intangible asset impairment charge at Search & Applications was primarily due to lower future revenue projections associated with a trade name and trademark based largely upon the impact of 2010's full year results.

Equity in losses of unconsolidated affiliates	\$(25,345)	\$10,955	30%	\$(36,300)	\$(10,624)	(41)%

Equity in losses of unconsolidated affiliates in 2012 includes a pre-tax non-cash charge of \$18.6 million related to the re-measurement of the carrying value of our equity method investment in News_Beast to fair value in connection with our acquisition of a controlling interest as well as losses related to News_Beast through May 31, 2012.

Equity in losses of unconsolidated affiliates in 2011 includes losses related to our equity method investment in News_Beast and a pre-tax non-cash charge of \$11.7 million related to the re-measurement of the carrying value of Match's 27%

equity method investment in Meetic to fair value (i.e., the tender offer price of €15.00 per share) in connection with our acquisition of a controlling interest. Partially offsetting these losses are earnings related to Meetic through August 31, 2011.

Equity in losses of unconsolidated affiliates in 2010 includes an \$18.3 million impairment charge to write-down one of the Company's equity method investments to fair value. The decline in value was determined to be other-than-temporary due to the investee's continued losses and negative operating cash flows. The Company estimated the fair value of its investment using a multiple of revenue approach. In addition, the Company recognized a loss in 2010 related to its investment in Meetic primarily due to the amortization of intangibles, which was required by purchase accounting rules.

Other expense, net in 2012 is primarily due to an \$8.7 million other-than-temporary impairment charge related to a long-term marketable equity security. The Company evaluated the near-term prospects of the issuer in relation to the severity and duration of its unrealized loss and based on that evaluation recorded an impairment charge in the fourth quarter of 2012.

Other income, net in 2011 is primarily due to \$4.6 million in gains associated with certain non-income tax refunds related to Match Europe, which was sold in 2009, and a foreign currency exchange gain of \$3.3 million related to the funds that were held in escrow for the Meetic tender offer.

Other expense, net in 2010 is primarily due to a \$7.8 million impairment charge related to one of the Company's cost method investments. The impairment charge was determined to be other-than-temporary due to the investee's inability to achieve its 2010 cash flow forecast during its seasonally strongest fourth quarter and the Company's assessment that the investee would be unable to continue to operate without new outside funding. Partially offsetting the impairment charge is a gain of \$4.0 million related to the sale of certain securities.

In 2012, the Company recorded an income tax provision for continuing operations of \$ 119.2 million , which represents an effective income tax rate of 41%. The 2012 effective rate is higher than the statutory rate of 35% due primarily to an increase in reserves for and interest on reserves for income tax contingencies, a valuation allowance on the deferred tax asset created by the other-than-temporary impairment charge related to a long-term marketable equity security and state taxes, partially offset by foreign income taxed at lower rates. In 2011, the Company recorded an income tax benefit for continuing operations of \$ 4.0 million despite pre-tax income of a \$ 171.5 million . The income tax benefit is due principally to the reversal of a previously established deferred tax liability described in the next sentence, the effective settlement of audits, expirations of statutes of limitations and foreign income taxed at lower rates. In connection with the acquisition of a controlling interest in Meetic in 2011, the Company concluded that it intends to indefinitely reinvest the earnings of Match's international operations related to Meetic, including the 2009 gain on sale of Match Europe, outside of the United States which resulted in a deferred tax liability reversal of \$43.7 million. In 2010, the Company recorded an income tax provision for continuing operations of \$ 32.1 million , which represents an effective tax rate of 141%. The 2010 tax rate is higher than the federal statutory rate of 35% due principally to non-deductible impairment charges related to goodwill and intangible assets, interest on reserves for income tax contingencies, a valuation allowance on the deferred tax asset created by the impairment charge for an equity method investment and state taxes, partially offset by foreign tax credits and foreign income taxed at lower rates.

At December 31, 2012 and 2011, the Company has unrecognized tax benefits of \$379.3 million and \$351.6 million, respectively. Unrecognized tax benefits at December 31, 2012 increased \$27.7 million from December 31, 2011 due principally to a net increase in deductible timing differences and additions for tax positions related to prior years. The Company recognizes interest and, if applicable, penalties related to unrecognized tax benefits in income tax provision. Included in income tax

provision for continuing operations and discontinued operations for the year ended December 31, 2012 is a \$5.2 million expense and a \$2.8 million benefit, respectively, net of related deferred taxes, for interest on unrecognized tax benefits. Included in income tax provision for continuing operations and discontinued operations for the year ended December 31, 2011 is a \$1.4 million expense and a \$6.7 million expense, respectively, net of related deferred taxes, respectively, for interest on unrecognized tax benefits. At December 31, 2012 and 2011, the Company has accrued \$117.5 million and \$111.2 million, respectively, for the payment of interest. At December 31, 2012 and 2011, the Company has accrued \$5.0 million and \$2.5 million, respectively, for penalties.

The Company is routinely under audit by federal, state, local and foreign authorities in the area of income tax. These audits include questioning the timing and the amount of income and deductions and the allocation of income and deductions among various tax jurisdictions. The Internal Revenue Service ("IRS") has substantially completed its audit of the Company's tax returns for the years ended December 31, 2001 through 2009. The settlement of these tax years has not yet been submitted to the Joint Committee of Taxation for approval. The statute of limitations for the years 2001 through 2009 has been extended to December 31, 2013, and we expect it to be extended further. Various state and local jurisdictions are currently under examination, the most significant of which are California, New York and New York City for various tax years beginning with 2005. Income taxes payable include reserves considered sufficient to pay assessments that may result from examination of prior year tax returns. Changes to reserves from period to period and differences between amounts paid, if any, upon resolution of issues raised in audits and amounts previously provided may be material. Differences between the reserves for income tax contingencies and the amounts owed by the Company are recorded in the period they become known. The Company believes that it is reasonably possible that its unrecognized tax benefits could decrease by \$122.2 million within twelve months of the current reporting date, of which approximately \$13.4 million could decrease income tax provision, primarily due to settlements, expirations of statutes of limitations, and the reversal of deductible temporary differences that will primarily result in a corresponding decrease in net deferred tax assets. An estimate of other changes in unrecognized tax benefits, while potentially significant, cannot be made.

In 2010, the Company recognized an after-tax gain of \$140.8 million on the tax-free exchange of Evite, Gifts.com and IAC Advertising Solutions.

The 2012 loss is primarily due to an increase in reserves for income tax contingencies. The 2011 loss is primarily due to interest on reserves for income tax contingencies, partially offset by foreign currency exchange gains related to the liquidation of certain inactive subsidiaries. The 2010 loss is primarily due to losses of InstantAction, which includes a pre-tax impairment charge related to goodwill of \$31.6 million.

FINANCIAL POSITION, LIQUIDITY AND CAPITAL RESOURCES

At December 31, 2012, the Company had \$750.0 million of cash and cash equivalents, \$20.6 million of marketable securities and \$595.8 million of long-term debt, including current maturities of \$15.8 million. Domestically, cash equivalents primarily consist of AAA rated money market funds. Internationally, cash equivalents primarily consist of AAA rated money market funds and time deposits. Marketable securities primarily consist of short-to-intermediate-term debt securities issued by investment grade corporate issuers. The Company only invests in marketable securities with active secondary or resale markets to ensure portfolio liquidity and the ability to readily convert investments into cash to fund current operations or satisfy other cash requirements as needed. From time to time, the Company may invest in marketable equity securities as part of its investment strategy. Long-term debt, including current maturities, is comprised of \$500.0 million in 2012 Senior Notes due December 15, 2022, \$80.0 million in Liberty Bonds due September 1, 2035 and \$15.8 million in 2002 Senior Notes, which was paid on January 15, 2013.

At December 31, 2012, \$244.0 million of the \$ 750.0 million of cash and cash equivalents and none of the \$ 20.6 million of marketable securities were held by the Company's foreign subsidiaries. No U.S. federal or state income taxes have been provided on the indefinitely reinvested earnings of any of the Company's foreign subsidiaries that hold this cash and cash equivalents. If needed for our operations in the U.S., most of the cash and cash equivalents held by the Company's foreign subsidiaries could be repatriated to the U.S. but, under current law, would be subject to U.S. federal and state income taxes. However, the Company's intent is to indefinitely reinvest these funds outside of the U.S. The Company currently does not anticipate a need to repatriate them to fund our U.S. operations.

In summary, the Company's cash flows attributable to continuing operations are as follows:

	December 31,		
	2012	2011	2010
	(In thousands)		
Net cash provided by operating activities	\$ 354,527	\$ 372,386	\$ 340,707
Net cash used in investing activities	(352,088)	(25,186)	(118,096)
Net cash provided by (used in) financing activities	44,301	(372,233)	(717,210)

Net cash provided by operating activities attributable to continuing operations consists of earnings or loss from continuing operations adjusted for non-cash items, including non-cash compensation expense, depreciation, amortization of intangibles, deferred income taxes, asset impairment charges and equity in income or losses of unconsolidated affiliates, and the effect of changes in working capital activities. Net cash provided by operating activities attributable to continuing operations in 2012 was \$354.5 million and consists of earnings from continuing operations of \$ 169.8 million , adjustments for non-cash items of \$261.3 million and cash used in working capital activities of \$76.6 million. Adjustments for non-cash items primarily consists of \$ 85.6 million of non-cash compensation expense, \$ 52.5 million of depreciation, \$37.1 million of deferred income taxes and \$ 25.3 million of equity in losses of unconsolidated affiliates, which includes a non-cash charge of \$18.6 million to re-measure the carrying value of our investment in News_Beast to fair value in connection with our acquisition of a controlling interest. The deferred income tax provision primarily relates to the vesting of restricted stock units, the exercise of stock options and the accelerated payment of 2012 bonuses. The decrease in cash from changes in working capital activities primarily consists of an increase of \$ 31.0 million in accounts receivable, an increase of \$ 23.0 million in other current assets, a decrease in accounts payable and other current liabilities of \$ 14.4 million and a decrease in income taxes payable of \$ 10.1 million . The increase in accounts receivable is primarily due to the growth in revenue at Search & Applications earned from our services agreement with Google; the related receivable from Google was \$ 125.3 million and \$ 105.7 million at December 31, 2012 and 2011, respectively. While our Match and HomeAdvisor businesses experienced growth, the accounts receivable at these businesses are principally credit card receivables and, accordingly, are not significant in relation to the revenue of these businesses. The increase in other current assets is primarily related to a receivable for insurance claims related to Hurricane Sandy, an increase in capitalized downloadable search toolbar costs and an increase in short-term production costs at certain of our Media businesses that are capitalized as the television program, video or film is being produced. The decrease in accounts payable and other current liabilities is primarily due to a decrease in accrued employee compensation and benefits, partially offset by an increase in accrued advertising expense. The decrease in accrued employee compensation and benefits is due to the payment of the 2012 and 2011 bonuses in 2012. The increase in accrued advertising expense is primarily due to an increase in advertising and promotional expenditures at Search & Applications. The decrease in income taxes payable is due to current year income tax payments in excess of current year income tax accruals.

Net cash used in investing activities attributable to continuing operations in 2012 of \$ 352.1 million includes cash consideration used in acquisitions and investments of \$447.0 million primarily related to the acquisition of The About Group, and capital expenditures of \$51.2 million primarily related to the internal development of software to support our products and

services, partially offset by net maturities and sales of marketable debt securities and sales of long-term investments of \$ 155.7 million .

Net cash provided by financing activities attributable to continuing operations in 2012 of \$ 44.3 million includes \$500.0 million in proceeds from the issuance of our 2012 Senior Notes, proceeds related to the issuance of common stock, net of withholding taxes, of \$262.8 million, and excess tax benefits from stock-based awards of \$57.1 million, partially offset by \$691.8 million for the repurchase of 15.5 million shares of common stock at an average price of \$46.09 per share and \$68.2 million related to the payment of cash dividends to IAC shareholders. Included in the proceeds related to the issuance of common stock are proceeds of \$284.1 million from the exercise of warrants to acquire 11.7 million shares of IAC common stock, some of which were exercised on a cashless or net basis. The weighted average strike price of the warrants was \$28.40 per share.

Net cash provided by operating activities attributable to continuing operations in 2011 was \$ 372.4 million and consists of earnings from continuing operations of \$ 175.6 million , adjustments for non-cash items of \$176.9 million and cash provided by working capital activities of \$19.9 million. Adjustments for non-cash items primarily consists of \$ 88.6 million of non-cash compensation expense, \$ 56.7 million of depreciation, \$ 36.3 million of equity in losses of unconsolidated affiliates, which includes a non-cash charge of \$11.7 million to re-measure the carrying value of our investment in Meetic to fair value in connection with our acquisition of a controlling interest, partially offset by \$ 35.5 million of deferred income taxes. The deferred income tax benefit primarily relates to the reversal of a previously established deferred tax liability in connection with the acquisition of a controlling interest in Meetic. The increase in cash from changes in working capital activities primarily consists of an increase of \$ 57.2 million in accounts payable and other current liabilities and an increase of \$48.9 million in deferred revenue, partially offset by an increase in accounts receivable of \$ 58.3 million and a decrease in income taxes payable of \$ 29.2 million . The increase in accounts payable and other current liabilities is primarily due to an increase in accrued advertising expense, an increase in accrued employee compensation and benefits and an increase in accrued revenue share expense. The increase in accrued advertising expense is primarily due to an increase in advertising and promotional expenditures at Search & Applications. The increase in accrued employee compensation and benefits is primarily due to the increase in the 2011 bonus accrual which was paid entirely in the first quarter of 2012 as compared to the 2010 bonus accrual which was partially paid in December of 2010 and the remainder in the first quarter of 2011. The increase in accrued revenue share expense is primarily due to an increase in traffic acquisition costs at Search & Applications. The increase in deferred revenue is primarily due to the growth in subscription revenue at Match, which includes an increase of \$29.5 million in deferred revenue at Meetic, as well as growth at Electus, Vimeo and Notional. The increase in accounts receivable is primarily due to the growth in revenue earned from our services agreement with Google; the related receivable from Google was \$ 105.7 million and \$ 70.5 million at December 31, 2011 and 2010, respectively. While our Match, Media and HomeAdvisor businesses experienced strong growth, the accounts receivable at these businesses are principally credit card receivables and, accordingly, are not significant in relation to the revenue of these businesses. The decrease in income taxes payable is primarily attributable to excess tax benefits of \$22.2 million from stock-based awards that were recorded in 2011 related to the income tax benefit realized from the exercise of stock options and the vesting of restricted stock units. To the extent such deductions reduce income taxes payable, they are reported as financing activities in the consolidated statement of cash flows. In addition, current year income tax payments in 2011 were in excess of current year income tax accruals.

Net cash used in investing activities attributable to continuing operations in 2011 of \$ 25.2 million includes cash consideration used in acquisitions and investments of \$368.7 million primarily related to the acquisitions of Meetic and OkCupid and the investment in Zhenai Inc. and capital expenditures of \$ 40.0 million primarily related to the internal development of software to support our products and services, partially offset by net maturities and sales of marketable debt securities and sales of long-term investments of \$396.2 million.

Net cash used in financing activities attributable to continuing operations in 2011 of \$ 372.2 million includes \$ 507.8 million for the repurchase of 13.6 million shares of common stock at an average price of \$38.20 per share and \$10.7 million related to the payment of cash dividends to IAC shareholders, partially offset by proceeds related to the issuance of common stock, net of withholding taxes, of \$ 132.8 million , and excess tax benefits from stock-based awards of \$ 22.2 million . Included in the proceeds related to the issuance of common stock are proceeds of \$76.0 million from the exercise of warrants to acquire 3.2 million shares of IAC common stock. The weighted average strike price of the warrants was \$26.90 per share.

Net cash provided by operating activities attributable to continuing operations in 2010 was \$ 340.7 million and consists of a loss from continuing operations of \$ 9.4 million , adjustments for non-cash items of \$241.0 million and cash provided by working capital activities of \$109.1 million. Adjustments for non-cash items primarily consists of \$ 84.3 million of non-cash compensation expense, \$ 63.9 million of depreciation, \$ 28.0 million of goodwill impairment, \$ 27.5 million of amortization of intangibles, which includes an impairment charge of \$15.5 million and \$ 25.7 million of equity in losses of unconsolidated affiliates. The increase in cash from changes in working capital activities primarily consists of an increase of \$ 76.7 million in

income taxes payable, an increase of \$ 54.2 million in accounts payable and other current liabilities and an increase in deferred revenue of \$ 19.7 million, partially offset by an increase in accounts receivable of \$ 32.9 million. The increase in income taxes payable was primarily a result of income tax refunds received in 2010 related to the federal carryback of net capital losses generated from the sale of ARO stock in 2009 and the receipt of refundable New York State tax credits under the Brownfield Cleanup Program Act, which were recorded as an income tax receivable in 2007 and principally related to the construction of the Company's headquarters building in New York City. The increase in accounts payable and other current liabilities is primarily due to an increase in accrued revenue share expense and an increase in accrued advertising expense. The increase in accrued revenue share expense is primarily due to an increase in the proportion of revenue from our B2B customized browser-based applications and other arrangements with third parties who direct traffic to our websites as well as a shift in partner mix to partners carrying higher traffic acquisition costs. The increase in accrued advertising expense is primarily due to an increase in advertising and promotional expenditures in the fourth quarter of 2010 relative to the fourth quarter of 2009 at Search & Applications and Match. The increase in deferred revenue is primarily due to the growth in subscription revenue at Match. The increase in accounts receivable is primarily due to the growth in revenue earned from our services agreement with Google; the related receivable from Google was \$ 70.5 million and \$ 53.7 million at December 31, 2010 and 2009, respectively. While our Match, Media and HomeAdvisor businesses experienced strong growth, the accounts receivable at these businesses are principally credit card receivables and, accordingly, are not significant in relation to the revenue of these businesses.

Net cash used in investing activities attributable to continuing operations in 2010 of \$ 118.1 million includes net purchases of marketable debt securities of \$ 74.8 million, capital expenditures of \$ 39.8 million primarily related to the internal development of software to support our offerings and our increased number of users, cash consideration used in acquisitions and investments of \$ 19.6 million primarily related to the acquisitions of Singlesnet and DailyBurn.com, partially offset by a cash dividend of \$ 11.4 million received from Meetic.

Net cash used in financing activities attributable to continuing operations in 2010 of \$ 717.2 million includes \$ 539.6 million for the repurchase of 23.1 million shares of common stock at an average price of \$22.98 per share and \$ 217.9 million in cash related to the Liberty Exchange described below, partially offset by proceeds related to the issuance of common stock, net of withholding taxes of \$ 25.9 million and excess tax benefits from stock-based awards of \$ 14.3 million. On December 1, 2010, the Company completed the tax-free exchange of Evite, Gifts.com, IAC Advertising Solutions and \$ 217.9 million in cash for substantially all of Liberty's equity stake in IAC, representing 8.5 million shares of Class B common stock and 4.3 million shares of IAC common stock.

The Company's principal sources of liquidity are its cash and cash equivalents and marketable securities as well as its cash flows generated from operations. The Company has a \$300.0 million revolving credit facility, which is available as an additional source of financing. At December 31, 2012, there were no outstanding borrowings under the revolving credit facility.

The Company anticipates that it will need to make capital and other expenditures in connection with the development and expansion of its operations. The Company expects that 2013 capital expenditures will be higher than 2012. At December 31, 2012, IAC had 3.1 million shares remaining in its share repurchase authorization. IAC may purchase shares over an indefinite period of time on the open market and in privately negotiated transactions, depending on those factors IAC management deems relevant at any particular time, including, without limitation, market conditions, share price and future outlook. On February 5, 2013, IAC declared a quarterly cash dividend of \$0.24 per share of common and Class B common stock outstanding; the dividend is payable on March 1, 2013 to stockholders of record on February 15, 2013. Future declarations of dividends are subject to the determination of IAC's Board of Directors.

The Company believes its existing cash, cash equivalents and marketable securities, together with its expected positive cash flows generated from operations in 2013 and available borrowing capacity under its \$300.0 million revolving credit facility will be sufficient to fund its normal operating requirements, including capital expenditures, share repurchases, quarterly cash dividends, and investing and other commitments for the foreseeable future. Our liquidity could be negatively affected by a decrease in demand for our products and services. The Company may make acquisitions and investments that could reduce its cash, cash equivalents and marketable securities balances and as a result, the Company may need to raise additional capital through future debt or equity financing to provide for greater financial flexibility. Additional financing may not be available at all or on terms favorable to us.

Other than the items described above, the Company does not have any off-balance sheet arrangements as of December 31, 2012.

IAC'S PRINCIPLES OF FINANCIAL REPORTING

IAC reports Operating Income Before Amortization as a supplemental measure to generally accepted accounting principles ("GAAP"). This measure is one of the primary metrics by which we evaluate the performance of our businesses, on which our internal budgets are based and by which management is compensated. We believe that investors should have access to, and we are obligated to provide, the same set of tools that we use in analyzing our results. This non-GAAP measure should be considered in addition to results prepared in accordance with GAAP, but should not be considered a substitute for or superior to GAAP results. IAC endeavors to compensate for the limitations of the non-GAAP measure presented by providing the comparable GAAP measure with equal or greater prominence, financial statements prepared in accordance with GAAP, and descriptions of the reconciling items, including quantifying such items, to derive the non-GAAP measure. We encourage investors to examine the reconciling adjustments between the GAAP and non-GAAP measure, which we discuss below.

Definition of IAC's Non-GAAP Measure

Operating Income Before Amortization is defined as operating income excluding, if applicable: (1) non-cash compensation expense, (2) amortization and impairment of intangibles, (3) goodwill impairment, and (4) one-time items. We believe this measure is useful to investors because it represents the consolidated operating results from IAC's segments, taking into account depreciation, which we believe is an ongoing cost of doing business, but excluding the effects of any other non-cash expenses. Operating Income Before Amortization has certain limitations in that it does not take into account the impact to IAC's statement of operations of certain expenses, including non-cash compensation and acquisition-related accounting.

One-Time Items

Operating Income Before Amortization is presented before one-time items, if applicable. These items are truly one-time in nature and non-recurring, infrequent or unusual, and have not occurred in the past two years or are not expected to recur in the next two years, in accordance with the Securities and Exchange Commission rules. GAAP results include one-time items. For the periods presented in this report, there are no one-time items.

Non-Cash Expenses That Are Excluded From IAC's Non-GAAP Measure

Non-cash compensation expense consists principally of expense associated with the grants, including unvested grants assumed in acquisitions, of stock options, restricted stock units ("RSUs") and performance-based RSUs. These expenses are not paid in cash, and we include the related shares in our fully diluted shares outstanding which, for stock options and RSUs, are included on a treasury method basis, and for performance-based RSUs are included on a treasury method basis once the performance conditions are met. Upon the exercise of certain stock options and vesting of RSUs and performance-based RSUs, the awards are settled, at the Company's discretion, on a net basis, with the Company remitting the required tax withholding amount from its current funds.

Amortization of intangibles (including impairment of intangibles, if applicable) and goodwill impairment (if applicable) are non-cash expenses relating primarily to acquisitions. At the time of an acquisition, the identifiable definite-lived intangible assets of the acquired company, such as content, technology, advertiser and supplier relationships and customer lists, are valued and amortized over their estimated lives. Value is also assigned to acquired indefinite-lived intangible assets, which comprise trade names and trademarks, and goodwill that are not subject to amortization. An impairment is recorded when the carrying value of an intangible asset or goodwill exceeds its fair value. While it is likely that we will have significant intangible amortization expense as we continue to acquire companies, we believe that intangible assets represent costs incurred by the acquired company to build value prior to acquisition and the related amortization and impairment charges of intangible assets or goodwill, if applicable, are not ongoing costs of doing business.

RECONCILIATION OF OPERATING INCOME BEFORE AMORTIZATION

For a reconciliation of Operating Income Before Amortization to operating income (loss) by reportable segment for the years ended December 31, 2012, 2011 and 2010, see Note 15 to the consolidated financial statements.

Critical Accounting Policies and Estimates

The following disclosure is provided to supplement the descriptions of IAC's accounting policies contained in Note 2 to the consolidated financial statements in regard to significant areas of judgment. Management of the Company is required to make certain estimates, judgments and assumptions during the preparation of its consolidated financial statements in accordance with U.S. generally accepted accounting principles. These estimates, judgments and assumptions impact the reported amount of assets, liabilities, revenue and expenses and the related disclosure of contingent assets and liabilities as of the date of the consolidated financial statements. Actual results could differ from those estimates. Because of the size of the financial statement elements to which they relate, some of our accounting policies and estimates have a more significant impact on our consolidated financial statements than others. What follows is a discussion of some of our more significant accounting policies and estimates.

Recoverability of Goodwill and Indefinite-Lived Intangible Assets

Goodwill and indefinite-lived intangible assets, which consist of the Company's acquired trade names and trademarks, are assessed annually for impairment as of October 1 or more frequently if an event occurs or circumstances change that would more likely than not reduce the fair value of a reporting unit or the fair value of an indefinite-lived intangible asset below its carrying value. The annual assessments identified impairment charges in 2010 related to the Shoebuy and Search & Applications reporting units. These impairment charges are more fully described above in "Results of Operations for the Years Ended December 31, 2012, 2011 and 2010." The value of goodwill and indefinite-lived intangible assets that is subject to annual assessment for impairment is \$ 1.6 billion and \$379.0 million, respectively, at December 31, 2012.

In 2012, the Company adopted Accounting Standards Update ("ASU") 2011-08, "Testing Goodwill for Impairment," which gives companies the option to qualitatively assess whether it is more likely than not that the fair value of a reporting unit is less than its carrying value. If it is not more likely than not that the fair value of the reporting unit is less than its carrying value, no further assessment of that reporting unit's goodwill is necessary. If it is more likely than not that the fair value of the reporting unit is less than the carrying value then goodwill must be tested for impairment using a two-step process. The first step involves a comparison of the estimated fair value of each of the Company's reporting units to its carrying value, including goodwill. In performing the first step, the Company determines the fair value of a reporting unit using a discounted cash flow ("DCF") analysis. Determining fair value requires the exercise of significant judgment, including judgment about the amount and timing of expected future cash flows and appropriate discount rates. The expected cash flows used in the DCF analyses are based on the Company's most recent budget and, for years beyond the budget, the Company's estimates, which are based, in part, on forecasted growth rates. The discount rates used in the DCF analyses are intended to reflect the risks inherent in the expected future cash flows of the respective reporting units. Assumptions used in the DCF analyses, including the discount rate, are assessed annually based on the reporting units' current results and forecast, as well as macroeconomic and industry specific factors. The discount rates used in the Company's annual goodwill impairment assessment ranged from 13% to 25% in 2012 and 13% to 20% in 2011. If the estimated fair value of a reporting unit exceeds its carrying value, goodwill of the reporting unit is not impaired and the second step of the impairment test is not necessary. If the carrying value of a reporting unit exceeds its estimated fair value, then the second step of the goodwill impairment test must be performed. The second step of the goodwill impairment test compares the implied fair value of the reporting unit's goodwill with its carrying value to measure the amount of impairment, if any. The implied fair value of goodwill is determined in the same manner as the amount of goodwill recognized in a business combination. In other words, the estimated fair value of the reporting unit is allocated to all of the assets and liabilities of that unit (including any unrecognized intangible assets) as if the reporting unit had been acquired in a business combination and the fair value of the reporting unit was the purchase price paid. If the carrying value of the reporting unit's goodwill exceeds the implied fair value of that goodwill, an impairment is recognized in an amount equal to that excess.

The fair value of each of the Company's seven reporting units, excluding Tutor which was acquired in December 2012, exceed their carrying values by more than 20% at October 1, 2012, the date of our most recent annual impairment assessment. Any impairment charge that might result in the future would be determined based upon the excess of the carrying value of goodwill over its implied fair value using the second step of the impairment analysis that is described above but, in any event, would not be expected to be lower than the excess of the carrying value of the reporting unit over its fair value. The primary driver in the DCF valuation analyses and the determination of the fair values of the Company's reporting units is the estimate of future revenue and profitability. Generally, the Company would expect to record an impairment if forecasted revenue and profitability are no longer expected to be achieved and as a result, the carrying value of a reporting unit(s) exceeds its fair value. This assessment would be based, in part, upon the performance of its businesses relative to budget, the Company's assessment of macroeconomic factors, industry and competitive dynamics and the strategies of its businesses in response to these factors.

In 2012, the Company adopted ASU 2012-02, "Testing Indefinite-Lived Intangible Assets for Impairment," which gives companies the option to qualitatively assess whether it is more likely than not that the fair value of an indefinite-lived intangible asset is less than its carrying value. If it is not more likely than not that the fair value of an indefinite-lived intangible asset is less than its carrying value, the fair value of the asset does not need to be determined. If it is more likely than not that

the fair value of an indefinite-lived intangible asset is less than the carrying value then the fair value of asset must be determined and compared to its carrying value. If the carrying value of the intangible asset exceeds its fair value, an impairment loss is recognized in an amount equal to that excess. The estimates of fair value of indefinite-lived intangible assets are determined using an avoided royalty DCF valuation analysis. Significant judgments inherent in this analysis include the selection of appropriate royalty and discount rates and estimating the amount and timing of expected future cash flows. The discount rates used in the DCF analyses are intended to reflect the risks inherent in the expected future cash flows generated by the respective intangible assets. The royalty rates used in the DCF analyses are based upon an estimate of the royalty rates that a market participant would pay to license the Company's trade names and trademarks. Assumptions used in the avoided royalty DCF analyses, including the discount rate and royalty rate, are assessed annually based on the actual and projected cash flows related to the asset, as well as macroeconomic and industry specific factors. The discount rates used in the Company's annual indefinite-lived impairment assessment ranged from 10% to 18% in 2012 and 13% to 20% in 2011, and the royalty rates used ranged from 1% to 9% in both 2012 and 2011.

Recoverability of Long-Lived Assets

We review the carrying value of all long-lived assets, comprising property and equipment and definite-lived intangible assets, for impairment whenever events or changes in circumstances indicate that the carrying value of an asset may not be recoverable. The carrying value of a long-lived asset is not recoverable if it exceeds the sum of the undiscounted cash flows expected to result from the use and eventual disposition of the asset. If the carrying value is deemed not to be recoverable, an impairment loss is recorded equal to the amount by which the carrying value of the long-lived asset exceeds its fair value. During 2011 the Company wrote-off certain capitalized software costs. These charges are more fully described above in "Results of Operations for the Years Ended December 31, 2012, 2011 and 2010." The carrying value of property and equipment and definite-lived intangible assets is \$374.5 million at December 31, 2012.

Income Taxes

Estimates of deferred income taxes and the significant items giving rise to the deferred assets and liabilities are shown in Note 4 to the consolidated financial statements, and reflect management's assessment of actual future taxes to be paid on items reflected in the consolidated financial statements, giving consideration to both timing and the probability of realization. As of December 31, 2012, the balance of deferred tax liabilities, net, is \$303.0 million. Actual income taxes could vary from these estimates due to future changes in income tax law, state income tax apportionment or the outcome of any review of our tax returns by the various tax authorities, as well as actual operating results of the Company that vary significantly from anticipated results.

We recognize liabilities for uncertain tax positions based on the two-step process. The first step is to evaluate the tax position for recognition by determining if the weight of available evidence indicates it is more likely than not that the position will be sustained on audit, including resolution of related appeals or litigation processes, if any. A tax position that meets the more likely than not recognition threshold is then measured for purposes of financial statement recognition as the largest amount of benefit which is more than 50% likely of being realized upon ultimate settlement. This measurement step is inherently difficult and requires subjective estimations of such amounts to determine the probability of various possible outcomes. We consider many factors when evaluating and estimating our tax positions and tax benefits, which may require periodic adjustments and which may not accurately anticipate actual outcomes. At December 31, 2012, the Company has unrecognized tax benefits of \$496.8 million, including interest. Changes to reserves from period to period and differences between amounts paid, if any, upon resolution of issues raised in audits and amounts previously provided may be material. Differences between the reserves for income tax contingencies and the amounts owed by the Company are recorded in the period they become known.

Stock-Based Compensation

As disclosed in the notes to the consolidated financial statements, the Company estimated the fair value of stock options issued in 2012, 2011 and 2010 using a Black-Scholes option pricing model with the following weighted average assumptions: risk-free interest rates of 0.6%, 2.3% and 2.4%, respectively, a dividend yield of 1.2%, zero and zero, respectively, volatility factors of 31%, 30% and 30%, respectively, based on the historical stock price volatilities of IAC and a weighted average expected term of the stock options of 4.4 years, 6.1 years and 5.6 years, respectively. For stock options, including unvested stock options assumed in acquisitions, the value of the stock option is measured at the grant date (or acquisition date, if applicable) at fair value and expensed over the remaining vesting term. The impact on non-cash compensation expense for the year ended December 31, 2012, assuming a 1% increase in the risk-free interest rate, a 10% increase in the volatility factor, and a one year increase in the weighted average expected term of the outstanding options would be an increase of \$2.2 million, \$10.4 million, and \$5.0 million, respectively. The Company also issues RSUs and performance-based RSUs. For RSUs issued, the value of the instrument is measured at the grant date as the fair value of IAC common stock and expensed as non-cash compensation expense over the vesting term. For performance-based RSUs issued, the value of the instrument is measured at

the grant date as the fair value of IAC common stock and expensed as non-cash compensation over the vesting term when the performance targets are considered probable of being achieved.

Marketable Securities

The Company invests in certain marketable securities, which primarily consist of short-to-intermediate-term debt securities issued by investment grade corporate issuers. The unrealized gains and losses on marketable securities, net of tax, are included in accumulated other comprehensive income as a separate component of shareholders' equity. The specific-identification method is used to determine the cost of securities sold and the amount of unrealized gains and losses reclassified out of accumulated other comprehensive income into earnings.

The Company employs a methodology that considers available evidence in evaluating potential other-than-temporary impairments of its investments. Investments are considered to be impaired when a decline in fair value below the amortized cost basis is determined to be other-than-temporary. Factors considered in determining whether a loss is other-than-temporary include the length of time and extent to which fair value has been less than the amortized cost basis, the financial condition and near-term prospects of the issuer, and whether it is not more likely than not that the Company will be required to sell the security before the recovery of the amortized cost basis, which may be maturity. If a decline in fair value is determined to be other-than-temporary, an impairment charge is recorded in current earnings and a new cost basis in the investment is established. Future events may result in reconsideration of the nature of losses as other-than-temporary and market and other factors may cause the value of the Company's investment in marketable securities to decline. During 2012, the Company recorded an other-than-temporary impairment charge of \$8.7 million related to one of its long-term marketable equity securities. This charge is more fully described above in "Results of Operations for the Years Ended December 31, 2012, 2011 and 2010." During 2011, the Company did not consider any of its marketable securities to be other-than-temporarily impaired.

Item 7A. Quantitative and Qualitative Disclosures About Market Risk

Interest Rate Risk

The Company's exposure to market risk for changes in interest rates relates primarily to the Company's cash equivalents, marketable debt securities and long-term debt, including the current portion thereof.

The Company invests its excess cash in certain cash equivalents and marketable debt securities, which consist primarily of money market instruments and short-to-intermediate-term debt securities issued by investment grade corporate issuers. The Company employs a methodology that considers available evidence in evaluating potential impairment of its investments. Investments are considered to be impaired when a decline in fair value below the amortized cost basis is determined to be other-than-temporary. If a decline in fair value is determined to be other-than-temporary, an impairment charge is recorded and a new cost basis in the investment is established. During 2012, the Company did not record any other-than-temporary impairment charges related to its cash equivalents and marketable debt securities.

Based on the Company's total investment in marketable debt securities at December 31, 2012, a 100 basis point increase or decrease in the level of interest rates would, respectively, decrease or increase the fair value of these securities by less than \$0.1 million. Such potential increase or decrease in fair value is based on certain simplifying assumptions, including a constant level and rate of debt securities and an immediate across-the-board increase or decrease in the level of interest rates with no other subsequent changes for the remainder of the period. Conversely, since almost all of the Company's cash and cash equivalents balance of \$ 750.0 million is invested in short-term fixed or variable rate money market instruments, the Company would also earn more (less) interest income due to such an increase (decrease) in interest rates.

At December 31, 2012, the Company's outstanding debt is \$595.8 million, all of which pays interest at fixed rates. If market rates decline, the Company runs the risk that the related required payments on the fixed rate debt will exceed those based on market rates. A 100 basis point increase or decrease in the level of interest rates would, respectively, decrease or increase the fair value of the fixed-rate debt by \$49.9 million. Such potential increase or decrease in fair value is based on certain simplifying assumptions, including a constant level and rate of fixed-rate debt for all maturities and an immediate across-the-board increase or decrease in the level of interest rates with no other subsequent changes for the remainder of the period.

Equity Price Risk

The Company is exposed to market risk as it relates to changes in the market value of its investments.

At December 31, 2012, the Company has three investments in equity securities of publicly traded companies. These available-for-sale marketable equity securities are reported at fair value based on their quoted market prices with any unrealized gain or loss, net of tax, included as a component of "Accumulated other comprehensive loss" in the accompanying consolidated balance sheet. Investments in equity securities of publicly traded companies are exposed to significant fluctuations in fair value due to the volatility of the stock market. During 2012, the Company recorded an \$8.7 million other-than-temporary impairment charge related to one of its available-for-sale marketable equity securities. The other-than-temporary impairment charge is included in "Other (expense) income, net" in the accompanying consolidated statement of operations.

Foreign Currency Exchange Risk

The Company conducts business in certain foreign markets, primarily in the European Union. The Company's primary exposure to foreign currency exchange risk relates to investments in foreign subsidiaries that transact business in a functional currency other than the U.S. Dollar, primarily the Euro and British Pound Sterling. However, the exposure is mitigated since the Company has generally reinvested cash flows from international operations in order to grow the businesses. The statements of operations of the Company's international businesses are translated into U.S. dollars at the average exchange rates in each applicable period. To the extent the U.S. dollar strengthens against foreign currencies, the translation of these foreign currency denominated transactions results in reduced revenue and operating results. Similarly, the Company's revenue and operating results will increase for our international operations if the U.S. dollar weakens against foreign currencies. The Company is also exposed to foreign currency exchange risk related to its assets and liabilities denominated in a currency other than the functional currency.

The economic impact of foreign currency exchange rate movements on the Company is often linked to variability in real growth, inflation, interest rates, governmental actions and other factors. These changes, if material, could cause the Company to adjust its financing and operating strategies. Foreign currency exchange gains and losses are not material to the Company's earnings in 2012, 2011 and 2010. As foreign currency exchange rates change, translation of the statements of operations of the Company's international businesses into U.S. dollars affects year-over-year comparability of operating results. Historically, the Company has not hedged foreign currency exchange risks because cash flows from international operations are generally reinvested locally. However, the Company periodically reviews its strategy for hedging foreign currency exchange risks. The

Company's objective in managing its foreign currency exchange risk is to minimize its potential exposure to the changes that foreign currency exchange rates might have on its earnings, cash flows and financial position.

Item 8. Consolidated Financial Statements and Supplementary Data

Report of Independent Registered Public Accounting Firm

The Board of Directors and Shareholders of IAC/InterActiveCorp

We have audited the accompanying consolidated balance sheet of IAC/InterActiveCorp and subsidiaries as of December 31, 2012 and 2011, and the related consolidated statements of operations, comprehensive income, shareholders' equity, and cash flows for each of the three years in the period ended December 31, 2012. Our audits also included the financial statement schedule listed in the Index at Item 15(a). These financial statements and financial statement schedule are the responsibility of the Company's management. Our responsibility is to express an opinion on these financial statements and schedule based on our audits.

We conducted our audits in accordance with the standards of the Public Company Accounting Oversight Board (United States). Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the consolidated financial position of IAC/InterActiveCorp and subsidiaries as of December 31, 2012 and 2011, and the consolidated results of their operations and their cash flows for each of the three years in the period ended December 31, 2012, in conformity with U.S. generally accepted accounting principles. Also, in our opinion, the related financial statement schedule, when considered in relation to the basic consolidated financial statements taken as a whole, presents fairly in all material respects the information set forth therein.

We also have audited, in accordance with the standards of the Public Company Accounting Oversight Board (United States), IAC/InterActiveCorp's internal control over financial reporting as of December 31, 2012, based on criteria established in the Internal Control-Integrated Framework issued by the Committee of Sponsoring Organizations of the Treadway Commission and our report dated March 1, 2013 expressed an unqualified opinion thereon.

We provide these services through websites and applications that we own and operate. Our European operations are conducted through an 81% stake in Meetic, S.A. ("Meetic"), which is based in France. See Note 5 for additional information related to the Meetic acquisition.

Our Local segment consists of HomeAdvisor (formerly ServiceMagic) and CityGrid Media. HomeAdvisor is a leading online marketplace for matching consumers with home services professionals in the United States. HomeAdvisor connects consumers, by way of patented proprietary technologies, with home services professionals, all of which are pre-screened and the majority of which are customer-rated. Through a majority investment, HomeAdvisor also operates businesses in the online home services space in France and the United Kingdom under various brands. CityGrid Media is an online media company that owns and operates CityGrid, an advertising network that integrates local content and advertising for distribution to both affiliated and third party publishers across web and mobile platforms, as well as proprietary websites, such as Citysearch.com and Urbanspoon.com, through which consumers can access local merchant information and reviews online.

Media

Our Media segment consists primarily of Vimeo, Electus, Connected Ventures (which operates CollegeHumor Media and Notional), News_Beast (formerly The Newsweek/DailyBeast Company) and DailyBurn.

Other

Our Other segment consists primarily of Shoebuy, a leading internet retailer of footwear and related apparel and accessories, and Tutor, an online tutoring solution which was acquired in December 2012.

Discontinued Operations

On December 1, 2010, IAC exchanged (on a tax-free basis) the stock of a wholly-owned subsidiary that held our Evite, Gifts.com and IAC Advertising Solutions businesses and \$217.9 million in cash for substantially all of Liberty Media Corporation's ("Liberty") equity stake in IAC (the "Liberty Exchange"). See Note 12 for additional information related to this exchange. In addition, during the fourth quarter of 2010, InstantAction ceased operations. Evite, Gifts.com, IAC Advertising Solutions and InstantAction were previously reported in IAC's former Media & Other segment.

NOTE 2—SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Consolidation and Accounting for Investments

The consolidated financial statements include the accounts of the Company, all entities that are wholly-owned by the Company and all entities in which the Company has a controlling financial interest. Intercompany transactions and accounts have been eliminated.

Investments in entities in which the Company has the ability to exercise significant influence over the operating and financial matters of the investee, but does not have a controlling financial interest, are accounted for using the equity method. Investments in entities in which the Company does not have the ability to exercise significant influence over the operating and

IAC/INTERACTIVECORP AND SUBSIDIARIES

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS (Continued)

financial matters of the investee are accounted for using the cost method. The Company evaluates each cost and equity method investment for impairment on a quarterly basis and recognizes an impairment loss if a decline in value is determined to be other-than-temporary. Such impairment evaluations include, but are not limited to: the current business environment, including competition; going concern considerations such as financial condition and the rate at which the investee company utilizes cash and the investee company's ability to obtain additional financing to achieve its business plan; the need for changes to the investee company's existing business model due to changing business environments and its ability to successfully implement necessary changes; and comparable valuations. If the Company has not identified events or changes in circumstances that may have a significant adverse effect on the fair value of a cost method investment, then the fair value of such cost method investment is not estimated, as it is impracticable to do so.

Accounting Estimates

Management of the Company is required to make certain estimates, judgments and assumptions during the preparation of its consolidated financial statements in accordance with U.S. generally accepted accounting principles ("U.S. GAAP"). These estimates, judgments and assumptions impact the reported amounts of assets, liabilities, revenue and expenses and the related disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

On an ongoing basis, the Company evaluates its estimates and judgments including those related to: the fair values of marketable securities and other investments; the recoverability of goodwill and indefinite-lived intangible assets; the useful lives and recovery of definite-lived intangible assets and property and equipment; the carrying value of accounts receivable, including the determination of the allowance for doubtful accounts and revenue reserves; the reserves for income tax contingencies; the valuation allowance for deferred income tax assets; and the fair value of and forfeiture rates for stock-based awards, among others. The Company bases its estimates and judgments on historical experience, its forecasts and budgets and other factors that the Company considers relevant.

Revenue Recognition

The Company recognizes revenue when persuasive evidence of an arrangement exists, services are rendered or merchandise is delivered to customers, the fee or price charged is fixed or determinable and collectability is reasonably assured. Deferred revenue is recorded when payments are received in advance of the Company's rendering of services or delivery of merchandise.

Search & Applications

The Search & Applications segment's revenue consists principally of advertising revenue which is generated primarily through the display of paid listings in response to search queries, as well as from advertisements appearing on its destination search websites and portals and certain third party websites and the syndication of search results generated by Ask-branded destination search websites. The Company obtains the substantial majority of its paid listings from third-party providers, primarily Google Inc. ("Google"). Paid listings are priced on a price per click and when the Company delivers a user's click to a paid listing supplied by Google, Google bills the advertiser and shares a portion of its resulting paid listing fee with the Company. The Company recognizes paid listing revenue from Google when it delivers the user's click. In cases where the user's click is generated by a third party site, the Company recognizes the amount due from Google as revenue and records the revenue share obligation to the third-party site as traffic acquisition costs.

Match

Match's revenue consists primarily of subscription fee revenue generated from customers who subscribe to online personals services on Match.com and most of Match's other personals websites. Subscription fee revenue is recognized over the terms of the applicable subscriptions, which primarily range from one to six months. Deferred revenue at Match is \$103.9 million and \$94.9 million at December 31, 2012 and 2011, respectively. Match also earns revenue from online advertising, primarily from OkCupid, which was acquired in January 2011. Online advertising revenue is recognized every time an ad is displayed.

Local

HomeAdvisor's lead acceptance revenue is generated and recognized when an in-network home service professional is delivered a consumer lead. HomeAdvisor's activation revenue is generated through the enrollment and activation of a new home service professional. Activation revenue is initially deferred and recognized over 24 months. Deferred revenue at HomeAdvisor is \$3.0 million and \$3.8 million at December 31, 2012 and 2011, respectively.

IAC/INTERACTIVECORP AND SUBSIDIARIES

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS (Continued)

CityGrid Media's revenue is primarily generated through the sale of local and national online advertising. There are several types of internet advertisements, and the way in which advertising revenue is earned varies among them. Depending upon the terms, revenue might be earned every time a user clicks on an ad, every time an ad is displayed, or every time a user clicks-through on the ad and takes a specified action on the destination site.

Media

Revenue of media businesses included in this segment is generated primarily through advertising, media production and subscriptions. Advertising revenue is recognized every time an ad is displayed or over the period earned, media production revenue is recognized based on delivery and acceptance and subscription fee revenue is recognized over the terms of the applicable subscriptions, which are one month or one year.

Other

Shoebuy's revenue consists of merchandise sales, reduced by incentive discounts and sales returns, and is recognized when delivery to the customer has occurred. Delivery is considered to have occurred when the customer takes title and assumes the risks and rewards of ownership, which is on the date of shipment. Accruals for returned merchandise are based on historical experience. Shipping and handling fees billed to customers are recorded as revenue. The costs associated with shipping goods to customers are recorded as cost of revenue.

Cash and Cash Equivalents

Cash and cash equivalents include cash and short-term investments, with maturities of less than 91 days from the date of purchase. Domestically, cash equivalents primarily consist of AAA rated money market funds. Internationally, cash equivalents primarily consist of AAA rated money market funds and time deposits.

Marketable Securities

The Company invests in certain marketable securities, which primarily consist of short-to-intermediate-term debt securities issued by investment grade corporate issuers. The Company only invests in marketable securities with active secondary or resale markets to ensure portfolio liquidity and the ability to readily convert investments into cash to fund current operations or satisfy other cash requirements as needed. From time to time, the Company may invest in marketable equity securities as part of its investment strategy. All marketable securities are classified as available-for-sale and are reported at fair value. The unrealized gains and losses on marketable securities, net of tax, are included in accumulated other comprehensive income as a separate component of shareholders' equity. The specific-identification method is used to determine the cost of securities sold and the amount of unrealized gains and losses reclassified out of accumulated other comprehensive income into earnings.

The Company employs a methodology that considers available evidence in evaluating potential other-than-temporary impairments of its investments. Investments are considered to be impaired when a decline in fair value below the amortized cost basis is determined to be other-than-temporary. Factors considered in determining whether a loss is other-than-temporary include the length of time and extent to which fair value has been less than the amortized cost basis, the financial condition and near-term prospects of the issuer, and whether it is not more likely than not that the Company will be required to sell the security before the recovery of the amortized cost basis, which may be maturity. If a decline in fair value is determined to be other-than-temporary, an impairment charge is recorded in current earnings and a new cost basis in the investment is established.

Accounts Receivable

Accounts receivable are stated at amounts due from customers, net of an allowance for doubtful accounts and revenue reserves. Accounts receivable outstanding longer than the contractual payment terms are considered past due. The Company determines its allowance by considering a number of factors, including the length of time accounts receivable are past due, the Company's previous loss history, the specific customer's ability to pay its obligation to the Company and the condition of the general economy and the customer's industry. The Company writes off accounts receivable when they become uncollectible. The Company also maintains allowances to reserve for potential credits issued to customers or other revenue adjustments. The amount of these reserves are based, in part, on historical experience.

Property and Equipment

Property and equipment, including significant improvements, are recorded at cost. Repairs and maintenance costs are expensed as incurred. Depreciation is computed using the straight-line method over the estimated useful lives of the assets.

IAC/INTERACTIVECORP AND SUBSIDIARIES

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS (Continued)

<u>Asset Category</u>	<u>Estimated Useful Lives</u>
Buildings and leasehold improvements	3 to 39 Years
Computer equipment and capitalized software	2 to 3 Years
Furniture and other equipment	3 to 10 Years

The Company capitalizes certain internal use software costs including external direct costs utilized in developing or obtaining the software and compensation and other employee-related costs for personnel directly associated with the development of the software. Capitalization of such costs begins when the preliminary project stage is complete and ceases when the project is substantially complete and ready for its intended purpose. During 2011, the Company wrote-off \$4.9 million in capitalized software costs associated with the exit of the Company's direct sponsored listings business. The net book value of capitalized internal use software is \$33.4 million and \$29.2 million at December 31, 2012 and 2011, respectively.

Goodwill and Indefinite-Lived Intangible Assets

Goodwill acquired in business combinations is assigned to the reporting unit(s) that are expected to benefit from the combination as of the acquisition date. The Company assesses goodwill and indefinite-lived intangible assets for impairment annually as of October 1, or more frequently if an event occurs or circumstances change that would more likely than not reduce the fair value of a reporting unit or the fair value of an indefinite-lived intangible asset below its carrying value. In 2012, the Company adopted Accounting Standards Update ("ASU") 2011-08, "Testing Goodwill for Impairment", which gives companies the option to qualitatively assess whether it is more likely than not that the fair value of a reporting unit is less than its carrying value. If it is not more likely than not that the fair value of the reporting unit is less than its carrying value, no further assessment of that reporting unit's goodwill is necessary. If it is more likely than not that the fair value of the reporting unit is less than its carrying value, then the goodwill must be tested using a two-step process based on prior accounting guidance, and if the carrying value of a reporting unit's goodwill exceeds its implied fair value, an impairment loss equal to the excess is recorded. The Company also adopted Accounting Standards Update 2012-02 "Testing Indefinite-Lived Intangible Assets for Impairment" in 2012, which gives companies the option to qualitatively assess whether it is more likely than not that the fair value of an indefinite-lived intangible asset is less than its carrying value. If it is not more likely than not that the fair value of the indefinite-lived intangible asset is less than its carrying value, the fair value of the asset does not need to be determined. If it is more likely than not that the fair value of the indefinite-lived intangible asset is less than its carrying value, then the indefinite-lived intangible asset must be tested based on prior accounting guidance, and if its carrying value exceeds its estimated fair value, an impairment loss equal to the excess is recorded. See Note 6 for discussion of impairment charges recorded in 2010. There are no impairment charges recorded in 2012 and 2011.

The Company's reporting units are consistent with its determination of its operating segments. Goodwill is tested for impairment at the reporting unit level. The Company's operating segments, reporting units and reportable segments are as follows:

Operating Segment and Reporting Unit	Reportable Segment
Search & Applications	Search & Applications
Match	Match
HomeAdvisor	Local
CityGrid Media	Local
Connected Ventures	Media
DailyBurn	Media
Shoebuy	Other
Tutor	Other

Media and Other include other operating segments that do not have goodwill. See Note 15 for additional information regarding the Company's method of determining operating and reportable segments.

The fair value of each of the Company's seven reporting units, excluding Tutor which was acquired in December 2012, exceed their carrying values by more than 20% at October 1, 2012, the date of our most recent annual impairment assessment.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS (Continued)

Long-Lived Assets and Intangible Assets with Definite Lives

Long-lived assets, which consist of property and equipment and intangible assets with definite lives, are reviewed for impairment whenever events or changes in circumstances indicate that the carrying value of an asset may not be recoverable. The carrying value of a long-lived asset is not recoverable if it exceeds the sum of the undiscounted cash flows expected to result from the use and eventual disposition of the asset. If the carrying value is deemed not to be recoverable, an impairment loss is recorded equal to the amount by which the carrying value of the long-lived asset exceeds its fair value. Amortization of definite-lived intangible assets is computed either on a straight-line basis or based on the period in which the economic benefits of the asset will be realized.

Fair Value Measurements

The Company categorizes its assets and liabilities measured at fair value into a fair value hierarchy that prioritizes the inputs used in pricing the asset or liability. The three levels of the fair value hierarchy are:

- Level 1: Observable inputs obtained from independent sources, such as quoted prices for identical assets and liabilities in active markets.
- Level 2: Other inputs that are observable directly or indirectly, such as quoted prices for similar assets or liabilities in active markets, quoted prices for identical or similar assets or liabilities in markets that are not active and inputs that are derived principally from or corroborated by observable market data. The fair value of the Company's Level 2 financial assets are primarily obtained from observable market prices for identical underlying securities that may not be actively traded. Certain of these securities may have different market prices from multiple market data sources, in which case an average market price is used.
- Level 3: Unobservable inputs for which there is little or no market data and require the Company to develop its own assumptions, based on the best information available in the circumstances, about the assumptions market participants would use in pricing the assets or liabilities. See Note 9 for a discussion of fair value measurements made using Level 3 inputs.

The Company's non-financial assets, such as goodwill, intangible assets and property and equipment, as well as equity and cost method investments, are adjusted to fair value only when an impairment charge is recognized. Such fair value measurements are based predominantly on Level 3 inputs. See Note 6 for a discussion of goodwill and intangible asset impairment charges and Note 8 for a discussion of impairment charges related to equity and cost method investments.

Traffic Acquisition Costs

Traffic acquisition costs consist of payments made to partners who distribute our B2B customized browser-based applications, integrate our paid listings into their websites or direct traffic to our websites. These payments include amounts based on revenue share and other arrangements. The Company expenses these payments as a component of cost of revenue in the accompanying consolidated statement of operations.

Advertising Costs

Advertising costs are expensed in the period incurred (when the advertisement first runs for production costs that are initially capitalized) and represent online marketing, including fees paid to search engines and third parties that distribute our B2C downloadable applications, and offline marketing, principally television and radio advertising. Advertising expense is \$779.7 million, \$497.2 million and \$371.2 million for the years ended December 31, 2012, 2011 and 2010, respectively.

The Company capitalizes and amortizes the costs associated with certain distribution arrangements that require it to pay a fee per access point delivered. These access points are generally in the form of downloadable applications associated with our B2C operations. These fees are amortized over the estimated useful lives of the access points to the extent the Company can reasonably estimate a probable future economic benefit and the period over which such benefit will be realized (generally 18 months). Otherwise, the fees are charged to expense as incurred.

Legal Costs

Legal costs are expensed as incurred.

Income Taxes

The Company accounts for income taxes under the liability method, and deferred tax assets and liabilities are recognized for the future tax consequences attributable to differences between the financial statement carrying values of existing assets and

IAC/INTERACTIVECORP AND SUBSIDIARIES

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS (Continued)

liabilities and their respective tax bases. Deferred tax assets and liabilities are measured using enacted tax rates in effect for the year in which those temporary differences are expected to be recovered or settled. A valuation allowance is provided on deferred tax assets if it is determined that it is more likely than not that the deferred tax asset will not be realized. The Company records interest, net of any applicable related income tax benefit, on potential income tax contingencies as a component of income tax expense.

The Company recognizes liabilities for uncertain tax positions based on a two-step process. The first step is to evaluate the tax position for recognition by determining if the weight of available evidence indicates it is more likely than not that the position will be sustained on audit, including resolution of related appeals or litigation processes, if any. The second step is to measure the tax benefit as the largest amount which is more than 50% likely of being realized upon ultimate settlement.

Earnings Per Share

Basic earnings per share ("Basic EPS") is computed by dividing net earnings attributable to IAC shareholders by the weighted average number of common shares outstanding during the period. Diluted earnings per share ("Diluted EPS") reflects the potential dilution that could occur if stock options and other commitments to issue common stock were exercised or equity awards vested resulting in the issuance of common stock that could share in the earnings of the Company.

Foreign Currency Translation and Transaction Gains and Losses

The financial position and operating results of substantially all foreign operations are consolidated using the local currency as the functional currency. Local currency assets and liabilities are translated at the rates of exchange as of the balance sheet date, and local currency revenue and expenses are translated at average rates of exchange during the period. Translation gains and losses are included in accumulated other comprehensive income as a component of shareholders' equity. Transaction gains and losses resulting from assets and liabilities denominated in a currency other than the functional currency are included in the consolidated statement of operations as a component of other (expense) income, net.

Translation gains and losses relating to foreign entities that are liquidated or substantially liquidated are reclassified out of accumulated other comprehensive income into earnings. Such gains totaled \$9.2 million during the year ended December 31, 2011, and are included in "Loss from discontinued operations, net of tax" in the accompanying consolidated statement of operations.

Stock-Based Compensation

Stock-based compensation is measured at the grant date based on the fair value of the award and is generally expensed over the requisite service period. See Note 14 for a further description of the Company's stock-based compensation plans.

Redeemable Noncontrolling Interests

In connection with the acquisition of certain subsidiaries, management of these businesses has retained an ownership interest. The Company is party to fair value put and call arrangements with respect to these interests. These put and call arrangements allow management of these businesses to require the Company to purchase their interests or allow the Company to acquire such interests at fair value, respectively. These put and call arrangements become exercisable by the Company and the counter-party at various dates over the next four years. There are no put and call arrangements that became exercisable during 2012 and 2010. During 2011, one of these arrangements became exercisable. These put arrangements are exercisable by the counter-party outside the control of the Company. Accordingly, to the extent that the fair value of these interests exceeds the value determined by normal noncontrolling interest accounting, the value of such interests is adjusted to fair value with a corresponding adjustment to additional paid-in capital. During the years ended December 31, 2012, 2011 and 2010, the Company recorded adjustments of \$4.3 million, \$4.3 million and \$(2.1) million, respectively, to increase (reduce) these interests to fair value.

Noncontrolling interests in the consolidated subsidiaries of the Company should ordinarily be reported on the consolidated balance sheet within shareholders' equity, separately from the Company's equity. However, securities that are redeemable at the option of the holder and not solely within the control of the issuer, must be classified outside of shareholders' equity. Accordingly, if redemption of the noncontrolling interests is outside the control of the Company, the interests are included outside of shareholders' equity in the accompanying consolidated balance sheet.

Redeemable noncontrolling interests at December 31, 2012 and 2011 primarily relate to Meetic and certain operations included in the Media and Other segments. Redeemable noncontrolling interests at December 31, 2010 primarily relate to the international operations of Match

and certain operations included in the Media and Other segments.

Noncontrolling Interests

Noncontrolling interests at December 31, 2012 and 2011 relate principally to Meetic.

Certain Risks and Concentrations

A substantial portion of the Company's revenue is derived from online advertising, the market for which is highly competitive and rapidly changing. Significant changes in this industry or changes in advertising spending behavior or in customer buying behavior could adversely affect our operating results. Most of the Company's online advertising revenue is attributable to a services agreement with Google, which expires on March 31, 2016. Our services agreement requires that we comply with certain guidelines promulgated by Google. Subject to certain limitations, Google may unilaterally update its policies and guidelines, which could in turn require modifications to, or prohibit and/or render obsolete certain of, our products, services and/or business practices, which could be costly to address or otherwise have an adverse effect on our business, financial condition and results of operations. For the years ended December 31, 2012, 2011 and 2010, revenue earned from Google is \$1.4 billion, \$970.4 million and \$727.9 million, respectively. This revenue is earned by the businesses comprising the Search & Applications segment. Accounts receivable related to revenue earned from Google totaled \$125.3 million and \$105.7 million at December 31, 2012 and 2011, respectively.

The Company's business is subject to certain risks and concentrations including dependence on third party technology providers, exposure to risks associated with online commerce security and credit card fraud.

Financial instruments, which potentially subject the Company to concentration of credit risk, consist primarily of cash and cash equivalents and marketable securities. Cash and cash equivalents are maintained with financial institutions and are in excess of Federal Deposit Insurance Corporation insurance limits.

In addition, included in "Accrued expenses and other current liabilities" in the accompanying consolidated balance sheet at December 31, 2011 is a current deferred tax liability of \$0.4 million.

At December 31, 2012, the Company has federal and state net operating losses ("NOLs") of \$29.6 million and \$92.1 million, respectively. If not utilized, the federal NOLs will expire at various times between 2023 and 2032, and the state NOLs will expire at various times between 2013 and 2032. Utilization of federal NOLs will be subject to limitations under Section 382 of the Internal Revenue Code of 1986, as amended. In addition, utilization of certain state NOLs may be subject to limitations under state laws similar to Section 382 of the Internal Revenue Code of 1986. At December 31, 2012, the Company has foreign NOLs of \$46.5 million available to offset future income. Of these foreign NOLs, \$40.0 million can be carried forward indefinitely and \$6.5 million will expire at various times between 2013 and 2032. During 2012, the Company recognized tax benefits related to NOLs of \$2.1 million. Included in this amount is \$0.6 million of tax benefits of acquired attributes which was recorded as a reduction in goodwill. At December 31, 2012, the Company has \$8.9 million of federal capital losses and \$248.4 million of state capital losses. If not utilized, the federal and state capital losses will expire between 2013 and 2017. Utilization of capital losses will be limited to the Company's ability to generate future capital gains.

At December 31, 2012, the Company has tax credit carryforwards of \$14.9 million. Of this amount, \$4.6 million related to federal credits for foreign taxes, \$8.8 million related to state tax credits for research activities, and \$1.4 million related to various state and local tax credits. Of these credit carryforwards, \$10.2 million can be carried forward indefinitely and \$4.6 million will expire within ten years.

During 2012, the Company's valuation allowance increased by \$15.7 million primarily due to an unbenefited other-than-temporary impairment and unrealized losses in long-term marketable equity securities included in accumulated other comprehensive income and an increase in federal net operating losses. At December 31, 2012, the Company has a valuation allowance of \$60.8 million related to the portion of tax loss carryforwards and other items for which it is more likely than not that the tax benefit will not be realized.

A reconciliation of the income tax provision (benefit) to the amounts computed by applying the statutory federal income tax rate to

earnings from continuing operations before income taxes is shown as follows:

No income taxes have been provided on indefinitely reinvested earnings of certain foreign subsidiaries aggregating \$402.2 million at December 31, 2012 . The amount of the unrecognized deferred income tax liability with respect to such earnings is \$93.3 million .

A reconciliation of the beginning and ending amount of unrecognized tax benefits, excluding interest, is as follows:

	December 31,

Balance at January 1	\$ 351,561	\$ 389,909	\$ 394,294

Balance at December 31	<u>\$ 379,281</u>	<u>\$ 351,561</u>	<u>\$ 389,909</u>

At December 31, 2012 and 2011 , unrecognized tax benefits, including interest, are \$496.8 million and \$462.8 million , respectively. The total unrecognized tax benefits at December 31, 2012 include \$14.5 million that have been netted against the related deferred tax assets. Of the remaining balance, \$468.2 million is reflected in "non-current income taxes payable" and \$ 14.1 million is reflected in "accrued expenses and other current liabilities" in the accompanying consolidated balance sheet at December 31, 2012 . Unrecognized tax benefits, including interest, for the year ended December 31, 2012 increased by \$34.0 million due principally to a net increase in deductible timing differences and additions for tax positions related to prior years. Included in unrecognized tax benefits at December 31, 2012 is \$75.7 million relating to tax positions for which the ultimate deductibility is highly certain but for which there is uncertainty about the timing of such deductibility. If unrecognized tax benefits at December 31, 2012 are subsequently recognized, \$110.8 million and \$222.3 million , net of related deferred tax assets and interest, would reduce income tax expense from continuing operations and discontinued operations, respectively. If unrecognized tax benefits at December 31, 2011 are subsequently recognized, \$ 89.5 million and \$ 213.6 million , net of related deferred tax assets and interest, would reduce income tax expense from continuing operations and discontinued operations, respectively.

The Company recognizes interest and, if applicable, penalties related to unrecognized tax benefits in income tax provision. Included in the income tax provision for continuing operations for the years ended December 31, 2012 , 2011 and 2010 is a \$5.2 million expense, \$1.4 million expense and \$9.1 million expense, respectively, net of related deferred taxes of \$3.1 million , \$0.9 million and \$5.8 million , respectively, for interest on unrecognized tax benefits. Included in income tax

provision for discontinued operations for the years ended December 31, 2012, 2011 and 2010 is a \$2.8 million benefit, \$6.7 million expense and \$7.0 million expense, respectively, net of related deferred taxes of \$1.7 million, \$4.2 million and \$4.4 million, respectively, for interest on unrecognized tax benefits. At December 31, 2012 and 2011, the Company has accrued \$117.5 million and \$111.2 million, respectively, for the payment of interest. Included in the income tax provision for continuing operations for the year ended December 31, 2012 is a \$0.4 million expense for an increase in penalties on unrecognized tax benefits. Included in income tax provision for continuing operations for the year ended December 31, 2011 is a \$2.5 million benefit for a reduction in penalties on unrecognized tax benefits. At December 31, 2012 and 2011, the Company has accrued \$5.0 million and \$2.5 million, respectively, for penalties.

The Company is routinely under audit by federal, state, local and foreign authorities in the area of income tax. These audits include questioning the timing and the amount of income and deductions and the allocation of income and deductions among various tax jurisdictions. The Internal Revenue Service ("IRS") has substantially completed its audit of the Company's tax returns for the years ended December 31, 2001 through 2009. The settlement of these tax years has not yet been submitted to the Joint Committee of Taxation for approval. The statute of limitations for the years 2001 through 2009 has been extended to December 31, 2013, and we expect it to be extended further. Various state and local jurisdictions are currently under examination, the most significant of which are California, New York and New York City for various tax years beginning with 2005. Income taxes payable include reserves considered sufficient to pay assessments that may result from examination of prior year tax returns. Changes to reserves from period to period and differences between amounts paid, if any, upon resolution of issues raised in audits and amounts previously provided may be material. Differences between the reserves for income tax contingencies and the amounts owed by the Company are recorded in the period they become known. The Company believes that it is reasonably possible that its unrecognized tax benefits could decrease by \$122.2 million within twelve months of the current reporting date, of which approximately \$13.4 million could decrease income tax provision, primarily due to settlements, expirations of statutes of limitations, and the reversal of deductible temporary differences that will primarily result in a corresponding decrease in net deferred tax assets. An estimate of other changes in unrecognized tax benefits, while potentially significant, cannot be made.

NOTE 5—BUSINESS COMBINATIONS

Acquisition of About, Inc.

On September 24, 2012, IAC completed its purchase of all the outstanding shares of About, Inc. ("The About Group"), an online content and reference library offering expert, quality content across 90,000 topics. The purchase price was \$300 million in cash, plus an amount equal to the net working capital of \$17.1 million at closing.

The financial results of The About Group are included in IAC's consolidated financial statements, within the Search & Applications segment, beginning October 1, 2012. For the year ended December 31, 2012, the Company included \$30.1 million of revenue and net earnings of \$3.8 million in its consolidated statement of operations related to The About Group.

The table below summarizes the estimated fair values of the assets acquired and liabilities assumed at the date of acquisition:

	(In thousands)
Cash and cash equivalents	\$ 998
Other current assets	22,657
Property and equipment	8,988
Goodwill	190,616
Intangible assets	103,289
Other assets	770
Total assets	327,318
Current liabilities	(7,027)
Other long-term liabilities	(3,179)
Net assets	\$ 317,112

IAC/INTERACTIVECORP AND SUBSIDIARIES

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS (Continued)

The purchase price was based on the expected financial performance of The About Group, not on the value of the net identifiable assets at the time of acquisition, which resulted in a significant portion of the purchase price being attributed to goodwill. The expected financial performance of The About Group reflects that it is complementary and synergistic to the existing businesses of the Company's Search & Applications segment, particularly Ask.com.

Intangible assets are as follows:

	(In thousands)	Weighted-Average Useful Life (Years)
Indefinite-lived trade names	\$ 33,700	Indefinite
Content	47,800	4.0
Technology	12,789	3.0
Advertiser relationships	7,500	2.0
Customer lists	1,500	3.0
Total	<u>\$ 103,289</u>	3.6

The About Group's other current assets, property and equipment, other assets, current liabilities and other long-term liabilities were reviewed and adjusted to their fair values at the date of acquisition, as necessary. The fair value of trade names was determined using a relief from royalty method. The fair value of content was determined using an excess earnings method. The fair value of developed technology was determined using replacement cost. The fair value of advertiser relationships was determined using a "with and without" method, which determines the present value of profits that would be lost without the relationships. The fair value of customer lists was determined using an excess earnings method. The valuations of the intangible assets incorporate significant unobservable inputs and require significant judgment and estimates, including the amount and timing of future cash flows and the determination of royalty and discount rates. Substantially all of the amount attributed to goodwill is tax deductible.

Acquisition of Meetic

In 2009, Match acquired a 27% ownership interest in Meetic. Match accounted for this interest under the equity method of accounting through August 31, 2011. During the third quarter of 2011, Match acquired an additional 12.5 million shares of Meetic for \$272.0 million in cash pursuant to a tender offer. These additional shares increased Match's voting interest and ownership interest in Meetic to 79% and 81%, respectively, resulting in Match obtaining a controlling financial interest in Meetic. Accordingly, this purchase was accounted for under the acquisition method of accounting and the financial results of Meetic are included within IAC's consolidated financial statements and the Match operating segment beginning September 1, 2011. For the year ended December 31, 2011, the Company included \$46.1 million of revenue, net of a \$32.6 million write-off of deferred revenue, and a net loss of \$8.6 million in its consolidated statement of operations related to Meetic.

Pro forma financial information

The unaudited pro forma financial information in the table below summarizes the combined results of IAC, Meetic and The About Group as if the acquisition of The About Group had occurred on January 1, 2011 and the acquisition of Meetic had occurred on January 1, 2010. The pro forma financial information includes adjustments required under the acquisition method of accounting and is presented for informational purposes only and is not necessarily indicative of what the results would have been had the acquisitions actually occurred on the dates specified above. For the years ended December 31, 2012 and 2011, pro forma adjustments reflected below include a decrease of \$6.3 million and an increase of \$24.3 million in amortization of intangible assets, respectively.

NOTE 6—GOODWILL AND INTANGIBLE ASSETS

The Company assesses goodwill and indefinite-lived intangible assets for impairment annually or more frequently if an event occurs or circumstances change that would more likely than not reduce the fair value of a reporting unit or the fair value of an indefinite-lived intangible asset below its carrying value. The Company also reviews definite-lived intangible assets for impairment whenever events or changes in circumstances indicate that the carrying value of a definite-lived intangible asset may not be recoverable. The Company performs its annual assessment for impairment of goodwill and indefinite-lived intangible assets as of October 1 in connection with the preparation of its annual financial statements.

The Company determines the fair values of its reporting units using discounted cash flow ("DCF") analyses, and typically corroborates the concluded fair value using a market based valuation approach. Determining fair value requires the exercise of significant judgment, including judgment about the amount and timing of expected future cash flows and appropriate discount rates. The expected cash flows used in the DCF analyses are based on the Company's most recent budget and, for years beyond the budget, the Company's estimates, which are based, in part, on forecasted growth rates. The discount rates used in the DCF analyses reflect the risks inherent in the expected future cash flows of the respective reporting units. Assumptions used in the DCF analyses, including the discount rate, are assessed annually based on the reporting units' current results and forecast, as well as macroeconomic and industry specific factors. The discount rates used in the Company's annual goodwill impairment assessment ranged from 13% to 25% in 2012 and 13% to 20% in 2011.

The Company determines the fair values of its indefinite-lived intangible assets using avoided royalty DCF analyses. Significant judgments inherent in these analyses include the selection of appropriate royalty and discount rates and estimating the amount and timing of expected future cash flows. The discount rates used in the DCF analyses reflect the risks inherent in the expected future cash flows generated by the respective intangible assets. The royalty rates used in the DCF analyses are based upon an estimate of the royalty rates that a market participant would pay to license the Company's trade names and trademarks. Assumptions used in the avoided royalty DCF analyses, including the discount rate and royalty rate, are assessed annually based on the actual and projected cash flows related to the asset, as well as macroeconomic and industry specific factors. The discount rates used in the Company's annual indefinite-lived impairment assessment ranged from 10% to 18% in 2012 and 13% to 20% in 2011, and the royalty rates used ranged from 1% to 9% in both 2012 and 2011.

In connection with its annual assessment in 2010, the Company identified and recorded impairment charges at the Other segment related to the write-down of the goodwill and indefinite-lived intangible assets of Shoebuy of \$28.0 million and \$4.5 million, respectively, and the write-down of an indefinite-lived intangible asset of Search & Applications of \$11.0 million. The indefinite-lived intangible asset impairment charge at Shoebuy related to trade names and trademarks. The goodwill and indefinite-lived intangible asset impairment charges at Shoebuy reflected expectations of lower revenue and profit performance in future years due to Shoebuy's 2010 fourth quarter revenue and profit performance, which is its seasonally strongest quarter. The indefinite-lived intangible asset impairment charge at Search & Applications was primarily due to lower future revenue projections associated with a trade name and trademark based largely upon the impact of 2010's full year results.

The indefinite-lived and definite-lived intangible asset impairment charges are included in amortization of intangibles in the accompanying consolidated statement of operations.

Cost method investments

In the third quarter of 2011, the Company acquired a 20% interest in Zhenai Inc. ("Zhenai"), a leading provider of online matchmaking services in China. Our voting power is limited by a shareholders agreement. In light of this limitation and the significance of our interest relative to other shareholders, we do not have the ability to exercise significant influence over the operating and financial matters of Zhenai and this investment is accounted for as a cost method investment.

In the fourth quarter of 2010, the Company recorded a \$7.8 million impairment charge related to the write-down of a cost method investment to fair value. The impairment charge was determined to be other-than-temporary due to the investee's inability to achieve its 2010 cash flow forecast during its seasonally strongest fourth quarter and the Company's assessment that the investee would be unable to continue to operate without new outside financing. The impairment charge is included in "Other (expense) income, net" in the accompanying consolidated statement of operations.

Long-term marketable equity securities

The cost basis of the Company's long-term marketable equity securities at December 31, 2012 is \$ 42.1 million , with a gross unrealized loss of \$ 10.8 million included in "Accumulated other comprehensive loss" in the accompanying consolidated balance sheet. The cost basis of the Company's long-term marketable equity securities at December 31, 2011 is \$53.1 million , with gross unrealized gains of \$29.8 million and a gross unrealized loss of \$8.2 million included in "Accumulated other comprehensive loss" in the accompanying consolidated balance sheet. At December 31, 2012, the Company's long-term marketable equity securities are both in an unrealized loss position. The Company evaluated the near-term prospects of the issuers in relation to the severity and duration of the unrealized losses. The Company recorded an \$8.7 million other-than-temporary impairment charge related to the security that was in a continuous unrealized loss position for more than one year, based on the Company's evaluation of the near-term prospects of the issuer in relation to the severity (fair value was 50 percent less than cost) and duration of the unrealized loss. The impairment charge is included in "Other (expense) income, net" in the accompanying consolidated statement of operations. The Company does not consider the second security to be other-than-temporarily impaired at December 31, 2012 based on the Company's evaluation of the near term prospects of the issuer in relation to the severity and duration, less than two months, of the unrealized loss and the Company's ability and intent to hold this security for a reasonable period of time sufficient for an expected recovery of fair value.

Equity method investments

In 2012, the Company recorded a pre-tax non-cash charge of \$ 18.6 million related to the re-measurement of the carrying value of our equity method investment in News_Beast to fair value in connection with our acquisition of a controlling interest in June 2012. The re-measurement charge is included in "Equity in losses of unconsolidated affiliates" in the accompanying consolidated statement of operations.

In 2011, the Company recorded a pre-tax non-cash charge of \$11.7 million related to the re-measurement of the carrying value of our equity method investment in Meetic to fair value in connection with our acquisition of a controlling interest in August 2011. The re-measurement charge is included in "Equity in losses of unconsolidated affiliates" in the accompanying consolidated statement of operations.

In the first quarter of 2010, the Company recorded an \$18.3 million impairment charge to write-down an equity method investment to fair value. The decline in value was determined to be other-than-temporary due to the investee's continued losses and negative operating cash flows. The Company estimated the fair value of its investment using a multiple of revenue

Auction rate security

The Company's auction rate security is valued by discounting the estimated future cash flow streams of the security over the life of the security. Credit spreads and other risk factors are also considered in establishing fair value. The cost basis of the auction rate security is \$10.0 million, with gross unrealized losses of \$1.9 million and \$4.1 million at December 31, 2012 and December 31, 2011, respectively. The unrealized losses are included in "Accumulated other comprehensive loss" in the accompanying consolidated balance sheet. At December 31, 2012, the auction rate security is rated A-/WR and matures in 2035. The Company does not consider the auction rate security to be other-than-temporarily impaired at December 31, 2012, due to its high credit rating and because the Company does not intend to sell this security, and it is not more likely than not that the Company will be required to sell this security, before the recovery of its amortized cost basis, which may be maturity.

Contingent consideration arrangement

On January 20, 2011, Match acquired OkCupid for \$50.0 million in cash, plus potential additional consideration of up to \$40.0 million that was contingent upon OkCupid's 2011 earnings performance. During the second quarter of 2011, the provisions of this contingent consideration arrangement were amended. Pursuant to the amendment, \$30.0 million was paid to the former owners of OkCupid, and a potential additional payment of up to \$10.0 million was contingent upon revised performance goals. The fair value of the OkCupid contingent consideration arrangement at December 31, 2011 was based upon the achievement of the performance goals which required a \$10.0 million payment.

consideration other factors such as credit quality and maturity. Certain domestic subsidiaries have unconditionally guaranteed the 2012 Senior Notes. The indenture governing the 2012 Senior Notes contains covenants that limit our ability and the ability of our subsidiaries to, among other things, incur additional indebtedness, pay dividends or make other distributions, repurchase or redeem our stock, make investments, sell assets, incur liens, enter into agreements restricting our subsidiaries' ability to pay dividends, enter into transactions with affiliates and consolidate, and merge or sell all or substantially all of our assets.

On December 21, 2012, the Company entered into a \$300.0 million revolving credit facility, which expires on December 21, 2017. The annual fee to maintain the revolving credit facility is 25 basis points. At December 31, 2012, there are no outstanding borrowings under the revolving credit facility. IAC's obligation under the revolving credit facility is unconditionally guaranteed by certain domestic subsidiaries and is also secured by the stock of certain of our domestic and foreign subsidiaries.

In connection with the financing of the construction of IAC's corporate headquarters, on August 31, 2005, the New York City Industrial Development Agency (the "Agency") issued \$80 million in aggregate principal amount of New York City Industrial Development Agency Liberty Bonds (IAC/InterActiveCorp Project), Series 2005 (the "Liberty Bonds"). IAC is obligated to make all principal, interest and other payments in respect of the Liberty Bonds pursuant to certain security and payment arrangements between IAC and the Agency, which arrangements were entered into in connection with the closing of the Liberty Bond issuance. IAC's payment obligation under the Liberty Bonds is collateralized by a mortgage interest in the corporate headquarters building.

NOTE 12—SHAREHOLDERS' EQUITY

Description of Common Stock and Class B Convertible Common Stock

With respect to matters that may be submitted to a vote or for the consent of IAC's shareholders generally, including the election of directors, each holder of shares of IAC common stock and IAC Class B common stock vote together as a single class. In connection with any such vote, each holder of IAC common stock is entitled to one vote for each share of IAC common stock held and each holder of IAC Class B common stock is entitled to ten votes for each share of IAC Class B common stock held. Notwithstanding the foregoing, the holders of shares of IAC common stock, acting as a single class, are entitled to elect 25% of the total number of IAC's directors, and, in the event that 25% of the total number of directors shall result in a fraction of a director, then the holders of shares of IAC common stock, acting as a single class, are entitled to elect the next higher whole number of IAC's directors. In addition, Delaware law requires that certain matters be approved by the holders of shares of IAC common stock or holders of IAC Class B common stock voting as a separate class.

Shares of IAC Class B common stock are convertible into shares of IAC common stock at the option of the holder thereof, at any time, on a share-for-share basis. Such conversion ratio will in all events be equitably preserved in the event of any recapitalization of IAC by means of a stock dividend on, or a stock split or combination of, outstanding shares of IAC common stock or IAC Class B common stock, or in the event of any merger, consolidation or other reorganization of IAC with another corporation. Upon the conversion of shares of IAC Class B common stock into shares of IAC common stock, those shares of IAC Class B common stock will be retired and will not be subject to reissue. Shares of IAC common stock are not convertible into shares of IAC Class B common stock.

Except as described herein, shares of IAC common stock and IAC Class B common stock are identical. The holders of shares of IAC common stock and the holders of shares of IAC Class B common stock are entitled to receive, share for share, such dividends as may be declared by IAC's Board of Directors out of funds legally available therefore. In the event of a liquidation, dissolution, distribution of assets or winding-up of IAC, the holders of shares of IAC common stock and the holders of shares of IAC Class B common stock are entitled to receive, share for share, all the assets of IAC available for distribution to its stockholders, after the rights of the holders of any IAC preferred stock have been satisfied.

On December 1, 2010, Mr. Diller, Chairman of the Board and Senior Executive of the Company, entered into an agreement with Liberty, pursuant to which Liberty exchanged with Mr. Diller an aggregate of 4.3 million shares of Class B common stock for the same number of shares of common stock held by Mr. Diller. In consideration of Mr. Diller waiving certain pre-existing rights under the Stockholders Agreement with respect to Liberty's transfer to IAC of shares of common stock and Class B common stock, the Company agreed to permit Mr. Diller to exchange with IAC, on a one -for-one basis, from time to time until September 1, 2011 up to 1.5 million shares of common stock for shares of Class B common stock. During 2011, Mr. Diller exchanged 1.5 million shares of common stock for 1.5 million shares of Class B common stock.

Further, on December 1, 2010, the Company entered into a stock exchange agreement with Liberty. Under the agreement, Liberty agreed to exchange with IAC an aggregate of 4.3 million shares of common stock described above and an aggregate of 8.5 million shares of Class B common stock for the outstanding shares of Celebrate Interactive, Inc., a wholly owned subsidiary of IAC, which owned all of the equity interests of Evite, Inc., Giftco, Inc. and IAC Advertising, LLC and \$217.9 million in cash.

The shares of common stock and Class B common stock exchanged by Liberty represented substantially all of the shares of common stock and all of the shares of Class B common stock owned beneficially and/or of record by Liberty.

Following consummation of the above transactions, Mr. Diller has 5.8 million shares of IAC's outstanding Class B common stock.

At December 31, 2012, Mr. Diller has 42.5% of the outstanding total voting power of the Company.

(a) Amounts in 2010 include the gain on the Liberty Exchange.

(b) If the effect is dilutive, weighted average common shares outstanding include the incremental shares that would be issued upon the assumed exercise of stock options and warrants and vesting of restricted stock units ("RSUs") and performance-based stock units ("PSUs"). At December 31, 2012, there are no warrants outstanding. For the years ended December 31, 2012 and 2011, approximately 0.8 million and 1.0 million shares, respectively, related to potentially dilutive securities are excluded from the calculation of diluted earnings per share because their inclusion would have been anti-dilutive.

(c) For the year ended December 31, 2010, the Company has a loss from continuing operations and as a result, no potentially dilutive securities are included in the denominator for computing diluted earnings per share because the impact would have been anti-dilutive. Accordingly, the weighted average basic shares outstanding are used to compute all earnings per share amounts. For the year ended December 31, 2010, approximately 36.3 million shares related to potentially dilutive securities are excluded from the calculation of diluted earnings per share because their inclusion would have been anti-dilutive.

(d) Prior to 2012, no PSUs are included in diluted earnings per share. During 2012, there are approximately 2.7 million PSUs included in the calculation of diluted earnings per share, as their performance conditions have been met. For the years ended December 31, 2012, 2011 and 2010 approximately 0.1 million, 3.1 million and 2.9 million PSUs are excluded from the calculation of diluted earnings per share.

NOTE 14—STOCK-BASED COMPENSATION

IAC currently has two active plans under which awards have been granted. These plans cover stock options to acquire shares of IAC common stock, RSUs, PSUs and restricted stock, as well as provide for the future grant of these and other equity awards. These plans authorize the Company to grant awards to its employees, officers, directors and consultants. At December 31, 2012, there are 3.6 million shares available for grant under the Company's stock-based compensation plans.

The plans were adopted in 2005 and 2008, have a stated term of ten years, and provide that the exercise price of stock options granted will not be less than the market price of the Company's common stock on the grant date. The plans do not specify grant dates or vesting schedules of awards as those determinations have been delegated to the Compensation and Human Resources Committee of IAC's Board of Directors (the

"Committee"). Each grant agreement reflects the vesting

IAC/INTERACTIVECORP AND SUBSIDIARIES

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS (Continued)

schedule for that particular grant as determined by the Committee. Broad-based stock option awards to date have generally vested in equal annual installments over a four -year period and RSU awards currently outstanding generally vest in equal annual installments over a three -year period, in each case, from the grant date. PSU awards to date generally cliff vest at the end of a two to three -year period from the date of grant. In addition to equity awards outstanding under the two plans, stock options and other equity awards outstanding under terminated plans and plans assumed in acquisitions are reflected in the information set forth below.

The amount of stock-based compensation expense recognized in the consolidated statement of operations is reduced by estimated forfeitures, as the expense recorded is based on awards that are ultimately expected to vest. The forfeiture rate is estimated at the grant date based on historical experience and revised, if necessary, in subsequent periods if actual forfeitures differ from the estimated rate.

The total income tax benefit recognized in the accompanying consolidated statement of operations for the years ended December 31, 2012 , 2011 and 2010 related to stock-based compensation is \$31.3 million , \$32.7 million and \$32.2 million , respectively.

At December 31, 2012 , there is \$92.4 million of unrecognized compensation cost, net of estimated forfeitures, related to all equity-based awards, which is expected to be recognized over a weighted average period of approximately 2.4 years.

that would have been received by the option holders had all option holders exercised their options on December 31, 2012. This amount changes based on the fair market value of IAC's common stock. The total intrinsic value of stock options exercised during the years ended December 31, 2012, 2011 and 2010 is \$84.8 million, \$70.6 million and \$16.4 million, respectively.

The fair value of each stock option award is estimated on the grant date using the Black-Scholes option pricing model. Approximately 3.6 million, 2.6 million and 2.4 million stock options were granted by the Company during the years ended December 31, 2012, 2011 and 2010, respectively.

The Black-Scholes option pricing model incorporates various assumptions, including expected volatility and expected term. During 2012, 2011 and 2010, expected stock price volatilities were estimated based on the Company's historical volatility. The risk-free interest rates are based on U.S. Treasury yields for notes with comparable terms as the awards, in effect at the grant date. The following are the weighted average assumptions used in the Black-Scholes option pricing model:

	Years Ended December 31,		
	2012	2011	2010
Expected volatility	31%	30%	30%
Risk-free interest rate	0.6%	2.3%	2.4%
Expected term	4.4 years	6.1 years	5.6 years
Dividend yield	1.2	—	—

The weighted average fair value of stock options granted during the years ended December 31, 2012, 2011 and 2010 with exercise prices equal to the market prices of IAC's common stock on the date of grant are \$10.69, \$11.08 and \$6.38, respectively. The weighted average exercise price and weighted average fair value of stock options granted during the years ended December 31, 2012 and 2010 with exercise prices greater than the market value of IAC's common stock on the date of grant are \$ 60.00 and \$ 7.61, and \$ 32.00 and \$ 11.05, respectively. There are no stock options issued during the year ended December 31, 2011 with exercise prices greater than the market value of IAC's common stock on the date of grant.

Cash received from stock option exercises and the related tax benefit realized for the years ended December 31, 2012, 2011 and 2010 are: \$58.2 million and \$74.3 million; \$89.8 million and \$25.5 million; and \$39.1 million and \$8.6 million, respectively.

Restricted Stock Units and Performance-based Stock Units

RSUs and PSUs are awards in the form of phantom shares or units, denominated in a hypothetical equivalent number of shares of IAC common stock and with the value of each RSU and PSU equal to the fair value of IAC common stock at the date of grant. RSUs and PSUs may be settled in cash, stock or both, as determined by the Committee at the time of grant. Each RSU and PSU grant is subject to service-based vesting, where a specific period of continued employment must pass before an award vests. PSUs also include performance-based vesting, where certain performance targets set at the time of grant must be achieved before an award vests. The Company recognizes expense for all RSUs and PSUs for which vesting is considered probable. For RSU grants, the expense is measured at the grant date as the fair value of IAC common stock and expensed as non-cash compensation over the vesting term. For PSU grants, the expense is measured at the grant date as the fair value of IAC common stock and expensed as non-cash compensation over the vesting term if the performance targets are considered probable of being achieved.

Nonvested RSUs and PSUs outstanding at December 31, 2012 and changes during the year ended December 31, 2012 are as follows:

The weighted average fair value of RSUs and PSUs granted during the years ended December 31, 2012, 2011 and 2010 based on market prices of IAC's common stock on the grant date was \$46.24, \$32.41 and \$23.05, respectively. The total fair value of RSUs and PSUs that vested during the years ended December 31, 2012, 2011 and 2010 was \$139.0 million, \$33.2 million and \$23.6 million, respectively.

Equity Instruments Denominated in the Shares of Certain Subsidiaries

IAC has granted phantom equity units and stock options in various operating subsidiaries to certain members of the subsidiaries' management. These equity awards vest over a period of years or upon the occurrence of certain prescribed events. In some cases, IAC has taken a preferred interest in the subsidiary with a face value equal to the subsidiary's acquisition price or, when funding a start-up business, its investment cost, or a certain other fixed amount. In some cases, these preferred interests accrete with paid-in-kind dividends at a prescribed rate of return. The value of the phantom equity units and stock options is tied to the value of the common stock of the entity, with the equity awards management receives as a whole generally representing a small minority of the total common stock outstanding. Accordingly, these interests only have value to the extent the relevant business appreciates in value above the preferred interest (including the accretion of dividends), our investment cost or other fixed amount or, in the case of stock options, the initial value utilized to determine the exercise price. These interests can have significant value in the event of significant appreciation. The interests are ultimately settled in IAC common stock or cash at the option of IAC, with fair market value generally determined by negotiation or arbitration, at various dates through 2019. The expense associated with these equity awards is initially measured at fair value at the grant date and is expensed as non-cash compensation over the vesting term. The aggregate number of IAC common shares that would be required to settle these interests at current estimated fair values, including vested and unvested interests, at December 31, 2012 is 2.0 million shares, which is included in the calculation of diluted earnings per share if the effect is dilutive. The comparable amount at December 31, 2011 is 2.2 million shares.

NOTE 15—SEGMENT INFORMATION

The overall concept that IAC employs in determining its operating segments is to present the financial information in a manner consistent with how the chief operating decision maker and executive management view the businesses, how the businesses are organized as to segment management, and the focus of the businesses with regards to the types of services or products offered or the target market. Operating segments are combined for reporting purposes if they meet certain aggregation criteria, which principally relate to the similarity of their economic characteristics or, in the case of Other, do not meet the quantitative thresholds that require presentation as separate operating segments.

- (a) The Company's primary metric is Operating Income Before Amortization, which is defined as operating income excluding, if applicable: (1) non-cash compensation expense, (2) amortization and impairment of intangibles, (3) goodwill impairment and (4) one-time items. The Company believes this measure is useful to investors because it represents the operating results from IAC's segments, taking into account depreciation, which it believes is an ongoing cost of doing business, but excluding the effects of any other non-cash expenses. Operating Income Before Amortization has certain limitations in that it does not take into account the impact to IAC's statement of operations of certain expenses, including non-cash compensation and acquisition related accounting. IAC endeavors to compensate for the limitations of the non-U.S. GAAP measure presented by providing the comparable U.S. GAAP measure with equal or greater prominence, financial statements prepared in accordance with U.S. GAAP, and descriptions of the reconciling items, including quantifying such items, to derive the non-U.S. GAAP measure.
- (b) Consistent with the Company's primary metric (described in (a) above), the Company excludes, if applicable, goodwill and intangible assets from the measure of segment assets presented above.

NOTE 16—COMMITMENTS

The Company leases land, office space, data center facilities and equipment used in connection with its operations under various operating leases, many of which contain escalation clauses. The Company is also committed to pay a portion of the related operating expenses under a data center lease agreement. These operating expenses are not included in the table below.

IAC/INTERACTIVECORP AND SUBSIDIARIES

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS (Continued)

Future minimum payments under operating lease agreements are as follows:

Years Ending December 31,	(In thousands)
2013	\$ 24,071
2014	25,565
2015	23,812
2016	23,268
2017	20,593
Thereafter	210,798
Total	\$ 328,107

Expenses charged to operations under these agreements are \$30.6 million, \$31.3 million and \$31.1 million for the years ended December 31, 2012, 2011 and 2010, respectively.

The Company's most significant operating lease is a 77 year ground lease for IAC's headquarters building in New York City and approximates 55% of the future minimum payments due under all operating lease agreements in the table above.

The Company also has funding commitments that could potentially require its performance in the event of demands by third parties or contingent events as follows:

	Amount of Commitment Expiration Per Period			
	Total Amounts Committed	Less Than 1 Year	1-3 Years	3-5 Years
	(In thousands)			
Letters of credit	\$ 2,780	\$ 2,780	\$ —	\$ —
Purchase obligations	41,109	18,785	22,233	91
Total commercial commitments	\$ 43,889	\$ 21,565	\$ 22,233	\$ 91

The letters of credit support the Company's casualty insurance program. The purchase obligations primarily include advertising commitments, which commitments are reducible or terminable such that these commitments can never exceed associated revenue by a meaningful amount. Purchase obligations also include minimum payments due under telecommunication contracts related to data transmission lines.

NOTE 17—CONTINGENCIES

In the ordinary course of business, the Company is a party to various lawsuits. The Company establishes reserves for specific legal matters when it determines that the likelihood of an unfavorable outcome is probable and the loss is reasonably estimable. Management has also identified certain other legal matters where we believe an unfavorable outcome is not probable and, therefore, no reserve is established. Although management currently believes that resolving claims against us, including claims where an unfavorable outcome is reasonably possible, will not have a material impact on the liquidity, results of operations, or financial condition of the Company, these matters are subject to inherent uncertainties and management's view of these matters may change in the future. The Company also evaluates other contingent matters, including income and non-tax contingencies, to assess the likelihood of an unfavorable outcome and estimated extent of potential loss. It is possible that an unfavorable outcome of one or more of these lawsuits or other contingencies could have a material impact on the liquidity, results of operations, or financial condition of the Company. See Note 4 for additional information related to income tax contingencies.

NOTE 18—SUPPLEMENTAL CASH FLOW INFORMATION

Supplemental Disclosure of Non-Cash Transactions for 2010

On December 1, 2010, in accordance with the Company's stock exchange agreement with Liberty, IAC exchanged \$217.9 million in cash and all the outstanding shares of Celebrate Interactive, Inc., a wholly owned subsidiary of IAC that held all the equity interests of Evite, Inc.,

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS (Continued)

stock and all of its shares of Class B common stock, which were valued at \$364.2 million based on the closing price of IAC common stock on December 1, 2010.

On March 10, 2010, Match and Meetic completed a transaction in which Match contributed its Latin American business ("Match Latam") and Meetic contributed Parperfeito to a newly formed venture. These contributions, along with a \$3.0 million payment from Match to Meetic, resulted in each party owning a 50% equity interest in the newly formed venture, which was valued at \$72 million. No gain or loss was recognized on this transaction as the fair value of the consideration received by Match equaled the fair value of the assets exchanged.

Supplemental Disclosure of Cash Flow Information:

During 2010, IAC received a dividend of \$11.4 million from Meetic, which the Company deemed to be a partial return of its investment. Accordingly, the dividend is reflected as a cash inflow from an investing activity in the accompanying consolidated statement of cash flows.

NOTE 19—RELATED PARTY TRANSACTIONS

On December 1, 2010, the Company completed a tax-free exchange with Liberty. See Note 12 for additional information regarding this exchange.

In connection with and following the Expedia spin-off, the Company and Expedia entered into various commercial agreements, which generally include distribution agreements, services agreements and advertising agreements, as well as a cost sharing agreement. For the years ended December 31, 2012, 2011 and 2010, transactions related to these agreements have been immaterial. The Company and Expedia are related parties since they are under common control, given that Mr. Diller serves as Chairman and Senior Executive of both IAC and Expedia.

In addition, each of the Company and Expedia has a 50% ownership interest in an aircraft that may be used by both companies. Members of this aircraft's flight crew are employed by an entity in which each of the Company and Expedia has a 50% ownership interest. The Company and Expedia have agreed to share costs relating to flight crew compensation and benefits pro-rata according to each company's respective usage of the aircraft, for which they are separately billed by the entity described above. For the years ended December 31, 2012, 2011 and 2010, total payments made to this entity by the Company were immaterial.

NOTE 20—BENEFIT PLANS

IAC has a retirement savings plan in the United States that qualifies under Section 401(k) of the Internal Revenue Code. Participating employees may contribute up to 50% of their pre-tax earnings, but not more than statutory limits. IAC contributes fifty cents for each dollar a participant contributes in this plan, with a maximum contribution of 3% of a participant's eligible earnings. Matching contributions for the plan for the years ended December 31, 2012, 2011 and 2010 are \$6.5 million, \$5.0 million and \$4.9 million, respectively. The increase in matching contributions in 2012 is primarily related to increased participation in the plan. Matching contributions are invested in the same manner as each participant's voluntary contributions in the investment options provided under the plan. Investment options in the plan include IAC common stock, but neither participant nor matching contributions are required to be invested in IAC common stock.

IAC also has or participates in various benefit plans, principally defined contribution plans, for its international employees. IAC's contributions for these plans for the years ended December 31, 2012, 2011 and 2010 are \$2.3 million, \$1.4 million and \$0.4 million, respectively. The increase in contributions for both 2012 and 2011 relates primarily to Meetic, consolidated beginning September 1, 2011.

Item 9. Changes in and Disagreements With Accountants on Accounting and Financial Disclosure

Not applicable.

Item 9A. Controls and Procedures

Conclusion Regarding the Effectiveness of the Company's Disclosure Controls and Procedures

The Company monitors and evaluates on an ongoing basis its disclosure controls and procedures in order to improve their overall effectiveness. In the course of these evaluations, the Company modifies and refines its internal processes as conditions warrant.

As required by Rule 13a-15(b) of the Exchange Act, IAC management, including the Chairman and Senior Executive, the Chief Executive Officer and the Chief Financial Officer, conducted an evaluation, as of the end of the period covered by this report, of the effectiveness of the Company's disclosure controls and procedures as defined in Exchange Act Rule 13a-15(e). Based on this evaluation, the Chairman and Senior Executive, the Chief Executive Officer and the Chief Financial Officer concluded that the Company's disclosure controls and procedures were effective as of the end of the period covered by this report.

Management's Report on Internal Control Over Financial Reporting

Management of the Company is responsible for establishing and maintaining adequate internal control over financial reporting (as defined in Rule 13a-15(f) under the Exchange Act) for the Company. The Company's internal control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with accounting principles generally accepted in the United States. Management assessed the effectiveness of the Company's internal control over financial reporting as of December 31, 2012. In making this assessment, our management used the criteria for effective internal control over financial reporting described in "Internal Control—Integrated Framework" issued by the Committee of Sponsoring Organizations of the Treadway Commission. Based on this assessment, management has determined that, as of December 31, 2012, the Company's internal control over financial reporting is effective. The effectiveness of our internal control over financial reporting as of December 31, 2012 has been audited by Ernst & Young LLP, an independent registered public accounting firm, as stated in their attestation report, included herein.

Because of its inherent limitations, internal control over financial reporting may not prevent or detect misstatements. Also, projections of any evaluation of effectiveness to future periods are subject to the risk that controls may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Changes in Internal Control Over Financial Reporting

The Company monitors and evaluates on an ongoing basis its internal control over financial reporting in order to improve its overall effectiveness. In the course of these evaluations, the Company modifies and refines its internal processes as conditions warrant. As required by Rule 13a-15(d), IAC management, including the Chairman and Senior Executive, the Chief Executive Officer and the Chief Financial Officer, also conducted an evaluation of the Company's internal control over financial reporting to determine whether any changes occurred during the quarter ended December 31, 2012 that have materially affected, or are reasonably likely to materially affect, the Company's internal control over financial reporting. Based on that evaluation, there has been no such change during the quarter ended December 31, 2012.

Report of Independent Registered Public Accounting Firm

The Board of Directors and Shareholders of
IAC/InterActiveCorp

We have audited IAC/InterActiveCorp's internal control over financial reporting as of December 31, 2012, based on criteria established in Internal Control—Integrated Framework issued by the Committee of Sponsoring Organizations of the Treadway Commission (the COSO criteria). IAC/InterActiveCorp's management is responsible for maintaining effective internal control over financial reporting, and for its assessment of the effectiveness of internal control over financial reporting included in the accompanying Management's Report on Internal Control Over Financial Reporting. Our responsibility is to express an opinion on the company's internal control over financial reporting based on our audit.

We conducted our audit in accordance with the standards of the Public Company Accounting Oversight Board (United States). Those standards require that we plan and perform the audit to obtain reasonable assurance about whether effective internal control over financial reporting was maintained in all material respects. Our audit included obtaining an understanding of internal control over financial reporting, assessing the risk that a material weakness exists, testing and evaluating the design and operating effectiveness of internal control based on the assessed risk, and performing such other procedures as we considered necessary in the circumstances. We believe that our audit provides a reasonable basis for our opinion.

A company's internal control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use or disposition of the company's assets that could have a material effect on the financial statements.

Because of its inherent limitations, internal control over financial reporting may not prevent or detect misstatements. Also, projections of any evaluation of effectiveness to future periods are subject to the risk that controls may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

In our opinion, IAC/InterActiveCorp maintained, in all material respects, effective internal control over financial reporting as of December 31, 2012, based on the COSO criteria.

We also have audited, in accordance with the standards of the Public Company Accounting Oversight Board (United States), the consolidated balance sheet of IAC/InterActiveCorp and subsidiaries as of December 31, 2012 and 2011, and the related consolidated statements of operations, comprehensive income, shareholders' equity and cash flows for each of the three years in the period ended December 31, 2012 and our report dated March 1, 2013 expressed an unqualified opinion thereon.

THE NOTES

SECTION 2.01. Amount of Notes.

Upon receipt of a written order of the Issuer, the Trustee shall authenticate (i) Notes for original issue on the Issue Date in the aggregate principal amount not to exceed \$500,000,000 and (ii) subject to Section 4.06 (unless terminated pursuant to Section 4.21) and Section 4.10, Additional Notes in an unlimited principal amount, upon a written order of the Issuer in the form of an Officer’s Certificate of the Issuer. The Officer’s Certificate shall specify the amount of the Notes to be authenticated, the date on which the Notes are to be authenticated, and the names and delivery instructions for each Holder.

Upon receipt of a written order of the Issuer in the form of an Officer’s Certificate, the Trustee shall authenticate Notes in substitution for Notes originally issued to reflect any name change of the Issuer. Any Additional Notes and the Exchange Notes shall be part of the same issue as the Notes being issued on the date hereof and shall vote on all matters as one class with the Notes being issued on the date hereof, including, without limitation, waivers, amendments, redemptions and offers to purchase. For the purposes of this Indenture, except for Section 4.06, references to the Notes include Additional Notes and the Exchange Notes, if any.

SECTION 2.02. Form and Dating; Book Entry Provisions.

(a) The Notes and the Trustee’s certificate of authentication with respect thereto shall be substantially in the form set forth in Exhibit A hereto, which is incorporated in and forms a part of this Indenture. The Notes may have notations, legends or endorsements required by law, rule or usage to which the Issuer is subject. Each Note shall be dated the date of its authentication.

(b) (i) The Notes shall be offered and sold by the Issuer pursuant to a Purchase Agreement. The Notes shall be resold initially only to (i) QIBs in reliance on Rule 144A under the Securities Act and (ii) Persons other than U.S. Persons (as defined in Regulation S) in reliance on Regulation S under the Securities Act. Notes may thereafter be transferred to, among others, QIBs and purchasers in reliance on Regulation S, subject to the restrictions on transfer set forth herein. Notes initially resold pursuant to Rule 144A shall be issued in the form of one or more permanent global Notes in definitive, fully registered form without interest coupons (collectively, the “Rule 144A Global Note”); and Notes initially resold pursuant to Regulation S shall be issued in the form of one or more global securities in fully registered form (collectively, the “Regulation S Global Note”), in each case without interest coupons and with the global securities legend and the applicable restricted securities legend set forth in Exhibit A hereto, which shall be deposited on behalf of the purchasers of the Notes represented thereby with the Notes Custodian and registered in the name of the Depository or a nominee of the Depository, duly executed by the Issuer and authenticated by the Trustee as provided in this Indenture. Except as set forth in this Section 2.02(b), beneficial ownership interests in the Regulation S Global Note shall not be exchangeable for interests in the Rule 144A Global Note or any other Note prior to the expiration of the Distribution Compliance Period and then, after the expiration of the Distribution Compliance Period, may be exchanged for interests in a Rule 144A Global Note only upon certification in form reasonably satisfactory to the Trustee that beneficial ownership interests in such Regulation S Global Note are owned either by Non-U.S. Persons or U.S. persons who purchased such interests in a transaction that did not require registration under the Securities Act.

(ii) Beneficial interests in Regulation S Global Notes may be exchanged for interests in Rule 144A Global Notes if (1) such exchange occurs in connection with a transfer of Notes in compliance with Rule 144A and (2) the transferor of the beneficial interest in the Regulation S Global Note first delivers to the Trustee a written certificate (in the form of Exhibit C attached hereto) to the effect that the beneficial interest in the Regulation S Global Note is being transferred to a Person (A) who the transferor reasonably believes to be a QIB, (B) purchasing for its own account or the account of a QIB in a transaction meeting the requirements of Rule 144A, and (C) in accordance with all applicable securities laws of the States of the United States and other jurisdictions.

(iii) [Reserved]

(iv) Beneficial interests in a Rule 144A Global Note may be transferred to a Person who takes delivery in the form of an interest in a Regulation S Global Note, whether before or after the expiration of the Distribution Compliance Period, only if the transferor first delivers to the Trustee a written certificate (in the form provided in this Indenture) to the effect that such transfer is being made in accordance with Rule 903 or 904 of Regulation S or Rule 144 (if applicable).

(v) Exchange Notes exchanged for interests in the Rule 144A Notes and the Regulation S Notes will be issued in the form of a permanent global Note, substantially in the form of Exhibit B, which is hereby incorporated by reference and made a part of this Indenture, deposited with the Registrar as hereinafter provided, including the appropriate legend set forth in Section 2.16(e) (the “Exchange Global Note”). The Exchange Global Note will be deposited upon issuance with, or on behalf of, the Registrar as custodian for DTC, duly executed by the Issuer and authenticated by the Trustee as hereinafter provided. The Exchange Global Note may be represented by more than one certificate, if so required by DTC’s rules regarding the maximum principal amount to be represented by a single certificate.

(vi) The Rule 144A Global Note, the Regulation S Global Note and the Exchange Global Note are collectively referred to herein as “Global Notes”. The aggregate principal amount of the Global Notes may from time to time be increased or decreased by adjustments made on the records of the Trustee and the Depository or its nominee as hereinafter provided.

(c) Book-Entry Provisions. This Section 2.02(c) shall apply only to a Global Note deposited with or on behalf of the Depository.

(i) The Issuer shall execute and the Trustee shall, in accordance with this Section 2.02(c), authenticate and deliver initially one or more Global Notes that (A) shall be registered in the name of the Depository for such Global Note or the nominee of such Depository and (B) shall be delivered by the Trustee to such Depository or pursuant to such Depository’s instructions or held by the Trustee as custodian for the Depository.

(ii) Members of, or participants in, the Depository (“Agent Members”) shall have no rights under this Indenture with respect to any Global Note held on their behalf by the Depository or by the Trustee as the custodian of the Depository or under such Global Note, and the Issuer, the Trustee and any agent of the Issuer or the Trustee shall be entitled to treat the Depository as the absolute owner of such Global Note for all purposes whatsoever. Notwithstanding the foregoing, nothing herein shall prevent the Issuer, the Trustee or any agent of the Issuer or the Trustee from giving effect to any written certification, proxy or other authorization furnished by the Depository or impair, as between the Depository and its Agent Members, the operation of customary practices of such Depository governing the exercise of the rights of a holder of a beneficial interest in any Global Note.

(d) Definitive Notes. Except as provided in this Section 2.02 or Section 2.16 or 2.17, owners of beneficial interests in Notes shall not be entitled to receive physical delivery of Definitive Notes.

(e) The terms and provisions contained in the Notes shall constitute, and are expressly made, a part of this Indenture and, to the extent applicable, the Issuer, the Guarantors and the Trustee, by their execution and delivery of this Indenture, expressly agree to such terms and provisions and agree to be bound thereby. If there is any conflict between the terms of the Notes and this Indenture, the terms of this Indenture shall govern.

(f) The Notes may be presented for registration of transfer and exchange at the offices of the Registrar.

SECTION 2.03. Execution and Authentication.

An Officer (who shall, in each case, have been duly authorized by all requisite corporate actions) shall sign the Notes for the Issuer by manual or facsimile signature.

If an Officer whose signature is on a Note was an Officer at the time of such execution but no longer holds that office at the time the Trustee authenticates the Note, the Note shall be valid nevertheless.

No Note shall be entitled to any benefit under this Indenture or be valid or obligatory for any purpose unless there appears on such Note a certificate of authentication substantially in the form provided for herein executed by the Trustee by manual signature of an authorized officer, and such

certificate upon any Note shall be conclusive evidence, and the only evidence, that such Note has been duly authenticated and delivered hereunder. Notwithstanding the foregoing, if any Note shall have been authenticated and delivered hereunder but never issued and sold by the Issuer, and the Issuer shall deliver such Note to the Trustee for cancellation as provided in Section 2.12, for all purposes of this Indenture such Note shall be deemed never to have been authenticated and delivered hereunder and shall never be entitled to the benefits of this Indenture.

The Trustee may appoint an authenticating agent reasonably acceptable to the Issuer to authenticate the Notes. Unless otherwise provided in the appointment, an authenticating agent may authenticate the Notes whenever the Trustee may do so. Each reference in this Indenture to authentication by the Trustee includes authentication by such agent. An authenticating agent has the same rights as an Agent to deal with the Issuer and Affiliates of the Issuer. Each Paying Agent is designated as an authenticating agent for purposes of this Indenture.

The Notes shall be issuable only in registered form without coupons in minimum denominations of \$2,000 and integral multiples of \$1,000.

SECTION 2.04. Registrar and Paying Agent .

The Issuer shall maintain an office or agency (which shall be located in the Borough of Manhattan in The City of New York, State of New York or the city in which the Corporate Trust Office of the Trustee is located) where Notes may be presented for registration of transfer or for exchange (the “Registrar”), and an office or agency where Notes may be presented for payment (the “Paying Agent”) and an office or agency where notices and demands to or upon the Issuer, if any, in respect of the Notes and this Indenture may be served. The Registrar shall keep a register of the Notes and of their transfer and exchange. If and for so long as the Trustee is not the Registrar, the Trustee shall have the right to inspect the register of the Notes during regular business hours. The Issuer may have one or more additional Paying Agents. The term “Paying Agent” includes any additional Paying Agent. The Issuer or any Affiliate thereof may act as Paying Agent.

The Issuer shall enter into an appropriate agency agreement, which shall incorporate the provisions of the TIA, with any Agent that is not a party to this Indenture. The agreement shall implement the provisions of this Indenture that relate to such Agent. The Issuer shall notify the Trustee of the name and address of any such Agent. If the Issuer fails to maintain a Registrar or Paying Agent, or fails to give the foregoing notice, the Trustee shall act as such and shall be entitled to appropriate compensation in accordance with Section 7.07. The Issuer or any wholly owned Subsidiary may act as Paying Agent, Registrar, co-registrar or transfer agent.

The Issuer initially appoints the Trustee as Registrar and Paying Agent.

SECTION 2.05. Paying Agent To Hold Money in Trust .

On or prior to each due date of the principal or interest on any Notes, the Issuer shall deposit with the Paying Agent a sum sufficient to pay such principal and interest when so becoming due. Each Paying Agent shall hold in trust for the benefit of the Holders or the Trustee all money held by the Paying Agent for the payment of principal of or premium or interest on the Notes (whether such money has been paid to it by the Issuer or any other obligor on the Notes or the Guarantors), and the Issuer and the Paying Agent shall notify the Trustee in writing of any default by the Issuer (or any other obligor on the Notes) in making any such payment. If the Issuer or a Subsidiary of the Issuer serves as Paying Agent, it shall segregate the money held by it as Paying Agent and hold it as a separate trust fund. Money

held in trust by the Paying Agent need not be segregated except as required by law and in no event shall the Paying Agent be liable for any interest on any money received by it hereunder. The Issuer at any time may require the Paying Agent to pay all money held by it to the Trustee and account for any funds disbursed and the Trustee may at any time during the continuance of any Event of Default specified in Section 6.01(1) or (2), upon written request to the Paying Agent, require such Paying Agent to pay forthwith all money so held by it to the Trustee and to account for any funds disbursed by the Paying Agent. Upon making such payment, the Paying Agent shall have no further liability for the money delivered to the Trustee.

SECTION 2.06. Holder Lists.

The Trustee shall preserve in as current a form as is reasonably practicable the most recent list available to it of the names and addresses of the Holders and shall otherwise comply with TIA Section 312(a). If the Trustee is not the Registrar, the Issuer shall furnish to the Trustee at least five Business Days before each Interest Payment Date, and at such other times as the Trustee may reasonably request in writing, a list in such form and as of such date as the Trustee may reasonably require of the names and addresses of the Holders and the Issuer shall otherwise comply with TIA Section 312(a).

SECTION 2.07. Transfer and Exchange.

Subject to Sections 2.02(b), 2.16 and 2.17, when Notes are presented to the Registrar with a request from such Holder to register a transfer or to exchange them for an equal principal amount of Notes of other authorized denominations, the Registrar shall register the transfer as requested if the requirements of this Indenture are met. Every Note presented or surrendered for registration of transfer or exchange shall be duly endorsed or be accompanied by a written instrument of transfer in form satisfactory to the Issuer and the Registrar, duly executed by the Holder thereof or his attorneys duly authorized in writing. To permit registrations of transfers and exchanges, the Issuer shall issue and execute and the Trustee shall authenticate new Notes (and the Guarantors shall execute the guarantee thereon) evidencing such transfer or exchange at the Registrar's request. No service charge shall be made to the Holder for any registration of transfer or exchange. The Registrar may require from the Holder payment of a sum sufficient to cover any transfer taxes or other governmental charge that may be imposed in relation to a transfer or exchange, but this provision shall not apply to any exchange pursuant to Section 2.11, 3.06, 4.20 or 8.05 (in which events the Issuer shall be responsible for the payment of such taxes). The Registrar shall not be required to exchange or register a transfer (a) of any Note for a period of 15 days immediately preceding the mailing of notice of redemption of Notes to be redeemed (b) of any Note selected, called or being called for redemption except the unredeemed portion of any Note being redeemed in part or (c) of any Note between a record date and the next succeeding Interest Payment Date.

Any Holder of any Global Note shall, by acceptance of such Global Note, agree that transfers of the beneficial interests in such Global Note may be effected only through a book entry system maintained by the Holder of such Global Note (or its agent), and that ownership of a beneficial interest in such Global Note shall be required to be reflected in a book entry.

Each Holder of a Note agrees to indemnify the Issuer and the Trustee against any liability that may result from the transfer, exchange or assignment of such Holder's Note in violation of any provision of this Indenture and/or applicable U.S. Federal or state securities law.

Neither the Trustee nor the Registrar shall have any duty to monitor the Issuer's compliance with or have any responsibility with respect to the Issuer's compliance with any Federal or state securities laws.

SECTION 2.08. Replacement Notes .

If a mutilated Note is surrendered to the Registrar or the Trustee, or if the Holder claims that the Note has been lost, destroyed or wrongfully taken, the Issuer shall issue and the Trustee shall authenticate a replacement Note (and the Guarantors shall execute the guarantee thereon) if such Holder furnishes to the Issuer and the Trustee evidence reasonably acceptable to them of the ownership and the destruction, loss or theft of such Note and if the requirements of Section 8-405 of the New York Uniform Commercial Code as in effect on the date of this Indenture are met. If required by the Trustee or the Issuer, an indemnity bond shall be posted by such Holder, sufficient in the judgment of both to protect the Issuer, the Guarantors, the Trustee or any Paying Agent from any loss that any of them may suffer if such Note is replaced. The Issuer and the Trustee may charge such Holder for their reasonable out-of-pocket expenses in replacing such Note (including, without limitation, attorneys' fees and disbursements) in replacing such Note. Every replacement Note shall constitute a contractual obligation of the Issuer.

SECTION 2.09. Outstanding Notes .

The Notes outstanding at any time are all Notes that have been authenticated by the Trustee except for (a) those cancelled by it, (b) those delivered to it for cancellation, (c) to the extent set forth in Sections 9.01 and 9.02, on or after the date on which the conditions set forth in Section 9.01 or 9.02 have been satisfied, those Notes theretofore authenticated and delivered by the Trustee hereunder and (d) those described in this Section 2.09 as not outstanding. Subject to Section 2.10, a Note does not cease to be outstanding because the Issuer or one of its Affiliates holds the Note.

If a Note is replaced pursuant to Section 2.08, it ceases to be outstanding unless the Trustee and the Issuer receives proof satisfactory to it that the replaced Note is held by a protected purchaser in whose hands such Note is a legal, valid and binding obligation of the Issuer.

If the Paying Agent holds in trust, in its capacity as such, on any Redemption Date or maturity date, money sufficient to pay all accrued interest and principal with respect to the Notes payable on that date and is not prohibited from paying such money to the Holders thereof pursuant to the terms of this Indenture, then on and after that date such Notes cease to be outstanding and interest on them ceases to accrue.

SECTION 2.10. Treasury Notes .

In determining whether the Holders of the required principal amount of Notes have concurred in any declaration of acceleration or notice of default or direction, waiver or consent or any amendment, modification or other change to this Indenture, Notes owned by the Issuer or any other Affiliate of the Issuer shall be disregarded as though they were not outstanding, except that for the purposes of determining whether the Trustee shall be protected in relying on any such direction, waiver or consent or any amendment, modification or other change to this Indenture, only Notes as to which a Responsible Officer of the Trustee has received an Officer's Certificate stating that such Notes are so owned shall be so disregarded. Notes so owned which have been pledged in good faith shall not be disregarded if the pledgee established to the satisfaction of the Trustee the pledgee's right so to act with respect to the Notes and that the pledgee is not the Issuer, a Guarantor, any other obligor on the Notes or any of their respective Affiliates.

SECTION 2.11. Temporary Notes .

Until definitive Notes are prepared and ready for delivery, the Issuer may prepare and the Trustee shall authenticate temporary Notes. Temporary Notes shall be substantially in the form of definitive Notes but may have variations that the Issuer considers appropriate for temporary Notes. Without unreasonable delay, the Issuer shall prepare and the Trustee shall authenticate definitive Notes in exchange for temporary Notes. Until such exchange, temporary Notes shall be entitled to the same rights, benefits and privileges as definitive Notes.

SECTION 2.12. Cancellation.

The Issuer at any time may deliver Notes to the Trustee for cancellation. The Registrar and the Paying Agent shall forward to the Trustee any Notes surrendered to them for registration of transfer, exchange or payment. The Trustee and no one else shall cancel all Notes surrendered for registration of transfer, exchange, payment, replacement or cancellation and shall cancel and destroy such Notes in accordance with its customary procedures. The Trustee shall upon the request of the Issuer deliver a certificate of such destruction to the Issuer. The Issuer may not reissue or resell, or issue new Notes to replace, Notes that the Issuer has redeemed or paid, or that have been delivered to the Trustee for cancellation, other than in accordance with the express provisions of this Indenture.

SECTION 2.13. Defaulted Interest.

If the Issuer defaults on a payment of interest on the Notes, it shall pay the defaulted interest, plus (to the extent permitted by law) any interest payable on the defaulted interest, in accordance with the terms hereof, to the Persons who are Holders of such Notes on a subsequent special record date, which date shall be at least five Business Days prior to the payment date. The Issuer shall fix such special record date and payment date in a manner satisfactory to the Trustee. The Issuer shall promptly mail to each Holder of such Notes a notice that states the special record date, the payment date and the amount of defaulted interest, and interest payable on defaulted interest, if any, to be paid. The Issuer may make payment of any defaulted interest in any other lawful manner not inconsistent with the requirements (if applicable) of any securities exchange on which the Notes may be listed and, upon such notice as may be required by such exchange, if, after written notice given by the Issuer to the Trustee of the proposed payment pursuant to this sentence, such manner of payment shall be deemed practicable by the Trustee.

SECTION 2.14. CUSIP Number.

The Issuer in issuing the Notes may use a “CUSIP” number, ISIN and “Common Code” number (in each case if then generally in use), and if so, such CUSIP number, ISIN and Common Code number shall be included in notices of redemption or exchange as a convenience to Holders; *provided* that any such notice may state that no representation is made as to the correctness or accuracy of such number either as printed in the notice or on the Notes, and that reliance may be placed only on the other identification numbers printed on the Notes. The Issuer shall promptly notify, and in any event within 10 Business Days, the Trustee of any such CUSIP number, ISIN and Common Code number used by the Issuer in connection with the issuance of the Notes and of any change in the CUSIP number, ISIN and Common Code number.

SECTION 2.15. Deposit of Moneys.

Subject to the following paragraph, prior to 11:00 a.m., New York City time, on each Interest Payment Date and maturity date, the Issuer shall have deposited with the Paying Agent in immediately available funds money sufficient to make cash payments, if any, due on such Interest Payment Date or maturity date, as the case may be. The principal and interest on Global Notes shall be

payable to the Depository or its nominee, as the case may be, as the sole registered owner and the sole holder of the Global Notes represented thereby. The principal and interest on Definitive Notes shall be payable, either in person or by mail, at the office of the Paying Agent.

If a Holder has given wire transfer instructions to the Issuer at least ten Business Days prior to the applicable Interest Payment Date, the Issuer (through the Paying Agent) will make all payments on such Holder's Notes by wire transfer of immediately available funds to the account specified in those instructions. Otherwise, payments on the Notes will be made at the office or agency of the Paying Agent for the Notes unless the Issuer (with notice to the Paying Agent) elects to make interest payments by check mailed to the Holders at their addresses set forth in the register of Holders.

SECTION 2.16. Special Transfer Provisions.

(a) Transfer and Exchange of Definitive Notes. When Definitive Notes are presented to the Registrar with a request:

(x) to register the transfer of such Definitive Notes; or

(y) to exchange such Definitive Notes for an equal principal amount of Definitive Notes of other authorized denominations,

the Registrar shall register the transfer or make the exchange as requested if its reasonable requirements for such transaction are met; *provided, however*, that the Definitive Notes surrendered for transfer or exchange:

(i) shall be duly endorsed or accompanied by a written instrument of transfer in form reasonably satisfactory to the Issuer and the Registrar, duly executed by the Holder thereof or its attorney duly authorized in writing; and

(ii) if such Definitive Notes are required to bear a restricted securities legend, they are being transferred or exchanged pursuant to an effective registration statement under the Securities Act (and the transferor certifies the same, in writing, to the Registrar), pursuant to Section 2.16(b) or pursuant to clause (A), (B) or (C) below, and are accompanied by the following additional information and documents, as applicable:

(A) if such Definitive Notes are being delivered to the Registrar by a Holder for registration in the name of such Holder, without transfer, a certification from such Holder to that effect; or

(B) if such Definitive Notes are being transferred to the Issuer, a certification to that effect; or

(C) if such Definitive Notes are being transferred (x) pursuant to an exemption from registration in accordance with Rule 144A, Regulation S or Rule 144 under the Securities Act; or (y) in reliance upon another exemption from the requirements of the Securities Act: (i) a certification to that effect (in the form set forth on the reverse of the Note) and (ii) if the Issuer so requests, an opinion of counsel or other evidence reasonably satisfactory to it as to the compliance with the restrictions set forth in the legend set forth in Section 2.16(e)(i).

(b) Restrictions on Transfer of a Definitive Note for a Beneficial Interest in a Global Note. A Definitive Note may not be exchanged for a beneficial interest in a Rule 144A Global Note or a Regulation S Global Note except upon satisfaction of the requirements set forth below. Upon receipt by the Trustee of a Definitive Note, duly endorsed or accompanied by appropriate instruments of transfer, in form satisfactory to the Trustee, together with:

- (i) certification, in the form set forth on the reverse of the Note, that such Definitive Note is either (A) being transferred to a QIB in accordance with Rule 144A or (B) being transferred after expiration of the Distribution Compliance Period by a Person who initially purchased such Note in reliance on Regulation S to a buyer who elects to hold its interest in such Note in the form of a beneficial interest in the Regulation S Global Note; and
- (ii) written instructions directing the Trustee to make, or to direct the Notes Custodian to make, an adjustment on its books and records with respect to such Rule 144A Global Note (in the case of a transfer pursuant to clause (b)(i)(A)) or Regulation S Global Note (in the case of a transfer pursuant to clause (b)(i)(C)) to reflect an increase in the aggregate principal amount of the Notes represented by the Rule 144A Global Note or Regulation S Global Note, as applicable, such instructions to contain information regarding the Depository account to be credited with such increase,

then the Trustee shall cancel such Definitive Note and cause, or direct the Notes Custodian to cause, in accordance with the standing instructions and procedures existing between the Depository and the Notes Custodian, the aggregate principal amount of Notes represented by the Rule 144A Global Note or Regulation S Global Note, as applicable, to be increased by the aggregate principal amount of the Definitive Note to be exchanged and shall credit or cause to be credited to the account of the Person specified in such instructions a beneficial interest in the Rule 144A Global Note or Regulation S Global Note, as applicable, equal to the principal amount of the Definitive Note so canceled. If no Rule 144A Global Notes or Regulation S Global Notes, as applicable, are then outstanding, the Issuer shall issue and the Trustee shall authenticate, upon written order of the Issuer in the form of an Officer's Certificate of the Issuer, a new Rule 144A Global Note or Regulation S Global Note, as applicable, in the appropriate principal amount.

(c) Transfer and Exchange of Global Notes.

(i) The transfer and exchange of Global Notes or beneficial interests therein shall be effected through the Depository, in accordance with this Indenture (including applicable restrictions on transfer set forth herein, if any) and the procedures of the Depository therefor. A transferor of a beneficial interest in a Global Note shall deliver to the Registrar a written order given in accordance with the Depository's procedures containing information regarding the participant account of the Depository to be credited with a beneficial interest in such Global Note. The Registrar shall, in accordance with such instructions, instruct the Depository to credit to the account of the Person specified in such instructions a beneficial interest in the Global Note and to debit the account of the Person making the transfer the beneficial interest in the Global Note being transferred.

(ii) If the proposed transfer is a transfer of a beneficial interest in one Global Note to a beneficial interest in another Global Note, the Registrar shall reflect on its books and records the date and an increase in the principal amount of the Global Note to which such interest is being transferred in an amount equal to the principal amount of the interest to be so transferred, and the Registrar shall reflect

on its books and records the date and a corresponding decrease in the principal amount of the Global Note from which such interest is being transferred.

(iii) Notwithstanding any other provisions of Article Two (other than the provisions set forth in Section 2.17), a Global Note may not be transferred as a whole except by the Depository to a nominee of the Depository or by a nominee of the Depository to the Depository or another nominee of the Depository or by the Depository or any such nominee to a successor Depository or a nominee of such successor Depository.

(iv) In the event that a Global Note is exchanged for Definitive Notes pursuant to Section 2.17, such Notes may be exchanged only in accordance with such procedures as are substantially consistent with the provisions of this Section 2.16 (including the certification requirements set forth on the reverse of the Notes intended to ensure that such transfers comply with Rule 144A, Regulation S or another applicable exemption under the Securities Act, as the case may be) and such other procedures as may from time to time be adopted by the Issuer.

(d) [Reserved]

(e) Legend.

(i) Except as permitted by the following paragraphs (ii), (iii) and (iv), each Note certificate evidencing the Global Notes (and all Notes issued in exchange therefor or in substitution thereof), in the case of Notes offered otherwise than in reliance on Regulation S, shall bear a legend in substantially the following form:

THIS NOTE (OR ITS PREDECESSOR) WAS ORIGINALLY ISSUED IN A TRANSACTION EXEMPT FROM REGISTRATION UNDER THE UNITED STATES SECURITIES ACT OF 1933, AS AMENDED (THE "SECURITIES ACT"), AND THIS NOTE MAY NOT BE OFFERED, SOLD OR OTHERWISE TRANSFERRED IN THE ABSENCE OF SUCH REGISTRATION OR AN APPLICABLE EXEMPTION THEREFROM. EACH PURCHASER OF THIS NOTE IS HEREBY NOTIFIED THAT THE SELLER OF THIS NOTE MAY BE RELYING ON THE EXEMPTION FROM THE PROVISIONS OF SECTION 5 OF THE SECURITIES ACT PROVIDED BY RULE 144A THEREUNDER.

THE HOLDER OF THIS NOTE AGREES FOR THE BENEFIT OF THE ISSUER THAT (A) THIS NOTE MAY BE OFFERED, RESOLD, PLEDGED OR OTHERWISE TRANSFERRED, ONLY (I) TO THE ISSUER, (II) IN THE UNITED STATES TO A PERSON WHOM THE SELLER REASONABLY BELIEVES IS A QUALIFIED INSTITUTIONAL BUYER (AS DEFINED IN RULE 144A UNDER THE SECURITIES ACT) IN A TRANSACTION MEETING THE REQUIREMENTS OF RULE 144A, (III) OUTSIDE THE UNITED STATES IN AN OFFSHORE TRANSACTION IN ACCORDANCE WITH RULE 904 UNDER THE SECURITIES ACT, (IV) PURSUANT TO EXEMPTION FROM REGISTRATION UNDER THE SECURITIES ACT PROVIDED BY RULE 144 THEREUNDER (IF AVAILABLE) OR (V) PURSUANT TO AN EFFECTIVE REGISTRATION STATEMENT UNDER THE SECURITIES ACT, IN EACH OF CASES (I) THROUGH (V), IN ACCORDANCE WITH ANY APPLICABLE SECURITIES LAWS OF ANY STATE OF THE UNITED STATES, AND (B) THE HOLDER SHALL, AND EACH SUBSEQUENT HOLDER IS REQUIRED TO,

NOTIFY ANY PURCHASER OF THIS NOTE FROM IT OF THE RESALE RESTRICTIONS REFERRED TO IN (A) ABOVE.

Each certificate evidencing a Note offered in reliance on Regulation S shall, in addition to the foregoing, bear a legend in substantially the following form:

THIS NOTE (OR ITS PREDECESSOR) WAS ORIGINALLY ISSUED IN A TRANSACTION ORIGINALLY EXEMPT FROM REGISTRATION UNDER THE U.S. SECURITIES ACT OF 1933, AS AMENDED (THE "SECURITIES ACT"), AND MAY NOT BE TRANSFERRED IN THE UNITED STATES OR TO, OR FOR THE ACCOUNT OR BENEFIT OF, ANY U.S. PERSON EXCEPT PURSUANT TO AN AVAILABLE EXEMPTION FROM THE REGISTRATION REQUIREMENTS OF THE SECURITIES ACT AND ALL APPLICABLE STATE SECURITIES LAWS. TERMS USED ABOVE HAVE THE MEANINGS GIVEN TO THEM IN REGULATION S UNDER THE SECURITIES ACT.

Each Definitive Note shall also bear the following additional legend:

IN CONNECTION WITH ANY TRANSFER, THE HOLDER SHALL DELIVER TO THE REGISTRAR AND TRANSFER AGENT SUCH CERTIFICATES AND OTHER INFORMATION AS SUCH TRANSFER AGENT MAY REASONABLY REQUIRE TO CONFIRM THAT THE TRANSFER COMPLIES WITH THE FOREGOING RESTRICTIONS.

(ii) Upon any sale or transfer of a Transfer Restricted Note (including any Transfer Restricted Note represented by a Global Note) pursuant to Rule 144 under the Securities Act, the Registrar shall permit the transferee thereof to exchange such Transfer Restricted Note for a certificated Note that does not bear the legend set forth above and rescind any restriction on the transfer of such Transfer Restricted Note, if the transferor thereof certifies in writing to the Registrar that such sale or transfer was made in reliance on Rule 144 (such certification to be in the form set forth on the reverse of the Note).

(iii) After a transfer of any Initial Notes during the period of the effectiveness of a Shelf Registration Statement with respect to such Initial Notes, all requirements pertaining to the restricted securities legend as set forth in Exhibit A hereto, on such Initial Notes shall cease to apply and the requirements that any such Initial Notes be issued in global form shall continue to apply.

(iv) Upon the consummation of an Exchange Offer with respect to the Initial Notes pursuant to which Holders of such Initial Notes are offered Exchange Notes in exchange for their Initial Notes, all requirements pertaining to Initial Notes that Initial Notes be issued in global form shall continue to apply, and Exchange Notes in global form without the restricted securities legend as set forth in Exhibit A hereto, shall be available to Holders that exchange such Initial Notes in such Exchange Offer.

(f) Cancellation or Adjustment of Global Note. At such time as all beneficial interests in a Global Note have either been exchanged for Definitive Notes, redeemed, purchased or canceled, such Global Note shall be returned to the Depository for cancellation or retained and cancelled by the Trustee. At any time prior to such cancellation, if any beneficial interest in a Global Note is exchanged for Definitive Notes, redeemed, purchased or canceled, the principal amount of Notes represented by such Global Note shall be reduced and an adjustment shall be made on the books and

records of the Trustee (if it is then the Notes Custodian for such Global Note) with respect to such Global Note, by the Trustee or the Notes Custodian, to reflect such reduction.

(g) No Obligation of the Trustee.

(i) None of the Trustee, Registrar or Paying Agent shall have any responsibility or obligation to any beneficial owner of a Global Note, a member of, or a participant in the Depository or other Person with respect to the accuracy of the records of the Depository or its nominee or of any participant or member thereof, with respect to any ownership interest in the Notes or with respect to the delivery to any participant, member, beneficial owner or other Person (other than the Depository) of any notice (including any notice of redemption) or the payment of any amount, under or with respect to such Notes. All notices and communications to be given to the Holders and all payments to be made to Holders under the Notes shall be given or made only to or upon the order of the registered Holders (which shall be the Depository or its nominee in the case of a Global Note). The rights of beneficial owners in any Global Note shall be exercised only through the Depository subject to the applicable rules and procedures of the Depository. The Trustee, Registrar and Paying Agent may rely and shall be fully protected in relying upon information furnished by the Depository with respect to its members, participants and any beneficial owners.

(ii) Neither the Trustee nor the Registrar shall have any obligation or duty to monitor, determine or inquire as to compliance with any restrictions on transfer imposed under this Indenture or under applicable law with respect to any transfer of any interest in any Note (including any transfers between or among Depository participants, members or beneficial owners in any Global Note) other than to require delivery of such certificates and other documentation or evidence as are expressly required by, and to do so if and when expressly required by, the terms of this Indenture, and to examine the same to determine substantial compliance as to form with the express requirements hereof.

SECTION 2.17. Certificated Notes.

(a) A Global Note deposited with the Depository or with the Trustee as Notes Custodian for the Depository pursuant to Section 2.02 shall be transferred to the beneficial owners thereof in the form of Definitive Notes in an aggregate principal amount equal to the principal amount of such Global Note, in exchange for such Global Note, only if such transfer complies with Section 2.16 hereof and (i) the Depository notifies the Issuer that it is unwilling or unable to continue as Depository for such Global Note and the Depository fails to appoint a successor depository or if at any time such Depository ceases to be a “clearing agency” registered under the Exchange Act and, in either case, a successor depository is not appointed by the Issuer within 90 days of such notice, (ii) the Issuer, at its option, notifies the Trustee in writing that it elects to cause the issuance of Notes in definitive form, then, upon surrender by the relevant Global Note Holder of its Global Note, Notes in such form will be issued to each Person that such Global Note Holder and the Depository identifies as being the beneficial owner of the related Notes, or (iii) an Event of Default has occurred and is continuing with respect to the Notes.

(b) Any Global Note that is transferable to the beneficial owners thereof pursuant to this Section 2.17 shall be surrendered by the Depository to the Trustee at the Corporate Trust Office of the Trustee, to be so transferred, in whole or from time to time in part, without charge, and the Trustee shall authenticate and deliver, upon such transfer of each portion of such Global Note, an equal aggregate principal amount of Definitive Notes of authorized denominations. Any portion of a Global Note transferred pursuant to this Section 2.17 shall be executed, authenticated and delivered only in denominations of US\$2,000 principal amount or any integral multiple of US\$1,000 in excess thereof and

registered in such names as the Depository shall direct. Any Definitive Note delivered in exchange for an interest in the Transfer Restricted Note shall, except as otherwise provided by Section 2.16(e) hereof, bear the applicable restricted securities legend and definitive note legend set forth in Exhibit A hereto.

(c) Subject to the provisions of Section 2.17(b) hereof, the registered Holder of a Global Note shall be entitled to grant proxies and otherwise authorize any Person, including Agent Members and Persons that may hold interests through Agent Members, to take any action which a Holder is entitled to take under this Indenture or the Notes.

(d) In the event of the occurrence of one of the events specified in Section 2.17(a) hereof, the Issuer shall promptly make available to the Trustee a reasonable supply of Definitive Notes in definitive, fully registered form without interest coupons. In the event that the Definitive Notes are not issued to each such beneficial owner promptly after the Registrar has received a request from the Holder of a Global Note to issue such certificated Note, the Issuer expressly acknowledges, with respect to the right of any Holder to pursue a remedy pursuant to Article 6 of this Indenture, the right of any beneficial holder of Notes to pursue such remedy with respect to the portion of the Global Note that represents such beneficial holder's Notes as if such certificated Notes had been issued.

(e) By its acceptance of any Note bearing any legend in Section 2.16(e), each Holder of such Note acknowledges the restrictions on transfer of such Note set forth in this Indenture and in such legend in Section 2.16(e) and agrees that it shall transfer such Note only as provided in this Indenture.

The Registrar shall retain for a period of two years copies of all letters, notices and other written communications received pursuant to Section 2.02 or this Section 2.17. The Issuer shall have the right to inspect and make copies of all such letters, notices or other written communications at any reasonable time upon the giving of reasonable notice to the Registrar.

SECTION 2.18. Computation of Interest .

Interest on the Notes shall be computed on the basis of a 360-day year of twelve 30-day months. Additional Interest will be payable with respect to the Notes in certain circumstances if the Issuer does not consummate the Exchange Offer (or shelf registration, if applicable) as provided in the Registration Rights Agreement.

ARTICLE THREE

REDEMPTION

SECTION 3.01. Election To Redeem; Notices to Trustee .

If the Issuer elects to redeem Notes pursuant to paragraph 6 of such Notes, at least 30 days prior to the Redemption Date (unless a shorter notice shall be agreed to in writing by the Trustee), the Issuer shall notify the Trustee in writing of the Redemption Date, the principal amount of Notes to be redeemed and the redemption price, and deliver to the Trustee an Officer's Certificate stating that such redemption will comply with the conditions contained in paragraph 6 of the Notes. Notice given to the Trustee pursuant to this Section 3.01 may not be revoked after the time that notice is given to Holders pursuant to Section 3.03, except as provided in Section 3.04.

SECTION 3.02. Selection by Trustee of Notes To Be Redeemed.

In the event that less than all of the Notes are to be redeemed at any time pursuant to a redemption made pursuant to paragraph 6 of such Notes, selection of the Notes for redemption shall be made on a pro rata basis (if the Notes are issued in physical form) or in accordance with DTC's applicable procedures (if the Notes are issued in global form) and in each case, if the Notes are listed on a national securities exchange, in compliance with the requirements of the principal national securities exchange on which the Notes are listed; *provided, however*, that no Notes of a principal amount of \$2,000 or less shall be redeemed in part. If a partial redemption is made pursuant to paragraph 6 of the Notes, selection of the Notes or portions thereof for redemption shall be made by the Trustee only on a *pro rata* basis or on as nearly a *pro rata* basis as is practicable (subject to the procedures of the Depository), unless that method is otherwise prohibited. The Trustee shall promptly notify the Issuer of the Notes selected for redemption and, in the case of any Notes selected for partial redemption, the principal amount thereof to be redeemed. The Trustee may select for redemption portions of the principal of the Notes that have denominations larger than \$2,000. For all purposes of this Indenture unless the context otherwise requires, provisions of this Indenture that apply to Notes called for redemption also apply to portions of Notes called for redemption. The Issuer may acquire Notes by means other than redemption, whether pursuant to an Issuer tender offer, open market purchase or otherwise, *provided* such acquisition does not otherwise violate the other terms of this Indenture.

SECTION 3.03. Notice of Redemption.

At least 30 days, and no more than 60 days, before a Redemption Date, the Issuer shall mail, or cause to be mailed, a notice of redemption by first-class mail to each Holder to be redeemed at his or her last address as the same appears on the registry books maintained by the Registrar pursuant to Section 2.04, except that redemption notices may be mailed more than 60 days prior to a Redemption Date if the notice is issued in connection with a satisfaction and discharge of this Indenture. If the Issuer mails such notice to Holders, it shall mail a copy of such notice to the Trustee at the same time.

The notice shall identify the Notes to be redeemed (including the CUSIP numbers, ISIN and Common Code numbers, if any thereof) and shall state:

- (1) the Redemption Date;
 - (2) the redemption price and the amount of premium (or the manner of calculation the redemption price and/or premium) and accrued interest to be paid;
 - (3) if any Note is being redeemed in part, the portion of the principal amount of such Note to be redeemed and that, after the Redemption Date and upon surrender of such Note, a new Note or Notes in principal amount equal to the unredeemed portion shall be issued;
 - (4) the name and address of the Paying Agent;
 - (5) that Notes called for redemption must be surrendered to the Paying Agent to collect the redemption price;
 - (6) that unless the Issuer defaults in making the redemption payment, interest on Notes called for redemption ceases to accrue on and after the Redemption Date;
 - (7) that the Notes are being redeemed pursuant to paragraph 6 of the Notes;
-
-

(8) the aggregate principal amount of Notes that are being redeemed; and

(9) if the redemption is conditional, a description of the applicable conditions and the date by which such conditions are expected to be satisfied.

At the Issuer's written request made at least five Business Days prior to the date on which notice is to be given, the Trustee shall give the notice of redemption prepared by the Issuer, in the Issuer's name and at the Issuer's sole expense. In such event, the Issuer shall provide the Trustee with the information required by this Section 3.03.

SECTION 3.04. Effect of Notice of Redemption.

Except as provided below in the next paragraph, once the notice of redemption described in Section 3.03 is mailed, Notes called for redemption become due and payable on the Redemption Date and at the redemption price, including any premium, plus interest accrued to the Redemption Date. Upon surrender to the Paying Agent, such Notes shall be paid at the redemption price, including any premium, plus interest accrued to the Redemption Date, *provided* that if the Redemption Date is after a regular record date and on or prior to the Interest Payment Date, the accrued interest shall be payable to the Holder of the redeemed Notes registered on the relevant record date, and *provided, further*, that if a Redemption Date is not a Business Day, payment shall be made on the next succeeding Business Day and no interest shall accrue for the period from such Redemption Date to such succeeding Business Day. Failure to give notice or any defect in the notice to any Holder shall not affect the validity of the notice to any other Holder.

Any redemption or notice may, at the Issuer's option, be subject to the satisfaction of one or more conditions precedent. In addition, if such redemption or notice is subject to satisfaction of one or more conditions precedent, such notice shall state that, in the Issuer's discretion, the redemption date may be delayed until such time as any or all such conditions shall be satisfied, or such redemption may not occur and such notice may be rescinded in the event that any or all such conditions shall not have been satisfied by the redemption date, or by the Redemption Date so delayed.

The Issuer may provide in any notice that payment of the redemption price and accrued and unpaid interest, if any, and the performance of the Issuer's obligations with respect to such redemption may be performed by another Person.

SECTION 3.05. Deposit of Redemption Price.

On or prior to 11:00 a.m., New York City time, on each Redemption Date, the Issuer shall deposit with the Paying Agent in immediately available funds money sufficient to pay the redemption price of, including premium, if any, and accrued interest on all Notes to be redeemed on that date other than Notes or portions thereof called for redemption on that date which have been delivered by the Issuer to the Trustee for cancellation. Promptly after the calculation of the redemption price, the Issuer shall give the Trustee and any Paying Agent written notice thereof.

On and after any Redemption Date, if money sufficient to pay the redemption price of, including premium, if any, and accrued interest on Notes called for redemption shall have been made available in accordance with the preceding paragraph, the Notes called for redemption shall cease to accrue interest and the only right of the Holders of such Notes shall be to receive payment of the redemption price of and, subject to the first proviso in Section 3.04, accrued and unpaid interest on such Notes to the Redemption Date. If any Note surrendered for redemption shall not be so paid, interest shall

be paid, from the Redemption Date until such redemption payment is made, on the unpaid principal of the Note and any interest not paid on such unpaid principal, in each case, at the rate and in the manner provided in the Notes.

SECTION 3.06. Notes Redeemed in Part.

Upon surrender of a Note that is redeemed in part, the Issuer shall execute and the Trustee shall authenticate for the Holder thereof a new Note equal in principal amount to the unredeemed portion of the Note surrendered.

SECTION 3.07. Mandatory Redemption.

The Issuer shall not be required to make mandatory redemption payments with respect to the Notes.

ARTICLE FOUR

COVENANTS

SECTION 4.01. Payment of Notes.

The Issuer shall pay the principal of and interest on the Notes on the dates and in the manner provided in the Notes and this Indenture. An installment of principal or interest shall be considered paid on the date it is due if the Trustee or Paying Agent holds by 11:00 a.m. on that date money designated for and sufficient to pay such installment.

The Issuer shall pay interest on overdue principal (including post-petition interest in a proceeding under any Bankruptcy Law), and overdue interest, to the extent lawful, at the rate specified in the Notes.

SECTION 4.02. Reports to Holders.

(a) So long as the Notes are outstanding the Issuer will deliver to the Trustee within 15 days after the filing of the same with the SEC, copies of the quarterly and annual reports and of the information, documents and other reports, if any, which the Issuer is required to file with the SEC pursuant to Section 13 or 15(d) of the Exchange Act. Notwithstanding that the Issuer may not be subject to the reporting requirements of Section 13 or 15(d) of the Exchange Act, so long as the Notes are outstanding the Issuer will file with the SEC, to the extent permitted, and provide the Trustee with such annual reports and such information, documents and other reports specified in Sections 13 and 15(d) of the Exchange Act. In addition, the Issuer will make such information available to the Holders of the Notes upon reasonable request.

Notwithstanding the foregoing, the Issuer will be deemed to have furnished such reports referred to above to the Trustee and the Holders of the Notes if the Issuer has filed such reports with the SEC via the EDGAR filing system and such reports are publicly available.

(b) For the avoidance of doubt, such information and reports referred to in this section shall not be required to contain separate financial information for Guarantors that would be

required under Rule 3-10 of Regulation S-X promulgated by the SEC, except to the extent required by the rules and regulations of the SEC if such rules are actually applicable; *provided*, *however*, that the Trustee shall have no obligation to determine whether or not the Issuer shall have made such filings; *provided*, *further*, that if such full information is not provided, summary Guarantor/non-Guarantor information shall be provided consistent with the level of information in the Offering Memorandum.

(c) Delivery of such reports and information to the Trustee shall be for informational purposes only and the Trustee's receipt of them shall not constitute constructive notice of any information contained therein or determinable from information contained therein (including the Issuer's compliance with any of its covenants under this Indenture as to which the Trustee is entitled to rely exclusively on an Officer's Certificate).

SECTION 4.03. Waiver of Stay, Extension or Usury Laws.

Each of the Issuer and the Guarantors covenants (to the extent that it may lawfully do so) that it shall not at any time insist upon, or plead (as a defense or otherwise) or in any manner whatsoever claim or take the benefit or advantage of, any stay or extension law or any usury law or other law which would prohibit or forgive any of the Issuer and the Guarantors from paying all or any portion of the principal of, premium, if any, and/or interest on the Notes as contemplated herein, wherever enacted, now or at any time hereafter in force, or which may affect the covenants or the performance of this Indenture; and (to the extent that they may lawfully do so) each of the Issuer and the Guarantors hereby expressly waives all benefit or advantage of any such law, and covenants that it shall not hinder, delay or impede the execution of any power herein granted to the Trustee, but shall suffer and permit the execution of every such power as though no such law had been enacted.

SECTION 4.04. Compliance Certificate; Notice of Default.

(a) The Issuer shall deliver to the Trustee, within 120 days after the end of each fiscal year, an Officer's Certificate stating that a review of the activities of the Issuer and its Subsidiaries during such fiscal year has been made under the supervision of the signing Officers with a view to determining whether the Issuer and the Guarantors have kept, observed, performed and fulfilled their obligations under this Indenture, and further stating, as to each such Officer signing such certificate, that to the best of his or her knowledge, the Issuer and the Guarantors have kept, observed, performed and fulfilled each and every covenant contained in this Indenture and no Default occurred during such period (or, if a Default shall have occurred, describing all such Defaults of which he or she may have knowledge and what action they are taking or propose to take with respect thereto).

(b) The Issuer and the Guarantors shall, so long as any of the Notes are outstanding, deliver to the Trustee, forthwith upon any Officer becoming aware of any Default, an Officer's Certificate specifying such Default and what action the Issuer and the Guarantors are taking or propose to take with respect thereto.

SECTION 4.05. [Reserved]

SECTION 4.06. Limitations on Incurrence of Indebtedness.

(a) The Issuer will not, and will not permit any Restricted Subsidiary to, directly or indirectly, incur any Indebtedness; *provided* that the Issuer or any Restricted Subsidiary may incur additional Indebtedness, in each case, if, as of the date of incurrence, after giving effect to such incurrence

and the application of the proceeds therefrom, the Consolidated Leverage Test would be satisfied (the “ Leverage Ratio Exception ”).

(b) Notwithstanding the above, each of the following shall be permitted (the “ Permitted Indebtedness ”):

(1) Indebtedness of the Issuer and any Restricted Subsidiary under Credit Facilities (including the Credit Agreement) in an aggregate principal amount at any time outstanding not to exceed \$400,000,000;

(4) (x) Indebtedness of the Issuer owed to any Restricted Subsidiary or of a Restricted Subsidiary owed to any other Restricted Subsidiary or the Issuer and (y) guarantees by any Restricted Subsidiary or the Issuer of any Indebtedness of the Issuer or any other Restricted Subsidiary; *provided, however*, that upon any such Indebtedness being owed to any Person other than the Issuer or a Restricted Subsidiary or any such guarantee being of Indebtedness of any Person other than the Issuer or a Restricted Subsidiary, as applicable, the Issuer or such Restricted Subsidiary, as applicable, shall be deemed to have incurred Indebtedness not permitted by this clause (4);

(5) Indebtedness in respect of bid, performance, surety bonds or completion bonds issued for the account of the Issuer or any Restricted Subsidiary in the ordinary course of business, including guarantees or obligations of the Issuer or any Restricted Subsidiary with respect to letters of credit supporting such bid, performance, surety or completion obligations;

(11) Indebtedness of Subsidiaries that are not Guarantors if, after giving effect to such incurrence and the application of the proceeds thereof, the aggregate principal amount of such indebtedness at any time outstanding and Refinancing Indebtedness thereof does not exceed the greater of \$75 million or 2.0% of Total Assets as of the time of incurrence (less the amount of any Indebtedness secured by a Lien permitted under clause (25) of the definition of "Permitted Liens" which Indebtedness is not incurred pursuant to this clause (11));

(12) Acquired Indebtedness; *provided* that the Issuer would be permitted to incur an additional \$1.00 of Indebtedness under the Consolidated Leverage Test or the Consolidated Leverage Ratio for the Issuer and its Restricted Subsidiaries, calculated after giving effect to such incurrence and on a *pro forma* basis, would be less than or equal to the Consolidated Leverage Ratio for the Issuer and its Restricted Subsidiaries immediately prior to such transaction;

(19) Indebtedness of the Issuer consisting of obligations for the payment of letters of credit in commitment amounts not to exceed \$10.0 million in the aggregate at any one time outstanding, excluding commitment amounts for any letters of credit issued pursuant to the Credit Facilities;

(20) any guarantee by the Issuer or any of its Restricted Subsidiaries, in the ordinary course of business, of obligations of suppliers, customers, franchisees and licensees of the Issuer or any of its Restricted Subsidiaries;

(21) unsecured Indebtedness in respect of obligations of the Issuer or any of its Restricted Subsidiaries to pay the deferred purchase price of goods or services or progress payments in connection with such goods and services; provided that such obligations are incurred in connection with open accounts extended by suppliers on customary trade terms (which require that all such payments be made within 60 days after the incurrence of the related obligations) in the ordinary course of business and not in connection with the borrowing of money; and

(22) reimbursement obligations with respect to letters of credit, bank guarantees, warehouse receipts or similar instruments issued in the ordinary course of business, and Indebtedness of the Issuer in respect of letters of credit issued by the Issuer for its own account or for the account of any of its Restricted Subsidiaries.

For purposes of determining compliance with this Section 4.06, in the event that an item of Indebtedness meets the criteria of more than one of the categories of Permitted Indebtedness described in clauses (1) through (22) above or is entitled to be incurred pursuant to the Leverage Ratio Exception, the Issuer shall, in its sole discretion, classify such item of Indebtedness and may divide, classify and later reclassify such Indebtedness in more than one of the types of Indebtedness described above (*provided* that at the time of reclassification it meets the criteria in such category or categories), except that Indebtedness outstanding under the Credit Agreement and the Notes issued on the Issue Date (and any Exchange Notes and guarantees thereof) shall be deemed to have been incurred under clauses (1) and (2), respectively, above. In addition, for purposes of determining any particular amount of Indebtedness under this Section 4.06, guarantees, Liens or letter of credit obligations supporting Indebtedness otherwise included in the determination of such particular amount shall not be included so long as incurred by a Person that could have incurred such Indebtedness.

For purposes of determining compliance with any U.S. dollar-denominated restriction on the incurrence of Indebtedness, the U.S. dollar-equivalent principal amount of Indebtedness denominated in a foreign currency shall be calculated based on the relevant currency exchange rate in effect on the date such Indebtedness was incurred, in the case of term debt, or first committed or first incurred (whichever yields the lower U.S. dollar equivalent), in the case of revolving credit debt; *provided* that if such Indebtedness is incurred to refinance other Indebtedness denominated in a foreign currency, and such refinancing would cause the applicable U.S. dollar-denominated restriction to be exceeded if calculated at the relevant currency exchange rate in effect on the date of such refinancing, such U.S. dollar-denominated restriction shall be deemed not to have been exceeded so long as the Indebtedness represented by such guarantees, Liens or letter of credit obligations was incurred in compliance with this Section 4.06. Accrual of interest, the accretion of accreted value, the accretion or amortization of original issue discount and the payment of interest in the form of additional Indebtedness of the same class will not be deemed to be an incurrence of Indebtedness for purposes of this covenant.

SECTION 4.07. Limitations on Restricted Payments.

The Issuer will not, and will not permit any Restricted Subsidiary to, directly or indirectly, make any Restricted Payment unless at the time of such Restricted Payment:

- (1) no Default shall have occurred and be continuing or shall occur as a consequence thereof; and
 - (2) after making such Restricted Payment the Consolidated Leverage Test would be satisfied.
-
-

The foregoing provisions will not prohibit:

(1) the payment by the Issuer or any Restricted Subsidiary of any dividend or the consummation of any irrevocable redemption within 60 days after the date of declaration thereof or giving the notice of the redemption, if on the date of declaration or notice the payment would have complied with the provisions of this Indenture (assuming in the case of redemption, the giving of the notice would have been deemed to be a Restricted Payment at such time and such deemed Restricted Payment would have been permitted at such time);

(2) the redemption of any Equity Interests of the Issuer in exchange for, or out of the proceeds of the substantially concurrent issuance and sale of, Qualified Equity Interests;

(3) the purchase, repurchase, redemption, defeasance, retirement for value or other acquisition of Subordinated Indebtedness of the Issuer or any Restricted Subsidiary (a) in exchange for, or out of the proceeds of the issuance and sale of Qualified Equity Interests within the preceding six months, (b) in exchange for, or out of the proceeds of the substantially concurrent incurrence of, Refinancing Indebtedness permitted to be incurred under Section 4.06 and the other terms of this Indenture or (c) upon a Change of Control or in connection with a sale of assets to the extent required by the agreement governing such Subordinated Indebtedness but only if the Issuer shall have complied with Section 4.20 (to the extent applicable) and purchased all Notes validly tendered pursuant to the relevant offer prior to redeeming such Subordinated Indebtedness or (d) deemed to occur as a result of the conversion of all or a portion of such Subordinated Indebtedness into Equity Interests of the Issuer;

(4) repurchase, redemption or other acquisition for value by the Issuer of, Equity Interests of the Issuer held by officers, directors or employees or former officers, directors or employees of the Issuer and any Restricted Subsidiary (or their transferees, estates or beneficiaries under their estates), upon their death, disability, retirement, severance or termination of employment or service; *provided* that the aggregate cash consideration paid for all such redemptions shall not exceed \$10.0 million during any twelve consecutive months (with unused amounts in any period being carried over to succeeding periods); *provided, further*, that cancellation of Indebtedness owing to the Issuer or any Restricted Subsidiary from any current or former officer, director or employee (or any permitted transferees thereof) of the Issuer or any of its Restricted Subsidiaries (or any direct or indirect parent company thereof), in connection with a repurchase of Equity Interests of the Issuer from such Persons will not be deemed to constitute a Restricted Payment for purposes of this covenant or any other provisions of this Indenture ;

(5) repurchases of Equity Interests deemed to occur (a) upon the exercise of stock options, warrants, or similar rights if the Equity Interests represent all or a portion of the exercise price thereof or (b) in connection with the satisfaction of any withholding tax obligations incurred relating to the vesting or exercise of stock options, warrants, restricted stock units or similar rights;

(6) any Restricted Payment made out of the net cash proceeds of the substantially concurrent sale of, or made by exchange for, Qualified Equity Interests of the Issuer (other than Qualified Equity Interests issued or sold to a Restricted Subsidiary of the Issuer or an employee stock ownership plan or to a trust established by the Issuer or any of its Restricted Subsidiaries for the benefit of their employees) or a substantially concurrent cash capital contribution received by the Issuer from its stockholders;

(7) Restricted Payments pursuant to and in accordance with stock option plans or other benefit plans for current or former directors, management, employees or consultants of the Issuer and its Restricted Subsidiaries;

(8) payments or distributions to dissenting stockholders pursuant to applicable law, pursuant to or in connection with a consolidation, merger or transfer of all or substantially all of the assets of the Issuer and its Restricted Subsidiaries that complies with the provisions of Section 5.01; *provided* that, as a result of such consolidation, merger or transfer of assets, the Issuer has made or will make a Change of Control Offer pursuant to Section 4.20 (if required) and any notes tendered in connection therewith have been or will be repurchased; and

(9) other Restricted Payments not otherwise permitted under this Indenture in an aggregate amount from and after the Issue Date not to exceed the greater of \$50.0 million or 2.0% of Total Assets, calculated as of the date on which any Restricted Payment pursuant to this clause (9) is made;

provided that in the case of any Restricted Payment pursuant to clause (3), (7) or (9) above, no Default shall have occurred and be continuing or occur as a consequence thereof.

For purposes of this covenant, if a particular Restricted Payment involves a non-cash payment, including a distribution of assets, then such Restricted Payment shall be deemed to be an amount equal to the cash portion of such Restricted Payment, if any, plus an amount equal to the Fair Market Value of the non-cash portion of such Restricted Payment. In addition, for purposes of determining compliance with this covenant, in the event that a Restricted Payment meets the criteria of more than one of the types of Restricted Payments described above, the Issuer may order and classify, and from time to time may reclassify, such Restricted Payment if that classification would have been permitted at the time such Restricted Payment was made and at the time of the reclassification.

SECTION 4.08. Limitations on Asset Sales.

The Issuer will not, and will not permit any Restricted Subsidiary to, directly or indirectly, consummate any Asset Sale unless at the time of such transaction and after giving effect thereto and to the use of proceeds thereof, (a) no Default shall have occurred and be continuing, (b) the Issuer or such Restricted Subsidiary, as the case may be, receives consideration at least equal to the Fair Market Value of the assets sold or otherwise disposed of, and (c) in the case of an Asset Sale other than an Asset Swap, at least 75% of the consideration therefor received by the Issuer or such Restricted Subsidiary, as the case may be, is in the form of cash or Cash Equivalents; *provided* that the amount of:

(1) any liabilities (as reflected in the Issuer's or such Restricted Subsidiary's most recent balance sheet or in the footnotes thereto, or if incurred or accrued subsequent to the date of such balance sheet, such liabilities that would have been shown on the Issuer's or such Restricted Subsidiary's balance sheet or in the footnotes thereto if such incurrence or accrual had taken place on the date of such balance sheet) of the Issuer or such Restricted Subsidiary, other than liabilities that are by their terms expressly subordinated in right of payment to the Notes, that are assumed by the transferee of any such assets and for which the Issuer and all of its Restricted Subsidiaries have been validly released by all creditors in writing,

(2) any securities, notes or other similar obligations received by the Issuer or such Restricted Subsidiary from such transferee that are converted by the Issuer or such Restricted

Subsidiary into cash or Cash Equivalents (to the extent so converted) within 180 days following the closing of such Asset Sale, and

(3) any Designated Noncash Consideration received by the Issuer or any Restricted Subsidiary in such Asset Sale having an aggregate Fair Market Value, taken together with all other Designated Noncash Consideration received pursuant to this clause (c) that is at that time outstanding, not to exceed an amount equal to the greater of \$100 million or 3.0% of Total Assets at the time of the receipt of such Designated Noncash Consideration, with the Fair Market Value of each item of Designated Noncash Consideration being measured at the time received and without giving effect to subsequent changes in value, shall be deemed to be cash or Cash Equivalents for purposes of this provision and for no other purpose.

SECTION 4.09. Limitations on Transactions with Affiliates.

The Issuer will not, and will not permit any Restricted Subsidiary to, directly or indirectly, in one transaction or a series of related transactions, sell, lease, transfer or otherwise dispose of any of its assets to, or purchase any assets from, or enter into any contract, agreement, loan, advance or guarantee with, or for the benefit of, any Affiliate involving payment or consideration in excess of \$5 million (an “Affiliate Transaction”), unless, as determined by the Issuer, such Affiliate Transaction is on terms that are no less favorable to the Issuer or the relevant Restricted Subsidiary than those that would have been obtained in a comparable transaction at such time on an arm’s-length basis by the Issuer or that Restricted Subsidiary from a Person that is not an Affiliate of the Issuer or that Restricted Subsidiary.

The foregoing restrictions shall not apply to:

- (1) transactions between or among the Issuer and its Restricted Subsidiaries not involving any other Affiliate;
 - (2) as determined by the Issuer, reasonable director, officer and employee compensation (including bonuses) and other benefits (including retirement, health, and stock compensation plans) and indemnification arrangements and performance of such arrangements;
 - (3) any issuance of securities, or other payments, awards or grants in cash, securities or otherwise, in each case pursuant to, or the funding of, employment arrangements, stock options and stock ownership plans in the ordinary course of business;
 - (4) Permitted Investments;
 - (5) Restricted Payments which are made in accordance with Section 4.07;
 - (6) (x) any agreement or arrangement in effect on the Issue Date, as in effect on the Issue Date or as thereafter amended or replaced in any manner, that, taken as a whole, is not more disadvantageous to the Holders or the Issuer in any material respect than such agreement or arrangement as it was in effect on the Issue Date or (y) any transaction pursuant to any agreement or arrangement referred to in the immediately preceding clause (x);
 - (7) any transaction with a joint venture or similar entity which would constitute an Affiliate Transaction solely because the Issuer or a Restricted Subsidiary owns an Equity Interest in or otherwise controls such joint venture or similar entity;
-
-

- (8) ordinary overhead arrangements in which any Subsidiary participates;
- (9) (a) any transaction with an Affiliate where the only consideration paid by the Issuer or any Restricted Subsidiary is Qualified Equity Interests or (b) the issuance or sale of any Qualified Equity Interests;
- (10) any transaction entered into by a Person prior to the time such Person becomes a Restricted Subsidiary or is merged or consolidated into the Issuer or a Restricted Subsidiary;
- (11) the issuance or sale of any Qualified Equity Interest of the Issuer to any Person; and
- (12) any employment agreements entered into by the Issuer or any of its Restricted Subsidiaries in the ordinary course of business and the transactions pursuant thereto.

SECTION 4.10. Limitations on Liens.

The Issuer will not, and will not permit any Restricted Subsidiary to, directly or indirectly, create, incur, assume or permit or suffer to exist any Lien (other than Permitted Liens) of any nature whatsoever against any assets (including Equity Interests of a Restricted Subsidiary) of the Issuer or any Restricted Subsidiary, whether owned at the Issue Date or thereafter acquired, which Lien secures Indebtedness or Hedging Obligations unless:

- (1) in the case of Liens securing Indebtedness that is Subordinated Indebtedness, the Notes or the Note Guarantee of such Restricted Subsidiary, if any, are secured by a Lien on such assets that is senior in priority to such Liens; and
- (2) in all other cases, the Notes or the Note Guarantee of such Restricted Subsidiary, if any, are secured equally and ratably with or prior to such Liens;

provided that any Lien which is granted to secure the Notes or any Note Guarantee under this covenant shall be discharged at the same time as the discharge of the Lien that gave rise to the obligation to so secure the Notes or such Note Guarantee, as the case may be.

SECTION 4.11. Additional Note Guarantees.

If, after the Issue Date, (a) any Restricted Subsidiary (including any newly formed, newly acquired or newly Redesignated Restricted Subsidiary) guarantees the Credit Agreement or any Capital Markets Indebtedness of the Issuer or a Domestic Subsidiary or (b) the Issuer otherwise elects to have any Restricted Subsidiary become a Guarantor, then, in each such case, the Issuer shall cause such Restricted Subsidiary to:

- (1) execute and deliver to the Trustee (a) a supplemental indenture in form and substance satisfactory to the Trustee pursuant to which such Restricted Subsidiary shall unconditionally guarantee all of the Issuer's obligations under the Notes and this Indenture and (b) a notation of guarantee in respect of its Note Guarantee; and
 - (2) deliver to the Trustee one or more opinions of counsel that such supplemental indenture (a) has been duly authorized, executed and delivered by such Restricted Subsidiary and (b)
-
-

constitutes a valid and legally binding obligation of such Restricted Subsidiary in accordance with its terms (subject to customary qualifications).

SECTION 4.12. Limitations on Dividend and Other Restrictions Affecting Restricted Subsidiaries.

The Issuer shall not, and shall not permit any Restricted Subsidiary to, directly or indirectly, create or otherwise cause or permit to exist or become effective any consensual encumbrance or consensual restriction on the ability of any Restricted Subsidiary to:

- (a) pay dividends or make any other distributions on or in respect of its Equity Interests held by the Issuer or a Restricted Subsidiary;
- (b) make loans or advances or pay any Indebtedness or other obligation owed to the Issuer or any Guarantor; or
- (c) transfer any of its assets to the Issuer or any Guarantor;

except for:

- (1) encumbrances or restrictions existing under or by reason of applicable law, regulation or order;
 - (2) encumbrances or restrictions existing under this Indenture, the Notes, the Note Guarantees and Exchange Notes (and any guarantees thereof);
 - (3) non-assignment provisions of any contract or any lease entered into in the ordinary course of business;
 - (4) encumbrances or restrictions existing under agreements existing on the Issue Date (including, without limitation, the Credit Agreement) as in effect on that date;
 - (5) encumbrances or restrictions relating to any Lien permitted under this Indenture imposed by the holder of such Lien that limit the right of the relevant obligor to transfer assets that are subject to such Lien;
 - (6) encumbrances or restrictions imposed under any agreement to sell assets, including Qualified Equity Interests of such Restricted Subsidiary, permitted under this Indenture to any Person pending the closing of such sale;
 - (7) any instrument or agreement governing Acquired Indebtedness, which encumbrance or restriction is not applicable to any Person, or the properties or assets of any Person, other than the Person or the properties or assets of the Person so acquired;
 - (8) any other instrument or agreement entered into after the Issue Date that contains encumbrances and restrictions that, as determined by the Issuer, will not materially adversely affect the Issuer's ability to make principal or interest payments on the Notes;
-
-

(9) customary provisions in partnership agreements, limited liability company organizational governance documents, joint venture agreements, shareholder agreements and other similar agreements;

(10) Purchase Money Indebtedness or Capitalized Lease Obligations incurred in compliance with Section 4.06 that impose restrictions of the nature described in clause (c) above on the assets acquired;

(11) encumbrances or restrictions on cash or other deposits or net worth imposed by suppliers, customers or landlords under contracts entered into in the ordinary course of business;

(12) with respect to clause (c) only, any encumbrance or restriction consisting of customary nonassignment provisions in leases governing leasehold interests, licenses, joint venture agreements and agreements similar to any of the foregoing to the extent such provisions restrict the transfer of the property subject to such leases, licenses, joint venture agreements or similar agreements;

(13) with respect to clause (c) only, any encumbrance or restriction contained in security agreements or mortgages securing Indebtedness of a Restricted Subsidiary to the extent such encumbrance or restriction restricts the transfer of the property subject to such security agreements or mortgages; and

(14) any encumbrances or restrictions imposed by any amendments, modifications, restatements, renewals, increases, supplements, refundings, replacements or refinancings of the contracts, agreements, instruments or obligations referred to in clauses (1) through (13) above; *provided* that, as determined by the Issuer, such amendments, modifications, restatements, renewals, increases, supplements, refundings, replacements or refinancings (a) are not materially more restrictive with respect to such encumbrances and restrictions than those prior to such amendments, modifications, restatements, renewals, increases, supplements, refundings, replacements or refinancings or (b) as determined by the Issuer, will not materially adversely affect the Issuer's ability to make principal or interest payments on the Notes.

SECTION 4.13. Limitations on Designation of Unrestricted Subsidiaries .

At any time prior to a Suspension Event (or after the Reversion Date with respect thereto), the Issuer may designate any Subsidiary (including any newly formed or newly acquired Subsidiary) of the Issuer as an "Unrestricted Subsidiary" under this Indenture (a "Designation") only if:

(1) no Default shall have occurred and be continuing at the time of or after giving effect to such Designation; and

(2) at the time of and immediately after giving effect to such Designation, the Consolidated Leverage Test would be satisfied.

No Subsidiary shall be Designated as an "Unrestricted Subsidiary" unless such Subsidiary:

(1) has no Indebtedness other than Non-Recourse Debt and other obligations arising by operation of law, including joint and several liability for taxes, ERISA obligations and

similar items, except, in each case, pursuant to Investments which are made in accordance with Section 4.07;

(2) is not party to any agreement, contract, arrangement or understanding with the Issuer or any Restricted Subsidiary unless the terms of the agreement, contract, arrangement or understanding comply with Section 4.09; and

(3) is a Person with respect to which neither the Issuer nor any Restricted Subsidiary has any direct or indirect obligation (a) to subscribe for additional Equity Interests or (b) to maintain or preserve the Person's financial condition or to cause the Person to achieve any specified levels of operating results, except, in each case, pursuant to Investments which are made in accordance with Section 4.07.

If, at any time, any Unrestricted Subsidiary fails to meet the preceding requirements as an Unrestricted Subsidiary, it shall thereafter cease to be an Unrestricted Subsidiary for purposes of this Indenture on the date that is 30 days after an Officer of the Issuer has obtained knowledge of such failure (unless such failure has been cured by such date), and any Indebtedness of the Subsidiary and any Liens on assets of such Subsidiary shall be deemed to be incurred by a Restricted Subsidiary at such time and, if the Indebtedness is not permitted to be incurred under Section 4.06 or the Lien is not permitted under Section 4.10, the Issuer shall be in default of the applicable covenant.

The Issuer may redesignate an Unrestricted Subsidiary as a Restricted Subsidiary (a "Redesignation") only if:

(1) no Default shall have occurred and be continuing at the time of and after giving effect to such Redesignation; and

(2) all Liens, Indebtedness and Investments of such Unrestricted Subsidiary outstanding immediately following such Redesignation would, if incurred or made at such time, have been permitted to be incurred or made for all purposes of this Indenture.

All Designations and Redesignations must be evidenced by an Officer's Certificate certifying compliance with the foregoing provisions delivered to the Trustee.

SECTION 4.14. [Reserved]

SECTION 4.15. [Reserved]

SECTION 4.16. [Reserved]

SECTION 4.17. [Reserved]

SECTION 4.18. Existence.

The Issuer shall do or cause to be done all things necessary to preserve, renew and keep in full force and effect its legal existence and the rights, licenses, permits, privileges and franchises material to the conduct of its business; *provided* that the foregoing shall not prohibit any merger, consolidation, liquidation or dissolution permitted under Section 5.01, and the Issuer shall not be required to preserve any such right, franchise, permit, license or legal existence if the Issuer shall determine in good faith the preservation thereof is no longer desirable in the conduct of the business of the Issuer.

SECTION 4.19. [Reserved]

SECTION 4.20. Change of Control Offer.

If a Change of Control Triggering Event occurs with respect to the Notes, unless the Issuer has exercised its right to redeem the Notes, the Issuer will be required to make an offer to repurchase all or, at the Holder's option, any part (equal to \$2,000 or any integral multiple of \$1,000 in excess thereof) of each Holder's Notes pursuant to a Change of Control Offer.

In the Change of Control Offer, the Issuer will be required to offer payment in cash equal to 101% of the aggregate principal amount of Notes to be purchased plus accrued and unpaid interest, if any, on the Notes repurchased, to, but not including, the date of purchase (the "Change of Control Payment"). Within 30 days following any Change of Control Triggering Event with respect to the Notes, unless the Issuer has exercised its right to redeem the Notes as described above, the Issuer shall mail a notice to Holders of Notes, with a copy to the Trustee for the Notes, describing the transaction or transactions that constitute the Change of Control Triggering Event and offering to repurchase the Notes (a "Change of Control Offer") on the date specified in the notice, which date will be no earlier than 30 and no later than 60 days from the date such notice is mailed (the "Change of Control Payment Date"), pursuant to the procedures required by this Indenture and described in such notice.

On the Change of Control Payment Date, the Issuer will be required, to the extent lawful, to:

- (1) accept for payment all Notes or portions of Notes properly tendered pursuant to the Change of Control Offer;
- (2) deposit with the Paying Agent an amount equal to the Change of Control Payment in respect of all Notes or portions of Notes properly tendered; and
- (3) deliver or cause to be delivered to the Trustee the Notes properly accepted together with an Officer's Certificate stating the aggregate principal amount of Notes or portions of Notes being purchased.

The Paying Agent will be required to promptly mail or transfer by wire, to each Holder who properly tendered Notes or portions thereof, the purchase price for such Notes or portion thereof, and the Trustee shall be required to promptly authenticate and mail (or cause to be transferred by book entry) to each such Holder a new Note equal in principal amount to any unpurchased portion of the Notes surrendered, if any; *provided* that each new Note will be in a principal amount of \$2,000 or an integral multiple of \$1,000 in excess thereof.

The Issuer will not be required to make a Change of Control Offer upon a Change of Control Triggering Event if a third party makes such an offer in the manner, at the times and otherwise in compliance with the requirements for an offer made by the Issuer and such third party purchases all Notes or portions thereof properly tendered and not withdrawn under its offer. In the event that such third party terminates or defaults its offer, the Issuer will be required to make a Change of Control Offer treating the date of such termination or default as though it were the date of the Change of Control Triggering Event.

A Change of Control Offer may be made in advance of a Change of Control Triggering Event, and be conditional upon such Change of Control Triggering Event, if a definitive agreement is in place in respect of the Change of Control at the time of making of the Change of Control Offer.

The Issuer shall comply with the requirements of applicable securities laws and regulations in connection with the purchase of Notes pursuant to a Change of Control Offer. To the extent that the provisions of any securities laws or regulations conflict with the provisions under this Section 4.20, the Issuer shall comply with the applicable securities laws and regulations.

SECTION 4.21. Suspension Event.

If on any date following the Issue Date (i) the Notes have an Investment Grade Rating from both Moody's and Standard & Poor's, and the Issuer has delivered written notice of such Investment Grade Rating to the Trustee, and (ii) no Default has occurred and is continuing under this Indenture (a "Suspension Event"), then, beginning on that day and continuing at all times thereafter except as provided in the next succeeding paragraph, the provisions in the following sections shall no longer be applicable to the Notes (collectively, the "Suspended Covenants"): Sections 4.06, 4.07, 4.08, 4.09, 4.11, 4.12 and clause (3) of Section 5.01.

In the event that the Issuer and the Restricted Subsidiaries are not subject to the Suspended Covenants under this Indenture for any period of time as a result of the foregoing, and on any subsequent date (the "Reversion Date") one or both of the Rating Agencies withdraw their Investment Grade Rating or downgrade the rating assigned to the Notes below an Investment Grade Rating then the Issuer and the Restricted Subsidiaries will thereafter again be subject to the Suspended Covenant under this Indenture with respect to future events. The Issuer will give the Trustee prompt written notice of a Reversion Date. In the absence of such notice, the Trustee shall be entitled to assume that no Suspension Event or Reversion Date has occurred.

The period of time between the Suspension Event and the Reversion Date is referred to in this description as the "Suspension Period." Notwithstanding that the Suspended Covenants may be reinstated, no Default will occur or be deemed to have occurred solely as a result of a failure to comply with the Suspended Covenants during the Suspension Period or the continued existence of circumstances or obligations that occurred without complying with the Suspended Covenants during the Suspension Period.

On the Reversion Date, all Indebtedness incurred during the Suspension Period will be classified to have been incurred pursuant to Section 4.06(a) or one of the clauses set forth in Section 4.06(b) (to the extent such Indebtedness would be permitted to be incurred thereunder as of the Reversion Date and after giving effect to Indebtedness incurred prior to the Suspension Period and outstanding on the Reversion Date). To the extent such Indebtedness would not be so permitted to be incurred pursuant to Section 4.06(a) or (b), such Indebtedness will be deemed to have been outstanding on the Issue Date, so that it is classified as permitted under clause (3) of Section 4.06(b). For purposes of Section 4.07, on the Reversion Date, all Restricted Payments made during the Suspension Period shall be deemed to have been made under the first sentence of Section 4.07. For purposes of Section 4.12, on the Reversion Date, any encumbrance or restriction on the ability of any Restricted Subsidiary described under clauses (a), (b) or (c) of the first paragraph thereof created or otherwise caused or permitted to exist or become effective during the Suspension Period shall be deemed to have been outstanding on the Issue Date, so that it is classified as permitted under clause (4) of such covenant. For purposes of Section 4.09, on the Reversion Date, any Affiliate Transaction entered into or permitted to exist during the Suspension Period shall be deemed to have been outstanding on the Issue Date, so that it is classified as permitted under clause (6) of such covenant.

ARTICLE 5

SUCCESSOR CORPORATION

SECTION 5.01. Limitations on Mergers, Consolidations, etc.

The Issuer will not, directly or indirectly, in a single transaction or a series of related transactions, (a) consolidate or merge with or into another Person, or sell, lease, transfer, convey or otherwise dispose of all or substantially all of the assets of the Issuer or the Issuer and the Restricted Subsidiaries (taken as a whole) or (b) adopt a Plan of Liquidation unless, in either case:

(1) either:

(a) the Issuer will be the surviving or continuing Person; or

(b) the Person formed by or surviving such consolidation or merger or to which such sale, lease, transfer, conveyance or other disposition shall be made (or, in the case of a Plan of Liquidation, any Person to which assets are transferred) (collectively, the “Successor”) is a corporation, limited liability company or limited partnership organized and existing under the laws of any State of the United States of America or the District of Columbia, and the Successor expressly assumes, by supplemental indenture in form and substance reasonably satisfactory to the Trustee, all of the obligations of the Issuer under the Notes, this Indenture and, if applicable, the Registration Rights Agreement;

(2) immediately prior to and immediately after giving effect to such transaction and the assumption of the obligations as set forth in clause (1)(b) above and the incurrence of any Indebtedness to be incurred in connection therewith, and the use of any net proceeds therefrom on a pro forma basis, no Default shall have occurred and be continuing;

(3) immediately after and giving effect to such transaction and the assumption of the obligations set forth in clause (1)(b) above and the incurrence of any Indebtedness to be incurred in connection therewith, and the use of any net proceeds therefrom on a pro forma basis, either (i) the Consolidated Leverage Test would be satisfied or (ii) the Successor would have a Consolidated Leverage Ratio that is less than or equal to the Consolidated Leverage Ratio of the Issuer immediately prior to the transaction;

(4) each Guarantor, unless it is the other party to such transactions, in which case clause (1)(b) of the second succeeding paragraph shall apply, shall have, by supplemental indenture, confirmed that its Guarantee shall apply to such Person’s obligations under this Indenture and the Notes; and

(5) the Issuer shall have delivered to the Trustee an Officers’ Certificate and an Opinion of Counsel, each stating that such consolidation, merger or transfer and such supplemental indenture (if any) comply with this covenant and the applicable provisions of this Indenture.

For purposes of this Section 5.01, any Indebtedness of the Successor which was not Indebtedness of the Issuer immediately prior to the transaction shall be deemed to have been incurred in connection with such transaction.

Except as provided in Section 10.04, no Guarantor may consolidate with or merge with or into (whether or not such Guarantor is the surviving Person) another Person, unless:

(1) either:

(a) such Guarantor shall be the surviving or continuing Person; or

(b) the Person formed by or surviving any such consolidation or merger is another Guarantor or assumes, by agreements in form and substance reasonably satisfactory to the Trustee, all of the obligations of such Guarantor under the Note Guarantee of such Guarantor, this Indenture and, if applicable, the Registration Rights Agreement;

(2) immediately after giving effect to such transaction, no Default shall have occurred and be continuing; and

(3) the Issuer shall have delivered to the Trustee an Officers' Certificate and an Opinion of Counsel, each stating that such consolidation, merger or transfer and such supplemental indenture (if any) comply with this covenant and the applicable provisions of this Indenture.

For purposes of the foregoing, the transfer (by lease, assignment, sale or otherwise, in a single transaction or series of transactions) of all or substantially all of the properties or assets of one or more Restricted Subsidiaries, the Equity Interests of which constitute all or substantially all of the properties and assets of the Issuer, shall be deemed to be the transfer of all or substantially all of the properties and assets of the Issuer.

Notwithstanding the foregoing, any Restricted Subsidiary may consolidate with, merge with or into or sell, convey, transfer lease or otherwise dispose of, in one transaction or a series of transactions, all or substantially all of its assets to the Issuer or another Restricted Subsidiary; *provided* if such Restricted Subsidiary is a Guarantor, that the surviving entity remains or becomes a Guarantor.

SECTION 5.02. Successor Person Substituted.

Upon any consolidation or merger or any transfer of all or substantially all of the assets of the Issuer or any Guarantor in accordance with Section 5.01, in which the Issuer or such Guarantor is not the continuing obligor under the Notes or its Note Guarantee the surviving entity formed by such consolidation or into which the Issuer or such Guarantor is merged or the Person to which the conveyance, lease or transfer is made shall succeed to, and be substituted for, and may exercise every right and power of, the Issuer or such Guarantor, as the case may be, under this Indenture, the Registration Rights Agreement, the Notes and the Note Guarantees, as applicable, with the same effect as if such surviving entity had been named as the Issuer or such Guarantor herein and, except in the case of a lease, the Issuer or such Guarantor, as the case may be, shall be released from the obligation to pay the principal of and interest on the Notes or in respect of its Note Guarantee, as the case may be, and all of the Issuer's or such Guarantor's other obligations and covenants under the Notes, this Indenture and its Note Guarantee, if applicable.

ARTICLE SIX
DEFAULTS AND REMEDIES

SECTION 6.01. Events of Default.

Each of the following shall be an “Event of Default”:

- (1) failure by the Issuer to pay interest on any of the Notes when it becomes due and payable and the continuance of any such failure for 30 days;
- (2) failure by the Issuer to pay the principal on any of the Notes when it becomes due and payable, whether at stated maturity, upon redemption, upon purchase, upon acceleration or otherwise;
- (3) failure by the Issuer to comply (a) for 30 days after notice with Section 5.01 or (b) for 45 days after notice in respect of its obligations to make a Change of Control Offer;
- (4) failure by the Issuer to comply with any other agreement or covenant in this Indenture and continuance of this failure for 60 days after notice;
- (5) default under any mortgage, indenture or other instrument or agreement under which there may be issued or by which there may be secured or evidenced Indebtedness of the Issuer or any Significant Subsidiary, whether such Indebtedness now exists or is incurred after the Issue Date, which default:
 - (a) is caused by a failure to pay at final maturity principal on such Indebtedness within the applicable express grace period and any extensions thereof, or
 - (b) results in the acceleration of such Indebtedness prior to its express final maturity, and

in each case, the principal amount of such Indebtedness, together with any other Indebtedness with respect to which an event described in clause (a) or (b) has occurred and is continuing, aggregates \$75.0 million or more (and provided that, for purposes of this clause (5) only, “Indebtedness” shall include any Hedging Obligations with the “principal amount” of any Hedging Obligations at any time shall be the maximum aggregate amount (giving effect to any netting agreements) that the Issuer or such Restricted Subsidiary would be required to pay if the agreement with respect to such Hedging Obligations terminated at such time);

- (6) one or more judgments or orders that exceed \$75.0 million in the aggregate (net of amounts covered by insurance or bonded) for the payment of money have been entered by a court or courts of competent jurisdiction against the Issuer or any Significant Subsidiary and such judgment or judgments have not been satisfied, stayed, annulled or rescinded within 60 days of being entered;
 - (7) the Issuer or any Significant Subsidiary pursuant to or within the meaning of any Bankruptcy Law:
 - (a) commences a voluntary case,
-
-

- (b) consents to the entry of an order for relief against it in involuntary case,
 - (c) consents to the appointment of a Custodian of it or for all or substantially all of its assets, or
 - (d) makes a general assignment for the benefit of its creditors;
- (8) a court of competent jurisdiction enters an order or decree under any Bankruptcy Law that:
- (a) is for relief against the Issuer or any Significant Subsidiary as debtor in an involuntary case,
 - (b) appoints a Custodian of the Issuer or any Significant Subsidiary or a Custodian for all or substantially all of the assets of the Issuer or any Significant Subsidiary, or
 - (c) orders the liquidation of the Issuer or any Significant Subsidiary,

and the order or decree remains unstayed and in effect for 60 days; or

(9) any Note Guarantee ceases to be in full force and effect (other than in accordance with the terms of such Note Guarantee and this Indenture) or is declared null and void and unenforceable or found to be invalid or any Guarantor denies its liability under its Note Guarantee (other than by reason of release of a Guarantor from its Note Guarantee in accordance with the terms of this Indenture and the Note Guarantee); *provided* that the foregoing will not apply if the Note Guarantees that remain in full force and effect are given by Subsidiaries that represent at least 92.50% of the consolidated total assets of the Issuer and its Domestic Subsidiaries or at least 92.50% of the consolidated revenues of the Issuer and its Domestic Subsidiaries as of the end of and for the most recently completely fiscal quarter.

However, a default under clauses (3) and (4) will not constitute an Event of Default until the Trustee or the holders of at least 25% in principal amount of the outstanding notes notify the Issuer of the default and the Issuer does not cure such default within the applicable time specified in clauses (3) and (4) after receipt of such notice.

SECTION 6.02. Acceleration.

If an Event of Default specified in clause (7) or (8) of Section 6.01 with respect to the Issuer or any Significant Subsidiary occurs, all outstanding Notes shall become due and payable without any further action or notice. If any other Event of Default (other than an Event of Default specified in clause (7) or (8) of Section 6.01 with respect to the Issuer or any Significant Subsidiary), shall have occurred and be continuing hereunder, the Trustee, by written notice to the Issuer, or the Holders of at least 25% in aggregate principal amount of the Notes then outstanding by written notice to the Issuer and the Trustee, may declare all amounts owing under the Notes to be due and payable. Upon such declaration of acceleration, the aggregate principal of and accrued and unpaid interest on the outstanding Notes shall immediately become due and payable; *provided, however*, that after such acceleration, but before a judgment or decree based on acceleration, the Holders of a majority in aggregate principal amount of the outstanding Notes may rescind and annul such acceleration if all Events of Default, other

than the nonpayment of accelerated principal and interest, have been cured or waived as provided in this Indenture.

The Trustee shall, within ninety (90) days after the occurrence of any Default (which the Trustee is deemed to have knowledge of pursuant to this Indenture) with respect to the Notes, give the Holders written notice of all uncured Defaults thereunder known to it; *provided, however*, that, except in the case of an Event of Default in payment with respect to the Notes or a Default in complying with Section 5.01, the Trustee shall be protected in withholding such notice if and so long as it in good faith determines that the withholding of such notice is in the interest of the Holders.

SECTION 6.03. Other Remedies.

If an Event of Default occurs and is continuing, the Trustee may pursue any available remedy by proceeding at law or in equity to collect the payment of principal of, or premium, if any, and interest on the Notes or to enforce the performance of any provision of the Notes and this Indenture and may take any necessary action requested of it as Trustee to settle, compromise, adjust or otherwise conclude any proceedings to which it is a party.

The Trustee may maintain a proceeding even if it does not possess any of the Notes or does not produce any of them in the proceeding. A delay or omission by the Trustee or any Holder in exercising any right or remedy accruing upon an Event of Default shall not impair the right or remedy or constitute a waiver of or acquiescence in the Event of Default. No remedy is exclusive of any other remedy. All available remedies are cumulative. Any costs associated with actions taken by the Trustee under this Section 6.03 shall be reimbursed to the Trustee by the Issuer.

SECTION 6.04. Waiver of Past Defaults and Events of Default.

Subject to Sections 6.02, 6.08 and 8.02, the Holders of a majority in aggregate principal amount of the Notes then outstanding have the right to waive any existing Default or compliance with any provision of this Indenture or the Notes. Upon any such waiver, such Default shall cease to exist, and any Event of Default arising therefrom shall be deemed to have been cured for every purpose of this Indenture; but no such waiver shall extend to any subsequent or other Default or impair any right consequent thereto.

SECTION 6.05. Control by Majority.

The Holders of a majority in aggregate principal amount of the then outstanding Notes may direct the time, method and place of conducting any proceeding for any remedy available to the Trustee or exercising any trust or power conferred on the Trustee by this Indenture. The Trustee, however, may refuse to follow any direction that conflicts with law or this Indenture or that the Trustee determines may be unduly prejudicial to the rights of another Holder not taking part in such direction, and the Trustee shall have the right to decline to follow any such direction if the Trustee, being advised by counsel, determines that the action so directed may not lawfully be taken or if the Trustee in good faith shall, by a Responsible Officer, determine that the proceedings so directed may result in costs and expenses of the Trustee for which it has no source of payment or recovery or involve it in personal liability; *provided* that the Trustee may take any other action deemed proper by the Trustee which is not inconsistent with such direction.

SECTION 6.06. Limitation on Suits.

No Holder shall have any right to institute any proceeding with respect to this Indenture or for any remedy thereunder, unless the Trustee:

- (1) has failed to act for a period of 60 days after receiving written notice of a continuing Event of Default by such Holder and a request to act by Holders of at least 25% in aggregate principal amount of Notes outstanding;
- (2) has been offered indemnity satisfactory to it in its reasonable judgment; and
- (3) has not received from the Holders of a majority in aggregate principal amount of the outstanding Notes a direction inconsistent with such request.

However, such limitations do not apply to a suit instituted by a Holder of any Note for enforcement of payment of the principal of or interest on such Note on or after the due date therefor (after giving effect to the grace period specified in clause (1) of Section 6.01).

SECTION 6.07. No Personal Liability of Directors, Officers, Employees and Stockholders.

No director, officer, employee, incorporator or stockholder of the Issuer or any Guarantor shall have any liability for any obligations of the Issuer under the Notes or this Indenture or of any Guarantor under its Note Guarantee or for any claim based on, in respect of, or by reason of, such obligations or their creation. Each Holder by accepting a Note waives and releases all such liability. The waiver and release are part of the consideration for issuance of the Notes and the Note Guarantees.

SECTION 6.08. Rights of Holders To Receive Payment.

Notwithstanding any other provision of this Indenture, the right of any Holder to receive payment of principal of, or premium, if any, and interest of the Note on or after the respective due dates expressed in the Note, or to bring suit for the enforcement of any such payment on or after such respective dates, is absolute and unconditional and shall not be impaired or affected without the consent of the Holder.

SECTION 6.09. Collection Suit by Trustee.

If an Event of Default in payment of principal, premium or interest specified in clause (1) or (2) of Section 6.01 occurs and is continuing, the Trustee may recover judgment in its own name and as trustee of an express trust against the Issuer or any Guarantor (or any other obligor on the Notes) for the whole amount of unpaid principal and accrued interest remaining unpaid, together with interest on overdue principal and, to the extent that payment of such interest is lawful, interest on overdue installments of interest, in each case at the rate set forth in the Notes.

SECTION 6.10. Trustee May File Proofs of Claim.

The Trustee may file such proofs of claim and other papers or documents as may be necessary or advisable in order to have the claims of the Trustee and the Holders allowed in any judicial proceedings relative to the Issuer or any Guarantor (or any other obligor upon the Notes), its creditors or its property and shall be entitled and empowered to collect and receive any monies or other property payable or deliverable on any such claims and to distribute the same after deduction of its charges and expenses to the extent that any such charges and expenses are not paid out of the estate in any such

proceedings and any custodian in any such judicial proceeding is hereby authorized by each Holder to make such payments to the Trustee, and in the event that the Trustee shall consent to the making of such payments directly to the Holders, to pay to the Trustee any amount due to it for the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel, and any other amounts due the Trustee under Section 7.07.

Nothing herein contained shall be deemed to authorize the Trustee to authorize or consent to or accept or adopt on behalf of any Holder any plan or reorganization, arrangement, adjustment or composition affecting the Notes or the rights of any Holder thereof, or to authorize the Trustee to vote in respect of the claim of any Holder in any such proceedings.

SECTION 6.11. Priorities.

If the Trustee collects any money pursuant to this Article Six, it shall pay out the money in the following order:

FIRST: to the Trustee for amounts due under Section 7.07;

SECOND: to Holders for amounts due and unpaid on the Notes for principal, premium, if any, and interest as to each, ratably, without preference or priority of any kind, according to the amounts due and payable on the Notes; and

THIRD: to the Issuer or, to the extent the Trustee collects any amount from any Guarantor, to such Guarantor.

The Trustee may fix a record date and payment date for any payment to Holders pursuant to this Section 6.11. At least 15 days before such record date, the Trustee shall mail to each Holder and the Issuer a notice that states the record date, the payment date and the amount to be paid.

SECTION 6.12. Undertaking for Costs.

In any suit for the enforcement of any right or remedy hereunder or in any suit against the Trustee for any action taken or omitted by it as Trustee, a court in its discretion may require the filing by any party litigant in the suit of an undertaking to pay the costs of the suit, and the court in its discretion may assess reasonable costs, including reasonable attorneys' fees, against any party litigant in the suit, having due regard to the merits and good faith of the claims or defenses made by the party litigant. This Section 6.12 does not apply to a suit by the Trustee, a suit by a Holder pursuant to Section 6.08 or a suit by Holders of more than 10% in principal amount of the Notes then outstanding.

ARTICLE SEVEN
TRUSTEE

SECTION 7.01. Duties of Trustee.

(a) If an Event of Default actually known to a Responsible Officer of the Trustee has occurred and is continuing, the Trustee shall, in the exercise of its power, use the degree of care of a prudent person in similar circumstances in the conduct of his own affairs.

(b) Except during the continuance of an Event of Default:

(1) the Trustee need perform only those duties that are specifically set forth in this Indenture and no others; and

(2) in the absence of bad faith on its part, the Trustee may conclusively rely, as to the truth of the statements and the correctness of the opinions expressed therein, upon certificates or opinions furnished to the Trustee and conforming to the requirements of this Indenture but, in the case of any such certificates or opinions which by any provision hereof are required to be furnished to the Trustee, the Trustee shall be under a duty to examine the same to determine whether they conform on their face to the requirements hereof (but need not confirm or investigate the accuracy of mathematical calculations or other facts stated therein).

(c) The Trustee may not be relieved from liability for its own negligent action, its own negligent failure to act, or its own willful misconduct, except that:

(1) this clause (c) does not limit the effect of clause (b) of this Section 7.01;

(2) the Trustee shall not be liable for any error of judgment made in good faith, unless it is proved that the Trustee was negligent in ascertaining the pertinent facts;

(3) the Trustee shall not be liable with respect to any action it takes or omits to take in good faith in accordance with a direction received by it pursuant to the terms hereof; and

(4) no provision hereof shall require the Trustee to expend or risk its own funds or otherwise incur any financial liability in the performance of any of its rights, powers or duties if it shall have reasonable grounds for believing that repayment of such funds or adequate indemnity satisfactory to it against such risk or liability is not reasonably assured to it.

(d) Whether or not therein expressly so provided, paragraphs (a), (b), (c) and (e) of this Section 7.01 shall govern every provision of this Indenture that in any way relates to the Trustee.

(e) The Trustee shall be under no obligation to exercise any of its rights or powers hereunder at the request of any Holder of Notes unless such Holder of Notes shall have offered to the Trustee security and indemnity satisfactory to the Trustee.

(f) The Trustee shall not be liable for interest on any money received by it except as the Trustee may agree in writing with the Issuer or any Guarantor. Money held in trust by the Trustee need not be segregated from other funds except to the extent required by the law.

(g) Every provision of this Indenture relating to the conduct or affecting the liability of or affording protection to the Trustee shall be subject to the provisions of this Section 7.01 and to the provision of the TIA.

SECTION 7.02. Rights of Trustee .

Subject to Section 7.01:

(1) The Trustee may rely on any document reasonably believed by it to be genuine and to have been signed or presented by the proper person. The Trustee need not investigate any fact or matter stated in the document.

(2) Before the Trustee acts or refrains from acting, it may require an Officer's Certificate or an Opinion of Counsel, or both, which shall conform to the provisions of Section 11.05. The Trustee shall be protected and shall not be liable for any action it takes or omits to take in good faith in reliance on such certificate or opinion.

(3) The Trustee may act through its attorneys and agents and shall not be responsible for the misconduct or negligence of any agent appointed by it with due care.

(4) The Trustee shall not be liable for any action it takes or omits to take in good faith which it reasonably believes to be authorized or within its rights or powers; *provided* that the Trustee's conduct does not constitute negligence or willful misconduct.

(5) The Trustee may consult with counsel of its selection, and the advice or opinion of such counsel as to matters of law shall be full and complete authorization and protection from liability in respect of any action taken, omitted or suffered by it hereunder in good faith and in accordance with the advice or opinion of such counsel.

(6) The Trustee shall not be deemed to have knowledge of any Default or Event of Default except (i) any Event of Default occurring pursuant to clause (1) or (2) of Section 6.01 or (ii) any Event of Default of which the Trustee shall have received written notification *provided*, the notice references this Indenture and the specific Event of Default. In the absence of such notice, the Trustee may conclusively assume there is no Default except as aforesaid.

(7) The Trustee shall be under no obligation to exercise any of its rights or powers hereunder at the request of any Holder of Notes unless such Holder of Notes shall have offered to the Trustee security and indemnity satisfactory to the Trustee.

(8) The Trustee shall not be bound to make any investigation into the facts or matters stated in any resolution, certificate (including any Officer's Certificate), statement, instrument, opinion (including any Opinion of Counsel), notice, request, direction, consent, order, bond, debenture, note, other evidence of Indebtedness or other paper or document, but the Trustee, in its discretion, may make such further inquiry or investigation into such facts or matters as it may see fit and, if the Trustee shall determine to make such further inquiry or investigation, it shall be entitled, upon reasonable notice to the Issuer, to examine the books, records, and premises of the Issuer, personally or by agent or attorney at the sole cost of the investigation.

(9) The Trustee shall not be required to give any bond or surety in respect of the performance of its powers and duties hereunder.

(10) The permissive rights of the Trustee to do things enumerated in this Indenture shall not be construed as duties hereunder.

(11) The rights, privileges, protections, immunities and benefits given to the Trustee, including, without limitation, its right to be indemnified, are extended to, and shall be enforceable by, the Trustee in each of its capacities hereunder, and to each agent, custodian and other Person employed to act hereunder.

(12) Delivery of reports, information and documents to the Trustee under Section 4.02 is for informational purposes only and the Trustee's receipt of the foregoing shall not constitute constructive notice of any information contained therein, including the Issuer's compliance with any of its covenants hereunder (as which the Trustee is entitled to rely exclusively on the Officer's Certificate).

(13) In no event shall the Trustee be responsible for special, indirect, punitive or consequential loss or damage of any kind whatsoever (including, but not limited to, loss of profit) irrespective of whether the Trustee has been advised of the possibility of such loss or damage and regardless of the form of action.

SECTION 7.03. Individual Rights of Trustee.

The Trustee in its individual or any other capacity may become the owner or pledgee of Notes and may make loans to, accept deposits from, perform services for or otherwise deal with the either of the Issuer or any Guarantor, or any Affiliates thereof, with the same rights it would have if it were not Trustee. Any Agent may do the same with like rights. The Trustee, however, shall be subject to Sections 7.10 and 7.11.

SECTION 7.04. Trustee's Disclaimer.

The Trustee shall not be responsible for and makes no representation as to the validity or adequacy of this Indenture or the Notes or any Note Guarantee, it shall not be accountable for the Issuer's or any Guarantor's use of the proceeds from the sale of Notes or any money paid to the Issuer or any Guarantor pursuant to the terms of this Indenture and it shall not be responsible for the use or application of money received by any Paying Agent other than the Trustee. The Trustee shall not be responsible for any statement in the Notes, Note Guarantee, this Indenture or any other document in connection with the sale of the Notes other than its certificate of authentication.

SECTION 7.05. Notice of Defaults.

The Trustee shall, within 90 days after the occurrence of any Default with respect to the Notes (which the Trustee is aware of pursuant to Section 7.02(6) hereof), give the Holders notice of all uncured Defaults thereunder known to it; *provided, however*, that, except in the case of an Event of Default in payment with respect to the Notes or a Default in complying with Section 5.01, the Trustee shall be protected in withholding such notice if and so long as it in good faith determines that the withholding of such notice is not opposed to the interest of the Holders.

SECTION 7.06. Reports by Trustee to Holders.

If required by TIA § 313(a), within 60 days after May 15th of any year, commencing May 15, 2013, the Trustee shall mail to each Holder a brief report dated as of such reporting date that complies with TIA § 313(a). The Trustee also shall comply with TIA § 313(b)(2). The Trustee shall also transmit by mail all reports as required by TIA § 313(c) and TIA § 313(d).

Reports pursuant to this Section 7.06 shall be transmitted by mail:

- (1) to all Holders, as the names and addresses of such Holders appear on the Registrar's books; and
-
-

(2) to such Holders as have, within the two years preceding such transmission, filed their names and addresses with the Trustee for that purpose.

A copy of each report at the time of its mailing to Holders shall be filed with the SEC and each stock exchange on which the Notes are listed. The Issuer shall promptly notify the Trustee, and in any event within 10 Business Days, when the Notes are listed on any stock exchange and of any delisting thereof.

SECTION 7.07. Compensation and Indemnity.

The Issuer and the Guarantors shall pay to the Trustee and Agents from time to time reasonable compensation for its services hereunder (which compensation shall not be limited by any provision of law in regard to the compensation of a trustee of an express trust) as agreed to from time to time by the Trustee and the Issuer. The Issuer and the Guarantors shall reimburse the Trustee and Agents upon request for all reasonable out-of-pocket disbursements, expenses and advances incurred or made by it in connection with its duties under this Indenture, including the reasonable compensation, disbursements and expenses of the Trustee's agents and counsel.

The Issuer and the Guarantors shall indemnify each of the Trustee and any predecessor Trustee for, and hold each of them harmless against, any and all loss, damage, claim, liability or expense, including without limitation taxes (other than taxes based on the income of the Trustee or such Agent) and reasonable attorneys' fees and expenses incurred by each of them in connection with the acceptance or performance of its duties, or otherwise arising, under this Indenture including the reasonable costs and expenses of defending itself against any claim or liability in connection with the exercise or performance of any of its powers or duties hereunder (including, without limitation, settlement costs). The Trustee or Agent shall notify the Issuer and the Guarantors in writing promptly of any claim asserted against the Trustee or Agent for which it may seek indemnity. However, the failure by the Trustee or Agent to so notify the Issuer and the Guarantors shall not relieve the Issuer and Guarantors of their obligations hereunder except to the extent the Issuer and the Guarantors are prejudiced thereby.

Notwithstanding the foregoing, the Issuer and the Guarantors need not reimburse the Trustee for any expense or indemnify it against any loss or liability incurred by the Trustee through its negligence, bad faith or willful misconduct. To secure the payment obligations of the Issuer and the Guarantors in this Section 7.07, the Trustee shall have a lien prior to the Notes on all money or property held or collected by the Trustee except such money or property held in trust to pay principal of and interest on particular Notes. The obligations of the Issuer and the Guarantors under this Section 7.07 to compensate and indemnify the Trustee, Agents and each predecessor Trustee and to pay or reimburse the Trustee, Agents and each predecessor Trustee for expenses, disbursements and advances shall survive the resignation or removal of the Trustee and the satisfaction, discharge or other termination of this Indenture, including any termination or rejection hereof under any Bankruptcy Law.

When the Trustee incurs expenses or renders services after an Event of Default specified in clause (7) or (8) of Section 6.01 occurs, the expenses and the compensation for the services are intended to constitute expenses of administration under any Bankruptcy Law.

For purposes of this Section 7.07, the term "Trustee" shall include any trustee appointed pursuant to this Article Seven.

SECTION 7.08. Replacement of Trustee.

The Trustee may resign by so notifying the Issuer and the Guarantors in writing. The Holders of a majority in principal amount of the outstanding Notes may remove the Trustee by notifying the Issuer and the removed Trustee in writing and may appoint a successor Trustee with the Issuer's written consent, which consent shall not be unreasonably withheld. The Issuer may remove the Trustee at its election if:

- (1) the Trustee fails to comply with Section 7.10;
- (2) the Trustee is adjudged a bankrupt or an insolvent;
- (3) a receiver or other public officer takes charge of the Trustee or its property; or
- (4) the Trustee otherwise becomes incapable of acting.

If the Trustee resigns or is removed or if a vacancy exists in the office of Trustee for any reason, the Issuer shall promptly appoint a successor Trustee. If a Trustee is removed with or without cause, all fees and expenses (including the reasonable fees and expenses of counsel) of the Trustee incurred in the administration of the trust or in performing the duties hereunder shall be paid to the Trustee.

If a successor Trustee does not take office within 60 days after the retiring Trustee resigns or is removed, the retiring Trustee, the Issuer or the Holders of at least 10% in principal amount of the outstanding Notes may petition any court of competent jurisdiction, at the expense of the Issuer, for the appointment of a successor Trustee.

If the Trustee fails to comply with Section 7.10, any Holder may petition any court of competent jurisdiction for the removal of the Trustee and the appointment of a successor Trustee.

A successor Trustee shall deliver a written acceptance of its appointment to the retiring Trustee and to the Issuer. Immediately following such delivery, the retiring Trustee shall, subject to its rights under Section 7.07, transfer all property held by it as Trustee to the successor Trustee, the resignation or removal of the retiring Trustee shall become effective, and the successor Trustee shall have all the rights, powers and duties of the Trustee under this Indenture. A successor Trustee shall mail notice of its succession to each Holder. Notwithstanding replacement of the Trustee pursuant to this Section 7.08, the Issuer obligations under Section 7.07 shall continue for the benefit of the retiring Trustee.

SECTION 7.09. Successor Trustee by Consolidation, Merger, etc.

If the Trustee consolidates with, merges or converts into, or transfers all or substantially all of its corporate trust assets to, another entity, subject to Section 7.10, the successor entity without any further act shall be the successor Trustee; *provided* such entity shall be otherwise qualified and eligible under this Article Seven.

SECTION 7.10. Eligibility; Disqualification.

This Indenture shall always have a Trustee who satisfies the requirements of TIA § 310(a)(1) and (2) in every respect. The Trustee (together with its corporate parent) shall have a combined capital and surplus of at least \$50,000,000 as set forth in the most recent applicable published annual report of condition. The Trustee shall comply with TIA § 310(b), including the provision in § 310(b)(1).

SECTION 7.11. Preferential Collection of Claims Against Issuer .

The Trustee shall comply with TIA § 311(a), excluding any creditor relationship listed in TIA § 311 (b). A Trustee who has resigned or been removed shall be subject to TIA § 311(a) to the extent indicated therein.

SECTION 7.12. Paying Agents .

The Issuer shall cause each Paying Agent other than the Trustee to execute and deliver to it and the Trustee an instrument in which such agent shall agree with the Trustee, subject to the provisions of this Section 7.12:

(A) that it shall hold all sums held by it as agent for the payment of principal of, or premium, if any, or interest on, the Notes (whether such sums have been paid to it by the Issuer or by any obligor on the Notes) in trust for the benefit of Holders or the Trustee;

(B) that it shall at any time during the continuance of any Event of Default, upon written request from the Trustee, deliver to the Trustee all sums so held in trust by it together with a full accounting thereof; and

(C) that it shall give the Trustee written notice within three (3) Business Days of any failure of the Issuer (or by any obligor on the Notes) in the payment of any installment of the principal of, premium, if any, or interest on, the Notes when the same shall be due and payable.

ARTICLE 8

AMENDMENTS, SUPPLEMENTS AND WAIVERS

SECTION 8.01. Without Consent of Holders .

The Issuer and the Trustee may amend, waive or supplement this Indenture, the Note Guarantees or the Notes without prior notice to or consent of any Holder:

 - (7) to secure the Notes;
-
-

(8) to provide for the issuance of Additional Notes in accordance with the provisions set forth in this Indenture;

(9) to add to the covenants of the Issuer or a Restricted Subsidiary for the benefit of the Holders of the Notes or to surrender any right or power conferred upon the Issuer or a Restricted Subsidiary;

(11) to conform the text of this Indenture, the Notes or the Note Guarantees to any provision of the “Description of Notes” in the Offering Memorandum to the extent that such provision in the “Description of Notes” was intended to be a verbatim recitation of a provision of this Indenture, the Notes or the Note Guarantees; or

(12) to make any change that does not materially adversely affect the rights of any Holder hereunder.

The Trustee is hereby authorized to join with the Issuer and the Guarantors in the execution of any supplemental indenture authorized or permitted by the terms of this Indenture and to make any further appropriate agreements and stipulations which may be therein contained, but the Trustee shall not be obligated to enter into any such supplemental indenture which adversely affects its own rights, duties or immunities under this Indenture.

SECTION 8.02. With Consent of Holders.

This Indenture or the Notes may be amended with the consent (which may include consents obtained in connection with a tender offer or exchange offer for Notes) of the Holders of at least a majority in principal amount of the Notes then outstanding, and any existing Default under, or compliance with any provision of, this Indenture may be waived (other than any continuing Default in the payment of the principal or interest on the Notes, except a rescission of acceleration of the Notes by the Holders thereof as provided in this Indenture and a waiver of the payment default that resulted from such acceleration) with the consent (which may include consents obtained in connection with a tender offer or exchange offer for Notes) of the Holders of a majority in aggregate principal amount of the Notes then outstanding; provided that, without the consent of each Holder affected, no amendment or waiver may:

(1) reduce, or change the maturity of, the principal of any Note;

(2) reduce the rate of or extend the time for payment of interest on any Note;

(3) reduce any premium payable upon redemption of the Notes or change the date on, or the circumstances under, which any Notes are subject to redemption (other than provisions relating to the purchase of Notes described in Section 4.20, except that if a Change of Control Triggering Event has occurred, no amendment or other modification of the obligation of the Issuer to make a Change of Control Offer relating to such Change of Control Triggering Event shall be made without the consent of each Holder of the Notes affected);

(4) make any Note payable in money or currency other than that stated in the Notes;

- (5) modify or change any provision of this Indenture or the related definitions to affect the ranking of the Notes or any Note Guarantee in a manner that adversely affects the Holders;
- (6) reduce the percentage of Holders necessary to consent to an amendment or waiver to this Indenture or the Notes;
- (7) waive a default in the payment of principal of or premium or interest on any Notes (except a rescission of acceleration of the Notes by the Holders thereof as provided in this Indenture and a waiver of the payment default that resulted from such acceleration);
- (8) impair the rights of Holders to receive payments of principal of or interest on the Notes on or after the due date therefor or to institute suit for the enforcement of any payment on the Notes; or
- (9) release any Guarantor that is a Material Domestic Subsidiary from any of its obligations under its Note Guarantee or this Indenture, except as permitted by this Indenture, or amend the definition of Material Domestic Subsidiary in a manner adverse to Holders.

After an amendment, supplement or waiver under this Section 8.02 becomes effective, the Issuer shall mail to the Holders a notice briefly describing the amendment, supplement or waiver. Any failure of the Issuer to mail such notice, or any defect therein, shall not in any way impair or affect the validity of the amendment, supplement or waiver.

Upon the written request of the Issuer, accompanied by a Board Resolution authorizing the execution of any such supplemental indenture, and upon the receipt by the Trustee of evidence reasonably satisfactory to the Trustee of the consent of the Holders as aforesaid and upon receipt by the Trustee of the documents described in Section 8.06, the Trustee shall join with the Issuer and the Guarantors in the execution of such supplemental indenture unless such supplemental indenture affects the Trustee's own rights, duties or immunities under this Indenture, in which case the Trustee may, but shall not be obligated to, enter into such supplemental indenture.

It shall not be necessary for the consent of the Holders under this Section 8.02 to approve the particular form of any proposed amendment, supplement or waiver, but it shall be sufficient if such consent approves the substance thereof.

SECTION 8.03. Compliance with Trust Indenture Act.

Every amendment or supplement to this Indenture or the Notes shall comply with the TIA as then in effect.

SECTION 8.04. Revocation and Effect of Consents.

Until an amendment, supplement, waiver or other action becomes effective, a consent to it by a Holder is a continuing consent conclusive and binding upon such Holder and every subsequent Holder of the same Note or portion thereof, and of any Note issued upon the transfer thereof or in exchange therefor or in place thereof, even if notation of the consent is not made on any such Note. Any such Holder or subsequent Holder, however, may revoke the consent as to his Note or portion of a Note, if the Trustee receives the written notice of revocation before the date the amendment, supplement, waiver or other action becomes effective.

The Issuer may, but shall not be obligated to, fix a record date for the purpose of determining the Holders entitled to consent to any amendment, supplement, or waiver. If a record date is fixed, then, notwithstanding the preceding paragraph, those Persons who were Holders at such record date (or their duly designated proxies), and only such Persons, shall be entitled to consent to such amendment, supplement, or waiver or to revoke any consent previously given, whether or not such Persons continue to be Holders after such record date. No such consent shall be valid or effective for more than 120 days after such record date unless the consent of the requisite number of Holders has been obtained.

After an amendment, supplement, waiver or other action becomes effective, it shall bind every Holder, unless it makes a change described in any of clauses (1) through (9) of Section 8.02. In that case the amendment, supplement, waiver or other action shall bind each Holder who has consented to it and every subsequent Holder or portion of a Note that evidences the same debt as the consenting Holder's Note.

SECTION 8.05. Notation on or Exchange of Notes.

If an amendment, supplement, or waiver changes the terms of a Note, the Trustee (in accordance with the specific written direction of the Issuer) shall request the Holder (in accordance with the specific written direction of the Issuer) to deliver it to the Trustee. In such case, the Trustee shall place an appropriate notation on the Note about the changed terms and return it to the Holder. Alternatively, if the Issuer or the Trustee so determines, the Issuer in exchange for the Note shall issue, the Guarantors shall endorse, and the Trustee shall authenticate a new Note that reflects the changed terms. Failure to make the appropriate notation or issue a new Note shall not affect the validity and effect of such amendment, supplement or waiver.

SECTION 8.06. Trustee To Sign Amendments, etc.

The Trustee shall sign any amendment, supplement or waiver authorized pursuant to this Article Eight if the amendment, supplement or waiver does not adversely affect the rights, duties, liabilities or immunities of the Trustee. If it does, the Trustee may, but need not, sign it. In signing or refusing to sign such amendment, supplement or waiver the Trustee shall be entitled to receive and, subject to Section 7.01, shall be fully protected in relying conclusively upon an Officer's Certificate and an Opinion of Counsel stating, in addition to the matters required by Section 11.04, that such amendment, supplement or waiver is authorized or permitted by this Indenture and all conditions precedent required hereunder to such amendment, supplement or waiver have been satisfied.

ARTICLE NINE

CHARGE OF INDENTURE; DEFEASANCE

SECTION 9.01. Discharge of Indenture.

This Indenture will be discharged and will cease to be of further effect as to all outstanding Notes, except the obligations referred to in the last paragraph of this Section 9.01, if

(1) all the Notes that have been authenticated and delivered (except lost, stolen or destroyed Notes which have been replaced or paid and Notes for whose payment money has been deposited in trust or segregated and held in trust by the Issuer and thereafter repaid to the Issuer or discharged from this trust) have been delivered to the Trustee for cancellation, or

(2) (a) all Notes not delivered to the Trustee for cancellation otherwise (i) have become due and payable, (ii) shall become due and payable, or may be called for redemption, within one year or (iii) have been called for redemption pursuant to paragraph 6 of the Notes, and, in any case, the Issuer has irrevocably deposited or caused to be deposited with the Trustee as trust funds, in trust solely for the benefit of the Holders, U.S. legal tender, U.S. Government Obligations or a combination thereof, in such amounts as shall be sufficient (without consideration of any reinvestment of interest), as evidenced by an Officer's Certificate of the Issuer, to pay and discharge the entire Indebtedness (including all principal and accrued interest) on the Notes not theretofore delivered to the Trustee for cancellation,

(b) the Issuer has paid all other sums payable by it under this Indenture, and

(c) the Issuer has delivered irrevocable instructions to the Trustee to apply the deposited money toward the payment of the Notes at maturity or on the date of redemption, as the case may be.

In addition, the Issuer must deliver an Officer's Certificate and an Opinion of Counsel stating that all conditions precedent to satisfaction and discharge have been complied with.

After such delivery, the Trustee shall acknowledge in writing the discharge of the Issuer's obligations terminated pursuant to this Section 9.01.

Notwithstanding the satisfaction and discharge of this Indenture, the obligations of the Issuer in Section 2.07 shall survive until all Notes have been cancelled and the obligations of the Issuer in Sections 7.07, 9.05 and 9.06 shall survive.

SECTION 9.02. Legal Defeasance.

The Issuer may at its option, by Board Resolution of the Board of Directors of the Issuer, be discharged from its obligations with respect to the Notes and the Guarantors discharged from their obligations under the Note Guarantees on the date the conditions set forth in Section 9.04 are satisfied (hereinafter, "Legal Defeasance"). For this purpose, such Legal Defeasance means that the Issuer and the Guarantors shall be deemed to have paid and discharged the entire indebtedness represented by the Notes and the Note Guarantees with respect thereto and to have satisfied all its other obligations under such Notes, such Note Guarantees and this Indenture insofar as the Notes are concerned (and the Trustee, at the expense of the Issuer, shall, subject to Section 9.06, execute instruments in form and substance reasonably satisfactory to the Trustee and Issuer acknowledging the same), except for the following which shall survive until otherwise terminated or discharged hereunder:

(a) the rights of Holders of outstanding Notes to receive payments in respect of the principal of, premium, if any, and interest on the Notes when such payments are due solely from the trust funds described in Section 9.04 and as more fully set forth in such Section, (b) the Issuer's obligations with respect to the Notes under Sections 2.04, 2.05, 2.06, 2.07, 2.08 and 2.11, (c) the rights, powers, trusts, duties, and immunities of the Trustee hereunder (including claims of, or payments to, the Trustee under or pursuant to Section 7.07) and the Issuer's obligation in connection therewith, and (d) this Article

Nine. Subject to compliance with this Article Nine, the Issuer may exercise its option under this Section 9.02 with respect to Notes notwithstanding the prior exercise of its option under Section 9.03 with respect to such Notes.

SECTION 9.03. Covenant Defeasance.

At the option of the Issuer, pursuant to a Board Resolution of the Board of Directors of the Issuer, (x) the Issuer and the Guarantors shall be released from their respective obligations under Sections 4.02 (except for obligations mandated by the TIA), 4.05 through 4.16, inclusive, 4.20 and clause (3) of the first paragraph of Section 5.01 and (y) clauses (4), (5), (6) and (9) of Section 6.01 shall no longer apply with respect to the Notes on and after the date the conditions set forth in Section 9.04 are satisfied (hereinafter, “Covenant Defeasance”). For this purpose, such Covenant Defeasance means that the Issuer and the Guarantors may omit to comply with and shall have no liability in respect of any term, condition or limitation set forth in any such specified Section or portion thereof, whether directly or indirectly by reason of any reference elsewhere herein to any such specified Section or portion thereof or by reason of any reference in any such specified Section or portion thereof to any other provision herein or in any other document, and thereafter any omission to comply with such obligations shall not constitute a Default, but the remainder of this Indenture and the Notes shall be unaffected thereby.

SECTION 9.04. Conditions to Legal Defeasance or Covenant Defeasance.

The following shall be the conditions to application of Section 9.02 or Section 9.03 to the outstanding Notes:

(1) the Issuer must irrevocably deposit with the Trustee, as trust funds, in trust solely for the benefit of the Holders of the Notes, U.S. legal tender, U.S. Government Obligations or a combination thereof, in such amounts as shall be sufficient (without consideration of any reinvestment of interest), as evidenced by an Officer’s Certificate of the Issuer, to pay the principal of and interest on the Notes on the stated date for payment or on the Redemption Date of the principal or installment of principal of or interest on the Notes,

(2) in the case of Legal Defeasance, the Issuer shall have delivered to the Trustee an Opinion of Counsel in the United States confirming that:

- (a) the Issuer has received from, or there has been published by the Internal Revenue Service, a ruling, or
- (b) since the date hereof, there has been a change in the applicable U.S. federal income tax law,

in either case to the effect that, and based thereon such Opinion of Counsel shall confirm that, the Holders of such outstanding Notes will not recognize income, gain or loss for U.S. federal income tax purposes as a result of the Legal Defeasance and will be subject to U.S. federal income tax on the same amounts, in the same manner and at the same times as would have been the case if such Legal Defeasance had not occurred,

(3) in the case of Covenant Defeasance, the Issuer shall have delivered to the Trustee an Opinion of Counsel in the United States reasonably acceptable to the Trustee confirming that the Holders of such outstanding Notes will not recognize income, gain or loss for U.S. federal income tax purposes as a result of such Covenant Defeasance and will be subject to U.S. federal

income tax on the same amounts, in the same manner and at the same times as would have been the case if the Covenant Defeasance had not occurred,

(4) no Default shall have occurred and be continuing on the date of such deposit (other than a Default resulting from the borrowing of funds to be applied to such deposit),

(5) the Issuer shall have delivered to the Trustee an Officer's Certificate stating that the deposit was not made by it with the intent of preferring the Holders of such Notes over any other of its creditors or with the intent of defeating, hindering, delaying or defrauding any other of its creditors or others, and

(6) the Issuer shall have delivered to the Trustee an Officer's Certificate and an Opinion of Counsel, each stating that the conditions provided for in, in the case of the Officer's Certificate, clauses (1) through (4) and, in the case of the Opinion of Counsel, clauses (2) and/or (3) of this paragraph have been complied with.

If the funds deposited with the Trustee to effect Covenant Defeasance are insufficient to pay the principal of and interest on the Notes when due, then the obligations of the Issuer and the obligations of Guarantors under this Indenture shall be revived and no such defeasance shall be deemed to have occurred.

SECTION 9.05. Deposited Money and U.S. Government Obligations To Be Held in Trust; Other Miscellaneous Provisions.

All money and U.S. Government Obligations (including the proceeds thereof) deposited with the Trustee pursuant to Section 9.04 in respect of the outstanding Notes shall be held in trust and applied by the Trustee, in accordance with the provisions of such Notes and this Indenture, to the payment, either directly or through any Paying Agent, to the Holders of such Notes, of all sums due and to become due thereon in respect of principal, premium, if any, and accrued interest, but such money need not be segregated from other funds except to the extent required by law.

The Issuer and the Guarantors shall (on a joint and several basis) pay and indemnify the Trustee against any tax, fee or other charge imposed on or assessed against the U.S. Government Obligations deposited pursuant to Section 9.04 or the principal, premium, if any, and interest received in respect thereof other than any such tax, fee or other charge which by law is for the account of the Holders of the outstanding Notes.

Anything in this Article Nine to the contrary notwithstanding, the Trustee shall deliver or pay to the Issuer from time to time any money or U.S. Government Obligations held by it as provided in Section 9.04 which, in the opinion of a nationally recognized firm of independent public accountants expressed in a written certification thereof delivered to the Trustee, are in excess of the amount thereof which would then be required to be deposited to effect an equivalent Legal Defeasance or Covenant Defeasance.

SECTION 9.06. Reinstatement.

If the Trustee or Paying Agent is unable to apply any money or U.S. Government Obligations in accordance with Section 9.01, 9.02 or 9.03 by reason of any legal proceeding or by reason of any order or judgment of any court or Governmental Authority enjoining, restraining or otherwise prohibiting such application, the Issuer's and each Guarantor's obligations terminated pursuant to Section

9.01, 9.02 or 9.03, as applicable, shall be revived and reinstated as though no deposit had occurred pursuant to this Article Nine until such time as the Trustee or Paying Agent is permitted to apply all such money or U.S. Government Obligations in accordance with Section 9.01; *provided* that if the Issuer or the Guarantors have made any payment of principal of, premium, if any, or accrued interest on any Notes because of the reinstatement of their obligations, the Issuer or the Guarantors, as the case may be, shall be subrogated to the rights of the Holders of such Notes to receive such payment from the money or U.S. Government Obligations held by the Trustee or Paying Agent.

SECTION 9.07. Moneys Held by Paying Agent .

In connection with the satisfaction and discharge of this Indenture, all moneys then held by any Paying Agent under the provisions of this Indenture shall, upon written demand of the Issuer, be paid to the Trustee, or if sufficient moneys have been deposited pursuant to Section 9.04, to the Issuer (or, if such moneys had been deposited by the Guarantors, to such Guarantors), and thereupon such Paying Agent shall be released from all further liability with respect to such moneys.

SECTION 9.08. Moneys Held by Trustee .

Subject to applicable law, any moneys deposited with the Trustee or any Paying Agent or then held by the Issuer or the Guarantors in trust for the payment of the principal of, or premium, if any, or interest on any Note that are not applied but remain unclaimed by the Holder of such Note for two years after the date upon which the principal of, or premium, if any, or interest on such Note shall have respectively become due and payable shall be repaid to the Issuer (or, if appropriate, the Guarantors), or if such moneys are then held by the Issuer or the Guarantors in trust, such moneys shall be released from such trust; and the Holder of such Note entitled to receive such payment shall thereafter, as an unsecured general creditor, look only to the Issuer and the Guarantors for the payment thereof, and all liability of the Trustee or such Paying Agent with respect to such trust money shall thereupon cease; *provided* that the Trustee or any such Paying Agent, before being required to make any such repayment, may, at the expense of the Issuer and the Guarantors, either mail to each Holder affected, at the address shown in the register of the Notes maintained by the Registrar pursuant to Section 2.03, or cause to be published once a week for two successive weeks, in a newspaper published in the English language, customarily published each Business Day and of general circulation in the City of New York, New York, a notice that such money remains unclaimed and that, after a date specified therein, which shall not be less than 30 days from the date of such mailing or publication, any unclaimed balance of such moneys then remaining shall be repaid to the Issuer. After payment to the Issuer or the Guarantors or the release of any money held in trust by the Issuer or any Guarantors, as the case may be, Holders entitled to the money must look only to the Issuer and the Guarantors for payment as general creditors unless applicable abandoned property law designates another Person.

ARTICLE TEN
GUARANTEE OF NOTES

SECTION 10.01. Guarantee .

Subject to the provisions of this Article Ten, each Guarantor, by execution of this Indenture, jointly and severally, unconditionally guarantees (each, a “Note Guarantee” and collectively, the “Note Guarantees”) to each Holder (i) the due and punctual payment of the principal of and interest on each Note, when and as the same shall become due and payable, whether at maturity, by acceleration or

otherwise, the due and punctual payment of interest on the overdue principal of and interest on the Notes, to the extent lawful, and the due and punctual payment of all obligations of the Issuer to the Holders or the Trustee all in accordance with the terms of such Note, this Indenture and the Registration Rights Agreement, and (ii) in the case of any extension of time of payment or renewal of any Notes or any of such other Obligations, that the same shall be promptly paid in full when due or performed in accordance with the terms of the extension or renewal, at stated maturity, by acceleration or otherwise. Each Guarantor, by execution of this Indenture, agrees that its obligations hereunder shall be absolute and unconditional, irrespective of, and shall be unaffected by, any invalidity, irregularity or unenforceability of any such Note, this Indenture or the Registration Rights Agreement, any failure to enforce the provisions of any such Note, this Indenture or the Registration Rights Agreement, any waiver, modification or indulgence granted to the Issuer with respect thereto by the Holder of such Note, or any other circumstances which may otherwise constitute a legal or equitable discharge of a surety or such Guarantor.

Each Guarantor hereby waives diligence, presentment, demand for payment, filing of claims with a court in the event of merger or bankruptcy of the Issuer, any right to require a proceeding first against the Issuer, protest or notice with respect to any such Note or the Indebtedness evidenced thereby (except as expressly required hereunder, including pursuant to Article Six hereof) and all demands whatsoever, and covenants that this Note Guarantee shall not be discharged as to any such Note except by payment in full of the principal thereof and interest thereon. Each Guarantor hereby agrees that, as between such Guarantor, on the one hand, and the Holders and the Trustee, on the other hand, (i) the maturity of the Obligations guaranteed hereby may be accelerated as provided in Article Six for the purposes of this Note Guarantee, notwithstanding any stay, injunction or other prohibition preventing such acceleration in respect of the Obligations guaranteed hereby, and (ii) in the event of any declaration of acceleration of such Obligations as provided in Article Six, such Obligations (whether or not due and payable) shall forthwith become due and payable by each Guarantor for the purpose of this Note Guarantee.

SECTION 10.02. Execution and Delivery of Guarantee.

If an officer of a Guarantor whose signature is on this Indenture no longer holds that office at the time the Trustee authenticates the Note or at any time thereafter, such Guarantor's Note Guarantee of such Note shall be valid nevertheless.

The delivery of any Note by the Trustee, after the authentication thereof hereunder, shall constitute due delivery of any Note Guarantee set forth in this Indenture on behalf of the Guarantor.

SECTION 10.03. Limitation of Guarantee.

The obligations of each Guarantor under its Note Guarantee are limited to the maximum amount as shall, after giving effect to all other contingent and fixed liabilities of such Guarantor (including, without limitation, any guarantees under the Credit Agreement) and after giving effect to any collections from or payments made by or on behalf of any other Guarantor in respect of the obligations of such other Guarantor under its Note Guarantee or pursuant to its contribution obligations under this Indenture, result in the obligations of such Guarantor under its Note Guarantee not constituting a fraudulent conveyance or fraudulent transfer under federal or state law. Each Guarantor that makes a payment or distribution under its Note Guarantee shall be entitled to a contribution from each other Guarantor in a pro rata amount based on the adjusted net assets of each Guarantor.

SECTION 10.04. Release of Guarantor.

A Guarantor shall be released from its obligations under its Note Guarantee and its obligations under this Indenture:

- (1) in the event of dissolution of such Guarantor;
- (2) if such Guarantor is designated as an Unrestricted Subsidiary or otherwise ceases to be a Restricted Subsidiary, in each case in accordance with the provisions of this Indenture, upon effectiveness of such designation or when it first ceases to be a Restricted Subsidiary, respectively;
- (3) upon the release or discharge of any guarantee by such Guarantor of the Credit Agreement or any Capital Markets Indebtedness, except a discharge or release by or as a result of payment under such other guarantee; or
- (4) upon the exercise of the legal defeasance option or covenant defeasance option pursuant to Sections 9.02 or 9.03 hereof, as applicable, or if the obligations under this Indenture are discharged in accordance with the terms hereof,

and in each such case, the Issuer has delivered to the Trustee an Officer's Certificate or an Opinion of Counsel, each stating that all conditions precedent herein provided for relating to such transactions have been complied with and that such release is authorized and permitted hereunder.

The Trustee shall execute any documents reasonably requested by the Issuer or a Guarantor in order to evidence the release of such Guarantor from its obligations under its Note Guarantee endorsed on the Notes and under this Article Ten.

SECTION 10.05. Waiver of Subrogation.

Until the Notes have been paid in full, each Guarantor hereby irrevocably waives any claim or other rights which it may now or hereafter acquire against the Issuer that arise from the existence, payment, performance or enforcement of such Guarantor's obligations under its Note Guarantee and this Indenture, including, without limitation, any right of subrogation, reimbursement, exoneration, indemnification, and any right to participate in any claim or remedy of any Holder of Notes against the Issuer, whether or not such claim, remedy or right arises in equity, or under contract, statute or common law, including, without limitation, the right to take or receive from the Issuer, directly or indirectly, in cash or other property or by set-off or in any other manner, payment or Note on account of such claim or other rights. If any amount shall be paid to any Guarantor in violation of the preceding sentence and the Notes shall not have been paid in full, such amount shall have been deemed to have been paid to such Guarantor for the benefit of, and held in trust for the benefit of, the Holders, and shall forthwith be paid to the Trustee for the benefit of such Holders to be credited and applied upon the Notes, whether matured or unmatured, in accordance with the terms of this Indenture. Each Guarantor acknowledges that it shall receive direct and indirect benefits from the financing arrangements contemplated by this Indenture and that the waiver set forth in this Section 10.05 is knowingly made in contemplation of such benefits.

IAC/INTERACTIVECORP

4.75% SENIOR NOTE DUE 2022

1. Interest.

IAC/INTERACTIVECORP, a Delaware corporation (the “Company”), promises to pay, until the principal hereof is paid or made available for payment, interest (including Additional Interest, if any) on the principal amount set forth on the face hereof at a rate of 4.75% per annum. Interest hereon shall accrue from and including the most recent date to which interest has been paid or, if no interest has been paid, from and including December 21, 2012 to but excluding the date on which interest is paid. Interest shall be payable in arrears on each June 15 and December 15 commencing on each June 15, 2013. Interest (including Additional Interest) shall be computed on the basis of a 360-day year of twelve 30-day months. The Company shall pay interest on overdue principal and on overdue interest (to the full extent permitted by law) at a rate of 4.75% per annum.

In addition to the rights provided to Holders of the Notes under the Indenture, Holders of Registrable Notes (as defined in the Registration Rights Agreement) shall have all rights set forth in the Registration Rights Agreement, dated as of December 21, 2012, among the Company, the Guarantors named therein and the other parties named on the signature pages thereto (the “Registration Rights Agreement”), including the right to receive Additional Interest pursuant to the Registration Rights Agreement in certain circumstances. If applicable, Additional Interest payable pursuant to the Registration Rights Agreement shall be paid to the same Persons, in the same manner and at the same times as regular interest.

2. Method of Payment. The Company shall pay interest hereon (except defaulted interest) and Additional Interest, if any, to the Persons who are registered Holders at the close of business on June 1 or December 1 next preceding the interest payment date (whether or not a Business Day). Holders must surrender Notes to a Paying Agent to collect principal payments. The Company (through the Paying Agent) shall pay principal and interest (including Additional Interest, if any) in money of the United States of America that at the time of payment is legal tender for payment of public and private debts. If the Holder has given wire transfer instructions to the Company at least ten Business Days prior to the payment date, the Company shall make all payments on this Note by wire transfer of immediately available funds to the account specified in those instructions. Otherwise, payments on this Note shall be made at the office or agency of the Paying Agent unless the Company elects to make interest payments by check mailed to the Holders at their addresses set forth in the register of Holders.

3. Paying Agent and Registrar. Initially, Computershare Trust Company, N.A., a national banking association (the “Trustee”), shall act as a Paying Agent and Registrar. The Company may appoint and change any Paying Agent or Registrar or co-registrar without notice. The Company or any of its Affiliates may act as Paying Agent or Registrar.

4. Indenture. The Company issued the Notes under an Indenture dated as of December 21, 2012 (the “Indenture”) among the Company, the Guarantors (as defined in the Indenture) and the Trustee. This is one of an issue of Notes of the Company issued, or to be issued, under the Indenture. The Notes include (i) \$500,000,000 aggregate principal amount of the Company’s 4.75% Senior Notes due 2022 (the “Initial Notes”), (ii) if and when issued, additional Notes that may be issued

from time to time under the Indenture subsequent to December 21, 2012 (the “ Additional Notes ”) and (iii) if and when issued, the Company’s 4.75% Senior Notes due 2022 that may be issued from time to time under the Indenture in exchange for Initial Notes or Additional Notes in an offer registered under the Securities Act as provided in the Registration Rights Agreement (herein called “ Exchange Notes ”). The Initial Notes, the Additional Notes and the Exchange Notes shall be considered collectively as a single class for all purposes of the Indenture. The terms of the Notes include those stated in the Indenture and those made part of the Indenture by reference to the Trust Indenture Act of 1939 (15 U.S. Code §§ 77aaa-77bbb), as amended from time to time. The Notes are subject to all such terms, and Holders are referred to the Indenture and such Act for a statement of them. Capitalized and certain other terms used herein and not otherwise defined have the meanings set forth in the Indenture.

5. Mandatory Redemption . Except as set forth in paragraph 8 below, the Company shall not be required to make mandatory redemption payments with respect to the Notes.

6. Optional Redemption . Except as set forth below, the Issuer will not be entitled to redeem the Notes at its option.

(i) At any time prior to December 15, 2017, the Issuer may redeem all or a part of the Notes, upon notice as described in Section 3.03 of the Indenture, at a redemption price equal to 100% of the principal amount of the Notes redeemed plus the Applicable Premium as of, and accrued and unpaid interest and Additional Interest, if any, to the date of redemption (the “ Redemption Date ”), subject to the rights of Holders of Notes on the relevant record date to receive interest due on the relevant interest payment date.

(ii) On and after December 15, 2017, the Issuer may redeem the Notes, in whole or in part, upon notice as described in Section 3.03 of the Indenture, at the redemption prices (expressed as percentages of principal amount of the Notes to be redeemed) set forth below, plus accrued and unpaid interest thereon and Additional Interest, if any, to the applicable Redemption Date, subject to the right of Holders of Notes of record on the relevant record date to receive interest due on the relevant interest payment date, if redeemed during the twelve-month period beginning on December 15, of each of the years indicated below:

Year	Percentage
2017	102.375%
2018	101.583%
2019	100.792%
2020 and thereafter	100.000%

In addition, until December 15, 2015, the Issuer may, at its option, on one or more occasions redeem up to 40% of the aggregate principal amount of Notes at a redemption price equal to 104.75% of the aggregate principal amount thereof, plus accrued and unpaid interest thereon and Additional Interest, if any, to the applicable Redemption Date, subject to the right of Holders of Notes of record on the relevant record date to receive interest due on the relevant interest payment date, with the net cash proceeds of one or more Equity Offerings; *provided* that at least 50% of the sum of the aggregate principal amount of (x) Notes originally issued under the Indenture and (y) any Additional Notes issued under the Indenture after the Issue Date remains outstanding immediately after the occurrence of each

such redemption; *provided, further*, that each such redemption occurs within 90 days of the date of closing of each such Equity Offering.

7. Notice of Redemption. Notice of redemption shall be mailed at least 30 days but not more than 60 days before the Redemption Date to each Holder to be redeemed at his registered address, except that redemption notices may be mailed more than 60 days prior to a Redemption Date if the notice is issued in connection with a satisfaction and discharge of the Indenture. On and after the Redemption Date, unless the Company defaults in making the redemption payment, interest ceases to accrue on Notes or portions thereof called for redemption.

8. Offers To Purchase. The Indenture provides that upon the occurrence of a Change of Control Triggering Event and subject to further limitations contained therein, the Company shall make an offer to purchase outstanding Notes in accordance with the procedures set forth in the Indenture.

10. Denominations, Transfer, Exchange. The Notes are in registered form without coupons in denominations of \$2,000 and integral multiples of \$1,000. A Holder may transfer or exchange Notes in accordance with the Indenture. The Registrar may require a Holder, among other things, to furnish appropriate endorsements and transfer documents and to pay to it any taxes and fees required by law or permitted by the Indenture. The Registrar need not register the transfer of or exchange of any Notes or a portion of a Note selected for redemption for a period of 15 days before a mailing of notice of redemption.

11. Persons Deemed Owners. The registered Holder of this Note may be treated as the owner of this Note for all purposes.

12. Unclaimed Money. If money for the payment of principal or interest or Additional Interest, if any, remains unclaimed for two years, the Trustee shall pay the money back to the Company at its written request. After that, Holders entitled to the money must look to the Company for payment as general creditors unless an “abandoned property” law designates another Person.

13. Amendment, Supplement, Waiver, Etc. The Company, the Guarantors and the Trustee (if a party thereto) may, without the consent of the Holders of any outstanding Notes, amend, waive or supplement the Indenture or the Notes for certain specified purposes, including, among other things, curing ambiguities, defects or inconsistencies, maintaining the qualification of the Indenture under the Trust Indenture Act of 1939, as amended, and making any change that does not materially and adversely affect the rights of any Holder. Other amendments and modifications of the Indenture or the Notes may be made by the Company, the Guarantors and the Trustee with the consent of the Holders of not less than a majority of the aggregate principal amount of the outstanding Notes, subject to certain exceptions requiring the consent of the Holders of the particular Notes to be affected.

14. [Reserved]

15. Defaults and Remedies. Events of Default are set forth in the Indenture. If an Event of Default specified in clause (7) or (8) of Section 6.01 of the Indenture with respect to the Company or any Significant Subsidiary occurs, all outstanding Notes shall become due and payable without any further action or notice. If any other Event of Default (other than an Event of Default specified in clause (7) or (8) of Section 6.01 of the Indenture with respect to the Company or any Significant Subsidiary), shall have occurred and be continuing hereunder, the Trustee, by written notice to the Company, or the Holders of at least 25% in aggregate principal amount of the Notes then outstanding

by written notice to the Company and the Trustee, may declare all amounts owing under the Notes to be due and payable. The Trustee may require indemnity satisfactory to it before it enforces the Indenture or the Notes. Subject to certain limitations, Holders of a majority in principal amount of the then outstanding Notes may direct the Trustee in its exercise of any trust or power.

16. Trustee Dealings with Company. The Trustee in its individual or any other capacity may become the owner or pledgee of Notes and may make loans to, accept deposits from, perform services for or otherwise deal with either of the Company or any Guarantor, or any Affiliates thereof, with the same rights it would have if it were not Trustee.

17. Discharge. Subject to certain conditions and as set forth in the Indenture, the Company at any time may terminate some or all of its obligations pursuant to the Indenture, upon the payment of all the Notes or upon the irrevocable deposit with the Trustee of United States dollars or U.S. Government Obligations sufficient to pay when due principal of and interest on the Notes to maturity or redemption, as the case may be.

18. Guarantees. The Note shall be entitled to the benefits of certain Note Guarantees made for the benefit of the Holders. Reference is hereby made to the Indenture for a statement of the respective rights, limitations of rights, duties and obligations thereunder of the Guarantors, the Trustee and the Holders, and for events causing release of the Guarantors from the Note Guarantees.

19. Authentication. This Note shall not be valid until the Trustee manually signs the certificate of authentication on the other side of this Note.

No representation is made as to the accuracy of such numbers either as printed on the Notes or as contained in any notice of redemption and reliance may be placed only on the other identification numbers placed thereon.

[FORM OF REVERSE OF GLOBAL EXCHANGE NOTE]

IAC/INTERACTIVECORP

4.75% SENIOR NOTE DUE 2022

1. Interest. IAC/INTERACTIVECORP, a Delaware corporation (the “Company”), promises to pay, until the principal hereof is paid or made available for payment, interest on the principal amount set forth on the face hereof at a rate of 4.75% per annum. Interest hereon shall accrue from and including the most recent date to which interest has been paid or, if no interest has been paid, from and including December 21, 2012 to but excluding the date on which interest is paid. Interest shall be payable in arrears on each June 15 and December 15 commencing on June 15, 2013. Interest shall be computed on the basis of a 360-day year of twelve 30-day months. The Company shall pay interest on overdue principal and on overdue interest (to the full extent permitted by law) at a rate 4.75% per annum.

2. Method of Payment. The Company shall pay interest hereon (except defaulted interest) to the Persons who are registered Holders at the close of business on June 1 or December 1 next preceding the interest payment date (whether or not a Business Day). Holders must surrender Notes to a Paying Agent to collect principal payments. The Company (through the Paying Agent) shall pay principal and interest in money of the United States of America that at the time of payment is legal tender for payment of public and private debts. If the Holder has given wire transfer instructions to the Company at least ten Business Days prior to the payment date, the Company shall make all payments on this Note by wire transfer of immediately available funds to the account specified in those instructions. Otherwise, payments on this Note shall be made at the office or agency of the Paying Agent unless the Company elects to make interest payments by check mailed to the Holders at their addresses set forth in the register of Holders.

3. Paying Agent and Registrar. Initially, Computershare Trust Company, N.A., a national banking association (the “Trustee”), shall act as a Paying Agent and Registrar. The Company may appoint and change any Paying Agent or Registrar or co-registrar without notice. The Company or any of its Affiliates may act as Paying Agent or Registrar.

4. Indenture. The Company issued the Notes under an Indenture dated as of December 21, 2012 (the “Indenture”) among the Company, the Guarantors (as defined in the Indenture) and the Trustee. This is one of the Exchange Notes referred to in the Indenture. The Notes include (i) \$500,000,000 aggregate principal amount of the Company’s 4.75% Senior Notes due 2022 (the “Initial Notes”) and (ii) if and when issued, additional Notes that may be issued from time to time under the Indenture subsequent to December 21, 2012 (the “Additional Notes”). The Initial Notes, the Additional Notes and the Exchange Notes shall be considered collectively as a single class for all purposes of the Indenture. The terms of the Notes include those stated in the Indenture and those made part of the Indenture by reference to the Trust Indenture Act of 1939 (15 U.S. Code §§ 77aaa-77bbb), as amended from time to time. The Notes are subject to all such terms, and Holders are referred to the Indenture and such Act for a statement of them. Capitalized and certain other terms used herein and not otherwise defined have the meanings set forth in the Indenture.

5. Mandatory Redemption. Except as set forth in paragraph 8 below, the Company shall not be required to make mandatory redemption payments with respect to the Notes.

6. Optional Redemption. Except as set forth below, the Issuer will not be entitled to redeem the Notes at its option.

(i) At any time prior to December 15, 2017, the Issuer may redeem all or a part of the Notes, upon notice as described in Section 3.03 of the Indenture, at a redemption price equal to 100% of the principal amount of the Notes redeemed plus the Applicable Premium as of, and accrued and unpaid interest and Additional Interest, if any, to the date of redemption (the “Redemption Date”), subject to the rights of Holders of Notes on the relevant record date to receive interest due on the relevant interest payment date.

(ii) On and after December 15, 2017, the Issuer may redeem the Notes, in whole or in part, upon notice as described in Section 3.03 of the Indenture, at the redemption prices (expressed as percentages of principal amount of the Notes to be redeemed) set forth below, plus accrued and unpaid interest thereon and Additional Interest, if any, to the applicable Redemption Date, subject to the right of Holders of Notes of record on the relevant record date to receive interest due on the relevant interest payment date, if redeemed during the twelve-month period beginning on December 15, of each of the years indicated below:

Year	Percentage
2017	102.375%
2018	101.583%
2019	100.792%
2020 and thereafter	100.000%

In addition, until December 15, 2015, the Issuer may, at its option, on one or more occasions redeem up to 40% of the aggregate principal amount of Notes at a redemption price equal to 104.75% of the aggregate principal amount thereof, plus accrued and unpaid interest thereon and Additional Interest, if any, to the applicable Redemption Date, subject to the right of Holders of Notes of record on the relevant record date to receive interest due on the relevant interest payment date, with the net cash proceeds of one or more Equity Offerings; *provided* that at least 50% of the sum of the aggregate principal amount of (x) Notes originally issued under the Indenture and (y) any Additional Notes issued under the Indenture after the Issue Date remains outstanding immediately after the occurrence of each such redemption; *provided, further*, that each such redemption occurs within 90 days of the date of closing of each such Equity Offering.

7. Notice of Redemption. Notice of redemption shall be mailed at least 30 days but not more than 60 days before the Redemption Date to each Holder to be redeemed at his registered address, except that redemption notices may be mailed more than 60 days prior to a Redemption Date if the notice is issued in connection with a satisfaction and discharge of the Indenture. On and after the Redemption Date, unless the Company defaults in making the redemption payment, interest ceases to accrue on Notes or portions thereof called for redemption.

8. Offers To Purchase. The Indenture provides that upon the occurrence of a Change of Control Triggering Event and subject to further limitations contained therein, the Company shall make an offer to purchase outstanding Notes in accordance with the procedures set forth in the Indenture.

9. Denominations, Transfer, Exchange. The Notes are in registered form without coupons in denominations of \$2,000 and integral multiples of \$1,000. A Holder may transfer or exchange Notes in accordance with the Indenture. The Registrar may require a Holder, among other things, to

furnish appropriate endorsements and transfer documents and to pay to it any taxes and fees required by law or permitted by the Indenture. The Registrar need not register the transfer of or exchange of any Notes or a portion of a Note selected for redemption for a period of 15 days before a mailing of notice of redemption.

10. Persons Deemed Owners. The registered Holder of this Note may be treated as the owner of this Note for all purposes.

11. Unclaimed Money. If money for the payment of principal or interest remains unclaimed for two years, the Trustee shall pay the money back to the Company at its written request. After that, Holders entitled to the money must look to the Company for payment as general creditors unless an “abandoned property” law designates another Person.

12. Amendment, Supplement, Waiver, Etc. The Company, the Guarantors and the Trustee (if a party thereto) may, without the consent of the Holders of any outstanding Notes, amend, waive or supplement the Indenture or the Notes for certain specified purposes, including, among other things, curing ambiguities, defects or inconsistencies, maintaining the qualification of the Indenture under the Trust Indenture Act of 1939, as amended, and making any change that does not materially and adversely affect the rights of any Holder. Other amendments and modifications of the Indenture or the Notes may be made by the Company, the Guarantors and the Trustee with the consent of the Holders of not less than a majority of the aggregate principal amount of the outstanding Notes, subject to certain exceptions requiring the consent of the Holders of the particular Notes to be affected.

13. [Reserved]

14. Defaults and Remedies. Events of Default are set forth in the Indenture. If an Event of Default specified in clause (7) or (8) of Section 6.01 of the Indenture with respect to the Company or any Significant Subsidiary occurs, all outstanding Notes shall become due and payable without any further action or notice. If any other Event of Default (other than an Event of Default specified in clause (7) or (8) of Section 6.01 of the Indenture with respect to the Company or any Significant Subsidiary), shall have occurred and be continuing hereunder, the Trustee, by written notice to the Company, or the Holders of at least 25% in aggregate principal amount of the Notes then outstanding, by written notice to the Company and the Trustee, may declare all amounts owing under the Notes to be due and payable. The Trustee may require indemnity satisfactory to it before it enforces the Indenture or the Notes. Subject to certain limitations, Holders of a majority in principal amount of the then outstanding Notes may direct the Trustee in its exercise of any trust or power.

15. Trustee Dealings with Company. The Trustee in its individual or any other capacity may become the owner or pledgee of Notes and may make loans to, accept deposits from, perform services for or otherwise deal with either of the Company or any Guarantor, or any Affiliates thereof, with the same rights it would have if it were not Trustee.

16. Discharge. Subject to certain conditions and as set forth in the Indenture, the Company at any time may terminate some or all of its obligations pursuant to the Indenture, upon the payment of all the Notes or upon the irrevocable deposit with the Trustee of United States dollars or U.S. Government Obligations sufficient to pay when due principal of and interest on the Notes to maturity or redemption, as the case may be.

17. Guarantees. The Note shall be entitled to the benefits of certain Note Guarantees made for the benefit of the Holders. Reference is hereby made to the Indenture for a statement of the

respective rights, limitations of rights, duties and obligations thereunder of the Guarantors, the Trustee and the Holders, and for events causing release of the Guarantors from the Note Guarantees.

18. Authentication. This Note shall not be valid until the Trustee signs the certificate of authentication on the other side of this Note.

19. Governing Law. This Note shall be governed by and construed in accordance with the laws of the State of New York, as applied to contracts made and performed within the State of New York.

20. Abbreviations. Customary abbreviations may be used in the name of a Holder or an assignee, such as: TEN COM (= tenants in common), TENANT (= tenants by the entireties), JT TEN (= joint tenants with right of survivorship and not as tenants in common), CUST (= Custodian), and U/G/M/A (= Uniform Gifts to Minors Act).

21. CUSIP/ISIN Numbers. Pursuant to a recommendation promulgated by the Committee on Uniform Security Identification Procedures, the Company has caused CUSIP/ISIN numbers to be printed on the Notes and the Trustee may use CUSIP/ISIN numbers in notices of redemption as a convenience to Holders. No representation is made as to the accuracy of such numbers either as printed on the Notes or as contained in any notice of redemption and reliance may be placed only on the other identification numbers placed thereon.

Terms and Conditions for Restricted Stock Unit Awards

Overview

These Terms and Conditions apply to your award of restricted stock units (the “Award”) granted pursuant to Section 7 of the IAC/InterActiveCorp Amended and Restated 2008 Stock and Annual Incentive Plan (the “2008 Plan”). You were notified of your Award by way of an award notice (the “Award Notice”).

ALL CAPITALIZED TERMS USED HEREIN, TO THE EXTENT NOT DEFINED, SHALL HAVE THE MEANINGS SET FORTH IN 2008 PLAN.

Continuous Service

In order for your Award to vest, you must be continuously employed by IAC or any of its Subsidiaries or Affiliates during the Restriction Period (as defined below). Nothing in your Award Notice, these Terms and Conditions or the 2008 Plan shall confer upon you any right to continue in the employ or service of IAC or any of its Subsidiaries or Affiliates or interfere in any way with their rights to terminate your employment or service at any time.

Vesting

Subject to these Terms and Conditions and the 2008 Plan, the restricted stock units (“RSUs”) in respect of your Award shall vest and no longer be subject to any restriction (such period during which such restriction applies is the “Restriction Period”) as specified in your Award Notice.

Termination of Employment

Except as set forth in your Award Notice, employment agreement (if applicable) or below, upon any termination of your employment with IAC or any of its Subsidiaries or Affiliates during the Restriction Period for any reason (including, for the avoidance of doubt, due to your death or Disability) any unvested portion of your Award shall be forfeited and canceled in its entirety effective immediately upon such event.

If (i) your employment is terminated for Cause or if you resign in anticipation of being terminated for Cause or (ii) if following any termination of your employment for any reason, IAC becomes aware that during the two (2) years prior to such termination of employment there was an event or circumstance that constituted fraud (financial or otherwise) or would have been grounds for termination for Cause that caused or is reasonably likely to cause meaningful damage (economic, reputational or otherwise) to IAC and/or any of its Affiliates (the “Underlying Event”) (and which would not have been curable upon notice), then (a) your Award (whether or not vested) shall be forfeited and canceled in its entirety and (b) if your Award vested after the Underlying Event, then IAC shall be entitled to recover from you at any time within two (2) years after such vesting, and you shall pay over to IAC, any amounts realized as a result of such vesting. This remedy shall be without prejudice to, or waiver of, any other remedies IAC and/or its Subsidiaries and/or its Affiliates may have in such event.

Settlement

Subject to your satisfaction of the tax obligations described immediately below under “Taxes and Withholding,” as soon as practicable after any RSUs in respect of your Award have vested and are no longer subject to the Restriction Period, such RSUs shall be settled. For each RSU settled, IAC shall (i) if you are employed within the United States, issue one share of Common Stock for each RSU vesting or (ii) if you are employed outside the United States, pay, or cause to be paid, to you an amount of cash equal to the Fair Market Value of one share of Common Stock for each RSU vesting. Notwithstanding the foregoing, IAC shall be entitled to hold the shares or cash issuable to you upon settlement of all RSUs that have vested until IAC or the agent selected by IAC to administer the 2008 Plan (the “Agent”) has received from you (i) a duly executed Form W-9 or W-8, as applicable or (ii) payment for any federal, state, local or foreign taxes of any kind required by law to be withheld with respect to such RSUs.

Taxes and Withholding

No later than the date as of which an amount in respect of any RSUs first becomes includible in your gross income for federal, state, local or foreign income or employment or other tax purposes, IAC or its Subsidiaries and/or Affiliates shall, unless prohibited by law, have the right to deduct any federal, state, local or foreign taxes of any kind required by law to be withheld with respect to such amount due to you, including deducting such amount from the delivery of shares or cash issued upon settlement of the RSUs that gives rise to the withholding requirement. In the event shares are deducted to cover tax withholdings, the number of shares withheld shall generally have a Fair Market Value equal to the aggregate amount of IAC's withholding obligation. If the event that any such deduction and/or withholding is prohibited by law, you shall, prior to or contemporaneously with the vesting of your RSUs, pay to IAC, or make arrangements satisfactory to IAC regarding the payment of, any federal, state, local or foreign taxes of any kind required by law to be withheld with respect to such amount.

Adjustment in the Event of Change in Stock; Change in Control

Adjustment in the Event of Change in Stock. In the event of a stock dividend, stock split, reverse stock split, separation, spinoff, reorganization, extraordinary dividend of cash or other property, share combination, or recapitalization or similar event affecting the capital structure of IAC (each, a "Share Change"), the Committee or the Board shall, in its sole discretion, make such substitutions or adjustments as it deems appropriate and equitable to the number of RSUs underlying your Award and the number and kind of shares of Common Stock underlying such RSUs . In the event of a merger, consolidation, acquisition of property or shares, stock rights offering, liquidation, Disaffiliation, or similar event affecting IAC or any of its Subsidiaries (each, a "Corporate Transaction"), the Committee or the Board may, in its sole discretion, make such substitutions or adjustments as it deems appropriate and equitable to the number of RSUs underlying your Award and the number and kind of shares of Common Stock underlying such RSUs . The determination of the Committee regarding any such adjustments will be final and conclusive and need not be the same for all RSU award recipients.

Change in Control. "Change in Control" is defined as set forth in the Plan, except that all references to Liberty Media Corporation and its Affiliates shall be deleted . The vesting of your Award will not be accelerated upon a Change in Control of IAC. However, in the event that you cease to be employed within the two (2) year period following a Change in Control of IAC as a result of (i) a termination without Cause or (ii) your resignation for Good Reason, then 100% of your Award shall vest in one lump sum installment as of the date of such event. The Disaffiliation of the business or subsidiary of IAC by which you are employed or for which you are performing services at the time of such sale or other disposition by IAC shall be considered a Termination of Employment (*not* a Change in Control of IAC) and shall be governed by the applicable provisions of the 2008 Plan and the provision set forth under the caption "Termination of Employment" above; provided, however, that the Committee or the Board may deem it appropriate to make an equitable adjustment to the number of RSUs and the number and kind of shares of Common Stock underlying the RSUs underlying your Award.

Non-Transferability of the RSUs

Until such time as your RSUs are ultimately settled, they shall not be transferable by you by means of sale, assignment, exchange, encumbrance, pledge, hedge or otherwise.

No Rights as a Stockholder

Except as otherwise specifically provided in the 2008 Plan, unless and until your RSUs are settled, you shall not be entitled to any rights of a stockholder with respect to the RSUs (including the right to vote the shares underlying your RSUs and the right to receive dividends) .

Other Restrictions

The RSUs shall be subject to the requirement that, if at any time the Committee shall determine that (i) the listing, registration or qualification of the shares of Common Stock subject or related thereto upon any securities exchange or under any state or federal law, or (ii) the consent or approval of any government regulatory body, is necessary or desirable as a condition of (or in connection with) the delivery of shares, then in any such event, the award

of RSUs shall not be effective unless such listing, registration, qualification, consent or approval shall have been effected or obtained free of any conditions not acceptable to the Committee.

Conflicts and Interpretation

In the event of any conflict between these Terms and Conditions and the 2008 Plan, the 2008 Plan shall control; provided, that an action or provision that is permissive under the terms of the 2008 Plan, and required under these Terms and Conditions, shall not be deemed a conflict and these Terms and Conditions shall control. In the event of any ambiguity in these Terms and Conditions, or any matters as to which these Terms and Conditions are silent, the 2008 Plan shall govern including, without limitation, the provisions thereof pursuant to which the Committee has the power, among others, to (i) interpret the 2008 Plan, (ii) prescribe, amend and rescind rules and regulations relating to the 2008 Plan and (iii) make all other determinations deemed necessary or advisable for the administration of the 2008 Plan. In the event of any conflict between your Award Notice (or any other information posted on IAC's extranet or given to you directly or indirectly through the Agent (including information posted on www.benefitaccess.com)) and IAC's books and records, or (ii) ambiguity in the Award Notice (or any other information posted on IAC's extranet or given to you directly or indirectly through the Agent (including information posted on www.benefitaccess.com)) , IAC's books and records shall control.

Amendment

IAC may modify, amend or waive the terms of your RSUs, prospectively or retroactively, but no such modification, amendment or waiver shall materially impair your rights without your consent, except as required by applicable law, NASDAQ or stock exchange rules, tax rules or accounting rules .

Data Protection

The acceptance of your RSUs constitutes your authorization of the release from time to time to IAC or any of its Subsidiaries or Affiliates and to the Agent (together, the "Relevant Companies") of any and all personal or professional data that is necessary or desirable for the administration of your RSUs and/or the 2008 Plan (the "Relevant Information"). Without limiting the above, this authorization permits your employing company to collect, process, register and transfer to the Relevant Companies all Relevant Information (including any professional and personal data that may be useful or necessary for the purposes of the administration of your RSUs and/or the 2008 Plan and/or to implement or structure any further grants of equity awards (if any)). The acceptance of your RSUs also constitutes your authorization of the transfer of the Relevant Information to any jurisdiction in which IAC, your employing company or the Agent considers appropriate. You shall have access to, and the right to change, the Relevant Information, which will only be used in accordance with applicable law.

Section 409A of the Code

Your Award is not intended to constitute "nonqualified deferred compensation" within the meaning of Section 409A of the Internal Revenue Code of 1986, as amended, and the rules and regulations issued thereunder ("Section 409A"). Accordingly, if any amounts or benefits payable in respect of your Award are (i) payable upon a termination of employment and (ii) if you are a "Specified Employee" (as defined under Section 409A) as of the date of your termination of employment, then such amounts or benefits (if any) shall be paid or provided to you in a single lump sum on the earlier of (i) the first day of the seventh month following your termination of employment or (ii) your death.

In no event shall IAC be required to pay you any "gross-up" or other payment with respect to any taxes or penalties imposed under Section 409A with respect to any amounts or benefits paid to you in respect of your Award.

The foregoing standards shall also apply to the other Loan Documents.

SECTION 1.04 Accounting Terms; GAAP. Except as otherwise expressly provided herein, all terms of an accounting or financial nature shall be construed in accordance with GAAP, as in effect from time to time; provided that for purposes of any determinations associated with leases, including, without limitation, determinations of whether such leases are capital leases, whether obligations under such leases are Capital Lease Obligations, the amount of any Capital Lease Obligations associated with such leases, and the amount of operating expenses associated with such leases, Consolidated EBITDA, Indebtedness and the Consolidated Leverage Ratio shall be determined based on generally accepted accounting principles in the United States of America in effect on the Closing Date; provided further that, if the Borrower notifies the Administrative Agent that the Borrower requests an amendment to any provision hereof to eliminate the effect of any change occurring after the Closing Date in GAAP or in the application thereof on the operation of such provision (or if the Administrative Agent notifies the Borrower that the Required Lenders request an amendment to any provision hereof for such purpose), regardless of whether any such notice is given before or after such change in GAAP or in the application thereof, then such provision shall be interpreted on the basis of GAAP as in effect and applied immediately before such change shall have become effective until such notice shall have been withdrawn or such provision amended in accordance herewith.

SECTION 1.05 Change of Currency. Each provision of this Agreement also shall be subject to such reasonable changes of construction as the Administrative Agent may from time to time specify after consultation with the Borrower to be appropriate to the extent necessary to reflect a change in currency of any country and any relevant market conventions or practices relating to such change in currency.

SECTION 1.06 Currency Equivalents Generally.

(a) Unless the context otherwise requires, any amount specified in this Agreement to be in Dollars shall also include the Dollar Amount of any Alternative Currency. The maximum amount of Indebtedness and other threshold amounts that the Borrower and its Restricted Subsidiaries may incur under Article VI shall not be deemed to be exceeded, with respect to any outstanding Indebtedness and other threshold amounts solely as a result of fluctuations in the exchange rate of currencies. When calculating capacity for the incurrence of additional Indebtedness and other threshold amounts by the

Borrower and any Restricted Subsidiary, the exchange rate of currencies shall be measured as of the date of such calculation.

(b) (i) The Administrative Agent shall determine the Dollar Amount of any Letter of Credit denominated in an Alternative Currency as of the date of the issuance thereof and on the first Business Day of each calendar month on which such Letter of Credit is outstanding, in each case using the Exchange Rate in effect on the date of determination, and each such amount shall be the Dollar Amount of such Letter of Credit until the next required calculation thereof pursuant to this Section. The Administrative Agent shall in addition determine the Dollar Amount of any Letter of Credit denominated in an Alternative Currency as provided in Sections 2.06(e) and 2.06(l).

(ii) The Administrative Agent shall determine the Dollar Amount of any Borrowing denominated in an Alternative Currency on or about the date of the commencement of the initial Interest Period therefor and as of the date of the commencement of each subsequent Interest Period therefor, in each case using the Exchange Rate in effect on the date of determination, and each such amount shall, except as provided in the next sentence, be the Dollar Amount of such Borrowing until the next required calculation thereof pursuant to this Section.

(iii) The Administrative Agent may also determine the Dollar Amount of any Borrowing or Letters of Credit denominated in an Alternative Currency as of such other dates as the Administrative Agent shall determine, in each case using the Exchange Rate in effect on the date of determination, and each such amount shall be the Dollar Amount of such Borrowing or Letter of Credit until the next calculation thereof pursuant to this Section.

(iv) The Administrative Agent shall notify the Borrower, the applicable Lenders and the Issuing Bank of each determination of the Dollar Amount of each Letter of Credit, Borrowing and LC Disbursement.

ARTICLE II The Credits

SECTION 2.01 Revolving Commitments .

(a) Subject to the terms and conditions hereof, from time to time during the Revolving Commitment Period, each Revolving Lender severally agrees to make to the Borrower revolving credit loans denominated in Dollars or an Alternative Currency (“Revolving Loans”) in an aggregate principal amount that will not result at the time of such Borrowing in (A) the Dollar Amount of such Lender’s Outstanding Revolving Credit under the Revolving Commitments exceeding such Lender’s Revolving Commitment or (B) the Dollar Amount of Revolving Loans in Alternative Currencies exceeding the Alternative Currency Revolving Sublimit. During the Revolving Commitment Period the Borrower may use the Revolving Commitments by borrowing, prepaying the Revolving Loans in whole or in part, and reborrowing, all in accordance with the terms and conditions hereof. The Revolving Loans may from time to time be Eurocurrency Loans or, in the case of Revolving Loans in Dollars, ABR Loans, as determined by the Borrower and notified to the Administrative Agent in accordance with Sections 2.03 and 2.05.

(b) Each Revolving Loan under the Revolving Commitments shall be made as part of a Borrowing consisting of Revolving Loans made by the Revolving Lenders thereunder ratably in accordance with their respective Revolving Commitments. The failure of any Revolving Lender to make any Revolving Loan required to be made by it shall not relieve any other Revolving Lender of its

obligations hereunder; provided that the Revolving Commitments of the Revolving Lenders are several and no Revolving Lender shall be responsible for any other Revolving Lender's failure to make Revolving Loans as required.

(c) At the commencement of each Interest Period for any Eurocurrency Revolving Borrowing, such Borrowing shall be in an aggregate principal amount that is an integral multiple of \$1,000,000 and not less than \$5,000,000 (or comparable amounts determined by the Administrative Agent in the case of Alternative Currency). At the time that each ABR Revolving Borrowing is made, such Borrowing shall be in an aggregate amount that is an integral multiple of \$1,000,000 and not less than \$5,000,000; provided that an ABR Revolving Borrowing may be in an aggregate principal amount that is equal to the entire unused balance of the Total Revolving Commitments. Borrowings of more than one Type and Class may be outstanding at the same time; provided that there shall not at any time be more than a total of 15 Eurocurrency Revolving Borrowings outstanding.

SECTION 2.02 Incremental Revolving Commitments.

(a) The Borrower and one or more Lenders (including New Lenders reasonably acceptable to the Administrative Agent, the Issuing Bank and the Swingline Lender) may from time to time agree that such Lenders shall incur Incremental Revolving Commitments by executing and delivering to the Administrative Agent an Incremental Revolving Commitment Activation Notice specifying (i) the amount of the Incremental Revolving Commitments and (ii) the applicable Incremental Revolving Commitment Closing Date. Notwithstanding the foregoing, (1) (A) the aggregate principal amount of Incremental Revolving Commitments shall not exceed \$100,000,000, (B) no Incremental Revolving Commitments may be incurred if a Default would be in existence immediately before or after giving pro forma effect thereto and to any concurrent transactions and any substantially concurrent use of the proceeds thereof, and (C) after giving pro forma effect thereto and to any concurrent transactions, the Consolidated Leverage Ratio shall be less than or equal to the Consolidated Leverage Ratio then required to be maintained by the Borrower pursuant to Section 6.10, and (2) unless otherwise agreed by the Administrative Agent, (A) each increase effected pursuant to this paragraph shall be in a minimum amount of at least \$25,000,000 and (B) no more than four Incremental Revolving Commitment Activation Notices may be delivered by the Borrower after the Closing Date. No existing Lender shall have any obligation to incur any Incremental Revolving Commitments unless it agrees to do so in its sole discretion.

(b) Any Incremental Revolving Commitment shall be on the same terms, pursuant to the same documentation, and treated the same as the existing Revolving Facility and shall be considered to be part of the Revolving Facility.

(c) Any additional bank, financial institution or other Person that elects to become a new Lender under this Agreement in connection with any transaction described in Section 2.02(a) shall execute a New Lender Supplement (each, a "New Lender Supplement"), substantially in the form of Exhibit F-1, whereupon such bank, financial institution or other Person (a "New Lender") shall become a Lender for all purposes and to the same extent as if originally a party hereto and shall be bound by and entitled to the benefits of this Agreement and the other Loan Documents.

(d) Upon each increase in the establishment of any Incremental Revolving Commitments pursuant to this Section 2.02, each Lender immediately prior to such increase will automatically and without further act be deemed to have assigned to each Lender providing a portion of the Incremental Revolving Commitments (each an "Incremental Revolving Lender") in respect of such

increase, and each such Incremental Revolving Lender will automatically and without further act be deemed to have assumed, a portion of such Lender's participations hereunder in outstanding Letters of Credit and Swingline Loans such that, after giving effect to each such deemed assignment and assumption of participations, the percentage of the aggregate outstanding (i) participations hereunder in Letters of Credit and (ii) participations hereunder in Swingline Loans held by each Lender (including each such Incremental Revolving Lender) will equal such Lender's Revolving Commitment Percentage and if, on the date of such increase, there are any Revolving Loans outstanding, such Revolving Loans shall on or prior to the effectiveness of such Incremental Revolving Commitments either be prepaid from the proceeds of additional Revolving Loans made hereunder or assigned to an Incremental Revolving Lender (in each case, reflecting such Incremental Revolving Commitments, such that Revolving Loans are held ratably in accordance with each Lender's pro rata share, after giving effect to such increase), which prepayment or assignment shall be accompanied by accrued interest on the Revolving Loans being prepaid. The Administrative Agent and the Lenders hereby agree that the minimum borrowing, pro rata borrowing and pro rata payment requirements contained elsewhere in this Agreement shall not apply to the transactions effected pursuant to the immediately preceding sentence. If there is a new Revolving Borrowing on such Incremental Revolving Commitment Closing Date, the Revolving Lenders after giving effect to such Incremental Revolving Commitments shall make such Revolving Loans in accordance with Section 2.01.

SECTION 2.03 Procedure for Revolving Loan Borrowing.

(a) To request a Revolving Borrowing on any Business Day, the Borrower shall notify the Administrative Agent of such request (x) in the case of ABR Loans, by telephone (which notice must be received by the Administrative Agent prior to 11:00 a.m., New York City time on the requested Borrowing Date) or (y) in the case of Eurocurrency Loans, in writing (which notice must be received by the Administrative Agent prior to 11:00 a.m., London time not less than three Business Days prior to the requested Borrowing Date). Any telephonic borrowing request shall be irrevocable and shall be confirmed promptly in writing. Each such telephonic and written borrowing request shall specify the amount, currency and Type of Borrowing to be borrowed and the requested Borrowing Date. Upon receipt of such notice, the Administrative Agent shall promptly notify each relevant Revolving Lender thereof. For the avoidance of doubt, subject to Section 2.11, each Borrowing shall be comprised entirely of ABR Loans or Eurodollar Loans as the Borrower may request in accordance herewith and all Revolving Loans made in Alternative Currencies shall be Eurocurrency Loans.

(b) If no election as to the Type of Revolving Borrowing is specified for a Revolving Borrowing in Dollars, then the requested Revolving Borrowing shall be an ABR Borrowing. If no Interest Period is specified with respect to any requested Eurocurrency Revolving Borrowing, then the Borrower shall be deemed to have selected an Interest Period of one month's duration. If no currency is specified, the requested Borrowing shall be in Dollars. In making any determination of the Dollar Amount for purposes of calculating the amount of Revolving Loans to be borrowed from the respective Lenders on any date, the Administrative Agent shall use the relevant Exchange Rate in effect on the date on which the Borrower delivers a borrowing request for such Revolving Loans pursuant to the provisions of Section 2.03(a).

SECTION 2.04 Funding of Borrowings.

(a) Each Lender shall make each Loan to be made by it hereunder on the proposed date thereof by wire transfer of immediately available funds (x) in the case of any Loan denominated in Dollars, by 2:00 p.m. New York City time and (y) in the case of any Loan denominated in an Alternative

Currency, by 12:00 noon local time in the place of settlement for such Alternative Currency, in each case to the account of the Administrative Agent most recently designated by it for such purpose by notice to the Lenders; provided that Swingline Loans shall be made as provided in Section 2.19. The Administrative Agent will make such Loans available to the Borrower by promptly crediting the amounts so received, in like funds, to an account of the Borrower maintained with the Administrative Agent in New York City or to any other account as shall have been designated by the Borrower in writing to the Administrative Agent in the applicable borrowing request. Each Lender at its option may make any Eurocurrency Loan by causing any domestic or foreign branch or Affiliate of such Lender to make such Loan; provided that any exercise of such option shall not affect the obligation of the Borrower to repay such Loan in accordance with the terms.

(b) Unless the Administrative Agent shall have received notice from a Lender prior to the proposed time of any Borrowing that such Lender will not make available to the Administrative Agent such Lender's share of such Borrowing, the Administrative Agent may assume that such Lender has made such share available on such date in accordance with paragraph (a) of this Section and may, in reliance upon such assumption, make available to the Borrower a corresponding amount. In such event, if a Lender has not in fact made its share of the applicable Borrowing available to the Administrative Agent, then the applicable Lender and the Borrower severally agree to pay to the Administrative Agent forthwith on demand such corresponding amount with interest thereon, for each day from and including the date such amount is made available to the Borrower to but excluding the date of payment to the Administrative Agent, at (i) in the case of such Lender, a rate determined by the Administrative Agent in accordance with banking industry rules on interbank compensation in the relevant currency or (ii) in the case of the Borrower, the interest rate applicable to such Loans in the case of a Loan in Dollars or the applicable LIBO Rate in the case of a Loan in an Alternative Currency. If such Lender pays such amount to the Administrative Agent, then such amount shall constitute such Lender's Loan included in such Borrowing.

(c) The obligations of the Lenders hereunder to make Loans, to fund participations in Letters of Credit and Swing Line Loans and to make payments pursuant to Sections 8.09 and 9.04(c) are several and not joint. The failure of any Lender to make any Loan or to fund any such participation or to make any payment under Sections 8.09 or 9.04(c) on any date required hereunder shall not relieve any other Lender of its corresponding obligation to do so on such date, and, other than pursuant to Section 2.18, no Lender shall be responsible for the failure of any other Lender to so make its Loan or, to fund its participation or to make its payment under Sections 8.09 or 9.04(c).

SECTION 2.05 Interest Elections .

(a) Each Borrowing denominated in Dollars initially shall be of the Type specified in the applicable borrowing request, and each Eurocurrency Borrowing in Dollars or an Alternative Currency shall have an initial Interest Period as specified in such borrowing request. Thereafter, the Borrower may elect to convert any Borrowing denominated in Dollars to a different Type or to continue such Borrowing as the same Type and may elect successive Interest Periods for any Eurocurrency Borrowing in Dollars or an Alternative Currency, all as provided in this Section. The Borrower may elect different Types or Interest Periods, as applicable, with respect to different portions of the affected Borrowing, in which case each such portion shall be allocated ratably among the relevant Lenders holding the Loans comprising the relevant portion of such Borrowing, and the Loans comprising each such portion shall be considered a separate Borrowing.

(b) To make an election pursuant to this Section, the Borrower shall notify the Administrative Agent of such election by telephone by the time that a request for a Revolving Borrowing

would be required under Section 2.03, if the Borrower were requesting a Borrowing of the Type resulting from such election to be made on the effective date of such election. Each such telephonic Interest Election Request shall be irrevocable and shall be confirmed promptly in writing.

(c) Each telephonic and written Interest Election Request shall specify (i) the Borrowing to which such Interest Election Request applies and, if different options are being elected with respect to different portions thereof, the portions thereof to be allocated to each resulting Borrowing (in which case the information to be specified pursuant to clauses (iii) and (iv) below shall be specified for each resulting Borrowing), (ii) the effective date of the election made pursuant to such Interest Election Request, which shall be a Business Day, (iii) in the case of a Borrowing denominated in Dollars, whether the resulting Borrowing is to be an ABR Borrowing or a Eurocurrency Borrowing, and (iv) if the resulting Borrowing is a Eurocurrency Borrowing, the Interest Period to be applicable thereto after giving effect to such election, which shall be a period contemplated by the definition of the term "Interest Period". If any such Interest Election Request requests a Eurocurrency Borrowing but does not specify an Interest Period, then the Borrower shall be deemed to have selected an Interest Period of one month's duration.

(d) Promptly following receipt of an Interest Election Request, the Administrative Agent shall advise each relevant Lender of the details thereof and of such Lender's portion of each resulting Borrowing.

(e) If the Borrower fails to deliver a timely Interest Election Request with respect to a Eurocurrency Borrowing prior to the end of the Interest Period applicable thereto, then, unless such Borrowing is repaid as provided herein, at the end of such Interest Period such Borrowing shall be continued as such for an Interest Period of one month. Notwithstanding any contrary provision hereof, if an Event of Default has occurred and is continuing and the Administrative Agent, at the request of the Required Lenders, so notifies the Borrower, then, so long as an Event of Default is continuing (i) no outstanding Borrowing in Dollars may be converted to or continued as a Eurocurrency Borrowing and (ii) unless repaid, each Eurocurrency Borrowing denominated in Dollars shall be converted to an ABR Borrowing at the end of the Interest Period applicable thereto and (iii) each Eurocurrency Borrowing in an Alternative Currency shall be continued as such for an Interest Period of not more than one month.

SECTION 2.06 Termination and Reduction of Commitments. The Borrower shall have the right, upon not less than three Business Days' notice to the Administrative Agent, to terminate the Revolving Commitments or, from time to time, to reduce the amount of the Revolving Commitments; provided that no such termination or reduction of Revolving Commitments shall be permitted if, after giving effect thereto and to any prepayments of the Revolving Loans made on the effective date thereof, the Outstanding Revolving Credits would exceed the Total Revolving Commitments. Any such reduction shall be in an amount equal to an integral multiple of \$1,000,000 and not less than \$5,000,000 and shall reduce permanently the Revolving Commitments then in effect.

SECTION 2.07 Repayment of Loans; Evidence of Debt.

(a) Any Lender may request that Loans made by it be evidenced by a promissory note. In such event, the Borrower shall prepare, execute and deliver to such Lender a promissory note payable to the order of such Lender (or, if requested by such Lender, to such Lender and its registered assigns) and in a form approved by the Administrative Agent. Thereafter, the Loans evidenced by such promissory note and interest thereon shall at all times (including after assignment pursuant to Section 9.05) be represented by one or more promissory notes in such form payable to the order of the payee named therein (or, if such promissory note is a registered note, to such payee and its registered assigns).

(b) The Borrower unconditionally promises to pay (i) the then unpaid principal amount of each Revolving Loan on the Revolving Termination Date and (ii) to the Swingline Lender the then unpaid principal amount of each Swingline Loan on the earlier of the Revolving Termination Date and the first date after such Swingline Loan is made that is the 15th or last day of a calendar month and is at least two Business Days after such Swingline Loan is made; provided that on each date that a Revolving Borrowing is made, the Borrower shall repay all Swingline Loans then outstanding

(c) Each Lender shall maintain in accordance with its usual practice an account or accounts evidencing the indebtedness of the Borrower to such Lender resulting from each Loan made by such Lender, including the amounts of principal and interest payable and paid to such Lender from time to time hereunder.

(d) The Administrative Agent shall maintain accounts in which it shall record (i) the amount of each Loan made hereunder, the currency and Type thereof and the Interest Period applicable thereto, (ii) the amount of any principal or interest due and payable or to become due and payable from the Borrower to each Lender hereunder and (iii) the amount of any sum received by the Administrative Agent hereunder for the account of the relevant Lenders and each relevant Lender's share thereof.

(e) The entries made in the accounts maintained pursuant to paragraph (c) or (d) of this Section shall be conclusive absent manifest error of the existence and amounts of the obligations recorded therein; provided that the failure of any Lender or the Administrative Agent to maintain such accounts or any error therein shall not in any manner affect the obligation of the Borrower to repay the Loans in accordance with the terms of this Agreement.

SECTION 2.08 Prepayments.

(a) The Borrower may at any time and from time to time prepay Loans, in whole or in part, without premium or penalty, upon irrevocable notice delivered to the Administrative Agent (and in the case of a Swingline Loan, the Swingline Lender) no later than 12:00 noon, New York City time (or in the case of an Alternative Currency, 11:00 a.m., London time), not less than three Business Days prior thereto, in the case of Eurocurrency Loans, no later than 12:00 noon, New York City time, on the date of such notice, in the case of ABR Loans and Swingline Loans, which notice shall specify the date and amount of prepayment and the Loans to be prepaid; provided that, if a Eurocurrency Loan is prepaid on any day other than the last day of the Interest Period applicable thereto, the Borrower shall also pay any amounts owing pursuant to Section 2.13. Upon receipt of any such notice the Administrative Agent shall promptly notify each relevant Lender thereof. If any such notice is given, the amount specified in such notice shall be due and payable on the date specified therein, together with (except in the case of Revolving Loans that are ABR Loans) accrued interest to such date on the amount prepaid. Partial prepayments of Revolving Loans shall be in an aggregate principal amount that is an integral multiple of \$1,000,000 and not less than \$5,000,000 (or comparable amounts determined by the Administrative Agent in the case of Alternative Currency) and partial prepayments of Swingline Loans shall be in an aggregate principal amount that is an integral multiple of \$100,000 and not less than \$500,000.

(b) If at any time for any reason the sum of the Dollar Amount of Outstanding Revolving Credit exceeds the Total Revolving Commitments, the Borrower shall upon learning thereof, or upon the request of the Administrative Agent, immediately prepay the Revolving Loans in an aggregate principal amount at least equal to the amount of such excess; provided that solely with respect to any excess resulting from currency exchange rate fluctuations, this Section 2.08(b) shall not apply unless, on

the last day of any fiscal quarter of the Borrower, the Dollar Amount of Outstanding Revolving Credit exceeds the Total Revolving Commitments by more than 2.5% as a result of such fluctuations.

SECTION 2.09 Fees.

(a) The Borrower agrees to pay to the Administrative Agent for the account of each Revolving Lender a commitment fee in Dollars for the period from and including the Closing Date to the last day of the Revolving Commitment Period, computed at the applicable Commitment Fee Rate on the average daily Dollar Amount of the Available Revolving Commitment of such Lender (disregarding any Swingline Exposure of such Lender prior to the acquisition by such Lender of a participation therein pursuant to Section 2.19(c)) during the period for which payment is made, payable quarterly in arrears on each Revolving Fee Payment Date, commencing on the first such date to occur after the Closing Date.

(b) The Borrower agrees to pay (i) to the Administrative Agent for the account of each Revolving Lender a participation fee with respect to its participations in Letters of Credit, which shall accrue at the same Applicable Rate used to determine the interest rate applicable to Eurocurrency Loans on the average daily Dollar Amount of such Revolving Lender's LC Exposure (excluding any portion thereof attributable to unreimbursed LC Disbursements) during the period from and including the Closing Date to but excluding the later of the date on which such Revolving Lender's Revolving Commitment terminates and the date on which such Revolving Lender ceases to have any LC Exposure, and (ii) to the Issuing Bank a fronting fee, which shall accrue at the rate of 0.125 % per annum on the average daily Dollar Amount of the LC Exposure of the Letters of Credit issued by it (excluding any portion thereof attributable to unreimbursed LC Disbursements) during the period from and including the Closing Date to but excluding the later of the date of termination of the Revolving Commitments and the date on which there ceases to be any such LC Exposure, as well as the fees agreed by the Issuing Bank and the Borrower with respect to the issuance, amendment, renewal or extension of any Letter of Credit or processing of drawings thereunder. Participation fees and fronting fees will be payable in Dollars quarterly in arrears on each Revolving Fee Payment Date, commencing on the first such date to occur after the Closing Date; provided that any such fees accruing after the date on which the Revolving Commitments terminate shall be payable on demand. Any other fees payable to the Issuing Bank pursuant to this paragraph shall be payable within 10 days after demand. All participation fees and fronting fees shall be computed on the basis of a year of 365/366 days and shall be payable for the actual number of days elapsed (including the first day but excluding the last day).

(c) The Borrower agrees to pay to the Administrative Agent the fees in the amounts and on the dates as set forth in any fee agreements with the Administrative Agent and to perform any other obligations contained therein.

(d) All fees payable hereunder shall be paid on the dates due, in immediately available funds, to the Administrative Agent for distribution, in the case of commitment fees, to the Revolving Lenders. Fees paid shall not be refundable under any circumstances. All per annum fees shall be computed on the basis of a year of 365/366 days for actual days elapsed; provided that commitment fees shall be computed on the basis of a year of 360 days.

SECTION 2.10 Interest.

(a) The Loans comprising each ABR Borrowing (including each Swingline Loan) shall bear interest at the Alternate Base Rate plus the Applicable Rate.

(b) The Loans comprising each Eurocurrency Borrowing in any currency shall bear interest at the LIBO Rate for such currency for the Interest Period in effect for such Borrowing plus the Applicable Rate.

(c) Notwithstanding the foregoing, if any principal of or interest on any Loan or any fee or other amount payable by the Borrower hereunder is not paid when due, whether at stated maturity, upon acceleration or otherwise, such overdue amount shall bear interest, after as well as before judgment, at a rate per annum equal to (i) in the case of overdue principal of any Loan, 2% plus the rate otherwise applicable to such Loan as provided in the preceding paragraphs of this Section or (ii) in the case of any other amount, 2% plus the rate applicable to ABR Loans as provided in paragraph (a) of this Section (in the case of such other amount in Dollars) or 2% plus the daily weighted average rate of all Loans in the relevant Alternative Currency (in the case of any such other amount in such Alternative Currency).

(d) Accrued interest on each Loan shall be payable in arrears on each Interest Payment Date for such Loan and, in addition, in the case of Revolving Loans, upon termination of the Revolving Commitments; provided that (i) interest accrued pursuant to paragraph (c) of this Section shall be payable on demand, (ii) in the event of any repayment or prepayment of any Loan (other than a prepayment of an ABR Loan prior to the end of the Revolving Commitment Period), accrued interest on the principal amount repaid or prepaid shall be payable on the date of such repayment or prepayment and (iii) in the event of any conversion of any Eurocurrency Loan prior to the end of the current Interest Period therefor, accrued interest on such Loan shall be payable on the effective date of such conversion.

(e) All interest hereunder shall be computed on the basis of a year of 360 days, except that interest computed by reference to the Alternate Base Rate at times when the Alternate Base Rate is based on the Prime Rate and Eurocurrency Loans in Sterling shall be computed on the basis of a year of 365 days (or 366 days in a leap year), and in each case shall be payable for the actual number of days elapsed (including the first day but excluding the last day). The applicable Alternate Base Rate or LIBO Rate shall be determined by the Administrative Agent, and such determination shall be conclusive absent manifest error.

SECTION 2.11 Alternate Rate of Interest. If prior to the commencement of any Interest Period for a Eurocurrency Borrowing:

(a) the Administrative Agent determines (which determination shall be conclusive absent manifest error) that adequate and reasonable means do not exist for ascertaining the LIBO Rate for such Interest Period; or

(b) the Administrative Agent is advised by the Required Lenders that the LIBO Rate for such Interest Period will not adequately and fairly reflect the cost to such Lenders of making or maintaining their Eurocurrency Loans included in such Borrowing for such Interest Period;

then the Administrative Agent shall give notice thereof to the Borrower and the Lenders by telephone or telecopy as promptly as practicable thereafter and, until the Administrative Agent notifies the Borrower and the Lenders that the circumstances giving rise to such notice no longer exist, (i) any Interest Election Request that requests the conversion of any Borrowing in Dollars to, or continuation of any Borrowing in Dollars as, a Eurocurrency Borrowing shall be ineffective and the Loans shall be converted to an ABR Borrowing and (ii) if any borrowing request requests a Eurocurrency Borrowing, such Borrowing, if denominated in Dollars, shall be made as an ABR Borrowing, and if such borrowing request requests a Borrowing denominated in an Alternative Currency or if any Interest Election Request requests the continuation of a Eurocurrency Borrowing in an Alternative Currency, such Borrowing or continuation

shall be made or continued as a Borrowing bearing interest at an interest rate reasonably determined by the Administrative Agent, after consultation with the Borrower and the applicable Lenders, to compensate the applicable Lenders for such Borrowing in such currency for the applicable period plus the Applicable Rate; provided that if the circumstances giving rise to such notice affect only Borrowings in one currency, then Borrowings in other currencies will not be affected by the provisions of this Section.

SECTION 2.12 Increased Costs.

(a) If any Change in Law shall:

(i) impose, modify or deem applicable any reserve, special deposit, compulsory loan, insurance charge or similar requirement against assets of, deposits with or for the account of, or credit extended by, any Lender (including any reserve for eurocurrency funding that may be established or reestablished under Regulation D of the Board);

(ii) impose on any Lender any Taxes other than (A) Indemnified Taxes or Other Tax Indemnified under Section 2.14 or (B) Excluded Taxes; or

(iii) impose on any Lender or the London interbank market any other condition affecting this Agreement or Eurocurrency Loans made by such Lender;

and the result of any of the foregoing shall be to increase the cost to such Lender of making, continuing, converting into or maintaining any Eurocurrency Loan (or of maintaining its obligation to make any such Loan) or to increase the cost to such Lender or Issuing Bank of participating in, issuing or maintaining any Letter of Credit or to reduce the amount of any sum received or receivable by such Lender hereunder (whether of principal, interest or otherwise), then the Borrower will pay to such Lender such additional amount or amounts as will compensate such Lender for such additional costs incurred or reduction suffered.

(b) If any Lender determines that any Change in Law regarding capital or liquidity requirements has or would have the effect of reducing the rate of return on such Lender's capital or on the capital of such Lender's holding company, if any, as a consequence of this Agreement or the Loans made by such Lender to a level below that which such Lender or such Lender's holding company could have achieved but for such Change in Law (taking into consideration such Lender's policies and the policies of such Lender's holding company with respect to capital adequacy), then from time to time the Borrower will pay to such Lender such additional amount or amounts as will compensate such Lender or such Lender's holding company for any such reduction suffered.

(c) A certificate of a Lender setting forth the amount or amounts necessary to compensate such Lender or its holding company, as the case may be, as specified in paragraph (a) or (b) of this Section shall be delivered to the Borrower and shall be conclusive absent manifest error. The Borrower shall pay such Lender the amount shown as due on any such certificate within 10 days after receipt thereof.

(d) Failure or delay on the part of any Lender to demand compensation pursuant to this Section shall not constitute a waiver of such Lender's right to demand such compensation; provided that the Borrower shall not be required to compensate a Lender pursuant to this Section for any increased costs or reductions incurred more than 180 days prior to the date that such Lender notifies the Borrower of the Change in Law giving rise to such increased costs or reductions and of such Lender's intention to claim compensation therefor; provided further that, if the Change in Law giving rise to such increased

costs or reductions is retroactive, then the 180-day period referred to above shall be extended to include the period of retroactive effect thereof.

SECTION 2.13 Break Funding Payments. In the event of (a) the payment of any principal of any Eurocurrency Loan other than on the last day of an Interest Period applicable thereto (including as a result of an Event of Default), (b) the conversion of any Eurocurrency Loan other than on the last day of the Interest Period applicable thereto, (c) the failure to borrow, convert, continue or prepay any Eurocurrency Loan on the date specified in any notice delivered pursuant hereto or (d) the assignment of any Eurocurrency Loan other than on the last day of the Interest Period applicable thereto as a result of a request by the Borrower pursuant to Section 2.16, then, in any such event, the Borrower shall compensate each Lender for the loss, cost and expense attributable to such event. In the case of a Eurocurrency Loan, such loss, cost or expense to any Lender shall be deemed to be an amount determined by such Lender to be the excess, if any, of (i) the amount of interest which would have accrued on the principal amount of such Loan had such event not occurred, at the LIBO Rate that would have been applicable to such Loan, for the period from the date of such event to the last day of the then current Interest Period therefor (or, in the case of a failure to borrow, convert or continue, for the period that would have been the Interest Period for such Loan), over (ii) the amount of interest which would accrue on such principal amount for such period at the interest rate which such Lender would bid were it to bid, at the commencement of such period, for deposits in the relevant currency of a comparable amount and period from other banks in the eurocurrency market (but not less than the available LIBO rate quoted for the LIBO interest period equal to the period from the date of such event to the last day of the then current Interest Period, or if there is no such LIBO interest period, the lower of the LIBO rates quoted for the closest LIBO interest periods that are longer and shorter than such period). A certificate of any Lender setting forth any amount or amounts that such Lender is entitled to receive pursuant to this Section shall be delivered to the Borrower and shall be conclusive absent manifest error. The Borrower shall pay such Lender the amount shown as due on any such certificate within 10 days after receipt thereof.

SECTION 2.14 Taxes.

(a) Any and all payments by or on account of any obligation of any Loan Party hereunder or under any other Loan Document shall be made free and clear of and without deduction for any Taxes unless required by applicable law; provided that if any applicable withholding agent shall be required by applicable law to deduct any Indemnified Taxes or Other Taxes from such payments, then (i) the sum payable shall be increased by the applicable Loan Party as necessary so that after all required deductions (including deductions applicable to additional sums payable under this Section) have been made the Administrative Agent or Lender (as the case may be) receives an amount equal to the sum it would have received had no such deductions been made, (ii) the applicable withholding agent shall make such deductions and (iii) the applicable withholding agent shall pay the full amount deducted to the relevant Governmental Authority in accordance with applicable law.

(b) In addition, without duplication of any obligation set forth in subsection (a), the Borrower shall pay any Other Taxes to the relevant Governmental Authority in accordance with applicable law.

(c) Without duplication of any obligation set forth in subsection (a), the Loan Parties shall indemnify the Administrative Agent and each Lender, within 10 days after written demand therefor, for the full amount of any Indemnified Taxes paid by the Administrative Agent or such Lender, as the case may be, on or with respect to any payment by or on account of any obligation of the Loan Party hereunder or under any other Loan Document or Other Taxes (including Indemnified Taxes or Other Taxes imposed

on asserted on or attributable to amounts payable under this Section 2.14) and any reasonable expenses arising therefrom or with respect thereto, whether or not such Indemnified Taxes or Other Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate as to the amount of such payment or liability delivered to the Borrower by a Lender, or by the Administrative Agent on its own behalf or on behalf of a Lender, shall be conclusive absent manifest error. The Borrower shall be entitled to contest with the relevant Governmental Authority, pursuant to applicable law and at its own expense, any Indemnified Taxes or Other Taxes that it is ultimately obligated to pay, and the Administrative Agent or Lender shall reasonably cooperate with any such contest so long as such cooperation would not, in the sole reasonable determination of the Administrative Agent or Lender, result in any additional unreimbursed costs or expenses or be otherwise disadvantageous to the Administrative Agent or such Lender. This Section shall not be construed to require the Administrative Agent or Lender to make available its tax returns (or any other information relating to its taxes which it deems confidential) to the Borrower or any other Person.

(d) As soon as practicable after any payment of Indemnified Taxes or Other Taxes by the Borrower to a Governmental Authority, the Borrower shall deliver to the Administrative Agent a copy, or if reasonably available to the Borrower a certified copy, of a receipt issued by such Governmental Authority evidencing such payment, a copy of the return reporting such payment or other evidence of such payment reasonably satisfactory to the Administrative Agent.

(e) (i) Any Foreign Lender that is entitled to an exemption from or reduction of withholding tax with respect to any payments made under any Loan Document shall deliver to the Borrower and the Administrative Agent, at the time or times reasonably requested by the Borrower or the Administrative Agent, such properly completed and executed documentation reasonably requested by the Borrower or the Administrative Agent as will permit such payments to be made without withholding or at a reduced rate of withholding.

(ii) Without limiting the generality of the foregoing,

(A) any Lender that is a United States person within the meaning of Section 7701(a)(30) of the Code shall deliver to the Borrower and the Administrative Agent on or prior to the date on which such Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of the Borrower or the Administrative Agent), properly executed originals of IRS Form W-9 certifying that such Lender is exempt from U.S. federal backup withholding tax;

(B) any Lender that is not described in clause (1) above (a "Non-U.S. Lender") shall, to the extent it is legally eligible to do so, deliver to the Borrower and the Administrative Agent (in such number of copies as shall be requested by the recipient) on or prior to the date on which such Foreign Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of the Borrower or the Administrative Agent), whichever of the following is applicable to establish such Non-U.S. Lender's entitlement to a reduced rate of, or exemption from, withholding:

(1) properly executed originals of IRS Form W-8BEN establishing an exemption from, or reduction of, U.S. federal withholding Tax pursuant to an income tax treaty to which the United States is a party;

(2) properly executed originals of IRS Form W-8ECI;

(3) (x) executed originals of a certificate substantially in the form of Exhibit G-1 to the effect that such Non-U.S. Lender is not (A) a “bank” within the meaning of Section 881(c)(3)(A) of the Code, (B) a “10 percent shareholder” of the Borrower within the meaning of Section 881(c)(3)(B) of the Code, or (C) a “controlled foreign corporation” described in Section 881(c)(3)(C) of the Code, and that no payments to be received by such Lender will be effectively connected income (a “**U.S. Tax Compliance Certificate**”) and (y) properly executed originals of IRS Form W-8BEN; or

(4) properly executed originals of IRS Form W-8IMY, accompanied by properly executed IRS Form W-8ECI, IRS Form W-8BEN, a U.S. Tax Compliance Certificate substantially in the form of Exhibit G-2 or Exhibit G-3, IRS Form W-9, and/or other certification documents from each beneficial owner, as applicable; provided that if the Non-U.S. Lender is a partnership (and not a participating Lender), and one or more direct or indirect partners of such Non-U.S. Lender are claiming the portfolio interest exemption, such Non-U.S. Lender may provide a U.S. Tax Compliance Certificate substantially in the form of Exhibit G-4 on behalf of each such direct and indirect partner; and

(5) any Non-U.S. Lender shall, to the extent it is legally eligible to do so, deliver to the Borrower and the Administrative Agent (in such number of copies as shall be requested by the recipient) on or prior to the date on which such Non-U.S. Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of the Borrower or the Administrative Agent), executed originals of any other form prescribed by applicable law as a basis for claiming exemption from or a reduction in U.S. federal withholding tax, duly completed, together with such supplementary documentation as may be prescribed by applicable law to permit the Borrower or the Administrative Agent to determine the withholding or deduction required to be made.

(iii) If a payment made to a Lender under this Agreement or the other Loan Documents would be subject to U.S. Federal withholding Tax imposed by FATCA if such Lender were to fail to comply with the applicable reporting requirements of FATCA (including those contained in Section 1471(b) or 1472(b) of the Code, as applicable), such Lender shall deliver to the Borrower or Administrative Agent, at the time or times prescribed by law and at such time or times reasonably requested by the Borrower or the Administrative Agent, such documentation prescribed by applicable law (including as prescribed by Section 1471(b)(3)(C)(i) of the Code) and such additional documentation reasonably requested by the Borrower or the Administrative Agent as may be necessary for the Borrower or the Administrative Agent to comply with its obligations under FATCA, to determine whether such Lender has or has not complied with such Lender's obligations under FATCA and, as necessary, to determine the amount, if any, to deduct and withhold from such payment. Solely for purposes of this Section 2.12(d)(iii), "FATCA" shall include any amendments made to FATCA after the date of this Agreement.

(iv) Each Lender agrees that if any form or certification it previously delivered expires or becomes obsolete or inaccurate in any respect, it shall update such form or certification or promptly notify the Borrower and the Administrative Agent in writing of its legal inability to do so.

(f) If the Administrative Agent or a Lender determines, in its reasonable discretion, that it has received a refund of any Taxes or Other Taxes as to which it has been indemnified by a Loan

Party or with respect to which the Loan Party has paid additional amounts pursuant to this Section 2.14, it shall pay over such refund to the Loan Party (but only to the extent of indemnity payments made, or additional amounts paid, by the Loan Party under this Section 2.14 with respect to the Taxes or Other Taxes giving rise to such refund), net of all reasonable out-of-pocket expenses (including any Taxes) of the Administrative Agent or such Lender and without interest (other than any interest paid by the relevant Governmental Authority with respect to such refund); provided that the Loan Party agrees to repay the amount paid over to the Loan Party (plus any penalties, interest or other charges imposed by the relevant Governmental Authority) to the Administrative Agent or such Lender in the event the Administrative Agent or such Lender is required to repay such refund to such Governmental Authority. This Section shall not be construed to require the Administrative Agent or any Lender to make available its tax returns (or any other information relating to its taxes which it deems confidential) to the Borrower or any other Person.

SECTION 2.15 Pro Rata Treatment and Payments .

(a) Each borrowing of Revolving Loans by the Borrower from the Revolving Lenders and any reduction of the Revolving Commitments of the Revolving Lenders shall be made pro rata according to the respective Revolving Commitments then held by the Revolving Lenders. Each payment by the Borrower on account of any commitment fee or any letter of credit fee shall be paid ratably to the Revolving Lenders entitled thereto.

(b) Each prepayment by the Borrower on account of principal of the Revolving Loans shall be made pro rata according to the respective outstanding principal amounts of the Revolving Loans then held by the Revolving Lenders. All repayments of principal of the Revolving Loans at stated maturity or upon acceleration shall be allocated pro rata according to the respective outstanding principal amounts of the matured or accelerated Revolving Loans then held by the relevant Revolving Lenders. All payments of interest in respect of the Revolving Loans shall be allocated pro rata according to the outstanding interest payable then owed to the relevant Revolving Lenders. Notwithstanding the foregoing, (A) any amount payable to a Defaulting Lender under this Agreement (whether on account of principal, interest, fees or otherwise but excluding any amount that would otherwise be payable to such Defaulting Lender pursuant to Section 2.16 and Section 9.05) shall, in lieu of being distributed to such Defaulting Lender, be retained by the Administrative Agent in a segregated interest-bearing account and, subject to any applicable Requirements of Law, be applied at such time or times as may be determined by the Administrative Agent: (1) first, to the payment of any amounts owing by such Defaulting Lender to the Administrative Agent and the Issuing Bank hereunder (including amounts owed under Section 2.09(b) or 9.04(c)), (2) second, to the funding of any Revolving Loan or LC Disbursement required by this Agreement, as determined by the Administrative Agent, (3) third, if so determined by the Administrative Agent and Borrower, held in such account as cash collateral for future funding obligations of the Defaulting Lender under this Agreement, (4) fourth, pro rata, to the payment of any amounts owing to the Borrower or the Lenders as a result of such Defaulting Lender's breach of its obligations under this Agreement and (5) fifth, to such Defaulting Lender or as otherwise directed by a court of competent jurisdiction, and (B) if such payment is a prepayment of the principal amount of Revolving Loans, such payment shall be applied solely to prepay the Revolving Loans of all Non-Defaulting Lenders pro rata (based on the amounts owing to each) prior to being applied to the prepayment of any Revolving Loan of any Defaulting Lender.

(c) All payments (including prepayments) to be made by the Borrower hereunder, whether on account of principal, interest, fees or otherwise, shall be made without setoff or counterclaim and shall be made prior to 2:00 p.m., New York City time (or as specified in the next sentence in the case

of Loans in an Alternative Currency), on the date when due. Except as otherwise expressly provided herein, all payments by the Borrower hereunder with respect to principal and interest on Loans in an Alternative Currency shall be made on the dates specified herein for the pro rata account of the relevant Lenders to which such payment is owed, in such Alternative Currency and in immediately available funds not later than the Applicable Time specified by the Administrative Agent to the Borrower by the same time at least one Business Day prior to the date when due. All payments received by the Administrative Agent (i) after 2:00 p.m., New York City time, in the case of payments in Dollars, or (ii) after the Applicable Time specified by the Administrative Agent in the case of payments in an Alternative Currency, may, in the discretion of the Administrative Agent, be deemed to have been received on the next succeeding Business Day for purposes of calculating interest and fees thereon. All such payments shall be made to the Administrative Agent at its offices at 500 Stanton Christiana Road, Ops Building 2, 3rd Floor, Newark, Delaware except that payments pursuant to Sections 2.12, 2.13, 2.14 and 9.04 shall be made directly to the Persons entitled thereto. The Administrative Agent shall distribute such payments to the relevant Lenders promptly upon receipt in like funds as received. If any payment hereunder becomes due and payable on a day other than a Business Day, such payment shall be extended to the next succeeding Business Day. In the case of any extension of any payment of principal, interest thereon shall be payable at the then applicable rate during such extension.

(d) If at any time insufficient funds are received by and available to the Administrative Agent to pay fully all amounts of principal, interest and fees then due hereunder, such funds shall be applied (subject to the rights of the Administrative Agent to hold and apply amounts to be paid to a Defaulting Lender in accordance with Section 2.15(b)) (i) first, towards payment of interest and fees then due hereunder, ratably among the parties entitled thereto in accordance with the amounts of interest and fees then due to such parties, and (ii) second, towards payment of principal then due hereunder, ratably among the parties entitled thereto in accordance with the amounts of principal then due to such parties. To the extent necessary, the Administrative Agent shall enter into foreign currency exchange transactions on customary terms to effect any such ratable payment and the payments made by the Administrative Agent following such transactions shall be deemed to be payments made by or on behalf of the Borrower hereunder.

(e) If any Lender shall, by exercising any right of set-off or counterclaim or otherwise, obtain payment in respect of any principal of or interest on any of its Loans or participations in LC Disbursements or Swingline Loans resulting in such Lender receiving payment of a greater proportion of the aggregate principal amount of its Loans and participations in LC Disbursements and Swingline Loans and accrued interest thereon than the proportion received by any other Lender, then the Lender receiving such greater proportion shall purchase (for cash at face value) participations in the Loans and participations in LC Disbursements and Swingline Loans of other Lenders to the extent necessary so that the benefit of all such payments shall be shared by the Lenders ratably in accordance with the aggregate amount of principal of and accrued interest on their respective Loans and participations in LC Disbursements and Swingline Loans; provided that (i) if any such participations are purchased and all or any portion of the payment giving rise thereto is recovered, such participations shall be rescinded and the purchase price restored to the extent of such recovery, without interest, and (ii) the provisions of this paragraph shall not be construed to apply to any payment made by the Borrower or any other Loan Party pursuant to and in accordance with the express terms of this Agreement and the other Loan Documents or any payment obtained by a Lender as consideration for the assignment of or sale of a participation in any of its Loans to any assignee or participant.

SECTION 2.16 Mitigation Obligations; Replacement of Lenders.

(a) If any Lender requests compensation under Section 2.12, or if the Borrower is required to pay any additional amount to any Lender or any Governmental Authority for the account of any Lender pursuant to Section 2.14, then such Lender shall use reasonable efforts to designate a different lending office for funding or booking its Loans hereunder or to assign its rights and obligations hereunder to another of its offices, branches or affiliates, if, in the judgment of such Lender, such designation or assignment (i) would eliminate or reduce amounts payable pursuant to Section 2.12 or 2.14, as the case may be, in the future and (ii) would not subject such Lender to any unreimbursed cost or expense and would not otherwise be disadvantageous to such Lender. The Borrower hereby agrees to pay all reasonable costs and expenses incurred by any Lender in connection with any such designation or assignment.

(b) If any Lender requests compensation under Section 2.12, or if the Borrower is required to pay any additional amount to any Lender or any Governmental Authority for the account of any Lender pursuant to Section 2.14, or if any Lender is a Defaulting Lender, then the Borrower may, at its sole expense and effort, upon notice to such Lender and the Administrative Agent, require such Lender to assign and delegate, without recourse (in accordance with and subject to the restrictions contained in Section 9.05), all its interests, rights and obligations under this Agreement to an assignee that shall assume such obligations (which assignee may be another Lender, if a Lender accepts such assignment); provided that (i) the Borrower shall have received the prior written consent of the Administrative Agent (and if a Revolving Commitment is being assigned, the Issuing Bank), which consent shall not unreasonably be withheld, (ii) such Lender shall have received payment of an amount equal to the outstanding principal of its Loans and participations in unreimbursed LC Disbursements and Swingline Loans, accrued interest thereon, accrued fees and all other amounts payable to it hereunder, from the assignee (to the extent of such outstanding principal and accrued interest and fees) or the Borrower (in the case of all other amounts) and (iii) in the case of any such assignment resulting from a claim for compensation under Section 2.12 or payments required to be made pursuant to Section 2.14, such assignment will result in a reduction in such compensation or payments. A Lender shall not be required to make any such assignment and delegation if, prior thereto, as a result of a waiver by such Lender or otherwise, the circumstances entitling the Borrower to require such assignment and delegation cease to apply.

(c) If any Lender (such Lender, a “Non-Consenting Lender”) has failed to consent to a proposed amendment, waiver, discharge or termination which pursuant to the terms of Section 9.02 requires the consent of all of the Lenders affected and with respect to which the Required Lenders shall have granted their consent, then the Borrower shall have the right (unless such Non-Consenting Lender grants such consent) to replace such Non-Consenting Lender by requiring such Non-Consenting Lender to assign its Loans, and its Revolving Commitments hereunder to one or more assignees reasonably acceptable to the Administrative Agent, provided that: (a) all amounts owing to such Non-Consenting Lender being replaced (other than principal and interest) shall be paid in full to such Non-Consenting Lender concurrently with such assignment, and (b) the replacement Lender shall purchase the foregoing by paying to such Non-Consenting Lender a price equal to the principal amount thereof plus accrued and unpaid interest thereon. In connection with any such assignment the Borrower, Administrative Agent, such Non-Consenting Lender and the replacement Lender shall otherwise comply with Section 9.05.

(d) Notwithstanding anything herein to the contrary, each party hereto agrees that any assignment pursuant to the terms of Section 2.16(c) may be effected pursuant to an Assignment and Assumption executed by the Borrower, the Administrative Agent and the assignee and that the Lender making such assignment need not be a party thereto.

SECTION 2.17 Letters of Credit.

(a) General. Subject to the terms and conditions set forth herein, the Borrower may request that standby letters of credit denominated in Dollars or an Alternative Currency be issued under this Agreement for its own account or the account of any Restricted Subsidiary, in a form reasonably acceptable to the Administrative Agent and the Issuing Bank, at any time and from time to time during the Revolving Commitment Period. In the event of any inconsistency between the terms and conditions of this Agreement and the terms and conditions of any form of letter of credit application or other agreement submitted by the Borrower to, or entered into by the Borrower with, the Issuing Bank relating to any Letter of Credit, the terms and conditions of this Agreement shall control.

(b) Notice of Issuance, Amendment, Renewal, Extension; Certain Conditions. To request the issuance of a Letter of Credit (or the amendment, renewal or extension of an outstanding Letter of Credit), the Borrower shall hand deliver or telecopy (or transmit by electronic communication, if arrangements for doing so have been approved by the Issuing Bank) to the Issuing Bank and the Administrative Agent (reasonably in advance of the requested date of issuance, amendment, renewal or extension, but in any event no later than two Business Days prior to such date unless otherwise agreed by the Issuing Bank and the Administrative Agent) a notice requesting the issuance of a Letter of Credit, or identifying the Letter of Credit to be amended, renewed or extended, and specifying the date of issuance, amendment, renewal or extension (which shall be a Business Day), the date on which such Letter of Credit is to expire (which shall comply with paragraph (c) of this Section), the amount and currency of such Letter of Credit, the name and address of the beneficiary thereof and such other information as shall be necessary to prepare, amend, renew or extend such Letter of Credit. If requested by the Issuing Bank, the Borrower also shall submit a letter of credit application on the Issuing Bank's standard form in connection with any request for a Letter of Credit. A Letter of Credit shall be issued, amended, renewed or extended only if, after giving effect to such issuance, amendment, renewal or extension (i) the LC Exposure shall not exceed \$25,000,000, and (ii) the Dollar Amount of the total Outstanding Revolving Credits shall not exceed the Total Revolving Commitments.

(c) Expiration Date. Each Letter of Credit shall expire at or prior to the close of business on the earlier of (i) the date one year after the date of the issuance of such Letter of Credit (or, in the case of any renewal or extension thereof, one year after such renewal or extension) and (ii) the date that is five Business Days prior to the Revolving Termination Date.

(d) Participations. By the issuance of a Letter of Credit (or an amendment to a Letter of Credit increasing the amount thereof) and without any further action on the part of the Issuing Bank or the Revolving Lenders, the Issuing Bank hereby grants to each Revolving Lender, and each Revolving Lender hereby acquires from the Issuing Bank, a participation in such Letter of Credit equal to such Revolving Lender's Revolving Commitment Percentage of the aggregate amount available to be drawn under such Letter of Credit. In consideration and in furtherance of the foregoing, each Revolving Lender hereby absolutely and unconditionally agrees to pay to the Administrative Agent, for the account of the Issuing Bank, such Revolving Lender's Revolving Commitment Percentage of each LC Disbursement made by the Issuing Bank and not reimbursed by the Borrower on the date due as provided in paragraph (e) of this Section, or of any reimbursement payment required to be refunded to the Borrower for any reason. Such payment by the Lenders shall be made (i) if the currency of the applicable LC Disbursement or reimbursement payment shall be Dollars, then in the currency of such LC Disbursement and (ii) subject to clause (l) of this Section, if the currency of the applicable LC Disbursement or reimbursement payment shall be an Alternative Currency, in Dollars in an amount equal to the Dollar Amount of such LC Disbursement or reimbursement payment, calculated by the Administrative Agent using the Exchange

Rate on the applicable LC Participation Calculation Date. Each Revolving Lender acknowledges and agrees that its obligation to acquire participations pursuant to this paragraph in respect of Letters of Credit is absolute and unconditional and shall not be affected by any circumstance whatsoever, including any amendment, renewal or extension of any Letter of Credit or the occurrence and continuance of a Default or reduction or termination of the Revolving Commitments, and that each such payment shall be made without any offset, abatement, withholding or reduction whatsoever.

(e) Reimbursement. If the Issuing Bank shall make any LC Disbursement in respect of a Letter of Credit, the Borrower shall reimburse such LC Disbursement by paying to the Administrative Agent in the currency of such LC Disbursement an amount equal to such LC Disbursement not later than 12:00 noon, New York City time, on the date that such LC Disbursement is made, if the Borrower shall have received notice of such LC Disbursement prior to 10:00 a.m., New York City time, on such date, or, if such notice has not been received by the Borrower prior to such time on such date, then not later than 12:00 noon, New York City time, on the Business Day immediately following the day that the Borrower receives such notice; provided that if such LC Disbursement is denominated in Dollars and is not less than \$1,000,000, the Borrower may, subject to the conditions to borrowing set forth herein, request in accordance with Section 2.03 that such payment be financed with an ABR Revolving Borrowing in an equivalent amount and, to the extent so financed, the Borrower's obligation to make such payment shall be discharged and replaced by the resulting ABR Revolving Borrowing. If the Borrower fails to make such payment when due, (A) if such payment relates to a Letter of Credit denominated in an Alternative Currency, automatically and no further action required, the obligations of the Borrower to reimburse the applicable LC Disbursement shall be permanently converted into an obligation to reimburse the Dollar Amount, calculated using the Exchange Rate on the applicable LC Participation Calculation Date, of such LC Disbursement and (B) in the case of each LC Disbursement, the Administrative Agent shall notify each Revolving Lender of the applicable LC Disbursement, the payment then due from the Borrower in respect thereof and such Revolving Lender's Revolving Commitment Percentage thereof. Promptly following receipt of such notice, each Revolving Lender shall pay to the Administrative Agent its Revolving Commitment Percentage of the payment then due from the Borrower, in the same manner as provided in Section 2.04 with respect to Loans made by such Revolving Lender (and Section 2.04 shall apply, mutatis mutandis, to such payment obligations of the Revolving Lenders), and the Administrative Agent shall promptly pay to the Issuing Bank the amounts so received by it from the Revolving Lenders. Promptly following receipt by the Administrative Agent of any payment from the Borrower pursuant to this paragraph, the Administrative Agent shall distribute such payment to the Issuing Bank or, to the extent that Revolving Lenders have made payments pursuant to this paragraph to reimburse the Issuing Bank, then to such Revolving Lenders and the Issuing Bank as their interests may appear. Any payment made by a Revolving Lender pursuant to this paragraph to reimburse the Issuing Bank for any LC Disbursement (other than the funding of ABR Loans as contemplated above) shall not constitute a Loan and shall not relieve the Borrower of its obligation to reimburse such LC Disbursement. If the Borrower's reimbursement of, or obligation to reimburse, any amounts in any Alternative Currency would subject the Administrative Agent, the Issuing Bank or any Revolving Lender to any stamp duty, ad valorem charge or similar tax that would not be payable if such reimbursement were made or required to be made in Dollars, such Revolving Borrower shall pay the amount of any such tax requested by the Administrative Agent, the Issuing Bank or such Revolving Lender.

(f) Obligations Absolute. The Borrower's obligation to reimburse LC Disbursements as provided in paragraph (e) of this Section shall be absolute, unconditional and irrevocable, and shall be performed strictly in accordance with the terms of this Agreement under any and all circumstances whatsoever and irrespective of (i) any lack of validity or enforceability of any Letter of Credit or this Agreement, or any term or provision therein, (ii) any draft or other document presented

under a Letter of Credit proving to be forged, fraudulent or invalid in any respect or any statement therein being untrue or inaccurate in any respect, (iii) payment by the Issuing Bank under a Letter of Credit against presentation of a draft or other document that does not comply with the terms of such Letter of Credit, or (iv) any other event or circumstance whatsoever, whether or not similar to any of the foregoing, that might, but for the provisions of this Section, constitute a legal or equitable discharge of, or provide a right of setoff against, the Borrower's obligations hereunder; provided that, subject to the penultimate sentence of this clause (f), reimbursement obligations of the Borrower with respect to a Letter of Credit may be subject to avoidance by the Borrower to the extent of any direct damages (as opposed to consequential damages, claims in respect of which are hereby waived by the Borrower to the extent permitted by applicable law) suffered by the Borrower or any Restricted Subsidiary that are caused by the Issuing Bank's failure to exercise care when determining whether drafts and other documents presented under a Letter of Credit comply with the terms thereof. Neither the Administrative Agent, the Revolving Lenders nor the Issuing Bank, nor any of their Related Parties, shall have any liability or responsibility by reason of or in connection with the issuance or transfer of any Letter of Credit or any payment or failure to make any payment thereunder (irrespective of any of the circumstances referred to in the preceding sentence), or any error, omission, interruption, loss or delay in transmission or delivery of any draft, notice or other communication under or relating to any Letter of Credit (including any document required to make a drawing thereunder), any error in interpretation of technical terms or any consequence arising from causes beyond the control of the Issuing Bank; provided that the foregoing shall not be construed to excuse the Issuing Bank from liability to the Borrower to the extent of any direct damages (as opposed to consequential damages, claims in respect of which are hereby waived by the Borrower to the extent permitted by applicable law) suffered by the Borrower that are caused by the Issuing Bank's failure to exercise care when determining whether drafts and other documents presented under a Letter of Credit comply with the terms thereof. The parties hereto expressly agree that, in the absence of gross negligence, bad faith or willful misconduct on the part of the Issuing Bank (as finally determined by a court of competent jurisdiction), the Issuing Bank shall be deemed to have exercised care in each such determination. In furtherance of the foregoing and without limiting the generality thereof, the parties agree that, with respect to documents presented which appear on their face to be in substantial compliance with the terms of a Letter of Credit, the Issuing Bank may, in its sole discretion, either accept and make payment upon such documents without responsibility for further investigation, regardless of any notice or information to the contrary, or refuse to accept and make payment upon such documents if such documents are not in strict compliance with the terms of such Letter of Credit.

(g) Disbursement Procedures. The Issuing Bank shall, promptly following its receipt thereof, examine all documents purporting to represent a demand for payment under a Letter of Credit. The Issuing Bank shall promptly notify the Administrative Agent and the Borrower by telephone (confirmed by telecopy) of such demand for payment and whether the Issuing Bank has made or will make an LC Disbursement thereunder; provided that any delay in giving such notice shall not relieve the Borrower of its obligation to reimburse the Issuing Bank and the Revolving Lenders with respect to any such LC Disbursement.

(h) Interim Interest. If the Issuing Bank shall make any LC Disbursement, then, unless the Borrower shall reimburse such LC Disbursement in full on the date set forth in paragraph (e) of this Section 2.17, the unpaid amount thereof shall bear interest, for each day from and including the date such LC Disbursement is required to be reimbursed to but excluding the date that the Borrower reimburses such LC Disbursement, at the rate per annum set forth in Section 2.10(c)(ii). Interest accrued pursuant to this paragraph shall be for the account of the Issuing Bank, except that interest accrued on and after the date of payment by any Revolving Lender pursuant to paragraph (e) of this Section to reimburse the Issuing Bank shall be for the account of such Revolving Lender to the extent of such payment.

(i) Replacement of the Issuing Bank. The Issuing Bank may be replaced at any time by written agreement among the Borrower, the Administrative Agent, the replaced Issuing Bank and the successor Issuing Bank. The Administrative Agent shall notify the Revolving Lenders of any such replacement of the Issuing Bank. At the time any such replacement shall become effective, the Borrower shall pay all unpaid fees accrued for the account of the replaced Issuing Bank pursuant to Section 2.09(b). From and after the effective date of any such replacement, (i) the successor Issuing Bank shall have all the rights and obligations of the Issuing Bank under this Agreement with respect to Letters of Credit to be issued thereafter and (ii) references herein to the term "Issuing Bank" shall be deemed to include such successor and any previous Issuing Bank, or such successor and all previous Issuing Banks, as the context shall require. After the replacement of an Issuing Bank hereunder, the replaced Issuing Bank shall remain a party hereto and shall continue to have all the rights and obligations of an Issuing Bank under this Agreement with respect to Letters of Credit issued by it prior to such replacement, but shall not be required to issue additional Letters of Credit.

(j) Cash Collateralization. If any Event of Default shall occur and be continuing, on the Business Day that the Borrower receives notice from the Administrative Agent or Revolving Lenders with LC Exposure representing greater than 50% of the total LC Exposure demanding the deposit of cash collateral pursuant to this paragraph, the Borrower shall deposit in an account with the Administrative Agent, in the name of the Administrative Agent and for the benefit of the Revolving Lenders, an amount in Dollars equal to 102% of the LC Exposure as of such date plus any accrued and unpaid interest thereon; provided that (i) amount payable in respect of any Letter of Credit or LC Disbursement shall be payable in the currency of such Letter of Credit or LC Disbursement, except that LC Disbursements in an Alternative Currency in respect of which the Borrower's reimbursement obligations have been converted in Dollars as provided in paragraph (e) or (l) of this Section and interest accrued thereon shall be payable in Dollars, and (ii) the obligation to deposit such cash collateral shall become effective immediately, and such deposit shall become immediately due and payable, without demand or other notice of any kind, upon the occurrence of any Event of Default with respect to the Borrower described in clause (h) or (i) of Article VII. Such deposit shall be held by the Administrative Agent as collateral for the payment and performance of the obligations of the Borrower under this Agreement with respect to the Revolving Facility. The Administrative Agent shall have exclusive dominion and control, including the exclusive right of withdrawal, over such account. Other than any interest earned on the investment of such deposits, which investments shall be made at the option and sole discretion of the Administrative Agent and at the Borrower's risk and expense, such deposits shall not bear interest. Interest or profits, if any, on such investments shall accumulate in such account. Moneys in such account shall be applied by the Administrative Agent to reimburse the Issuing Bank for LC Disbursements for which it has not been reimbursed and, to the extent not so applied, shall be held for the satisfaction of the reimbursement obligations of the Borrower for the LC Exposure at such time or, if the maturity of the Loans has been accelerated (but subject to the consent of Lenders with LC Exposure representing greater than 50% of the total LC Exposure), be applied to satisfy other obligations of the Borrower under this Agreement with respect to the Revolving Facility. If the Borrower is required to provide an amount of cash collateral hereunder as a result of the occurrence of an Event of Default, such amount (to the extent not applied as aforesaid) shall be returned to the Borrower within three Business Days after all Events of Default have been cured or waived.

(k) Conversion. In the event that the Loans become immediately due and payable on any date pursuant to Section 7.01, all amounts (i) that the Borrower are at the time or become thereafter required to reimburse or otherwise pay to the Administrative Agent in respect of LC Disbursements made under any Letter of Credit denominated in an Alternative Currency, (ii) that the Revolving Lenders are at the time or become thereafter required to pay to the Administrative Agent (and the Administrative Agent

is at the time or becomes thereafter required to distribute to the Issuing Bank) pursuant to paragraph (e) of this Section in respect of unreimbursed LC Disbursements made under any Letter of Credit denominated in an Alternative Currency and (iii) of each Revolving Lender's participation in any Letter of Credit denominated in an Alternative Currency under which an LC Disbursement has been made shall, automatically and with no further action required, be converted into the Dollar Amount, calculated using the Exchange Rate on such date (or in the case of any LC Disbursement made after such date, on the date such LC Disbursement is made), of such amounts. On and after such conversion, all amounts accruing and owed to the Administrative Agent, the Issuing Bank or any Revolving Lender in respect of the obligations described in this paragraph shall accrue and be payable in Dollars at the rates otherwise applicable hereunder.

SECTION 2.18 Defaulting Lenders. Notwithstanding any provision of this Agreement to the contrary, if any Lender becomes a Defaulting Lender, then the following provisions shall apply for so long as such Lender is a Defaulting Lender:

(a) Fees shall cease to accrue on the Available Revolving Commitment of such Defaulting Lender pursuant to Section 2.09(a).

(b) The Revolving Commitment and Outstanding Revolving Credit of such Defaulting Lender shall not be included in determining whether the Required Lenders have taken or may take any action hereunder (including any consent to any amendment, waiver or other modification pursuant to Section 9.02 or Section 9.03); provided that this Section 2.18 (b) shall not apply to the vote of a Defaulting Lender in the case of an amendment, waiver or other modification effecting (i) an increase or extension of such Defaulting Lender's Revolving Commitment or (ii) the reduction or excuse of principal amount of, or interest or fees payable on, such Defaulting Lender's Loans or the postponement of the scheduled date of payment of such principal amount, interest or fees to such Defaulting Lender.

(c) If any Letters of Credit exist at the time such Lender becomes a Defaulting Lender then:

(i) Such Defaulting Lender's LC Exposure shall be reallocated among the Non-Defaulting Revolving Lenders in accordance with their respective Revolving Commitment Percentages (but excluding the Revolving Commitments of all the Defaulting Lenders from both the numerator and the denominator) but only to the extent (x) the sum of all the Outstanding Revolving Credits owed to all Non-Defaulting Lenders does not exceed the total of all Non-Defaulting Lenders' Available Revolving Commitments, (y) the representations and warranties of each Loan Party set forth in the Loan Documents to which it is a party are true and correct at such time, except to the extent that any such representation and warranty relates to an earlier date (in which case such representation and warranty shall be true and correct as of such earlier date), and (z) no Default shall have occurred and be continuing at such time;

(ii) If the reallocation described in clause (i) above cannot, or can only partially, be effected, the Borrower shall, within two Business Days following notice by the Administrative Agent, cash collateralize for the benefit of the Issuing Bank such Defaulting Lender's LC Exposure (after giving effect to any partial reallocation pursuant to clause (i) above) for so long as any Letters of Credit are outstanding;

(iii) If the Borrower cash collateralizes any portion of such Defaulting Lender's LC Exposure pursuant clause (ii) above, the Borrower shall not be required to pay any fees to such Defaulting Lender pursuant to Section 2.09(b) with respect to such Defaulting Lender's LC Exposure during the period such Defaulting Lender's LC Exposure is cash collateralized by the Borrower;

(iv) If LC Exposures of the Non-Defaulting Lenders are reallocated pursuant to clause (i) above, then the fees payable to the Revolving Lenders pursuant to Section 2.09(a) and Section 2.09(b) shall be adjusted to reflect such Non-Defaulting Lenders' LC Exposure as reallocated; and

(v) If any Defaulting Lender's LC Exposure is neither cash collateralized nor reallocated pursuant to clauses (i) or (ii) above, then, without prejudice to any rights or remedies of the Issuing Bank or any Revolving Lender hereunder, all letter of credit fees payable under Section 2.09(b) with respect to such Defaulting Lender's LC Exposure shall be payable to the Issuing Bank until such LC Exposure is cash collateralized and/or reallocated.

(d) So long as such Defaulting Lender is a Defaulting Lender, the Swingline Lender shall not be required to fund any Swingline Loans and the Issuing Bank shall not be required to issue, amend or increase any Letter of Credit, unless it is satisfied that the related LC Exposure will be 100% covered by the Available Revolving Commitments of the Non-Defaulting Lenders and/or cash collateral will be provided by the Borrower in accordance with Section 2.18(c)(ii), and the participating interests in any any such newly issued or increased Letter of Credit or newly made Swingline Loan shall be allocated among Non-Defaulting Lenders in a manner consistent with Section 2.18(c)(i) (and such Defaulting Lender shall not participate therein).

The rights and remedies against a Defaulting Lender under this Agreement are in addition to other rights and remedies that Borrower may have against such Defaulting Lender with respect to any funding default and that the Administrative Agent or any Lender may have against such Defaulting Lender with respect to any funding default. In the event that the Administrative Agent, the Borrower and the Issuing Bank each agrees that a Defaulting Lender has adequately remedied all matters that caused such Lender to be a Defaulting Lender, then the Total Revolving Loans shall be readjusted to reflect the inclusion of such Lender's Available Revolving Commitment and on such date such Lender shall purchase at par such of the Revolving Loans of the other Lenders or take such other actions as the Administrative Agent may determine to be necessary to cause such outstanding Revolving Loans and funded and unfunded participations in Letters of Credit to be held on a pro rata basis by the Revolving Lenders (including such Lender) in accordance with their applicable percentages, whereupon such Lender will cease to be a Defaulting Lender and will be a Non-Defaulting Lender and any applicable cash collateral shall be promptly returned to the Borrower and any LC Exposure of such Lender reallocated pursuant to the requirements above shall be reallocated back to such Lender; provided that no adjustments will be made retroactively with respect to fees accrued or payments made by or on behalf of the Borrower while that Lender was a Defaulting Lender; provided that, except to the extent otherwise expressly agreed by the affected parties, no change hereunder from Defaulting Lender to Non-Defaulting Lender will constitute a waiver or release of any claim of any party hereunder arising from such Lender's having been a Defaulting Lender.

SECTION 2.19 Swingline Loans. Subject to the terms and conditions set forth herein, the Swingline Lender agrees to make Swingline Loans in Dollars to the Borrower from time to time

during the Revolving Commitment Period, in an aggregate principal amount at any time outstanding that will not result in (i) the aggregate principal amount of outstanding Swingline Loans exceeding \$50,000,000 or (ii) the sum of the total Outstanding Revolving Credit exceeding the Total Revolving Commitments; provided that the Swingline Lender shall not be required to make a Swingline Loan to refinance an outstanding Swingline Loan. Within the foregoing limits and subject to the terms and conditions set forth herein, the Borrower may borrow, prepay and reborrow Swingline Loans. Each Swingline Loan shall be in an amount that is an integral multiple of \$100,000 and not less than \$500,000.

(b) To request a Swingline Loan, the Borrower shall notify the Administrative Agent of such request by telephone (confirmed by telecopy), not later than 12:00 noon, New York City time, on the day of a proposed Swingline Loan. Each such notice shall be irrevocable and shall specify the requested date (which shall be a Business Day) and amount of the requested Swingline Loan. The Administrative Agent will promptly advise the Swingline Lender of any such notice received from the Borrower. The Swingline Lender shall make each Swingline Loan available to the Borrower by means of a credit to the general deposit account of the Borrower with the Swingline Lender by 3:00 p.m., New York City time, on the requested date of such Swingline Loan. Each Swingline Loan shall be an ABR Loan.

(c) The Swingline Lender may by written notice given to the Administrative Agent not later than 10:00 a.m., New York City time, on any Business Day require the Lenders to acquire participations on such Business Day in all or a portion of the Swingline Loans outstanding. Such notice shall specify the aggregate principal amount of Swingline Loans in which Lenders will participate. Promptly upon receipt of such notice, the Administrative Agent will give notice thereof to each Lender, specifying in such notice such Lender's Revolving Commitment Percentage of such Swingline Loan or Loans. Each Lender hereby absolutely and unconditionally agrees, upon receipt of notice as provided above, to pay to the Administrative Agent, for the account of the Swingline Lender, such Lender's Revolving Commitment Percentage of such Swingline Loan or Loans. Each Lender acknowledges and agrees that its obligation to acquire participations in Swingline Loans pursuant to this paragraph is absolute and unconditional and shall not be affected by any circumstance whatsoever, including the occurrence and continuance of a Default or reduction or termination of the Revolving Commitments, and that each such payment shall be made without any offset, abatement, withholding or reduction whatsoever. Each Lender shall comply with its obligation under this paragraph by wire transfer of immediately available funds, in the same manner as provided in Section 2.04 with respect to Loans made by such Lender (and Section 2.04 shall apply, mutatis mutandis, to the payment obligations of the Lenders), and the Administrative Agent shall promptly pay to the Swingline Lender the amounts so received by it from the Lenders. The Administrative Agent shall notify the Borrower of any participations in any Swingline Loan acquired pursuant to this paragraph, and thereafter payments in respect of such Swingline Loan shall be made to the Administrative Agent and not to the Swingline Lender. Any amounts received by the Swingline Lender from the Borrower (or other party on behalf of the Borrower) in respect of a Swingline Loan after receipt by the Swingline Lender of the proceeds of a sale of participations therein shall be promptly remitted to the Administrative Agent; any such amounts received by the Administrative Agent shall be promptly remitted by the Administrative Agent to the Lenders that shall have made their payments pursuant to this paragraph and to the Swingline Lender, as their interests may appear; provided that any such payment so remitted shall be repaid to the Swingline Lender or to the Administrative Agent, as applicable, if and to the extent such payment is required to be refunded to the Borrower for any reason. The purchase of participations in a Swingline Loan pursuant to this paragraph shall not relieve the Borrower of any default in the payment thereof.

ARTICLE III
Representations and Warranties

The Borrower represents and warrants to the Lenders that:

SECTION 3.01 Organization; Powers. Except as set forth in Schedule 3.01, each of the Borrower and its Material Subsidiaries is duly organized, validly existing and, if applicable, in good standing under the laws of the jurisdiction of its organization, has all requisite power and authority to carry on its business as now conducted and is qualified to do business in, and is in good standing in, every jurisdiction where such qualification is required, except, in each case, where the failure to do so, individually or in the aggregate, would not reasonably be expected to result in a Material Adverse Effect.

SECTION 3.02 Authorization; Enforceability. The Transactions (excluding use of proceeds) are within the corporate or other organizational powers of the Loan Parties and have been duly authorized by all necessary corporate or other organizational action. This Agreement has been and each other Loan Document will be duly executed and delivered by each Loan Party party thereto. This Agreement constitutes, and each other Loan Document when executed and delivered will constitute a legal, valid and binding obligation of each Loan Party party thereto, enforceable in accordance with its terms, subject to applicable bankruptcy, insolvency, reorganization, moratorium or other laws affecting creditors' rights or remedies generally and subject to general principles of equity, regardless of whether considered in a proceeding in equity or at law.

SECTION 3.03 Governmental Approvals; No Conflicts. The Transactions (excluding use of proceeds) (a) do not require any consent or approval of, registration or filing with, or any other action by, any Governmental Authority, except (i) such as have been obtained or made and are in full force and effect or those which the failure to obtain would not be reasonably expected to result in a Material Adverse Effect and (ii) the filings referred to in Section 3.12, (b) will not violate any applicable law or regulation or the charter, by-laws or other organizational documents of the Borrower or any other Loan Party or any order of any Governmental Authority except where any such violation would not reasonably be expected to result in a Material Adverse Effect, (c) will not violate or result in a default under any indenture, agreement or other instrument binding upon the Borrower or any other Loan Party or its assets except as would not reasonably be expected to result in a Material Adverse Effect, and (d) will not result in the creation or imposition of any Lien on any asset of the Borrower or any of its Material Subsidiaries (other than any Permitted Lien).

SECTION 3.04 Financial Position. The Borrower has heretofore furnished to the Lenders its consolidated balance sheet and statements of income, stockholders' equity and cash flows as of and for (a) the fiscal years ended December 31, 2011 and 2010 reported on by Ernst & Young LLP, independent public accountants and (b) the nine months ended September 30, 2012. Such financial statements present fairly, in all material respects, the financial position and results of operations and cash flows of the Borrower and its consolidated subsidiaries as of such dates and for such periods in accordance with GAAP, subject to year-end audit adjustments and the absence of footnotes in the case of the statements referred to in clause (b) above.

SECTION 3.05 Properties.

(a) Each of the Borrower and its Material Subsidiaries has good title to, or valid leasehold interests in, all its real and personal property material to its business, except for minor defects in title and Permitted Liens that do not interfere with its ability to conduct its business as currently conducted or to utilize such properties for their intended purposes or as, individually or in the aggregate, would not reasonably be expected to result in a Material Adverse Effect.

(b) Each of the Borrower and its Material Subsidiaries owns, or is validity licensed to use, all Intellectual Property used or held for use by such entities or necessary to operate their respective business as currently conducted and contemplated to be conducted, and the operation of their respective businesses by the Borrower and its Material Subsidiaries does not infringe upon or otherwise violate the rights of any other Person, except for any such Intellectual Property or infringements or violations that, individually or in the aggregate, would not reasonably be expected to result in a Material Adverse Effect.

SECTION 3.06 Litigation and Environmental Matters.

(a) There are no actions, suits or proceedings by or before any arbitrator or Governmental Authority pending against or, to the knowledge of the Borrower, threatened in writing against or affecting the Borrower or any of its Restricted Subsidiaries(i) that would reasonably be expected, individually or in the aggregate, to result in a Material Adverse Effect (other than the Disclosed Matters) or (ii) on the Closing Date, that involve this Agreement or the Transactions (excluding use of proceeds).

(b) Except for the Disclosed Matters and except with respect to any other matters that, individually or in the aggregate, would not reasonably be expected to result in a Material Adverse Effect, neither the Borrower nor any of its Restricted Subsidiaries(i) has failed to comply with any Environmental Law or to obtain, maintain or comply with any permit, license or other approval required under any Environmental Law, (ii) has become subject to any Environmental Liability, (iii) has received written notice of any claim with respect to any Environmental Liability or (iv) knows of any basis reasonably likely to result in Environmental Liability.

SECTION 3.07 Compliance with Laws and Agreements. Each of the Borrower and its Material Subsidiaries is in compliance with all laws, regulations and orders of any Governmental Authority applicable to it or its property and all indentures, agreements and other instruments binding upon it or its property, except where the failure to do so, individually or in the aggregate, would not reasonably be expected to result in a Material Adverse Effect. No Default has occurred and is continuing.

SECTION 3.08 Investment Company Status. No Loan Party is an “investment company” as defined in, or subject to regulation under, the Investment Company Act of 1940.

SECTION 3.09 Taxes. Each of the Borrower and its Material Subsidiaries has timely filed or caused to be filed all Tax returns and reports required to have been filed and has paid or caused to be paid all Taxes required to have been paid by it, except (a) Taxes that are being contested in good faith by appropriate proceedings and for which the Borrower or such Material Subsidiary, as applicable, has set aside on its books adequate reserves or (b) to the extent that the failure to do so would not reasonably be expected to, individually or in the aggregate, result in a Material Adverse Effect.

SECTION 3.10 ERISA. No ERISA Event has occurred or is reasonably expected to occur that, when taken together with all other such ERISA Events for which liability is reasonably expected to occur, would reasonably be expected to result in a Material Adverse Effect. The present value of all accumulated benefit obligations under each Plan (based on the assumptions used for purposes of Statement of Financial Accounting Standards No. 87) did not, as of the date of the most recent financial statements reflecting such amounts, exceed the fair market value of the assets of such Plan by an amount which, if it were to become due, would cause a Material Adverse Effect.

SECTION 3.11 Disclosure. To the best of the Borrower's knowledge, neither the CIM nor any of the other reports, financial statements, certificates or other written information furnished by or on behalf of the Borrower to the Administrative Agent or any Lender in connection with the negotiation of this Agreement or delivered hereunder (as modified or supplemented by other information so furnished), taken as a whole, contained any material misstatement of fact or omitted to state any material fact necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading as of the date furnished; provided that with respect to projected financial information, the Borrower represents only that such information was prepared in good faith based upon assumptions believed to be reasonable at the time.

SECTION 3.12 Pledge Agreement. The Pledge Agreement will (to the extent required thereby and except during the Collateral Suspension Period) create in favor of the Collateral Agent, for the benefit of the Lenders, a security interest in the Collateral described therein (subject to any limitations specified therein). In the case of the certificated pledged stock constituting securities described in Section 5.09(a) as of the Closing Date, when stock certificates representing such pledged stock are delivered to the Collateral Agent (together with a properly completed and signed stock power or endorsement), and in the case of the other Collateral described in the Pledge Agreement as of the Closing Date, when financing statements specified on Schedule 3.12 in appropriate form are filed in the offices specified on Schedule 3.12, the Collateral Agent shall have a perfected Lien on, and security interest in, all right, title and interest of the Loan Parties in such Collateral (subject to any limitations specified therein) to the extent perfection of such security interest can be perfected by control of securities or the filing of a financing statement, as security for the Obligations, in each case prior and superior in right to any other Person (except Permitted Liens).

SECTION 3.13 No Change. Since December 31, 2011, there has been no event that has had or would reasonably be expected to have, individually or in the aggregate, a Material Adverse Effect.

SECTION 3.14 Subsidiaries. Set forth on Schedule 3.14 is a list of all Subsidiary Guarantors on the Closing Date, together with the jurisdiction of organization, and ownership and ownership percentages of Equity Interests held by each such Subsidiary Guarantor in each direct subsidiary of such Subsidiary Guarantor as of the Closing Date.

SECTION 3.15 Solvency. Immediately after the consummation of the Transactions to occur on the Closing Date, including the making of each Loan to be made on the Closing Date and the application of the proceeds of such Loans, and after giving effect to the rights of subrogation and contribution under the Subsidiary Guarantee, (a) the fair value of the assets of the Borrower and its subsidiaries on a consolidated basis will exceed their debts and liabilities, subordinated, contingent or otherwise, (b) the present fair saleable value of the assets of the Borrower and its subsidiaries on a consolidated basis will be greater than the amount that will be required to pay the probable liability on their debts and other liabilities, subordinated, contingent or otherwise, as such debts and other liabilities become absolute and matured, (c) the Borrower and its subsidiaries on a consolidated basis will be able to pay their debts and liabilities, subordinated, contingent or otherwise, as such debts and liabilities become absolute and matured and (d) the Borrower and its subsidiaries on a consolidated basis will not have unreasonably small capital with which to conduct the business in which they are engaged, as such business is now conducted and is proposed to be conducted following the Closing Date.

SECTION 3.16 No Default. No Default or Event of Default has occurred and is continuing.

SECTION 3.17 No Unlawful Contributions or Other Payments. No part of the proceeds of the Loans will be used directly, or to the knowledge of the Borrower, indirectly, for any payments to any governmental official or employee, political party, official of a political party, candidate for political office, or anyone else acting in an official capacity, in order to obtain, retain or direct business or obtain any improper advantage, in violation of the FCPA.

SECTION 3.18 OFAC. To the knowledge of the Borrower, neither the Borrower nor any of its subsidiaries nor any of their respective directors or senior officers is on the list of Specially Designated Nationals and Blocked Persons issued by the Office of Foreign Assets Control of the U.S. Department of the Treasury. To the knowledge of the Borrower, neither the Borrower nor any of its subsidiaries does business or conducts any transactions with the governments of, or entities within, any country under economic sanctions administered and enforced by OFAC; provided that no representation is made with respect to any of the end-user-individuals of the internet services.

The Administrative Agent shall notify the Borrower and the Lenders of the Closing Date, and such notice shall be conclusive and binding.

SECTION 4.02 Each Credit Event. ARTICLE V

Affirmative Covenants

Until the Revolving Commitments have expired or been terminated and the principal of and interest on each Loan and all fees payable hereunder shall have been paid in full and all Letters of Credit have expired or been cash collateralized, the Borrower covenants and agrees with the Lenders that:

taken place on the date of such balance sheet) of the Borrower or such Restricted Subsidiary other than liabilities that are by their terms subordinated to the Loans, that are assumed by the transferee of any such assets and for which the Borrower and all of its Restricted Subsidiaries have been validly released by all creditors in writing,

(ii) any securities, notes or other similar obligations received by the Borrower or such Restricted Subsidiary from such transferee that are converted by the Borrower or such Restricted Subsidiary into cash or Cash Equivalents (to the extent so converted) within 180 days following the closing of such Asset Sale, and

(iii) any Designated Noncash Consideration received by the Borrower or any Restricted Subsidiary in such Asset Sale having an aggregate Fair Market Value, taken together with all other Designated Noncash Consideration received pursuant to this clause (c) that is at that time outstanding, not to exceed an amount equal to the greater of \$100 million or 3.0% of Total Assets at the time of the receipt of such Designated Noncash Consideration, with the Fair Market Value of each item of Designated Noncash Consideration being measured at the time received and without giving effect to subsequent changes in value,

shall be deemed to be cash or Cash Equivalents for purposes of this provision and for no other purpose; provided, further, the Borrower will not, and will not permit any Restricted Subsidiary to, directly or indirectly, consummate a Match Disposition or a Search Disposition.

(i) the payment by the Borrower or any Restricted Subsidiary of any dividend or the consummation of any irrevocable redemption within 60 days after the date of declaration thereof or giving the notice of the redemption, if on the date of declaration or notice the payment would have complied with the provisions of the Indenture (assuming, in the case of redemption, the giving of the notice would have been deemed to be a Restricted Payment at such time and such deemed Restricted Payment would have been permitted at such time);

(ii) the Borrower may declare or make a Restricted Payment with respect to its Equity Interest payable solely in Qualified Equity interests or redeem any of its Equity Interests in exchange for, or out of the proceeds of the substantially concurrent issuance and sale of, Qualified Equity Interests or through accretion or accumulation of such dividends on such Equity Interests;

deemed to constitute a Restricted Payment for purposes of this covenant or any other provisions of the Indenture;

(iv) repurchases of Equity Interests deemed to occur (a) upon the exercise of stock options, warrants, or similar rights if the Equity Interests represent all or a portion of the exercise price thereof or (b) in connection with the satisfaction of any withholding tax obligations incurred relating to the vesting or exercise of stock options, warrants, restricted stock units or similar rights;

(v) any Restricted Payment made out of the net cash proceeds of the substantially concurrent sale of, or made by exchange for, Qualified Equity Interests of the Borrower (other than Qualified Equity Interests issued or sold to a Restricted Subsidiary of the Borrower or an employee stock ownership plan or to a trust established by the Borrower or any of its Restricted Subsidiaries for the benefit of their employees) or a substantially concurrent cash capital contribution received by the Borrower from its stockholders;

(vi) payments or distributions to dissenting stockholders pursuant to applicable law, pursuant to or in connection with a consolidation, merger or transfer of all or substantially all of the assets of the Borrower and its Restricted Subsidiaries that complies with the provisions of Section 6.03; and

(vii) any Restricted Subsidiary may declare or make a Restricted Payment with respect to the Equity Interests of such Restricted Subsidiary to the Borrower or any other Restricted Subsidiary (and, in the case of a Restricted Subsidiary that is not a Wholly Owned Subsidiary, to each owner of Equity Interests of such Restricted Subsidiary such that the Borrower or Restricted Subsidiary receives at least its pro rata share of such dividend or distribution).

Notwithstanding the foregoing, the Borrower and its Restricted Subsidiaries shall be permitted to declare and make and agree to pay and pay any Restricted Payment; provided that after giving pro forma effect to such Restricted Payment, (i) no Default shall have occurred and be continuing and (ii) the Borrower shall be in compliance with Section 6.10; provided, further, no distribution in connection with a Match Disposition or a Search Disposition will be permitted pursuant to this Section 6.05.

SECTION 6.06 Transactions with Affiliates. The Borrower will not, and will not permit any of its Restricted Subsidiaries to, sell, lease or otherwise transfer any property or assets to, or purchase, lease or otherwise acquire any property or assets from, or otherwise engage in any other transactions (including amendments or modifications to prior or existing transactions) with, any of its Affiliates involving payment or consideration in excess of \$5 million, except:

- (a) for transactions at prices and on terms and conditions not less favorable to the Borrower or such Restricted Subsidiary than could be obtained on an arm's-length basis from unrelated third parties, as determined by the Borrower;
- (b) transactions between or among the Borrower and its Restricted Subsidiaries not involving any other Affiliate;
- (c) pursuant to, as determined by the Borrower, reasonable director, officer and employee compensation (including bonuses) and other benefits (including retirement, health, and

stock compensation plans) and indemnification arrangements and performance of such arrangements;

(d) any Restricted Payment permitted by Section 6.05;

(e) ordinary course overhead arrangements in which any Restricted Subsidiary or Unrestricted Subsidiary participates;

(f) any Investment permitted by Section 6.11;

(g) (x) any agreement or arrangement in effect on the Closing Date and any amendment or replacement thereof that is not more disadvantageous to the Lenders in any material respect than the agreement or arrangement in effect on the Closing Date; or (y) any transaction pursuant to any agreement or arrangement referred to in the immediately preceding clause (x).

(h) any transaction with a joint venture or similar entity which would be subject to this Section 6.06 solely because the Borrower or a Restricted Subsidiary owns an equity interest in or otherwise controls such joint venture or similar entity;

(i) any transaction entered into by a Person prior to the time such Person becomes a Restricted Subsidiary or is merged or consolidated with or into the Borrower or a Restricted Subsidiary;

SECTION 6.09 Clauses Restricting Subsidiary Distributions. The Borrower will not, and will not permit any of its Restricted Subsidiaries to, directly or indirectly, enter into or suffer to exist or become effective any consensual encumbrance or restriction on the ability of any Restricted Subsidiary to (a) pay dividends or make any other distributions on or in respect of its Equity Interests held by the Borrower or a Restricted Subsidiary, (b) make loans or advances or pay any Indebtedness or other obligation owed to the Borrower or any Subsidiary Guarantor or (c) transfer any of its assets to the Borrower or any Subsidiary Guarantor, except for such encumbrances or restrictions existing under or by reason of:

- (v) encumbrances or restrictions under any agreement of any Person that becomes a Restricted Subsidiary after the Closing Date that existed prior to the time such Person became a Restricted Subsidiary; provided that such restrictions are not created in contemplation of or in connection with such acquisition;
- (vi) any other instrument or agreement entered into after the Closing Date that contains encumbrances and restrictions that, as determined by the Borrower, will not materially adversely affect the Borrower's ability to make payments on the Loans;

- (viii) non-assignment provisions of any contract or lease entered into in the ordinary course of business;

(xv) with respect to clause (c) only, any encumbrance or restriction consisting of customary nonassignment provisions in leases governing leasehold interests, licenses, joint venture agreements and agreements similar to any of the foregoing to the extent such provisions restrict the transfer of the property subject to such leases, licenses, joint venture agreements or similar agreements;

(xvi) with respect to clause (c) only, any encumbrance or restriction contained in security agreements or mortgages securing Indebtedness of a Restricted Subsidiary to the extent such encumbrance or restriction restricts the transfer of the property subject to such security agreements or mortgages; and

(xvii) any encumbrances or restrictions imposed by any amendments, modifications, restatements, renewals, increases, supplements, refundings, replacements or refinancings of the contracts, agreements, instruments or obligations referred to in this Section 6.09; provided that, as determined by the Borrower, such amendments, modifications, restatements, renewals, increases, supplements, refundings, replacements or refinancings (a) are not materially more restrictive with respect to such encumbrances and restrictions than those prior to such amendments, modifications, restatements, renewals, increases, supplements, refundings, replacements or refinancings or (b) will not materially adversely affect the Borrower's ability to make payments on the Loans.

(d) Investments made by the Borrower or any Restricted Subsidiary in the Borrower or any Restricted Subsidiary;

(e) Investments (other than Investments directly or indirectly in Unrestricted Subsidiaries) made at any time if, after giving pro forma effect thereto, (i) the Borrower shall be in compliance with Section 6.10 and (ii) no Default shall have occurred and be continuing;

(g) Investments not prohibited by Section 6.05;

(h) Investments in Unrestricted Subsidiaries not to exceed in the aggregate outstanding at any time the greater of \$75,000,000 and 2.0% of Total Assets, determined net of any cash recoveries actually received in respect of such Investments (it being understood that, if an Unrestricted Subsidiary becomes a Restricted Subsidiary, there will be deemed to have occurred a cash recovery of all Investments made in such subsidiary on or after the Closing Date); provided that after giving pro forma effect to each such Investment, no Default shall have occurred and be continuing;

(i) Guarantees not prohibited by Section 6.01;

- (f) the Borrower or any Restricted Subsidiary shall fail to make any payment (whether of principal or interest and regardless of amount) in respect of any Material Indebtedness, when and as the same shall become due and payable after any applicable grace period therefor;
- (g) any event or condition occurs that results in any Material Indebtedness becoming due prior to its scheduled maturity or that enables or permits (with or without the giving of notice) the holder or holders of any Material Indebtedness or any trustee or agent on its or their behalf to cause any Material Indebtedness to become due, or to require the prepayment, repurchase, redemption or defeasance thereof, prior to its scheduled maturity; provided that this clause (g) shall not apply to secured Indebtedness that becomes due as a result of the voluntary sale or transfer of the property or assets securing such Indebtedness;
- (h) an involuntary proceeding shall be commenced or an involuntary petition shall be filed seeking (i) liquidation, reorganization or other relief in respect of the Borrower or any Material Subsidiary or its debts, or of a substantial part of its assets, under any Federal, state or foreign bankruptcy, insolvency, receivership or similar law now or hereafter in effect or (ii) the

appointment of a receiver, trustee, custodian, sequestrator, conservator or similar official for the Borrower or any Material Subsidiary or for a substantial part of its assets, and, in any such case, such proceeding or petition shall continue undismissed for 60 days or an order or decree approving or ordering any of the foregoing shall be entered;

(k) an ERISA Event shall have occurred that, when taken together with all other ERISA Events that have occurred, would reasonably be expected to result in a Material Adverse Effect;

(l) at any time other than during a Collateral Suspension Period, the Pledge Agreement shall cease, for any reason, to be in full force and effect, or any Loan Party shall so assert in writing, or any material Lien created by the Pledge Agreement shall cease to be enforceable and of the same effect and priority purported to be created thereby (except, in each case, in accordance with Section 9.16 or the Pledge Agreement);

(m) this Agreement or the Subsidiary Guarantee shall cease, for any reason, to be in full force and effect, or any Loan Party shall so assert in writing, except as permitted under the Loan Documents; or

then, and in every such event (other than an event with respect to the Borrower described in clause (h) or (i) of this Section 7.01), and at any time thereafter during the continuance of such event, the Administrative Agent may, and at the request of the Required Lenders shall, by notice to the Borrower, take any or all of the following actions, at the same or different times: (i) terminate the Revolving Commitments, and thereupon the Revolving Commitments shall terminate immediately, (ii) declare the Loans then outstanding to be due and payable in whole (or in part, in which case any principal not so declared to be due and payable may thereafter be declared to be due and payable during the continuation of such event) by the Borrower, and thereupon the principal of the Loans so declared to be due and payable, together with accrued interest thereon and all fees and other obligations of the Borrower accrued hereunder, shall become due and payable immediately, without presentment, demand, protest or other notice of any kind (other than notice from the Administrative Agent), all of which are hereby waived by the Borrower and (iii) require all outstanding Letters of Credit to be cash collateralized in accordance with

Section 2.17(j); and in case of any event with respect to the Borrower described in clause (h) or (i) of this Section 7.01, the Revolving Commitments shall automatically terminate and the principal of the Loans then outstanding, together with accrued interest thereon and all fees and other obligations of the Borrower accrued hereunder, shall automatically become due and payable, without presentment, demand, protest or other notice of any kind, all of which are hereby waived by the Borrower.

ARTICLE VIII

The Administrative Agent

SECTION 8.01 Appointment and Authorization. Each of the Lenders hereby irrevocably appoints the Administrative Agent as its agent and authorizes the Administrative Agent to take such actions on its behalf and to exercise such powers as are delegated to the Administrative Agent by the terms hereof and the other Loan Documents, together with such actions and powers as are reasonably incidental thereto.

SECTION 8.02 Administrative Agent and Affiliates. The bank serving as the Administrative Agent hereunder shall have the same rights and powers in its capacity as a Lender as any other Lender and may exercise the same as though it were not the Administrative Agent, and such bank and its Affiliates may accept deposits from, lend money to and generally engage in any kind of business with the Borrower or any Restricted Subsidiary or other Affiliate thereof as if it were not the Administrative Agent hereunder.

SECTION 8.03 Action by Administrative Agent. The Administrative Agent shall not have any duties or obligations except those expressly set forth herein and the other Loan Documents. Without limiting the generality of the foregoing, (a) the Administrative Agent shall not be subject to any fiduciary or other implied duties, regardless of whether a Default has occurred and is continuing, (b) the Administrative Agent shall not have any duty to take any discretionary action or exercise any discretionary powers, except discretionary rights and powers expressly contemplated hereby that the Administrative Agent is required to exercise in writing as directed by the Required Lenders (or such other number or percentage of the Lenders as shall be necessary under the circumstances as provided in Section 9.02 or 9.03), and (c) except as expressly set forth herein, the Administrative Agent shall not have any duty to disclose, and shall not be liable for the failure to disclose, any information relating to the Borrower or any of its Restricted Subsidiaries that is communicated to or obtained by the bank serving as Administrative Agent or any of its Affiliates in any capacity. The Administrative Agent shall not be liable for any action taken or not taken by it with the consent or at the request of the Required Lenders (or such other number or percentage of the Lenders as shall be necessary under the circumstances as provided in Section 9.02 or 9.03) or otherwise, in the absence of its own gross negligence or willful misconduct. The Administrative Agent shall be deemed not to have knowledge of any Default unless and until written notice thereof is given to the Administrative Agent by the Borrower or a Lender, and the Administrative Agent shall not be responsible for or have any duty to ascertain or inquire into (i) any statement, warranty or representation made in or in connection with this Agreement or any other Loan Document, (ii) the contents of any certificate, report or other document delivered under or in connection with this Agreement or any other Loan Document, (iii) the performance or observance of any of the covenants, agreements or other terms or conditions set forth herein or in any other Loan Document, (iv) the validity, enforceability, effectiveness or genuineness of this Agreement, the other Loan Documents or any other agreement, instrument or document, or (v) the satisfaction of any condition set forth in Article IV or elsewhere herein

or in any other Loan Document, other than to confirm receipt of items expressly required to be delivered to the Administrative Agent.

SECTION 8.04 Consultation with Experts. The Administrative Agent shall be entitled to rely upon, and shall not incur any liability for relying upon, any notice, request, certificate, consent, statement, instrument, document or other writing believed by it to be genuine and to have been signed or sent by the proper Person. The Administrative Agent also may rely upon any statement made to it orally or by telephone and believed by it to be made by the proper Person, and shall not incur any liability for relying thereon. The Administrative Agent may consult with legal counsel (who may be counsel for the Borrower), independent accountants and other experts selected by it, and shall not be liable for any action taken or not taken by it in accordance with the advice of any such counsel, accountants or experts.

SECTION 8.05 Delegation of Duties. The Administrative Agent may perform any and all its duties and exercise its rights and powers by or through any one or more sub-agents appointed by the Administrative Agent. The Administrative Agent and any such sub-agent may perform any and all its duties and exercise its rights and powers through their respective Related Parties. The exculpatory provisions of the preceding paragraphs shall apply to any such sub-agent and to the Related Parties of the Administrative Agent and any such sub-agent, and shall apply to their respective activities in connection with the syndication of the credit facilities provided for herein as well as activities as Administrative Agent.

SECTION 8.06 Successor Administrative Agent. Subject to the appointment and acceptance of a successor Administrative Agent as provided in this paragraph, the Administrative Agent may resign at any time by notifying the Lenders and the Borrower. Upon any such resignation, the Required Lenders shall have the right, in consultation with the Borrower, to appoint a successor. If no successor shall have been so appointed by the Required Lenders and shall have accepted such appointment within 30 days after the retiring Administrative Agent gives notice of its resignation, then the retiring Administrative Agent may, on behalf of the Lenders, appoint a successor Administrative Agent which shall be a bank with an office in New York, New York, or an Affiliate of any such bank. Upon the acceptance of its appointment as Administrative Agent hereunder by a successor, such successor shall succeed to and become vested with all the rights, powers, privileges and duties of the retiring Administrative Agent, and the retiring Administrative Agent shall be discharged from its duties and obligations hereunder. The fees payable by the Borrower to a successor Administrative Agent shall be the same as those payable to its predecessor unless otherwise agreed between the Borrower and such successor. After the Administrative Agent's resignation hereunder, the provisions of this Article and Section 9.04 shall continue in effect for the benefit of such retiring Administrative Agent, its sub-agents and their respective Related Parties in respect of any actions taken or omitted to be taken by any of them while it was acting as Administrative Agent.

SECTION 8.07 Credit Decision. Each Lender acknowledges that it has, independently and without reliance upon the Administrative Agent or any other Lender and based on such documents and information as it has deemed appropriate, made its own credit analysis and decision to enter into this Agreement. Each Lender also acknowledges that it will, independently and without reliance upon the Administrative Agent or any other Lender and based on such documents and information as it shall from time to time deem appropriate, continue to make its own decisions in taking or not taking action under or based upon this Agreement, any other Loan Document, any related agreement or any document furnished hereunder or thereunder.

SECTION 8.08 Lead Arrangers; Syndication Agent; Co-Documentation Agents. Notwithstanding anything to the contrary herein, none of the Lead Arrangers, the Syndication Agent or Co-Documentation Agents shall have any powers, duties or responsibilities under this Agreement or any of the other Loan Documents, except in its capacity, if applicable, as the Administrative Agent, the Collateral Agent, a Lender or an Issuing Bank. Each Lender acknowledges that it has not relied, and will not rely, on any of the Lead Arrangers, the Syndication Agent or the Co-Documentation Agents in deciding to enter into this Agreement or any other Loan Document or in taking or not taking any action hereunder or thereunder.

SECTION 8.09 Tax Indemnification by the Lenders. To the extent required by any applicable laws, the Administrative Agent may withhold from any payment to any Lender an amount equivalent to any applicable withholding tax. Without limiting or expanding the provisions of Section 2.14, each Lender shall indemnify and hold harmless the Administrative Agent against, and shall make payable in respect thereof within 10 days after demand therefor, any and all taxes and any and all related losses, claims, liabilities and expenses (including fees, charges and disbursements of any counsel for the Administrative Agent) incurred by or asserted against the Administrative Agent by the Internal Revenue Service or any other Governmental Authority as a result of the failure of the Administrative Agent to properly withhold tax from amounts paid to or for the account of such Lender for any reason (including, without limitation, because the appropriate form was not delivered or not properly executed, or because such Lender failed to notify the Administrative Agent of a change in circumstance that rendered the exemption from, or reduction of withholding tax ineffective). A certificate as to the amount of such payment or liability delivered to any Lender by the Administrative Agent shall be conclusive absent manifest error. Each Lender hereby authorizes the Administrative Agent to set off and apply any and all amounts at any time owing to such Lender under this Agreement or any other Loan Document against any amount due the Administrative Agent under this Section 8.09. The agreements in this Section 8.09 shall survive the resignation and/or replacement of the Administrative Agent, any assignment of rights by, or the replacement of, a Lender, the termination of the commitments and the repayment, satisfaction or discharge of all other Obligations.

(b) Notices, financial statements and similar deliveries and other communications to the Lenders hereunder may be delivered or furnished by electronic communications pursuant to procedures approved by the Administrative Agent (including by posting on IntraLinks); provided that the foregoing shall not apply to notices pursuant to Article II unless otherwise agreed by the Administrative Agent and the applicable Lender. The Administrative Agent or the Borrower may, in its discretion, agree to accept notices and other communications to it hereunder by electronic communications pursuant to procedures approved by it, provided that approval of such procedures may be limited to particular notices or communications.

SECTION 9.02 Waivers; Amendments .

(a) No failure or delay by the Administrative Agent or any Lender in exercising any right or power hereunder shall operate as a waiver thereof, nor shall any single or partial exercise of any such right or power, or any abandonment or discontinuance of steps to enforce such a right or power, preclude any other or further exercise thereof or the exercise of any other right or power. The rights and remedies of the Administrative Agent and the Lenders hereunder are cumulative and are not exclusive of any rights or remedies that they would otherwise have. No waiver of any provision of this Agreement or consent to any departure by the Borrower therefrom shall in any event be effective unless the same shall be permitted by paragraph (b) of this Section, and then such waiver or consent shall be effective only in the specific instance and for the purpose for which given. Without limiting the generality of the foregoing, the making of a Loan shall not be construed as a waiver of any Default, regardless of whether the Administrative Agent or any Lender may have had notice or knowledge of such Default at the time.

(b) Neither this Agreement nor any provision hereof may be waived, amended or modified except pursuant to an agreement or agreements in writing entered into by the Borrower and the Required Lenders or by the Borrower and the Administrative Agent with the consent of the Required Lenders; provided that no such agreement shall (i) increase the Revolving Commitment of any Lender without the written consent of such Lender, (ii) reduce the principal amount of any Loan or reduce the rate of interest thereon, or reduce any fees payable hereunder, without the written consent of each Lender directly affected thereby, (iii) postpone the scheduled date of payment of the principal amount of any Loan, or any interest thereon, or any fees payable hereunder, or reduce the amount of, waive or excuse any such payment, or postpone the scheduled date of expiration of any Revolving Commitment, without the written consent of each Lender directly affected thereby, (iv) change Section 2.15 in a manner that would alter the pro rata distribution or sharing of payments required thereby or any provision requiring the pro rata funding of Loans, without the written consent of each Lender, (v) release all or substantially all of the Collateral securing the Revolving Facility without the written consent of each Lender or (v) change any of the provisions of this Section or the definition of "Required Lenders" or any other provision hereof specifying the number or percentage of Lenders required to waive, amend or modify any rights hereunder or make any determination or grant any consent hereunder, without the written consent of each Lender; provided further that no such agreement shall amend, modify or otherwise affect the rights or duties of the Administrative Agent, any Issuing Bank or the Swingline Lender hereunder without the prior written consent of the Administrative Agent, such Issuing Bank or the Swingline Lender.

SECTION 9.03 Waivers; Amendments to Other Loan Documents .

(a) No failure or delay by the Administrative Agent or any Lender in exercising any right or power under the Subsidiary Guarantee or the Pledge Agreement shall operate as a waiver thereof, nor shall any single or partial exercise of any such right or power, or any abandonment or discontinuance of steps to enforce such a right or power, preclude any other or further exercise thereof or the exercise of any other right or power. The rights and remedies of the Administrative Agent and the Lenders under the Subsidiary Guarantee and the Pledge Agreement are cumulative and are not exclusive of any rights or remedies that they would otherwise have. No waiver of any provision of the Subsidiary Guarantee or the Pledge Agreement or consent to any departure by any Loan Party therefrom shall in any event be effective unless the same shall be permitted by paragraph (b) of this Section, and then such waiver or consent shall be effective only in the specific instance and for the purpose for which given.

(b) Neither the Subsidiary Guarantee, the Pledge Agreement nor any provision thereof may be waived, amended or modified except pursuant to an agreement or agreements in writing entered into by each affected Loan Party and, except in the case of amendments to the Pledge Agreement described in Section 7.1(b) thereof, the Required Lenders or by the affected Loan Party and the

Administrative Agent with the consent of the Required Lenders (except in the case of amendments to the Pledge Agreement described in Section 7.1(b) thereof); provided that no such agreement shall release all or substantially all of the Collateral (except as provided in Section 5.10 or 9.16), release all or substantially all of the Material Domestic Subsidiaries as Subsidiary Guarantors or change any of the provisions of this Section, in each case without the written consent of each Lender; provided further that no such agreement shall amend, modify or otherwise affect the rights or duties of the Collateral Agent under the Subsidiary Guarantee or the Pledge Agreement without the prior written consent of the Collateral Agent.

SECTION 9.04 Expenses; Indemnity; Damage Waiver.

(a) The Borrower shall pay (i) all reasonable out-of-pocket expenses incurred by the Administrative Agent, the Lead Arrangers and their respective Affiliates, including the reasonable fees, charges and disbursements of counsel for the Administrative Agent and the Lead Arrangers, in connection with the syndication of the Revolving Facility and the preparation, execution, delivery and administration of this Agreement or any other Loan Document or any amendments, modifications or waivers of the provisions hereof or thereof and (ii) all reasonable out-of-pocket expenses incurred by the Administrative Agent and the Lenders, including the fees, charges and disbursements of one firm of counsel for the Administrative Agent and the Lenders taken as a whole (and in the case of an actual or perceived conflict of interest, one additional counsel to all such affected Persons, taken as a whole), and to the extent required, one firm of local counsel in each relevant jurisdiction (which may include a single special counsel acting in multiple jurisdictions) and one firm of regulatory counsel, in connection with the enforcement or protection of its rights in connection with this Agreement or any other Loan Document, including their rights under this Section, or in connection with the Loans made hereunder, including all such out-of-pocket expenses incurred during any workout, restructuring or negotiations in respect of such Loans.

(b) The Borrower shall indemnify the Administrative Agent, the Lead Arrangers and each Lender, and each Related Party of any of the foregoing Persons (each such Person being called an “Indemnitee”) against, and hold each Indemnitee harmless from, any and all losses, claims, damages, liabilities and related expenses (including the reasonable and documented or invoiced out-of-pocket fees, expenses, disbursements and other charges of one firm of counsel for all Indemnities, taken as a whole (and, in the case of an actual or perceived conflict of interest where the Indemnitee affected by such conflict notifies the Borrower of any existence of such conflict and in connection with the investigating or defending any of the foregoing has retained its own counsel, of another firm of counsel for such affected Indemnitee), and to the extent required, one firm or local counsel in each relevant jurisdiction) and one firm of regulatory counsel of any such Indemnitee, arising out of, in connection with, or as a result of (i) the execution or delivery of this Agreement, any other Loan Document or any agreement or instrument contemplated hereby or thereby, the performance by the parties to this Agreement or any other Loan Document of their respective obligations hereunder or thereunder or the consummation of the Transactions or any other transactions contemplated hereby or thereby, (ii) any Loan or the use of the proceeds therefrom, (iii) any actual or alleged presence or release of Hazardous Materials on or from any property owned or operated by the Borrower or any of its Restricted Subsidiaries, or any Environmental Liability related in any way to the Borrower or any of its Restricted Subsidiaries, (iv) any civil penalty or fine assessed by OFAC against, and all reasonable costs and expenses (including counsel fees and disbursements) incurred in connection with defense thereof, by the Administrative Agent or any Lender as a result of conduct of the Borrower that violates a sanction enforced by OFAC or (v) any actual or prospective claim, litigation, investigation or proceeding relating to any of the foregoing, whether based on contract, tort or any other theory and regardless of whether any Indemnitee is a party thereto or

whether or not such action, claim, litigation or proceeding was brought by the Borrower, its equity holders, affiliates or creditors or any other third person; provided that such indemnity shall not, as to any Indemnitee, be available to the extent that such losses, claims, damages, liabilities or related expenses (i) are determined by a court of competent jurisdiction in a final and nonappealable judgment to have resulted from the gross negligence, willful misconduct or bad faith of such Indemnitee (or that of any of its respective subsidiaries or any of their respective officers, directors, employees or members), (ii) are determined by a court of competent jurisdiction in a final and nonappealable judgment to have results from a material breach of this Agreement by such Indemnitee or (iii) do not involve or arise from an act or omission by the Borrower or its subsidiaries or any of their respective affiliates, partners, directors, officers, employees, agents, advisors or other representatives and is brought by an Indemnitee solely against one or more other Indemnitees (other than claims against any Agent or any Lead Arranger in its capacity as such or in its fulfilling such role). Each Indemnitee shall give prompt notice to the Borrower of any claim that may give rise to a claim against the Borrower hereunder and shall consult with the Borrower in the conduct of such Indemnitee's legal defense of such claim; provided, however, than an Indemnitee's failure to give such prompt notice to the Borrower or to seek such consultation with the Borrower shall not constitute a defense to any claim for indemnification by such Indemnitee unless, and only to the extent that, such failure materially prejudices the Borrower.

(c) To the extent that the Borrower fails to pay any amount required to be paid by it to the Administrative Agent under paragraph (a) or (b) of this Section, each Lender severally agrees to pay to the Administrative Agent such Lender's Total Percentage (determined as of the time that the applicable unreimbursed expense or indemnity payment is sought) of such unpaid amount; provided that the unreimbursed expense or indemnified loss, claim, damage, liability or related expense, as the case may be, was incurred by or asserted against the Administrative Agent in its capacity as such.

(d) To the extent permitted by applicable law, the parties shall not assert, and each hereby waives, any claim against any other party, on any theory of liability, for special, indirect, consequential or punitive damages (as opposed to direct or actual damages) arising out of, in connection with, or as a result of, this Agreement or any agreement or instrument contemplated hereby, the Transactions, any Loan or the use of the proceeds thereof.

(e) All amounts due under this Section shall be payable within ten (10) Business Days after written demand therefor.

SECTION 9.05 Successors and Assigns .

(a) The provisions of this Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns permitted hereby, except that (i) the Borrower may not assign or otherwise transfer any of its rights or obligations hereunder without the prior written consent of each Lender (and any attempted assignment or transfer by the Borrower without such consent shall be null and void) and (ii) no Lender may assign or otherwise transfer its rights or obligations hereunder except in accordance with this Section. Nothing in this Agreement, expressed or implied, shall be construed to confer upon any Person (other than the parties hereto, their respective successors and assigns permitted hereby, Participants (to the extent provided in paragraph (c) of this Section) and, to the extent expressly contemplated hereby, the Related Parties of each of the Administrative Agent and the Lenders) any legal or equitable right, remedy or claim under or by reason of this Agreement.

(b) (i) Subject to the conditions set forth in paragraph (b)(ii) below, any Lender may assign to one or more financial institutions ("assignee" or "assignees") all or a portion of its rights and

obligations under this Agreement (including all or a portion of its Revolving Commitments and the Loans at the time owing to it) with the prior written consent of:

(A) the Borrower (such consent not to be unreasonably withheld or delayed, except for any competitors of the Borrower and its Subsidiaries); provided that no consent of the Borrower shall be required for an assignment (x) to a Lender, an Affiliate of a Lender, an Approved Fund or, if an Event of Default has occurred and is continuing, any other assignee (except for any competitor of the Borrower and its Subsidiaries) or (y) prior to the earlier of (i) the completion of the primary syndication of the Revolving Commitments as notified by to the Borrower by the Lead Arrangers or (ii) December 31, 2012; provided, further, that the Borrower shall be deemed to have consented to any such assignment unless it shall object thereto by written notice to the Administrative Agent within five (5) Business Days after having received notice of the proposed assignment;

(B) the Administrative Agent (such consent not to be unreasonably withheld), provided that no consent of the Administrative Agent shall be required for an assignment of any Revolving Commitment or Loan to an assignee that is a Lender, an Affiliate of a Lender or an Approved Fund; and

(C) each Issuing Bank and the Swingline Lender.

(ii) Assignments shall be subject to the following additional conditions:

(A) except in the case of an assignment to a Lender or an Affiliate of a Lender or an assignment of the entire remaining amount of the assigning Lender's Revolving Commitment or Loans of any Class, the amount of the Revolving Commitments or Loans of the assigning Lender subject to each such assignment (determined as of the date the Assignment and Assumption with respect to such assignment is delivered to the Administrative Agent) shall not be less than \$10,000,000 (or in the case of a Loan in an Alternative Currency, an appropriate corresponding amount as shall be consented to by the Administrative Agent (such consent not be unreasonable withheld)), unless each of the Borrower and the Administrative Agent otherwise consent, provided that no such consent of the Borrower shall be required if an Event of Default under clause (a), (b), (h) or (i) of Article VII has occurred and is continuing;

(B) each partial assignment shall be made as an assignment of a proportionate part of all the assigning Lender's rights and obligations under this Agreement, provided that this clause shall not be construed to prohibit the assignment of a proportionate part of all the assigning Lender's rights and obligations in respect of its Revolving Commitments or Revolving Loans;

(C) the parties to each assignment shall execute and deliver to the Administrative Agent an Assignment and Assumption, together with a processing and recordation fee of \$3,500 (which fee is hereby waived for any assignment to which J.P. Morgan Chase Bank, N.A. or any of its Affiliates is a party);

(D) the assignee, if it shall not be a Lender, shall deliver to the Administrative Agent an Administrative Questionnaire; and

(E) on the date of such assignment, the assignee of a Revolving Commitment must be able to fund Revolving Loans in all Alternative Currencies.

For the purposes of this Section 9.05(b), the term “Approved Fund” means any Person (other than a natural person) that is engaged in making, purchasing, holding or investing in bank loans and similar extensions of credit in the ordinary course of its business and that is administered or managed by (a) a Lender, (b) an Affiliate of a Lender or (c) an entity or an Affiliate of an entity that administers or manages a Lender.

(iii) Subject to acceptance and recording thereof pursuant to paragraph (b)(v) of this Section, from and after the effective date specified in each Assignment and Assumption the assignee thereunder shall be a party hereto and, to the extent of the interest assigned by such Assignment and Assumption, have the rights and obligations of a Lender under this Agreement, and the assigning Lender thereunder shall, to the extent of the interest assigned by such Assignment and Assumption, be released from its obligations under this Agreement (and, in the case of an Assignment and Assumption covering all of the assigning Lender’s rights and obligations under this Agreement, such Lender shall cease to be a party hereto but shall continue to be entitled to the benefits of Sections 2.12, 2.13, 2.14 and 9.04). Any assignment or transfer by a Lender of rights or obligations under this Agreement that does not comply with this Section 9.05 shall be null and void.

(iv) The Administrative Agent, acting for this purpose as an agent of the Borrower, shall maintain at one of its offices a copy of each Assignment and Assumption delivered to it and a register for the recordation of the names and addresses of the Lenders, and the Revolving Commitments of, and principal amount of the Loans owing to, each Lender pursuant to the terms hereof from time to time (the “Register”). The entries in the Register shall be conclusive absent manifest error, and the Borrower, the Administrative Agent and the Lenders shall treat each Person whose name is recorded in the Register pursuant to the terms hereof as a Lender hereunder for all purposes of this Agreement, notwithstanding notice to the contrary. The Register shall be available for inspection by the Borrower and any Lender, at any reasonable time and from time to time upon reasonable prior notice.

(v) Upon its receipt of a duly completed Assignment and Assumption with respect to a permitted assignment executed by an assigning Lender and an assignee, the assignee’s completed Administrative Questionnaire (unless the assignee shall already be a Lender hereunder), the processing and recordation fee referred to in paragraph (b) of this Section (unless waived), and any written consent to such assignment required by paragraph (b) of this Section, the Administrative Agent shall accept such Assignment and Assumption and record the information contained therein in the Register. No assignment shall be effective for purposes of this Agreement unless it has been recorded in the Register as provided in this paragraph.

(c) (i) Any Lender may, without the consent of the Borrower or the Administrative Agent, sell participations to one or more banks, institutions or other entities (a “Participant”) in all or a portion of such Lender’s rights and obligations under this Agreement (including all or a portion of its Revolving Commitments and the Loans owing to it); provided that (A) such Lender’s obligations under this Agreement shall remain unchanged, (B) such Lender shall remain solely responsible to the other parties hereto for the performance of such obligations and (C) the Borrower, the Administrative Agent and the other Lenders shall continue to deal solely and directly with such Lender in connection with such Lender’s rights and obligations under this Agreement and the other Loan Documents. Any agreement or instrument pursuant to which a Lender sells such a participation shall provide that such Lender shall retain the sole right to enforce this Agreement and the other Loan Documents and to approve any amendment, modification or waiver of any provision of this Agreement and the other Loan Documents; provided that such agreement or instrument may provide that such Lender will not, without the consent of the Participant, agree to any amendment, modification or waiver described in the first proviso to Section

9.02(b) or the first proviso to Section 9.03(b) that affects such Participant. Subject to paragraph (c)(ii) of this Section, the Borrower agrees that each Participant shall be entitled to the benefits of Sections 2.12, 2.13 and 2.14 to the same extent as if it were a Lender and had acquired its interest by assignment pursuant to paragraph (b) of this Section. Each Lender that sells a participation shall, acting solely for this purpose as a non-fiduciary agent of the Borrower, maintain a register on which it enters the name and address of each Participant and the principal amounts (and stated interest) of each Participant's interest in the Loans or other obligations under the Loan Documents (the "Participant Register"); provided that no Lender shall have any obligation to disclose all or any portion of the Participant Register (including the identity of any Participant or any information relating to a Participant's interest in any commitments, loans, letters of credit or its other obligations under any Loan Document) to any Person except to the extent that such disclosure is necessary in connection with a Tax audit or other proceeding or other governmental inquiry to establish that such commitment, loan, letter of credit or other obligation is in registered form under Section 5f.103-1(c) of the United States Treasury Regulations. The entries in the Participant Register shall be conclusive absent manifest error, and the parties hereto shall treat each Person whose name is recorded in the Participant Register as the owner of such participation for all purposes of this Agreement notwithstanding any notice to the contrary.

(ii) A Participant shall not be entitled to receive any greater payment under Section 2.12 or 2.14 than the applicable Lender would have been entitled to receive with respect to the participation sold to such Participant. A Participant shall not be entitled to the benefits of Section 2.14 unless such Participant complies with Section 2.14(e) as though it were a Lender.

(d) Any Lender may at any time pledge or assign a security interest in all or any portion of its rights under this Agreement to secure obligations of such Lender, including without limitation any pledge or assignment to secure obligations to a Federal Reserve Bank or other applicable central bank that governs or regulates the activities of such Lender, and this Section shall not apply to any such pledge or assignment of a security interest; provided that no such pledge or assignment of a security interest shall release a Lender from any of its obligations hereunder or substitute any such pledgee or assignee for such Lender as a party hereto.

SECTION 9.06 Survival. All covenants, agreements, representations and warranties made by any Loan Parties herein, in the other Loan Documents and in the certificates or other instruments delivered in connection with or pursuant to this Agreement or the other Loan Documents shall be considered to have been relied upon by the other parties hereto and shall survive the execution and delivery of this Agreement and the other Loan Documents and the making of any Loans, regardless of any investigation made by any such other party or on its behalf and notwithstanding that the Administrative Agent or any Lender may have had notice or knowledge of any Default or incorrect representation or warranty at the time any credit is extended hereunder, and shall continue in full force and effect as long as the principal of or any accrued interest on any Loan or any fee or any other amount payable under this Agreement is outstanding and unpaid and so long as the Revolving Commitments have not expired or terminated. The provisions of Sections 2.12, 2.13, 2.14 and 9.04 and Article VIII shall survive and remain in full force and effect regardless of the consummation of the transactions contemplated hereby, the repayment of the Loans, the expiration or termination of the Revolving Commitments, any assignment of rights by or replacement of a Lender or the termination of this Agreement or any provision hereof.

SECTION 9.07 Counterparts; Integration; Effectiveness. This Agreement may be executed in counterparts (and by different parties hereto on different counterparts), each of which shall constitute an original, but all of which when taken together shall constitute a single contract. This Agreement, the other Loan Documents and any separate letter agreements with respect to fees payable to

the Administrative Agent or the Lead Arranger constitute the entire contract among the parties relating to the subject matter hereof and supersede any and all previous agreements and understandings, oral or written, relating to the subject matter hereof. This Agreement shall become effective as provided in Section 4.01, and thereafter shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns. Delivery of an executed counterpart of a signature page of this Agreement by email or telecopy shall be effective as delivery of a manually executed counterpart of this Agreement.

SECTION 9.08 Severability. Any provision of this Agreement held to be invalid, illegal or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such invalidity, illegality or unenforceability without affecting the validity, legality and enforceability of the remaining provisions hereof; and the invalidity of a particular provision in a particular jurisdiction shall not invalidate such provision in any other jurisdiction.

SECTION 9.09 Right of Setoff. If an Event of Default shall have occurred and be continuing, each Lender and each of its Affiliates is hereby authorized at any time and from time to time, to the fullest extent permitted by law, to set off and apply any and all deposits (general or special, time or demand, provisional or final) at any time held and other obligations at any time owing by such Lender or Affiliate to or for the credit or the account of the Borrower against any of and all the obligations of the Borrower now or hereafter existing under this Agreement held by such Lender, irrespective of whether or not such Lender shall have made any demand under this Agreement and although such obligations may be unmaturred. The rights of each Lender under this Section are in addition to other rights and remedies (including other rights of setoff) which such Lender may have. Each Lender agrees to notify the Administrative Agent promptly after any such setoff and application; provided that the failure to give such notice shall not affect the validity of such setoff and application.

SECTION 9.10 Governing Law; Jurisdiction; Consent to Service of Process.

(a) This Agreement and the other Loan Documents and any claims, controversy, dispute or cause of action (whether in contract or otherwise) based upon, arising out of or relating to this Agreement or any other Loan Document (except, as to any other Loan Document, as expressly set forth therein) and the transactions contemplated hereby and thereby shall be governed by and construed in accordance with the law of the State of New York.

(b) The Borrower and each other Loan Party irrevocably and unconditionally agrees that it will not commence any action, litigation or proceeding of any kind or description, whether in law or equity, whether in contract or in tort or otherwise, against the Administrative Agent, any Lender, any Issuing Bank, or any Related Party of the foregoing in any way relating to this Agreement or any other Loan Document or the transactions relating hereto or thereto, in any forum other than the courts of the State of New York sitting in New York County, and of the United States District Court of the Southern District of New York, and any appellate court from any thereof, and each of the parties hereto irrevocably and unconditionally submits to the jurisdiction of such courts and agrees that all claims in respect of any such action or proceeding may be heard and determined in such New York State or, to the extent permitted by law, in such Federal court. Each of the parties hereto agrees that a final judgment in any such action or proceeding shall be conclusive and may be enforced in other jurisdictions by suit on the judgment or in any other manner provided by law. Nothing in this Agreement or any other Loan Document shall affect any right that the Administrative Agent, any Lender or any Issuing Bank may otherwise have to bring any action or proceeding relating to this Agreement or the other Loan Documents

against the Borrower or any other Loan Party or their respective properties in the courts of any jurisdiction.

(c) The Borrower and each other Loan Party hereby irrevocably and unconditionally waives, to the fullest extent it may legally and effectively do so, any objection which it may now or hereafter have to the laying of venue of any suit, action or proceeding arising out of or relating to this Agreement or the other Loan Documents in any court referred to in paragraph (b) of this Section. Each of the parties hereto hereby irrevocably waives, to the fullest extent permitted by law, the defense of an inconvenient forum to the maintenance of such action or proceeding in any such court.

(d) Each party to this Agreement irrevocably consents to service of process in the manner provided for notices in Section 9.01. Nothing in this Agreement will affect the right of any party to this Agreement to serve process in any other manner permitted by law.

SECTION 9.11 WAIVER OF JURY TRIAL. EACH PARTY HERETO HEREBY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY IN ANY LEGAL PROCEEDING DIRECTLY OR INDIRECTLY ARISING OUT OF OR RELATING TO THIS AGREEMENT, THE OTHER LOAN DOCUMENTS OR THE TRANSACTIONS CONTEMPLATED HEREBY OR THEREBY (WHETHER BASED ON CONTRACT, TORT OR ANY OTHER THEORY). EACH PARTY HERETO (A) CERTIFIES THAT NO REPRESENTATIVE, AGENT OR ATTORNEY OF ANY OTHER PARTY HAS REPRESENTED TO IT, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PARTY WOULD NOT, IN THE EVENT OF LITIGATION, SEEK TO ENFORCE THE FOREGOING WAIVER AND (B) ACKNOWLEDGES THAT IT AND THE OTHER PARTIES HERETO HAVE BEEN INDUCED TO ENTER INTO THIS AGREEMENT AND THE OTHER LOAN DOCUMENT BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONS IN THIS SECTION.

SECTION 9.12 Headings. Article and Section headings and the Table of Contents used herein are for convenience of reference only, are not part of this Agreement and shall not affect the construction of, or be taken into consideration in interpreting, this Agreement.

SECTION 9.13 Confidentiality. Each of the Administrative Agent and the Lenders agrees to maintain the confidentiality of the Information (as defined below), except that Information may be disclosed (a) to its and its Affiliates' directors, officers, employees and agents, including accountants, legal counsel and other advisors (it being understood that the Persons to whom such disclosure is made will be informed of the confidential nature of such Information and instructed to keep such Information confidential), (b) to the extent requested by any regulatory or self-regulatory authority, (c) to the extent required by applicable laws or regulations or by any subpoena or similar legal process, (d) to any other party to this Agreement, (e) in connection with the exercise of any remedies hereunder or any other Loan Document or any suit, action or proceeding relating to this Agreement or any other Loan Document or the enforcement of rights hereunder or thereunder, (f) subject to an agreement containing provisions substantially the same as those of this Section, to (i) any assignee of or Participant in, or any prospective assignee of or Participant in, any of its rights or obligations under this Agreement or (ii) any actual or prospective counterparty (or its advisors) to any swap or derivative transaction relating to the Borrower and its obligations, (g) with the consent of the Borrower or (h) to the extent such Information (i) becomes publicly available other than as a result of a breach of this Section or an agreement described in clause (f) hereof or (ii) becomes available to the Administrative Agent or any Lender on a nonconfidential basis from a source other than the Borrower. For the purposes of this Section, "Information" means all information received from the Borrower or its Affiliates relating to the Borrower, its subsidiaries or their

businesses, other than any such information that is available to the Administrative Agent or any Lender on a nonconfidential basis prior to disclosure by the Borrower or its Affiliates. Any Person required to maintain the confidentiality of Information as provided in this Section shall be considered to have complied with its obligation to do so if such Person has exercised the same degree of care to maintain the confidentiality of such Information as such Person would reasonably accord to its own confidential information.

Each Lender (other than any “public only” Lender) acknowledges that information furnished to it pursuant to this Agreement or the other Loan Documents may include material non-public information concerning the Borrower and its Affiliates and their related parties or their respective securities, and confirms that it has developed compliance procedures regarding the use of material non-public information and that it will handle such material non-public information in accordance with those procedures and applicable law, including Federal and state securities laws.

All information, including requests for waivers and amendments, furnished by the Borrower or the Administrative Agent pursuant to, or in the course of administering, this Agreement or the other Loan Documents will be syndicate-level information, which may contain material non-public information about the Borrower and its Affiliates and their related parties or their respective securities. Accordingly, each Lender represents to the Borrower and the Administrative Agent that it has identified in its administrative questionnaire a credit contact who may receive information that may contain material non-public information in accordance with its compliance procedures and applicable law, including Federal and state securities laws.

SECTION 9.14 Judgment Currency. If, for the purposes of obtaining judgment or filing a claim in any court, it is necessary to convert a sum due hereunder or claim in one currency into another currency, the rate of exchange used shall be that at which in accordance with normal banking procedures the Administrative Agent could purchase the first currency with such other currency on the Business Day preceding that on which final judgment is given. The obligation of the Borrower in respect of any such sum due from it to the Administrative Agent or the Lenders hereunder shall, notwithstanding any judgment in a currency (the “Judgment Currency”) other than that in which such sum is denominated in accordance with the applicable provisions of this Agreement (the “Agreement Currency”), be discharged only to the extent that on the Business Day following receipt by the Administrative Agent of any sum adjudged to be so due in the Judgment Currency, the Administrative Agent may in accordance with normal banking procedures purchase the Agreement Currency with the Judgment Currency. If the amount of the Agreement Currency so purchased is less than the sum originally due to the Administrative Agent from the Borrower in the Agreement Currency, the Borrower agrees, as a separate obligation and notwithstanding any such judgment, to indemnify the Administrative Agent or the Person to whom such obligation was owing against such loss. If the amount of the Agreement Currency so purchased is greater than the sum originally due to the Administrative Agent in such currency, the Administrative Agent agrees to return the amount of any excess to the Borrower (or to any other Person who may be entitled thereto under applicable law).

SECTION 9.15 USA PATRIOT Act. Each Lender subject to the Act hereby notifies the Borrower that pursuant to the requirements of the USA PATRIOT Act (Title III of Pub. L. 107-56 (signed into law October 26, 2001)) (the “Act”), it is hereby required to obtain, verify and record information that identifies the Borrower, which information includes the name and address of the Borrower and other information that will allow such Lender to identify the Borrower in accordance with the Act.

SECTION 9.16 Collateral and Guarantee Matters. The Lenders irrevocably authorize the Administrative Agent:

(a) to release any Lien on any property granted to or held by the Administrative Agent under any Loan Document (i) upon all of the Obligations (other than (x) (i) Cash Management Obligations and (ii) Obligations under Specified Swap Agreements not yet due and payable, and (y) contingent obligations not yet accrued and payable) having been paid in full, all Letters of Credit having been cash collateralized or otherwise back-stopped (including by “grandfathering” into any future credit facilities), in each case, on terms reasonably satisfactory to the relevant Issuing Bank in its sole discretion, or having expired or having been terminated, and the Total Revolving Commitments having expired or having been terminated, (ii) that is Disposed of or to be Disposed of as part of or in connection with any Disposition permitted hereunder or under any other Loan Document to any Person other than a Loan Party, (iii) subject to Section 9.02, if approved, authorized or ratified in writing by the Required Lenders, (iv) owned by a Subsidiary Guarantor upon release of such Subsidiary Guarantor from its obligations under its Subsidiary Guarantee pursuant to clause (b) below, (v) as expressly provided in the Collateral Documents, or (vi) in connection with a Collateral Suspension Period;

(b) to release any Subsidiary Guarantor from its obligations under the Subsidiary Guarantee (i) in the event of dissolution of such Person, (ii) if such Person is designated as an Unrestricted Subsidiary or otherwise ceases to be a Restricted Subsidiary, in each case in accordance with the provisions of this Agreement, upon effectiveness of such designation or when it first ceases to be a Restricted Subsidiary, respectively, (iii) if the obligations under this Agreement are discharged in accordance with the terms of this Agreement or (iv) as otherwise expressly provided in the Subsidiary Guarantee; provided that no such release shall occur with respect to an entity that ceases to be a Restricted Subsidiary if such Subsidiary Guarantor continues to be a guarantor in respect of any Pari Passu Indebtedness unless and until each guarantor is (or is being simultaneously) released from its guarantee with respect to such Pari Passu Indebtedness; and

The Assignor hereby irrevocably sells and assigns to the Assignee, without recourse to the Assignor, and the Assignee hereby irrevocably purchases and assumes from such Assignor, without recourse to the Assignor, as of the Effective Date (as defined below), the interest described in Schedule 1 hereto (the “Assigned Interest”), in and to the Assignor’s rights and obligations under the Credit Agreement with respect to those credit facilities contained in the Credit Agreement as are set forth on Schedule 1 hereto (individually, an “Assigned Facility”; collectively, the “Assigned Facilities”), in a principal amount for each Assigned Facility as set forth on Schedule 1 hereto.

2. The Assignor (a) makes no representation or warranty and assumes no responsibility with respect to any statements, warranties or representations made in or in connection with the Credit Agreement or with respect to the execution, legality, validity, enforceability, genuineness, sufficiency or value of the Credit Agreement or any other instrument or document furnished pursuant thereto, other than that the Assignor has not created any adverse claim upon the interest being assigned by it hereunder and that such interest is free and clear of any such adverse claim and (b) makes no representation or warranty and assumes no responsibility with respect to the financial condition of the Borrower, any of its Affiliates or any other obligor or the performance or observance by the Borrower, any of its Affiliates or any other obligor of any of their respective obligations under the Credit Agreement or any other instrument or document furnished pursuant hereto or thereto.

3. The Assignee (a) represents and warrants that it is legally authorized to enter into this Assignment and Assumption; (b) confirms that it has received a copy of the Credit Agreement, together with copies of the financial statements delivered pursuant to Section 3.04 and 5.01 thereof and such other documents and information as it has deemed appropriate to make its own credit analysis and decision to enter into this Assignment and Assumption; (c) agrees that it will, independently and without reliance upon the Assignor, the Administrative Agent or any Lender and based on such documents and information as it shall deem appropriate at the time, continue to make its own credit decisions in taking or not taking action under the Credit Agreement or any other instrument or document furnished pursuant hereto or thereto; (d) appoints and authorizes the Administrative Agent to take such action as agent on its behalf and to exercise such powers and discretion under the Credit Agreement or any other instrument or document furnished pursuant hereto or thereto as are delegated to the Administrative Agent by the terms

thereof, together with such powers as are incidental thereto; and (e) agrees that it will be bound by the provisions of the Credit Agreement and will perform in accordance with its terms all the obligations which by the terms of the Credit Agreement are required to be performed by it as a Lender including, if it is organized under the laws of a jurisdiction outside the United States, its obligation pursuant to Section 2.14(e) of the Credit Agreement.

4. The effective date of this Assignment and Assumption shall be the Effective Date of Assignment described in Schedule 1 hereto (the “Effective Date”). Following the execution of this Assignment and Assumption, it will be delivered to the Administrative Agent for acceptance by it and recording by the Administrative Agent pursuant to the Credit Agreement, effective as of the Effective Date (which shall not, unless otherwise agreed to by the Administrative Agent, be earlier than five Business Days after the date of such acceptance and recording by the Administrative Agent).

5. Upon such acceptance and recording, from and after the Effective Date, the Administrative Agent shall make all payments in respect of each Assigned Interest (including payments of principal, interest, fees and other amounts) to the Assignor for amounts which have accrued to the Effective Date and to the Assignee for amounts which have accrued subsequent to the Effective Date or accrue subsequent to the Effective Date. The Assignor and the Assignee shall make all appropriate adjustments in payments by the Administrative Agent for periods prior to the Effective Date or with respect to the making of this Assignment and Assumption directly between themselves.

6. From and after the Effective Date, (a) the Assignee shall be a party to the Credit Agreement and, to the extent provided in this Assignment and Assumption, have the rights and obligations of a Lender thereunder and shall be bound by the provisions hereof and (b) the Assignor shall, to the extent provided in this Assignment and Assumption, relinquish its rights and be released from its obligations under the Credit Agreement (but shall continue to be entitled to the benefits of Sections 2.12, 2.13, 2.14 and 9.04).

SECTION 1. DEFINED TERMS

1.1 Definitions. (a) Unless otherwise defined herein, terms defined in the Credit Agreement and used herein shall have the meanings given to them in the Credit Agreement.

(b) The following terms shall have the following meanings:

“Agreement”: this Subsidiary Guarantee Agreement, as the same may be amended, amended and restated, supplemented or otherwise modified from time to time.

“Funding Office”: the office of the Collateral Agent specified in Section 4.2 or such other office as may be specified from time to time by the Collateral Agent as its funding office by written notice to the Borrower and the Lenders.

“Termination Date”: the date when all Obligations (other than (x) (i) Cash Management Obligations and (ii) Obligations under Specified Swap Agreements not yet due and payable, and (y)

1.2 Other Definitional Provisions. The rules of construction and other interpretive provisions specified in Section 1.03 of the Credit Agreement shall apply to this Agreement, including terms defined in the preamble and recitals hereto.

SECTION 2. GUARANTEE

2.1 Guarantee. (a) Each of the Guarantors hereby, jointly and severally, unconditionally and irrevocably, guarantees to the Collateral Agent, for the ratable benefit of the Secured Parties and their respective successors, indorsees, transferees and assigns, the prompt and complete payment and performance by the Borrower when due (whether at the stated maturity, by acceleration or otherwise) of the Obligations.

(b) Anything herein or in any other Loan Document to the contrary notwithstanding, the maximum liability of each Guarantor hereunder and under the other Loan Documents shall in no event exceed the amount which can be guaranteed by such Guarantor under applicable foreign, federal and state bankruptcy, insolvency or receivership laws, the Uniform Fraudulent Conveyance Act, the Uniform Fraudulent Transfer Act or any similar foreign, federal or state law to the extent applicable to this guarantee and each Guarantor’s obligations hereunder (after giving effect to the right of contribution established in Section 2.2).

(c) Each Guarantor agrees that the Obligations may at any time and from time to time exceed the amount of the liability of such Guarantor hereunder without impairing the guarantee contained in this Section 2 or affecting the rights and remedies of the Collateral Agent.

(d) The guarantee contained in this Section 2 shall remain in full force and effect until the Termination Date, notwithstanding that from time to time during the term of the Credit Agreement the Borrower may be free from any Obligations.

(e) No payment made by the Borrower, any of the Guarantors, any other guarantor or any other Person or received or collected by the Collateral Agent or any Secured Party from the Borrower, any of the Guarantors, any other guarantor or any other Person by virtue of any action or proceeding or any set-off or appropriation or application at any time or from time to time in reduction of or in payment of the Obligations shall be deemed to modify, reduce, release or otherwise affect the liability of any Guarantor hereunder which shall, notwithstanding any such payment (other than any payment made by such Guarantor in respect of the Obligations or any payment received or collected from such Guarantor in respect of the Obligations), remain liable for the Obligations up to the maximum liability of such Guarantor hereunder until the Termination Date.

2.2 Right of Contribution. Each Guarantor hereby agrees that to the extent that a Guarantor shall have paid more than its proportionate share of any payment made hereunder, such Guarantor shall be entitled to seek and receive contribution from and against any other Guarantor hereunder which has not paid its proportionate share of such payment. Each Guarantor’s right of contribution shall be subject to the terms and conditions of Section 2.3. The provisions of this Section 2.2 shall in no respect limit the obligations and liabilities of any Guarantor to the Collateral Agent and the

Secured Parties, and each Guarantor shall remain liable to the Collateral Agent and the Secured Parties for the full amount guaranteed by such Guarantor hereunder.

2.3 No Subrogation. Notwithstanding any payment made by any Guarantor hereunder or any set-off or application of funds of any Guarantor by the Collateral Agent or any Secured Party, no Guarantor shall be entitled to be subrogated to any of the rights of the Collateral Agent or any Secured Party against the Borrower or any other Guarantor or any collateral security or guarantee or right of offset held by the Collateral Agent or any Secured Party for the payment of the Obligations, nor shall any Guarantor seek or be entitled to seek any contribution or reimbursement from the Borrower or any other Guarantor in respect of payments made by such Guarantor hereunder, until the Termination Date. If any amount shall be paid to any Guarantor on account of such subrogation rights at any time prior to the Termination Date, such amount shall be held by such Guarantor in trust for the Collateral Agent, segregated from other funds of such Guarantor, and shall, forthwith upon receipt by such Guarantor, be turned over to the Collateral Agent in the exact form received by such Guarantor (duly indorsed by such Guarantor to the Collateral Agent, if required), to be applied against the Obligations, whether matured or unmatured, in accordance with Section 5.3 of the Pledge Agreement.

2.4 Amendments, etc. with Respect to the Obligations. Each Guarantor shall remain obligated hereunder notwithstanding that, without any reservation of rights against any Guarantor and without notice to or further assent by any Guarantor, any demand for payment of any of the Obligations made by the Collateral Agent may be rescinded by the Collateral Agent and any of the Obligations continued, and the Obligations, or the liability of any other Person upon or for any part thereof, or any collateral security or guarantee therefor or right of offset with respect thereto, may, from time to time, in whole or in part, be renewed, extended, amended, modified, accelerated, compromised, waived, surrendered or released by the Collateral Agent, and the Credit Agreement and the other Loan Documents and any other documents executed and delivered in connection therewith may be amended, amended and restated, modified, supplemented or terminated, in whole or in part, as the Collateral Agent, the Administrative Agent, the Required Lenders or the Lenders, as the case may be, may deem advisable from time to time, and any collateral security, guarantee or right of offset at any time held by the Collateral Agent for the payment of the Obligations may be sold, exchanged, waived, surrendered or released.

2.5 Guarantee Absolute and Unconditional. Each Guarantor waives any and all notice of the creation, renewal, extension or accrual of any of the Obligations and notice of or proof of reliance by the Collateral Agent or any Secured Party upon the guarantee contained in this Section 2 or acceptance of the guarantee contained in this Section 2; the Obligations, and any of them, shall conclusively be deemed to have been created, contracted or incurred, or renewed, extended, amended or waived, in reliance upon the guarantee contained in this Section 2; and all dealings between the Borrower and any of the Guarantors, on the one hand, and the Collateral Agent and the Secured Parties, on the other hand, likewise shall be conclusively presumed to have been had or consummated in reliance upon the guarantee contained in this Section 2. Each Guarantor waives diligence, presentment, protest, demand for payment and notice of default or nonpayment to or upon the Borrower or any of the Guarantors with respect to the Obligations (other than any notice required pursuant to the terms of the Credit Agreement). Each Guarantor understands and agrees that the guarantee contained in this Section 2 shall be construed as a continuing, absolute and unconditional guarantee of payment without regard to (a) the validity or enforceability of the Credit Agreement or any other Loan Document, any of the Obligations or any other collateral security therefor or guarantee or right of offset with respect thereto at any time or from time to time held by the Collateral Agent or any Secured Party, (b) any defense, set-off or counterclaim (other than a defense of payment or performance) which may at any time be available to or be asserted by the

Borrower or any other Person against the Collateral Agent or any Secured Party, or (c) any other circumstance whatsoever (with or without notice to or knowledge of the Borrower or such Guarantor) which constitutes, or might be construed to constitute, an equitable or legal discharge of the Borrower for the Obligations, or of such Guarantor under the guarantee contained in this Section 2, in bankruptcy or in any other instance. When making any demand hereunder or otherwise pursuing its rights and remedies hereunder against any Guarantor, the Collateral Agent may, but shall be under no obligation to, make a similar demand on or otherwise pursue such rights and remedies as it may have against the Borrower, any other Guarantor or any other Person or against any collateral security or guarantee for the Obligations or any right of offset with respect thereto, and any failure by the Collateral Agent to make any such demand, to pursue such other rights or remedies or to collect any payments from the Borrower, any other Guarantor or any other Person or to realize upon any such collateral security or guarantee or to exercise any such right of offset, or any release of the Borrower, any other Guarantor or any other Person or any such collateral security, guarantee or right of offset, shall not relieve any Guarantor of any obligation or liability hereunder, and shall not impair or affect the rights and remedies, whether express, implied or available as a matter of law, of the Collateral Agent against any Guarantor. For the purposes hereof “demand” shall include the commencement and continuance of any legal proceedings.

2.6 Reinstatement. The guarantee contained in this Section 2 shall continue to be effective, or be reinstated, as the case may be, if at any time payment, or any part thereof, of any of the Obligations is rescinded or must otherwise be restored or returned by the Collateral Agent or any Secured Party upon the insolvency, bankruptcy, dissolution, liquidation or reorganization of the Borrower or any Guarantor, or upon or as a result of the appointment of a receiver, intervenor or conservator of, or trustee or similar officer for, the Borrower or any Guarantor or any substantial part of its property, or otherwise, all as though such payments had not been made.

2.7 Payments and Application. Payments hereunder will be paid to the Collateral Agent without set-off or counterclaim in Dollars at the Funding Office. If the Collateral Agent or any Secured Party shall receive any amount pursuant to this Section 2, such amount shall be applied to the payment of the Obligations in the following order:

First, to pay unpaid fees and expenses of the Collateral Agent under the Loan Documents;

Second, to pay unpaid fees and expenses of the Administrative Agent under the Loan Documents;

Third, to the Collateral Agent, for application by it towards payment of amounts then due and owing and remaining unpaid in respect of the Obligations, pro rata among the Secured Parties according to the amounts of the Obligations then due and owing and remaining unpaid to the Secured Parties; and

Fourth, any balance remaining after (i) the Obligations shall have been paid in full (ii) Total Revolving Commitments shall have terminated and (iii) all Letters of Credit having been cash collateralized or otherwise back-stopped (including by “grandfathering” into any future credit facilities), in each case, on terms reasonably satisfactory to the relevant Issuing Bank in its sole discretion, or having expired or having been terminated, shall be paid over to the Guarantors, their successors or assigns or as a court of competent jurisdiction may otherwise direct.

The powers conferred on the Collateral Agent Parties hereunder are solely to protect the Collateral Agent's interests and shall not impose any duty upon the Collateral Agent to exercise any such powers. The Collateral Agent shall be accountable only for amounts that they actually receive as a result of the exercise of such powers, and neither it nor any of its Related Parties shall be responsible to any Guarantor for any act or failure to act hereunder, except as determined by a court of competent jurisdiction in a final non appealable judgment to have resulted from their own gross negligence, bad faith or willful misconduct. 3.2 Authority of Collateral Agent. Each Guarantor acknowledges that the rights and responsibilities of the Collateral Agent under this Agreement with respect to any action taken by the Collateral Agent or the exercise or non-exercise by the Collateral Agent of any option, request, judgment or other right or remedy provided for herein or resulting or arising out of this Agreement shall, as between the Collateral Agent and the Secured Parties, be governed by this Agreement and by such other agreements with respect thereto as may exist from time to time among them, but, as between the Collateral Agent and the Guarantors, the Collateral Agent shall be conclusively presumed to be acting as agent for the Secured Parties with full and valid authority so to act or refrain from acting, and no Guarantor shall be under any obligation, or entitlement, to make any inquiry respecting such authority.

No failure to exercise, nor any delay in exercising, on the part of the Collateral Agent, any right, power or privilege hereunder shall operate as a waiver thereof. No single or partial exercise of any right, power or privilege hereunder shall preclude any other or further exercise thereof or the exercise of any other right, power or privilege.
